# History *Not* Learned Is *Easy* Path To People Enslavement

5/20/95 #1 HATONN

OKLAHOMA CITY

In our efforts to bring you history lessons, we often overlook the most timely examples of ongoing happenings. My task is to keep you working on TRUTH, AS IT WAS AND IS, while we example "today" and tell you who's "fudging". What do I mean? I can't possibly comment each day on happenings and possibilities; we haven't enough paper to print it all even if I could do so. There are some fine resources out there, readers, and my hope is that you are trying to keep up with them. I know that some of our own close friends and workers are never at rest while making every possible effort to move forward with "rebuilding" freedom. When you disrupt your enemy's planned game, he doesn't know what to do. When you know TRUTH about happenings—he can continue to lie, shout his lying innocence and then bully his way through—but, when the people get fed up with the lies and bullying ways, he will be found out!

## Gilmer, Texas: An American Portrait

### Part III: Obstruction Of Justice

5/17/95 RICK MARTIN

**Warning:** The article you are about to read is true in all aspects and is deeply disturbing. The language is uncensored and very strong. The documentation for this series has been painstakingly obtained through the Freedom of Information Act and through numerous confidential sources. Again, caution, this is strong material.

*Editor's note correction: in last week's paper on page 54, #11, it should read: It is a fact that Lucas Geer passed a polygraph... (not Wanda Kerr).*

Well known expert witness on cults, Dr. Carl A. Raschke, on July 14, 1994, wrote a letter to Attorney General Janet Reno which I will include here. Please keep in mind that Dr. Raschke is an expert used by the Justice Department in cult and ritual abuse cases. [Quoting:]

Dear Attorney General Reno:

With this letter I am formally requesting that the U.S. Justice Department investigate what constitute accusations by citizens of the municipality of Gilmer, Texas that since February 27, 1994 certain federal and state officials have acted in concert with yet not positively identified members of the Federal Bureau of Investigation to obstruct justice and assist in a cover-up of the real circumstances surrounding the disappearance, and very likely death, of an adolescent girl named Kelly Wilson.

This letter also supports what I understand is a complaint and request for investigation by Galveston attorney and former court-appointed special prosecutor Scott Lyford to the Office of Investigative Standards at the FBI, mailed to you as certified correspondence in recent weeks regarding the selfsame matter.

Such accusations include deliberate leaking of select information and documentation by representatives of the FBI, in collusion with the Texas Attorney General's office and unusually friendly reporters from *The Dallas Morning News*, in order to undermine the investigation of a court-appointed special prosecutor and sabotage his case at a time when the prosecutor and his investigative team were under a judicial gag order; the use of special influence and pressure to "rig" a grand jury in Upshur County for the purpose of protecting criminal elements and intimidating witnesses to

the point of violating their civil rights under the U.S. Constitution; the abuse of power in the state attorney general's office to manipulate public opinion and influence the outcome of a grand jury investigation with the aim of further harassing and punishing those with information about a crime through civil litigation. It is the belief of many people in East Texas, according to interviews and research I myself have conducted since early March that the alleged cover-up and efforts at obstruction of justice are aimed at protecting certain law enforcement officials and residents of Texas and Arkansas involved in illegal drug-trafficking, money laundering, and child abuse and pornography. Furthermore, certain parties implicated in such a syndicated operation have also been identified in ... press reports as principles in the activities in the state of Arkansas allegedly connected closely with the well-known Whitewater case.

I ask that your office begin an immediate and swift investigation of this matter in order to obviate the public appearance that the U.S. Justice Department is moving slowly to keep quiet the kind of alleged scandalous, public wrongdoing presently under investigation by the Congress of the United States.

I enclose preliminary documentation concerning the case and your jurisdiction in the affair. I would note, in particular, a front-page *Dallas Morning News* article of February 27, 1994 in which an unnamed "federal agent", who in context appears as an FBI agent, is quoted as publicly savaging Mr. Lyford's case. I am sure I do not have to tell you that for any FBI agent to attack, in a newspaper, the work of a court-appointed special prosecutor, particularly when the outcome of such an attack has been growing public suspicion of official wrongdoing at the state and federal level, as well as the cover-up of criminal actions, is the height of reckless, unethical, and unprofessional—if not illegal—behavior.

If the quotation was made off the record and not for publication, then I ask you to investigate the possible breach of ethical standards of the journalistic profession in support of a criminal cover-up and aiding in the harassment of the citizenry by certain representatives of *The Dallas Morning News*.

For the record, I am a full, tenured professor at the University of Denver, where I have been employed in a full-time, professional capacity for almost 22 years. I am a well-known expert witness and consultant to law enforcement and defense teams involving occult-re-

lated crimes, and a published author of extensive repute. This past year I was asked to serve in a public, advisory capacity to the U.S. Justice Department in matters involving religion and criminal activity. [End quoting.]

The following is the introductory portion of a front page story appearing in the February 27, 1994 edition of *The Dallas Morning News*, [quoting:]

The case against a police officer accused of raping and killing a woman whose disappearance he was investigating is based on virtually no physical evidence and the recollections of an 8-year-old child and a woman who has been accused of lying, according to court records and law enforcement officials.

The FBI office in Tyler is so skeptical of the case and its underlying allegations of Satanism and ritual murder that it has offered to make available to other investigators records that could help exonerate the indicted officer.

"This investigation is a mess," said one federal agent, who asked not to be named. [End quoting.]

On May 19, 1994, Special Prosecutor Scott Lyford wrote the following letter to the Office of Professional Standards of the FBI. [Quoting:]

Enclosed please find copies of portions of an article that appeared in *The Dallas Morning News* of February 27, 1994. The article quotes an FBI officer in Tyler who asked not to be named.

This comment constituted an improper intervention by the officer in a case being legally pursued by a special prosecutor. As such, the action was unethical and disciplinary action should be taken.

cc: Hon. Janet Reno [End quoting.]

By the way, readers, that FBI agent's name, from Tyler, is Gary Hewitt.

#### KELLY WILSON PICKED-UP, RAPED, HELD CAPTIVE, TORTURED, & MURDERED

In a [30-page] interview with Connie Martin on January 4, 1994 at the Harrison County Jail in Marshall, Texas, many facts were revealed concerning the disappearance of Kelly Wilson and the ordeal she was to suffer for approximately nine days. Connie Martin and Wanda Kerr have both stated in interviews that Kelly Wilson was a "birthday present" for Geneva Kerr.

Present at the interview were: Steve Baggs, Scott Lyford, Debbie Minshew, and Brooks Fleig.

EXHIBIT #4

The following is excerpted and, at times, paraphrased, from Connie Martin's testimony:

Connie, Wanda, Wendell, Don Holeman left Gene and Geneva's house and drove to the video store and picked up Kelly Wilson. They then returned to Gene and Geneva's house, where Kelly was gang-raped. Those present during the rape were Danny, Wendell, Gene, Geneva, James, Don, Tammy, Daniel, Danny, Raymond, Connie, Sgt. James Brown, and Wanda.

After Kelly had been repeatedly and forcibly raped, everyone got dressed and went to the woods behind the house. They forcibly took Kelly there. The people that went into the woods with Kelly after she'd been raped in Gene and Geneva's house were: Danny Kerr, Wendell Kerr, Don Holeman, James Brown, Tammy Smith, Wanda Kerr, Connie, Gene Kerr, Geneva Kerr, Raymond Smith, *Minor Child #3*, and *Minor Child #4*.

"They took her to the circle in the woods behind the house. Danny had the 'blue bag' with the rope, beads, and ties for tying people down, and Danny had the tape (grey) to put over Kelly's mouth. [This is the same bag which was later gathered as evidence.] Danny had the big black police flashlight that he got from his brother Ronnie. James Brown had a police flashlight that he wore on his belt.

"After tying Kelly's hands and putting tape over her mouth, Geneva told Danny 'go over there and get the robes.' I could see them when he shined the flashlight on them. They were white.

"When Danny got back with the robes, they undressed and Danny, Geneva, Gene, Wendell, and Don put on the robes.

"Geneva's robe was white with black trim around the opening on the hood. The other robes did not have a hood. All the robes had a black star on the left side called the devil's star. It has six sides (points). The robes slipped over their heads. When they had sex, they had to lift the bottom of the robes."

They all proceeded to continue with the sexual abuse of Kelly. She was then held prisoner in the shed behind the house, given no food or water, hands tied, with tape over her mouth.

Each day they would drag her out of the shed into the woods for group rape, beatings, and torture. The beatings included repeated blows to the abdomen and vaginal regions. The reason for this will become evident later in the narrative. She was not cleaned up. She was not given food. She was held captive with restraints, given very little or no water. She grew very weak.

"When Geneva talks in the woods, she uses a deep voice that is very scary, like the devil is talking. When the men talk in the woods, they use a deep voice that is very mean and sounds like the devil talking. They also talk with their eyes, especially Geneva. She stares at people, and they know its their turn [for sex]."

Sgt. Brown was among those named who were present for the repeated rapes of Kelly Wilson.

"Kelly had tears running down her face. When Kelly would try to fight us, Tammy would say 'you be still, you fucking bitch.' Wanda was laughing.

"Geneva said, [to Kelly] 'I'm going to use my satanic powers on you.'

"Danny said to Kelly, 'We're going to kill you.'"

Kelly was continually dressed, returned to the shed, taken out, gang-raped and tortured, returned to the shed, and the daily cycle would continue. Kelly, of course, became very weak and was unable to walk after

days of this kind of cruelty and torture—and no food. They used an electric shocker [battery] on various parts of her body. At one point, using Kelly's own blood, "Geneva drew a witch's foot on Kelly's chest between her breasts, and said, 'you are under my power.'"

In one of his visits to the Kerrs while Kelly was held captive, James Brown was described as driving a green and white van. On other evenings Brown showed up in uniform driving a patrol car.

After days and days of this repeated torture and abuse of Kelly, Connie states in her testimony, "I could smell Kelly in the barn, when I walked around to the back door to go in. It was a real bad smell."

At another point: "Geneva told Kelly, 'We're giving your soul to the devil.'"

On the last night of Kelly's captivity, Tuesday—**[An additional warning readers, the following is very strong language—some of you may want to skip this quoted portion of the story.]** [The following is quoted verbatim from Connie Martin's testimony:]

Tammy, Don and Raymond came to Geneva's house about 8:30. James Brown got there about 15 minutes later, about 8:45. He was in uniform and in a patrol car.

11:00 that night—Gene and Geneva, Wendell and Wanda, Danny and Connie, Tammy and Don, James Brown, Raymond, *Minor Child #3* and *Minor Child #4* went to the shed to get Kelly.

Geneva opened the door to the barn. Kelly was sitting on the floor, leaning back against something in the barn. She looked "spaced out". Danny and Wendell went into the barn and picked her up by her arms. When they brought her out, Geneva said, "This is the day you're going to die—we're going to sacrifice you to Satan." Kelly was then carried to the woods by Wendell and Danny. She was taken to the same place in the woods, the circle inside the circle. Geneva then began pointing out, one by one, who takes their clothes off first. The ones that took their clothes off were: Geneva, Wendell, Danny, Don, and Gene. Then Danny had oral sex with Kelly. Then Wendell had oral sex with Kelly. Then Don had vaginal sex with Kelly. Then James had

oral sex with Kelly. Then Gene had vaginal sex with Kelly.

Geneva then knelt down between Kelly's legs. Geneva stuck her whole hand up inside Kelly's vagina. I think she used her right hand. Geneva pulled out some of Kelly's private parts (about the size of an orange). [Remember the repeated blows to the stomach and vagina?] She pulls the stuff out with her right hand, and holds a knife with her left hand, and cuts the part loose from Kelly's body with a knife. She took it around to each person, and held it in front of them for them to take a bite, then drew a mark on each person's chest with the blood from the parts.

She put the rest of the body parts in a black garbage bag. She handed the bag to Danny. She goes back to Kelly, drops down between her legs, and cuts off her right breast. She stands up to show people, the blood dripped on Kelly. Geneva then put that breast in the garbage bag. She did the same thing with Kelly's left breast. Geneva then goes and stands over Kelly's head. Geneva gets on her knees, leans over, and stabs Kelly several times, saying, "You are sacrificed in the name of Satan." Wendell passed the flashlight, and is shining it on Kelly. Danny has the black bag. The blood coming out is a bright color. Danny comes over and puts a rope around her head. The rope was in the blue bag. It was a beige, brown, or white rope around her neck, and then they used a yellow rope around Kelly's legs. They hung her in the tree, a small tree over behind the circle. Then they let the blood run from Kelly's body into a pot. We each drank some of the blood from her body. We drank it from a white cup. Then Wendell and Tammy took her down.

Then they cut her up. [End of Connie Martin's testimony.]

In interviewing different insiders concerning this case, and inquiring what became of the body, I was told confidentially that after Kelly was cut up, she was put in the freezer. Later, the Kerrs ate her. Her intestines were fed to the dogs. When asked why, the response was, "Because it's cheaper than dog food."

## HOPE

Through a confidential source, the *Minor Children* said, "They killed Hope." When asked who Hope was, the response was that she was a 16-year-old girl from California who was good with the children. They really liked her.

When Connie Martin directed investigators to the location of human remains in Simpsonville [see *Exhibit 6*], the remains were identified as "human". I am told that those bone fragments are probably those of the California girl named Hope.

These bones would later be identified as a "pig bone"—and later still, the bones would disappear altogether—more lost evidence in a long chain of events toward cover-up.

## THE MENA CONNECTION ?

Through two independent confidential sources, *CONTACT* has received confirmation that Wendell Kerr was running drugs.

Wendell drove truck for U.S.A. Trucking and frequently made trips to Mena, Arkansas. Insiders at Mena tell *CONTACT* that U.S.A. Trucking is frequently seen at the Mena Airport. That same Mena insider informs me that there are at least two satanic cults in Mena—that are known.

## SMALL NOTE IN A.G. FILE

There was a small typed note in the Attorney General's file on this case which reads, [quoting:]

January 24, 1994—Called house, reference Kerrs, when they lived up north, Ohio maybe, years and years ago, where satanic sacrifices were done by Kerrs, were forced to move because of this nature, then showed up down here. Was done in a barn.

Insiders have also informed me that the Kerrs, at one particular time, had anywhere from 3 to 5 human heads in their freezer—which would be taken out and placed on the table during dinner. Sound impossible? No. Hard to believe, yes. It happened.

Consumption of human flesh was such a regular and on going part of the Kerr's life, that when investigators asked one young Kerr what a special occasion was, the answer said is, "When we went to the store and bought pork chops."

The children were taught how to remove the brains from babies skulls after they had been killed. The children described measuring the babies brains and placing them in plastic bags. When asked, "What did you do with the brains then?" The answer was, "Have them with eggs."

### KELLY'S MOTHER SPEAKS OUT

The following are excerpts from an interview with Kelly Wilson's mother, Cathy Carlson, on May 18, 1995—Kelly's birthday.

Rick: The question has come up about what Kelly was wearing at the time she disappeared.

Cathy: She had on the more faded, light blue color of blue-jeans and they were cut off—almost down to her knees and she rolled them up a little bit. They were not real short. She had a very, very old rugby shirt on that had the white cuffs and white buttons. She had loafers on and she had all of her jewelry and her watch on.

Rick: And what was her jewelry?

Cathy: Its been so long. She had a coin ring on; a dome ring; a diamond & emerald ring that we had given her for graduation early; a little ring that had a very tiny crown with a tiny, tiny diamond in the middle; and she had her watch on—that was the gold and silver, that had an, almost like the twist-o-flex band where the links were taken out. And I don't recall her having a necklace on her. Her good necklace her daddy had given her she did not have on.

Rick: Was any of this jewelry recovered at the time?

Cathy: No.

Rick: None of it?

Cathy: None of it. Her father and I sat here, with his wife and my husband and we, her daddy draws better than I do, and he drew off and we explained exactly what the rings looked like. We've not gotten any jewelry or anything.

And there is also the question I had from the very beginning—where are her car keys? Because she had a very unique key-chain that she had gotten in New Orleans, when she had gone there with her father. It was the acrylic type. Do you know the face mask of New Orleans? It was on that style. It was a lady's face, with red lips and a star on her cheek. And the keys were, they never appeared to be an issue with anybody. We kept screaming, where are her keys? You know, you've got to find the keys. The keys are somewhere, along with the jewelry and everything. We don't know what happened. She had it on, we know that.

Rick: I noticed in going over some of the old articles that you were very supportive of Sgt. Brown early on.

Cathy: Well, the reason for that was, I had no legal counsel. I had no support system at that time as far as anybody related to anybody that could give me any information as to what I can and can't do. In other words, we were isolated. And, I didn't know if I could publicly go out and say, "I feel he's involved. I think he's involved." Because from the very beginning, and we have it on a tape, on a news tape of the news station, that I had said, "Well, I've had to defend him from the very beginning." And that was the first time that my friend had noticed anything, really different with me. And, the thing of it is, from the very day that she disappeared, which, unbeknownst to us, we had not lived here that long—I didn't know the people in town

### SUPPLEMENTAL REPORT

DATE OF OFFENSE: JANUARY 05- 1992

DATE OF SUPPLEMENT: June 30- 1993

CASE REPORT NUMBER: 007-A

OFFENSE: MISSING PERSON

COMPLAINANT: KELLY WILSON

On June 30 - 1993 Sergeant Brown contacted Bob Glaze Chiropractic office on the subject of Wendell Kerr. It was at this time that Sergeant Brown found out that the subject Wendell Kerr was in fact under the care of Doctor Glaze. He confirmed the fact that on December the 26 or the 27 of 1991 that Wendell Kerr was in fact being treated for back problems. That he had advised Wendell that he did not and should not return to work with the lower back problems. He also stated that he had sign a work release in that it was in protest. This was because Wendell Kerr advised him that he had to return to work. It was at this time Sergeant Brown thanked him for his information and advised him if any other information was needed that Sergeant Brown would have the records subpoena.

Then Sergeant Brown contacted the U.S.A. Truck Inc. out of Van Buren Ark. It was at this time that Sergeant Brown contacted a Mr. Jerry Seiter in the personnel office. Mr. Seiter was advised that Sergeant Brown needed some information on the work records of Wendell Kerr. This was for the month of January 01- 1992 through January 17- 1992. Sergeant Brown also asked this person if Wendell Kerr was in fact on the truck on January 5- 1992 and at this time was advised yes. That he was some where in the southern part of Texas during this time. Sergeant Brown advised him that he would need to turn over the work records of Wendell Kerr after receiving a subpoena. It was at this time that Mr. Seiter advised that there would be no problem with turning of the work records upon receiving the subpoena. Sergeant Brown thank him for his cooperation in this matter.

It is at this time upon check on some of the information that Wendell Kerr was not around during the disappearance of Kelly Wilson.

and I certainly didn't know James Brown. And they would come up and say, "Well, what about James Brown?" Well, I would automatically come to the defense, you know, and these were people that have lived here—co-workers and friends, and I would say, "Well, what do you mean about James Brown? He's the only one doing anything on the case." [See Exhibits 4 and 5.] And, of course, I would put up a defense and, of course, naturally, they would draw back and not say another word.

Rick: Sure.

Cathy: But this happened periodically, from the very beginning. And I even confronted him. I said, well, I laughed one day and I said, "Well, James, they told me, what about you?" He didn't have a comment. So, in other words, we didn't know whether to take a public stand or not. So this was just rumor. All we heard was, "What about James Brown?", no specifics or anything. And then when it came about—he was arrested on Friday, and put in jail. We saw him on Monday; my husband and I went to talk to him Monday afternoon. And that was when I knew he was involved, some how, some way. If nothing else, he knew what happened—partially involved or whatever. Because,

we went in to talk to him and, at that point in time he had not talked to his lawyer yet. I said, "Who is doing this to you?" We sat down there with the glass between us, and one of those telephones with the very short cord that doesn't stretch. So, you're very uncomfortable anyway. You don't know what to say. And he wouldn't look at either of us and Robert was standing up beside me and letting me talk first and I said, "Who is doing this?"

And he said, "Those people."

And I said, "What people?"

And he said, "Those people."

And I said, "Scott and them?"

And he said, "Yeah."

And I said, "Well, what do we need to do and who do we need to talk to? We have got to find her. Can you tell us anything? Where is she, or whatever?"

He never said, "I'm sorry." He never said, "I am innocent." He never called her name. He never looked us in the eye. All he said was, "It's wrong, it's wrong, it's wrong."

And I said, "What are we suppose to do? Who should we talk to?"

And he said, "Talk to my lawyer."

And I said, "Who's your lawyer?"  
And he said, "David Moore."

And I said, "Look, we have tried to work together. Brent Ward who did the perjury was also—David Moore was his lawyer at the same time. And I said, "Well, that's a conflict of interest, James, because David is Brent's lawyer and we have pushed too long and too hard to get him because of that perjury charge. Why would you ask federal and state immunity?"

And he said, "Well, David Moore told me he's going to drop Brent and," how did he say it? "...and represent me."

And I still argued with him. I said, "That is a dog-gone definite conflict of interest." I said something like, 'you're gonna send Brent down the river' or 'all this work we've done and'... In other words, he knew it was a conflict of interest and I was not in agreement on that. Then, I don't know what else I said—not much—and then Robert talked to him and he said, "Will you give us an idea? Do you have any location of where she might be or this or that?"

All he could say is, "It's wrong."

It's wrong that he got caught is what it was, in my opinion. You know, that's what he felt was wrong. "I shouldn't be here" and all this kind of stuff.

So, we left and I told Robert, "You get in the car..." Cause, he said, "Go talk to David Moore; he's over at Todd Tefteller's office right now. He said, "Go talk to him."

Well, we got in the car and I knew, right then and there—you think about and you hear all these people saying, "What about James Brown?" And all this is kinda going on in your head and stuff. And I told Robert, "You get in the car. You go straight home. We are not going to speak to Todd Tefteller, David Moore, or anybody."

Rick: At what point did you have a feeling that Brown was involved? Was it then?

Cathy: Well, before we saw him, on December 7 of 1993, that's when Scott and Debbie and Brooks Fleig came to the house and said about the Kerrs. It was only about the Kerrs at that point. The day that he was indicted, I had come home for lunch. I was working in the office and I came home and I was leaving the house about 12:50 p.m., close to 1:00, to go back to the office which I'm just five minutes away. And, at this point we had no clue James—his name had not been mentioned. [Sheriff] McAllister drove up and said—he got out of the car and I had talked to McAllister maybe one time during this whole thing, because he wasn't working on the case, supposedly. And he said, "They're getting ready to hand down 8 indictments and I wanted to tell you before you heard it on the news." He said, "Seven of them are involved with the Kerr family and the last one, the eighth one, is James Brown."

And I said, "Does he know?"

And he said, I think he said, I'm pretty sure he told me, "Yeah, I've called him and I've told him." Now, I wouldn't swear on a stack of *Bibles*, because by then I was in shock.

And I said, "Well, tell James, if somebody is making him a scapegoat, we will go before the media and the public to his defense."

At that point we had not seen James.

That Thursday, that Wednesday, he had been indicted on Friday. He had been down, I think, almost a week at that school. Well, that Thursday, I believe he left on Friday, and that Thursday he came by the house. And usually he would call me at the office or I would call him, or he would call here at the house if something was going on—which was never anything. And he just stopped in. And it was odd because always, he never did just drive up and come in. He always called us prior to. Well, my mother was here and he just came in that afternoon, knocked on the door and came in and he started talking about the bones, or some bones that had been found and there wasn't anything to it—it was some animal bones, and if anybody called us then it was about...he said, "I've checked

SUBJECT: Identification of skeletal material

FORENSIC ANTHROPOLOGY CASE #: DMG 94-10

DATE: January 17, 1994

I received on Wednesday, January 12, 1994, from Investigator Steve Baggs, a bag containing a fragmented bone shaft and approximately 10 small fragments of additional bone recovered from Upshur County, Texas. The transfer and a forensic anthropologic analysis to determine whether the remains were human were requested by Investigator Baggs. The skeletal evidence has remained in my laboratory.

The recovered bone shaft measured 115 mm in length with a midshaft diameter ranging from 14 to 17 mm. The remains are completely skeletalized and indicated burial deposition. A sandy matrix adhered to the bone and was easily removed with brushing. No odor existed on the bone and a time interval of greater than 18 months was suggested. No maximum time since death could be estimated with the existing materials.

The bone shaft is missing both the proximal and distal joint surfaces. Comparative bone morphology suggests that the bone is probably human and represented a subadult tibia.

Radiographs were taken of the shaft in anterior-posterior and medial-lateral views and compared with standards of human and nonhuman animals according to Chilvarquer, et. al. (1987). The bone shaft falls between the two standards but, more closely aligns itself with humans.

OPINION: Based on morphological and radiographic analysis, the bone shaft and associated fragments are most probably human (subadult tibia), although an unequivocal determination cannot be made.

it out. There's nothing to it and I wanted you to know before I left." And then he brought up the subject—we were advised not to talk about the Kerrs from the conversation with Scott and them in December. Because they said, "You keep it between you and Robert and don't talk about this with anybody else." Which we didn't. I didn't talk to my mother or anybody about it.

And I didn't talk to James Brown because I asked him, when they [Scott/Debbie/Brooks] were here on December 7, I turned to him and I said, "Are you going to tell James Brown about this—suspicion with the Kerrs?" Logically, because he was working on the case.

At that point they said, "No, we're not going to talk to him about it right now."

Of course, we didn't. We had not had any conver-

sation with James Brown about the Kerrs being under suspicion of being involved, as we were told on December 7. And here it is January and he's talking about it. So he brought up the subject of the Kerrs and he said, "Oh, that's a big mess. I don't know what they're doing." You know, just downing Scott and them's case.

And we didn't say anything because we were utterly shocked that he was even discussing it, because we didn't know that he even knew anything about it. He left.

And that very night, my mother and Robert and my husband and I were sitting around and I said, "Wasn't that an odd visit? You all think that was kinda strange?" And yeah, we all agreed, because he had never just popped in the house to tell us something. And he was

very nervous the whole time he was here. And he got livid—he got extremely angry that Scott and them were even investigating the case. I mean, it was a turnabout. I had never seen him act that way. So, it was strange to all of us.

When they said he was indicted, well, naturally it was first for me to come to his defense because, you know, it's just not real. My lord, he's suppose to be working on the case. You can't imagine—but try to imagine that you had trust that this is the only guy in the United States working on your child's case and he's been indicted.

Rick: I understand.

Cathy: McAllister came and told me that, and then...

Rick: What about the Lyford team?

Cathy: OK. I went back to work and I want to say, probably, around 3:30 or so, Debbie Minshew called me. She said, "I have to talk to you about something; are you going to be home? We're going to have to come by the house; we need to talk about some things."

And I said, "Yeah, come on."

And that was the night they had the news conference; they came to the house first. And they came and told us he had been indicted and that, I guess they were all in jail or something. But, they told us about James at that point. And, of course, we were defensive. But then, the thing about it was, when I saw him in jail, I knew. That was my first suspicion that he was involved. And I have tried to tell people that. I have tried to tell the Attorney General and everybody else.

And then, Scott and I would correspond, or Brooks, mainly with Scott. Scott would always talk to me. If he wasn't in, he'd call back as soon as he got in. He would try to be as truthful and honest with the questions I had and, it was, after Brown was indicted, I know I talked with Scott in detail for the first time on a Sunday afternoon. And I want to say it was two weeks later or a week later, or something, not a prolonged period of time—and I had specific questions. I said, "How did this come about?" And that's when he was talking about *Minor Child*—when *Minor Child* was with one of the case workers. And then that's when he just blurted out that James was involved.

So what I did, I would call Scott or Brooks would call me—so they would communicate with me. And like I said, they were honest, upfront. They would answer, as much as possible, all questions. And my question being, "We're not going to find a body, so what happened? Why are you saying this? How do you know James is involved? How did it come about?" And that was the story about Raymond and everything. So, I listened. Because, I said, "I will listen with no prejudice, because I want to find out what happened to my daughter. And if we can't find her, we've got to have resolution as to what happened." You know, still hoping you'd find something.

Rick: If you were to just stop for a moment and think of a brief statement about the overall situation, as you look back on it, is there anything specific you'd like to say in print?

Cathy: Had I known then what I know now, I would never have trusted James Brown to the fact that he was the only one solely working on the case. That I had the confidence that he was the only one truly working on it, instead of trying to cover it up.

I did not trust the FBI. I do not trust the AG's [Attorney General] office because I personally have had to deal with them and I know what's been going on.

Rick: Can you talk about that a little bit?

Cathy: It's just very evident that they do not want to get involved, that they are focusing strictly on the boys, and we had begged them to please come in, give us the help, but start from the very beginning and go all directions.

Rick: What do you mean, the boys?

Cathy: Chris and Brent. Chris Denton and Brent Ward. And it appears that the AG's office is focusing strictly on them.

You can say this—I have no trust whatsoever in the legal system.

Rick: Well, I can tell you, so you know, I have nothing but total regard for Scott and Steve and Brooks.

Cathy: Oh, yes, I do, too. And they, one thing about them, they treated us with respect. They did not treat us—because we don't have money, we're not upstanding in the community, we are just working people. I am a professional but they did not treat us indignantly, where we have been treated like that through the AG and FBI, terribly so.

Rick: Who at the FBI's office have you been working with?

Cathy: Well, I don't work with him anymore. Gary Hewitt out of Tyler. And I had also talked to him probably in March and I wanted to see the videotape. The videotape of her making the deposit, supposedly, which I had no proof she had ever made it. I had no receipts. Did they pull the records to the ATM? Did they do this? Did they do that? Did they check all the records at the video store?

Nobody would ever get back to me, they would just say, "Oh, oh, oh..."

And I asked James Brown immediately to let me see the tape before making the deposit and he said, "The FBI has it and it's being enhanced." And it was always one excuse after the other. And, "We're looking at it. We're going to enhance it."

I called Gary Hewitt in March and I said, "I want to see the tape. Where is it?"

And he said, "Well, the AG's office has it, so you call them."

Shane Phelps came up the next week or so and we had the first meeting we had with him. And the only reason he chose to meet with us—what had they come up here for? I don't know what. The grand jury was meeting on Kelly's case or something. And the only reason he met with us was because he knew the media was outside and he had no choice. He was backed into corner and he tried to get hateful and rude. And I said, "I didn't come in here hateful and rude; now sit down and calm down. But I'm not upset and you don't get upset."

When the meeting was over I said, "I want to see that videotape."

And he said, "Well, I'll let you."

And I said, "Am I going to have to go back to Austin again?" I said, "Well, has it been enhanced?"

And he said, "Yeah, sure, sure, you can see it."

And I said, "Well, ok, if I don't have to go to Austin to get it, the next time you come through I want to see it."

And I've never heard from the man since. And he had called me, he said, because I had told him that I would not work with the Upshur County Sheriff's Department and I would not work with the Gilmer City Police—so, he said, he had pulled out his beeper and he said, "Well, why don't you contact all these people who have contacted us and given us all this information?"

And he said, "Well, tell them to call me."

I said, "Well, you're telling me that if they'll place a long distance call to you, you'll talk to them?"

And he pulled out his beeper and he said, "I have a beeper."

I said, "Yeah, sure." And I said, "Ok, when I call you, then you're going to be beeped and you're going to return my call as soon as you can?"

"Yes."

Well, I called him. I waited two or three weeks. And I knew he had been through here going to that Kentucky Fried thing.

Rick: What is the Kentucky Fried thing?

Cathy: There is a murder, I think, of five people in Kilgore twelve years ago that a state representative's son has been indicted for.

So, I called. She took a message. I told her who I was and I said, "I'm calling about the videotape that he said I could see and he will know what I'm talking about." And I have not yet heard from the man.

It's been a very long journey and it's not getting

any easier.

Rick: Where do things currently stand in terms of Brown?

Cathy: His suit is in William Wayne Justice's court. And they are trying to make a decision, as to what I'm not sure.

Rick: What about Dan Morales? Has he taken any interest in the case?

Cathy: I have never talked to the man. I think he made a comment on TV, something about understanding parents in situations like this, they're emotional. In other words, we're lunatics. Raving lunatics.

He has not talked with us. He is not keeping in touch with us because he said, when he did an interview with the Kentucky Fried Chicken people, after the media was talking to him and they asked a question about the families. And he said, "Oh yes, I am supportive of the families. I am in communication and contact with the families." Of people he is working with, not just Kentucky Fried Chicken people—and that is an out-and-out lie.

Rick: If you could say something to the Lyford team directly in print, what would you say?

Cathy: To the Lyford team? Oh, goodness, I've never had to put it into words.

The worst thing that happened was when Scott was prematurely pulled out by the AG. I fully believe they were headed in the right direction.

I believe that they were the only ones that had come in here with an open mind and had this thrown into them. They were adamant. They were professional. They were forthright in investigating the case.

It's just that they had not enough time to do it before they were pulled out prematurely.

I think it's ridiculous for James Brown to sue them.

And I cannot express my gratitude enough for how they have worked with me. [End quoting.]

### SOME CLOSING THOUGHTS

Whenever the Justice Department's own expert highly criticizes their investigative activities, as in the case of Dr. Raschke at the beginning of this article, you know there are some serious problems afoot.

The long string of events leading to the ultimate release of the accused in this case just stinks to high heaven.

For example, why is Representative Bob Glaze so powerful that a phone call from him to the Attorney General's office can effectively shut down and obstruct an entire investigation and criminal prosecution from a court-appointed prosecutorial team?

Why is it that there was no transition or debriefing between the Lyford team and the Attorney General's office?

Why is it so incredibly obvious to anybody that the Attorney General's office does not want to investigate the Kelly Wilson case?

Where exactly are the legal and investigative records in this case?

If a small-staff, no-budget newspaper is able to put together this many aspects of such a complex case over two thousand miles away, why can't the FBI, Justice Department and Texas State Attorney General's office with their deep pockets, computers, and unlimited manpower?

Why is it that the media, throughout this case, has been so busy pointing fingers at the wrong people, that the victimizers and criminals are exalted to the position of victim; while those true victims of brutal criminal activity are only made to suffer more grievously by an ill-informed media with a private agenda of their own to protect?

Why is it that the town of Gilmer will go to such great lengths to bury and cover up truth, rather than face the facts that won't go away, and deal with the problem head on by prosecuting those responsible for such criminal activity?

Why, indeed! *To be continued...*

## RAY RENICK

Please let us not forget our friend Ray. His crime is in telling too much—NOT knowing too much. He is in prison for knowing too much, but of course it is the "telling" that causes the Big Guns to come down on his head.

I will leave this to the Editors to offer an address if possible. Ray was sentenced to some 8 years in prison (which I will speak of a bit later), has served already, some 900+ days and with time for "good behavior" will perhaps be free soon. "Soon" being an unknown factor. He has been transported to Wasco, (CA) for more evaluation of his "mental" state (which was fine before they got him) and to conclude where he should be "stationed".

Ray came against the entire filth and garbage of the political system in San Luis Obispo County, California. It was definitely not a romance story from there on in. He, like Gary Wean, could not stomach the corruption and actually became involved in everything going on to the extent of being able to research it, document it and share it. Our plans have NOT changed—when the manuscript is ready (and I believe our precious Laurie is working on it) we will get it somehow into press. Hopefully, for Ray, we will run it in series AGAIN as we offered it prior to now [see the 8/24/93 issue of CONTACT]—but that means "years" ago as the time flies. I don't think I owe Ray nearly the compliments or support for struggle that I offer Laurie. Laurie is just like you, or Dharma, or me—or anyone. Except, she attends those who cannot attend themselves—diligently.

Laurie was fairly nearby Ray's place of incarceration so she has kept correspondence and support running. She continues to send encouragement and contact with Gunther in Austria. She corresponds with

Maholy—in addition to running a FULL-time family and working. We never seem to be able to send flowers to the ones who truly deserve the honor. Many of you do the same and, precious ones, the rewards shall come, for as the Teacher said: "You nurtured me when I was sick and you visited me in prison." If need is not present when helpless in prison—there can be no worse "rainy day". There may well come the time when simply "to serve" the sentence in good behavior is the WISE thing to accomplish—it does not make it easier. I would ask you who contact Ray to offer the suggestion that he attend the remainder of his sentence further inland if possible, please, and if there is a choice. I realize the fear of Atascadero but it might well be a place of getting some rest and regaining some health stability.

I have great and incredible sympathy and empathy for such as Ray Renick, who simply is trying to personally do something about that which is WRONG and ends up with loss of spouse, all property and, finally, even loses the bit of "nestegg" to the legal process.

This, however, may well be a good visual lesson to you who would rise up with guns and threats against the Big Rotten Fish of the System. They bear the POWER to put you out or away and we need live minds—not dead bodies—if corruption is to be cleared away. The facts are that once the LAWS HAVE BEEN ACTUALLY BROKEN there is little that can be done in court even if the judges wish to give leniency.

### WIN GOD'S WAY

I have to remind ones of you who would insist that I serve your needs when you go forth in the name of *Constitution* and Law—that to break the laws of the land because you do not think them to be right—won't get you more freedom, it will get more of you into

incarceration—FLAT BROKE. Make THEM break the laws—and then, at least, we have a chance to get your freedom. Anytime there are weapons or threats of violence involved—"THEY" have the power to silence you one way or another. The hardest part, however, is the feeling of helplessness and being forgotten. Even in the worst of sentences, as with Snell, it can be faced with peace and faith in the realization of loving brotherhood who appreciates the human brother and stays in touch in loving remembrances. Ray can now fill his time preparing to write a far greater manuscript, a far more mature and important parable for you-the-people. **YOU DO NOT HAVE TO EXPERIENCE THIS SAME JOURNEY TO LEARN THE TRUTH. PLEASE, LEARN STABILITY AND "HOW" TO STRUGGLE AGAINST THE LIE AND REMAIN FREE TO LOOSEN THE GRIP OF THIS NEW WORLD EN-SLAVEMENT AND "GET" THE BASTARD CRIMINALS.**

Now, you see, there are others to join the march and who have great abundance of inside documentation, knowledge and information to JOIN together in a bond of strength, for with publicity comes security. They haven't dared to just destroy Ray's mind or simply suicide him—the results of that would be immediate—from US.

I suggest the CLC get in visitation with Ray as soon as possible and ask him how he wishes to handle material for the paper. We will be pleased to run his writings as quickly as he wishes—in series, while he begins to write his new story. THIS is the way we FIGHT! With truth—not guns. I share the ABSOLUTE view of Little Crow: You may come to visit me; you may come to my meetings and you may well protect selves by carrying guns—but DO NOT BRING THEM WITHIN MY PLACES. LEASTWISE, DO NOT LET IT BE KNOWN. WE HAD A MAN ONCE WHO WAS GOING TO SERVE SOME INTELLIGENCE DIGGING FOR US AND HE CAME WITH TWO GUNS AND ACTUALLY WAS FOOLISH ENOUGH TO SHOW THEM IN A RESTAURANT AND FLASH THEM TO THE GROUP. THIS IS IMBECILIC AND STUPID BEHAVIOR—WE NEED NO GUNS FOR OUR TASK! IN BRINGING WEAPONS AMONG US YOU JEOPARDIZE EVERYTHING WE STAND FOR. THE FOOLISHNESS IS STILL SPOKEN ABOUT AND IT HAS BEEN YEARS SINCE THE INCIDENT.

If you feel a need to belong to militias—belong! If you feel a need to carry a "legal" weapon—carry it. Just don't even THINK about bringing the attitude within my circle of family. Even the Native Indians KNEW BETTER ABOUT BEHAVIOR, the warriors NEVER brought weapons within the circles of their women and children. I don't care what your SEX might be—you are the family and children of GOD, and violence or weapons of WAR may not be a part of our public image. And, no, certainly we are NOT going to shake-down everyone who comes through our doors to check your pistols or knives, poison capsules or dart-guns. Do some? Yes, but I watch closely and it is never known

## Write to Ray Renick

Most of our readers are familiar with Ray's writing on corruption within the legal system of San Luis Obispo County, California—which Ray has dubbed the *SLO Connection*.

Ray has recently been sentenced to 8 years in prison, with credit for time served, for his indiscretions, which we've written about over the past months.

Ray does read CONTACT, but understandably is very isolated sitting in a prison cell. Your sharing letters to him would be most welcome. You may write to him at:

Ray Renick

P. O. Box 5500

by others. We have no gathering or group so what is legal on the street is legal in any place we might have a business meeting or local gathering. We aren't any different from any other "phoning circle" (even MCI); we have people who ask if they could be called by a friend, if we are going to have a meeting—and it is honored. The list does NOT represent any kind of membership in anything. And if Bill Clinton would wish to join us—we would be quite happy to feed him cake and punch. We respect all life, all humans—as SACRED. If they are not functioning within God's laws, shooting them will not change an iota of their sacredness but would certainly diminish our own.

If a man declares himself to be my enemy—FINE! My weapons will destroy him and those with him WHERE IT COUNTS! The point is perhaps to WIN? Yes indeed, so be it. (!!!) If we have someone of our deadly enemies who, say, is going to catch a bus to come to destroy us—we don't need to crash the bus and hurt another—we simply cause the party in point, TO MISS THE BUS! Or, much of the time, we simply divert the missile trajectory or have you in another place having just "thought" you needed a trip elsewhere or to another room. You never realize, unless we tell you, how close was the "call". If "they" can't hit you, they can't damage you! If they have no cause to arrest you OR can't seem to connect with you—they aren't harmful, are they? If your nose remains clean and clear—they have no reason to wipe it for you! YOU WIN THIS WAR FROM WITHIN THEIR SYSTEM—NOT OUTSIDE FIGHTING!

#### REMINDER TO NEW GAIA

I'm going to ask again TODAY—get in touch with producers of and/or resources for: DHEA, Melatonin and Glucosamine. I also suggest that you have a resource for GABA and KAVA for those who are under great stress and have not yet built systems to the point of countering the symptoms. These last two are great anti-stress NATURAL products for offering a bit of sedative and bringing about a bit of tranquility under stress. If you can take a bit of DHEA each morning and a Melatonin each evening along with a booster when you can't sleep or need a buffer of some kind, GABA and KAVA, YOU CAN BE ABLE TO COUNTER THE ATTACKS AGAINST YOUR EMOTIONAL STABILITY AND THE NOW CONSTANT PULSE WAVES ASSAULTING YOUR ATMOSPHERE.

## DNA COMPUTER UPGRADES?

Stranger than science "fiction", this article comes from the April 11 issue of *THE DENVER POST*, [quoting:]

To the astonishment of even the most wild-eyed optimists, a promising new avenue is opening in computer science. Spurred by a paper published a few months ago describing the solution of a difficult mathematical problem using the chemical units of DNA as computing symbols, researchers are planning systems that would use the genetic material for computations that would in some cases thwart even the fastest supercomputers.

One new proposal is for a memory bank containing more than a pound of DNA molecules suspended in about 1,000 quarts of fluid, in a tank about a yard square. Such a bank would be more capacious than all the memories of all the computers ever made.

Another project is a computation that would involve manipulating DNA molecules. It would take four months to complete and would yield, at its end, the answer to a problem that, with a conventional computer, would require more operations than all those ever performed on all the computers ever built.

Researchers explain that they now realize that in DNA nature has created an extraordinary, special purpose computing system. DNA and the genetic machinery that processes it store and retrieve a prodigious amount of information—all that is needed to design and maintain every kind of living organism. Scientists think they can make DNA work for them by using the same genetic machinery that generates living organisms to solve mathematical problems.

The nascent field of DNA computing got started only five months ago [*Talk about mathematical inaccuracies! Let's hope these computers are more accurate than this article! Let's face it, once these "new innovations" reach the public, they are usually at least 50 years old.*] with an article in *Science* by a leading computer theorist, Dr. Leonard Adleman of the University of Southern California in Los Angeles.

## EBOLA BLAMED ON "HUMAN ACTIONS"

This Associated Press article, from the May 11 issue of the *ROSWELL* (New Mexico) *RECORD*, gives us the politically proper perspective on the Ebola virus outbreak in Zaire, [quoting:]

NEW YORK—An epidemic that has killed more

### **KILLER GERMS**

Ebola may be half a world away, but local public health experts warn of risks closer to home: the return of several deadly infections that once were thought to be conquered. Here are examples of some of them:

E. coli 0157: h7: A bacteria found in uncooked meat, causing severe illness and death.

**Cryptosporidiosis:** A once rare parasitic infection that threatens water supplies and can cause death and illness.

**Drug resistant bacteria:** Doctors are finding deadly strains of pneumococcus, staphylococcus and enterococcus germs, and more, that have become resistant to drugs.

**Hantavirus infections:** A rodent-borne virus that kills about half its victims and is becoming more prevalent, largely because of unusually wet winters.

than 100 [*a LOT more than 100!*] people in a remote city in central Africa is probably due partly to a deteriorating environment and inadvertent human actions that encouraged the spread of a deadly microbe, researchers said Wednesday.

"Something happened that made this epidemic," said Dr. Robert Ryder, an infectious disease specialist at Yale University who has lived in Zaire. [*Yeah, and*

*it probably "happened" at the Centers for Disease Control.*] "You're probably dealing with people living right at the edge—no running water, no electricity, many people on marginal subsistence. The health care facility will be overwhelmed. It takes a constellation of events that has to collide, and you've got an epidemic on your hands," he said. An epidemic of Ebola virus infection in Zaire in 1976 was exacerbated by hospital workers who used unsterilized needles when treating the patients, Ryder said. [*So, a contrived virus introduced into an impoverished environment treated with unsterilized instruments equals one more step in the depopulation of Africa—and soon—the world. Commander Hatonn covered this subject in considerable detail, as well as protective measures now available to you, in last week's issue of CONTACT (5/16/95).*]

The Ebola virus was first identified in western Sudan and nearby Zaire in 1976. A second outbreak occurred in the same region in 1979.

**SYMPTOMS** Sudden malaise, fever, muscle pain, headache and sore throat followed by vomiting, diarrhea, rash and heavy bleeding. Virus affects liver, spleen, kidney and, to a lesser extent, pancreas, central nervous system and heart. Fatality rates range from 50 to 90 percent.

**TRANSMISSION** Direct contact with infected blood, organs, secretions, semen or contaminated needles.

**INCUBATION** 2-21 days.

**SUSCEPTIBILITY** All ages.

**TREATMENT** Relief of some symptoms only. No known cure.

## **How Ebola virus attacks blood**

The deadly Ebola virus, a type of hemorrhagic fever, undermines the blood's clotting function, rapidly destroying body organs.

### **HOW CLOTS SHUT OFF BLOOD SUPPLY**

**Virus:** Infects cells; small clots appear

**Blood:** Thickens and slows as clots grow

**Clots:** Stick to blood vessel walls, fitting together in a mosaic

**Mosaic:** Thickens; drifts through bloodstream

### **HOW CLOTTED BLOOD DESTROYS ORGANS**

Clots stick in small capillaries, shutting off blood supply to organs and killing them

### **Destroyed skin: An example**

**Underlying layers of skin:** Die and liquify; red spots grow to become huge bruises; skin becomes soft, pulpy, bleeds and can tear off with any pressure

**Red spots:** Hemorrhages under the skin — appear

## OFFICER FACES COURT-MARTIAL OVER PROBE OF HAITI PRISON

Notice the injection of Holocaust propaganda into this article on a totally unrelated topic. The Khazarian Holocaust injunction: Saturate the media—tie it into every conceivable nook and cranny, including the cooking column—wring out every possible ounce of propaganda value! This Associated Press (Pat Robertson-owned) article comes from the May 7 issue of the *ALBUQUERQUE JOURNAL*,

[quoting:]

WATERTOWN, N.Y.—As 8-year-old Lawrence Rockwood looked over the ruins of Dachau, his father told him about another Nazi concentration camp, one he'd helped liberate during World War II. It was a defining moment for the boy who would follow in his father's footsteps to become a career military intelligence officer. "My father told me that these camps are not the creation of a few evil, brutal men," Rockwood said. "They're really the creation of cynicism and blind obedience to authority." Now, the Army captain faces court-martial for leaving his post to investigate reports of human rights abuses at a Haitian prison.

"I had information that people were being tortured and executed and bodies were being taken to the dump," Rockwood has said. When his superior officers shrugged

it off, he filed a complaint. That meant he'd never be promoted again. Since his career was effectively over and delay might cost lives, Rockwood went to the prison himself. Later investigations by Danish police monitors and a U.S. congressman confirmed that conditions were subhuman. [End of quoting.]

The May 4 issue of *THE ORLANDO SENTINEL* has this to add, [quoting:]

Capt. Lawrence Rockwood told a congressional hearing that his military oath of office "not only allowed me, but compelled me, to place loyalty to the Constitution and the president of the United States [*Unfortunately, those two do not currently reflect identical principles*] before obedience to my immediate superiors."

## FEDERAL PANEL FINDS CIA COVER-UP IGNORANCE, NOT MALFEASANCE

Speaking of congressional hearings, the Associated Press tests your credulity with this May 12 article in the *ALBUQUERQUE JOURNAL*, [quoting:]

WASHINGTON—A House Intelligence [*There's an oxymoron!*] Committee investigation has concluded that CIA officials did not understand their legal obligation to inform Congress in the late 1980s about the collapse of the agency's spy network in the Soviet bloc. The CIA in February admitted to the committee that it improperly kept the congressional oversight committees in the dark about the loss of agents, which it later learned was due mainly to the treachery of Soviet spy Aldrich Ames. [*The scapegoat.*]

The committee concluded the CIA's failure to disclose the agent losses, as required by law, was due more to ignorance than an intention to mislead. "At lower levels of the CIA, where the counterintelligence investigation was being conducted, it appears that no one ever thought to bring this matter to the committee's attention," the committee said in a report released Friday.

### DEPARTMENT OF DEFENSE PUSH "TROOPS TO COPS"

Is there more here than meets the eye? Is this program tied into the military mind-control projects? You be the judge! This article by William Matthews is from the May 15 issue of the *NAVY TIMES*, [quoting:]

WASHINGTON—When he was in the Army, there were few things Sgt. Isaac Ruiz liked better than jumping out of airplanes [*I tried it—I liked it, too!*]. During the Persian Gulf War, the former 82nd Airborne Division soldier oversaw Iraqi prisoners of war and guarded the 82nd's headquarters. Ruiz was happy in the Army. A communications specialist and later a trumpeter in an Army band, he planned to make the service his career. Then, with a shock, the drawdown abruptly cut his tour short in 1992. "I thought there was no life after the Army," Ruiz said. It turned out there was. Ruiz, 30, is now a cop. "I love this job," said Ruiz, who works in Arlington, Va.

Now the Defense and Justice departments want to encourage more communities to hire former service members. Through a \$15 million program called "Troops to Cops", the government hopes to help both beleaguered police departments and service members whose lives have been disrupted by the drawdown. The goal: Help 100,000 veterans get law enforcement jobs.

### JUDGE RULES VICTIMS MAY SUE GUN MAKER

From the April 11 issue of *THE DENVER POST*, [quoting:]

SAN FRANCISCO—In a landmark decision expected to have national implications, a San Francisco judge ruled yesterday that victims of a law office massacre can sue the manufacturer of the assault weapons used in the July 1993 tragedy. Superior Court Judge James L. Warren ruled that Florida gun manufacturer, Navegar Inc., can be held liable under California law. Unless overturned on appeal, the case will be the first in the country in which victims have been allowed to pursue a lawsuit against a gun manufacturer for injuries suffered. [*This has potential for further lawyer-enrichment activities and a foot-in-the-door assault on the Second Amendment via gun manufacturers.*]

### FREE SOFTWARE BLOCKS GOVERNMENT SNOOPING?

From the May 12 issue of the *ALBUQUERQUE JOURNAL*, [quoting:]

SAN JOSE, Calif.—Three computer engineers worried about government intrusion are offering software over the Internet that they say turns personal computers into telephones that can't be tapped. The free Nautilus program is intended to circumvent the Clipper chip and other measures that law enforcement says it needs to catch criminals [*synonymous with "monitor and control citizens"*] as more and more

communication takes place through digital technology.

"I think the government has gone way over the edge in invading privacy and trying to enforce wartime security on a peacetime population. We're trying to give the general public the idea they can do something about it," said Pat Mullarkey [*Uh-oh, is that a clue?*], a Bellevue, Wash. hardware engineer and one of Nautilus' developers.

### DEATH MACHINE READY FOR FEDERAL EXECUTIONS

The pieces are falling into place: the 1994 Crime Act, the 1995 Domestic Terrorist Bill, the Oklahoma City bombing—and now, a shiny, new lethal injection chamber. Are you getting nervous yet? This article comes from the May 7 issue of *THE ORLANDO SENTINEL*, [quoting:]

TERRE HAUTE, Ind. (AP)—Thirty-two years after the last federal execution, the machinery of death is in place once more. At the U.S. Penitentiary in Terre Haute, the government has opened a \$300,000 lethal injection chamber—an antiseptic place with green tile, dominated by a modern-looking death gurney. Prisoners will be strapped into this motorized death-bed with five Velcro restraints, arms outward [*hmmm*], intravenous tubes snaked through a small opening in the wall and into the nearby private room of the executioner.

The 1994 Crime Act prescribes death for 60 crimes, ranging from murder of the president to bombing a federal building, such as the blast in Oklahoma City, Okla. Inevitably, the new chamber will be used.

### HOLOCAUST, HOLOCAUST, HOLOCAUST! "SURVIVORS" WANT MORE HELP

Here we go again. This comes from the May 8 issue of the *FORT WORTH STAR-TELEGRAM*, [quoting:]

JERUSALEM—Hundreds of Holocaust survivors,

some wearing six-pointed, yellow cloth stars like those the Nazis forced on Jews, jammed the Supreme Court yesterday to demand more compensation for their suffering. They came in support of a petition filed by right-wing legislator Avraham Hersenson, who contends that regulations discriminate against survivors who arrived in Israel in its early years of statehood.

### SPIELBERG TAPING STORIES OF HOLOCAUST "SURVIVORS"

And more from the May 8 issue of *THE ORLANDO SENTINEL*, [quoting:]

Videotaping the stories of 75,000 Holocaust survivors is going to be a long haul for Steven Spielberg. "This is a work that will never be over," says the director of *Schindler's List*, the Holocaust film that won seven Academy Awards in 1994. "This is a once-in-a-generation chance to rescue the truth about the Holocaust." Survivors of Shoah, a foundation Spielberg started 10 months ago, has already conducted more than 1,300 interviews. Its goal is to speak with one-fourth of the 300,000 survivors worldwide in the next two years.

### ADL HATE-CRIMES REGISTRY

From the April 20 issue of the *MODESTO BEE*, [quoting:]

SAN DIEGO—The Anti-Defamation League of San Diego County has started a computerized registry to better analyze and combat the problem of hate crimes and incidents of bias. Every law enforcement agency in the county has agreed to turn over its police reports of hate crimes to the ADL for posting on the registry, said Morris Casuto, regional director of the organization. [*Sounds a LOT like an emulation of the infamous LAPD/ADL files!*]

### MILLENNIAL EXTRAVAGANZA IS MAN'S TRIBUTE TO "JESUS"

This article comes from a recent issue of the highly Khazarian *LOS ANGELES TIMES*, [quoting:]

The social calendar for the end of the millennium—which is currently booked with lavish New Year's Eve bashes, assorted UFO invasions and, on a less cheery note, forecasts for the fiery destruction of the entire planet—is about to get a little more crowded. From Vatican City to Orange County, Calif., plans are afoot for the biggest blowout Christmas celebration the world has ever seen:

A multimedia Jesus stadium show—featuring orchestras, choirs, special effects and gargantuan slide presentations—is being assembled by impresario David Pecoraro of Anaheim Hills, Calif., for a 1999-2001 world tour. This project was started by the late Bob Jani, a Walt Disney producer whose credits include several Super Bowl halftime shows [*Like the one suggested for an appearance by Commander Hatonn?!*] and the Magic Kingdom's Main Street Electrical Parade. Before his death six years ago, Jani collected 50,000 slides depicting the life of Christ for this "Biblical Art Masterworks" production.

Other Christians have proposed Jesus block parties [*Party-Hearty-For-Jesus!*], special charity drives and global prayer vigils.

"No one would let their grandmother's 100th birthday go by without a tremendous celebration," says author Jay Gary. "So we shouldn't let the 2,000 anniversary of the birth of Jesus pass without giving him a magnificent tribute." [*At first this appears a hilarious comedy, with a cast of unwitting buffoons and outrageously superficial trappings. Upon second glance, pitiful tragedy emerges, as millions have been misled and missed the point. Esu "Jesus" Immanuel visited here as a TEACHER! Wouldn't it be a far greater tribute to utilize the LESSONS in our own lives?!*]

### MORE ASIA-BASHING: HUMAN FETUSES SOLD FOR FOOD IN CHINA?

These allegations may very well be true. However, focus is probably more for propaganda purposes, than for any real concern on the part of the media. From *THE ALBERNI VALLEY TIMES* (British Columbia), [quoting:]

BEIJING—Aborted human fetuses intended for human consumption are being sold for as little as \$2 in the Chinese city of Shenzhen, according to a Hong Kong newspaper Wednesday. The *Eastern Express* newspaper said journalists from its sister publication, *Eastweek*, had gone to Shenzhen, across the border from Hong Kong, to see if fetuses were being sold. Shenzhen hospitals carried out 7,000 terminations last year, including a number on Hong Kong women seeking cheap abortions. At private clinics, aborted fetuses could be obtained for between \$2 and \$4, the newspaper said. There was no evidence, however, that fetuses were being sold in large quantities to middlemen for sale in Hong Kong.

Zou Qin, a doctor working at the Luo Hu Clinic in Shenzhen, said the fetuses were "nutritious" and claimed to have eaten 100 herself in the past six months. She said the "best" were the first-born males from young women. "We don't carry out abortions just to eat the fetuses," she said, but added that the fetuses would be "wasted if not eaten". The newspaper said the fetuses were eaten as a soup, together with pork and ginger.

Dr. Warren Lee, president of the Hong Kong Nutrition Association, said, "Eating fetuses is a traditional Chinese medicine deeply founded in folklore."

### RESPONSE TO DISASTER: JAPAN VS U.S.A

From the April 30 issue of *THE HONOLULU ADVERTISER*, [quoting:]

TOKYO—When a country is suddenly confronted with a terrorist poison-gas attack in its capital city, it seems perfectly natural that the government would take steps to beef up law enforcement. But what seems natural has not been borne out in Japan since the morning of March 20, when 12 innocent people were killed by nerve gas on the Tokyo subway. The government has declared forcefully that it has no plans at the moment for sweeping new laws like those introduced this past week in the U.S. Congress in the wake of the Oklahoma City bombing, calling for more police manpower and greater investigative authority.

"We must protect ourselves," read an editorial in the *Asahi Shimbun*, the nation's second-biggest newspaper. "But one way to counter the criminals is to react calmly. If freedom of thought is considered one of the values of our civil society, it would be playing into the criminals' hands to get carried away in response to what they did." [Especially if the "criminals" are the "government".]

"The sense of order in Japanese society is not due to the police," noted political scientist Masataka Kosaka of Kyoto University. "We see this problem as a more general responsibility... We have created an atmosphere in the community, an expectation that people will obey the law and respect others. We constantly teach that to one another. That is more important to Japan than giving the police more power." [Refreshing perspective!]

### SURPLUS OF MUSLIM MARTYRS

We'll wrap up this week's NEWS DESK in a lighter vein, with this article from the May 15 issue of *THE WALL STREET JOURNAL*, [quoting:]

RAMALLAH, West Bank—When Palestine Liberation Organization official Khalid al-Hassan died recently, he was promptly dubbed a martyr—a revered title in the Islamic religion reserved for heroes who sacrifice their lives for God or homeland, usually in

battle [Some god!]. How did Mr. al-Hassan die? He succumbed after a bout with cancer. Therein lies an unexpected consequence of the peace talks between Israel and the PLO. There aren't as many Palestinian martyrs—or *shahids*, as they are known in Arabic—dying in religious clashes these days. Yet martyrs are so prestigious that every family wants one. So, Palestinians who have died in car accidents, after lengthy illnesses and even in farming mishaps while plowing their fields, are being declared martyrs by their families and communities. Usually, the declarations are made in ads placed in local newspapers. So many of the recently deceased have been decreed martyrs, in fact,

that some Palestinian religious leaders say that martyr-inflation is spinning out of control.

"Nowadays, everyone who dies can be called martyr. There has to be some standard," says Ali el-Khalili, a Palestinian journalist and author who has written about the phenomenon. "But it's not easy to come to a family and say, 'Your relative is not a martyr. He's just dead.'"

It's easy to see why martyrdom is so coveted. For Muslims, there is no higher honor. According to Islamic belief, a martyr goes straight to paradise, where he sits next to God, is absolved of all his sins and enjoys 70 virgin brides. [No wonder it's so easy to instill these guys with jihad fever!]

5/22/95 RICK MARTIN

In a letter dated May 14, 1995 to a *CONTACT* reader, Michael states, [quoting:]

As you may know, they locked me up in the "Hole" for a conspiracy perpetrated by another inmate, involving an attempted escape! I'm totally innocent...

This inmate, one "Norman Wright" said he was going to involve me in his bullshit, now they have me under investigation and will most likely find me guilty, convict and transfer me to another maximum security location. Perhaps the new totally underground facility at Florence, Colorado. It's all below ground. No windows, 5 levels. Just another one of their butcher shops. Oh well.

I have had Rick Martin informed so that he may ask the readers to start a massive letter campaign to the Warden and Camp Administration, telling them that I'm innocent of any type of escape charge or conspiracy.

I need to find out the name of the Regional Director of the B.O.P. in Kansas City, and the phone number and address. If you can find out, please pass them along to Rick to print in the paper.

I'm housed in the Cuban Unit, up at the big house. I think I'm the only "white" person in here. This place, the cell is only 4'x 9', steel and concrete. there is a lot of coughing going on in here. The orderly tells me that it is from all the T.B. (Tuberculosis) cases in here. There are two inmates with hepatitis, also-ACTIVE. The water coming out of the 60-year-old pipes is very dirty, unfit to drink! So far, all I have ate, is the boxed cereal. I'm afraid of the other food. I've lost weight, due to not eating. I've had 1 shower. All I have is underwear and a pair of slip on shoes, used. I have contracted athlete's foot from the shoes and no shower. My sink takes 10 minutes to drain, the toilet runs over when I flush it. Conditions like these are inhumane, to say the least. [End quoting.]

In another letter to a *CONTACT* reader, also dated May 14, Michael says, [quoting:]

I'm in a lot of trouble. Now they claim that I'm guilty of "Subversive" acts against the government. I have to find out a lot of things or they are going to bury me in here forever!

They are thinking I may know about the Oklahoma City disaster! That is non-sense! I know nothing! I might add, I do not know anyone who does know about that!

I need national news media, TV-CBS, NBC & CNN to be told that the prison is interrogating a "possible" material witness in the incident—then this will all come out!

Things are heating up now. I'm at, or darn near, my Little Big Horn! [End quoting.]

In a phone call to *CONTACT* late last week, I was informed that Michael was being charged with Subversion—as a result of them finding four newspapers in his cell. The papers? *CONTACT*, *SPOTLIGHT*, *Ronn Jackson's NEW REPUBLIC*, and *TELL IT LIKE IT IS*. I was also informed that Michael is sounding desperate in his pleas for help.

## Tell The Painful Truth!

5/17/95 #3 HATONN

### GOD HEARS THE HEART'S CRY AS WELL AS THE SONG!

As we move through this journey—don't fail to notice the ANSWERS to the heart's cry unto God. He will respond and, if you are "open" to possibilities, He will show you the way. More than this, He will bring back unto you the song and joy of that original "thing" which seemed lost and gone forever. This can be presented in everything from a house (a real "home") to a transitioned being. Each has a "life" that NEVER is lost—as long as there is memory and real "caring", it becomes a thing again to hold. Perhaps it may not be in the same holding—but most often it will be BETTER. God, basking in the love of your giving in appreciation for the little things—will offer you abundance which can fill the arms as well as the heart. Would not a gift be ever so much the better coming back ten-fold than that of demanding for simple acquisition of some piece of property? Patience and awaiting a sequential advantage is always rewarding if your work is continued without focus on that which "was"—that it can again come forth in its proper cycle. Moreover, in the coming "again" also comes the logical use and placement. If, for instance, you have not resources to hold a thing—then why not earn enough that you can again acquire it? Better!?! When you put aside "things" and give up "time" and things to serve God, God will make rewards in loving return for that which was "given", be it person or thing.

By the way, precious ones, it will be a long time before ALL is lost along your Western Coastline. In the foothills of the Angel's Crest, it will remain quite secure for a long time and, furthermore, there will be a need for those to reclaim that which remains. I HOPE my people are listening for when funding comes—things of this sort MUST be considered. Everybody can't and won't be in one place, such as Tehachapi. Let us always use an open mind for possibilities. So be it.

To change the subject, I am holding something which I feel may contain some food for thought right now which is somewhat relative to the "Dark Forces" material being offered. It is not the "same" but relates to that which is taking place with various players we are beginning to recognize. Please remember that MOST of the people on what you might call "the other side" ARE NOT. You are NEVER to harbor judgment and hate upon anyone, ESPECIALLY your enemy. An enemy is only an enemy until he becomes your friend and nothing is more valid and glorious than to hold friendship.

As you ones are looking back at the war years of World War II as has been the most recent focus in the 50 year "celebration", perhaps it is time to share what has been offered by Hans Schmidt in GAINPACK Brief of May 1995 entitled: *An Open Letter To American WW-II Veterans*. You have ALL been sold, by the Banditos, a bill of goods buried in lies and horror. If you do not know truth, you know not your enemy and may well yet kill off more friends. To continue to honor only the lies lessens the meaning of that which was honor in giving—which is, after all, the only positive

thing which comes FROM war.

This is written in the form of a letter and I would like to take this opportunity to offer it here, for many of you readers in this audience—served God and Country in THAT war. This does not lessen any involvement of anyone before or since, but this man happened to have served in WW-II—no more and no less.

[QUOTING:]

May, 1995

Dear ex-G.I.s of World War II:

When you read these lines, it will have been fifty years since the German *Wehrmacht* was forced to lay down its arms on the 8th of May 1945. For all of us, Germans and Americans alike, the fiftieth commemoration of the end of the war will awaken long forgotten memories, and there is no doubt that most of us will also think of dear comrades who lost their lives in the conflict, and never had a chance to grow old amidst children and grandchildren. As a former German combat soldier who had twice been wounded on the Russian front, and came back from the "Battle of the Bulge"—fighting around Bastogne, badly frostbitten, I cannot help but also think of those Americans who fought against us in that cold winter so long ago, and froze, hungered and feared the enemy artillery just as much as we did. I shall never forget the faces of the first dead G.I.s I saw during the "bulge": a dozen or so young fellows, who could have been my classmates, had lost their lives defending an indefensible position around a burned-out half-track. I pitied each and every one of them, and those they had left behind in America.

Remembering G.I.s that we captured, I shall always remember how much "like us" they were, in looks and

demeanor: I, certainly, never felt any animosity toward them. As a matter of fact, on one particular day early in January of 1945, a few of us Germans and ten American POWs were sitting deep in the safety of the cellar of a Belgian farmhouse while the American artillery flattened the village with salvo after salvo of heavy shells, and "enjoyed", if one can call it that, a bottle of Schnapps we had discovered hidden underneath heaps of potatoes.

It was then that we raised, among ourselves, the question as to who was fighting for *the* just cause and, I must admit, the arguments of our American "buddies" did not sound very convincing. But all of us agreed that we hoped for an end of the war soon, and there was not one who was not anxious to get home as soon as possible.

The incident took place in the very first week of January 1945 in the village of Tarchamps, approximately 4 miles SE of the center of Bastogne. I assume the ten G.I.s (most of them suffering from slight wounds and frostbites) were soldiers of the 35th U.S. Infantry Division, likely of the 134th or 137th Infantry Regiment. [H: There will be readers who remember—who even shared this brief encounter. We will give an address at the end of the article.] After the U.S. artillery bombardment had subsided, I received the order to take the G.I.s, under the guard of just one other German soldier, back to our regimental HQ near the hamlet of Schleif. Arriving there after many hours of trudging through deep snow (in order to avoid the incessantly exploding American shells near the roads), we discovered that the HQ had just received a direct hit, and could not accommodate any POWs. Soldiers of the 5th German Parachute Division guarding U.S. POWs in a nearby railroad tunnel also were not able to help us

since they already had more than 300 Americans on their hands, more than they could take care of. We had no choice but to continue our way in ever deepening snow, and constantly being accompanied by exploding shells, to the small railroad station of Schimpach, where I knew our divisional HQ was located. There, finally, I was able to turn the POWs over to a higher-ranking non-commissioned officer.

When I took leave from the Americans, one of them who had obviously realized the trouble we had taken to get them back to relative safety, called me over and gave me his U.S. Army-issue compass as a small token of gratitude. During the rest of the war, this American compass came in very handy while we were fighting near Budapest and, later, in the Austrian mountains. Only after I had been given the compass did I realize that, upon capture, we had never body-searched the POWs. However, since they had not given us any trouble while trudging for hours through the snowdrifts, I decided to keep this knowledge to myself.

While in the past 46 years I have met many former soldiers of the U.S. 35th Infantry Division who had been captured near Bastogne, I was never able to meet one of "my" ten POWs. [H: Well, get ready for I am printing this for that VERY ONE! Bless you, brother—for this story has been repeated over and over again and has brought men to peace and knowing AND BROTHERHOOD.] Should any readers of this Brief remember this incident, I would like him to get in touch with me. After Schimpach they had a far better-than-even chance to get through the War alive, although there were many instances when trucks full of G.I. prisoners were, obviously mistakenly, strafed by Allied P-47s or P-51s, causing many casualties. [H: Friendly fire? I would like to hear the results of this story also, good buddies. My "boss" was in those "foxholes" with you and hasn't ever lost track of your whereabouts!]

After this digression, I would like to get back to the major reason for this Open Letter to former American soldiers of World War II. As I am writing this, the newspapers are again full of stories about events connected with the end of the War. And, as if there had been no Cold War, and no Iron Curtain after 1945 that had brought untold suffering and Communist tyranny to hundreds of millions of people in Central and Eastern Europe, Americans and Russians are now not only "celebrating" their April 1945 meeting at the Elbe River that split the German Reich in two. Now, on May 9th, 1995, President Clinton will even travel to Moscow to take part there in commemorating the Allied victory with the (former???) Soviet comrades. I personally think this is wrong. How must the French and British WW-II allies of the United States feel, when they are thus slighted? [H: Well, it sure makes you realize truth instead of the sugar-plum fairy lies, doesn't it?]

I am fully aware of the incredible propaganda campaign concerning the "Nazi concentration camps" that has been unleashed since January, when the 50th anniversary of the liberation of Auschwitz was celebrated. This propaganda campaign will not abate until the powers-that-be have squeezed the last drop of (seeming) gain from it. Reading all that nonsense, (including the claim that "500,000 Gypsies were killed by the Nazis" and a new story that an SS-officer had used human thumbs as light switches in his home [N.Y.T. 4-10-95]), it becomes apparent that every single lie of the immediate postwar years has been resurrected. It is as if historical revisionism has never existed. Will it have the desired effect? I personally doubt it. I rather compare it to the last big bursts of a gigantic fireworks that ends a memorable day. —Fifty years of lies having their last fling—. The cruel awakening is sure to follow.

I am sure most of you will by now have an inkling that much that is being told about the Third Reich is pure propaganda, and many of you will know from whom it emanates, and who—what group or country—

benefits most by it. This then brings me to the essence of this letter to you: are you still certain you fought and sacrificed for the right cause? Was it YOU and YOUR family who won?

Before I continue, I would like to state that whatever I write is not meant to denigrate your bravery, your good intentions, your patriotism or to insult those of your comrades who died in the war. Even if some of you had been skeptical of Roosevelt's war aims, there was no chance to shirk your duty. Like it or not, you had to accept the draft, or volunteer for war service. No matter what country: if the nation is engaged in a great war, a young man cannot take it upon himself to refuse to join his schoolmates in uniform. [H: Have you ever noticed, however, that one group of political Elitists NEVER fight IN a war—only get draft dodging benefits, light duty OR are in charge and NEVER face an enemy? The American PRESIDENT is a prime example. The Elite who MAKE THE WARS, FINANCE THE WARS, AND GAIN FROM THE WARS—NEVER SUFFER LOSS IN ANY WAR!] Furthermore, in our mutual memories (i.e., for Germans and Americans alike) we shall forever cherish the comradeship we experienced in the war. Whatever we may think of the result of the fighting itself, a soldier's front experiences are unique and should later not be defamed by others who were not part of the effort.

Nevertheless, fifty years later, while many of our comrades have since then already died a natural death, those who are still around should be the wiser and more objective. Former American soldiers must realize that in spite of all claims to the contrary, Germany had never threatened the United States, and there is no proof that "Hitler wanted to conquer the world". (With what, one may ask, was he supposed to have done that? Without a large fleet, without strategic bombers, and with a few LSTs that could not even cross the English channel?) [H: Better think about this, readers, for it

of Europe would have become the victim of abject slavery for hundreds of years to come. [H: To the Bolshevik Khazars!]

Old American soldiers of World War II do not have it as easy. For them there is really but one statement one can make, that which you see around you now: the decline of the (your) nation, the increasing criminality and the growing immorality, that is what you have been (knowingly or unknowingly) fighting for.

Let me explain: I have always believed that this rich, great nation could be a paradise on Earth for most of its inhabitants, no matter what race or creed. Instead, the wealth of America is in the hands of a tiny, arrogant and callous elite that cares not for the common man. This behind-the-scenes elite twice this century used the might and power (and you soldiers) in the furtherance of its major aim, namely world domination. Ironically, however, one cannot dominate the world without "owning" Europe, and this was not possible as long as there existed a strong German Reich. Germany had to be defeated.

Now it has become clear that all efforts of the American oligarchy have come to naught. The best laid plans of these supergangsters, as I call them, have gone awry. But in the process of trying to conquer the world with your bodies, they have ruined this nation.

The United States is getting weaker by the day. The armed forces are being cut back to bare bones, and we can be certain that no war on the scale of World War II could ever be launched and fought again by this country. The once almighty Dollar is near collapse, and most of you will lose all your life savings when an already inevitable hyperinflation will take its course soon. The beginnings of a (totally unnecessary) race war can already be clearly discerned by those who do not avoid the dismal reality by incessantly watching baseball or playing golf. The new men in Congress, most of whom have only been recently elected, will not really be able to stave off the unavoidable catastrophe, no matter how good their intentions.

I could go on. What I am really saying is simply that you should use this year's anniversaries to quietly honor your comrades who died so long ago. They deserve to be remembered and honored. I will do the same. Especially for you it would be wrong to celebrate a victory that was not your victory at all. Just look at the people holding high offices in the Clinton Administration, and you'll know who really won in '45: IT

is DONE UNTO YOU TIME AFTER TIME. Right now consider McNamara (a prime USURPER) who comes to you and tells you "his" war was a big error, a big mistake—oops!! Hundreds of thousands, even into the millions of people maimed, killed, tortured and murdered. Hundreds of thousands of mind-controlled people on BOTH SIDES betrayed and must now live the HELL of the ordeal. Well, all THEY have to do is say, "Oops, it was all just a mistake, a big, big, gigantic blunder for some experience or another, experiment or another—and don't forget—COVER FOR THE DRUG TRADE FOR THE ELITE, HEADED BY AND COVERED BY THE CIA. WOW, makes you "wonder", doesn't it?]

When the war was nearly over, and when the first gruesome pictures of the concentration camps were shown, "Stars and Stripes" used the headline "Now we know what we have been fighting for". To me this certainly was a sad statement regarding U.S. war aims. We German soldiers had it easier: We knew all along that if Germany had not launched a preventive attack on the Soviet Union in June of 1941, the millions of Soviets who had been poised in offensive formations would have overrun the Reich, and hence ALL OF EUROPE, within the weeks to follow. In that case, all

You cannot hide TRUTH forever and it is TIME to have those who were there and KNEW how it REALLY WAS, come forward. Thank you and God bless each of you.

I would also offer a copy of a letter to a lawyer who shouts and spews the lies about what happened "over there" according to the ADL B'nai B'rith propaganda machines. There was one terrible incident in which many were slain; it was called the Malmedy Massacre, for reference. Almost none of the "on-line" information has any validity whatsoever and yet is referred to by the Jewish warmongers over and over again just as are the false tales of the Holocaust. Mr. Schmidt has

[QUOTING:]

12 January 1995

Mr. John T. Barber, Esq.  
126 East King Street  
Lancaster, PA 17604

Dear Mr. Barber:

I read your letter to the editor of the Lancaster paper regarding the alleged Malmedy Massacre with great interest. Permit me, a German veteran of the "Battle of the Bulge", to answer:

If you ever wonder why the United States is now not only in decline but on the road to self-destruction, you may hold up a mirror and look at yourself, for it is seemingly intelligent people like you who are too lazy to use their God-given powers of logical reasoning in order to discover the truth, or at least *not* accept all the war propaganda garbage still spewed out, as truth.

Rather than go into the Malmedy situation in detail (my knowledge is found in enclosed newsletters, etc.), I am wondering whether in the last few days you have also written a letter to your local paper protesting the dismissal by Newt Gingrich of the new historian of the House of Representatives because the lady was one of the very few Americans having sense enough to state that a historical event (or non-event) *such as the claimed "Holocaust"*, might have another side to it than that usually told. Well, did you protest, or were you too cowardly to give your opinion in the affair? For, isn't it true that defending Mrs. Christina Jeffery might cause the wrath against you of that tiny minority that *allegedly* doesn't control the United States?

And, since you are so righteous about Malmedy, did you ever draw an analogy between the Malmedy matter and the Waco massacre? *The latter being the murder in peacetime of innocent people*, while whatever happened at the Baugez crossing was definitely an occurrence of war, a combat situation. How many officials will the ever so righteous American "justice" system call to account (and sentence to death by hanging) for the Waco murders? [H: I'd like to hear an answer for that one, also, readers!] Incidentally, the Shirer book is just about the worst one to use in learning about the Third Reich. Shame on you for quoting from it.

Sincerely,  
H.S.

[END OF QUOTING]

I don't need to add more to this but I will, just this bit: There was as focus of Mr. Barber's vile original glee over the "fire bombing through the window of his home in Alsace by persons unknown" and one Colonel Peiper was burned alive, it is exactly as with other "Patriots" that he met his fiery end—from Zionist Jews who fire-bombed the house. This was done by Jewish terrorists (Mossad Mishpucka) just as was the murder of Gordon Kahl, American Patriot. And then, of course, serving the same brand of Elite thugs, the murder of Mrs. Weaver and son in Idaho.

Americans, I just don't hold out a lot of hope for your country's freedom. You simply cannot see the trees for the massive forest before you, burying you, lying to you and cheating you of your very existence.

LET ME ASSURE YOU FREEDOM FIGHTERS OF ONE MAJOR, MAJOR TRUMP CARD THAT YOU CAN HOLD AND PLAY: THE ENTIRE WORLD WILL BACK YOU WHEN YOU DARE TO STOP THIS DECEPTION AND THE LIES. YES INDEED, I SAID "A WHOLE WORLD"!

Salu. May you pray and look beyond YOURSELF! What is happening in the murdering onslaught of manmade virus in Zaire—is in fact, YOUR OWN DOORYARD!

In Oklahoma City, behind all the facade of memorials and weeping, it is becoming quite evident that there are treasonists in the woodpile.

There were no ATF people killed in the building although many work there. The records from the Waco "episode" were housed in that building and hearings were due. Children who were supposed to be at daycare "just happened" to be kept out of daycare THAT DAY. BLACK helicopters were seen above the building early and again just before the explosions—TAKING OFF PEOPLE FROM THE TOP OF THE BUILDING. Then, at the time of the bombing, there were two above the building "doing something". One of Billy Boy's prior bodyguards was killed in that blast—and he was due to testify AGAINST Bill Clinton and Mrs. at the current investigations. "They" are just about to get more in their basket than they can carry. KEEP THOSE CONFERENCE CALLS AND TALK SHOWS HOT. There is a David Hall [owner and news journalist of Channel 5, KBOC-TV; see his comments in the Front Page story of the 5/9/95 issue of CONTACT] near Oklahoma City who is "catching up" but he has to have witnesses and FACTS. He can't do what I just did—simply tell you the underground knowledge for he has television news programs and if he speculates too much in the "right" direction he will be taken off the air.

## ENSLAVEMENT

You would be surprised at how many slaves around the world DO NOT KNOW THEY ARE ENSLAVED, especially in America, "Land of the Free!" You are totally, 100% controlled and directed by the thugs in power to the point that even if you live in the country and blow out tree stumps off your land (if you dare) or have fertilizer—you are suspected of blowing up buildings. If you speak out against the government you are watched until they catch you with fertilizer on your hands and a gun in your pocket. Then, IF you are caught for anything—forget presumed innocent. McVeigh is in a cell with NOTHING except a 24-hour-a-day surveillance camera on him every second—to break his spirit and drive him nuts enough to "confess". This is America?? This is justice?? Even if he DID IT, he is PRESUMED INNOCENT UNTIL THERE IS TOTAL PROOF IN A JURY TRIAL THAT HE IS INVOLVED! REMEMBER??? YOU ARE SLAVES!! WAKE UP.

## KNOWING TRUTH

How can you know I speak truth on this subject? Because I KNOW history, the enemy, and what is happening. This is not a miracle of great knowledge or psychic insight. It is that the truth is there and "here", if you care to look. It is obvious WHO blew the building, WHO starts the riots, WHO gains from the destruction, AND WHO HAS BEEN TRAINED TO TAKE THE NATION AND WORLD. When YOU

know, you won't act in foolishness—you will become a wise camper.

Do you realize that some states in your nation HAVE LAWFUL MILITIAS? California is one of them! You don't hear much about it these days, do you? They were started and put into operation during World War II to cover for the National Guard, which was being called into foreign service. The problem with the Big Boys is that they have no way NOW to SILENTLY bring them down—except through total take-over, which is being pushed through as we write. Bill Clinton, by the way, is just the bilious tip of the hard place. He is "NOTHING" OTHER THAN WHAT YOU "WATCH" WHILE ROME BURNS.

But WHO did this to you? A mere handful of greedy and corrupt men, that's WHO!! However, when THOSE few control everything: the financial world, the banks, the schools, all education, science, military AND THE MEDIA/PRESS—you are all but DEAD. They control it all, including YOU, but you keep seeping out from in-between their fingers because you haven't yet been told BY THEM that you are helpless. When they get around to telling you THAT, then you will behave or die. A lot of dying is planned, as well. So far, all you do is hit or kill the messengers. However, I would say that a lot of those thinking they are your messengers—work for the very Evil they proclaim to be against. And look where it gets you—worse into hot water. VIOLENCE against these trained bastards will NOT DO ANYTHING, SAVE GET YOU KILLED, READERS! Your "patriots" are so busy forcibly trying to proclaim and get back YOUR RIGHTS that you are losing all the rest of that freedom which you had. You have no RIGHT to act violently. You are not, mostly, acting FOR GOD; you are trying to establish and get YOUR RIGHTS! Fine, but if you do it in the same way as the enemy guts you—you can't do it because they are bigger and have lots bigger things to "getcha" from gas, to biologicals, to phasers and lasers. GOD certainly is NOT going to give you help to simply be as bad or worse than your so-called enemy. Just because you proclaim yourselves to be somehow "patriots" or "Christians" doesn't mean jack-phooey. I don't care if you want to carry your toy guns with you—that is your business—BUT it may very well get you killed and, at the least, eventually incarcerated. The "wardens" will see to it.

Good grief, readers, your "Clinton" worked for, and still does, the KGB. Kissinger is a Soviet Agent and on and on and on. You deny it, all right, along with the lying lips (who actually don't bother to deny any more). There aren't just UN Tanks and weapons in your nation of America—THEY ARE SOVIETS. EVERYBODY HEAR ME: THE "RUSSIANS ARE COME" TO CALL AND CLAIM! These are NOT the nice friendly Russians you met on the WWII battlefields or in the theaters—these are the Bolshevik Khazarian WARRIORS who work for the families and controllers who control the world banks, the money, the religions, the churches, the schools—YOU! So be it.

# Deadly Diseases Here Despite Burying Heads!

## MORE THAN A MOVIE

I watch in amusement as you shout, "You should GIVE us whatever we need. After all, I'm on welfare—and can't afford your stuff." OH?? I note that most people on welfare manage to have the wine, the beer, the paper diapers, the instant milk, the movie ticket—but you can't seem to have PROTECTION against disease. I'm sorry, readers, they won't even allow REAL PROTECTION in the welfare clinics OR the expensive hospitals. Those are for infecting you—not saving you. It may not be the intent of the ones going about serving you—but it is the end result. By the way: who said you had to get our "stuff"? NOT ME. In fact, we pray that too many of you don't up and get our "stuff" all at once, for only a few hands can handle it and we are overwhelmed already.

If I told you readers that we will have engines that run on minerals and water—what would you say? What

would you say about delivering gold from a flame process which collects monatomic gold substance and puddles it? What would you say if we told you we can grow fleas that can cleanse themselves and the animal upon which they parasite—and save the host? "B.S.!!" is what you would say, but not with initials. So be it. However, those who watch it happen are saying, "Thank you, GOD, for these possibilities."

For those of our readers who use the paper and journals for other than TP or for lining the bottom of bird cages, we offer the following "alert".

[QUOTING:]

### OUTBREAK! GLOBAL PESTILENCE

From: *Personal Update*,  
May 1995, pg. 7

In 1976, Karl Johnson, a world-renowned expert on infectious diseases for the Centers for Disease Con-

trol (CDC), received an urgent phone call: "An entire hospital has been wiped out and we still don't know what's behind the outbreak!"

Johnson boarded the next plane for Central Africa and there, near the fetid banks of the Ebola River in Northwestern Zaire, a horrible fever of unknown origin was raging. Several hundred deaths later, the disease vanished as mysteriously as it had appeared. The researchers eventually determined that it was a blood-borne virus, unprecedented until then in medical history.

The case of the Ebola virus is a warning that new armies of deadly viruses—though most are relatively obscure and perhaps deceptively fragile—may be waiting for the opportunity to infect unsuspecting human populations. (You may recognize this scenario as the basis for the biological movie thriller *Outbreak*, starring Dustin Hoffman.)

An outbreak of the Ebola virus would be unthinkable at a modern, well-equipped hospital in the United States, but that hasn't stopped Karl Johnson from

I am now accused of making products to sell for great profits against diseases that "the government" tells you "will NEVER happen to you". Then, my dear ones, don't get the products! YOU NAME IT

Each time we sit to write the doom and gloom clouds descend closer to our heads and hearts—or do they? ONLY IN PERCEPTION can they touch you. If you KNOW and PREPARE in wisdom—they may well come, but they are NO THREAT! If you consider that we deal in "fear", so be it—for that, too, is a perception stated in ignorance. If you place a house on a hill near a river—you may well live from season to season during the floods and keep your powder dry. If you build that same house in the dry river bed—you are eventually going to be drowned! If you build on an active earthquake fault, you are one day going to get a good shaking. Is it the fault of the Earth, or you? If you built in ignorance and deception by the real estate agent—is he not liable under the law for misleading you and wouldn't you probably sue him? But

if you chose and built and prepared wisely you would have no complaint, would you? Moreover, if you put supplies in the upper levels of your house and PUT PONTOONS ON THE BOTTOM—YOU STILL MIGHT WELL JUST GET A BOAT RIDE IN THE HEAVY RAINS. WHERE ARE YOUR PONTOONS?

sun if you put them in a fish-bowl for they will intensify the sun rays and possibly burn down the house when you aren't watching.

"But," you ask, "how can you have something harmless which will kill microbes?" ASK GOD!

How do you KNOW you will get caught somewhere in your own nation (wherever you are) with something and how can you know what to expect and when to expect it? By watching the non-news and your motion picture presentations and reruns. You are, right now, flooded with rerun pictures like *Terminal Man*, *Virus*, *Outbreak*, and so on. You are having terrorist pictures and terrorist bombings; you are having widespread earthquakes and more expected—"they" are showing you the pictures and warning you to "prepare". So be it. Listen and prepare and go about your business. Don't prepare and still go about your business—but be expecting a bashing of one sort or another and great inconvenience. "God will take care of me." I hear it over and over again. Yes indeed, He will: like right

pondering the alternative outcomes. There are frightening "what-if" scenarios that haunt him like a recurrent nightmare more than a decade later.

"What would we have done if the virus was spread by cough droplets in the air?" he asks. "If that were the case, there's no doubt in my mind that Ebola fever could have qualified as the Andromeda strain, and we'd have all died." (As we go to press, there is a report of another Ebola death in Africa as a result of a monkey bite.) [H: Yes, but it surely doesn't have ANYTHING to do with monkey bites! Nor, dear ones, are you getting anywhere NEAR THE TRUTH about numbers of dead, what is really happening as health care workers are deserting their posts and panic and death lay EVERYWHERE in the streets, in the bush, in the river—EVERYWHERE death lays where the person falls. AND IT WAS MANMADE AND MAN-SPREAD! SO, HOW DOES THAT MAKE YOU FEEL ABOUT OUR "STUFF"? "MAN" CERTAINLY IS NOT GIVING YOU THAT WHICH WILL PROTECT YOU—SO PERHAPS IT IS ABOUT TIME TO CONSIDER GOD'S GIFTS TO SOME REASONABLE EXTENT? SO BE IT.]

### THE PRESENT THREAT

In a span of less than 15 years, the United States alone has been stricken by a wave of new infections. Toxic Shock Syndrome, Legionnaires Disease, AIDS, Lyme Disease and Hantavirus have emerged from obscurity to become household names. Infectious disease experts fear an escalation of new and possibly more deadly epidemics in the future. Indeed, some candidates already loom on the distant horizons, isolated in tiny geographical pockets. Why this sudden explosion of pestilence?

### A LOSING BATTLE

During the 1950s and '60s the successful use of antibiotics and vaccines led many people to assume that the war on infectious disease had been won. Unfortunately, the war is still on due to changes in human behavior or in the microbes themselves.

To be sure, changing morality associated with sex and drug use have contributed to the spread of highly lethal disease—AIDS being a leading example. Also, with air travel now more affordable, infectious agents previously confined to one corner of the world can jump across continents.

Among the more alarming infectious diseases laying siege to the current human population are tuberculosis, rheumatic fever, sexually transmitted diseases and disorders caused by antibiotic resistant strains of bacteria or fungi. Tuberculosis, as an example, continues to take a toll worldwide. According to the World Health Organization, one-third of the world's population is infected with TB, and after three decades of decline, TB is again on the upswing.

Researchers are also discovering a new, darker side to summer's vegetable bounty. Our nation's love affair with fresh, uncooked produce is now being conclusively linked to outbreaks of disease, and this time it isn't pesticides or toxins.

In a series of recent discoveries, epidemiologists are now beginning to take full measure of what has been an unrecognized problem: bacteria and viruses hitchhiking on fresh vegetables. In 1988, iceberg lettuce gave 200 people in Louisville hepatitis; in 1989-90, fresh melons sickened hundreds with salmonella.

Microbiologists think these are the culprits in a quarter of all U.S. viral stomach diseases—an astonishing conclusion for viruses so new, no one's figured out how to grow them in the laboratory! [H: !!!!!]

### BIOLOGICAL TERRORISM

"Now that extremists are willing to use weapons of mass destruction, they have crossed the threshold that experts have watched with dread for two decades," says

Bruce Nelson in the April 3, 1995 edition of *Time*.

Commenting on recent police raids of a cult in Japan, one newspaper reported that the group had sufficient chemical materials to wipe out 4.3 million people. The leader of the cult, Shoko Ashahara (who calls himself "today's Christ"), wrote in his book *Disaster Approaches the Land of the Rising Sun* that Armageddon will arrive via a gas cloud from the United States (which is said to be ruled by the Freemasons) [H: Everything here is true so far. EVERYTHING!] Obviously, Ashahara has not bothered to read the Biblical Armageddon scenario. [H: No? Perhaps this writer would like to read the *PROTOCOLS OF ZION* along with the *Revelation*. God isn't going to do anything but SATAN WROTE THE SCRIPTS AND CHANGES THEM TO SUIT HIS NEEDS!]

The potential for biological/chemical terrorism is frightening. For a few thousand dollars, a terrorist group can develop a biological weapon just as devastating as a small nuclear bomb. For example, at the mere cost of \$10-20,000, one could obtain anthrax spores (bacteria associated mainly with livestock and animal infections) commercially. [H: Yes, our products stop it dead in its tracks; it can't get through the shield. When these things start happening around you—put on your shield each morning with your sprays and intake—and go about your lives—SECURE.] A mere eight grams would inflict heavy casualties in a one-square-mile area. An airborne bacteria, anthrax would cause death by pneumonia and suffocation.

Marvin Cretron, president of Forecasting International Ltd, a Virginia-based think tank, co-authored an exhaustive study for the Pentagon last year. He thinks a chemical or biological attack on the U.S. is increasingly likely "perhaps within the next five years."

### BIOLOGICAL WARFARE EXAMPLES

Biological materials have always been a part of modern weaponry development. Biological agents have been used in previous wartime environments, with the most recent alleged use in the Gulf War. Although there are a number of international agreements that decry the use of biological weapons, its research still continues.

In 1972, the Soviet Union signed an international agreement to end biological weapons production. How sincere the USSR was in signing that agreement was demonstrated seven years later, when experiments in biological warfare caused an outbreak of anthrax in Sverdlosk, killing 69.

Although the new Russia denies it, experts agree that there are stores of biological weapons still hidden in the vast country. Many of these weapons can be

smuggled across borders in coat pockets, causing concern over the ease with which terrorists may acquire such weaponry. Russia has passed regulations on the control of these materials, but these are "quite loose" according to the Stockholm International Peace Research Institute (SIPRI), a chemical safety group.

The Soviet organization for chemical weapons production, Biopreparat, employed over 25,000 people and continued to operate even after the safety convention of 1972. In Koltsov, scientists experimented for years on how to release hemorrhagic fever and Venezuelan encephalitis. Tests were also carried out in Leningrad, with particular regard to the tularemia virus.

There is also evidence that a terrifying new nerve agent has been developed by renegade Soviet scientists. Code named "Newcomer," the agent is reportedly ten times more powerful than its American equivalent VX. Again, Russia denies the existence of "Newcomer," but when scientist Dr. Vil Marrazayanov discussed it in a Russian interview, he was arrested immediately for "revealing official secrets".

### THE BIBLICAL PERSPECTIVE

Most of us are familiar with the plagues inflicted upon Egypt in *Exodus 5*. After the Egyptians were stricken with a series of plagues, including infestations of lice and flies, Pharaoh condemns himself and his land by stating, "I and my people are wicked, and deserve what is brought against us," and he allows the Jews their freedom. [H: B.S.!]

[END OF QUOTING]

I am warning you—that if you piddle around trying to decipher the "bible" you are going to be incredibly misled. At best, the "Revelation", friends, was a VISION of a self-proclaimed psychic (at best). The facts are that the ending cycle for world domination would be through these means. You do that which you wish—but I warn you that you had best take some REAL PRECAUTIONS OR "GOD'S WILL", AS THEY WILL TELL YOU, WILL BE TO "TAKE" YOU AND PERHAPS YOU WON'T EVER LIVE LONG ENOUGH TO KNOW THE DIFFERENCE! GOD OFFERS YOU "A WAY" THROUGH THIS ASSAULT. WE WILL SEE HOW MANY LISTEN AND ACT.

However, please understand the problems here with logistics, facilities (there really aren't any), and my proficiency at producing new problems (products) and formulas that then have to be developed and packaged—ACCORDING TO REGULATIONS.

We now have the products for topical application and I am pleased to say that aesthetically, as well as for offering protection, they are without peer. For topical application we can have the colloidal gold as our

gold colloid than the silver colloid—we choose to go with heavier silver for the internal use colloids and OxySol. You get two far different products in the OxySol and GaiaCol so, please, if you can do so, use BOTH. If you use both you can cut in half EACH amount used. One is the antimicrobial while the other is ionized silver, gold catalytically colloidalized but with remaining particulate of the minerals necessary for perfection of cell fluids for perfect DNA-RNA reproduction. This has a conversion rate of 100% and a frequency rate beyond the limits of the apparatus for measuring, as do the Colloids we offer. Since the base of life is “carbon”, we have colloidalized carbon into the cellular solution. These products, in the presence of Gaiandrianas are so far clocked “off the charts” for “frequency” readings. This means that every known thing both visible and invisible with lower charges can be eliminated if desired. We have already set the frequency levels to only enhance living cells and most “friendly bacteria” (easily replaced however), BUT we find that all attacking organisms, especially man-tampered or man-made, are negated and the broken organism cells are then used by the Drias as fuel, as the viral, bacterial, etc., particulate are then BOUND and discarded.

#### VISIBLE PROOF OF FREQUENCY CHANGES

Our unsung creators here are so startled by that which happens when they follow instructions as to be always without cameras and recording devices in the midst of the “miracles”. I gave Dharma, Charles, Kathy and E.J. a full-spectrum frequency zoom when we added certain things to the Gaiandriana (at only half-strength solution) which, within only minutes, the frequency produced full spectrum color expression as the Drias converted the minerals to LIGHT. First the bronze, gold, purple, lavender, cobalt blue-silver and finally to the silver-blue clarity which will now move on as maturity comes to the living cells, of that which is beyond any frequency you have on your place, as it moves on into living cosmic frequency.

Now, we are taking that Dria base, GROWING it within the colloidal solutions, full strength, adding other natural emollients and aloes to allow for use externally. I have asked that applications be available

ASAP for body sprays, skin creams, lip balm, lotions and washes—even to scalp application in an aloe base to be worked into the scalp AFTER shampooing and left to dry (it will only enhance the hair health). We are not in competition with the cosmetic industries (although it may become the thing to do to insure coverage of the body for shielding). We will ultimately offer even tear-formula eye drops and nasal spray or drops. Our intent is to at the least OFFER what will coat your bodies (and it won't take more than a small amount) and provide shielding from assaulting microbes. We fully intend to have douche wash and rectal applications, for obvious reasons as well as for unseen reasons.

### SAFE SEX

Obviously you have behaviors taking place which jeopardize your well-being from natural causes as well as sexual practices. I simply make statements here without any "moralizing". If you are introducing AIDS and other microbial-causing entities within body orifices—YOU MUST START TO SEEK AND HAVE "SAFE" SEX—and I don't mean useless condoms. *But, be careful because a healthy system will increase pregnancy possibilities as microbial assaulters are removed from systems.*

The lovely side-effect of our products is the healing of the reproductive systems and urinary tract systems. The living organisms causing venereal diseases will be cleansed away as well as the fungal and yeast infecting organisms which are worsened by the usual antibiotic treatments of other maladies such as flu and colds. And yes indeed, we have a foot spray and deodorant. We find that athlete's foot is cleared in one application—but we suggest spraying the inside of shoes and allowing to dry and respraying the feet after each bath or whenever.

Our people here are "barefoot prone" and feet sometimes look like prickly pears so they have been testing the lotions and creams on their feet—to find all the cracks and hard skins healing. Our testors are finding that dry skin lines and wrinkles in the face and skin are softening and "going", as acne-causing bacteria are removed, pimples and blemishes are going away also. This is being tested on the young adults and puberty-aged family members. Since a lot of aloe is used, expect a flare up of skin eruptions as the pores are cleansed and then expect wonderfully soft and glowing skin.

### PRACTICAL APPLICATIONS

I believe it will suffice to say that if you have full-body armor on, you are going to be far less accessible to whatever is thrown at you. We still have a bit of a problem as to shielding but I can take that further in a minute. The important thing when the microbes and biological "things" are thrown at you is to have your internal IMMUNE SYSTEM UP TO ABOVE AVERAGE AND STABLE. Next, you will need that second immune system which is supplied by the colloids for a microbial shield and ready-team of warriors to confront and take out any invaders. Then you need the backup cellular structure to take out any invaders that make it past the first two systems—to take out the invader and vanish or destroy the dead invaders.

Now, do I believe you have to use ALL THIS STUFF every day? Yes and No. You must do what you feel comfortable in doing and to what extent you feel proper. By that I mean that I am not going to spray you down every morning—but you will want to probably do that to your children. What would home be without colds, sore throats and misery?? What would life be without the regular trips to the doctors? However, I am not interested in the regular things of life assaulting you BUT you need to get clear and act wisely enough to keep clear. AND THEN, WHEN THE BAD-BUGS COME (AND THEY ARE PREPARED AND WAITING TO BE RELEASED ON YOU) YOU CAN MOVE INTO AC-

TION IMMEDIATELY AND SHORE UP YOUR SHIELDS. It is interesting to note here that it can only enhance your acceptability as well as physical well-being, as our testors are finding that from bath to bath, even while working out or doing hard sweat-producing labor, that the deodorant qualities surpass any product on the market—just sprayed under the arms and anywhere else odor-causing bacteria are found. Foot odors are gone—when the microbes are gone and the feet heal. Sweat-caused "stinky feet" automatically "go". Just please allow a few days to let the body work out the toxins before bringing down negative judgements. We are trying our best to bring you pleasing products along with the antimicrobials.

### NATURAL AND NORMAL FRIENDLY FLORA

The body NEEDS its digestive living enzymes and microbes for breaking down the debris and compost. IF you are regular users of Gaiaandriana, your flora and "fauna" should be high enough in frequency, along with your body cells, to withstand all but the heaviest assault by the colloids. That flora will move on through the higher frequency toleration easily WITH you. However, don't fret about it for the friendly bacteria are MADE to live WITH you and serve you, so simply replace them if you feel yours are jeopardized or damaged by all the colloids. Remember something: if you are creaming up and spraying up all your "self", then you are getting quite a lot of intake through membranes. Under the tongue, nasal passages, eye conjunctiva, rectal application, vaginal application (all that nice soft mucous tissue and surface blood-supplied tissue—absorbs). To get the most value immediately, for instance, intake to the blood supply system is under the tongue, short of intramuscular or intravenous application. This is why I suggest you use your GaiaCol under the tongue—for after all, it is just a few drops and it has its carrier Drias. OxySol should be added to water (for purification of the water) and you need those minerals in your food supply. Don't get hung up on it—these are natural products and a little goes a long way. If you get totally paranoid about it, you will simply overtax selves.

How do I mean this? Well, the mouth-spray will protect your mouth through a few squirts a day (and your friends will like you better), a lotion or spray after washing hands will do the trick along with softening the skin. Everywhere you put colloidal gold and silver—you cleanse the area and if you have a holding ingredient—it will adhere for quite a while, never losing its ability to "work".

Note that last night on Dr. Quinn's Television program about early Colorado, she mentioned giving SILVER NITRATE for the prostitutes who contract venereal diseases. Well, we have something lots more effective and less traumatizing than silver nitrate. BACK TO BASICS MAY WELL SAVE YOUR BASIC SELVES!

Medical miracle drugs may well have been wondrous—for the drug houses and chemical companies—but they have put a population of human species at death's door with total vulnerability to the intended assaults against you.

### QUANTITY

We have had to get practical as the demand outgrows our ability to gear up to production needs. Remember, we are dealing now with living cells and, like a garden vegetable, you can enhance growing conditions but Mother Nature requires her "time". Therefore we want to serve our family first—as we can do so. This means subscribers to CONTACT and readers (even if they don't subscribe), we ask that you not hoard supplies right off here. We will be upgrading constantly as we go along and THEN you can "stock up". We will also be eventually offering "refills" so you can use your own containers and lastly, but not leastly, for large families (our own Ences for instance, have seven wonderful children) who need more quantity—tell us and discounts will be forthcoming. Ences will get theirs, though, for helping fill bottles or something.

We CAN'T GIVE IT AWAY, READERS. We suffer slings and "unfair practices" assaults continually for underpricing everybody. My goodness, you as a public have truly gone insane. I thought this was called "capitalism" at its finest, you know, the product better, the price better—the better the product the better for all! Forget it, the better the product, the more lawsuits!

### CHEMICAL ASSAULTS

This requires attention, readers, but the problems outweigh that which we can fully counter at this time. If you are taking Gaiaandriana along with these other products, you are getting to be in better overall health and your body will be ready to heal after damage. However, the enemy thinks of every nasty trick to play on you unsuspecting citizens. Usually, before letting loose an infecting biologic assault, there will be carriers for the microbes OR irritating gas infiltration in the environment. This is to insure the irritation of mucous membranes, skin eruptions, etc., which then allow

entry of the organisms. One reason there is additional upstart in the Black population of South Africa is that their skin is less susceptible to invasion of either frequency assault, pulse assault or microbe infection. That makes the poor people of those more primitive areas the test sites of choice. The disease organisms can be easily isolated and controlled trials can be run. Note that in Zaire, the foreign White medical workers fell more quickly than did the Black population—although both were totally vulnerable. It has NOTHING to do with monkeys—any more than does YOUR ANCESTRY. Remember they told you that AIDS came from green monkeys—until that didn't fly in the face of facts, either.

If you think your government "protectors" are looking out for you—GO LOOK AGAIN AT THE PICTURES OF YOUR FRIEND AND RELATIVE, RUSSELL HERMAN [see p. 25]!

Whatever is done on your place—must be done by YOU. I can offer, serve and guide. Even if environment might be better if I be your master-keeper, the facts are the same. Enslavement through force by anyone is unacceptable! YOU have a right and duty to have freedom for growth, service, failure or, in general, experience within all laws. It is my THRUST to attend all regulations laid forth and follow all laws involved from God and Man and if we can't act within those rules—then we don't act. I have to bring that information which is fully within all regulations and write so that all journalistic rules and laws are met. We would be no better than your worst enemy, Satan, if we brought FORCE or COERCION upon you. We abduct no one, we harm no one and yet—WE WATCH EVERYONE! We are not going to interfere—for you are free to make your choices—but we will assist with guidance EVERYWHERE WE CAN FIND A WAY. GOD DOES NOT ALLOW HIS PEOPLE TO GO WITHOUT RECOURSE IN ALL CIRCUMSTANCES. You must, however, come to see and recognize the alternatives in each expression. And DO NOT confuse GOD and Political circumstances. You can go for your Constitutional Law—BUT, that is not the SAME as going for TRUTH IN GOD! When God TRUTH is more important to your passage than is even freedom of expression under GOOD Constitutional Law and Order, you will have achieved the ultimate realization. Each is important but only ONE is THE WAY!

It is sad to note, but must be recognized, that most people will NEVER use nor acquire the very things which will SAVE THEM FOR THEMSELVES—through what we offer. So be it. Make it available and then release it. In this place we have these things which offer safety and security—and then families won't use them for any number of "excuses". However, as we ask that families keep the useable things, i.e. colloids, around for that day it may be needed, they will usually do so—to please and shut-up Mother, if nothing more. When the foxhole is needed, however, the things will be used. When users find that there is painless and totally effective "stuff" to attend a child's cut or abrasion—they will use it—BECAUSE IT IS BETTER AND CHEAPER. Always note the "cheaper" because it is the current mindset. If we have something that WORKS EFFECTIVELY AND IS CHEAPER—we have a double whammy! Greed, you will note here and now—is not acceptable here. This reminds me to urge you people (here) to check some of the pricing, like on vinegars, etc. I want prices to reflect quantity supply—always. I never want to have to readjust any price upward—always downward, please. Our goal is always to grow to a size of production where a unit cost is small indeed and yet ability to "have" is available to everyone as a safety-net for society. It is sad that we won't ever be a competitive factor to the Big Boy Controllers. Most people will never harken to the call and will always rush to the hospitals and sacred places of the priests of drugs and knives. Nor, I suppose, should they for there are some things which cannot be attended well in other environments wherein supplies and items are denied

public access.

I remind you, readers: the adversarial troops HAVE DONE THEIR JOBS WELL. BUT AT SOME POINT THEY TOO NEED TO SURVIVE—AND THESE THINGS ALWAYS COME BACK AGAINST THE PRODUCERS. THERE IS NO HONOR AMONG THE PRETENDERS TO THE THRONE OF THE WORLD. BUT, HAVING NO LOYALTY OR HONOR—ONES IN THE TRAP OF SERVICE—WILL NEED HELP IF THEY ARE TO ALSO SURVIVE. EVEN THE ELITE—NEED SURVIVORS! THEY ALSO KNOW GOD CAN TAMPER A LOT FASTER THAN THE OLD DARK-SIDE DEMONS. SO, IT BEHOOVES ALL OF YOU TO KEEP IN MIND, WHEN YOU SHAKE IN FEAR, THAT GOD'S WAY IS IN "OPPOSITION" TO THAT WHICH IS NOW THRUST UPON YOU AND IN EXPECTED RESPONSE.

YOU WILL LEARN TO FIGHT IN TRUTH—OR YOU ARE GOING TO LOSE THE WAR WITH YOUR GUNS AND FOOLISH STANCES. THE FACTS ARE THAT SATAN AND LUCIFER HAVE SETS OF RULES WHICH DEMAND THAT THEIR WORK BE IN OPPOSITE TO GOD'S—IT IS IN THE BIBLES OF SATAN AND OF LISTED PROTOCOLS FOR GLOBAL TAKE-OVER OF THE PHYSICAL PLANE. WHEN YOU GO TO WAR WITH GUNS, ETC., YOU SIMPLY SET YOURSELF UP FOR THE KILL. AND REMEMBER SOMETHING VERY IMPORTANT: WE ARE NOT HERE TO SAVE ANYTHING! YOU DO WHAT YOU WANT TO DO—THE REST OF US WILL GO HOME WHEN WE ARE READY AND WE SHALL DO SO IN GOOD HEALTH AND PEACE. GOD IS NOT WAR! NEVER!! If you have confrontation which MUST be considered for fighting as with weapons of war—you are GOING TO LOSE! I suggest you use silver and gold for colloids, not bullets. Then I suggest you eat the colloids, not fling them.

You must come to understand something: I KNOW my enemy and I only have ONE. I can get along nicely with him because I have already won the war. It is YOU who seem to have the problems. How much is that "gun" worth to you? I thought so! It is a good measurement for testing all sorts of intentions and actions. All sorts!!

God does not present a crooked, dark path. Stay in the STRAIGHT-AS-AN-ARROW pathway and keep the LIGHT full blast and you won't get lost—nor forsaken, save by the ones you want to lose back into their dark worm-holes anyway. You have the control and power—you just don't want the RESPONSIBILITY—EVEN FOR SELF! When you step forward, take the responsibility, provide that which you need, and quit whining that you "can't" (afford money, time, learning, visibility, etc.) you will GET that which you

"say" you want. If you can afford a rented movie, a bag of potato chips, a piece of candy, worthless bread—and MEDICINE—you can afford ANYTHING we offer. You have to make some decisions for selves in favor of selves and STOP BLAMING GOD AND OTHERS FOR YOUR POOR PITIFUL STATE OF MIND AND AFFAIRS. IN FACT, LEAVE IT WITH "POOR STATE OF MIND" FOR THAT IS WHERE IT'S AT.

TRUTH IS MY STRONG SUIT, READERS; 2" x 4"s ARE MY SECOND BACKUP IN THAT TRUTH. FRIENDLY ALLOWANCE TO CONTINUE IN THE LIE IS MY NEXT! YOU DO WHAT YOU WILL! I LOVE AND CHERISH YOU ENOUGH TO BE TOTALLY TOUGH—BUT I ALSO LOVE YOU ENOUGH TO RELEASE YOU TO YOUR CHOSEN JOURNEY.

When you STOP all those things you do only in the dark so as not to be seen, even by self—and walk in the LIGHT—you will find this passage a JOY. Protection is available and wonderful; hiding, however, in FEAR of the unknown, is foolish. Your ENEMY will come to look in all your HIDING places—for you and your things. Remember it! Sometimes the most wondrous safety place IS IN FULL LIGHTED VIEW AND know: THERE IS NOTHING OF PHYSICAL MATTER WORTH ONE DAMAGED HAIR OF YOUR PRECIOUS HEADS. YOU CAN LIVE WITHIN THE SYSTEM, FUNCTION WITHIN THE SYSTEM—AND CHANGE THE SYSTEM. THE ENEMY LEADERS ARE SHREWD—THEY ARE NOT FOOLS! THEY DO, HOWEVER, HAVE TO HAVE TOTALLY FOOLISH IDIOTS TO WORK FOR THEM—SO DON'T PUSH YOUR LITTLE GUNS IN THEIR FACES—THEY WILL SHOOT YOU! "WISDOM" WILL WIN THE GAME.

May you be intelligent enough, wise enough—to choose the Light! Salu.

ASKING FOR HELP

I am now directly asking for YOUR HELP! Some few of you have "carried" this newspaper and to you I give abundant appreciation. CONTACT has been able to "borrow" (on nothing) a bit to keep a paper in press for the most part. The price of gold is down into the "buying" market and at low-level enough to not allow for supporting the paper by the Institute. I am told that our team is again to the edge and cannot meet obligations or postage costs. If "miracles" do not happen within the next few weeks—the party is over. This is not a good time to be without CONTACT. I promise you, it is NOT A GOOD TIME TO BE WITHOUT INFORMATION.

# Whose Job Is It To Run *YOUR* Life?!

5/19/95 #1 HATONN

## AGAPE

As you go through life in these days it would seem difficult to sort that which is living from "survival". In the "rush" and push of desperation for companionship and associations of relationships, oftentimes there are painful lessons to be learned for foolish allowances of life to have you instead of you having life. The mind says, as in marriage, "Well, if it doesn't work out, so be it!" Children, that is WRONG in approach. I watch some of my closest friends making plans for "doing it again" before their bodies are "cold" from the last time they said the same thing.

Agape means LOVE, but a higher level of mature LOVE. The words come from the Greek language. Agape does not mean a roll in the hay, a romp through emotions—it is sound, solid, forgiving and ever GIVING. I do not know WHY ones pray to "me" for guidance in their relationships—for (1) you pray to God, not me, if you want help and wisdom, and (2) if you can't see your own direction, how expect you that I might see it? Perhaps you like hard lessons and those around you as well! You act as if somehow being alone with self is a horrific thing to endure—while it is the gift of gifts for your sanity.

## BABYSITTING

I still have ones who have "done it before" asking me to make plans FOR you, tell YOU where you need to be, what you need to be doing and how am I going to save you, protect you, guide you—into infinity. I am not going to do any of those things. Those are things for you to work out with GOD and self. I can only tell you that, in your lack of wisdom, you shall dearly pay a high price from haphazard decisions which you ultimately blame on me or another. Don't do it—for I will NOT accept that burden!

My job is to bring truth and "the way". Your task is to take it, know it, and make your own way. I have neither the right nor inclination to baby-sit ANYONE. I cannot tell you your purpose or your directions. I cannot make a PLACE within other's spaces for YOUR homing. You need not be in anyone's presence, save God's, to "do your thing" and to be doing it RIGHT. I certainly am NOT GOING TO SAVE YOU, so please, Ron S., STOP ASKING ME WHAT I AM GOING TO DO TO PROTECT OR SAVE YOU IF YOU SPEAK OUT IN TRUTH! I think the phrases to cover that as response are: "Get a life" and "That is a do-it-yourself project." If "you" don't seem to know the way for YOUR OWN DIRECTION and career, placement, or why you don't feel good today—it seems to somehow be MY PROBLEM. No thank you because, for one thing, it instantly becomes Dharma's problem and Dharma is doing the work of ten full-time people and doesn't recognize her own directions. She does everything from create new antibiotics and life-cells to typing hours and hours every passing day. Your direction is NOT HER PROBLEM OR HER BUSINESS. If you send a letter for Hatonn directly to her—it means you

want her to do "something". Well, she has, again, ten piles of things so deep in depth as to grow until they fall over and still, daily, come the stacks of books and tapes, papers and FAXES for my attention. We get through it all somehow—but to then sit and respond to your personal "bad days", when the days here are a whirlwind of hardly being able to go to the bathroom, is not exactly food for soul balance.

The letters of love and support, even the letters of complaints which demand nothing in return from her, are what keep us going, and going, and going. However, to take time to answer each one's private inquiries is impossible if not downright WRONG in approach. What do you have classes "FOR"? I usually find that if you have ALL the materials, you can both survive nicely, live in total security and protection, and realize your own path. If you do not use them, so be it, for we have 6 BILLION people to attend—on NOTHING. Somehow ones expect "us" to supply you with placement, income, direction and a settled job. NO—from now on, EACH WHO COMES—COMES AND SUPPORTS US!!

IF you cannot find your way in a daily environment, support responsibly your obligations and families, how expect you to simply move into my environment where we work 36 hours a day while YOU work out your inclinations, depend on us with nothing for your support, and stand around asking us to direct every step and move you make? No, you each longingly seek for someone ELSE to do it FOR YOU. Friends, there IS NO ONE ELSE TO DO IT FOR YOU: NOT GOD, NOT ME AND CERTAINLY NOT ANYONE "HERE".

To sit and respond to personal-direction finders, usually anonymous (DFA), means that the very things of survival coming from us—have to wait—for human only has so much time and the energy is all gone. Dharma would as soon die of the damned plague, friends, that is how weary we are. After we produce the product, we then have to somehow convince you that it is alright for you to use it—like have a fleet of craft land on your head. I DO NOT ATTEND YOUR BUSINESS—NOR YOUR LIFE, NOR YOUR HEALTH. I OFFER, YOU TAKE OR REFUSE, BUT YOU ARE GOING TO GROW UP OR YOU ARE NOT. THAT IS YOUR CHOOSING, FRIENDS, NOT MINE AND CERTAINLY NOT DHARMA'S. I, further, weary of you going forth and deliberately breaking laws in my face and then, when it goes WRONG, back you come to me to "fix it."

## SELF-MADE PRISONERS

I have something to say to you people in prison who are there under the excuse, or otherwise, of breaking the law! I don't appreciate the minute the wardens come down on you you whine and cry innocence and abuse. Maholy was involved in DRUG RUNNING, readers. I am grateful and respectful of his predicament and will help any way I, or you, can do so in his current plight—but HE BROKE THE LAW AND GOT INCARCERATED. WHEN THE CHARGES ARE CORRECT, IT BECOMES ALL BUT IMPOSSIBLE TO DO ANYTHING—MUCH THE LESS GAIN RE-

LEASE!

R.R. chose to continue to carry a weapon on parole and take it into a courtroom, no less, we are told! What is wrong here? You want God to come and whisk you out so you can play again and call it patriotism? NO—IT IS WRONG! People HERE have to have no reflection of dishonor OR non-law-abiding intent. NONE. I am not a whisk-away nerd—I stand for GOD in this place of service. I don't want a bunch of gun-totin' swaggers out there representing me or mine. We don't do drugs, or actually have "time" for any of the other vices—such as self-pity. We will help wherein we CAN DO SO, no more and no less. If this seems harsh, then I suppose you aren't on the team but rather just another person wanting it "your way". That is FINE!! It is not fine to demand of us. And furthermore, WE NEVER PUT ANOTHER IN JEOPARDY, MUCH THE LESS OUR TEAM, CREW OR WORK.

## WAYWARD TANK

IT WAS NOT OK TO TAKE A TANK IN SAN DIEGO AND RUN OVER EVERYONE'S PROPERTY; IT IS NOT OK TO CARRY WEAPONS AND THREATEN OTHERS; IT IS NOT OK TO BREAK LAWS; IT IS NOT OK TO FORM ARMIES TO REFLECT ON YOU-THE-PEOPLE WITH YOUR SILLY GAMES. IT IS NOT OK!! It is, however, ok with me for you to do anything you want—just leave US out of it! I neither respect nor condone any of the "patriot" nonsense. You win by building, not threatening like bantam roosters or ego-monsters and destroying. You set yourselves up for the kill (of all freedoms) by your thoughtless actions. You have the right so far to bear arms—then go bear them but stop getting your brothers killed by your silly games. If you build bombs, it is easily suspected that you fully intend to use them sometime, somewhere! In your foolishness in the name of serving Country and God—you destroy the very thing you tout! Ponder it, for your enemy NEVER SLEEPS!

## GET A LIFE!

GROW UP! GET A LIFE! HAVE A MISERABLE DAY UNTIL YOU REBUILD YOUR RIGHTEOUSNESS! GET WITH THE TRUTH OF CIRCUMSTANCES and, NOW THAT THE BOX IS OPENED AND THE TROUBLES ARE OUT—WORK ON YOURSELF—NOT THE BOX. KNOW YOUR ENEMY (WHICH IS SELF) AND STOP THE BLAMING, WHINING AND TWIDDLING. HOW THINK YOU THAT I WOULD PUT YOU IN A PLACE OF LEADERSHIP OR SERVICE WHEN YOU CAN'T ATTEND YOUR OWN "DOWN" DAYS WITHOUT FALLING APART?? HARD? YES INDEED!! LIFE IS HARD. WONDEROUS—BUT HARD!

I get lots and lots of people telling me that "if you would just bring me there—" (wherever "there" is), or take me aboard (what are you going to do aboard my well-run, orderly ship when you can't change your breakfast bib?), and all will be apple pie and whipped cream. If you can't make it where you are—how think you I can use you in the middle of this operation? You can perhaps "BE" with God—you cannot sit and "BE" IN MY COMMAND. I may well whisper sweet things into your ears—but I am recognized as the most severe Commander in the Cosmos! I allow bitching, moaning, complaining and then, if the jobs aren't done—"please stand down." Your soul must be taken up with GOD—not a space-commander trying to do a physical job in the worst of worlds. I don't handle it well, readers. If some of you who have been with me for years now can't figure it out—then perhaps I have failed. But because some have done so—I think I might have done my job. Have you done yours? IF ALL YOU WANT IS YOUR OWN SELF-CENTERED DIRECTION—YOU ARE NOT THINKING ABOUT YOUR RELATIONS AND YOU ARE GOING TO BE MISERABLE! I CAN'T

## MY FELLOW AMERICANS:

**5/13/95:** The Senate is flexing its muscles again and interfering with private business and product liability. Government says that it is the voice of the people, and yet, it does not know how to tend its own store. When current government is on trial for usurpation of rights and treason, I doubt there will be any flexing of any muscles other than their vocal cords. Hell, that's all we have now!

*Dateline, NBC* is coming soon to interview me. While I have rejected the mainstream media requests for interviews, I will grant this one because I have seen a faint glimmer of some truth in some of their programs. I admit this program is classified by some as one of the "rags" of television and only what they do with my interview will determine if they are a viable news entity in my eyes. While my opinion is exactly that, mine, I have found that many people in this country share my views. Not one of them belongs to the KKK or "Skinheads".

Former President George Bush just quit the National Rifleman [sic] Association and is defending law enforcement officers of one agency or another. Who gives a shit what George Bush says!? To say the lives of those law enforcement officers have been threatened by patriots or sovereign state citizens, who demand that government follow the law, is making a stupid fool of himself. His statement merely demonstrates how far government and certain individuals will go to promote a One World Order. With the exception of truth being absolutely certain, the only other one that I know for sure is George Bush's retirement checks are about to end!

**5/14/95:** Government must bring down the rest of the building in Oklahoma City. The public safety is of secondary importance, as the government must make sure no further evidence can be found incriminating them. (A previous example of this tactic was demonstrated in the total destruction of the Davidian complex in Waco.) What you are being told by the investigating agencies will point the finger away from the original perpetrators. My fellow Americans, when are you going to demand truth? Isn't it enough that we have a cheap tin horn in the White House? Start demanding answers! How many more of our fellow citizens are you going to permit government to butcher?

Another way that your government deceives you, is with the Food and Drug Administration. For example, ulcers were proven two years ago to be caused by a micro-organism in your system. You simply remove the "bugs" and your ulcer is gone. The drug manufacturers, which are controlled by the FDA and are owned by doctors, make products like Roloids or Tums. These are big money-making items. It is very easy for one or more of the makers of those products to fill campaign coffers or give vacations to members of government. Senator Arlen Specter of Pennsylvania came right out and said his job was one of accommodation and coalition. You know, my fellow Americans, when government, or members of it, right out and say they "want their cut" and you permit them to get by with it, it makes you deserve anything you get.

**5/15/95:** Due to the horror of the bombing in Oklahoma City, there are details that we all tend to

overlook. One such detail is the daycare center where many children lost their lives. Several members of families who utilize that facility are part of the very agencies that are investigating this tragedy. Not one was present in the explosion! This information is a matter of public record. The only conclusion that can be drawn is the agencies investigating this occurrence had prior knowledge of it! My fellow Americans, when are you going to decide that the United States Government is responsible for the bombing in Oklahoma City?

**5/16/95:** Every faction of government keeps pointing fingers on the Oklahoma City bombing. The FBI is making arrests and still nothing is being said about government involvement. Their power is being used quite effectively and that is truly what our government has become. Not the servant of the people, but the all-powerful entity to enforce what it says, whether it is right or wrong! These people who are our government can only do what you allow and permit them to do. They are proceeding without your input on the formation of a World Government and thinking you are just going to sit back and not say anything. Tyranny can only exist if you permit it. The eroding of your rights can only exist if you permit it. The Oklahoma City bombing happened because you permitted it to happen.

**5/18/95:** This month, May, 1995, the following will occur: (1) 225 employees of the federal government will retire with an annual retirement of \$100,000 annual retirement pay; (2) 6,250 new sovereign state citizens will fall within the poverty category; (3) the new estimate by government of the homeless in this country is 5,400,00 and growing.

I want any sovereign state citizen to come forward and tell me the United States Government is for the people.

The truth is absolute and cannot be changed or denied. 1995 is the year that our nation is returned to a republic as a direct result of the spirit of freedom and the dedicated work of its patriotic citizens. The *Constitution* shall prevail for all of history!

**5/19/95:** As I have stated in many previous communications, the federal government always has a hidden agenda. In order for a gigantic entity such as our government to function, they must control a large portion of your money and make you believe you are controlling it. Case in point: Government is making block grants available to the states, suggesting that the states, with these large amounts of money, can be more effective with social programs. Over the years, with many of these programs, government has increased its band of people and has made them dependent on government. In other words, right now, many sovereign state citizens are depending on Social Security to eat, Medicare to cover health costs, and other programs which they could not get along without. This places these individuals in a position of being unable to survive without government. The rationale is: our money was contributed and the benefits are pay-back time. Each working person is now working to pay for one-and-a-half retirees. Soon that will be one on one (November 1995). After that the numbers go up where the ratio is less. My fellow Americans, the bubble has already burst. The government is just prolonging the announcement.

Several parts of the mainstream media have ap-

HELP THAT, FRIENDS—I CAN'T EVEN BEGIN TO BE HEARD, MUCH THE LESS HELP.

P.S.: If you can't write a book for a person who has already done the work on same—how think you I would put you to the task of writing the history of the universe? If you can't tend of self, how think you that you can tend billions of blind lambs? If someone else has to come along and redo the grammar, spelling, structure and thus and so—how think ye that your work HELPS? STOP it! We are worn out with mouths who tout offerings only to take our time and our substance for keeping (MAYBE) one more paper served.

I marvel at the numbers who show up and state: "I'm here now, support me, find me a place and I'll work—on my own time and in my own way. And, oh yes, sir, I am 'important' so I want a job in *management*." Say what? How dare you? You can live any confounded place the government will allow you to dwell and do anything you can get away with doing or not doing—until they close all the doors and the support stream. We are not a welfare point, a commune, a cult, a business—we are simply people DOING WHAT WE CAN. I have TERRIBLE NEWS: YOUR PROBLEMS ARE NOT MINE. THEY AREN'T EVEN GOD'S. THEY ARE YOURS!

I will continue to inform you to the best of our ability—the rest is up to you. I have ONE obligation to YOU: to allow you to grow and learn as you will. I certainly have no RIGHT to interfere with your growth OR YOUR BUSINESS. GOD'S HOST ARE CERTAINLY MORE THAN A BUNCH OF FLYING DISHES! I ATTEND MY RESPONSIBILITIES, WHICH ARE CONSIDERABLE AND, WHEN YOU ATTEND YOURS, WON'T THIS WORLD BLOSSOM IN GOODNESS? By the way, you who threaten suicide if I don't show you the way or make myself "known". So be it! It is your life, your death, and I don't accept threats. Get with responsibility for self and I will break my back to serve you; threaten me and I will applaud your silly antics and their consequences. How dare you think so little of our people that you would demand such attention to SELF? If you can't stand the fire in your little kitchen—STAY OUT OF MINE! WAKE UP!

## JAPANESE CULTS

There seems to be a lot of moaning and groaning about the circumstances of "Christianity" in groups in Japan. Spare me, chelas! If the facts be true, "that" group was preparing with materials, if not actually using same, for possibilities of "gassing", etc. BUT, THE IMPORTANT FACT IS THAT THE LEADER OF THAT GROUP SET HIMSELF UP AS THE RE-TURNED CHRIST! NO! IF YOU SET YOURSELF UP IN A LIE—YOU BECOME THE LIE. DO NOT ASK ME TO WHISK A SERVANT OF SATAN ANYWHERE! IS HE INNOCENT OF CHARGES? WHO KNOWS? HE IS GUILTY OF OTHER MORE IMPORTANT INDISCRETIONS.

plied to the prison system to interview me. I have rejected most, as it is their job to sell newspapers or television time. Further, each entity answers to the Council of Foreign Relations. An example of how the media works is on the reporting of the Brady Bill. None of the media explained that the law was non-positive. None of the media explained that the law only applied to the federal United States. None of the media explained that the Brady Bill was outside the jurisdiction of the United States Government, as it applied to the sovereign 50 states. Many of your problems, my fellow Americans, exist because you don't take time to find out that "federal law" does not apply to you. The Brady Bill does not apply to the United States of America; it only applies to the federal United States! You need to find out for yourselves what the difference is!

5/20/95: Well, the people of this country have been had again. The Supreme Court, which does not have Constitutional authority (that's right, neither the Camanetti Act nee Admiralty Law, nor the Judicial Act of 1789 were ratified by Congress) and the decision *Hubbard vs U.S.* said it was alright for the government to lie. My fellow Americans, how can you permit your government—your employees—not to be honest with you?

5/21/95: On May 25th, the Senate Subcommittee on Terrorism is holding a hearing, and it will be on C-Span. Invited to testify are several sovereign state citizens, who are exercising their right to be part of unorganized militias. The government will be in for quite a surprise when they find out these people are nothing more than freedom-loving people who obey even the unconstitutional laws and demand their government obey those same laws! Watch the hearing and encourage your friends and neighbors to do so. It will be pretty hard for the mainstream media to distort a live telecast, but you can rest assured, Bill (Hillbilly-Socialist) Clinton and his merry band of traitors will try.

Many government employees write me and ask what the future of this country will hold. While there are no absolutes other than Creator and Truth, there will be a point in time when all sovereign state citizens will have to decide between the *Constitution*, which is "freedom and liberty", or the alternative, the United States Government. You cannot have both!

5/22/95: The trade deficit is another joke that the government used to play with your mind. While this country does buy more products from, for example, Japan, than it does from certain areas or manufacturers in this country, it does so because Japan offers products that are needed. For government to try in any way to interfere in this process is nothing more than a way to express their stupidity. Government believes they must be in control of every facet of your life. As long as government continues to produce people like Bill Clinton and Newt Gingrich, our state of affairs and country will stay in shambles.

The developed nations and their energy credits mean nothing to the freedom and liberty of the citizens of this country. While it can be argued that all things interconnect, the *Constitution* is the supreme law of the land and it will be observed by all people in this country. If a One World Order is put in place, it will be at the hands of the people of this country—and neither Bill Clinton, Mikail Gorbachev, Ted Turner, the Trilateral Commission, the Bilderbergers, the United Nations, nor any other Socialistic meatball Khazarians will have a damn thing to say about it. How do you like me now, Mr. Schwartz?

# Russell Herman Tried His Best

5/20/95 #2 HATONN

MAY GOD HAVE MERCY

I am often asked, "How can you be patient with your own abusers?" I am not always patient with my abusers who lie, cheat and steal. I AM quite patient with ones such as "Grandma", Vina Herman, who simply responded as in the way she was prodded by the self-centered liars who set her up. "But why do you bother, now that she has gone her way?" She hasn't gone anywhere—she is living in the hell of trying to sort her nightmare and effort to maintain SANITY.

I am asking that the pictures of Russell Herman's body be shown here in this paper [see next page for pictures]. I would also like to tell you that the "DOCTORS" caring for Russell were part and parcel of "the system" who murdered him, and were Khazarian Mishpuckas. They did everything they knew to do to "make him give up secrets", banking codes, etc., even to CLONING HIM, hoping to pull out and download his brain. They literally tortured him and the only thing allowed him to eat was a spoonfull of mashed potatoes, a bit of applesauce and white noodles. If you think this doesn't (couldn't) happen anywhere, much the less in America—THINK AGAIN. This WAS in America! In addition to this PROOF of living death, you may as well get used to the fact that some Holocaust pictures touted as German war camps were pictures taken at "Eisenhower's Death Camps" at the close of the war AND some were taken of men in the CIVIL WAR, U.S.A.!

As you look at the pictures, say a prayer for yourselves—for there go you if the Elite have their way.

There is nothing I can add to the pictures except that you can only see them in copy black and white and you miss the "really" bad body sites where color is so much more vivid in saying more than any words could ever conjure or express. Yes, indeed, I believe we can be quite forgiving of any outbursts or anger "Grandma" may wish to express to us. When your loved husband has suffered at the hands of such as the CIA, etc., and someone comes along and tells you there is valid proof that Commander Hatonn is but CIA Intelligence garbage—WHAT WOULD YOU DO? Moreso—what have you done or said or thought? There isn't anything I know of that can be done about this other than whatever Vina is doing and, yet, she too has to survive—stripped, battered and badgered. This is the PAYBACK the "services" give you for "patriotic service", readers. They do this along with putting others in prison, such as Maholy, Snell, etc.

We will hear back from this run of CONTACT as to our "bad taste". What kind of TASTE did Russell have? We hear constantly about running all that "awful" stuff on Kelly Wilson, O'Briens, Snell's execution, etc. Well, readers, that is the name of the only intent we have with this paper and these journals. We present the truth in its own presentation—not cleaned up to disallow any reflection on the extent of your invasion, but in hopes you will LOOK AND SEE!

The handlers are doing the exact same thing to

(guilty until proven innocent [which will never be allowed to happen]) McVeigh of Oklahoma City fame. How long do you think he can last before they make him a "suicide" victim? Poor Russell was not even allowed

suicide although they did, in the end, murder him so that he could not "talk". I want to remind you of what we were told: the BIG HONCHOS, such as Bush, came right to Russell's bedside trying to "reason" with him about the Bank Accounts.

What do we here know about all this? Nothing! But then we DO have eyes to see the pictures! "They" never in God's world thought the body would ever be seen and, much the less, photographed. They actually blundered because they usually take these murder victims and incinerate (Holocaust) them before anyone can touch them. Ashes don't tell secrets of poison, torture, DNA biopsies, etc. Ashes don't show dislocated joints and skin bags after being "blown up" like balloons. Ponder this carefully, readers; this is the thanks offered to servants who handled the heavy responsibility of years of government Intelligence work. Do you think a gun would have saved this man? It didn't!

If I have a botheration with Mrs. Herman it is her unending efforts to try to GIVE money to the Clintons

Dear Readers, and Fellow Americans:

On this date, May 12, 1995, I did foreward on to the COMMANDER the PHOTOS of Russell Edward Herrmann/HERRMAN/Herrmann/HERMAN, for The Commander, and Rick Martin to allow you to know WHAT EXTENT this Government of the New One World Order will go, to get the FINANCES they need to CONTROL THE WORLD. (photos in the U.S. Mail)

Aside from WWII Europes CONCENTRATION/EXTERMINATION CAMPS at Auschwitz, Daccahu etc;, henious acts such as these have not existed, nor been allowed to exist under the GENEVA CONVENTION AGREEMENTS of and for HUMAN RIGHTS.

What happened to RUSSELL, can happen to any of you, who have some thing which is desired by these people. They have no consciousness of Evil, of Right or WRONG. They do as they dammed well please. Even in the United States of America.

I must warn you, the photographs are very explicit in their very nature, and most American EYES are not used to this sort of inhumane act against another fellow American, here in THE UNITED STATES OF AMERICAN under a CONSTITUTIONAL GOVERNMENT of the people, by the people and for the people.

For some unknown reason, when looking at these photographs, I begin to think, RUSSELL WAS CLONED, there is no other possible reason for these invasives and extractions in or on his body, that I can think of, as this is not normal for PREPRATION FOR BURIAL.

You must all be aware; Russell was still alive when these barbarious and henious acts were executed upon his person. Only the Lord knows what he must have thought while suffering this excruciating and painful death, giving his life, that WE MAY LIVE as FREE AMERICANS.

I must tell you, my fellow Americans, this could easily happen to any one of us under this form of government. From what is on the grape vine, 214 concentration camps exist in America right now, as do 2 crematoriums with a 3000 body capacity for each unit.

It is believed by me, Mrs. Russell Herman, that the Commander and Rick will agree, each of you should write and call your Senators and Congressmen, even your Governors for a FULL FORMAL FEDERAL CONGRESSIONAL INVESTIGATION INTO THIS "MURDER".

It will be left to the Commander to tell you what actually did happen to Russell, as he is far more experienced and knowledgeable than I in these matters. Also, I would appreciate RONN JACKSONS IMPUT.

God Bless America, and All FREE BORN AMERICANS

to cover the health care plan and, with "interest" on their certificates, pay the national debt and a few other things like revamping the education system. I don't know with whom I am most distressed, her for listening to the garbage brokers or, actually, her, for not seeming to be able to see the facts. This One World Government is not going to honor any debts or certificates—I don't care how valid. No, readers, there is no longer ANY HONOR among the thieves.

Russell Herman NEVER ceased trying to DO SOMETHING and finally simply had to GO. After so much battering, readers, the body is so painful to have—that freedom can only be gained by passage. Even after freezing the body it is (but you won't be able to tell without colored pictures) bright red all over. That means introduction of something terrible, for frozen dead bodies, readers, are grey-white and not in just little places here and there.

I think I will simply end this here for I believe it should be a separate notice.

Thank you.

Let us try to get through another segment of the *Dark Forces* material.

[QUOTING, PART 13:]

### ARCHITECTURAL MASONRY (Continuation)

In the interim, the Freemasons were busy as ever behind the scenes with their own dastardly intrigues. On October 16, 1646, the English antiquarian Elias Ashmole was made a Freemason at Warrington and then attended meetings at Mason's Hall in London. A Royalist in the Civil War, he later published an exhaustive history of the Order of the Garter. Ashmole was a close associate of Rabbi Solomon Frank, with whom he studied Hebrew. In fact, the Abbe Larudan in his book of that period, *Frans Macons Ecrasse*, attributed the origin of Jewish-controlled Masonry in England to Cromwell, in 1648, which was used to advance him to a position of supreme power. The mid-Seventeenth Century was also the period that a bloody Civil War broke out in France (1648-53) known as the Fronde, that the Jesuits created their subversive Guerinets (Illuminati) in Paris, and that the Jews of Amsterdam also fomented serious trouble in Poland. In Mullins' *New History of the Jews* (Pg. 84), we find the following details: In AD 1655, while the Jews were consolidating their power in England, they were also secretly aiding Charles X of Sweden's invasion of Poland, an invasion made successful because the Polish-Jewish leaders sent emissaries to the King's tent and gave him in-detail intelligence information on the Polish defenses. "After he conquered Poland, Charles X made the Jews high officials of his occupation government. So viciously did the Jews abuse their power that a Polish patriot, Stephen Czarniecki, led a revolt against the conquerors and drove Charles X from the country. No sooner had the Swedes gone than the Poles fell upon the Jews and massacred 300,000 of them in payment for their treachery." One wonders if this will one day happen in America, should the people ever awaken to the truth of their enslavement!

It was also during this exact same time that the Jews of Amsterdam set their sights on America as easy pickings, as well. Mullins reveals from his compendious sources that the first Jew to officially emigrate to America was Jacob Barsimson, who came over to New Amsterdam (later New York) in the year AD 1654. According to an extremely rare volume entitled *Americans of Jewish Descent*, compiled for private publication in 1960 by the Jewish New York scholar Malcolm H. Stern (only 550 copies printed), 1654 was the year that the "Jewish Mayflower" arrived in NYC loaded with wealthy Sephardic Jews from various places in Europe. This amazing book traces the ancestry of some 25,000 American Jews all the way back to the Sixteenth Century. Among the families listed were the Stevensons, the Goodwins, the DeLanceys, the Livingstons, the Lodges, the Tifanys, the Hopkins, and the Rockefellers (who had fled Spain for Turkey, and then moved to France, and finally America, having changed their family name from Roggenfeld). Prior to that there had been five "Maranoes" who came to Hispaniola with Columbus but never actually set foot on NORTH American soil. The next to follow Barsimson was the Dutch Jew Hayman Levy, who was soon joined by Nicholas Lowe and Joseph Simon—all traders in cheap goods to the Indians. (They may well have been with the Dutch West India Company.) But it was Lowe, we read, who conceived the idea of trading rum and whiskey to these peaceful Eastern Seaborad Indian tribes, and soon set up a distillery in Newport, Rhode Island—the very first in North America. "Within a short time there were 22 distilleries in Newport, all of them owned by Jews, manufacturing and distributing 'firewater'. The story of the debauching of the Indians with its resultant massacres of the early settlers, is a dramatic story in itself." In due time, says Mullins, Newport was also commonly referred to as "The Jewish Newport—World center of Slave Commerce". By the late 1600s, there were six Jewish communities: Newport, Charleston, New York, Philadelphia, Richmond and Savannah. But I digress.

After the Convention Parliament had restored Charles II to the throne in England, thus beginning the Commonwealth (with this man also becoming King of Scotland), his troubles with the Jews began as well, especially when they came back to England *en masse* during 1664 in a fleet of boats. For that very year, there broke out a Great Plague in London, a bubonic plague caused by the swarms of rats from their boats on the Thames. This terrible pestilence, which raged for over a year, killed more than 75,000 people,

and many fled the country to escape the problem. 1666 [H: Interesting date.] brought on the Great Fire of London, which burned from September 2nd to the 9th, destroying four-fifths of the city, including 13,000 houses, 84 churches, and also St. Paul's Cathedral, even the Guildhall, markets and wharves. Trouble, it seems, always comes in threes.

Unaccountably, in 1670 there was a secret treaty signed at Dover between this new British monarch and Louis XIV of France—to restore Catholicism to England! The French King, a flaming homosexual, ruled for fully 72 years (1643-1715) as a tyrannical dictator and persecutor of the Huguenots. Two years later, William III (of Orange) became the hereditary ruler of the Netherlands, with the approval and backing of the Jews therein, of course. And in 1686, James II began to appoint Roman Catholics to public office in England, which immediately stirred up both the Jews and the Freemasons to action against him. There then followed England's "glorious Revolution" of 1688, which, as Capt. Ramsay reveals in *The Nameless War*, "was financed by Jews, notably Solomon Medina, Suasso, Moses Machado and others". These wealthy private bankers, we find, "invited" William III of Orange to save England from Roman Catholicism, and upon his arrival James II again fled to France for refuge. The "Merry Monarch" was now out of a job.

Following in the considerable entourage of William III to London, writes Capt. Ramsay, was his chief financial backer and adviser, Solomon Medina, who eleven years later would be knighted by the King for his efforts. Another prime stooge of the wily Medinas, we find, was an early ancestor of a much later Prime Minister, for the: "chief figure amongst those who deserted [Charles II]... was John Churchill, first Duke of Marlborough. It is interesting to read in the *Jewish Encyclopedia* that this Duke for many years received not less than 6,000 Pounds a year from the Dutch Jew Solomon Medina." During the new constitutional monarchy of William of Orange, as for the past century and more, the office of Secretary of State would continue to be held by a carefully-selected Freemason and Intelligence officer. On May 18, 1691, there was then held a great convention of such Accepted Masons at St. Paul's Church, at which time Sir Christopher Wren was adopted as a brother.

Next in line, as we now read in detail in Mullins' *New History of the Jews*: "In the year 1694, William of Orange... needed money to pay his troops. He feared an attempt by the Stuarts to regain the throne, and he had to maintain a large standing army. His advisors sug-

gested that he confer with the merchants of London, many of whom were Jews, because they could afford to lend him the money. They were willing to lend William the money on one condition, that he allow them to issue bank notes against the indebtedness. Hardly understanding this unusual request, William agreed. Thus was born the first central bank of issue, and now the gentiles became enslaved by interest-bearing bank notes issued by the Jews. Although William did not realize it, the Jews had usurped the authority of the English Crown, with his permission. Sovereignty has always meant the authority to coin money and now the Jews [had] obtained this right for their Bank of England. Millions of gentiles have died violent deaths because William of Orange, not knowing what he was doing, issued the charter of the Bank of England to the Jews..."

**BIRTH OF YOUR USURY;**  
**THANK YOU, MOCATTA**

Established in the City of London, the Jews chose as their Governor for this new bank Sir John Boublon, and the Bank of "England" quickly became a money-laundering and transferring agency for the burgeoning DRUG TRADE of both the British East India Company (now also known as "the United Company of Merchants Trading to the Far Indies") and the Dutch East India Company. It also became a main focus of *funding* for the activities of both the Freemasons and British Intelligence who, with the Jewish leaders, were still working in league against the Roman Catholic Church. There was also a Portuguese-born Sephardic Jew named Moses Mocatta, who had entered England in 1671, and with establishment of the bank became its official gold bullion broker. He would then set up the international bullion firm of Mocatta & Goldsmid [H: Hummnn...], which is still with us today. (For 300 years now this firm, operating in tandem with a small group of British-Jew bankers, *has arbitrarily "fixed" the price of gold as a standard for world trade.* Its partners today include—N.M. Rothschild & Sons Ltd., Samuel Montague & Co. Ltd., Sharps Pixley Ltd., and Johnson Matthey Bankers Ltd.) By their "terrible power of the purse", these powerful bankers have controlled the very lifeblood of England since that very day, like vampires sucking on the necks of their helpless victims. As further confirmation of this, Capt. Ramsay tells us that with the creation of this bank there was also instituted a National Debt, "securing for the Jew moneylenders a first charge on the *taxes* of England for *interest* on their loans." Sound familiar? It should. For this very thing was to happen in America less than 100 years later.

Today, in England, there exists an exclusive Order of the Knights of Orange-Nassau, created during this period, a very secretive organization commemorating the Jewish-financed invasion and take-over of England by William, Count of Nassau, and the subsequent establishment of the Bank of "England", which confers the title of Officer of the Cross [Mithraic?] on leftwing Fabian Socialist types and other such fellow travelers (one such modern recipient of this dubious honor having been "Dr." Morris Fishbein, the radical Jewish, Rockefeller-backed quack who, in 1913, took over the American Medical Association).

S.W. Baron, in his informative book, *The Great Ideas of the Jewish People*, says on page 319 that, "as early as 1697, the London Stock Exchange, soon to become the world's leading bourse, reserved permanently for Jews twelve of its 124 seats." And those one dozen stock brokers were backed by unlimited *funding* from The City of London, but to say that they used that money to its full potential would merely be stating the obvious.

Regarding Freemasonry during this period, in Nesta Webster's 1924 classic, *Secret Societies and Subversive Movements* (page 126), we read: "In the matter of the Stuarts we are on firm ground with regard to Freemasonry. That the lodges at the end of the seventeenth century were Royalist is certain, and there seems

good reason to believe that, when the revolution of 1688 divided the Royalist cause, the Jacobites who fled to France with James II took Freemasonry with them. With the help of the French they established lodges in which, it is said, Masonic rites and symbols were used to promote the cause of the Stuarts. Thus the land of promise signified Great Britain, Jerusalem stood for London, and the murder of Hiram, represented the execution of Charles I. Meanwhile, Freemasonry in England did not continue to adhere to the Stuart cause as it had done under the aegis of Elias Ashmole, and by 1717 is said to have become Hanoverian."

In the year 1701, the Act of Settlement established the German Protestant Hanoverian succession in Britain, followed very shortly by the death in exile of the deposed James II. This same year, with total financial power now firmly in their grip, the Jewish invaders instituted their Bevis Marks Synagogue in The City of London. The following year, upon the death of William II, Anne became the Queen of both England and Scotland. Elsewhere, to the east, the year 1703 brought the Hungarian revolt against Austria, led by the Kabbalistic Jew, *Francis II Rakoczi*. Then in 1714, and completely without precedent, George I, the son of the late German Guelphic Duke Ernest Augustus, elector of Hanover, became King of Great Britain and Ireland (to reign supreme for the next thirteen years).

### JUNE 24TH: WATCH OUT

There next occurred one of the most important events in English Freemasonic history. King George I, heir to the 600-year old Black Nobility, officially legitimized the hitherto secret society of the Freemasonic Order, and as Nesta Webster goes on to explain, in 1716, four old London lodges met together at the Apple Tree Tavern, "and having put into the chair the oldest Master Mason (now the Master of a lodge), they constituted themselves a Grand Lodge, *pro tempore*, in due form." (This Quator Coronati Lodge was named in honor of "The Four Crowned martyrs" of the College of Architects in Rome, wrote Manley Palmer Hall, during the reign of the Emperor Diocletian, who had been tortured to death on his orders.) On June 24 of the next year, said Webster, "the annual assembly and banquet were held at the Goose and Gridiron in St. Paul's Churchyard, when Mr. Anthony Sayer was elected Grand Master and invested with all the badges of office." It is important to note at this point, as we find from several other sources, that June 24, in ancient Babylon, was regarded as being sacred to the ancient fish god Oannes, a name by which Nimrod was known. This same date, specifically chosen by the Freemasons

in 1717, had years earlier been celebrated by the Druids with blazing fires in honor of *their* God, and it is still celebrated as the *Midsummer Sabbat of Satanism and Witchcraft!* [H: This is very serious, readers, especially THIS YEAR (1995). You will also find that the "sign of the fish" you consider to be Christian—was representative of THIS SIGN OF THE GOD OF OANNES/NIMROD. Look, readers, I, nor our researchers, made up this information. This is FACT—you just go on believing in the LIES and see how much further into disaster you can go. There still remains a little way yet—but you push it, don't you?] The Catholics, however, would label June 24 as St. John the Baptist's Day on their calendar.

[END QUOTING OF PART 13]

Some of you seem to think we simply delight in dropping bombs on you and spoiling your lazy days of ignorance and misperceptions. I can't help it, readers—this is MY JOB. I repeat and repeat and repeat: You don't have to do a confounded thing with truth—but when you come to pushing me and mine around because you don't like what you hear and see—watch out, the next bone-crunching sounds you hear may well be your own neck—right after your destruction of BACKBONE!

Salu for one more session. Thank you.

[QUOTING, PART 14:]

### ARCHITECTURAL MASONRY (Continued)

Among the British founders of this Grand Lodge, as honored by King George I, were such "Protestants" as Sir Christopher Wren, Dr. John Theophilius Desaguliers, Dr. James Anderson and George Payne. Also involved were wealthy individuals connected to both British Intelligence and the Bank of England. And as the Jewish writer of the last century, Bernard Lazare, admitted in his history of the trials and tribulations of this race, *L'Antisémitisme* (Page 339), "there were Jews around the cradle of Freemasonry." This is confirmed by Nesta Webster in her book on secret societies, who stated: "Thus it is said that the preceding century, the coat-of-arms now used by the Grand Lodge had been designed by the Amsterdam Jew, Jacob Jehuda Templo, colleague of Cromwell's friend the Cabalist, Manasseh ben Israel, according to the *Jewish Encyclopedia*. This coat is entirely composed of Jewish sym-

bols, according to Lucien Wolf's *Translations of the Jewish Historical Society of England* (Vol. II, P. 156...)" As if that weren't proof enough, in his curiously-titled 1722 manuscript, *Long Livers*, which he dedicated to the Grand Lodge at London, author Robert Sambers tells of a mysterious "Illumination", and of an equally "mysterious hierarchy" working through the higher grades of Masonry, the secret esoteric language used being that of a kabbalistic alchemical code. Furthermore, as revealed by the French author Léon de Poncins in his important 1928 work, *The Secret Power Behind Revolution*, Freemasonry originated in England where "the Judaising Cabalists" grafted it onto the old Corporations of Mason-workers from the dark primordial days of King Solomon. They introduced it everywhere throughout Europe over the next three decades. In the book, *Secret Societies and Subversive Movements*, we also read: "The foundation of [the] Grand Lodge in London had been followed by the inauguration of Masonic Lodges on the Continent—in 1721 at Mons, in 1725 in Paris, in 1728 at Madrid, in 1731 at The Hague, in 1733 at Hamburg..." But, says this author, the Grand Lodge in Paris "did not receive a warrant till 1743". And the men who founded this lodge, "far from being non-political, were Jacobite leaders engaged in active schemes for the restoration of the Stuart dynasty." The leader of this latter group, we find, was Charles Radcliffe, who: "had been imprisoned with his brother, the ill-fated Lord Derwentwater who was executed on Tower Hill [in England] in 1716. Charles had succeeded in escaping from Newgate and made his way to France, where he assumed the title of Lord Derwentwater [himself]... It was this Lord Derwentwater—afterwards executed for taking part in the 1745 rebellion—who with several other Jacobites is said to have founded the Grand Lodge of Paris in 1725, and himself to have become Grand Master."

Thus we have the strange situation of the London Freemasons, whose patron was the King of England, authorizing the creation of an offshoot lodge across the Channel in the country which gave refuge to their supposed Jacobite enemies who were efforting to overthrow King George II. Therefore, while the English Freemasons were seeking to undermine the French aristocracy, the French Freemasons were planning the same thing against England. In each case, the Intelligence services of both countries provided the necessary input to aid these conspirators in their causes.

### BASIS OF FREEMASONRY

Just for the record, all of Freemasonry is based on

# *CONTACT: The Phoenix Project*

*CONTACT* is a unique and inspired newspaper for concerned citizens everywhere, though it particularly focuses on the United States because of this country's special mission in the affairs of the world. That is, "As goes the United States, so goes the world."

*CONTACT* is a vehicle for Commander Gyeorgos Ceres Hatonn's most recent writings on important current affairs, plus those from other enlightening sources, on matters critical to a responsible and informed public at this time of planetary transition and final days of battle between the Forces of Light and the "Evil Empire" forces of darkness.

*CONTACT* exists to counteract the manipulating lies and clever half-truths put out (on purpose) by the regular print and broadcast media prostitutes of the Satanic Elite controllers—parasites who are in the process of economically, physically, and spiritually collapsing this once great country (and actually the entire planet) down to a slave-state level of existence under their diabolical control plan called The New World Order.

This newspaper, *CONTACT*, began life on March 30, 1993, risen, like the mythical bird, with great determination "up from the ashes" of its internationally acclaimed predecessor called *THE PHOENIX LIBERATOR*.

*THE PHOENIX LIBERATOR*, in turn, began life in mid-October of 1991, having evolved from an earlier newsletter called the *PHOENIX JOURNAL EXPRESS*, which itself came into existence as a faster way to get THE TRUTH out to you readers than was possible with the more substantial "book" format of the *PHOENIX JOURNALS*. Much incredible ground has been covered so far in that mission.

While the *PHOENIX LIBERATOR*'s motto reminded all that "The Truth Will Set You Free", the *CONTACT*'s motto, displayed prominently in the masthead, takes that thought another important step forward and proclaims: "Ye Shall Know The Truth And The Truth Shall Make You Mad!"

The "Phoenix Project" is about those preparations needed—at body, mind and soul levels—to both understand and survive the great healing changes which are beginning to energize this beautiful little planet, now so frazzled and tortured from abuses of all kinds. We look forward, with great expectations, to the *CONTACTing* with all of you—a coming together that is rapidly taking place as the entire Phoenix Project "ground crew" continues to connect, solidify, and gain strength through becoming informed of THE TRUTH. Indeed, welcome aboard, friends!

the structure of King Solomon's Temple as well as the Judaized Kaballah motif of the Tree of Life. Their modern temples are all aligned due East and West (as are all pagan structures in ancient Egypt). They hold in special veneration the two stone pillars that stood on the porch before Solomon's Temple: the *left* pillar being known as BOAZ, placed on the sinister side as a symbol for the Moon—representing SATAN, and the *right* pillar as a symbol for the Sun—representing LUCIFER. Contrary to what you may have been led to believe, these two demonic entities are NOT one and the same. They are not actually enemies but RIVALS in the age-old battle for total subjugation and control of a planet Earth. [H: Hold this in your hearts and you may be able to begin to figure out who is doing what to whom! Who would "I" rather see in charge? Well, on an individual survival basis—Lucifer, for Lucifer doesn't bring pain and suffering unless you get out of line. Satanists are insanely evil in all aspects of "life". There is a major overlapping but what you have now is a play-off as to who gets to be what to whom.] The first three degrees of Masonry, as practiced by the Grand Lodge, are known to these people as Craft (or Blue) Masonry—that is to say, Entered Apprentice, Fellow Craft and Master Mason. As Nesta Webster then explained: "On this foundation were erected, somewhere between 1740 and 1743, the degree of the Royal Arch [of Solomon—13°] and the first of the series of upper degrees now known as the Scottish Rite or as the Ancient and Accepted Rite... The R.A. degree, which is said... to be contained in embryo in the 1723 Book of Constitutions, is purely Judaic—a glorification of Israel and commemorating the building of the second Temple. On October 8, 1990 the Masonic cornerstones were secretly laid on Temple Mount in the Marxist State of Israel for the Antichrist Zionist-Khazar Temple of Solomon III, as overseen by the New Temple Builders' Association (or Temple Mount Foundation). Coordinated by the British Freemasonic Quatuor Coronati Lodge of London, this prophetic date marks the beginning of the 'Trampling down of the Sanctuary' of Bible prophecy. That it was derived from the Jewish *Cabala* [Kaballah] seems probable, and Yarker, commenting [in his book, *The Arcane Schools*, stated that]... 'the Royal Arch degree, when it had the Three Veils, must have been the work, even if by instruction, of a Cabalistic Jew about 1740, and from this time we may expect to find a secret tradition grafted upon Anderson's system.'"

Speaking of the Jews, in 1723 King George I (who

died four years later) officially acknowledged them as full-fledged British subjects. This came just short of a century after these foreign invaders had selected Cromwell as their agent to help them in their plot to re-enter and subvert England. Seven years later, following the coronation of George II, there was established at Philadelphia another branch of the Mother Grand Lodge of London, the first such Lodge of Free & Accepted Masons in the New World. This occurred shortly after the war between Great Britain and Spain. 1773, as earlier mentioned, saw the formation in Germany of a closer branch of the English lodge (one which would grow larger, grander and more politically powerful until exactly 200 years later when Hitler, now Chancellor, would order it forcibly closed, and all Jewish Freemasons driven from the country). In the meantime, the French had already formed their own such branch, the Grand Loge Nationale. In fact, the Chevalier de Malet, tracing the history of this particular Paris-based lodge in his 1817 volume, *Recherches politiques et historiques*, confirmed our own earlier research that the true origin of the "Free Masons" began shortly after the execution of Jacques de Molay (whom he further identifies as Jacobus Burgundus Molay).

### NEW WORLD LODGES & JEWISH SLAVE TRADE

Turning now to Mullins' *New History of the Jews*, we are informed that in the year 1749, the first Jewish Masonic Lodge in the New World was created, at New York. But it was not for just any Jews, only those of prominence, with wealth and position. Nevertheless, at least 10% of its membership (oddly enough) were non-Jews, said Mullins. At this very time the Portuguese Jew, Aaron Lopez, was the single largest dealer in America of Black slaves from the jungles of Africa. In fact, reveals this author, by 1750 one-sixth of the population of New York City was made up of such unfortunate slaves. During this period, of 128 slave ships unloading at Charleston, S.C., within just one year, 120 were actually undersigned by the Jews from Newport and Charleston. Meanwhile, according to Josef Kastein in his *History And Destiny Of The Jew* (Pg. 377), but on the other side of the Atlantic again, "In 1750 the stock exchanges of both Amsterdam and London were controlled by the Jews." (Surprise!) Kastein, by the way, is a Jewish author, so this cannot be ascribed to the babbling of a wild-eyed "anti-Semite".

The Juggernaut was beginning to roll faster and faster now as more and more secret societies were formed in England and all over Europe, and more and more conspirators entered the fold. But one of the most bizarre of this period was the one formed in 1741 as the Friars of St. Francis of Wycombe, or the Hell-Fire Club. Quietly set up on the estate of Sir Francis Dashwood, 15th Baron le Despencer, this British secret society was made up of Satanists and homosexuals who usually held their rituals and orgies in a grotesquely appointed underground grotto. They are also known to have met on summer nights in the ruins of Medmenham Abbey, to indulge in obscene parodies upon Roman Catholic ritual. Among its wealthy and prominent ringleaders were not only King George II (of the Guelphic House of Hanover) and the Lord Mayor of the City of London; but the first Lord of the Admiralty, John Montagu (Lord Sandwich); John Wilkes (MP); and George Bubb Dodington (Baron Melcombe), a Lord of the Treasury. Its mad and profligate founder, Dashwood, was Chancellor of the Exchequer and then Joint Postmaster General of England. With Dashwood's demise in 1781, this club ceased to exist.

Continuing on with this chronological outline of conspiracy, across the English Channel to the east, in Germany again, yet another of those foreign lodges being founded was the New Templar Order, under the name Strict Observance. It was set up in 1751 by the Baron von Hundt, as a purely German association composed of gentlemen drawn entirely from the intellectual and aristocratic classes. As Nesta Webster reveals, among its members was Prince Charles of Hesse, a powerful and extremely wealthy German ruler who also just happened to be a higher initiate of the Amis Réunis Lodge of French Illuminism. We will come upon the important name of Hesse again in short order, so please keep it in mind. Also please keep in mind the fact that all of these far-flung Masonic lodges were in constant touch with one another, usually by Kabbalistically-coded ciphers, hand-delivered by trusted messengers. Why all the secrecy? Because another revolution was in the offing, this one in France. [H: Still think there isn't a "revolution" festering in the U.S.A.? Well, the sad thing is that "the people" no longer even have a fighting chance against the power of the controllers.]

The Socialist philosophy behind revolution and Communism, in fact, can be easily traced by the concerned student of The Conspiracy back to the discourses of Plato and Pythagoras in ancient Greece, then forward to Frederick II in Germany, and onward to Sir Thomas More (1478-1535) in England. From there we have merely to scan the scribblings of Francois Marie Arouet (1694-1778)—better known as Voltaire—a French radical who had been educated by the Jesuits as a youth. [H: Here, you should come to know that Voltaire is the very one who had HIS MISTRESS translate Newton's *Principia Mathematica*. Small world isn't it? What do you suppose a whore knows about the scientific principles of mathematics and science? About the same as the clerks knew about Biblical truth from King James?] We then follow this revolutionary thoughtstream to Jean Jacque Rousseau (1712-1778) and Gabriel Bonnet du Mably (1709-1785). Significantly, Voltaire and Rousseau were Freemasons!

By now, France was beginning to stir with revolutionary anti-Catholic fervor, but just below the surface calm. Nesta Webster continues in her chapter on "The Grand Lodge Era" as follows: "In France, occultism, reduced to a system, adopted the outer forms of Masonry as a cover to the propagation of its doctrines. It was in 1754 that Martines de Pasqually (or Paschalis)... founded his Order of E'lus Cohens (Elected Priests), later known as Martinistes or the French Illuminés. Although brought up in the Christian faith, Pasqually has been frequently described as a Jew. His disciples, in fact, inherited from him a large number of Jewish

"Another thing, General Washington, if you were the first President, you wouldn't be able to say you inherited your problems from somebody else."

Manuscripts." Elsewhere, in A.E. Waite's century-old book, *The Secret Tradition in Freemasonry* (Vol. II, Pg. 175), we read: "The ceremonial magic of Pasqually followed that type which I connect with the debased Kabbalism of Jewry." Waite had himself been a top occultist in England and was thus well versed in this arcane subject. But to nail the lid shut on Pasqually's coffin, we have but to also read *Les Illuminés de Bavière et la Franc-Maçonnerie Allemande* (1914), by R. le Forestier, who tells us that the Order of Elus Coens (Elect Coens) of the Eighteenth Century were a subversive order founded by Pasqually, "said to be a Portuguese Jew", and that it operated within Freemasonry at the upper levels! The name Coen, as given by Pasqually to his devoted followers, "is an adaptation of the Hebrew term *Cohanim*, which designated the highest sacerdotal caste, constituted at Jerusalem, under Solomon, to assure divine service in the Temple... The Coens thus claimed to be heirs and depositories of the secret Jewish tradition." [H: Tell you something about the Cohans? Ouch!] They also used the Judaized Kaballah as their devilish guidebook in all such matters, as well as the terrible Rites of Mithras for their secret initiations. This radical Jewish cult, also known then as **Martinist Illuminism**, was grafted onto and propagated within the higher grades among the Masonic Lodges of France by Pasqually. Later on, all their higher initiates were among the leading firebrands in the horrible and bloody French Revolution to come.

The year 1754 seems to have been an important year on the Timetable of the Conspiracy for as we read in Manley Palmer Hall's *Masonic Orders of Fraternity*: "The Rite of Perfection, or Rite of Heredom, was established by the Chevalier de Bonneville in the College of Jesuits of Clermont in Paris, in 1754... [It] consisted of 25 degrees... [which] reappear in the Ancient and Accepted Scottish Rite... which also passed into the Rite of Strict Observance, [and] held that Freemasonry was derived from Templarism and that consequently every Freemason was a Knights Templar." Hall further states that: "in 1754, Carl Gottthelf von Hund, claiming authority from Superiors Incognito (Unknown Supervisors), established the Rite of Strict Observance," having been "initiated into the mysteries of Freemasonry in the Lodge of the Three Thistles at Frankfort-on-the-Main, probably in 1742. First, he was initiated as a Knights Templar in 1743; second, at the same time he received the appointment of a Provincial Grand Master with ample powers to propagate the Order in Germany." Hall, by the way, has nothing but praise for all these conspirators in his many works.

Let us take a break please, as there are many things needing attention today. Thank you.

### ARCHITECTURAL MASONRY (Continuation)

[QUOTING, PART 15:]

As mentioned briefly, Freemasonry spread far and wide during this incredible century from its home base in London, and by 1760 it was also firmly established in Czarist Russia, having been brought there from Scotland and England. We will have more to say on *this* branch in due course, but it was in that year that the

abominable **George III**, grandson of George II, would take the throne as King of Great Britain, and then reign as an arrogant and despotic sovereign for the next 60 years. Three years later, the Treaty of Paris ended the 7-Years War among Britain, France and Spain, and Britain gained control of Canada and virtually all lands in America east of the Mississippi. There followed the infamous Stamp Act of 1765, passed by the Townsend Acts, which also taxed various imports into North America. Thus actually began the root cause of the American Revolution.

### JOSEPH SMITH

In 1769, the by now very wealthy Jewish Sephardim leaders in America created their second Freemasonic enterprise, the **King David Lodge**. At that time the chief Kabbalistic spokesman for all Jewish Freemasons in North America was one **Moses Seixas** (a man who twenty years later would approach President George Washington with a petition demanding that *their* civil rights be considered in the new Colonial Government;

by the prolific British patriot, Nesta H. Webster, in her superb 1921 classic (published in London), *World Revolution: The Plot Against Civilization*, its Grand Master was the wealthy Duc le Chartres (later Philippe E'galité), for this was "an undeniably subversive body, and by a coalition with the Grand Chapter in 1786 acquired a far more dangerous character." Two years later there came to the throne of France the much more tolerant Louis XVI with his lovely young Queen, Antoinette, a very charitable lady who went out of her way to help the people of her country. Nevertheless, fate had marked them for a grisly death at the hands of the Freemasons and their fellow conspirators. Also in 1774, the British Parliament passed further repressive acts against the American colonies, causing the First Continental Congress to meet at Philadelphia to protest. The following year, the War of American Independence began, led by Gen. George Washington and a host of Christian patriots.

While the British Aristocracy was beginning to have its problems in the Colonies due to its overbearing antics, their German cousins to the east were then unknowingly beginning to have their *own* problems, but of a completely sinister nature. For in Bavaria, on May 1, 1776, a radical 28-year-old Jewish professor of Canon law at the Jesuit-run University of Ingolstadt named **Jean Adam Weishaupt** (whose father had also been a professor there), quietly initiated the soon-to-be infamous—secret Order of the **Illuminati**. Interestingly, says Nesta Webster, "A German sect of this name professing Satanism, with which Weishaupt's Order may have been connected, existed in the Fifteenth Century." As we have seen, the Jesuits *themselves* had two earlier orders by that same name. In fact, any real study of occultism (as I have done since 1953) will readily show that the words "Illuminati" and "Illuminism" have been used by many such groups, all the way back to ancient Persia. Nevertheless, the stated purpose of Weishaupt's Illuminati was to destroy all religions and overthrow all Monarchies, by any and all means possible. He and his well-born members were not just atheistic, they were **antitheistic**, that is, they had declared **WAR on God!** Although raised in his youth by Jesuits, Weishaupt later turned against them totally (or so we are told). Born February 6, 1748, this Socialist lawyer would then take on the nom de guerre of "Spartacus" (the Roman slave who had, from 73 to 71 BC, led an unsuccessful slave insurrection). As we are assured by Manley Palmer Hall in his occult study, *Masonic Orders of Freemasonry*, "the Order followed exactly in the footsteps of the Knights Templar," and it was only a *part* of a much larger world movement. Furthermore, as pointed out by James Billington in his work, *Fire in the Minds of Men*, this Illuminati used geometric forms as symbols [as had the Templars]

many years after that, a grandson of this same Jew named **Joshua Seixas** would become the Kabbalistic instructor of a young man NAMED **JOSEPH SMITH JR.**, and thereby greatly influence the totally Zionist nature of this man's new church). In *those* days, fully 99.7% of the population in the American colonies was made up of White Christians.

Following this, there was also formed the Lodge of **Strict Observance**, but at Paris, in the year 1772. Also known as the **Grand Orient**, its members would go on to become perhaps the most murderous of all conspirators in France. (Formed on December 23rd during the **Winter Solstice**.) Described in considerable detail

and their communications were based on interconnected 3-person Triangular structures.

But several years before the official formation of the Illuminati, after Weishaupt had taken a violent dislike to Roman Catholicism (molested perhaps?), it is said that he was indoctrinated into the Left Hand Path of the Black Occult, primarily that of the evil doctrines of the **Amun Priesthood of Egypt**, by a mysterious occultist known only as **Kolmer**, who traveled Europe during 1771 in search of adepts. Kolmer may well have been the alias for the Black Occultist, **Altotas**, said to have been an Armenian initiate who studied his dark craft in Egypt, Syria and Persia, and was an agent of an

Ismaili secret society such as the Assassins. His ideas were founded on Manichaeism, which also made use of the word—"Illuminati"—during the Third Century AD. Having even earlier been a wide-eyed protégé of his strange godfather, Baron Ickstatt, and as a result having been influenced by the secret and subversive Cult of the Pythagoreans, Adam Weishaupt was ripe for recruitment into the World Revolution when two members of the Paris-based Lodge of Strict Observance initiated him into the "Higher Mysteries". These were the wealthy and influential German corrupters, Baron Adolf von Knigge, privy councilor of Saxe-Weimar, and Johann Joachim Christoph Bode, both of whom were Freemasons. It is said that Weishaupt then spent the next five years thinking about, and working out, all the details of his forthcoming Illuminati Order. Manley Palmer Hall, a great admirer of Weishaupt, then reveals that in 1777: "Weishaupt became a member of the Society of Freemasons and he was initiated into the Lodge Theodore of Good Counsel, at Munich. The Lodge was virtually absorbed into the Illuminist Order almost immediately." In a rather short period of time, the Illuminati had attracted some 2,000 members to their banners, primarily men of wealth and position in Society. As Hall confirms: "A considerable percentage of the Brothers were men of consequence, including reigning princes, noblemen, prominent educators, scientists, and men of letters. Most of these intellectuals were addicted, at least in private, to the opinions so eloquently espoused by Rousseau and Voltaire." And so it is to this very day, for the Illuminati is now running the world, in league with those equally devious organizations which I have already mentioned—as well as those I will mention shortly. Yet Adam Weishaupt, although now given almost full credit for having started the World Revolution by most Conservative writers, in reality, as we have seen, was but a Johnnie-come-lately.

The year 1778 saw France enter the fray against Great Britain on the side of George Washington and his Colonial Army, as well as joining the war against Britain in its War of the Bavarian Succession. This immediately galvanized British Intelligence into dividing its considerable forces between spying on the Americans in the Colonies and on its longtime protagonist, France. To do this, it enlisted the aid of its Freemasonic allies in both areas. Two years later, even the Christian Russian Czar came to the aid of the Americans in a powerful naval blockade against Britain. Which brings us back to the subject of Russian masonry. As revealed in the July 1962 issue of *The New Age*, the official magazine of the Scottish Rite of Freemasonry:

"Until 1763 Masonry made but little progress in the country where the Empress Catherine II declared herself the protectress of the Fraternity." In 1771, "a warrant was issued by the Grand Lodge of England for the formation of a Lodge in St. Petersburg. For a while

Masonry flourished and was patronized by the nobility, and the Emperor, Peter III, acted as [Grand] master.... In 1783 a National Grand Lodge was organized, but the opposition of the Russian Orthodox Church and the state was so strong that open meetings were dispensed with

GEORGE WASHINGTON

and all communications were held in the most secret manner."

This was also the period of the notorious dealings of Mayer Amschel Bauer [H: As in aspirin?!], in Germany, which figured mightily in all the intrigues and double-dealing during the later years of the Eighteenth Century, as we shall soon see. As detailed in the highly laudatory 1928 book by Count Egon Caesar Corti entitled, *The Rise of the House of Rothschild*, this Ashkenazim-Jewish entrepreneur was born in Frankfurt-on-the-Main in 1744, and as a boy of ten he was "employed by his father in changing coins of every kind..." His father was a prominent banker, and the Bauer family lived in the house in the Jewish ghetto upon which was affixed a small red shield (from whence the later name of Rothschild came into being). After leaving school at Furth, where young Bauer received training as a Rabbi, he entered the firm of Oppenheimer at Hanover, where he soon made the acquaintance of the Hanoverian General von Estorff, an ardent coin collector. This man was connected with the House of Hesse, part of the Black Nobility of the German Guelphic Dynasty—from which the earlier-mentioned Prince of Hesse had his origins (and became a member of the French Illuminati during the early 1750s). Through General von Estorff, we find, young Bauer

was introduced to Prince William of Hesse, the grandson of the old Landgrave William VIII, who resided at Hesse. This Prince was the son of Frederick II of Hesse, who had married a daughter of King George III of England (another member of the same House of Hanover). And Frederick II, as we learn from other sources, was the patron of the first Freemasonic Lodge at Hamburg, established in 1733! He was also known as Frederick the Great (1712-1786), as King of Prussia he invited Voltaire to live at his court in 1750, and eleven years later this king was acknowledged as head of the Scottish Rite as well as head of the Knights Templars. He was almost a reincarnation of his namesake of the Thirteenth Century. Through constant intermarriage, the House of Hesse became part of the Black Nobility of the House of Hanover.

"The relations of the ruling House of Hess with England and Denmark," writes Corti, "were to be fraught with the most important consequences for the rise of the House of Rothschild." But before this, the old Landgrave William VIII died and Frederick assumed the government at Cassel, while William became Crown Prince. Mayer Amschel Bauer was then but sixteen. It was three years later that Bauer was actually introduced to the Prince, who had himself taken up coin collecting. Through this important channel, we read, on September 21, 1769, the now twenty-five-year old Bauer became "Crown Agent to the Principality of Hesse-Hanau". Corti described this clever young Jewish coin dealer as having been tall, a "pronounced Hebraic type" with a "small pointed black beard". Almost a year later, he married the daughter of Wolf Solomon Schnapper. Furthermore, as Corti reveals, Bauer was also in close touch with Goethe's patron, Duke Karl August of Weimar—(a member of the Bavarian Illuminati!) By this time, as many Jews have done since, Bauer changed his last name—to Rothschild—a name to be reckoned with.

#### RING AROUND THE ROTHIES

From Corti we also learn that Landgrave Frederick had transferred 12,000 of his Hessians to England during its war against the Colonials in America, "and amassed an enormous fortune in the process", in the same way "William sold to England in 1776 the small Hanau regiment..." During all this rent-a-troop business, Rothschild was firmly ensconced in a key position to reap his share of the profits, as the close friend of the Prince's Treasury official, Carl Frederick Buderus [with whom Rothschild had entered into a conspiracy to use the Prince's millions for their own personal gain]. Turning now to another source for further light on this subject, in Mullins' *New History of the Jews* (Pgs. 125-126) we read that:

"A Jewish moneylender named Montefiore suggested to King George that the Germans had plenty of good soldiers for hire; as usual, the Jews were active as flesh-peddlers. Montefiore ascertained from a German Jew, Mayer Rothschild, that the Elector of Hesse

had fifteen thousand [?] firstline troops whom he would send to King George for twenty million dollars. King George borrowed the twenty million dollars from Montefiore, and the money was sent to the Elector of Hesse. The Elector dispatched the mercenary troops to America to crush the rebellion, and he handed the money over to his court banker, Mayer Amschel Rothschild for safekeeping. Rothschild sent the money back to Montefiore for reinvestment, and within a month, Montefiore had another twenty millions available for loan, although it was the same twenty millions he had before, and which King George now owed him, and which belonged to the Elector of Hesse... The money was lent out several times during the next ten years, and Rothschild returned the money, with interest, to the Elector; but the delighted ruler insisted that Rothschild continue to handle it for him, thus the basis of the Rothschild fortune was the sale of troops to crush the American people, and the Rothschilds have been profiting from their attempts to crush us ever since."

The Montefiore family spoken of here had come to

ALEXANDER HAMILTON

England from Italy in 1744, the year of Rothschild's birth, and his two sons later married into the Mocatta family, the gold bullion dealers for the Bank of England. Almost a century later, a wealthy Jew named Levi Barent Cohen, who had moved from Amsterdam in 1770, would marry his daughters with the English Rothschilds, Montefiores and Samuels. All of these early Jewish families who came to England at the time of Cromwell and thereafter referred to themselves as "The Cousinhood", and became immensely wealthy in this new land of milk and honey.

### COLONIAL INTELLIGENCE SERVICE

It was during the American Revolutionary War against Great Britain and the bloated King George III that there began the evolution of a Colonial Intelligence Service, commanded by Gen. George Washington. As briefly outlined in *The Craft of Intelligence*, Dulles reveals that it was after the capture and execution of the volunteer and amateur spy, Nathan Hale, that "Washington decided to organize a secret intelligence bureau and chose as one of its chiefs Major Benjamin Tallmadge... his close collaborator was a certain Robert Townsend. Townsend directed one of the most fruitful and complex espionage chains that

existed on the Colonial side during the Revolution.... Its target was the New York area, which was, of course, British headquarters." Indeed, it was Townsend's sister who, by chance, overheard a private conversation between the British Intelligence officer Major John André and an American named Benedict Arnold that led to the capture of the latter as a traitor and spy.

In the meantime, Benjamin Franklin [a deadly enemy of the Jews] headed a small American mission in France as a good friend of the Court, since France was helping in the American cause through LaFayette and others, and maintained his own ring of spies in England. But British Intelligence planted a double-agent of their own next to Franklin, a man named Dr. Edward Bancroft who had been born in Massachusetts [one of the "Cambridge Crowd"] but educated in England. As Franklin's trusted assistant, Bancroft: "passed his messages to the British Embassy in Paris by depositing them in a bottle hidden in the hollow root of a tree in the Tuileries Gardens. They were written in secret inks between the lines of love letters." This man's duplicity would not be clearly established until a full century later. In fact, British Intelligence had another top turncoat working closely alongside Gen. Washington in his Colonial headquarters, although Dulles neglects to identify him as such. We read, "At George Washington's headquarters Alexander Hamilton was one of the few entrusted with 'developing' and reading the messages received in secret inks and codes, and no copies were made." An incredible accusation on my part, you say? We'll see.

### BLACKMAIL

As we read in Mullins' *New History of the Jews*, one of the principal Rothschild-Illuminati operatives in America [actually, British Intelligence as well] was a decorated soldier, an able lawyer, and a noted statesman who had served as Washington's confidential secretary. His name was Alexander Hamilton. This man, Mullins assures us, had an embarrassing skeleton in his closet, for he was in fact the illegitimate son of a Scotsman with whom his Mulatto mother had had an affair. But at the time that Alexander was born, we find, his part-Negro mother was married to "a Danish Jew named Levine", a prosperous West Indies merchant! Somehow the British or the Rothschild Intelligence network learned of this damaging background and then apparently blackmailed Hamilton into submission, and to do their bidding. [H: Works every time, doesn't it?] We find confirmation of sorts in Madam Helena P. Blavatsky's 1877 occult work, *Isis Unveiled*, wherein we read: "During the 18th Century, America was freed from the grasp of tyranny of England by the actions of certain Secret Societies of the Right Hand Path, namely the Brotherhood of the Rosie Cross (the Rosicrucians). Washington, LaFayette, Franklin, Jefferson and Hamilton were Masons of this little known Masonic sect. Of this enlightened group, however, Hamilton was led astray by the Rothschilds in 1791 to form the first Bank of the United States."

As further revealed by Nesta Webster in her *Secret Societies and Subversive Movements*, the only group in all of Europe or America that actually gave Weishaupt and his Bavarian Illuminati any real grief were the Rosicrucians, a basically fraternal and alchemical society who were (and are) the complete *antithesis* to the Illuminati and all those groups operating on the Left Hand Path of the Black Occult (although a few small breakaway groups were led astray from the original Christian-Mystic tenets of the Rosy Cross Masons). Webster wrote that Weishaupt expressed "nothing but contempt" for the Rose-Croix Masons, looking upon them as enemies whom it was "necessary to outwit at every turn" (Pg. 201). Contrary to what many otherwise knowledgeable Christian Conservatives have been led to believe in recent years, the Founding Fathers were most definitely not Freemasons, but Rosicrucians, a patriotic group of which I myself was a member for

many years. Indeed, George Washington publicly warned of the diabolical tenets of Weishaupt and his treacherous Illuminated Ones as soon as he learned of their subversive designs on America. He wrote several letters condemning the Illuminati and their attempts to take over all the Masonic Lodges in North America (which included those of the truly benign Rosicrucian Lodges as well). Later on, on March 23, 1798, President John Adams issued a proclamation warning "against the threat of an Illuminist invasion of the United States", and a number of prominent Christian ministers carried on this worthy crusade. But let's return now to Europe.

### BACK TO EUROPE

As we read on Page 18 of *World Revolution: The Plot Against Civilization*: "The years 1781 and 1782 were remarkable for the growth of another movement which found expression at the Congress of Wilhelmsbad, namely the emancipation of the Jews. During these years a wave of pro-Semitism was produced throughout Europe by Dohm's great book, *Upon the Civil Amelioration of the Condition of the Jews*, written under the influence of Moses Mendelssohn [1729-1786, founder of the Haskalah Movement] and finished in August 1781. 'It was thus,' wrote the Abbé Lemann, 'that eight years before the [French] Revolution the programme in favor of Judaism was sent out of Prussia.... This book had a considerable influence on the revolutionary movement; it is the trumpet call of the Jewish cause, the signal for the step forward.' Graetz, the Jewish historian, himself recognizes the immense importance of Dohm's work, 'painting the Christians as cruel barbarians and the Jews as illustrious martyrs.' ...Meanwhile, in 1781, Anacharsis Clootz [a Prussian Baron and "pure Illuminatus"], the future author of *La République Universelle*, wrote his pro-Semitic pamphlet called 'Lettre sur les Juifs.' ..." And thus the stage was set for the acts that followed.

### AND IT CAME TO PASS—

In 1782, one year before the Treaty of Paris ended

THOMAS JEFFERSON

the American War of Independence, there was held the aforementioned top secret Congress of Wilhelmsbad in Germany, on July 16, wherein delegates from all the Freemasonic Lodges and other subversive organizations involved from throughout the world (representing some 3,000,000 members) met to further solidify their plot for the takeover of France. It was at this fateful conference that an alliance between Illuminism and Freemasonry was finally sealed—a pact joining to-

gether all the leading subversive secret societies of the day. Needless to say, the Bavarian Illuminati was very much in evidence there, as were top initiates of the Mother Grand Lodge of London. Also present were Prince Charles of Hesse (a patron of Mayer Amschel Rothschild) and Duke Ferdinand of Brunswick, descendants of the German Guelphic Black Nobility, as well as Adam Weishaupt, Bode and von Knigge. The Duke of Brunswick, whose title began circa AD 1235 (thanks to King Frederick II, secret chief of the Luciferean Vehmgericht of Germany), was actually the President of that Congress and presided over the various sects of the Freemasons, Illuminati, Jewish Kabbalists, Humanists, Necromantists and renegade Rosicrucians. Some careful researchers have suggested that not only was Rothschild in attendance at that Congress but that he helped finance the operations that followed. Whatever the truth, a horrified delegate, the French Comte de Virieu, shortly thereafter confided to a friend that: "There is a conspiracy being plotted so well planned and so deep that it will be very difficult for religion and governments not to succumb to it." But this plot was not aimed at the British monarch, it was aimed primarily at the Aristocracy of Christian France.

It was also resolved at that Congress, wrote Webster: "to remove the headquarters of Illuminized Freemasonry to Frankfurt, which incidentally was the stronghold of Jewish finance, controlled at this date by such leading members of the race as Rothschild, Mayer Amschel...Oppenheimer, Wertheimer, Schuster, Speyer, Stern, and others [according to Werner Sombart in his book, *The Jews of Modern Capitalism*, Pg. 187]. At this head lodge of Frankfurt the gigantic plan of world revolution was carried forward, and it was there that the deaths of Louis XVI [of France] and Gustavus III of Sweden were definitely decreed [according to Charles d'Hericault in his *La Revolution*, Pg. 104]." There were also a good many Jews in attendance, thanks to the invitation of Gotthold Ephraim Lessing, the Jewish Librarian to the Duke of Brunswick who was a chief spokesman for their cause.

But were there really that many Jews involved in all this subversive plotting and falderal, you might ask? Apparently so, for as we read in *Verite-Israelite*, published in 1861, "*The spirit of Masonry is the spirit of Judaism in its most fundamental beliefs.*" And that choice admission was in a French-Jewish publication! Years later, in 1930, Freiherr von Stolzinger, a leading German Freemason, wrote that: "One is hardly mistaken in affirming that today the greater number of Lodges are subject to Jewish influence, and that they form the spiritual storm-troops of Judaism." (No wonder Hitler drove all the Freemasons out of Germany, just as Mussolini had earlier done in Italy!) [H: Uh OH—do you suppose that Hitler was, after all, after the Masons? UmHummmn!]

Reduced to a simple formula, said Webster, the secret aims of Weishaupt's Illuminati could be summarized as follows: Abolition of Monarchy and all ordered Government, of all private property, of all inheritance, of all patriotism, of the family (i.e., of marriage and all morality, and the institution of the communal education of children), and the abolition of all religion. She went on to state that "certain of Weishaupt's doctrines are not incompatible with the principles of orthodox Judaism." What's more, one of those who inspired Weishaupt's work was said to have been Moses Mendelssohn, the Jewish philosopher of Berlin. In fact, Mendelssohn was also a close friend of the Comte de Mirabeau, a noted Freemason and an Illuminatus who was perhaps one of the most demented leaders of the French Revolution, and the author of the sickening little book, *Torture Garden*. Mendelssohn, the father of the bankers Joseph and Abraham, had also created a special school for the training of the Jewish revolutionaries of that era, and was a generation later greatly admired by Karl Marx. For further confirmation of the deep involvement of the Jews in all this mayhem, in *Le Probleme Juif* (The Jewish Problem), George Batault

many years ago wrote: "...the Jews have drawn profit from all revolutionary movements in history since the fall of the Roman Empire. From the Revolution of 1789 came the emancipation of the Jews in France, and their principal advocate was Mirabeau, largely under the influence of Moise Mendelssohn and Dohm; the revolutions of 1830 and 1848 brought further amelioration to them."

### NOW ENTERS TRANSYLVANIA

Yet another such Jewish radical who operated at the upper levels of this conspiracy against Christianity was the Grand Master Rakoczy, of the distinguished Royal House of Rakoczy in Transylvania, whose grandfather had headed the 1703 insurrection in Hungary to extend his own political power (but was defeated by the Austrians five year later and forced into exile). An exceedingly wealthy and educated man whose main base of operations was in the Carpathian Mountains, he was an acknowledged adept of the Black Occult. Rakoczy was furthermore a "notorious liar, criminal and fraud", who masqueraded throughout Europe under the cloak and name of the by-no-means "Holy" Comte de St. Germain. [H: We all have a "past" do we not? The point is to rise above and enter INTO that state of service and KNOWING which turns about the evil into Lighted Presence. Surely you students of TRUTH didn't think he got by with somehow becoming a sainted ascended Master by starting off pure and simple!! We all get our wings the old-fashioned way: WE HAVE TO EARN THEM—USUALLY BY FIRST CRASHING A WHOLE LOT OF TIMES.] As for the equally dangerous Comte Honoré Gabriel Mirabeau, this Jewish conspirator was "received into the Order of the Illuminati during his visit to Berlin in 1786." As if all that weren't damning

enough, during the 1920s a writer for *La Veille France* went on to further name those prominent and wealthy Jews in the immediate circle around Weishaupt and the French Revolution as, "Moses Mendelssohn, Wessely, and the bankers Itzig, Friedlander, and Meyers." Finally, according to an article on Freemasonry in the compendious *Jewish Encyclopedia* of 1905, we are also informed that: "Jews have been most conspicuous in connection with Freemasonry in France since the Revolution," as well.

### FRENCH REVOLUTION

The French Revolution, over which all this hubbub was about, and which took so many years to prepare for, officially began on July 14, 1789. To fully describe all the events surrounding this awful conflagration would take several volumes. We are here mainly concerned with those who carried it off and the groups they belonged to. The rest has been carefully chronicled by historians far more versed in all its intricacies than I. Suffice it to say, it is known that numerous British Intelligence agents were directly involved, working under directions of the repulsive and gluttonous King George III, as well as in league with their Grand Lodge in London. These agents were among the paymasters of the scurvy leaders of the revolution and their ravenously street rabble. In *The Secret Power Behind Revolution*, de Poncins further stated that: "In France, where minds were in open ferment, Freemasonry found a favorable soil and under double influence of the Encyclopaedists and the Illuminati in Bavaria it evolved quickly to the point of being one of the preponderant elements of the great revolutionary movements of 1789."

One of the most concise and cogent descriptions of the overall tenor of what actually happened in France two centuries ago can be found on Page 102 of Mullins'

*New History of the Jews*, wherein we read: "After they had incited the crowds to murder the gentile leaders, the Jews dragged thousands of nuns and priests out of the churches, and chopped them to bits with axes and hatchets, or they murdered them before the altar of Christ, so that the Christian cathedrals became hell-changed into traditional Jewish synagogues reeking with gentile blood and echoing with the screams of dying women and children. Hundreds of helpless Christian men and women were stripped naked, tied together in couples, and thrown into the rivers to drown, while Jews stood on the banks and jeered at the victims of these 'Revolutionary weddings'. The French Revolution had been hailed as the greatest triumph of the Jewish Communists."

From the book, *Secret Societies and Subversive Movements* we learn that at Nantes alone, 500 children were wantonly slaughtered in the most horrible fashion at the same time. Later on, after The Terror really swept into high gear, fully 300,000 men, women and children were massacred throughout France, in cold blood. In September 1792, the Jacobin Society perpetrated the terrible murders of some 8,000 people being held prisoners of the Revolution in Paris, and a great many more across the country that same month. As Sir Walter Scott wrote in his *Life of Napoleon* (Vol. 2, Pg. 30), "The demand of the Communaute de Paris, now the Sanhedrin of the Jacobins, was, of course, for blood." [H: How many of you got this history in class? Beyond that, how can this be REVISIONIST history when THIS IS THE HISTORICAL FACT? IT WOULD SEEM SOMEONE HAS BEEN LEADING YOU INNOCENT SLEEPYHEADS ON A MERRY GOOSE CHASE!]

Capt. A.H.M. Ramsay, writing in *The Nameless War*, stated that the revolutionary zealots of 1789-1794 "swept away every feature of the national life and tradition [of Christian France], from King, religion, nobles, clergy, constitution, flag, calendar, and place names to coinage... the revolution was not the work of Frenchmen to improve France." And they succeeded only too well. "By 1789 there were more than 2,000 Lodges in France affiliated to the Grand Orient [the center of the conspiracy in France], the direct tool of international revolution, and their adepts numbered over 100,000." This was the result of both Jewish Illuminism under Mendelssohn and Masonic Illuminism under Weishaupt, wrote Ramsay. "This Illuminism was a secret revolutionary society behind Freemasonry... [which] penetrated into all the lodges of Grand

Orient Freemasonry, and were backed and organized by cabalistic Jews..." Ramsay continued: "In France, the splendid and historic names and titles of counties, départements and families were scrapped, and France divided into *numbered squares* occupied merely by 'citizens'. (Today, we find that this same Conspiracy has divided the entire WORLD into numbered grid-blocks, by satellite photography and computer). Even the months of the calendar were changed. The national flag of France with its lilies and its glories were banned..."

Regarding some of the key shadowy financiers behind all this wanton death and destruction of a people and their culture, the Jewish writer of *L'Anti-Sémitisme* (1894), Bernard Lazare, made a very startling revelation. He stated that among the Jews of London involved in this plot were—"Benjamin Goldsmid and his brother Abraham Goldsmid, Moses Mocatta their partner, and his nephew Sir Moses Montifiore", as well as "Daniel Itsig of Berlin and his son-in-law David Friedlander, and Herz Cerfbeer of Alsace" (Page 24). These English Jews were all members of the United Synagogue (Sin of Gog?) of London. A full century later, Directive #7 of the "Protocols of the Learned Elders of Zion" was found to contain this remarkable sentence: "Remember the French Revolution, the secrets of its preparation are well known to us for it was entirely the work of our hands." [H: Seems clear enough to me, readers.]

After the overthrow of the Monarchy, the ruthless work of demolition had begun on a grand scale as long planned by Weishaupt and his Jewish backers. The tricolor banner of France was replaced by the Red flag of the social revolution. The Masonic watchwords of "Liberty, Equality, Fraternity" were but an Illuminati slogan to deceive the masses, just as had been the call for a new Constitution. These words summoned the working class of Europe to rise in revolt against all ordered government and were the first trumpet-call to World Revolution. Two other important fronts set up by Weishaupt during this period were the United Irishmen (1791) and the Society of Illumines (1793). Yet this was not a movement of the working class, for it operated from the top down, a creation of the wealthy leisure class. [H: Gosh, readers, getting any ideas about what is going on around you here today? This same group has caused every war since, certainly, the beginning of your nation, America. How long does it take for you to see what is coming down? Stop expecting God to do something about this mess—you

have had this information for centuries.] One of its main assaults was upon Roman Catholicism, and during September 1792 there was a massacre of the priests carried out all over France. *Prostitutes* were then enthroned in all the churches as revolutionary goddesses replacing the nuns, who themselves had been raped and then murdered. It was but a foretaste of things to come.

The Red terrorists that swarmed through the streets like rats devastated the manufacturing centers of France, they burned down the libraries, and led all who opposed them to the guillotine. All men of intelligence and talent who were not part of their scheme were persecuted and tortured. These Illuminati-trained terrorists also destroyed priceless treasures of art and literature in a feverish attempt to eradicate White Christian culture in that beautiful land. The main instrument of The Terror, as carefully orchestrated by the Illuminist **Jacobin Club**, was the **Comite de Salut Public** (Committee of Public Safety), headed by Robespierre. Due to the vast number of hungry and unemployed people throughout France, as a result of this Reign of Terror, the Comite de Salut Public embarked on a fearful project—the *systematic depopulation of that country!* It was decided by the leaders of this Revolution that the population of France be reduced from 25 million down to 8 million! Fortunately, their savage plan was aborted in time, but the main author of this scheme was the Illuminus DuBois Crance. Today, the spiritual descendants of these very conspirators have hatched a chilling plan to slaughter fully 3/4 of the population of the Earth, by the year AD 2000! This modern depopulation plan was the creation of The Club of Rome, created in 1968 by a group of 75 carefully-selected Marxists, the head of which was Dr. Aurelio Peccei. Two years later, this Illuminati-front was funded to the tune of \$250,000 by the Volkswagon Foundation to set up a global computer system, headed by MIT's Dennis Meadows, for the purpose of dividing up the world into Ten Regions as a prelude to One World Government. [H: And then, of course, the U.S. is divided up into ten districts.]

As further incontrovertible *proof* of exactly who and what was at the very heart of all this rapine and desecration, we have but to refer to the massive Black Occult work of Gen. Albert Pike, entitled *Morals and Dogma* (1871), Pg. 823) wherein we read: "A Lodge inaugurated under the auspices of Rousseau, the fanatic of Geneva, became the center of the revolutionary movement in France, and a Prince of the blood-royal went thither to swear the destruction of the successors of Philippe le Bel on the tomb of Jacques de Molai. The registers of the Order of Templars attest that the Regent, the Duc d'Orleans, was Grand Master of the formidable Secret Society, and that his successors were the Duc de Maine, the Prince of Bourbon-Conde, and the Duc de Cosse-Brissac..." As mentioned, this Conspiracy has always operated from the top down, and it has always been the work of the very rich. It merely uses the poor and the downtrodden, the slaves of the Elite, for its own devious ends.

Let us now take a closer look at some of the more well-known revolutionary agitators and leaders of this bloody upheaval in France, something which you will not readily find in your local high school or college course on the French Revolution:

\*\* Comte Alessandro de Cagliostro was a Sicilian "Jew from Palermo", actually believed to be one Giuseppe Balsamo, a desperado wanted by the police for his part in an assassination plot there and one described as a Black Magician of sinister mien. After fleeing Sicily, he traveled to the Island of Rhodes where he met Emmanuel Pinto, Grand Master of the Knights of Malta. Traveling to Germany, where he was known as the Grand Cophte of the Egyptian Rite of Freemasonry, in 1774 he "had been initiated into the Illuminati in an underground cave near Frankfort-on-the-Main," by Adam Weishaupt. Also an agent of the Templars, he was next invited into British Freema-

"And on and after January first, 1657, by order of Oliver Cromwell, Lord Protector of the Commonwealth, it is forbidden to enjoy ANYTHING!"

sony on April 12, 1777, inducted into the Jewish **Esperance (Experience) Lodge #289** at London, which was closely affiliated with the Illuminati-front Order of Strict Observance at the Hague, in the Netherlands. He was also associated with the **Theosophical Masonic Society** then meeting in Middle Temple, London. Furthermore, as revealed by Nesta Webster in her *Secret Societies* book, Cagliostro is believed to have been a protégé of the "Ba'al Shem of London", a Cabalistic Jew named Hayyim Samuel Jacob Falk (1708-1782). An infamous sorcerer and Black Magician of ill-repute, says Webster, Falk was well-known to his followers in the **United Synagogue of London** as "the celebrated Falk Scheck, first Rabbi of the Jews", and one of the "Concealed Superiors" behind the French Revolution. Falk's "principal friends were the London bankers Aaron Goldsmid and his son", according to Margoliouth in his *History of the Jews* (II, Pg. 144). In the *Royal Masonic Encyclopedia*, we find a long and detailed article devoted to Falk. As a result of this and other evidence, it is believed that Falk may have been among those Jews who first introduced Cabalistic learning into the so-called Higher Degrees of British Freemasonry, as an initiate into its "highest mysteries". Next, *The Jewish Encyclopedia* tells us that Falk is "believed to have given the Duc d' Orleans, to ensure his succession to the throne, a *talisman* consisting of a ring..." What's more, Falk was also a close friend of a "great seeker of the Philosophers Stone", Marechal du Richelieu—the grandnephew of France's Cardinal Richelieu.

**\*\* Louis Philippe Joseph, the Duc d'Orleans**, earlier known as the Duc d'Chartres, was a flagrant homosexual dilettante who used the revolutionary nom de guerre of Philippe-Egalite. He was described as a "vain and ambitious libertine", a very well-to-do conspirator who became Grand Master of the Grand Orient of France (the Lodge of Strict Observance), and raised large loans for the Revolution, in Amsterdam, London and Frankfurt. It was he who caused a famine to sweep across France by buying up all the bread and other foodstuffs and then shutting down the bakeries, and blaming it on the King. Nevertheless, he was later devoured by his own henchmen, sentenced to death at the guillotine by the Revolutionary Tribunal in 1793. Years later, however, his son Louis Philippe was chosen by the French Rothschilds to be their puppet King of France (1830-48). [H: How many of you remember that a lot of guillotines were shipped into the United States and distributed to the places where the "concentration" camps would be established? This is serious business, readers.]

**\*\* Comte de Saint-Germain** [H: No, calm yourselves, Germain is not spelled with an "e", whatever difference it makes, because we all KNOW, don't we, that we have to make our journeys through into learning.], whose real name was Rakoczy, had been years earlier employed by King Louis XV as a diplomat on confidential missions, and was supposed to have retired to Schleswig-Holstein in Germany around 1775, where he "studied occult sciences in association with Langrave Charles of Hesse." A top Jewish Freemason, and an agent of the Knights Templars attached to the Grand Orient Lodge, according to Hall's *Masonic Order of Fraternity*, during 1778 he was known to have held secretive meetings in Germany whose Kabbalistic

rituals "were patterned upon the Greek and Egyptian Mysteries." (There were 66 Rites practiced by the evil Amun Priesthood of Egypt.) Rakoczy, an accomplished Black Magician, "was practicing Masonic... rituals with Egyptian symbolism, in secret tombs and hidden cellars of the palace of Prince Karl of Hesse Cassel at Eckernforde."

Comte Alessandro de Cagliostro

**\*\* Maximilien de Robespierre**, known as "the Incorruptible", was the remorseless and vengeful leader of the Illuminist Jacobin Club who also became the recognized leader of the vicious Leftist **Montagnards** (The Mountain). Chosen as a member of the second Committee of Public Safety (July 1793)[H: Sounds like Janet Reno and her ATF/FEMA?], he oversaw the slaughter of the innocents and was responsible for much of the Reign of Terror. Sir Walter Scott in his *Life of Napoleon* (Pg. 56) wrote that: "The power of the Jacobins was irresistible in Paris, where

Robespierre, Danton and Marat shared the high places in the **synagogue**." He was so unconscionable that he even sent his own close friends, Desmoulins and Danton, to the guillotine. He himself was later overthrown, then arrested, shot, and beheaded by the Revolutionary Tribunal on July 27, 1794—thus ending The Terror.

**\*\* Louis Antoine Leon de Saint-Just**, known as "The Angel of Death", was an intractable revolutionary madman and an "intimate associate" of Robespierre, who, as another member of the Committee of Public Safety helped bring on the Reign of Terror. Perhaps the most viciously-dangerous of them all, he was later arrested by his friend Robespierre and guillotined. Thus should be the fate of all traitors.

**\*\* George Jacques Danton**, a radical lawyer and revolutionary, he fled to England for sanctuary (and perhaps further instructions) in 1791, but returned and soon incited the Tuileries riots. After assuming leadership of the revolutionaries as the heartless Minister of Justice, he was elected President of the Jacobin Club (March 1793) and also then became another butcher on the Committee of Public Safety. He was beheaded a year later.

**\*\* Comte Donatien Alphonse Francoise de Sade**, better known as the Marquise de Sade. It is from his

notorious perversions that we derive the illness known as "sadism"; for the scandalous conduct of this truly demented individual caused his imprisonment by King Louis XV for many years, in the Bastille. He was mysteriously spirited out of that old prison in Paris just shortly before the raid on it occurred, on July 14, 1789, after which he took a leading part in the Revolution. As the author of the perverse and obscene book, *Justine*, and other such works, he was later confined in an insane asylum at Charenton and survived the Revolution.

**\*\* Jean Paul Marat** was a Swiss-born revolutionary politician who published a paper called *L'Ami du Peuple* (The Friend of the People) in 1789, which, when distributed far and wide, incited the French people to violence. Another key member of the Jacobins, he was exactly four years later assassinated by Charlotte Corday, while taking a bath.

**\*\* Jacques Louis David** was a noted French painter and Jewish associate of Robespierre who became another bloodthirsty member of the Committee for Public Safety, which "tried" its many victims. "His voice was always raised calling for death."

**\*\* Comte Honoré Gabriel Victor Mirabeau** was a talented French orator who lived and studied in England during 1784, then made three trips to Germany over the next several years. One of the most important figures during the first two years of the Revolution, this sadist was "so foul a libertine that he was shunned by his own [upper] class... He is known to have been financed by Moses Mendelssohn, head of the Jewish Illuminati..." (*The Nameless War*) As President of the Jacobin Club, this sick and twisted fanatic enjoyed watching his helpless victims being tortured.

[END QUOTING OF PART 15]

This seems like a good place to break the writing. I find a bunch of you in shock of some kind about Germain. Germaine, Gerrmain, etc. How many different men wear the name of Jones, Smith or Brown? Stop it. Are you so naive as to think that angels and Godly men are simply spawned like a breed of fish in the sea? I would rather have a hardened crook who CHANGES than all the so-called "Saintly" men you can send me. But it DOES help to get your people straight! This is what and why all the tenacious objections to all the garbage thrown about in any confrontation with people who are half-informed. It was NOT a nice surprise to realize that Germain (when the thought was you were dealing with Germain[e]) was actually re-giving his information on alchemy and LIGHT—especially to a Texan kid who didn't know up from down. With others before, he had picked the elite of the Royal Elite lineage and prominent Elitists of England. Oh my, are we yet having fun? Come on in, just as soon as you settle down, out of the dark and turn on the light-switch. This does not degrade one St. Germain—if anything, it brings his HONOR beyond that which was priorly attributed to him through the Elite Honor Societies. What were YOU doing before you realized GOD? Amen! Which is which? Why don't we leave that to God?

### SIPAPU ODYSSEY

"This journal which comes in 'fantasy' format is, in fact, **TRUTH in every measure...**

"It was decided that we would first bring forth an 'acceptable' story line that would bear a particular message to the ones awaiting instructions and the knowledge that the time of final instructions and 'count-down' is at hand..." —HATONN

This journal is about the adventures of three people and their encounters with Native Americans of the Sipapu and their Space Brothers. It describes their amazing experiences after showing up at the Nevada nuclear bomb test site for a protest.

You will also find revelations large and small, from the ancient past and the future. *A fantastic, fun "fantasy"*. This was THE first work by "dharma", thought to be a Fantasy but now appreciated as the beginning of an en-Light-ening Reality Journey. With help from Little Crow of the Lakota, Dharma's public mission of translation for Higher Teachers begins here, as a sensitive love story of the Purification Times, which brings together a mystical "ancient" group from the "past", a Pleiadian space expedition from the "future", and some awakening volunteers from Earth's "present".

Sipapu Odyssey is in the early stages of being made into a motion picture utilizing the Pleiadian advanced technology of Futuronic.

### FROM HERE TO ARMAGEDDON

"Who is Ashtar? I suppose great volumes of 'stuff' have been written about Ashtar, the entity. I will endeavor to identify myself so that flourishes are not added by cherished ones. I have been called a 'Christian Commander from Venus', a 'Supreme Director in charge of all of the spiritual Program' for your planet.

"I am honored, but I believe it would be more suitable to state that I am a dominant commander from the Etheric realms. Here, I always confront trouble, for your words do not actually define my position. I shall attempt at simple explanation.

"I have been around for a very, very long time. Under the sponsorship (I suppose is a good enough word) of Lord Michael and the Great Central Sun government of this, your galaxy. I suppose I rank overall second in command. I am not a discarnate energy (spirit); I am an etheric being. I have never taken human embodiment upon planet Earth. Many have inferred such; it is not true. I have been far too involved with affairs of the Universe to prattle around in human format on Earth. I serve at a very high involvement as a member of the councils scattered throughout this Universal Sector, serving in an advisory capacity at strategic levels of intergalactic affairs. I share responsibility with Esu Immanuel (Jesus) Sananda for the airborne divisions of the Brotherhood of Light." —ASHTAR

Some important topics covered are: EARTH = BOTTOM OF LADDER. Space people and Spirit people—Contact since late 1940s—How dark brothers work—Reincarnation begins—The Martian influence—Nuclear war could damage fabric of space—CHRIST'S TEACHINGS SHOWED THE WAY. Signs: Time is here. No dead martyrs.

### THE BREATHING DEAD AND CEMENT CHILDREN #101

"You and I know that millions have died for freedom. And we appreciate beyond all human understanding the efforts and lives they gave so we could enjoy a certain measure of freedom. We will carry on now to regain those freedoms stealthily stolen from us by those who were supposed to watch out for our interests. Instead they have looked after their own selfish interests ahead of the common man. Way ahead. Let us now take up the pen, which is mightier than the sword, in the singular struggle to regain our constitutional rights.

"Let this be your clarion call if you have not heard one yet. This is it. Take effective action now in your own sphere of influence and keep at it. The battle of words and wits has only begun. With God the Creation backing those who struggle for freedom there is only one outcome: Victory! Take action now.

"Your inner self will urge you what to do. Do it as long as it follows God's rules. Of course, you all (readers) are doing the best you can. This is meant for the fence sitters." —A Friend

Some of the important topics included are: St. Germain and our 4th of July (Independence Day)—*Where has all our freedom gone?*—Pan Am flight 103 and its links to the CIA, the Syrian-Lebanon hostages and the Clinton connection, etc.—Details of the Monarch Mind-Control Programming—Bo Gritz connection—"God will save this nation and Constitution." Oh?? God HELPS THOSE WHO HELP THEMSELVES.—You don't like my religion??—Continuation of *THE USURPERS*—More from Ronn Jackson—Militias & ADL-O.J. connection—Linda Thompson on armed militia and insurrection—U.N. Committee and sodomy—Glue bombs, eye poppers—Map of U.N. bases in U.S. The time to get informed is NOW! Though most will remain blissfully unaware.

# New Gaia Offers Journey To Health

## What Should We Be Taking?

3/3/95 SANDRA TULANIAN, D.C.

The times we live in do not afford us the opportunity to keep life simple enough that health can be taken for granted by just ingesting food and water. The game rules have been changed by bureaucrats (directed by crooks higher up the ladder) who dictate questionable farming practices which, when added to the already choking pollutions of our atmosphere and water, ends up depleting the soil, the food supply, plus the air & water we breath of many of the essential nutrients that would otherwise allow our bodies to function optimally.

Without these "food"-based essential nutrients our immune systems and body physiologies are sitting ducks for any attack—from chemical and biological "warfare" practices, to increased nuclear radiation pollution, as well as from other high-energy photon bombardment as this planet prepares itself for the upcoming changes.

It is up to every individual to take personal responsibility for their health and prioritize the needs their bodies may have at this time as well as pay special attention to the needs of their children. I hope to describe here some good products available to you so that your search for a basic, complete arsenal against disease can come to an end.

New Gaia has presented many products to the public that you can pick or choose for individual needs. But there is a core of products, which should be taken regularly, that is felt to be essential to health and well being. These products are: Gaiandriana, AquaGaia, Gaialyte, Kombucha Tea, Kombucha Vinegar, CarbraGaia, GaiaCleanse Program, Chlorella, Spelt, and 3-In-1. Each of these provides a service to the body that is a necessary assistant to the other. We will discuss each one individually to provide you with the information you need to understand why these items are necessary.

The physiology of the body is basically governed by the actions and programming found within the cell. The cells make up the tissues of the body, the tissues make up the organs such as the heart or liver which, in turn, make up the organ systems that work in harmony with each other to keep the entire body functioning. If the cell structure has been altered or is malfunctioning (for whatever reason), every organ system is affected. To what degree they are affected depends on the offending substance that has caused the cell's breakdown or the length of time that cell has been subjected to abuse.

Gaiandriana is a product that is said to help

correct the faulty programming that has occurred at the cell level by correcting into perfection the cell's DNA/RNA blueprint. Viruses, unlike bacteria, have the ability to fuse with the DNA strand within the cell, creating a mutation to that cell. By perfecting the DNA/RNA blueprint, the cell may be returned to a level of vitality which allows it to fight off an incoming virus and maintain the homeostasis within the cell and, in turn, within the organ systems.

This is essential for the immune organ system, because without healthy cells that can fight off offenders like free radicals, viruses, and cumulative levels of radiation, the immune system is overtaxed to the point of exhaustion—eventually leading to dis-ease. Another benefit from consuming Gaiandriana is its ability and nature to thrive on the invisible, higher photon frequencies which are bombarding us daily. Gaiandriana is able to speed up the frequency levels of the cells to more nearly match the energies pouring in and assaulting the body. This, in turn, can offer a two-fold benefit: One benefit is the ability of the cell to withstand and actually adapt to these otherwise damaging energies; the other benefit is to help protect ourselves from mind manipulation through pulse beams that are irradiating mankind relentlessly. Originally the dose was 10 drops, 3 times per day, under the tongue. However, with the growing number of "manufactured" epidemics and other stepped-up

plans for our demise by the Elite, perhaps more is better. One ounce or more per day may produce faster and more effective results.

Aquagaia was introduced to benefit the mitochondria system that lies within the cell. The mitochondria is the energy producer of the cell and is essential to convert the food we eat into usable cell fuel and to produce enzymes that are absolutely necessary for survival of the body system.

Aquagaia is also said to feed on vessel plaques adhering to blood vessel linings. Most all of us, by the age of twenty, have plaques developing on the arterial walls due to the American diet that is filled with saturated fats, high protein, white flour products, and limited consumption of fresh fruits and vegetables. This product provides added fuel to any compromised system to assist in strengthening the immune system, as well as cleaning out blood vessels and enhancing the pliability of the vessel walls throughout the body. Both Gaiandriana and AquaGaia work in harmony to strengthen and eliminate mutations of all cells by working together within the cell structure itself.

Another product that you will find essential in your daily regime is Gaialyte. This is a fully integrated electrolyte liquid that is brought forth from the Kombucha Tea. The combination of tea and juice, vitamins, minerals, Gingko Biloba, Echinacea, Chlorella, oxygenators, Aloe Vera and

**Gaiandriana** are a powerful combination that helps boost energy levels as well as provides electrolyte balance within the body to help enhance the performance of the **Gaiandriana** within the cells. Electrolytes are substances which dissociate into ions in solution and thus become capable of conducting electricity. The balance of these electrolytes in the body will aid in the protection from the various high-frequency energies that we are now subjected to as well as enhance the effectiveness of all the other products you are consuming for your health.

Another beverage that should be taken in a dose of approximately 8 ounces per day is the "Tea Breeze" **Kombucha Tea**. Enough cannot be said about this fermented drink from the mushroom fungus found long ago by a prominent Japanese woman in a town called Kargasok, Russia. What she found amongst these villagers astounded her. The women were virtually without wrinkles or other signs of aging and the overall population was comprised of unusually healthy people. She was told that these people drank 8 ounces of **Kombucha Tea** daily. She brought the mushroom fungus back to Japan and, today, over a million Japanese people drink the fermented tea daily. With the high content of special proteins and enzymes, this tea is said to reduce cholesterol, restore hair growth, strengthen eyesight, help insomnia, aid in weight reduction, help with allergies, bronchitis, asthma and a myriad of other debilitating conditions including the prevention of certain cancers.

While these are claims from people who have used or researched the product, it would simply be prudent to regard **Kombucha Tea** as a must to add to your daily health regime. Many people make their own tea with the mushroom that is available through New Gaia Products, but for those of us with limited time, the ready-made tea in the 1-liter and 2-liter bottles is both delicious and convenient. Try mixing the tea with the **Gaialyte** and your favorite juice, or just drink it straight.

There is a **Kombucha Vinegar** that has been developed which offers similar properties to unpasteurized apple cider vinegar, which has been used for centuries to care for all types of ailments. This product packs a punch when fighting off the common cold and is great as a digestive aid. Many are using this product in their salad dressings or other recipes to enhance the nutrition that their families receive. While **Kombucha Vinegar** is not recommended for canning or preserving, it certainly is recommended for general consumption.

**CarbraGaia** is the membrane that is found in the mushroom fungus of the **Kombucha Tea** bathed in a nurturing amniotic-like fluid of **Gaiandriana** to aid the body in repair of connective tissue. This product was designed to replace the need for Shark Cartilage supplement, which has been well researched and documented in recent years and which is said to program the body to never develop cancer tumors. By mixing one teaspoon in to any of the above mentioned drinks, you add one more weapon to your arsenal in the quest to build the immune system to its optimum healthy state.

A 14-day program called **GaiaCleanse** has been developed that assists in the elimination of the nasty parasites found within the body. Very few people realize the kinds and types of diseases that these parasites can contribute to, such as Cancer, AIDS, Hepatitis, Hodgkin's Disease, Diabetes, just to name

a few. There have been reports that people have been able to turn their conditions around by utilizing a program such as the **GaiaCleanse Program** to eliminate the myriads of parasites, such as flukes, keeping house in their internal organs.

The beauty of this program is that 14 days every 3 months is all that is required to insure a body that is free of most parasites. The **GaiaCleanse** line includes tinctures that can be mixed in any one of the above beverages or in juice. There is also an intestinal cleanse that comes in the kit to ensure proper elimination and cleansing during the two weeks. These steps to health are important if one is to realize optimum health within the cellular structure and organ tissues of the body.

**Chlorella** is a single-celled, fresh-water algae which is a nutritionally balanced whole food that is extremely high in protein (60%) and contains more than 20 essential vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes, plus **Chlorella** growth factor. The combination of these factors results in a product that has been found to be excellent in the healing of wounds, injuries and ulcers, immune strengthening, age retardation, protection against radiation, normalizing digestion and bowel function, and protection against toxic pollutants, to name but a few of the benefits.

**Chlorella** is a rich source of chlorophyll, which is extremely effective in controlling body odor both internally and externally. The suggested daily consumption is 3 grams per day, but dosages should be adjusted to your individual needs. Many times the alkaline reserves in the body are so depleted that **Chlorella**, in larger doses, is warranted.

Moreover, because of its superb food value, **Chlorella** is an important addition to anyone's emergency food storage stash.

As part of an ongoing nutritious diet, the grain of **Spelt** (*Triticum Spelta*) should be added to every diet in replacement of the standard wheat grain. **Spelt** is superior to wheat in that it contains more protein, crude fiber, and fats than wheat. It also contains special carbohydrates (Mucopolysaccharides) which help stimulate the all-important immune system.

Many people who are allergic to wheat find **Spelt** to be easily digestible. What is most exciting is the delicious nutty flavor that **Spelt** offers to any baking needs. Another advantage of **Spelt** is the large amount of vitamin B-17 found in the grain (also known as Laetrile) which has a reputation for retarding cancerous cell growth and aiding in the healing of other serious illnesses. **Spelt** also has an exceptionally thick husk around the center grain, which protects it from all kinds of pollutants and insects far better than happens with other grains. The **Spelt** grain can be ground up into flour and used in any recipe where flour is required. New Gaia offers the whole **Spelt** grain bread mixes, or the grain itself to be ground into flour, or the flour already milled for your convenience. This simple addition to your family's diet can provide a wealth of extra nutrition for your loved ones as well as a great taste experience.

The last product I wish to discuss is a newer product of which you may not be fully aware. Many of you have heard of the latest craze using a product called "Pycnogenols". Pycnogenol comes from the bark of the pine tree and is said to have remarkable anti-oxidant properties that are aiding in the relief

of a number of chronic conditions. The 3-In-1 product offered by New Gaia has been found to be superior to Pycnogenol. The research that has been conducted on the elements found in Pine Bark were primarily conducted on Grape Seed Extract because this, too, had the components that offered the superior anti-oxidant protection.

What was discovered is that the Grape Seed Extract was even superior to the Pine Bark in that it contains a higher level and higher potency of OPCs (Oligomeric proanthocyanidins) which are the active ingredient for free-radical scavenging. These OPCs found in the Grape Seed Extract are known for their instant bioavailability to seek out nasty free radicals and produce rapid counter-effect results. While no claims are here being made for the healing qualities of any product, the OPCs found in Grape Seed Extract have been identified with: Anti-aging protection, improved vision, decrease in wrinkles, resistance to mental deterioration, reduced risk of heart disease, reduced risk of stroke, enhanced immune system, faster healing, subdued PMS, and reduced inflammation of arthritis.

The other substances found in 3-In-1 are Ester-C and Aloe Vera. Ester-C is found to get into the blood stream faster and in larger amounts than other forms of vitamin C and wastes only a fraction of what other vitamin C products lose through elimination. It is also found to penetrate white blood cells more efficiently, which is necessary for their metabolism. There is also a reduction, if not an elimination, of the side effects from the acidity of regular Vitamin C because Ester C has a neutral pH. Each capsule also contains 150 mgs. of Aloe Vera which is the equivalent of one-and-one-half ounces of natural Aloe Vera juice. Excerpted from an article by John C. Pittman, M.D., we read: "Acemannan, a mucopolysaccharide, is a long-chain sugar which is found as an active ingredient in Cold Processed Whole Leaf Aloe. It interjects itself into all cell membranes. This causes an increase in the fluidity and permeability of the membrane, allowing toxins to flow out of the cell more easily and nutrients to enter the cell. The net result may improve cellular metabolism throughout the body, resulting in a boost of energy production."

These three powerful ingredients are found in one product called 3-In-1. It is a potent product that should be utilized by anyone suffering from a chronic condition or for those wishing to maximize the functioning of their immune system on a day-to-day basis.

All the above products discussed: **Gaiandriana**, **AquaGaia**, **Gaialyte**, **Kombucha Tea**, **Kombucha Vinegar**, **CarbraGaia**, **GaiaCleanse**, **Chlorella**, **Spelt** and 3-In-1 can be the keys to a healthier and more vibrant life by reinvigorating the immune system, increasing the metabolic activity of the cells, providing more complete nourishment to allow the organ systems to function in harmony with one another, and to increase our bodies' overall frequency levels to withstand the onslaught of various high-frequency energies that are thrown our way. These products work synergistically together to maximize the effects of each product.

Of course, right thinking, right exercise, and right eating are absolutely necessary to add to any health regime, but the benefits and gifts found within these various products are priceless to our well being in this high-stress world.

## Hydrogen Peroxide Use For Water Purification

To purify water (of viruses as well as bacteria and other critters) for drinking purposes, use 10 drops of 3% Food Grade Hydrogen Peroxide per gallon of water and agitate container enough to mix well.

Locating the 3% Food Grade Hydrogen Peroxide can be a problem as the Elite effort to close down everything that promotes health, from products to therapies. Food Grade Hydrogen Peroxide is necessary as the drugstore (3%) variety contains additives and stabilizers not good for ingestion.

This is a service for our dedicated readers. *Today's Watch* telephone hotline carries the latest news and comments from Commander Hatonn's most recent writings. This is our way of keeping you informed about fast-breaking news and events.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus *daily* callers can hang up after 2 rings and save toll charges if no new message has been recorded. The message update(s), if any, occur by 6 PM Pacific Time.
