Do We Have The Smarts To Free Ourselves From Satan's Chains Of Illusion?

VOICES FROM THE PAST AND THE OTHER SIDE

Cicero, the famous Roman orator, said, "The budgets should be balanced, the treasury should be refilled, the public debt should be reduced, the arrogance of officialdom should be tempered and controlled. Assistance to foreign lands should be curtailed, lest Rome become bankrupt. The mobs should be forced to work and not depend on government for subsistences."

He said this 20 centuries ago. Do we ever learn?

(Thank you, "2 X 6", for sending this to us.)

Is there any Intelligent Life down there? There is plenty out here! He who learns not from that which came before is destined to be right where you ARE.

DAVE OVERTON

Dave has asked me to thank you beautiful readers for all your support, cards and letters. He is gaining strength daily and his medical workups are reflecting good numbers. We all are prone to stumble and fall from time to time and it appears he will soon be back home and able to attend himself with a bit of outside help to give him a hand from time to time.

George Green hasn't forgotten Dave either. He has sent him a whole bundle of new and old reading material about the dastardly Ekkers and the Gold Case. He has carefully told Dave about how the "Ekkers" third set of lawyers have dropped them, etc. The Ekkers do not even have A CASE in his theft problems with Overton, much the less have lawyers "dropping" them (but the Phoenix Institute does). He, further, continues

to claim he has nothing to do with America West Distributors (because of the fraud he has heaped off onto the Federal Bankruptcy Court) but writes and signs on "Distributors' " stationery? I ask that the letter be run in this paper, please, for I don't think readers understand how this goes on and on and keeps on going—to try to finish off the theft of funds [see box]. Not a single statement is true—except the last paragraph in which GG states that the court has two choices—to give him the gold or start all over again! Even that "statement" has no truth—but the intent on the part of GG is certainly visible, as if in gold neon letters!

Well, Dave is resting up and getting in very good shape. He fell down and broke his crown, but he IS NOW STRONGER THAN BEFORE! I do not believe that Dave Overton EVER turned from a confrontation and he will not do so now.

Even the books GG still holds, somewhere—have

Dear Dave:

I am sorry that you have had a problem resulting in your being moved.

I thought you should be aware that the latest attorneys for the Ekkers have quit them. They know the TRUTH of it. This makes one continuous game of them hoping that they can get more money to squander.

Currently there are investors with over two million dollars invested with them seeking the return of their funds by legal means and the Ekkers keep blaming others and by the way promising them your gold they claim when they get it. I should say if they get it through the channels of supposedly giving it back to you, then allowing your transfer to the Institute which EJ signs on. I haven't figured out how he can pay all of these people with the funds he has promised with the small amount of gold that was delivered to me and the \$5,000,000 (Five million) that he testified to that HE HAS RECEIVED. I wonder where all the money is? Greed is funny. We showed checks in our court work up, where we paid in excess of \$800,000 over income for two years and did not include the 1½ years of other expenses nor all the attorneys Fees paid defending ourselves over the nonsense they alledge,

The Supreme court only has two avenues or options because of the rules of civil procedure, (a) return the gold to me or (b) return the gold to court and include you in the law suit in which we will start all over again only you will be brought back into the courtroom so you can hear the lies from EJ and Doris (See attached letter from Leon Fort) and how they twist everything around.

I wish you well, and hope you get your health back. We are planning to come to Dallas for a seminar later this year and will see about coming to Austin.

Regards,

George Green

an erroneous statement of his ownership as "Publisher", but any rights are not "Ekkers' "—they belong to the Institute as collateral for now well over \$200,000 resulting from cash loans to Greens. Ekker may well have made some mistakes in his allowance for George Green to gain these funds—but GG set up the program through his wondrous resumé of expertise and left the Institute holding the empty bag—WHILE GG WAS STILL AN OFFICER AND DIRECTOR OF THE INSTITUTE. THESE ARE NOT LITTLE UNIMPORTANT GAMES, READERS; THE INSTITUTE IS A CORPORATION IN EXCELLENT STANDING—AND THIS IS ILLEGAL FELONY CRIME. This collateral now is worthless for it will cost far more to remove the garbage from the books than to junk them and reprint. I begin to wonder if GG has any idea how stupid he appears.

If Ekkers had stolen \$5,000,000 what in the heck are they sticking around for and how could there be an additional \$2 million under attack? Every unhappy camper CAME INTO THE PROGRAM THROUGH AND FOR GEORGE GREEN! NOW DOESN'T THAT STRIKE ANYONE AS CONTRADICTORY TO HIS RANTINGS? I would observe here that GG is terribly concerned that this series of legal cases is going to work out correctly and he is going to end up in jail. Ekkers have promised nothing to anyone about Dave's gold—they didn't know about it, never had it and won't have it. George, however, has!

George continues to holler about Leon. Well, what about Leon? Leon came into the program because of, for and by George Green. He then, at GG's direction, demanded gold in metal from the Institute. When confronted with Corporation regulations he acted as if he never heard of such procedures—and since GG HAD THE GOLD—why, pray tell, did he not effort to get his "gold" from GG? At the time of request—George Green was an active member of the Institute's Board of Directors, had checking and banking privileges at Sanwa bank as a check-writing person right in Tehachapi, California and God, help us all—was starting his own DEVELOPMENT program with Institute funds and people.

You will all find out WHY—because John Schroepfer is back on his feet and remembers EVERYTHING—including GG trying to get his funds IN GOLD. Interesting? So be it.

ALERT: OVERSEAS BANKING ACCOUNTS

You people who refused to consider I might be correct about the attention to overseas funds, accounts and trusts—had better go back to week-before-last's paper. The law (IRS) is coming down hard and is fully planning to freeze those accounts and open the private trusts! The ANNOUNCEMENTS have been made and the "troops" are at ready. Further, the first sniveling balloons are released about gold confiscation "if things worsen". Well, things have worsened!

I do not care what any salesman tells you, including Green, Patterson—anybody. THIS IS WHAT IS HAPPENING! Life itself is what happens while you are making other plans—why should GOVERNMENT of a NEW WORLD ORDER be better elsewhere for banking? America, after all, is the last to FALL! If you can't find protection in the U.S.A., good friends—there isn't any! "Time" for transfers is now very, very limited but you had best be working out methods of reporting "trusts" because it is going to be demanded—WITH PENALTIES AND INTEREST, we are told.

"But the experts told us it was safe and sheltered! And, they continue to tell us that we have a right to..." Oh? Your funds are safe and sheltered and can't get away—from "THEM". I told you it would be only temporary at best, these measures which SHOULD serve well. Looks about right to me.

Wake-Up Call From Esu "Jesus" Sananda

6/22/95 #1 ESU "JESUS" SANANDA

I Am Here. Sananda present in Radiance and in Service to Aton of Light.

Peace be with you this day, for the hour of great tribulation grows close indeed. Tend closely the tasks at hand and spend not idle hours idly but rather in preparation for times of hardship. Great will be the numbers who shall perish to the viruses and the plagues, and greater still shall be the numbers who literally starve to death for lack of sustenance. And those who shall find food shall likewise starve, for their food shall contain no nourishment therein, hence the admonition to prepare, prepare, prepare for the hour draws nigh.

And as you prepare the soil, so shall your yield reflect your preparation and, in this instance, it shall clearly be shown to all that haste makes waste and in

the times before you it shall truly be: waste not, want not. Tend your medical supplies and, if you have already done so, take stock of that which you have and that which may need to be replaced for soon the shelves shall stand empty in many areas and the hospitals shall appear as "M*A*S*H* units". I do not tell you these things to generate fear for fear is not, I repeat, fear is not of God. Lest you know what descends upon the land, how may you tend that which needs tending the most?

"And as it was in the days of Noah, so shall it be also in the days of the Son of man.

"They did eat, they drank, they married wives, they were given in marriage, until the day that Noah entered into the ark, and the flood came, and destroyed them all." [Luke 17:26-27].

We of the Hosts stand at the ready to assist our

beloved brothers and sisters of the ground crew. Be ever mindful that you have chosen your service and the work is but at the beginning. Shore up thine hearts and shore up thine will and you shall be given the physical strength to see the journey through to completion. And what, you may ask, is this completion? Ah, it is Glory!

Hold firmly in the Light and you shall soon meet friends the likes of whom you cannot imagine, for my crew grows weary and lonely for their home also. Be ever mindful of the many who have come in true Service to assist at this time, who must remain stationed about your skies, for they are your brothers and sisters and it is because of their love of God and their compassion for you, their brothers and sisters, that they serve. So remember them in your prayers!

Think to thine brethren, and in the assistance and preparation for your brethren shall your own assistance be rendered unto you. Expand your thinking, for those who remain confined in the narrowness of their own life-cell shall watch as the journey passes them by and not know why. And for many they will not even know it has happened. So, look to the horizon and ask yourself: How may I help my brother? And therein you shall have help.

Editor's note: The following passage is taken from page 120 of the Phoenix Journal (#2) called AND THEY CALLED HIS NAME IMMANUEL—I AM SANANDA:

Verify, verify I say to you, this is how it will be. And this human race will not pass until all of this has come about. Heaven and Earth will pass, and the universe also; but my words will not pass, for they are words of truth within the Laws of The Creation.

No one knows of the day nor hour that all this will happen, nor do the guardian angels of God, nor I Immanuel, but God alone Who has the greatest wisdom, knows. He is the ruler over these human races and to Him is due honor and praise, and He, too, owes honor and praise unto The Creation which is above all.

Hard Lessons Along The Road

Hocus-Pocus Will Continue Chaos, Only Focus-Truthus Will Bring Order

6/22/95 #1 HATONN

ORDER AND DISORDER

"Order" is "categorically" (absolutely) splendid for this represents "non-chaos". However, a library filled with "dead" books can be categorically in order and yet have no "balance". Let me see if I can paraphrase a bit better for picture value. If you have a motor which, say, runs on a fuel of gasoline, air, etc., and let us say you have six cylinders to cause this motor to release "moving" power. You have ordered chaos going on within each cylinder as the piston functions and fuel ignites and thus and so. This is "contained chaos" and "potential" power (until released in "orderly" sequence). So, you have total chaos on either side of a BALANCED machine. This is only for example, so please do not ask me to go into the mechanics or physics of a cylinder for exploding gasoline.

Let us suppose, however, that the balanced center of the motor is suddenly out of balance—say a couple of spark-plugs foul and a couple of cylinders fail to fire in proper sequence—on the same side of the fulcrum. Not only will the power be instantly diminished but the motor will run so roughly (if at all) as to shake, rattle and eventually fall apart rather than "roll".

Perhaps a better picture-gram (mental holograph) would be a rocket with two thrust engines on either side. If one fails to fire the missile becomes totally unbalanced and the one that is thrusting will push the missile right back in circles to where it came from and actually eventually cause a whirlwind, whirlpool or tornado! In fact, all we have to do with an enemy missile is simply neutralize ONE thruster to dump the thing right back on the sender as it leaves its launcher. Once airborne all we have to do is, after launch, disable one thruster "side" and then kill both thrusters. Would we do such a thing? Yes indeed. Through manipulation of missile thrusters we can send your toys right back to launch-pad, or wherever it seems appropriate—but always back to sender of the cute death machines. He who launches death machines against a brother, be the brother earthbound or spacebound, inbound or outbound, is going to be the recipient of his toy's intended chaos. Chaos comes in myriads of forms.

ENERGY

We aren't really interested in the physical toy, and why bother with it when the physical is so nicely CONTROLLED by the energy flow? We have discussed this many times: you cannot "blow up" a true SPACE machine. The only way physical damage "take out" CAN occur is through disruption of energy fields. This is what your accelerators (scientific apparatus such as in Texas) (to the person who inquired) are for—to create a weapon that can take out alien ships through laser energy beams AND to power such lasers for such as Operation Blue Beam and other cute little products of unbalanced minds as well as for use as weapons. When you start dealing with prana (life) energy—which some call "scalar", you are dealing with that which can outrun capacitors and blow out transformers

and it has happened often. It happened in Russia [at Chernobyl] and it has happened a couple of times at the Lawrence Livermore Labs in California (which was almost the end of your U.S. West Coast—at the least). By the way, unsuspecting friends, biological material in living form can be scattered through those laser beams and is—with pinpoint accuracy. The system has recently been tried and found effective in Africa. The point "there" being to immobilize an isolated area with short-lived viruses, render it helpless and then let the disease do its work. As the infection plays its "course", then the take-over is accomplished. The outbreaks at onset are always in remote villages where the testing can be "controlled" and observed.

SPIRITUAL BALANCE

He who calls out in the name of "peace" is easy to discern as to intent by the balance or unbalance of the caller, himself. You can CLAIM to want peace, for instance, but unless there is spiritual peace within the speaker it is but empty unbalanced rantings to deceive you who listen. Unless your thoughts, which keep that part of the universe wherein each of us stands, be in balance, there is NO BALANCE and thus, NO PEACE. The enemy of God efforts to maintain the masses (YOU) in ever-changing, ever-increasing chaos, unbalance and disharmony. So far the "enemy" grows more powerful in his abilities to produce this through energy fields which you cannot see or hear and, much the more, cannot understand for you mostly know not that they exist. In this manner of "control", the puppet-masters who have invented the story-line for your holographic experience have total ability to manipulate and YOU INSURE THEIR SUCCESS. How and why? Because YOU are the one contributing the individual energy to the role you play. Until, further, YOU come into total balance spiritually—you will continue to give energy to your very own enemy for it is Universal LAW. WHEN YOU GET SPIRITUALLY IN BALANCE—YOU CONTROL THE PLAY! YOU CANNOT HOWEVER, TAKE A BUNCH OF HOSTAGES AND SHOUT "I WANT ONLY PEACE" WHILE YOU SHOOT THE HOSTAGES, FOR YOU HAVE SIMPLY INCREASED THE POWER OF THE LIE.

RESPONSIBLE ACTIONS

Responsible actions are the result of totally responsible knowledge and, ultimately, KNOWING. For "others" to see and hear TRUTH, it must be demonstrated EVERY TIME. The details of a thing may be flawed but the focus or concept must not vary. Sometimes the very split second of "time" in detail must not vary.

Example? Well, let's see. We have Mr. Ted Gunderson objecting [see box on next page] to CONTACT'S running of information which states that Gunderson is attached, or something such, to the ADL. At first Mr. Gunderson spoke in objection as if he did not KNOW what ADL meant or what the organization is. Next he claims he is simply not attached to it or any other organization. So be it. The presentation is what should be noted—not a blithering organization or that

of another. The facts are that the information originally came from one whose presentations have been without peer or errors save in tiny misspeaks or errors in "first names", etc. Well, if people change their names to protect their guilt—it is easy beyond modern belief to recognize all the aliases. This is also not in point at this writing focus.

THE POINT? Well, someone has sent a document to PROVE the type of bomb used at Oklahoma City's federal building. I will only use three reference points regarding that bomb. Mr. Gunderson presented the information in point, regarding the bomb. He in turn said he got his information from the infamous Riconosciuto (OF "INSLAW" FAME). He thinks Mr. Riconosciuto is "brilliant"—which may well be true—for we find him in prison which is positive evidence for his modern-day annoyance of the politicians.

Well, Ted Gunderson is a 28-year top veteran of the FBI, now retired and has his own investigative agency. He has done some of the best investigative work on Satanism that you will ever find. He also does investigations for *Mishpucka* F. Lee Bailey, Esq. (Attorney with foreign title of nobility), who describes him as a person "Whose investigative skills are unsurpassed by anyone I know or have known."

THE BOMB DESCRIPTION

The above certainly does not present as anything that will discount his presentation of the bomb, its mechanism or its possibilities—however, the very write-up presents such contradictions as to render a reader unable to know what the heck is afoot. Is the concept correct? Who knows?

Note the following statements and see what you can decipher. And recognize that actually Mr. Gunderson is not responsible for more than one of the inputs, we suppose, but cannot have insight from this document in hand.

[QUOTING:] *America Today*:At 9:04 am Central time, a bomb ripped through the Federal building in Oklahoma City. Also at 9:14 am Central time a second bomb ripped through the same building. A third bomb which would have leveled the building was to go off also, but did not, was found and removed... [END OF QUOTING]

This led into the document letter from Mr. Gunderson from which we find the following:

[QUOTING:] ...There follows a copy of a seismograph from the University of Oklahoma Geological Dept., Norman, Oklahoma.there were two surface waves, one at 9:02 am and 13 seconds and the other at 9:02 am and 23 seconds on April 19, 1995 (Ten seconds apart). He stated this chart indicates two detonations... [END OF QUOTING]

Fine, with one exception—in an abstract also presented by Mr. Gunderson comes the following:

[QUOTING:] ...Basically, the explosives (sic) itself is Ammonium Nitrate, however, the Ammonium Nitrate is detonated 10 to 15 milliseconds later in a secondary and more powerful blast... [END OF QUOTING]

These are SERIOUS DISCREPANCIES! Does it not become obvious why people toss aside the information? Each statement may well be a simple misspeak or typographical error—but the combined result is mas-

sive disregarding of credibility.

[Editor's note: This was one of the problems I addressed publicly in the middle of the Front Page editorial in the 5/30/95 CONTACT because weeks later, the misinformation was still flying around the radio talk shows and other gossip circuits from Gunderson's original wrong fax on the subject. When Rick Martin (who is in regular contact with Gunderson) first showed me that original bomb information, it only took a few seconds to spot a serious flaw, and so I asked Rick to inform Gunderson that the time interval between bomb blasts, according to the seismographic record, was 10 seconds, not 10 milliseconds. This alone is a serious credibility flaw for one proposing to present accurate technical data to "make a case".]

I am reminded of the beautiful lady on TV who handles the long evening news on a channel in Los Angeles. She is a Black person with nice presentation and seemingly "informed". But oh my, a couple of nights ago there was an almost 3-hour "hot pursuit" of a bashed up truck with one Hispanic driver aboard, two

rear tires shot out and which never went, at most, over 45 mph. This filled ALL the news and nothing else escaped into the news during this CHASE. We will leave the chase for it was so absurd as to simply give all viewers a guided million-dollar (literally) tour around all parts of the Marina, high rent district, downtown, Beverly Hills and all points (two or three times) in between.

It is the description of the truck and wheels which was so impressive as regards the TV announcing personnel. A report from an eyewitness stated that the truck was "...a dually" (pronounced "dooly" [I guess]) with at least one "outside" tire "gone". Now, the wizards are there LOOKING at the pictures and yet, with ability to see the truck clearly—there could be no conclusion as to what a "dual axle" might be nor what could possibly be described as "an outside tire" being "flat". Well, the sparks were flying and the streets gouged and still the joke continues, some two days later, about the foolishness. As a matter of fact—after looking at the picture for three hours and as commentary continued, it was decided that the "dually" meant

it has three axles, "two on the back and one on the front". It was actually even more ridiculous than the above for the commentators continued to say that there were no "back rear wheels" [speaking of being "out of balance"!]. And again, this continued after the commentators were INFORMED that the police had disabled the rear right tires. Now we move on and the story went that the "cops had shot out the back rear wheels". Then the CATCH came when the cops "shot out the left rear wheels". Facts? Oh let's not spoil the story but let it also be recognized that the "cop" who disabled the truck—took his pocket knife and punctured the outside tire and sliced the other. This while the truck was totally STUCK between two unmovable objects (apartment buildings). The driver had to decrease the size of the vehicle to fit through—which happened with continued ramming of the buildings until the truck folded. Now this was some kind of chase, readers. A disabled truck running on rear hubs on one side and crushed like an accordion with gaping wounds going for some almost 3 hours "hotly pursued" by at least 9 patrol cars at 25 miles an hour through every part of downtown Los Angeles and suburbs. The entire city was at a dead standstill. And the offense of the driver? He turned the wrong way onto a one-way street without his headlights on. The first "officer" was not a policeman, actually, and only wanted to stop him and turn him around.

The kid (early 20s) was terrified for he had "received a piece of stolen property" before and was on "probation". Now this child will likely spend until his dying day in prison.

WHY ALL THIS DISCUSSION?

Why? Because you have to be discerning and learn EVERYTHING you can possibly learn so YOU know what goes on without depending on TRUTH from a controlled (and they don't even know it) bunch of robotoid leaders. This lady is only on the newscast because of regulations demanding distribution of races rather than quality of anything—much less ability to do a job.

Now, who can be blamed for such garbage? The police? No, they did exactly the RIGHT thing by protecting the public, blocking off streets to allow no one to get hit or panic the driver who could, at the least, have bashed up a whole bunch of other cars and people. The police followed until they could safely stop the vehicle and driver, take him into custody and safely follow-up. Was the driver of the truck to "blame". Yes, for his actions, but terror does a lot of damage to "reason" and with a city shut down at every street and a dozen or so cop-cars behind you with officers with DRAWN GUNS shooting at you every time they got close—WHAT WOULD YOU DO? I have whole groups of militia troopers in sight who plan to blow away any enforcement people who might cross them. So the real fiasco again boils down to media coverage and totally absurd broadcasting.

What of the "other" channels? This is the only news on the TV at that time of evening (Ch.9). The others picked up the "chase" as programs could be interrupted.

I have to again ask Mr. Gunderson why CONTACT should make "retractions" about him—when we can't figure out if he speaks in milliseconds, seconds or minutes when a bomb is not very forgiving—especially when it BLOWS. Therefore, all of our information is offered with "qualifications" as to accuracy—for we can't always WAIT until proof is present in total application to offer you some shred of news. Further, we ask some forgiveness if we misspeak for certainly it is not the intention of CONTACT to offer anything other than truth in publication. In this old world, readers, THAT IS A BITTERLY HARD TASK.

SPIRITUAL RAPE

Do I object to people belonging to organizations? No. I only object to ones who are belonging to and

Ted Gunderson Refutes "ADL Connection"

Editor's note: Mr. Gunderson has objected to a statement made by Commander Hatonn on p. 25 of the 5/30/95 issue of CONTACT. We first print Commander's cryptic, cautionary statement and then Mr. Gunderson's objection to same.

5/24/95 #1 HATONN

WHY ARE OTHER GROUPS, SUCH AS SPOTLIGHT AND MILITIAS GETTING FOCUSED ON AND NOT CONTACT?

Because we offer NEWS (both sides) and we HAVE ABSOLUTELY NO GROUP—NOT EVEN A PHONE NUMBER OR ADDRESS other than the CONTACT office. No one in any business has any business at all in any other business. We are not at war with anything—our purpose is to bring you the news and tell the truth. Your enemies know the truth and they don't think enough people will listen to us to make any difference at all. So, we represent "small potatoes" BECAUSE if they take on THE COMMAND of HOSTS, they are going to get wiped away right quickly!

Continual efforts are made to get us "set up". So, if we seem insulting to a given party at some time along the way, forgive us—BUT—we are not falling for the bait (or the non-bait as the case may well be).

We have offered, for instance, the information regarding the BOMB, etc., of Mr. Gunderson [see page 19 of 5/9/95 CONTACT]—however, it is erroneous information and it becomes reasonable as to why it is erroneous. He was a solid and substantial Intelligence person in the recent past. He is focused on Satanic expression and Ritual Abuse. He is said to be a working factor of and in the ADL and is given wrong information as distraction. We can offer

everything he brings and, balanced against the other insider information, the truth will emerge. If his be truth, fine; if not, you will know.

6/21/95 TED GUNDERSON

To: Rick Martin, CONTACT

I was amazed and astonished when I read in your May 30, 1995 edition, page 25, that my information regarding the Oklahoma City bomb was erroneous, but this is understandable as I am said to be a "working factor of and in the ADL", and am giving ["is given" is the correct—and significantly different in meaning—phrase used in Commander Hatonn's commentary.] erroneous information (disinformation) as a distraction.

I have been on at least 25 national and local radio shows plus lectures, and in every instance I have suggested to the audience that they subscribe to CONTACT and other non-mainline publications in order to be properly informed as to the current events. Do you believe I would be touting your paper and the other publication if I was involved in the ADL? I have been asked to be a spokesperson and on the board of various "Patriotic" organizations. In each instance I have declined because I am concerned about infiltrations and disinformation. So to put it plain and simple, I belong to no organization other than the Society of Former Special Agents of the FBI, nor am I affiliated or aligned with any social or political agendas. I am strictly the "Lone Ranger". I do, however, have my own "Tonto" working with me. He is my Technologist and Intelligence Analyst and he is very competent. I am a loyal patriotic American who loves his country and I am totally dedicated to seeking the truth and exposing corruption and Evil.

Is! Ted Gunderson

working within organizations whose sole intent is breaking down freedom into controlled slavery. When ones, such as Masons, who recognize truth of intent of the originally established organization such as "Freemasonry" and "Illuminati" and refuse to see and hear truth, the refusal reflects intent and deliberate action from that intent. Actually it is more than "that". The ORIGINAL establishment may well have been in honorable and good intent—only to be usurped by the "Usurpers" for inroads within society to gain power and control. It happens every day! Especially, it happens in the so-called God-Churches where the "in-mates" are dragged around by the rings in their noses and who are willing to even PAY for the privilege of being spiritually raped.

I stand accused of being a boogy-man dealing fear and fire. Am I? Who is a boogy-man? I carry the lamp to LIGHT all the dark corners; I NEVER fail to protect both spirit and body, and I tell you who I am and what I am about. The other comes sneaking in the dark, bringing pain and mystical terror, disinformation, abductions and FEAR while making sure the places remain in the DARK. WHO IS THE BOOGY-MAN—THE ONE WHO BRINGS LIGHT AND TRUTH—OR THE ONE WHO COMES IN DARKNESS AND LIES?

GOVERNMENTS

Let me ask you another "hard" one: If both facets of government LIE to you—WHO IS THE BETTER GOVERNOR? How do you arrive at your conclusion? If neither allows your input (you know: Government by the people and for the people and of the people), again, which is better or worse? No, don't turn away and say, "Oh well..." Why do you not sidestep ALL the lying controllers—and take your stand on the LAW OF CONSTITUTIONAL AUTHORITY, WHICH IN ITS PURITY WAS STOLEN FROM THE NATIVE AMERICANS ANYWAY, AND BUILD? Are you only willing to TAKE UP GUNS AND WEAPONS AND "TAKE BACK" YOUR GARBAGE? Many might respond, and do: "Well, it's 'my' garbage!" WHY DOES ANYONE WANT GARBAGE—SAVE THE GARBAGE COLLECTOR AND ENERGY-FROM-GARBAGE PRODUCER? YOU CANNOT BUILD A NEW STRUCTURE ON A BAD FOUNDATION AND EXPECT IT TO STAND IN PERFECTION! (Go check the Leaning Tower of Pisa!)

UPCOMING EARTHQUAKE DANGERS

How stable is San Francisco, as another example? Not very! The most needed one institution in Earthquakes is a hospital! You have five major hospitals in San Francisco BUILT ON TOP OF THE HAYWARD FAULT! That fault runs right through the major STADIUM, as well, and moves offshore under the CIVIL DEFENSE HEADQUARTERS. Could it be that somehow the real-estate brokers had a reason that the LAND WAS REASONABLY PRICED AND THE CITY "GOVERNORS" TOOK THE LOW BID? Ah, are we beginning to have a candle flicker?

How about Los Angeles? The new subway RUNS RIGHT WITHIN THE WORST UNDERCITY FAULT ON THE COAST. No, not the San Andreas—the Elysian Park Fault—which is expected to rupture at somewhere around a "10" or more on the Richter scale—ANY MINUTE!

How about moving to the East? OK—what about that New Madrid Fault? Good brethren—it has already changed the entire river course of the mighty Mississippi River and wiped out entire towns. IT WILL HAPPEN AGAIN—WORSE AND BIGGER!

Back to the West: There are a couple of nice lakes "made" RIGHT ON THE SAN ANDREAS Fault which are great for boating and fishing. These are RIGHT ON THE FAULT, which is ready to produce the Big One at any minute!

Why don't YOU know? I don't know but I have a pretty good idea. If you were guilty of setting-up unsuspecting people when you are supposed to be the servant (as with public officials), for sure death and destruction and loss, would you want your employer to know about it? I would reckon not! And, you "employers" (citizens) of those hoodwinking criminal "employees" (politicians) not only don't do anything to the guilty employees, but attempt to stone to death the messengers who point out the crimes! Ponder it. I'm sorry, readers, for the O.J. Simpson "gloves" DID NOT FIT and the Emperor's New Clothes ARE NOT THERE! Until YOU face truth—there will only be THE LIE

GOD always sends His troops (messengers) when the problems present—and by the time the problems are "troubles" we are in full force. But most never find us in the midst of the LIES. The LIGHT is always there for the seeing—but most just keep trying to "put it out" so that their own perceptions of themselves are not "found out".

upon which you will surely FALL.

BEWARE END OF O.J. TRIAL

Be wary of the ending of the Simpson trial—for that is when the massive riots are set to begin! The Mishpucka does its work WELL. This is also why such an institution as the biggest hospital in the nation—WILL BE CLOSED IF NOT STOPPED—so that the people of Los Angeles are HELPLESS DURING THE UPCOMING CHAOS OF RIOTS AND QUAKES.

Am "I" out of my mind? No, but you may well be out of yours if you keep dancing to the "goody two shoes" and twirling about in deceptive circles like Pollyanna in the Witch's star. Hocus-Pocus will continue the chaos—only Focus-Truthus will bring order and, eventually, "Balance".

How does the "jury" feel about O.J. Simpson? Who knows? I can tell you this, however: if the case was about attorneys and judges as in all the attorneys involved along with Judge Ito—the jury would release O.J. and hang the rest. This case has allowed a system that had occasional redeeming justice in isolated "spots" to be totally and irreversibly destroyed in the eyes of the entire WORLD. Mankind no longer can turn for justice to the LAW set forth to protect him. The outcome of this trial by media and corruption matters NOT—for the controllers have it "structured" that either way it goes—there WILL be insanity abounding, correlated with other happenings as in a carefully choreographed soap opera. Worse, most of you will not even realize—EVER—that you have been royally screwed.

TASK OF BRINGING TRUTH

Does it matter to me? Yes, but not terribly, for your choices are yours—my task of truth-bringing is not changed by YOUR choice. I am not at WAR with anyone over anything. My mission is to offer a hand as requested and the truth—no more and no less. Interference is not acceptable—intervention is carefully studied at all times. Are there "star wars"? No, no more, that is, than on your "star"—isolated and totally stupid. But, you are correct, as with "your" garbage, it is "your stupid" so you have a right to hold it and fight for it if you so choose. I find stupid garbage to be the major polluting factor on your globe.

When global society is reduced to robotic control by slap-stick stupid actions, violence, terror, fear, disease, war, blood, immorality, deviance in all manners of

ways, corruption, greed, lust and resulting acts of lust, rape, pillage and plundering, disrespect for anything or anyone—you have trouble! YOU HAVE TROUBLE IN A BIG WAY!

Do "we" have trouble? NO. We have "problems" presented by the "troublers" and "troubled". We also have "SOLUTIONS" for our problems. There is a gargantuan difference. When the SPIRIT is centered and Balanced there may well be continuing problems which "trouble" the consciousness—but the being is not thrown into chaos by such disruptions. For example, Dharma has problems which "trouble" but they do not disrupt the balance of Spiritual status. This makes the "problem" "objective". When the problem causes perturbations to the "Spirit" it is "trouble" but stability can be regained by KNOWING TRUTH. Does this mean that the problem will "go away"? No, it means that in wisdom it is known that every problem has a solution. Wise handling of the problem offers dissolution of the "trouble". Unwise action will enhance the "trouble". Therefore, WISDOM becomes the method of desired operation. Is this always possible? Yes, but it is rarely ALWAYS presented as the chosen "possibility". No man has a "corner on the market" of unwise decisions. There is, however, a WONDERFUL SET OF GUIDELINES which, if always utilized in every action and decision, will merit WISE DECISIONS AND

SOLUTIONS. At the time of the "trouble" it is usually not immediately recognized by the individual as only a "problem", Dharma included. Recognize which is assaulting and RESPOND carefully. Do not REACT wildly. The resolution will always come through wisdom in response to a problem presented. Trouble will simply be enhanced by the REACTIONS in ignorance of ego tantrums and demands.

Am I some kind of nutty expert on Spiritual and emotional "stuff", i.e., "problem" vs "trouble"? No, I am an "authority" on the subject through learning and experience by gaining WISDOM through both. JUST LIKE YOU! I learned but perhaps you have yet to learn? I know who I AM; who might you be? If you begin your response to this last question with "I think..." then you have "trouble" or at the very least—a "problem". If I "know" and you only "think" then, by universal law, I've gotcha' two to one and have all the trump cards still holding.

GOD always sends His troops (messengers) when the problems present—and by the time the problems are "troubles" we are in full force. But most never find us in the midst of the LIES. The LIGHT is always there for the seeing—but most just keep trying to "put it out" so that their own perceptions of themselves are not "found out". God KNOWS, students, and when the big "professor" in the sky, Who CREATED you as a wondrous machine, KNOWS, there isn't anything else worth noting to continue to HIDE from.

I certainly am not here for your "religious" exercises, friends; I am here with facts as they ARE. I don't deal in wishes and druthers—I DEAL IN REALITY—not within YOUR ILLUSIONS AND DELUSIONS. IF YOU DON'T LIKE THIS FACT, THEN I MOST CERTAINLY SUGGEST YOU LOOK AROUND YOU AND THEN VERY CAREFULLY AT SELF. If "I" am somehow a threat to you—perhaps you had better ask "why?". If I but represent one more 68,000 year old space cadet—why would that concern you? Why would my message concern you? Why? BECAUSE I AM NOT! AND MOREOVER: YOU KNOW IT!

I don't need to hang around and dwell on the "shortness" of "time". We can speak of events and sequence of events—but "time" actually has no meaning at all. You have all the time in the universe—infinite eternity. The point is: WHERE WILL YOU EXPRESS THAT ETERNITY? HUMMM-HUMMNN!

Salu, have a "hard" day. The "nice day" routine is a Khazarian phrase meaning "sleep well".

Re: Segment on Conspiracies, i.e., Oklahoma City Bombing

You really outdid yourself this time. You said "millions of people" believe the conspiracies the segment talked about, and yet you still made fun of them! Those "millions" happen to belong to a network that is snowballing at such a rapid rate, it's about to replace yours and, hopefully, sooner than you think. Very soon TV networks won't be needed. They're already not trusted by enough people who will surely educate those who don't know better. Those millions also happen to be true Americans you didn't want to believe existed. But they do exist and they're out seeking the truth like never before. They're investigating, faxing, printing, talking and learning all because you and your obvious lies have made them aware that something's wrong. With or without you, the truth about this Oklahoma City bombing will come out, and you're going to look much worse than foolish—but downright rotten after the next few days when our "millions" get on radio and fax networks; when the truth comes out that all your job actually consists of is interviewing and investigating people only to gather the truth for your higher-ups, only pretending to bring the news to the people by saying just enough to get by. You've never gotten yourselves in so deep before. This time we who network together know who you interviewed and how long it took—how much of it was made "light of" and how many minutes of it ended up on TV that amounted to anything much. However, we do have to thank you for alerting the rest of the people that there are quite a number of us who know something's wrong with the Oklahoma event. And we thank you even more because you've actually proven to us this time that the main truth lies on your cutting room floor! Last week's "Panic" letter—in the fax box all week for millions of people around the world to retrieve—alerted the fax network that Ken Vardon was interviewed and we'd have to wait to see if his interview was going to be aired out of context or cut to a one-liner. You got many more listeners this week because the networks were told *Dateline* was doing interviews on some of our "friends". Nobody will have to let them know they don't have to watch you anymore. You alerted them—not only about the "millions" who know something's wrong in the Oklahoma story, but for the WAY you did it, letting them see for themselves how you treated this very serious problem with your usual discrediting remarks in several instances. What you didn't realize is that these people are watching for that now. As soon as you belittle someone, they know there's a story there. You VERY carefully selected the two lines Ken is known for saying, one of which is, "We can't trust the media." That wasn't being clever on your part—it was about the only thing you could print about him to save both your faces.

Until now, all those "millions" have only supposed what you do is cut out the best and play the ridiculous—and this time they know (or will in a few days), their suspicions are confirmed! It seems to me you do as the newspapers and drug-busters do—use your show as a

tool to interview those who know what's going on because that's the only way your bosses could get the info they need to find out where the leaks are. So you keep playing your little game of feeding the people with tidbits of nonsense information, while the truth on the cutting-room floors gets traded for your paycheck. And then you make millions on your 900-line questioning the people to gather more info—using the people and making money off their answers—surveys whose results I'd never believe—surveys as a front to find out what's really in the minds of the people and how much they know. Every dog has his day! Within days the people will be convinced of what they've only supposed for a long time. Your bosses must be really worried now. They'll never find the leaks in this one. It's been the sloppiest cover-up to date, and all of America is watching closely. All truths will come out. There are thousands of independents out there digging up every loose end. They've educated themselves and they know what to look for. It's a nest of snakes—and you're one they've pushed out into the public to do their dirty work—and you deep doing it, as well as Brokaw, Rather and the rest of the traitors in your business. At one time people were proud to say someone in their family is in the FBI—now they're embarrassed and hide it. Your job is coming to that! Where you used to strut in the open with pride, you'll soon have to cover your face and run. You can make your funny little comments about other things, but it doesn't go over too big when it comes to the taking of innocent lives to show a fake example of why the government must hurry and take the upper hand, take the guns, quickly pass new laws taking more of our rights away every week. Don't think for a minute I believe that any of your people who run your show believe much, if any, of what's aired. The shadow government is the villain and the people are already becoming aware of it by the millions. They're also becoming aware you're one of the villains' main stooges. It's written on the wall. In America you're one of two things—a patriot or a traitor. Years ago nobody needed to talk or think about it. Today EVERYBODY's thinking and everybody's labeled—there is no in-between! You've always known you've talked out of both sides of your face. Now all of America knows it!

REFERENCE: Your segment this date on conspiracies-Oklahoma City

1. Debra Von Trapp is a dangerous and well-connected person. It is common knowledge that Japan's espionage agencies are active in large numbers all across America. They did not consume the electronics,

automobile and motorcycle industries by accident. (They also own the building you are in.) It was Matsushita that sold silent propeller technologies to the Soviets. Now we cannot find their subs. I have the von Trapp documents if you want them.

2. The bombing in OKC follows a textbook CIA pattern. The destabil [destabilize] and agitate was used against Allende in Chile, Noriega in Panama, Mossadegh in Iran, etc., and etc., and etc. I know lots of people and they all believe the US Government did it. Why was the mother of two babies killed told to "shut up and stop asking questions" when she asked why 19 BATF agents did not show up for work that day. (How about 6 kids who didn't show up for day care?)

3. You will look rather stupid if you continue to try to discredit Gunderson. He is obviously in control of his faculties and he did not get to be FBI Chief of Station at Los Angeles by being a dumb-ass.

4. Michael Riconosciuto is a very high-ranking CIA Officer who is a victim of CIA internal turf wars. I am very familiar with other CIA agents like Gunther Russbacher and Liam Atkins who also are in prison. Don't forget Ed Wilson, Robert Hunt, Liddy, etc. Rodney Stich in California can supply you with a lot of data in this area if you are interested. (510-994-1930).

5. I noticed you very cleverly flutter-fudged the first three digits of American Patriot Fax Network when it came on your screen.

Heaven forbid you let the American people get real and true information outside your scum-sucking White House-controlled propaganda bullshit disinformation pipeline.

From: Laurie Anteau, FAX: 805-685-0484

I wasn't at all surprised by the tone taken on this segment. I would have preferred, however, to see the same kind of professionalism as taken by Tom Brokaw on the *NOW* program several years ago when interviewing Gerry Spence about Randy Weaver. As I'm sure you recall, Randy's wife and son were murdered by federal agents in August 1992.

It is shoddy journalism at best to edit down the interviews of Ronn Jackson, Ken Vardon and Ted Gunderson, taking the meat out of the story and leaving only selected bites that taste like another meal.

Your attempts to discredit and demonize those of us who are trying to get the whole story told are transparent and almost laughable. I think and hope we can give the American people more credit than to believe they see the Emperor's New Clothes.

Closing The Book

On The Valley Of Radiance And Satanism In America

6/22/95 RICK MARTIN

Many of you have been wondering, when will I get back to *The Valley of Radiance*? Others of you have quietly been thinking, when is he going to get off this Satanism stuff?

In *The Valley of Radiance*, I endeavored to explain, in chronological order, exactly what has taken place over the last number of years with respect to what we have been doing in this valley—with specific emphasis on the on-going legal battle over Doris and E.J. Ekker's home. (After all, try to make a primary conduit of truth homeless and you may interrupt the flow of information! At least that was the Adversary's plan.)

Additionally, it seemed important to put into print some wonderful early writings, from the Hosts through Dharma, which had simply been gathering dust like so many lost treasures. As of the last installment of the *Valley of Radiance* [in the 5/9/95 issue of CONTACT], all of the unpublished works have now seen the light of day. The series left off at the point when the readily available *Phoenix Journals* began to be published.

Of course, there continued to be an on-going series of relentless attacks by various puppet-assailants with different names. However, the question becomes: is it helpful, now, to continue dwelling on what is past?

The original purpose of the document, to ACCURATELY outlay the chronology of those early years here, has been fulfilled. It would be quite easy for me to write for another 4 months just on the *Valley of Radiance* series, rehashing bash after relentless bash—and articulate response after articulate response by Commander Hatonn and others. But, readers, I must confess—at this point the phrase comes to mind: "Let

the dead bury the dead."

We are at a critical juncture—as a nation, and here at CONTACT, where we reflect as "a microcosm of the macrocosm". Does it truly further TRUTH to dwell beyond a measured point on sequences which we've already been through and were difficult at best. Mistakes have been made and lessons, most certainly, have been learned. There is no need to dwell unnecessarily on those past difficulties any further.

For those of you who enjoyed reading *The Valley of Radiance*, I'm pleased and I thank all of you who wrote to tell me so. There is, contained within those writings, much TRUTH which, if studied carefully, will offer new insights with each reading. Let's leave it at that.

Now, to switch subjects, let's turn to my recent work exposing the very real Satanic underground linking this nation like some perverted spider's web. The series called *Dark Secrets In Anytown, U.S.A.—Multi-Generational Ritual Abuse & Murder* was more effective as an exposé than I had ever hoped could be accomplished according to the phrase: The pen is mightier than the sword.

The follow-up series, expanding on this morbid theme, began in last week's (6/20/95) CONTACT and is called *Satanism In America*. While a new series, this is one that I, personally, and I know many of you readers, if not all, find absolutely repulsive. My intent in even writing such material was strictly educational—for how can you understand the enemy without knowing your enemy? By the conclusion of the first installment, enough information had been gotten out onto the "airwaves" that the goal of this new series was, as a matter of fact, sufficiently completed.

Moreover, we have reached a crossroads here at

CONTACT. One facet of this is that our time and the paper's space have reached critical points of stress. So we must ask ourselves: what is the best use of our paper's space and all of our time—yours and mine?

The subject of Satanism has been written about for years and the material is readily available in most bookstores. I would urge all of you, particularly those of you with children ages 1-16, to at least become somewhat familiar with "what to look for". It is a dangerous world out there for the children—particularly in light of the Satanic practices which are very real and on-going within this country.

And this is not to permanently close the book on Satanism as a topic for possible future discussion, should it become necessary as a result of late-breaking events. After all, we are a newspaper!

CONTACT, however, is continually in receipt of a wide variety of documentation which has not been published and which is not available elsewhere. Should those materials wait or perhaps never find their way into print, because we made a choice to print material which is available if you will but look? These are among the many conflicts and choices we are faced with continually. And, plainly put, the time for a change has come.

Regular readers of CONTACT should, by now, be accustomed to such abrupt topic changes, for they represent, after all, growth. We here at the paper—maybe ESPECIALLY at a newspaper—are not exempt from shifting direction, even in mid-stream. A real error WOULD come if we didn't listen to that KNOWING which gently guides the ship.

It is with this in mind that I hope you understand. Let's just call it "going with the flow" while NOT pushing the river.

Tom Wilson

CONTACT: The Phoenix Project

CONTACT is a unique and inspired newspaper for concerned citizens everywhere, though it particularly focuses on the United States because of this country's special mission in the affairs of the world. That is, "As goes the United States, so goes the world."

CONTACT is a vehicle for Commander Gyeorgos Ceres Hatonn's most recent writings on important current affairs, plus those from other enlightening sources, on matters critical to a responsible and informed public at this time of planetary transition and final days of battle between the Forces of Light and the "Evil Empire" forces of darkness.

CONTACT exists to counteract the manipulating lies and clever half-truths put out (on purpose) by the regular print and broadcast media prostitutes of the Satanic Elite controllers—parasites who are in the process of economically, physically, and spiritually collapsing this once great country (and actually the entire planet) down to a slave-state level of existence under their diabolical control plan called The New World Order.

This newspaper, CONTACT, began life on March 30, 1993, risen, like the mythical bird, with great determination "up from the ashes" of its internationally acclaimed predecessor called THE PHOENIX LIBERATOR.

THE PHOENIX LIBERATOR, in turn, began life in mid-October of 1991, having evolved from an earlier newsletter called the PHOENIX JOURNAL EXPRESS, which itself came into existence as a faster way to get THE TRUTH out to you readers than was possible with the more substantial "book" format of the PHOENIX JOURNALS. Much incredible ground has been covered so far in that mission.

While the PHOENIX LIBERATOR's motto reminded all that "The Truth Will Set You Free", the CONTACT's motto, displayed prominently in the masthead, takes that thought another important step forward and proclaims: "Ye Shall Know The Truth And The Truth Shall Make You Mad!"

The "Phoenix Project" is about those preparations needed—at body, mind and soul levels—to both understand and survive the great healing changes which are beginning to energize this beautiful little planet, now so frazzled and tortured from abuses of all kinds. We look forward, with great expectations, to the CONTACTING with all of you—a coming together that is rapidly taking place as the entire Phoenix Project "ground crew" continues to connect, solidify, and gain strength through becoming informed of THE TRUTH. Indeed, welcome aboard, friends!

THE DARK SIDE OF THE FORCE

A Historical Overview Of The Occult Conspiracy

by David Emerson GuMaér

[QUOTING, PART 21:]

THE ROTHSCHILDS

It all started quietly enough, on June 19, 1920, when a radical "jewess of Russian extraction" named Sylvia Pankhurst founded the Communist Party in Great Britain, as the British Section of the Third International. Then, on August 1, a man named Arthur MacManus, the head of the Joint Provisional Committee for the Communist Party of Great Britain (CPGB), with some 150 delegates in attendance, mainly from the British Socialist Party and the Socialist Labour Party of Glasgow, officially opened for business—on orders from Soviet Bolshevik dictator Nikolai Lenin. Among the members of that motley crew of early Reds was one John Maclean, the "Bolshevik Consul" in Glasgow, and Neal Maclean, a Labour Member of Parliament (MP). Another founder was Mrs. Dora B. Montefiore, of the old Jewish-Sephardic banking family and partners of the British Rothschilds.

These British Communists were merely following the lead of the Third (Communist) International, the COMINTERN, as well as the Communist Party of Germany (formerly the Spartacus Bund), founded during early January 1919 by Ernst Wollweber, as well as the Communist Party of America, formed in Chicago on September first of that year, out of the Left Wing of the Socialist party—by a group of Khazar-Ashkenazim

Jews.

Then, a decade later in 1929, with the base firmly laid, at the sober and sublime Cambridge University, at Trinity College, the suave Communist editor of the *Daily Worker*, one William Rust, was invited to speak to the naturally naive and idealistic young students there on that carefully cultivated and time-honored campus (founded 1546). Comrade Rust was a top representative of the then 7000-member Communist Party of Great Britain, and he was on a far-reaching drive among the spoiled children of the nation's wealthy and snobbish Elite. At this very same time, across the Atlantic to the west, a parallel situation was also quietly unfolding, but at Harvard University, only this recruitment was being cleverly conducted by the radical Bolshevik and noted Jewish Fabian Socialist, Professor Felix Frankfurter. Among the large group of young male students that Frankfurter would successfully recruit to Soviet espionage, a great many of them Jews from wealthy homes, was a very bright Gentile pragmatist and homosexual named Alger Hiss.

In April 1931, back in England now, an untidy young man named David Haden Guest, an undergraduate student whose father was a top Fabian Socialist (who had earlier been joint secretary of a British Labour Party Delegation to Soviet Russia in 1920), appeared at Trinity Hall. He was wearing a Red hammer and sickle badge on his lapel, and had just arrived from studying in the chaotically-unstable Germany, where he had been arrested and briefly jailed at Braunscheig Prison for participating in a Communist-inspired and -directed street demonstration. At that time, all such demonstrations and riots, as well as assassinations, were still being fomented by the Khazar-Ashkenazim Communists who controlled the 8,000,000-member Communist Party of Germany (KPD). Their only *real* opposition in all of Germany was Hitler's growing NAZI Party—and its almost equally ruthless and exceedingly brutal Storm Trooper Brown Shirts (SA), led by the scarfaced and noisome homosexual pervert, Capt. Ernst Roehm.

Founded January 5, 1919 by the Occultist Anton Drexler as the German Workers' Party, this Pan-German Nationalist group would be joined that September by Adolf Hitler, Capt. Roehm having already become a key early member. In 1920, this Party would include the words "National Socialist" before its name and subsequently grow that year from 54 to 3,000 members, mostly former patriotic officers and soldiers who had fought in WWI. Nazism, please note, was a LEFTWING aberration, and only "RightWing" insofar as it was situated on the extreme Right Wing of the overall

LEFTIST Socialist International political spectrum, just as Communism is situated on the extreme Left Wing of this admittedly complicated subversive movement. Zionism sits somewhere in the middle of this LEFTIST spectrum.

Upon Guest's hasty return to England, now fully radicalized by his quiet sobering experience, he had promptly joined the Communist Party of Great Britain and immediately set about forming his *own* Red Cell there on campus, as instructed. Before long young Guest was successful in recruiting a small core group of other undergraduate students at Cambridge, one of whom was the noted surrealist writer, Hugh Sykes Davies, and another being Maurice Cornforth. The two others in this nest were Anthony Blunt, who had entered Trinity in 1926 and become a top art specialist, and Guy Francis de Money Burgess, son of a distinguished Royal Navy officer and grandson of an Admiral, who had arrived at Cambridge from Eton and was an outspoken Marxist. Both were *open and flagrant homosexuals, as well as lovers!*

As we read in the extremely engrossing book, *The Philby Conspiracy*, by the noted British reporters Page, Leitch and Knightly (1968), among the other early Communists on that particular campus at Cambridge were such scurvy individuals as the Fabian Socialist and Marxist professor, Maurice Dobb (at Pembroke College), a man who *openly* urged his wide-eyed young charges to become Communists; J.D. Bernal, another strident Marxist professor, and a crystallography scientist who during World War II was employed by Lord Louis Montbatten as his personal scientific adviser; and John Cornford, a young homosexual Trinity historian whose father was a Cambridge English professor and whose mother was the daughter of the apeman, Charles Darwin; and, the homosexual American student, Michael Whitney Straight, the son of a wealthy Rothschild banker named Willard Straight, a partner of J.P. Morgan & Company in NYC.

Also flitting gaily around campus was Sir George Macauley Trevelyan, Master of Trinity and another strident Fabian Socialist who operated at Cambridge from 1927 to 1940, was a member of the Order of Merit, and one who took a very "special interest" in young and handsome Guy Burgess. There was also the noted poet and "Bloomsbury Apostle", Julian Bell, another openly-homosexual Marxist fellow-traveler, and the singular Francis Edward Cummings-Bruce, who is best remembered among his fellow radicals for having always sung the "Red Flag" Anthem of the USSR while taking his baths in the dorm. The son of Lord Thurlow, Sir Francis would years later become "a distinguished

diplomat, knight, and Britain's high commissioner to New Zealand". John Thurlow, you will remember, was the head of Cromwell's Intelligence service, as well as a member of his Second Council in 1657.

As time passed during those halcyon days, still other wealthy young men were stealthily drawn into the spreading Red network which was now extending out in all directions, like the grasping tentacles of an octopus. There was the infamous Alan Nunn May, a despicable Communist homosexual traitor who would very shortly distinguish himself in the annals of Soviet espionage by becoming a top Atomic spy for the Russians. Another of great importance to the Reds was the Trinity Hall Communist homosexual, Donald Maclean, son of Sir Donald Maclean, a Socialist Cabinet Minister who had earlier served as a Vice President of the subversive International Peace Society during WW I, a group fully supported by the Chief Rabbi of England (according to Nesta H. Webster's classic work, *The Socialist Network*, London, 1926, Pg. 106. Interestingly, we also find that yet another V.P. of that Red group was the Jewish Fabian Socialist, Lord H. Cavendish-Bentinck. Please remember that name.) Young Donald Duart Maclean, who had been born in 1913, was "an open Communist" who played "a leading part in anti-Government marches", and even told his mother "that as soon as he had finished with Cambridge he would be off to Russia to help in the Revolution..." But instead, and completely out of character, he suddenly and mysteriously reversed gears and announced that he "had settled for a career in the Foreign Office". He had merely gone "underground".

Still other noted Cambridge Marxists of that period so long ago include: Peter Kapitza, a Soviet Russian Communist physicist who had been on that campus since 1924 as assistant director of Cavendish Laboratories, going on to become a member of the Soviet Pugwash Committee, recipient of six Orders of Lenin and the Order of Red Banner Labor (USSR); Michael Oakeshott, a prominent Fabian Socialist who some thirty years later became a leading professor of Political Science at the London School of Economics; John Cairncross, a homosexual Communist who had been talent "spotted" by Burgess and Maclean for important Party work; James Klugman, a Jewish Stalinist and hard-core Communist Party recruiter on campus who would go on to become a senior official in the CPGB [*Communist Party of Great Britain*], and subsequently serve the Soviets for fully forty years; Sir Andrew Cohen, a Jewish homosexual Communist and member of the Trinity Apostles who, as the son of lawyer Arthur Cohen ("first man of Jewish faith to graduate at Cambridge"), would years later become a senior British diplomat; and, Alister Watson, a fervent homosexual Communist and an Apostle friend of Burgess and Maclean, who soon became another crypto-Soviet espionage agent and took a job as a Defense scientist in the Admiralty. Described many years later by a senior officer of the British Security Service (Peter Wright) as "tall and thin, with a pinched, goatlike face and a strange affected tiptoed walk", Watson was "the high priest" of Marxist theory among the Apostles and had been the mentor of the highly-effeminate Anthony Blunt.

Indeed, the Red infection was so severe on campus that during December 1933, Julian Bell had written in the Leftist *New Statesman* that: "In the Cambridge that I first knew, in 1929 and 1930, the central subject of ordinary intelligent conversation was poetry. By the end of 1933 we have arrived at a situation in which almost the only subject of discussion is contemporary politics, and in which a very large majority of the more intelligent undergraduates are Communists or almost Communists..." And of this group of Red "hard-liners" one of the most noticeable was the exuberant pervert, Guy Burgess, who in 1934 "visited Russia at the end of his fourth year in Cambridge... accompanied by Oxford Communist [and fellow homo], Derek Blaikie. Mr. David Astor, son of Nancy Astor, succeeded in arranging some letters of introduction to

Communist leaders..." It is of importance to note here that, according to the record, the entire Jewish Astor family in England have long been involved in Red subversion, of one form or another.

[H: A major question I am asked as we move along within the realization of how many homosexuals are involved in Big Cabals is, how can it work? Very well indeed, for there is no "sexual" hangup within the couplings—only the intent for POWER, with "use" of the marriage or birthings to achieve more and more power. If you don't have any interest in your wife or husband except as a business "partner"—then you certainly have no jealous tantrums if BOTH go their individual deviant way. As with Clintons—Bill is a womanizer, Hillary a homosexual/bisexual who has learned TO USE EITHER OR BOTH to advantage for POWER for self at any cost to "the other", as in Vincent Foster. With such deviant Luciferian-oriented behaviors—emotional ties or loyalties do not enter into the expedient management of any or all circumstances. You who assume there is some loyalty or emotional strings cut when a death "is ordered"—you are wrong—there were none there with which to begin. So what happens to the offspring? Like Father/Mother—usually so goes the Child!]

While being trained in Moscow for their future assignments, Guy and Derek also visited with Comrade Nicolai Bukharin, head of the sinister Communist International (the Comintern) an insidious organ of the Bolshevik Government which had been established for the express purpose of foreign espionage, subversion, and world revolution. Following their return from the "Worker's Paradise", the two junior Lenins were strangely less vociferous about their Communist Party membership. In fact, Burgess soon openly "resigned" from the CPGB, as had Donald Maclean by then, and went "underground", that is, he became a *crypto*-Red from that point on. Meanwhile, their fellow rapsca-lion Anthony Blunt would soon be seen and photographed cavorting around a Soviet steamship *himself*, no doubt entertaining the Russian sailors with poetic recitations.

ROTHSCHILD AND PHILBY

In the very *midst* of all this mincing menagerie of Marxist revolutionaries we find the equally radical and chic, Victor Rothschild, but somewhat less *obvious* than all the others. Heir to a multi-billion-dollar fortune, Victor would also be a close friend of a young man named Harold "Kim" Philby, the son of the famous but eccentric Harry St. John Bridger Philby, a British explorer of Arabia and author of several books, including *The Heart of Arabia* (1922). Another pervert Communist, Kim would years later go on to become one of the most notorious of *all* Soviet espionage agents ever to be uncovered as having betrayed England, the land of his birth.

As revealed by the former British Intelligence agent E.H. Cookridge, in his exceptional 1968 book, *The Third Man: The Full Story of Kim Philby*, "The rapidly spreading Communist 'cell' at Cambridge centered on Trinity, the largest college of the university. Trinity had the largest number of vociferous Communists, not only among undergraduates but among the senior members as well." While studying at Trinity during the early Thirties, we read, Philby was "a close friend" of not only the openly libidinous Guy Burgess and Michael Whitney Straight (brother of the future head of British Overseas Air Carriers and deputy chairman of Rolls Royce), "but also Victor Rothschild, the latter of whom also became an intelligence officer during WW II." Mr. Cookridge further revealed that Derek Blaikie (mentioned above) was quite prominent in the Communist University Club at Oxford (but oddly enough never again mentions Blaikie's role as a Comintern agent, nor do any other authors on this subject).

Kim Philby, we learn, had been selected in 1932 as

a campus recruiter for the Communist Party of Great Britain. He had been chosen for this important work by one Douglas Springhall, leader of the Young Communist League and a recruiting officer of the Comintern's INO Bureau in England. Springhall would later become national organizer of the CPGB and, in 1948, be convicted of Soviet espionage and sent to prison. In 1933, Philby is then known to have received his "initial briefing" in *real* subversion by the Russian Communist agent-runners, Leonid Tolokonski and Georgi Aslakoff. Tolokonski was at that time doubling as the cultural and press secretary for the Soviet Embassy in London. This also came at a time when the chief emissary of the Soviet State Security Service in England, the man in *charge* of such clandestine matters, was the Jewish Khazar Communist, Samuel Borisovich Cahan.

That Autumn, Philby departed for Austria where the Communist underground movement was making great strides and also becoming extremely powerful. While involving himself in such intrigue in Vienna, Philby would in 1934 become fully recruited as an espionage agent for Soviet Intelligence by one Arnold Deutsch, a Comintern agent who himself had earlier been recruited by the Soviets at Cambridge. In the meantime, Kim Philby had found lodgings there in that hauntingly beautiful old city on the Danube with a radical Polish Jew named Israel Kohlman, only to find that the man had an attractive and vivacious young daughter named Litzi. An active member of the Communist Party herself, Litzi, it seems, had really been around. She had formerly been an activist in the radical Zionist front organization, Blau Weiss, a subversive group which had actually been founded by her ex-husband and fellow Jew, Karl Friedman (who would later settle in Palestine). Litzi Kohlman Friedman, had next been recruited into the Communist Party there in Austria by a misshapen little Khazar degenerate named Gabor Peter, a man described as a hunchback with "a thin, ugly face... a real Stalinist, a tough, ruthless and professional operator".

[END QUOTING OF PART 21]

We are not through with Philby but we do need a break so I will take the opportunity to remind you that your "Women's Movements" are ALL Zionist Front Organizations—ALL run and controlled by Jews. I'm sorry, ladies, I didn't work the script or write it—this just happens to be "what IS". Moreover, you will find that the actual original Ku Klux Klan AND THE SUPREMIST ORGANIZATIONS are also run by the same group of organized Khazarians. Remember, this "movement" of New World Order has nothing to do with Race or Color!

Salu.

[QUOTING, PART 22:]

ROTHSCHILDS

LITZI KOHLMAN FRIEDMAN
and KIM PHILBY

Years later, in 1945, Comrade Peter would rise in power to become head of the dreaded Hungarian Secret Police—"the [Lavrenti] Beria of Hungary"—having gained "a notorious reputation for his brutal treatment of Monarchists and dissident Communists." He was merely following in the blood-soaked footsteps of an earlier Jewish Communist madman, the infamous Bela Kun, who back in 1919 had taken over the Government of Hungary, set up a dictatorship of the proletariat, and slaughtered countless Christians, turning that hapless Central European land into an *abattoir* of death and destruction, as had his fellow Tribesmen in Christian Russia, where the blood of *millions* is said to have run ankle deep in the gutters of Moscow and Petrograd. Accord-

ing to the Jewish Masonic writer, Heise, Bela Kun was another top "Enlightened Knower of Freemasonry".

[H: I would like to tell a bit of a current story (yesterday this happened) about an encounter in a Chinese restaurant where E.J. and Doris were having lunch. There came to their table a tiny (new) man who was oriental and hardly spoke any English. He had reprimanded a Hispanic couple at an adjacent table for not speaking English by, "If you are going to live in America you must learn English!" Ekkers have a beautiful Malaysian friend who happened to be serving in this restaurant after a long visit back to Malaysia and this "new" man was impressed with the friendship. He stated that he too wanted to be a friend "like that". Fine, we like friends, the Ekkers returned. So, he stuck like glue until time to go at which point he whispered quietly, "Are you Christians?" Totally taken aback, both responded "yes". The little man again whispered, "Good, I am a Christian." Then he whispered the question again at which point E.J. said he was an "Indian" as in "Cowboys and Indians". There was gleeful chuckling as the joke "caught" but think about this, readers: You don't realize it in your daily lives of LIES but it is DANGEROUS TO BE A CHRISTIAN! You have "assumed your way" into total demise through your separating God from Christ, living THE LIE for all to see instead of the honorable path of "Christ-ness" and you have lost credibility before the eyes of the world who once honored you above all nations. Think about this and how it came to be. Think unto WHO YOU GAVE YOUR POWER AND DUMPED EVERYTHING ONTO A MAN WHO WOULD HAVE TO NEGATE YOUR LIE AT SOME POINT ALONG THIS ROAD.]

In the interim, Litz would leave Vienna with Kim Philby, as his first wife, and return to England where the two Red spies would soon bury themselves in deep-cover espionage work, and treachery, for their Soviet-masters at Moscow Centre. Elsewhere in England, as we read in *The Philby Conspiracy*, Philby's good friend Guy Burgess was seeking a little help from his friends: "One of them, who came to his assistance, was Mrs. Charles Rothschild, mother of his Trinity friend, Victor (now Lord). Invited to dine at Tring, the palatial Rothschild estate, Burgess talked at length about international affairs and convinced Mrs. Rothschild, who like lesser mortals had seen her investments diminish since 1931 [Sure!], that he, not some conventional [Jewish Khazar] figures in *The City*, was the man to keep her abreast of the latest developments in world economics. She had been impressed by an earlier meeting with Burgess, then an undergraduate, who had correctly forecast that *arms shares* were on the way up. Burgess left Tring with an undemanding and useful source of income. He had been given a list of Mrs. Rothschild's impressive stock holdings; each month he was to send her a report commenting on them in the light of current developments and, in return, would be paid a retainer of 100 Pounds a month..."

As it turns out (Surprise, Surprise), it was Victor Rothschild who, out of the goodness of his Red heart, had recommended his close pervert Communist friend to become a part-time secretary to his dear mother—although it was known to Victor that Burgess had just returned from the Soviet Union, and actually knew nothing about financial affairs at the time!

Guy Francis de Moncy Burgess had a great many homosexual Marxist friends during the Thirties and thereafter, as did of course Victor Rothschild, according to the published record. Among the more well-known were: G.M. Trevelyan, a distinguished Cambridge historian and author who, on October 1, 1936, secured an important job for his young protégé, Burgess, at the British Broadcasting System (BBC); Tome Wylie, who became a high-level duty officer in the War Office a few years later, at Whitehall, and allowed Burgess to see (and presumably photograph) top secret papers that would aid the Russians; M. Edouard

Pfeiffer, who, as *Chef du Cabinet* to French Premier M. Daladier, spent a delightful evening in Paris a few years later with Burgess and two other members of the French Cabinet, "at a male brothel", where "Singing and laughing, they had danced around a table, lashing a naked boy, who was strapped to it, with leather whips." (*After Long Silence*, Michael Whitney Straight, 1983.); Maurice Bowra, who became a "distinguished Professor of Literature at Oxford University; Isaiah Berlin, who would a few years later "set out for Moscow" with Burgess, only to be "ordered to return to London"; and, Tom Driberg, a Jewish Fabian Socialist and outrageous Communist pervert of the most demented sort, he was also a "close friend" of outspoken Red Jew, Harry Pollitt, the General Secretary of the Communist Party of Great Britain (a traitor who would in 1943 be tried and convicted of espionage for the USSR). Driberg would go on to work in the sensitive post for the British Security Service (MI-5), then become a member of Parliament (MP), and finally the *head man* in the Labour Party—all the while, betraying his country to the enemy. Yet, this vile Kededchim was never prosecuted nor punished.

By now you will have most certainly noticed a recurring theme running *ad nauseam* through this narrative, like a bad case of syphilis, that of rampant homosexuality. And it's not by accident, for it can't be helped. It is endemic to England, where it has recently been estimated that *one in every four men are now homosexual!* Furthermore, any truly in-depth investigation into Soviet Communist espionage against the West will invariably uncover many such sordid references to this sick and abhorrent aberration. Simply because it is a *fact* that a great number of those either recruited or *blackmailed* into working for the Soviets over the past 77 years, whether for the Comintern, the NKVD/KGB or the GRU Military intelligence apparatus, have been either homosexuals, bisexuals or pederasts. Incredibly, this seems to be their sport of preference, repugnant as it is to all decent and *normal* human beings.

While it is true that *some* of these degenerate sickos have been caught in a carefully-arranged Soviet "honeytrap", and blackmailed into submission, that has not *always* been the case, as this brief outline of the subject will hopefully convey. Since homosexuality in itself has always been looked down upon, and *suppressed* by Society at large (until fairly recently in

human history), the 1% of the world's population *born* with this disgusting affliction has had to function in a secretive and bizarre underworld of their own, thus making them, in effect, *outcasts* and *outlaws* within the countries in which they reside. As such, many of these people are, by their very nature, *dangerous security risks*, whatever they or their supporters may say to the contrary.

At Cambridge University, at Trinity College where Rothschild, Burgess, Philby, Maclean and all their ilk were brainwashed in Marxist newthink by their Red professors (just as was going on at Harvard and Yale Universities during this same period), there was (and still is) an exclusive club for the pampered sons of the English Elite known as The Apostles Society. Its membership, according to all accounts, was first and foremost Homosexual, Marxist and Communist, and was openly *condoned* by those wizened Dons who held dominion over Cambridge. While the "spiritual home" of the Apostles was located at nearby King's College, on the same campus, it was "an exclusive and bizarre mixture of dining club and secret society", which actually divided its membership between King's and Trinity.

In Michael Straight's 1983 book, *After Long Silence* (W. W. Norton & Company, New York & London, Pg. 92), we find a startling admission. This long-time Soviet espionage agent and American traitor, in a feeble attempt to clean his own skirts, tells us in his transparent apologia: "One day in the Autumn of 1936, David Champernowne came to see me. He was, he said, the last of the students who had been enrolled in a secret society; one called the Cambridge Conversazione Society, whose members were known as the Apostles. The society, David said, had been founded early in the nineteenth century. Its members had included most of the university's great men.... I asked if I may be told the names of some of the members of the society. David pledged me to secrecy, then told me that [John Maynard] Keynes was its most influential member. Dennis Robertson was a member; so were Sheppard, the provost of Kings; G.M. Trevelyan, the historian; the novelist, E.M. Forster; and the philosopher, G.E. Moore. Some of *my* friends were members, David added: Victor Rothschild, for example, and Guy Burgess and Anthony Blunt... We met in Keynes's rooms. [H: You will also find that one of the offshoots of this "Society" lists Walter Russell as an "Elite" member.] I held up my right hand and repeated a fearful oath,

CLINTON/YELTSIN

Mr. Yeltsin, at the G-7 (and Russia's Yeltsin makes "8") said that the meeting was well worth attending while all the internal trouble was unfolding "at home". Certainly it indeed was. He, shudder now, stated that he and his "friend Bill (as in Clinton) *had come to some strong understandings.*" He further stated that "like in America" the cause of "Domestic Terrorists" (Patriots) would be put down at all costs.

Have you taken note of all the involved (Bosnia, etc.) white U.N.-marked equipment? Guess where those tanks and vehicles get their new white paint job? Right over in the U.S.A. in places like China Lake and other military and SECRET bases!

There are at least 18 levels of tunneling UNDER what was the Oklahoma City Federal demolished building—and the place was filled with all sorts of such equipment and heavily packed with arms and armament [see p. 4 of last week's CONTACT]. Have you "heard" the taped happening of that blast from the meeting in progress across the street which was being audiotaped? Well, hear it because you can distinguish at least four separate explosions.

This is your life, America.

praying that my soul would writhe in unendurable pain for the rest of eternity if I so much as breathed a word about the society to anyone who was not a member." Straight goes on to inform us that Keynes, Moore, Lytton, Strachey, Leonard Woolf and Clive Bell were "undergraduate members of the society in 1902", a fact that will take on more importance a little bit further along in this narrative.

[END QUOTING OF PART 22]

This is a good place to break the writing for we can take up with *THE APOSTLES* in the next presentation.

We are so greatly indebted to David Emerson GuMaér for this tremendously tedious task of compiling this massive mountain of data and information into a succinct compilation of historical background and facts which bring us to TODAY. May we please do justice to the research and work presented here and may Man come to appreciate the gift offered. There are a few GREAT MEN who have seen and recognized the ENEMY—will you come to be AMONG THEM?

[QUOTING, PART 23:(Continuation of ROTHSCHILDS)]

THE APOSTLES

The Apostles, we learn from other sources, had indeed been founded in the early 1800s, and its two most distinguished early members had been Lord Alfred Tennyson and Arthur Henry Hallam. Apparently lovers, Tennyson wrote *In Memoriam* as an elegy to his close poet friend, who died in 1833. The high-born and wealthy young members of the Apostles all regarded themselves as "a kind of intellectual super élite..." Another of its earlier members was one Richard Cobden (1804-1865), who became the so-called "Apostle of Free Trade" (Free, of course, meaning Slave), an arrogant British diplomat and conspirator who was, with his equally devious cohorts, directly involved in the British East India Company, which was the originator of wholesale drug-running, money-laundering, slave-labor sweat-shops, and the manipulating of foreign countries and their unsuspecting governments. This homosexual Apostle was also the founder of the subversive, London-based Cobden Club, in 1865, which soon established a subservient American affiliate front known as the *Cosmos Club*, many members of which were (and have been) high ranking U.S. Government officials. It was formed just shortly after the Rothschilds had succeeded in removing their greatest impediment to "Free Trade" in America, President Abraham Lincoln.

Perhaps equally as telling, The Apostles Society appears to have been the British counterpart to the equally secretive and odious Order of Skull and Bones—the "Brotherhood of Death"—a homosexual *Satanic cult*, founded in 1832 by William Huntington Russell and Alphonso Taft, and headquartered in the black-shrouded basement of a building on the campus of Yale University, at Hartford, Connecticut. The Society was incorporated as the RUSSELL TRUST in 1856. [H: PAY ATTENTION!]

Russell, who graduated from Yale the following year and went on to become a General in the Union Army, was a direct descendant of Lord William Russell [H: As was Walter.] (1639-1683), who had joined the British Opposition assassination conspiracy during the reign of King Charles II (and was executed for supposed complicity in the Rye House Plot). [H: Walter was taken out in the arms of female cunning and New Age confusion revolving around Humanistic focus, after which his greatest work would fall into total disarray and never be finished in his lifetime. Russell never attained other than an education of experience and his title "doctor" was simply an honorary label to give the "organizations" of his association more

prestige.] Having studied in Germany during 1831-32, and become a devotee of the Hegelian Theory, which developed into Marxian dialectical materialism, Russell brought back a charter to establish an American chapter of a German secret society, which he helped form at Yale. It is believed that this secret German Order may well have been *The League of Just Men*, a homosexual Illuminati front founded in 1829 by the ravaging Khazar Jew, Wilhelm Weitling, the very organization which just nineteen years later financed Karl Marx and *The Communist Manifesto*. Three top American leaders of this League were Horace Greeley, Charles Dana and Clinton Roosevelt, all of New York City. While Dana would later serve in the Lincoln Administration and be one of the conspirators in his assassination, Roosevelt was a Dutch-Jewish ancestor of FDR, another noted Freemason. This Manifesto was issued to the world on February 6, 1848, the 100th Anniversary of the birth of the vile founder of the Order of the Illuminati, Adam Weishaupt, the professor of canon law at Ingolstadt University in Bavaria. According to the historical account, General Russell's shipping firm on the East Coast later dominated the *American side* of Great Britain's *opium trade* with China as well. And as an added footnote to history, the founder of Yale University, Elihu Yale (1649-1721), a Boston merchant who chartered this school in 1701, was a wily entrepreneur who made his fortune by also working as an underling in America for the opium-smuggling British East India Company. (By the way, the Boston Tea Party of 1773 was *actually* a revolt by the Colonists over the *opium* "tea" then being dumped in America by the British!)

The Apostles Society, having apparently also been created in the year 1830, may therefore be another chapter of this secret German Order, and thus another front of the Bavarian Illuminati, since the *secret glue* that has always held these oddball types of conspiratorial organizations together has been *homosexuality!* (1830 was the very year that Adam Weishaupt died. Coincidence?)

Continuing on now with this admittedly distasteful homosexual *interlock* of like-Minded front groups, it also appears that the Apostles are the British affiliate of something spoken of only in low whispers as The *Homosexual International*, based at Amsterdam, Holland, an extremely secret and exceptionally old and dangerous enterprise that has been in existence for many centuries, although none of its members will say *how long*. One of its main subsidiaries in the Netherlands, at the Hague, is the *foul and vulgar Pedophile Working Group*, based in the Dutch Reformed Church (Yes, you read it right), which is then connected to the *Society for Sexual Reform*, in Utrecht. All three of these deviant organizations then have links to the *Pedophile Information Exchange* (PIE), headquartered in London, which in turn is closely affiliated with the Tavistock Institute for Humanistic Studies, also in London. The highly-influential Tavistock Institute is a lineal descendant of the Wellington House psychological warfare unit of World War I, which published the book *Propaganda*, the 1928 classic work on the brainwashing of the masses, and during World War II its "Committee for National Morale" worked diligently on profiling the American people for their future *enslavement through perverted sex, drugs, and later on, British-derived rock-and-roll music* (incredible as it sounds), using the debilitating 12-Atonal System of music to destroy the morals of our youth. At the helm of this monstrous Tavistock conspiracy, which is directly linked to both the British Secret Intelligence Service and the Milner Round Table Group (Society of the Elect), we find a sterling individual by the name of Gen. John Rawlings Rees, [Rawlings' Tones = Rolling Stones musical group] who in turn is directly linked to the subversive *Isis Urania Order of the Golden Dawn*, an international drug ring controlled by the Canadian multi-millionaire, Morris Strong, another top operative of British Intelligence. But wait, there's *more*.

THE MATTACHINE SOCIETY

On our side of the Atlantic again, this powerful homosexual network then ties in directly with The Homosexual International's American branch organization, *The Mattachine Society*, another group of over-sexed lunatics, formed at San Francisco in 1950. The Mattachines, a semi-secret Cabal which derives its odd name from the Italian word, *mattacino*, meaning both "a jester" and a "gay ball", were for many years led by Dr. Franklin Kameny, the Jewish President of its Washington, D.C. chapter, whose brother, Nat Kameny, is now Chairman of the ADL's International Center for Holocaust Studies. The Mattachine's Number Two man for quite a while, by the way, was one Professor M.H. Freedman, of the Law School at George Washington University, a fellow Tribesman of course. Back in 1962, when being questioned by a Committee of Congress on the disturbing subject of Perverts in Power, Dr. Kameny reluctantly admitted that there were then some 250,000 of their members operating throughout the U.S. Government [just like in England], many of whom furthermore had Top Secret security clearances. He even inferred that they had a pervert chapter in the Pentagon!

HENRY A. KISSINGER

And all the above is just for starters. This decidedly perverse problem is normally very well hidden from public view, and *public scrutiny*, for it is extremely well financed and protected by such politically powerful homosexual pederasts as HENRY A. KISSINGER, a Khazar Communist of great cunning who has served the International Communist Conspiracy for over 50 years, as a Soviet espionage agent and paymaster (Red code-named Bor, he was a member of the Odra Spy Ring). Kissinger is also head of the *subversive* and Soviet-accommodating, internationalist firm of Kissinger Inc., and has long been a regular attendee at the infamous *Bohemian Grove*, located just north of San Francisco on the Russian River; a private and heavily-guarded retreat for homosexual and bi-sexual Government, Military, Media and Entertainment bigwigs. Formed in 1878, the Bohemian Grove also reputedly has ties to not only the *First Church of Satan* in San Francisco, formed in 1966 by Anton Szandor LaVey, but to the equally-chilling Temple of Set, created by Pentagon officer, Col. Michael Aquino, a top honcho in the Defense Intelligence Agency. It's a real can of worms, to say the least.

The Mattachine Society, which of course is also connected to the Bohemian Grove, then has a sub-group of *really* obscene sodomites whose main interest is the recruitment of *young boys* for their perverted desires. They call themselves the North American Man-Boy Love Association (NAMBLA), and were founded at Philadelphia in 1978 by Thomas Reeves and David Thorstad, the latter, a member of the Trotskyite-Communist Socialist Workers' Party (SWP). Both of these mincing oddities were members of the Bertrand RUSSELL Peace Foundation, itself formed in 1957, at London. Russell was not only a prominent Fabian Socialist and a Marxist admirer of Lenin, *he too was a notorious homosexual pederast—as had been his mentor, Karl Marx*. NAMBLA, we find, is also connected to the equally anal retentive, René Guyon Society, based in Southern California (whose motto is: "Sex before 8, or it's too late!") (*Keynes at Harvard*, Zygmund Dobbs, 1962.); the Childhood Sensitivity Circle of San Diego, founded by Lady Valida Davila; and the Euro Group on Social Deviance and Control, a radical homosexual "blood terrorist" group of wackos with direct ties back to the Tavistock Institute in London.

DARK WORLD?

It's a very DARK world out there, my friends, and we're still not at the end of this slippery string of sicko

front groups. The Mattachines are also closely affiliated with the mysterious and little-known Glass Club in Montreal, Canada, a homosexual hideaway for wealthy Canadian Government and Military officials, and other VIPs of their disgraceful sexual persuasion. As we read in *Pawns In the Game*, by Commander William Guy Carr (circa 1955), the original of this Glass Club had been set up in August 1914, at the very beginning of WW I, in London, by a powerful group of wealthy and shadowy Zionist Jewish bankers—for the express purpose of what the French call *L'Infamie*, the subtle blackmailing of British Government and Military officials, by observing and recording their sexual excesses, and deviancies, in a special "Black Book". [H: Hummmn, I wonder, is that anything like "Packwood's" diary?]

Many of the members of The Apostles Society, such as the homosexual poet Julian Bell, Guy Burgess and Victor Rothschild, were also affiliated with yet another circle of Marxist perverts known as The Bloomsbury Group. Its name was derived from the Central London district, around Bloomsbury Square, where its jaded members met and had their wild opium and deviant sex orgies, from 1904 to 1940. Ostensibly a social and literary alliance, it was in actuality a de facto Red Cell of British Fabian Socialists and other such avant guard miscreants. This amazing collection of effete antisocial snobs and intellectual misfits was headed for the totality of its existence by the scandalous homosexual pederast, John Maynard Keynes (1st Baron of Tilton), an ardent admirer of V.I. "Nicolai" Lenin, who in fact had even designed the new Bolshevik currency that Lenin used after 1918. Interestingly enough, Keynes was born in 1883, the same year that Karl Marx died in London and was buried by his followers in Highgate Cemetery (Marx had lived there in London since 1849). Keynes was characterized by one of his many male sweethearts, Lytton Strachey, as "A Liberal and a sodomite, an atheist and a statistician". Not only was Keynes' favorite song, *Red Flag*, the Anthem of the Bolsheviks, his favorite depravity was the sexual torture and abuse of little boys! He is known to have ranged throughout England and the Mediterranean "in search of boys for himself and his fellow Socialists".

In the Spring of 1907, five years after having graduated from Cambridge (and still members of The Apostles Society), John Maynard Keynes and Lytton Strachey had played a part in an important Red conference held in London, which was financed by the wealthy Jewish-American soap manufacturer, Joseph Fels. Fels was head of the huge Fels Naptha Company and a member of the Fabian Society. Held in the Hall of a Christian Church (as good cover), this was a top secret conference of key Communist revolutionaries, some 312 delegates who met and debated strategy from May 13 to June 1. In attendance at this London Congress of the Russian Social Democratic Labor Party were Nicolai Lenin, Leon Trotsky and Joseph Stalin, and their presence at this meeting sealed the ill-starred fate of *Christian Russia!* On February 22, 1918, Keynes proudly boasted of "being a Bolshevik", yet the British Government sent him to the Versailles Peace Talks

(Paris Peace Conference) in 1919 as their representative of the Treasury. That same year, he authored *The Economic Consequences of the Peace*, a blatant propaganda thinkpiece loudly acclaimed by Lenin. Keynes subsequently went on to become the father of today's Keynesian Economics, as practiced in England and America.

Some of the other key members of this odd assortment of pedophiles, sodomites, transvestites, lesbians and sado-masochists, were: Lytton Strachey, a noted Fabian writer and educator, as well as drug addict, who "was responsible for writing books that undermined the Christian ethic of the Nineteenth Century and set the tone for the pornographic and depraved literature of today" (he was also a member of the Satanic Order of the Golden Dawn organization) and, according to the *New York Times*, once stated for publication: "*Like all Socialists, I believe that the Socialist Society evolves in time into the Communist society.*"; Leonard Woolf, the Fabian author of *International Government*, the document that was used as an early blueprint for the League of Nations (1919) and for World Government, he would also go on to outline the structure of the United Nations (as called for by Joseph Stalin); Virginia Woolf, the well-known Lesbian author and wife of Leonard; Duncan Grant, the Scottish painter and Fabian lover of Keynes for many years; Dora Carrington, a Lesbian accomplice of Keynes and Strachey; E.M. Forster, homosexual author of *A Passage to India* and *Where Angels Fear to Tread*; Rupert Brooke, another Cambridge graduate and poet; and, Havelock Ellis, a founder of the Fabian Socialist Society (in 1884) and author of the massive erotic work, *Studies in the Psychology of Sex*. This last drug addict and pervert (known now as "the father of social psychology") is well-known also for having driven his young wife into Lesbianism, causing her to go insane, but not before she denounced him as "a sexual monster". There were, of course, many other such members, but I believe you get the picture.

As outlined in detail by Zygmund Dobbs in his 1962 book, *Keynes at Harvard*, these bloomsberries had their origin in the much earlier Bloomsbury Socialist Society, formed in 1888 by the daughter of Karl Marx, Eleanor, and her common-law husband Dr. Edward Aveling. The good doctor was noteworthy for being the first official translator of Marx's *Das Kapital* into English. Marx's alter ego, Frederick Engels, lived nearby in the wealthy Regent's Park area, closely supervising the organization of the original Bloomsferries. Significantly, we find that Eleanor Marx was a confirmed opium addict who was described as one who was "unkempt, slovenly and unwashed, possessing a body odor strong enough to be mentioned in books about that period". She also had at least one sexual affair with a known Lesbian, the Leftist Jewess Olive Schreiner, "a notorious dabbler in intersexual abnormalities". [H: She must have also been unable to "smell".]

Another notable member of this early Red group of Bloomsberry ferries [H: Didn't you know before wherefrom comes the term—or did you think it to be "fairies"?] was the infamous sexual libertine Oscar

Wilde, who as early as 1874 set the fashion in college circles by wearing his hair long and straggly, donning velvet knickers, and carrying a single flower in his hand while strolling around campus (just like our own New Left flower children of the Sixties). As explained by Dobbs: "Wilde entered into close collaboration with Bernard Shaw in writing of critical reviews and gained notoriety as a leftist with his 1891 essay 'The Soul of Man Under Socialism'. In 1895 the famous trial and conviction of Oscar Wilde took place. The shocking disclosures of Wilde's sexual depravity, perpetrated on young boys, resulted in his being imprisoned as a sexual degenerate..." George Bernard Shaw, himself a flaming pederast and cominant Fabian Socialist leader for 40 years, helped raise bail to get Wilde out of custody. Two close associates of Shaw and Wilde for many years were Sidney Webb and his wife Beatrice Potter-Webb, heiress to the Canadian Grand Trunk Railroad fortune, both leading Fabian founders and Red theoreticians. Years later, Lenin himself ordered translated into Russian Webb's propaganda publication, *History of Trade Unions*.

As a fitting end to this mini-discourse on sexual perversion in Britain, in September 1957, the "Wolfendon Report on Homosexuality and Prostitution", three years in the making, was published. Its first recommendation was—"that homosexual acts between consenting adults in private should be no longer a criminal offense". This trend-setting decision was to virtually bring all previously unknown perverts out of their lavender-colored closets and into the open. The head of the Wolfendon Committee, by the way, was Lord Hailsham, Douglas McGarel Hogg, a prominent British jurist and former Leader of the House of Lords. In 1963, Prime Minister Harold MacMillan (Lord Stockton) sent the venerable Lord Hailsham to Moscow, to negotiate a nuclear Test Ban treaty! It figures.

[END QUOTING OF PART 23]

We are out of space for this portion, Readers. Thank you for your attention and please TRY TO UNDERSTAND "why" I might not be so eager to wipe out AIDS, the intended plague against the Gay community. The only problem, however, is it never quite wipes out the honchos of the disease itself. So, is old Hatonn "really" anti-Homosexual? Yes! Why? Because "homosexual" rights and equality and all the other touted garbage is not what it is "about". Preference of friendships and "love" relationships actually HAS NOTHING TO DO WITH SEXUAL BEHAVIOR AND IT IS THE BEHAVIOR PRACTICED BY SO-CALLED "HOMOSEXUALS" TO WHICH I AM "ANTI-". Oh indeed, everyone has his/her CHOICE but with those choices come the consequences of those choices. You will note, however, that the ones who actually CREATED the disease do not, somehow, CATCH THE DISEASE except in rare instances, and then it is only to further the CAUSE. No, good buddies, YOU work it out because I am not going to play in that game of evil and death to body and soul. Salu.

Black Race Ready To Boil!

The Clashing Of Titans When God Is Removed

6/26/95 #1 HATONN

WHEN YOU TAKE GOD "OUT"

We have had quite a lot of conversation about Church and State, prayers and thus and so. The facts ARE that you can only pretend to take God out of anything. God is Creator and you may well want to take out your Creator but it never quite works that way.

There is such a pull in all directions and, in the U.S.A. for instance, you are down to the very last presentations of having any association with God in your lives. You are, by laws, removing God from your honor roll. When this happens, Readers, the nation is lost. Why? Because MAN is a greedy beast and without goodness he is lost to the need for power, control and acquisition of wealth, which spirals a society into downfall.

MAJOR PLAYERS IN THE GAME

You the Citizen may well think you have little which can be done to change selves, let alone nations. However, this is not so. Check out your perceptions and study your "Important" Kingpins.

There are many powerbrokers all vying for the same Kingdumbship. Some don't even care to "rule", just make the rules. How do you tell the difference?

SOME WILL BE RESPONSIVE TO THE IDEA AND RECOGNITION THAT THERE IS, AFTER ALL, GOD. These men/women will recognize that even though they wish to rule the world they will most certainly recognize ultimate power of that which is beyond the visible expression. They will recognize that laws must be inclusive of THAT God of Light and Goodness or insanity and total chaos will result. These people will NOT usually recognize an individual as THE Christos, only that there is and must be Christness. These people will lack much of God's presentation but they will recognize God of Goodness as the ONLY code by which MAN can live in harmony, progress and flourish. They will ALLOW, however, the adversarial Parties to depopulate, manipulate and manage the masses—UNTIL the management intrudes on their own status and existence. Are these people Godly or UN-Godly? They ARE! Just exactly like you—THEY ARE!

Anyone hearing Norman Mailer speaking about his book on Oswald lately, will, if you listen, hear him speak of God as a being, and state that, without honor to God, a nation and people will not survive but will perish into disorder and downfall. Is Norman Mailer a "Godly" man? If he respects God he is certainly a "Godly" man. He may well not LIVE within all the laws but that is entirely DIFFERENT in concept AND definition. We are told that he is "A-4" on the Big Committee! Is he? He will tell you he never heard of such a Committee. That's fine, we have too many self-important people running about to confuse the play. However, there is great importance in the evidence presented.

The "blue turban" of Nostradamus' warnings is, of course, the blue helmets of the United Nations ENFORCERS and their Leaders. Unfortunately—THOSE LEADERS ARE ANTI-GOD! Now, what happens when such Titans clash? Wow! Both have forces which can annihilate planets. But then, so do you!

These people however, may well be the overlords of the physical playground but they are NOT THE OVERLORDS and certainly ARE NOT THE OVERMIND. However, guess who is the ally of the Overmind and Overlords? I use these terms because you will recognize them from the author, Arthur Clarke, whom I greatly respect as an insightful visionary. Would it not be wonderful if Arthur Clarke and Wally Gentleman could make some movies in TRUTH so that you could REALLY see how life actually IS? Well, one day, after we make it through the jungle and through the gauntlet of would-be-Kings of the world.

What you have are confrontations between mighty minds who each think their way is THE WAY. I comment not on their philosophy but if it includes recognition of GOD I can assure you quickly of which side you shall find myself. These men who recognize God as a Sovereign Truth will not want destruction of nations or planets. They will strive for PEACE because it is the "best" way to go in orderly structure. They don't condone crime and they would prefer to have no corruption in the higher halls of government. But more than all these things—THEY KNOW WHAT IS! If YOU come before their tribunal petitioning for assistance for we-the-people in the direction of Law and Order, they WILL help. You may never find the one who helps or see the assistance from source—but they WILL help. These men are often ruthless and will simply remove beings who interfere with their plans, structures and advancements. They will, however, have a "court" for decision-making as to those "executions" and "removals". Do "I" condone this? NO, but nobody asked me what I condone or do not condone!

I do not have "say" in what transpires in the hierarchy and echelons of planet depopulators and soul transitions from physical to etheric. I believe that all experiencing entities can and should be fed and given opportunity to express. However, I do not condone welfare wherein men are but slaves to a system set forth for TOTAL CONTROL of those receivers' existence. Some of these Committee members control the very energy supply, the life sources of the planet itself. The evil-doers simply "think" they control because they get themselves in control of some banks and commerce—but there is always a Bigger Boy in the swimming hole. When the destruction has gone far enough to satisfy the "Bigger Boy", then the confrontations and snatching will STOP. The Satanic troublemakers have great POWER, but the opposition has FAR GREATER KNOWLEDGE AND POWER—for one recognizes the power in "creation" and the other simply manufactures weapons of death and doom. YOU-the-People stand somewhere in between! The masses of brain-dead have no recourse at all as they will be swept with the tides of reaction to all circumstances.

By the way, when you hear someone say such as, "I believe in God, I just don't believe in Christ," realize you have one of two things: an ignorant man or a man who is anti-God, for you cannot separate Christ from God. You have been "hoodwinked" (Masonic term) into forgetting that "Christ" is simply a description, a "state of being"—not the name of a man, "Jesus" or OTHERWISE. GOD CREATOR is the perfection of a state of total Christness with TOTAL CREATIVE POWER IN GOODNESS (LIGHT).

You must learn, at the least, the players in this

game of survival or demise. Stop the silly bickering over who is telling what on whom. Look at the label changes that come about. You, for instance, have a Negroid race on your planet. Now, you can't use the term Negro without offending? So, next came Black as a generic term for those no-longer called Negroes. Why? Because, as with the term Jew or Zionist, you have to have a "dirty" word to focus on as a weapon. Black Nobility and Black Russians, Black Magic, Black witches, etc., have NOTHING to do with color or race, but represent "title" or label of groups of people which have no, to only token, "Black people" within the ranks.

Next, to gratify the "Blacks" the term Afro-American or African-American came into political correctness. But this is even more degrading to the race in point than anything else dumped on them as to subtle label-slinging. You are either an American or you are not—and Afro or African has NOTHING TO DO WITH IT. "Nigger" is a term foisted off on "Blacks" by stupid and ignorant garbage slingers—who, by the way, were always the most "niggardly" of all the people around at any given time; meaning of course, cheap, ignorant and bigoted. At the time "nigger" came into its sorry state of expression, the slave trade by the Jews through England's Slave Trade and the East India Company were coming out of Niger. Readers, if you DON'T KNOW ANYTHING—HOW CAN YOU CHANGE ANYTHING?

The NEGROID races are going to rise up one of these days and the bloodletting will be terrible. They were brought to your planet by the Slave-Masters, the SERPENT PEOPLE (meaning Satanists [Luciferian races]). They have been kept intentionally, en masse, less intellectual and with slave mindset (pushed around by the "lords" of the welfare system and the instruction book for acceptable behavior of classes and races). Worse, individuals from these races who get into higher status turn and do-in the very race they should be protecting and representing. It is planned and controlled CHAOS waiting as a weapon against SOCIETY and the race itself. I warn you who claim to be Jewish Zionists: when this outburst happens a LOT of you controllers and rip-off artists are going to have a true bloodbath—YOURS. The Talmudic Zionists have a hatred for the dark races which is unsurpassed in any expression. The response is equal in violence intent. There is a lot of lip-service to "equality" and a few individuals are accepted into the seemingly Elite ranks, e.g., Whoopy Goldberg who claims "Jewish" and others, but with whom do THEY run? Ah, indeed. Remember, Jesse Jackson is a MEMBER OF THE COUNCIL ON FOREIGN RELATIONS—ANELITE! So was Tom Bradley, etc., etc., etc. "Jew" claims race, "Jew" claims religious status, "Jew" is simply a term set forth by the Khazarians who have no identifiable race and chose the "religion" of the Cabalistic Talmudic Tribe of Cain when they decided it was not wise to longer be called by their original name of "Serpent People". The "Snake" in the apple tree did NOT refer to a reptile but, rather, to the "Serpent" people. Your lack of knowledge, which was deliberately buried and is now unlawful to publish, is killing you—of all other races within humanity. Moreover, in ignorance YOU GIVE AWAY YOUR RIGHT TO SOUL ETERNAL. In other words, the INTENT IS TO CAUSE YOU TO FORGET COMPLETELY WHAT AND WHO YOU ARE—AND THE INFINITE LIFE OF SOUL. Remember the truths presented in those cleverly rewritten books: THE BATTLE IN "SPACE" IS BETWEEN GOOD AND EVIL, AND EVIL WILL DEPRIVE SOUL OF ITS "KNOWING". THE ULTIMATE BATTLE IS FOR POSSESSION OF SOUL CONTROL. GOD IS FREEDOM; EVIL IS ENSLAVEMENT.

Let us leave this now for another chapter of GuMaér's "Dark Side" document. [This is part 23, starting on p. 12, which touches on more ugly matters related to the various early slave trades in America.]

Smarts To Free Ourselves

(Continued from Front Page)

U.S.A. AND ALL POINTS EAST OR WEST, NORTH OR SOUTH. This effectively shuts down shrimping. Further, if boats are caught by "patrol boats and find net-ban violators, they will receive citations to appear in court and be ordered to leave the water with their nets... Fish caught in illegal nets will be SEIZED."

FREON: Remember those nice air conditioners and refrigerators you USED to have? "Hot" Arizona is challenging the federal statute banning the manufacture and sale of Freon after December 31, 1995. YOU will be required to empty, modify equipment and remove all Freon from all systems. They LIE, readers: Freon enhances, not destroys, the Ozone Layer. This is going to reflect tens of billions of dollars out of YOUR POCKETS. All industries will be involved—even your nice movie houses and shopping stores. A lot of people are going to be VERY HOT and very volatile! The seasons are all but gone, you will note, and you may well have winter one day and frying heat the next. It just happened here—anyone want to argue? Bak-ersfield, California went from 72° day before yesterday at its highest reading to 109° yesterday!

How do globalists come up with things like this? Easy, they link chains and form TREATIES. They merely get the U.S. Senate to ratify a treaty banning

Freon, as a valid instance, and it's over. The enemy of you-the-people KNOW that treaties overcome the *Constitution*. Simple and easy!

ANOTHER PLUM IN THE PUDDING: WAR POWERS ACT (KISS YOUR GOLD GOODBYE)

Committee of 50 States: "...what the globalists have been using to get around the *Constitution* is a statute enacted by Congress on October 6, 1917 [H: The year you held the Russian Revolution.] known as the Emergency War Powers Act. This little jewel was resurrected by Franklin Roosevelt the first few days after he assumed the Presidency in March 1933. Under his declared 'national emergency' [H: Which extends to today.] based on the authority of the 1917 War Powers, he and the Congress CONFISCATED PRIVATELY HELD GOLD OF AMERICAN CITIZENS.

"Under these War Powers, the President has the full power of a dictator if he chooses to exercise these powers."

And there you have it, Citizens. You have been under Martial Law since 1933 and the President has the RIGHT to confiscate whatever he deems desirable, including your gold, silver AND YOUR FREEDOM. You will be "governed" as if it is under an actual military dictatorship. You will lose the right of Habeas Corpus, which means citizens can be charged with a crime and held indefinitely without bail and without charges even being filed against them. Both happened during the Civil War. Ask McVeigh of Oklahoma City infamy, if this isn't already in force. You have accepted the LIE and live by the LIE—and now, you have become the lie.

GOD AND ANGELS, FREEDOM OR MAYHEM

"Are we naive enough to think that President Clinton will not declare Martial Law if he thinks he can get away with it? [H: Already HAS.] He already has the authority under the 1917 War Powers Act which has been continually extended and is part of federal statutes at the present time, 1995.

"I believe the only thing stopping Bill Clinton and the masters he serves in the globalist network from immediately implementing all necessary actions to establish a One World Government with its attendant abolishment of the *Constitution of the United States* are the 200 million privately held firearms in the hands of American citizens. [H: Not really, but certainly it contributes to a bit of caution. However, don't hold to that idea because there is POWER enough to snatch them away and shoot the citizens. The gun-bans are but a distraction, and this author speaks

later of God and your position as to freedom. Guns and violence are not of God, so those guns are just MORE TOOLS TO DESTROY YOU.] If we allow the enemies of freedom to overcome our gun rights under the Second Amendment, the game will be over, folks, except for the mopping up operation searches worldwide, particularly in the United States, and the searching for and murder of pockets of resistance hiding in mountains and plains. [H: There you said it. What think ye that will stop this ANY WAY? A handgun against laser blasts, biological warfare, chemicals and scatter bursts is beyond foolish to consider as defense. YOU ARE ALREADY IN THE "MOPPING-UP" PHASE! STOP YOUR FOCUS ON THAT WHICH IS "EXPECTED" AND LET US MOVE TO BUILD AGAIN.]

"Members of the Council on Foreign Relations, the Trilateral Commission, the Bilderbergers, the Club of Rome, the Committee of 300 and the other 'Secret Combinations' have made it quite clear in their writings that they intend to have a One World Government and abolish the *Constitution of the United States* and have it accomplished by the year 2,000. The United States alone stands in their way. It is in this nation only that we have a sufficient number of patriots [H: I loathe that term. Can we not consider "CITIZENS"? ALL TRUE CITIZENS ARE PATRIOTIC. PATRIOTS ARE NOW CONSIDERED "DOMESTIC TERRORISTS". YOU ARE GOING TO START HELPING SELVES WITH CAREFUL CONSIDERATIONS OF SUCH TINY THINGS AS CHANGING WORDS WHERE APPROPRIATE OR YOU ARE GOING TO BE THE "MOP" ITSELF.] who are knowledgeable about their nefarious and abominable schemes to give them competent battle, in addition to the *Constitution* which gives us the legal and moral right to accomplish it. Those knowledgeable in this nation probably do not include over 5% of the 260 million population. But this is enough for us to win if we can possibly get even a fraction of knowledgeable patriots to unite in this effort. [H: Not unless you STOP separating the CITIZENS out from the PATRIOTS. If you do the SAME THING the adversary does, what have you accomplished? You have possible more ENFORCED rule by POWER—only the faces change but there is a funny thing about POWER—it corrupts. Politically it corrupts totally. Your "patriots" couldn't even put together a tiny Grand Jury without all but breaking out into fist fights and ego bashing. The gun laws will not destroy America; YOU WILL DESTROY AMERICA.]

"Because people who love freedom are independent minded and often have egos they like to have massaged, it is difficult to get them to unite. [H: You just said it better than I. However, you have your language quite incorrect, again. People who love freedom respect the freedom of their neighbor and to unite to battle something so that a "patriot" can run you into the ground bespeaks lack of knowledge, not wisdom. When you who become the mighty leaders who prance and dance and swing your swords do NOT UNITE—

you place the entire group into double jeopardy with your threats and bashing. **YOU WILL NEVER WIN THIS WAR, MY FRIENDS, WITH THOSE METHODS.]** Many will do nothing unless it is their idea. In addition to our own inherent human weaknesses, the fact that our enemies continually infiltrate our ranks with pretenders and spies to keep us confused and ineffective makes one wonder if freedom has a chance.

[H: Now the author is going to tell you why you can't YET win. But, he obviously DOES NOT SEE his errors in conclusions (refer to above instructions). He has the proper list—but the **WRONG ASSUMPTIONS. WAR, FIGHTING, BATTLES OF GUN-TOTERS AND COUNTER-HATE-FLINGERS IS NOT OF GOD!**]

“YES IT DOES! There are two main reasons why we can yet win: [H: I carefully chose to quote the man as using the word “can’t” because therein is the difference in winning and losing (can or can’t). If he be right and he IS, in this instance, about God, then you will have to accept God’s way as the **CORRECT WAY OR HE (WE) WILL NOT ASSIST YOU IN YOUR GAMES OF SHOOTING AND LOOTING—FOR YOUR OWN DEFINED “JUST CAUSE”.**]

“1. God is the author of liberty. We are fighting not only for ourselves and grandchildren, we are fighting for a cause in which the real general is God our Father, the Creator of the heavens and the Earth. [H: General? In command? You haven’t even remotely HEARD GOD, YET. Perhaps that is why you haven’t yet won?]

“2. True patriots sustain and love truth. Truth is their friend regardless of the cost. Freedom is sustained by truth and the mostly unseen powers of heaven.

[H: NO! You can be a “patriot” and despise God, so let’s start out this debate on the rightly defined words. You never say “regardless of the cost” for this infers a willingness to remove freedom from someone else to achieve **YOUR IDEALS** which may in no way reflect that of another. Freedom may well be sustained by truth, but the “unseen powers of heaven” will not do a damned thing about your freedom. Freedom is sustained by truth, but **YOU ARE GOING TO ACHIEVE AND MAINTAIN YOUR OWN FREEDOM OR YOU ARE GOING TO CONTINUE IN LA-LA-LAND. I HAPPEN TO BE OF THAT UNSEEN “POWERS OF HEAVEN” AND WE ARE NOT GOING TO PLAY ANY GAME OF WAR OR PHYSICAL ABUSE OF ANYONE OR ANYTHING. WHEN YOU UNDERSTAND THIS WE CAN ALL MOVE AHEAD AND BUILD. WE CREATE, WE DO NOT DESTROY, ANYTHING. AN EVIL THING WILL FALL WHEN IT DEVOURS ITSELF AND YOU CUT OFF ITS LIFELINE. IT CAN SUSTAIN INTO SEEMING ETERNITY WITH YOUR HELP THROUGH BATTLES AND WAR. YOU GAIN NOTHING BY WARRING WITH IT.** Moreover, you can’t even find the Octopus’ head to be able to disable it. Get with intelligence and stop the childish assumptions of being no better than your enemy. This is a **MIND GAME** and unless you put down the gun and learn the rules of the game—**YOU LOSE!**]

“Our enemies must sustain their position and fight their battle with lies and deception, terror and mayhem. We don’t have the massive resources of the Federal Reserve System and the World Bank to win. [H: Ah, but you have **REAL POWER**—for these things you list are nothing, for they have **NO VALUE**. This is more of the major deceptions you have chosen to accept, just as the adversary presents to you.] The powers of Darkness do. We are convinced the enemy must have a hundred troops to one of us because it takes massive resources of energy, people and money to sustain their lies and deception. [H: Yes, you give them yours!] Even so, in the end they will lose. [H: Pollyanna speaks again! How so do they LOSE? You expect God to step in and win for you? **GOD WINS: I don’t know about “YOU”.** As long as there is war, violence and more **EVIL** perpetrated in your so-

called defense, in which creatures of God perish and intent is to spill blood and do battle, that segment **WILL NOT WIN!** Snatching back the armies, troops, power and *Constitution* is but an illusion for **THAT IS NOT what makes greatness and Freedom, for that is simply exchange of POWER THROUGH FORCE.]**

“So what is this war for the planet all about? It boils down to one thing, my friends. As individuals how will each of us perform? How will each of us contribute to the cause of liberty and to an increase of righteousness in the Earth during our time here? When our probation is completed in mortality we will know, and God and angels will know, where each of us fits in the eternal plan of God.”

How **WILL** you contribute to the cause of liberty and increase of righteousness in the Earth during your time there? I find it interesting to note that doing it this way is going to merit you great demerits in action judgments. You, I repeat, cannot win this battle or war with violence **OF ANY KIND**. Indeed God and **ANGELS** (Hello!) know where the game goes, but don’t blame God for structuring your own passage and fit you into a plan you are **UNWILLING** to consider. I suggest, however, that all of you consider the possibilities of God’s eternal plan for Creation and get off the “me” train. You are probably one who will now shout that “I have given everything”, “I have been willing to die for this cause.” So? When will you get willing to **LIVE** for this cause of **FREEDOM**? “Give me liberty or give me death...!” may have been fine for Patrick Henry but it is stupid in full concept. Liberty is something you earn through growth **AND LIVING**, service in consciously **GOOD INTENT**. Freedom for “some” is not what this is about, friends. America is a tiny part of God’s Creation and “your” individual freedom is unimportant to the child in South Africa dying of disease and torture. If you expect God to eventually hand over His “angels” to get you what you want, control over the

controllers for your own freedom, you miss the point. You have to know who the usurpers **ARE** or you strike out in more ways than one. I am weary of great “patriots” pronouncing the “eternal plan of God”, for most who do that fail to see their own lack of **VISION**.

Ponder these things for it truly is upon you **NOW**. General Satan is in full march against **YOU**, not God. So, I suggest you do something **GODLY** or prepare to fall. **GOD AND HIS ANGELS (HELLO!!) ARE NOT AT WAR WITH ANYTHING! GOD HAS ALREADY WON; IT IS ONLY A CONSIDERATION ABOUT “YOU” THAT IS IN QUESTION.**

I would offer one more quote from this document and then leave it: “Even if we knew we were going to lose to the seemingly overpowering and apparent superiority of the globalists, which we will not [H: Oh, how not?], our honor, morality and integrity demand that we fight for freedom and truth and righteousness **even though it costs us everything including our lives...**” Good grief, if you have lost your lives and **STILL LOSE THE WAR** WHAT HAVE YOU LEFT YOUR CHILDREN? CAN YOU NOT CONSIDER “LIVING” AND DO IT RIGHT? WOULD THIS CONCEPT OF CREATING GOODNESS NOT EVER CROSS THE MINDS OF MAN? I CONSIDER THE “I’LL GLADLY GIVE MY LIFE...” FOR SOMETHING WAITING TO BE ACCOMPLISHED AS ONE OF THE BIGGEST LIES SATAN EVER PUSHED OFF ON YOUR DIM WITS. DYING IS AN ACT OF TOTAL COWARDICE AND HAVING NO FAITH IN YOUR CREATOR—OR DO YOU FIT THE CATEGORY OF “CHRISTIAN” WHO DUMPED ALL YOUR SINS AND RESPONSIBILITY ON A MAN ON A CROSS WHO WAS BRUTALLY MURDERED? THAT MAN DID NOT WILLINGLY “GIVE HIS LIFE”, GOOD BUDDIES. AND MANKIND MISSED THE POINT—AGAIN AND AGAIN AND NOW YOU PLAN TO MISS IT ONCE MORE. **SO BE IT.**

The Agony And The Ecstasy Of Walking The Earth-Plane Path

6/23/95 #1 HATONN

"Yea, though we walk through the valley..."

Dharma, staring at the empty screen will not our work get done! Let us share a moment in communication and understanding, and then perhaps the recognition of "what" brings such sadness and loneliness this morning might emerge. May I ask that this be considered a response to several people at a most personal level for there is such a contradiction of "feelings" in my compatriots as to cause us all to stop and take note of what is happening to ourselves. Most especially I want to respond to the loving note from Wally G., although he will suggest he sent it not to me. He did and I hear. Dear Friends, it is not a matter of work finished or waiting to be done as much as it is that no matter what might be our "work"—there is always MORE. Gloriously, there is always MORE. We call it "work" for it is not the labor as such which impacts our senses; it is our necessary confrontation of choices, patience, feelings of unworthiness, loneliness, and sorrow that sweeps across our LIVING MINDS. The consciousness responds in hopelessness oft-times, flitting here and there to find all the chinks in our armor of Light which will allow the true feelings of helplessness and "child" to rise to the surface and consume the moment. We are, after all, but children finding our way in a time and space which makes no sense to our REALITY. So what is it that tugs at us and pulls us away from all that "others" accept as their plight, their passage, their rightful RIGHT to live in an empty void absent wisdom, intellectual challenge and entrapment in that environment. If this be "their 'right'" then how dare we intrude upon the moment of their lessons? Can we love, watch, and maintain respect for that which is so damaging to our senses as to overwhelm us at times? Yes, we can, we must and WE SHALL.

Is it loss that causes us the unfettered need to continue our pursuit of that which is part of us? No, it is our "growth" which causes us to push on for, as we grow in understanding and recognition of our acquired KNOWING and confrontation of TRUTH, our consciousness will no longer accept the ignorant incarceration of our brother's mind. It has nothing to do, actually, with our brother's desires—it is the LIE which confronts our senses like a disease of unending proportion.

The terrible sadness which sweeps our beings is a grieving, a terrible and deep grieving for that which we must release and the terror of breaking away from the recognized security (but death sentence) of that which IS abounding about us, accepting it and others as "their" right to express but the feelings of self-dislike for having allowed, especially our close and beloved ones, to become part of the lie—of which we were the largest part as we matured. But remember, we can only be a product of that which came before. The student will have no alternative save to learn from the professor, so our learning can be no better than our teacher—be it kindergarten or LIFE. So where, sir, were you when I was first learning? I was right there waiting for you to grow enough to hear me. The stage was set and

lighted but the growing had to take place—just as with each being. We are not separate, one from another—only expressing differently.

Worlds CANNOT be changed or political order achieved WITHOUT ACHIEVING KNOWLEDGE AND MORAL INTENT OF SELF AND THEN BROTHER. YOU CAN ONLY REPLACE SYSTEMS WHICH ARE BOUNDED BY EVIL AND CORRUPTION AND EXPECT THEM TO AGAIN FOUL THEMSELVES, FOR THEY WILL DO SO. IT IS AS WITH THE "ADDICT", HOWEVER, IT WILL NOT HAPPEN UNTIL THE GUTTER IS REACHED AND THERE IS NOWHERE ELSE TO GO SAVE DEATH OR "UP".

The painful time? While there are still choices to be made. He who commits suicide of physical is one thing and is painful indeed, but suicide allowance of mind and soul goes beyond any violation or rape of self. So, what causes this pain? Possibility of "change" and the unknown, i.e., "Will I be making a mistake? Is it better to leave it alone? What else can I do? I am old, I am poor, I am, I am, I am." What need thee say to self in the midst of the I am's? ***"I AM! AND I ACCEPT NO LESSER THAN WHOLENESS WITH GOD BECAUSE I AM."***

WOULD YOU BE HAPPIER IF...?

Would abundant joy, laughter, thrills of delight, fulfillment and gaiety flow from your being as a flood of rhapsody if you had all the funds in the world, all the "spare time" to live lavishly, without thought, with all those things you desire and argue over, with those who lust and greed over that physical acquisition of "things" and power? Would these things solve your "problems" or would the "trouble" simply be postponed in interpersonal relationships and allow our ego to be soothed for a moment NOT in truth? Do we appease or confront another who is obviously in pain which we somehow accept as our own responsibility? The greatest pain known to man is to FAIL HIMSELF! If you bend to the nagging of a partner or any other when you KNOW that your stance is correct—you FAIL SELF! You can honor and respect that "other" for their right to be entrenched within their own bindings—but if you, in wisdom, in truth, and intent of purpose move on in your necessary and responsible course—they must respect you OR FACE IT: THEY WERE NOT "WITH" YOU ANYWAY AND THE RELATIONSHIP IS BUT A SHAM. A couch for sitting can live nicely beneath a "sham" for years—a MAN will perish under the pressures of a sham existence. Age has no limitation to the heart or MIND and NEVER TO THE SOUL. The greater the sham the greater the SOUL'S BONDAGE AND, AFTER ALL, IT IS THE SOUL THAT IS ETERNAL WHILE PHYSICAL EXPRESSION IS BUT A PASSING WHIM.

LIVING OR DEAD WE CANNOT LIVE FOR ANOTHER

It is our obligation as a giving, living, responsible person to make every effort to bring ourselves into the balance and harmony of good relationships and to, if

necessary, extract ourselves from "bad" relationships. The hardest to do, however, is to face reality and stop the bondage of self and "another" rather than simply continue into infinity simply existing. If this is a relationship achieved—then often times separation is necessary to allow each to breathe and grow—again, age has no meaning in this equation.

One reason we can keep going and going and going—here—is that the relationships toward mutual responsibility of our task is mutual. All else might well fall away as physical needs fall away from consciousness—but LOVE GROWS, RESPECT RETURNS AND GROWS, MUTUAL WISHES BECOME BONDED AND ALWAYS—THE DUALITY OF RESPONSIBILITY IS SHARED. But, dear ones, as that KNOWING and RESPONSIBILITY grow—we have need to face those things head-on and be willing TO RELEASE another "from your bondage", whether it be they who are bound by you or you who is bound by they. Where there is BONDAGE—there is NO FREEDOM. "FREEDOM" is or it is not! Just as you are pregnant or you are not—so too is "Freedom" a word which has no "partial" meaning.

NEGOTIATE VS. COMPROMISE

Sometimes we even need to "negotiate compromises" BUT NEVER IN SOUL EXPRESSION OF PURPOSE IN TRUTH. You can compromise as to whether your curtains have ruffles or not, whether you eat beans instead of peas—but if you COMPROMISE TRUTH, you will surely destroy self and painfully damage SOUL. You will not make that "other" happy for your foolishness—for the curtains or the beans were not the PROBLEM in the first place.

So, why is it so hard to exist in the same place while sharing opposing "ideals" and "ideas", about such things as cause and effect? Because even though the one who has found TRUTH may well keep silent—THE OTHER KNOWS FUNDAMENTALLY THE TRUTH AND CHOOSES THE LIE FOR COMFORT AND CONVENIENCE TO ALLOW FOR CONTINUATION OF STATUS QUO. A PERSON WILL CLING UNTO DEATH TO A BAD IDEA RATHER THAN LOOK INTO POSSIBILITIES—ALL THE WHILE CLAIMING FLEXIBILITY AND OPEN MINDEDNESS. A PERSON CANNOT REMAIN "OPEN MINDED" TO TRUTH BECAUSE THE VERY ACT OF STATING SUCH A THING INDICATES CLOSED MIND AND GOES AGAINST ALMOST EVERYTHING ESTABLISHED IN THE WORLD OF PHYSICAL EXPRESSION.

Aging causes ones to think carefully about choices and most will try to hang onto BOTH "just in case". But is that wise? Of course not—for God hears not lip service. So to be all things to all things is impossible, improbable and foolish. We want our SECURITY and our God passage with ease and, hopefully, take everyTHING with us on that little jaunt—or, "I will be the first to never die!"

To very elder friends it is often considered as, "You old fool, you aren't ever going to do..." this or that or the other. No, precious ones, it is no longer that way for

you of God and Change. It is the elders who MOST CERTAINLY WILL produce the change for the physical world of Planet Earth and humanity who resides upon her wondrous places. Why? Because only the elders can SEE AND KNOW what was, what is and what CAN BE. For we have walked this path so many times as to be THE TEACHERS and we will not settle for LESS. We may as individuals make transitions back and forth—but we will NOT SETTLE FOR LESS. The “waiting” becomes the hardest of all things as we watch that which we perceive as youth and years flitting by so quickly as to actually “miss” their passage. Then we “give up”?! We announce that we can’t struggle any more, we are too weary and “others are right”. No, the BEST WORK IS THAT WHICH IS TO BE—not that done, ever! Age only brings WISDOM. We GIVE age the golden glove in ability to take us away. The best way to not be tired is to be doing that which is most productive. This is KNOWN by the “Adversary” so every effort is made to cause man to become infirm, senile, destitute and dependent upon the “system” for sustenance and shelter.

MARKINGS

I am appalled by the numbers of so-called Christians who declare worse than death by somehow “taking a so-called mark” (of the beast?). Who and what IS THE BEAST? No, you DO NOT KNOW and neither does the great speaker who taunts you to stand alone if necessary in the name of Jesus. B.S. If you cannot hold to GOD and live in the world in which you find self expressing—you are unworthy of calling yourself “Christian” for the “CHRIST” IS NOT A PERSON BY ANY NAME, IT IS A STATE OF BEING—IN GOODNESS. WORSHIPING AND DUMPING YOUR LOAD OF “SIN” ON A MURDERED, BLEEDING STRANGER IS GARBAGE—YOU HAVE TO ACCEPT RESPONSIBILITY FOR SELF! God is not judging but if He were—HE HAS ALREADY JUDGED “JESUS”. You are on your own! Do you really think a TATTOO is going to sever you from God? If you can’t bear a TATTOO and still, within soul, honor God—you’ve got real trouble, friends. Aren’t you going to pay for your goods ANYWAY? What difference if you use a card or a paper? IF YOU ARE LIVING WITHIN GOD’S LAWS—YOU ARE NO THREAT TO THE SYSTEM OR TO GOD’S SYSTEM. The ridiculous failure to accept a checkmark on a check-out slip in a store is silly and makes you stand out like a sore thumb in neon lights. What have you gained to honor God by such silliness? There is only ONE place upon which Satan wants to make his mark—ON YOUR SOUL AND WITH SUCH A MARK AS TO CAUSE YOU TO “SELL” THAT SOUL—TO HIM. THERE IS NO PHYSICAL MARK which matters TO GOD.

ILLNESS

Why do we allow ourselves to be sick or compromised in some physical way? Because it is as a “time out”. When we are “sick” then surely the “others” will respect my circumstance and I won’t have to confront what REALLY troubles me. Death is not as good a tool because relationships which were BAD in living color—become gray in remembering. Death predominantly allows the remaining ones to suffer a lot and gain sympathy and, ultimately, the BAD relationships are remembered less and less as the good takes over. This, of course, depends on the attention-gathering worth of the experience. Sometimes a nice guy is remembered constantly as the “failure” that somehow destroyed the life of the living one remaining.

My stance? Let anyone remember me any way they choose (they will anyway). If I have been true to self and God—it is their problem, not mine. What you think of me is not my business—it is YOURS. I live in goodness of intent ALL THE TIME—I make no EXCEPTIONS! In so-doing I have only positive expectations

for and of all things which enter within my ‘spaces’. Am I some “Goody two shoes”? No, “I AM” and in that being I can have no lesser expectation of self than of GOD. Therefore, I may well negotiate with students—I will NOT compromise and BE LESSER. Just as a parent can negotiate with a child—to compromise TRUTH to serve the child is out of reason—for the parent is the parent and the child is the child. RESPECT is the key word to be used here for Love is overworked and no longer understood in its meaning. If you respect another you will be kind and gracious even if you disagree with conclusions and demands. As the elder and hopefully “wiser” parent or teacher living in TRUTH (not La-La-Land), you WILL be able to offer respect, negotiate and resolve confrontations—not compromise that which you know to be RIGHT in favor of furthering evil upon your student or child. You CAN allow and forgive differences without becoming the difference or blessing the actions of another. Worse, if you FIGHT and deny—you strengthen the resolve in the other to NEVER hear truth and you insure the furthering of damage to that one you love.

A child or student is most often on a “cause” of some kind so “your way” is the last “way” they want to hear if you be a parent or professor. You don’t have to “bless” their foolishness but you can respect their right to experience. Why? Because there is damned little you can do about it! You have to release and allow and pray that your truth will someday be heard and honored. You will also pray that wisdom does not have to run over them in death-bringing disease or a Mack truck.

WHY KILL THE MESSENGERS?

Man has got to kill the messengers of truth. Why? Because evil cannot live or function in the face of truth and light. A man cannot do that which is wrong or break the laws while the spotlight is shining upon him—UNLESS HE HAS FORCE TO BACK HIM UP. So, the choices are to break out the light-bulbs and, in the darkness, the continuation of that which is unacceptable can be maintained or continued. TRUTH IS KNOWN—it is the “cover up” job which is in point here. Man doesn’t want to change because accepting truth brings terrible responsibility upon self. KNOWING TRUTH demands of one to ACT in that truth IN SOME MANNER. KNOWING IS NOT ENOUGH! Just KNOWING is but the catalyst that causes a NEED FOR RESPONSIBLE ACTION—ACCORDING TO YOUR ABILITY. KNOWING requires that we acknowledge ourselves as that which we ARE and not that from which we have been hiding.

Why do I single out Wally and Dharma to “pick on”? Because they have both asked me for answers—in genuine intent of desire to see and hear. They are ones of so many we cannot count them—save to say that you are all but ONE and the heart cries out exactly the same—only in different circumstances. It is not in the letter from Wally to E.J. and Doris that I find the important message—it is from Wally’s friend and wise comrade, reaching his century mark on his calendar, that I find the real message.

I am pleased with what I witness in my friends. I see growth which allows for severance of self in attempt to ease that “loneliness” or “pain” within another. When our hearts can recognize the problem and realize the solution but can make no mark FOR that other—the souls are both saddened for that “other” beyond any feelings for self that might enter within the focus.

What none of you seem to wish to face is that in your petitions to God for solutions to circumstances bearing problems, you GET YOUR RESPONSE. VERY WISE AND THOUGHTFUL CHOICES PRESENT THEMSELVES—SO DO NOT OVERLOOK THE POSSIBILITIES.

Perhaps, as with Wally G., opportunity may well be ringing the door-bell for solving several “problems” without severing any bonds but perhaps offering oppor-

tunity to strengthen them. Sometimes separation from that which is secure and “comfortable” can provide more security in such a way as to sever conflict while producing ability to grow, seek and find direction and service.

All the prophecies of any time for any where are NOTHING. ONLY YOUR SCRIPT HAS VALIDITY, for all else is illusion. A screen-writer has unique opportunities beyond that of others to bring to life a script. WE MUST REWRITE THE SCRIPT, WALLY. WE MUST REWRITE ALWAYS IN SUCH A WAY AS TO OFFER HOPE AND POSSIBILITIES AND GROW FROM THOSE FIRST TINY FOOTSTEPS—OFTEN SHOWN ON THE SHOULDERS OF THE GIANTS COME BEFORE US. IF WE DO NOT REWRITE THE SCRIPT FOR EARTH AND EARTH-MAN, HE WILL DESTROY HIMSELF AND THE WONDROUS CREATION OFFERED FOR HIS STAGE. CAN WE? OF COURSE! IT IS YOUR VERY TALENT, MY FRIEND—NOT MINE, NOT DHARMA’S—YOURS! We will each write our OWN script—but we know not how to make a film which can express LIFE PURPOSE and one film cannot serve ALL—so we need many, each more wondrous than that before. Man hungers for LIFE—to escape his death walk. But man has come so far into the darkness as to have to now be SHOWN alternative possibilities. HE IS BLIND TO THAT WHICH IS and he must now remember WHO HE IS.

We are continually focused on the loss(es), not the gains. Let us take “religion” as a topic. We feel loss and betrayal in the opportunities taken to destroy truth rather than build truth within the great halls of churches and accepted ritual. No, consider that the failure of the churches and the preachers is your ASSURANCE that God is not some idiot being hanging on a tree branch. God IS the tree branch and the LIFE—not the spilled blood of limited ritual. HE IS THE TREE! Each of HIS are also the TREE and lesser is not acceptable. But MAN has forgotten and he must again be shown the way. The Universe is God’s cathedral—you can only build your puny sticks and stone temples within HIS MIGHTY REALM as the ants build their nests within the places of their choosing. THE SOUL IS THE HOLDER OF THIS WONDROUS UNIVERSE OF GOD—ALL OF IT! MY SOUL/YOUR SOUL—ONE—HOLDING ALL OF IT.

How can you express this magnificent TRUTH? By giving FREEDOM to soul and heart and God will express it! You have but to put it to scripting and picture and we shall CREATE our holographic WHOLENESS in truth and presentation. WE SHALL CREATE OUR PLACE AND OUR “FUTURE”. We only have to remember the “old”—while we turn to the “new” and, from that which is UNIVERSAL KNOWLEDGE—CREATE! We are not limited to that which seems to be, however; that which we need for projecting CREATION is available in already manufactured equipment. CREATION NEEDS NOTHING MORE THAN SOUL AND MIND. GOD IS CREATION—SATAN IS ONLY A MANUFACTURER AND “USER” OF THAT WHICH IS ALREADY CREATED. EVIL IS A DESTROYER—GOODNESS IS A CREATOR.

Is each of us STRONG enough to do our task? OF COURSE—HOW CAN YOU QUESTION GOD’S ABILITY TO KNOW?

INSIGHT

Will recognizing the truth of this message make things hunky-dory? No, but responsible insight will make your journey more acceptable and worthy. Choices will be easier—fulfilling the choices will not be much easier—depending on what the “problem” might be. There are always solutions to problems but “trouble” takes on an endless life of its own. Solutions to problems are only extensions of “trouble” if you fail to use them. While you focus on your “trouble”, however, most of you MISS OPPORTUNITY.

When you can take self to God and say, "Father, here am I—send me!" and MEAN IT solutions to problems will pour forth as a fountain in Spring. But, you have to be willing to do it HIS way for it will almost always, with FEW exceptions, present differently than YOU perceived it would be. When you learn this lesson—it will continually be MORE often AS YOU EXPECT IT. Sometimes we must move away from continual confrontation of a problem to FIND SOLUTION. This is neither evasion or avoiding—it is called WISDOM.

We often cry to the wind in petition of why we did not sooner see and hear and know so that we could be vital and offer change. For what and when? NOW is all we have to express, my beloved ones. "Too late" is not a concept in Truth. That is a concept of the lie desiring to procreate itself in ever enlarging cycles of deceit. You each have to make the choices, in TRUTH, and then, together, WE CAN FIND THE WAY! No man is an Island? There is no such thing—for where there is a single man—there is also God and, even though Man may well consider limitations—GOD DOES NOT. Don't quote your birthdays counted, TO ME. You have no concept of "OLD". I AM OLD and yet you expect me to serve without interruption or ending! Well, I expect you to serve without interruption or ending—what is wrong with that expectation? You expect of GOD—but do not want GOD to expect anything of you! FORGET IT, kids, for GOD has total expectation of perfection from YOU. HE also has patience for your learning experiences, but His patience for His elder students is not so forgiving in practice. He expects that which is impossible from we of the guides and messengers. And I can't speak for YOU—but I certainly intend to not have disappointment written on my headstone. I will stick around until our mission is FINISHED—no lesser is acceptable.

Most of this particular expression will be allowing ourselves to be used as a screen upon which others may find their own direction instructions. We, through our expressing, often present the opportunity of experience and action which offers another a chance to express his own talents. I example, how can you expect Gerry Spence to share his legal acumen with you if you have no "case"?

Wally, I would appreciate your writing to Mr. Spence regarding taking this "case" of Ekkers. He will be well paid from his "winning" and he will like the relationships formed here. Keep it "simple" for he prides himself in his own simplicity and rightfully so—but the wisdom of your experience in honor of his wisdom gained is always appreciated. Get his book and you will see that we can all learn greatly by his insight. *HOW TO ARGUE AND WIN EVERY TIME*. Please write to him—twice; now, and then after you digest the wisdom within the pages of his book.

You cannot begin to hope to change the judicial system unless you have leaders within the "profession" (sic) who have respect for LAW while demanding and expecting integrity and justice in that LAW. Accepting less is not enough. There are plenty of able bodies and souls to accomplish this task of change—but it requires leaders and not "just" bank accounts. There is no race, creed, color or sex to do these jobs of restructuring in integrity, just as there is no race, creed, color or sex which rended freedom and justice asunder. It requires all men of truth to join together and accept no LESS. It certainly is not a job for guns and bullets, swords or slings—it requires men worthy and able to stand forth on THE WORD IN RESPONSIBLE STANCE.

How do you win great damage settlements for someone like the Ekkers? You tell the jury THE TRUTH. Further, you commit that the proceeds beyond absolute costs are FOR INSURING THAT, TO THE BEST OF OUR ABILITY, THE TYPE OF PAIN UPON THE EKKERS WILL BE STOPPED FROM VISITATION UPON OTHER CITIZENS, INCLUDING THOSE ON THE JURY! You, further, accomplish that in PROOF

by presenting the contract which serves same to the Constitutional Law Center for furthering investigation and prosecution of the culprit criminals who call themselves your political servants. People desire JUSTICE, not for someone else to simply get rich off a decision. Man wants BETTER but he can't see how his input can be large enough to bring change—so give him a way to share in "winning". Winning is the allowance of right to overcome wrong, strength of justice to overcome corruption, especially that which has infected the judicial system of the nations. There is no religion or "system" which can accomplish freedom and integrity save one goal in action and that is action in RIGHTNESS.

GOD IS NOT A RELIGION—GOD IS LIFE! When we stop categorizing God—we can almost see the way it IS. **GOD/SELF IS THE REALITY—ALL ELSE BUT STAGE SETTINGS AND TOOLS FOR OUR PERFORMANCE OF "OUR" PLAY. IF WE HOLD THIS UPERMOST, WE CANNOT FAIL, FOR "FAIL" CEASES TO HAVE MEANING.**

Has Dharma "failed" for not being able to write on the subjects under focus? No, indeed not, dear students. She has allowed us to share that which has REAL MEANING and not simply lessons of historical review. We need to speak and share that which we are about, not limit selves to the history books and possibilities confused within chaos.

We ARE soul and within the trappings (the trap) of human physical expression we are not allowed full awareness of that FACT. We need to STOP, LOOK AND LISTEN. We need to take the hand of the MAN—not of Galilee—but of GOD, that hand which creates the Sea and therefore stills the waters, calms our fears and allows realization. We need to hold that hand within ourselves in remembering that it is our very breath, our LIFE, our SELF of which we speak. In that realization we KNOW GOD and in that PRESENCE we will think again and again before we will act in opposition to the teachings of PERFECTION, for when we diminish selves we drag God with us, for HE will never abandon us. Where have we dragged God this day? Have we risen in HIS glory or dragged HIM within our dankness? Do we rejoice in HIS flowers or do we tread upon His glorious gifts, seeking the things of physical non-value? Physical expression, students, has untold value but the value is not in the "things" which distract us and capture our senses. The gold and silver used to provide LIFE in, say, colloids for good health and protection of body, are far more precious and lasting than all the trinkets which can be purchased on the face of a physical world. But I ask you travelers: can you not have BOTH? God wants you to have LIFE and PHYSICAL expression in abundance. HE WILL, HOWEVER,

INSIST YOU LEARN THE DIFFERENCE IN VALUE. There are pearls of great price which bring pleasure and treasure. However, it is the pearl beyond price which is THE treasure. **WISDOM IS THAT PEARL.**

PEARLY GATES

Why are the gates to "heaven" referred to as Pearl? Because the pearl is considered an expression of wisdom. So, consider passage and sorting to be that which is presented "at the gates of passage" as wisdom and foolishness is confronted. God refers to HIS crown of life as having Pearls abounding. These are not oyster tumors, children, these are the crowning glory of accomplishment in that which holds real VALUE. We work to acquire our dwelling place on the street of WISDOM and LIVE by that which is eternal, just and right. All that is precious exists in its truest form in the Universal substance of being, very real and very available. The lowest use for such treasure is presented to Man for his lessons and experience. He then uses those priceless treasures for self indulgence and sets prices on their being and holds power or control by their bindings. They have no meaning of same in that glorious expression wherein they are created and simply ARE, as are you. These are the things of physical expression by which a SOUL can later measure its growth and stature. It is not the "thing" in point here, it is the self perception of that "thing" and what actions will be utilized to acquire that "thing". To "not" have the "thing" if it would further goodly cause is as erroneous in concept as taking it all for ego evaluation of self. Can you not utilize the same tools used by evil without becoming the evil? Are you so weak in your goodness as to be unable to not become the evil? Herein lies the answer, beloved friends. The answer to Life is not in avoiding living but to live in such a way as to produce greater abundance and LIFE—not evade it. This ALWAYS COMES WITH KNOWING, LEARNING, AND ACTION IN RESPONSIBILITY. EACH IS EXPRESSED IN PHYSICAL WAYS, BUT ALL ARE EMOTIONAL SOUL INTENT. You CANNOT express goodness if the soul be steeped in evil. Neither can you express evil—IF THE SOUL IS LIVING WITHIN GOD INTENT.

This would seem to be enough for this letter, for to murder the topic is quite unacceptable. The teacher must also learn, like a good lawyer, when to become silent.

I cherish you beyond your understanding and I reach out and accept that love you share with me. In that way, it becomes a GIFT for both of us.

BUSH LAWYERS COLLECT

Here's a George Bush update from the June 10 issue of *THE ORLANDO SENTINEL*, [quoting:]

WASHINGTON—The government [i.e., the tax-paying citizens of the U.S.] owes former President Bush \$272,352 for legal expenses during a special prosecutor's investigation of his role in the Iran-Contra affair, a court ruled Friday. Bush had sought \$461,346, [Classic chutzpah!] but the panel of three appellate judges that supervises independent counsel investigations said that amount was not justified.

Independent Counsel Lawrence Walsh accused Bush of "misconduct" and of completing a "cover-up" after the then-president pardoned six Iran-Contra defendants Dec. 24, 1992 [including former Secretary of Defense Caspar Weinberger and former national security adviser Robert McFarlane]. The Ethics in Government [an oxymoron, for sure!] Act allows government reimbursement of lawyers' fees for people who are the subject of an investigation by an independent counsel but are not indicted.

George Bush: (What an intriguing emblem on his hat! Looks like the Satanic Goat of Mendes within a five-pointed star.)

LIBERAL ICONS AND SYMBOLS

Samuel Francis makes this point in a recent issue of the *WASHINGTON TIMES*, [quoting:]

One way to challenge liberal dominance is through shattering the icons and symbols the left wants us to worship, but what we mainly hear from Republicans are prayers to the idols of the left. Before they kicked Mr. Liddy in the lip, assorted Republicans have tried to compare themselves to John Kennedy (Vice President Dan Quayle), praised Franklin Roosevelt (Speaker Newt Gingrich) and boasted of marching with Martin Luther King at Selma (Rep. Bob Dornan). Then they wonder why it is that the liberalism of Hollywood and the media is so powerful and why no one takes Republicans and conservatives seriously. It never occurs to them that by

their own confirmation of the icons invented by the left, Republicans are also confirming the liberal values and policies voiced by those icons and thereby also confirming the cultural power the left has appropriated for itself.

As for the "Republican Revolution", there can be no such thing until the Republicans are willing to challenge the cultural apparatus that is the real source of liberal hegemony. They can pass all the "Contracts" they want to, but as long as the left dominates what Americans hear, see, and read, it will retain its chief power base. [End of quote.]

Public figures are constantly emerging who claim to be "conservative" and "patriotic". Where do they REALLY stand? Mr. Francis provides an important clue in the task of reading the news with discernment, one he terms "liberal icon affiliation". How can one take the "Republican Revolution" seriously when its leader is a big fan of FDR and the Tofflers? The official platform or position of a person, organization, or newspaper is only one item of evidence—and certainly not the most reliable one. Here are just a few clues that indicate Elite approval:

- * Broad media exposure and acceptance, as has been lavished upon Newt.
- * Major media-affiliated "program" or column, such as Rush, Liddy, Ollie.
- * Pro-Israel remarks, holocaust fixation.
- * Tendency to resort to name-calling rhetoric in place of logical analysis of a position; use of trigger words.

I am making a collection of such "indicators" and would appreciate input. It's important to keep in mind that such indicators are pieces of evidence pointing in a direction; they are not absolutes. One could compile a long list of liberal/elite indicators on Perot, for example, but at a certain point in the '92 election—and perhaps, still—he was the best option available for salvaging our nation.

GOD, A BIOGRAPHY

A recent issue of the *DALLAS MORNING NEWS* reviews *God: A Biography*, by Jack Miles, [quoting:]

It is God as the protagonist of the Hebrew Bible—the *Tanach*, or *Old Testament* to Christians—that concerns Miles, a Rome-trained former Jesuit...[Another indicator.] Looking strictly at what we know about God from the *Bible*, Miles presents God as creator, warrior and lawgiver. We meet a figure who destroys his creation (in the great flood) and then regrets his action. We see a God who manipulates humanity, complains to the point of whining and unleashes his wrath on his chosen people after they turn to idolatry. In short, God as a literary figure makes mistakes and, in very human terms, develops and changes.

One of Miles' enduring themes is that God is an amalgam of personalities. There is a tension inherent in his being, so much so that God seems to be in conflict with himself. "But this makes him, in literary terms, far more dynamic and compelling, more magnetic than he would otherwise be," Miles said. "A God who is all sweetness and light and completely unchangeable might be a consoling figure to have in the background, but it would be easy to lose interest in him." [End of quoting.]

Why does man limit God to a ridiculous anthropomorphic caricature? Thank you for asking! It's what we've learned. And look who our teachers have been: religions and religious leaders. Talk about indicators! Logic alone tells me that if there is a group of elite power-seekers, they would surely seek to direct, control and manipulate man's spiritual quest—including man's very definition of himself and God. In fact, the ONLY

way they can maintain power over people is to keep them ignorant of who they/God REALLY are. Such an elite would eliminate as dangerous anyone who dares to say: GOD IS LIFE. God is thought-energy. God is love—an all-encompassing VERB/NOUN rather than a limited personal pronoun.

Does that mean religions are bad? I thought I'd never ask! Can man's strivings for God ever be "bad"? Doesn't it make sense that, in our process of learning the truth, we must first learn the error—the not-so-true creation of man? (How else do we know the difference?)

One reader corrected me with regard to my "negative" comments on the Promise Keepers article in last week's *News Desk*. She remarked that she has seen positive aspects in that religious crusade and benefits to those who participate. I appreciate her comments and her point is well-taken. The fact that the ministry in point contains liberal/Elite indicators doesn't make it "bad" throughout all levels of their endeavors. And, conversely, just because it has positive aspects doesn't mean worrisome, possibly infiltrating negative forces aren't there. The point is to always be discerning.

WORLD GRAIN SUPPLIES LOW

This AP article is from the June 10 issue of *THE ORLANDO SENTINEL*, [quoting:]

WASHINGTON—World grain stocks will dip to the lowest level in 20 years, leaving a record low 53-day supply next year and threatening rising food prices around the globe, Worldwatch Institute predicted. The tight carryovers will likely lead to worldwide increases in the price of bread, rice and breakfast cereal by the end of 1995 and in grain-produced livestock products such as beef, poultry, pork, eggs, milk and cheese early next year.

WILL "WORK" FOR FOOD

Things are already at the critical point in many parts of the world, as shown in this June 11 article from *THE ORLANDO SENTINEL*, [quoting:]

MBABANE, Swaziland—The lives of thousands of Swazis are threatened by a relentless drought that has forced women to trade sex for food in the southern African mountain kingdom, officials said Saturday. "The husbands of the women seemingly do not care, so long as food comes to their houses later. This is painful but is happening and we cannot run away from it," said Zacharai Mbhamali, a community leader in the southern Lavumisa district.

SIR HANK

Here's an update on the politically correct Hank Kissinger, from the June 14 issue of *THE ORLANDO SENTINEL*, [quoting:]

The queen will make Kissinger an Honorary Knight Commander of the Most Distinguished Order of St. Michael and St. George, one of the top honors Britain can bestow on a foreigner, the Foreign Office said Tuesday. Because he's an American [ha!], Kissinger won't get the title "sir" and does not have to kneel before the queen. The government is honoring Kissinger's "contribution towards Anglo-American relations" [i.e. the selling out of America to British Zionism].

Nevada Corporations

WHAT IS A CORPORATION?

BLACKS LAW DICTIONARY: An artificial person or legal entity created by or under the authority of the laws of a State or nation, composed, in some rare instances, of a single person and his successors, being the incumbents of a particular office, but ordinarily consisting of an association of numerous individuals, who subsist as a body politic under a special denomination, which is regarded in law as having a personality and existence distinct from that of its several members, and which is by the same authority, vested with the capacity of continuous succession, irrespective of changes in its membership, either in perpetuity or for a limited term of years, and of acting as a unit or single individual in matters relating to the common purpose of the association, within the scope of the powers and authorities conferred upon such bodies by law.

A franchise possessed by one or more individuals, who subsist as a body politic, under a special denomination, and are vested by the policy of the law with the capacity of perpetual succession, and of acting in several respects, however numerous the association may be, as a single individual

GENERALLY UNDERSTOOD DEFINITION: Your Corporation is an artificial entity. It is a separate and distinct entity apart from any of you. It is a separate entity and is basically a "child" who has residency in Nevada; it has its own rights and relationship with respect to State law in Nevada. You and the Corporation are completely separate.

Further, a Corporation is a distinct, legal entity separate and apart from its members, stockholders, directors or officers. Although it is a separate entity, it can act only through its members, officers or agents and cannot have knowledge or belief of any subject independent of the knowledge or belief of its people. A stockholder (owner or partial owner) is a holder of shares of stock in the Corporation and is NOT IN LEGAL CONSIDERATION OR DANGER. (In other words you are not, as the owner or "parent", responsible.) A stockholder is not the employer of those working for the Corporation nor is he the owner of corporate property.

A Corporation is a citizen in the State wherein it was created. A Corporation does not cease to be a citizen of the State in which it is incorporated by engaging in business or acquiring property in another State. Since Corporations are solely creatures of Statute Law, the powers of a Corporation in another State are derived from the constitution and laws of the State in which it is incorporated. As an artificial person a Corporation is considered to have its domicile in the State where it is incorporated and the place where it has its registered or statutory Resident Agent or home office in that State. When the Corporation's activities (or holdings, etc.) are actually in a different place, the site of its Resident Agent is sometimes said to be its "statutory domicile".

The existence of the Corporation is not affected by the death or bankruptcy of a shareholder, Officer or Director. It has a continuous existence. It is immortal for as long as it complies with the annual requirements of the State in which it is incorporated.

The important point to remember is that when you own a Nevada Corporation, the Corporation exists as a separate entity or person. You can live anywhere you choose, in any State or country; it is the Corporation which conforms to the requirements of the State in which it resides. You will find that Nevada is the State with the most benefits to protect you and your Corporation.

It's Tax Free Nevada. (The last of the "safe havens")

If you're looking for the benefits that Incorporating has to offer, such as limiting your personal liability, increasing tax-free benefits, and raising capital through the sale of stock - taking just 5 minutes of your time to explore the benefits of forming a Nevada Corporation could save you and your company thousands of dollars.

No State Boundaries.

No matter which state you live in, you can still utilize and reap all of the benefits of a Nevada corporation. And you don't even have to visit Nevada to operate a Nevada corporation.

No State Taxes.

You can save a bundle on taxes. The state of Nevada does not tax the income of its corporations or its state's citizens.

Complete Privacy.

Nevada statutes have developed a corporate structure that allows owners and investors of Nevada corporations to remain completely private. Plus, Nevada is the only state that does not have an automatic exchange of tax forms with the Federal Government.

Asset Protection.

Protect your assets from potential lawsuits and threats. Nevada, the "safe haven" state has a corporate structure designed for privacy and obscurity.

Low Cost.

Nevada is one of the lowest costing states to incorporate in. Your annual fees to have the privilege of owning a Nevada corporation are only \$85 a year.

It's easy to start.

Simply give us a call and one of our knowledgeable corporate consultants will assist you in answering any questions that you may have.

Challenging Thoughts On The Growing Of Flight Feathers

6/25/95 #1 HATONN

STILL DRIFTING THROUGH

People drift through and sit with us for a while after studying some of our writings. We are honored for we have no groups, no "church", and yet the acclaim is that we are somehow a religion or a cult. Most of you at one time or another, as you struggle under the load of accepted responsibility, wish we would be such, but alas, "God has done you 'in'," and didn't make the world RIGHT for you. I would suggest that, on personal relationships and stature, HE is doing a very good job of testing the metal of the volunteers. And, in addition, He is offering unlimited growth beyond the boundaries of those offered in any circumstance. We offer or do NOTHING which is not fully within the business guidelines of law and ORDER. We struggle to meet every regulation of Man, within GOD, with the "code" of God centering our own response to our higher KNOWING of right from wrong. We are simply a coalition of business people efforting to have "community". However, at the top of every business structure there must be SOMEONE with RESPONSIBILITY and therein lie the problems observed. No ONE wants responsibility—not even for his own destiny and profit.

Let us stumble around for a while on neutral territory so that our toes do not bleed on the rented carpet. If we offer products and then do not deliver those products—it not only is bad business, it is unacceptable and the law will come down hard for "false advertising", fraud and all manners of other regulations-violation.

If our favorite mechanic fails to fix our cars or puts in faulty parts without correcting the errors, we are angry, disadvantaged and finally will get another mechanic. Does THIS have anything to do with the person living in the town? If Dalene goes down to the local sewing shop to have her sewing machine repaired and the merchant fixes the machine but sells it to someone else—is that "OUR" problem or must not Dalene work that out with the Merchant and, possibly, the Law Enforcers if indeed the act was intentional and the merchant cannot get return of the product he sold elsewhere. That is theft and will be considered that the person receiving the goods is also a receiver of stolen goods and will likewise be prosecuted. Why do you who have business interchange with anyone else who might attend our meetings as guests and friends somehow feel we have a debt TO YOU?

Not only do we NOT ask people from anywhere to come and volunteer here, but we urge all who cannot attend selves to NOT COME. Charles has somehow become the local "moving man" and, of all in the place, he has received the least honor, the least attention and, while accepting incredible responsibility—TAKES NO PAY. Ones who continually fling rocks at Charles, and he is just a "for instance", will ask him FIRST to pack/unpack their U-Haul so they can either get here or get away from here.

So, why do we keep a disruptive force such as Charles who insists that laws be kept, security be handled responsibly and our things attended? Because he, without hesitation, takes the reins and attends

responsibly his job. HE WORKS WITH ME AND I MARVEL AT THE PATIENCE OF "MY" CREW WHO SERVE IN THE MIDST OF THE CROSSFIRE. It has been so difficult at times because he has been referred to as Dharma's and E.J.'s spy. How dare you! They too have shouldered the responsibility of this commission without ability to back off or "run away".

SINS OF THE PARENTS

I am not going to go into the sins of parents against children to any great extent but I am going to allow you to reason with selves just a bit. Why would it be that a child abused will grow and abuse his own? Because the resentment is so great, forgiveness BURIED and only mouthed—but the forgiveness lacking is for SELF.

Every business person would like to offer his employees double or triple whatever he is paying—for services rendered. But check before you complain around here for "just how badly are you actually being treated?" How TOTALLY WONDERFUL was your status before you became a part of our circle of friends and business associates?

CULTS AND RUMORS

Why do you think we have great public problems? Because ones such as Leon and Eleanor go forth and complain, denounce and blame someone else, and the wrong ones at that, for something they know is their responsibility but the BLAME must reside on someone else. Well, these things come back to rest on the laps of the responsible parties. Leon, for instance, came because of George Green, participated because of George Green and got stripped BY George Green; but who does he thrust out at in his anger for his own actions, goaded on by George Green? Yes indeed, all of US. He denounced me as some kind of a GOD who doesn't sound like a pious God of unconditional love and allowance. Like perhaps I don't like blame placed on the shoulders of non-responsible parties. Is there loss to our "cause"? Yes, because these people go forth and hire ones like Abbott and Horton who will legally bind all of you to the LIE and call you a "cult" to cover their lying backsides in order to FOOL THE JUDGES AND A JURY.

What will these people do when they discover the culprits are actually the attorneys and the thieves? What can they do? They will be out of funds—and so will the culprits have spent their funds. Rod McBroom, the deceiver in the Schroepfer case is going to, as sure as you are alive, sue the pants off Abbott for Abbott has caused him to spend thousands of dollars, demands MORE, and has been a drunken cheat and liar from the upstart. As a step-son who took control and imprisoned John in an Alzheimer's center (without any signs of Alzheimer's) acting for his mother, who is also guilty as can be—wanted GOLD to place with George Green.

However, Rod is angry for he must now account for thousands of dollars spent FROM JOHN'S PROPERTY IN HIS CARE, TO GEORGE ABBOTT FOR LEGAL FEES FOR NOTHING SAVE FRAUDULENT LEGAL WORK. Luke Perry is also persona non-grata in Nevada political circles for his lying and cheating over his

step-mother's account in which he never had any interest. However, he joined with George Abbott and spread, through the Associated Press, all manner of not just erroneous stories, but absolute and outright LIES.

Now Abbott screams foul about what is printed in "that little nothing" paper and demands the courts forgive his bad efforts and money stealing because of his pain and suffering at the hands of a "nothing paper". After all, HE IS THE ONE WHO HAS THE "CONNECTIONS" WITH THE ASSOCIATED PRESS.

Horton, meanwhile (Green's partner in crime), wanting to keep Overton's gold, lies worse and aids, abets and suggests the lies to tell to the courts. Problem is that all the lies now are DIFFERENT in each case—which now gives a Federal Bankruptcy Court heartburn for being deliberately LIED to by these gentlemen. Meanwhile, George and his little Cutie Pie wife go about claiming they still speak with ME and the Christ and they have been treated badly FOR STEALING AND EMBEZZLING.

Why am I doing this today? Because my people are getting mad as Hell and won't take it much longer! Dharma didn't consider writing for me until she encountered the Evil Empire when they STOLE HER HOME right in front of God, Satan and the Judicial System. She looked up and around and stopped kissing trees and went to work. Does this mean that we don't appreciate tree-kissers? No, it means that SOMEBODY has to do the work while the kissers fail to learn a thing about WHAT IS GOING ON OR COMING DOWN.

Leon must be seeing the light by now. He fell for George Green's recommendation to hire Abbott to BREAK THE INSTITUTE, PULL IT DOWN (IT WAS GREEN'S TO BEGIN WITH), GET HIS "GOLD" AND FOOT A PLAN FOR GREEN. ABBOTT WOULDN'T EVEN ALLOW LEON TO BE DROPPED FROM A CASE—SO HE COULD CONTINUE TO DRAIN MONEY FROM THE POOR MAN. HOW MUCH FUNDS DO YOU THINK, OF LEON'S AND ELEANOR'S, IS REMAINING AFTER SEVERAL YEARS OF WORKING WITH THIS "GOOD FRIEND AND 'HE IS NOT AN ALCOHOLIC'"? No? NO, Abbott is a politician, thief, liar, cheat and DRUNK. Then what does Abbott use as excuse for fund draining? To the Supreme Court he speaks of the Institute spending his "clients' funds" for court. Doesn't the idiot even know that a Corporation HAS TO HAVE A BAR-CLUB MEMBER AS REPRESENTATIVE IN CASES BEFORE THE COURT?

BUT WHY THE LECTURE TO THE CHOIR?

Because some of you act other than as family, which we are; team, which we are, and give out all the signals and signs of CULT! WE DO NOT FIT INTO EVEN ONE CATEGORY OF A CULT—NOT EVEN ONE.

You who are paid for your labor and consider selves underprivileged had better look around carefully. There are hundreds of unemployed people in this village alone—making less than you, and yes, would like your job. Every cent is borrowed funding which SOMEONE has to make up in payments. Just because corporations

are involved does not mean magic money-makers. You utilize the advantages and then turn about in ignorance and tear down your own shelter. I am amazed at how ones come and then become angry at the very hands that feed them. Well, God is quite accustomed to such disrespect. Most is simply "gossip" but ill-speaking hurts the one in topic.

But why am I upset? Because I happen to be the CEO of quite a few of these corporations. The courts try to establish that I am Dharma. No, I am NOT! I am real; I am alive and I am very well AND QUITE CAPABLE OF MAKING MY OWN CASE IN COURT ON THE WITNESS STAND. (BUT NOBODY WANTS ME.) Writing Ekker-Ekker and Ekker-Phoenix on a court paper is only going to cost a couple of old attorneys their licenses. The COURT(S) may well be judicially unsound and easy on the criminals in such a case where the very lawyers are the criminals, BUT THEY DON'T LIKE TO BE LIED TO. FRAUD UPON CITIZENS IS ONE THING—FRAUD UPON THE COURT JUDGE IS QUITE ANOTHER.

COMMON LAW COURTS— AND JURIES

So how do you get away from the bondage of Admiralty Courts and controlled juries? You have to INFORM the jurors that they have rights greater than the Magistrate and the black-robed priest of the rituals. Then, you have to GET TO THAT COURT FOR HEARING! Then, YOU TELL TRUTH, for the Adversary will ALWAYS LIE. An INFORMED JUROR who is honorable WILL KNOW THE DIFFERENCE! This is why Ekkers are such a GOOD CASE for demonstration—they have TRUTH on their side and they always tell the same story; after eight years, the same story is quite sufficient. And the lies of the opposition? They change in EVERY CIRCUMSTANCE.

What do I suggest? Well, since any funds which are reclaimed or claimed will go to the furtherance of the Constitutional Law Center and Freedom, I suggest that several people make SURE that every juror arriving at court for sitting on the day of jury for these cases, get a *Fully Informed Jury* pamphlet. They are available and you don't even have to put your name, rank or serial number on them. A JURY IS THE ONE THING THAT HAS FULL DISCRETION AND CAPABILITY, BUT EVERY JUDGE WILL TRY TO THWART THEM BY THEIR "INSTRUCTIONS". A JUROR IS SUPPOSED TO OVERRIDE THOSE INSTRUCTIONS IF HE REMOTELY FEELS INCLINED TO DO SO. YOU HAVE TO RECLAIM YOUR JUDICIAL SYSTEM TO SURVIVE!

You can't win much by going forth and fighting with one another over YOUR OPINION of Grand Juries and such as recently happened. You must begin at HOME where true charity must begin, and form your Common Courts of and by the people with juries of those people. You must set up GRAND JURIES at local levels and then you can draw a foundation upon which to begin.

CONSTITUTION

I weary of ones shouting, *Constitution-Constitution*, and like shouting "Peace-Peace" and there is none, being totally and factually uninformed. The *Constitution* as structured for the United States was structured from the Native American tribal guidelines. So, you started right off, offenders of freedom, stealing a nation and a set of rules. You have now become the VICTIMS, Citizens, of the flaws in the document and you have lost everything that you took from the Indians. However, they aren't too bright either, for while they revel in your loss, they lose even MORE. You have been reduced to equality—but the Puppet-Masters who accomplished this situation, GROW STRONGER EACH AND EVERY DAY. You can't FIGHT THEM WITH WEAPONS any more than those elder Natives could

FIGHT the long-rifles and cannons. You argue and fight over pop-guns when the nation falls apart at the hands and MINDS of the Usurpers. It might be funny if it were not so sick.

GERRY SPENCE

Why do I ask you to convince Gerry [write to him at address in box] that he WANTS the Ekker case(s)? Because he would have a school-room setting to bring alive his own teachings. He could SHOW the attorneys who have loyalty and dreams of truth in Law, how it SHOULD AND MUST WORK. He could show a Jury their POWER and responsibility and it could be a teaching tool for the attorneys trying to make CHANGE. The corruptors have stolen great sums from Citizens

JUST LIKE EKKERS. Do you realize that the Resolution Trust Corporation is going to now be merged into F.D.I.C.—so you can take up MORE LOSSES? There SHOULD be enough penalty charge against these criminals who have stolen America, to at the least help support the Law Center to allow a beginning of the Common Law System. Let us call the "winnings" from the case to be the "nest egg" for TRUTH IN LAW. Ekkers don't want or need much. They didn't, however, even have ability to have home-insurance to cover even a portion of the recent thefts and robbery by "breaking and entering" of the thieves. The local "police" and "law enforcers" don't do anything except "Oh well, too bad. We did all we could." And, yes, let the robber GET AWAY. They somehow couldn't find the culprit after they had him, in an open field!

Why might this annoy the Ekkers? Well, when they were to be EVICTED BY THE S&L AND RTC UNLAWFULLY, THE BASTARD GOVERNMENT BROUGHT IN ADL SWAT TEAMS AND SURROUNDED THEIR DWELLING. GOSH, THESE "POWERFUL TROUBLEMAKERS" ARE DRAINED OF ALL PROPERTY, IN THEIR SIXTIES, AND HOW DANGEROUS CAN THEY BE?

The "robber" even has welfare and if brought in will have excellent medical attention (which he needed for his bare feet). He was stupid enough to wear shoes which imprinted even the trade-name and then went bare-footed to make his run-away! Still the police said, "Oh well..." They couldn't seem to do anything when Green STOLE AND TOOK \$350,000 OF YOUR GOLD, not even file a report because the case somehow became a problem for Nevada, Green's new residence and passing center for dealing. SOMETHING IS WRONG, CITIZENS! When it got hot in Nevada—he went to Montana. Aren't you sick to death of those who commit these dastardly deeds and then sell you the sicko trip of "Born again Christian" and "spokesman for God"?

Don't dump your "religions" onto me for I shall promptly puke. I also suggest you stop your "12-foot lizard" trick with ME. I am of the Hosts of God, a messenger for Creator/Creation and I am just one filmy dimension from your own! Man has manufactured the control through Fear and the Monsters. Man has also conjured an escape through some kind of ritual rapture. NO, it WILL NOT HAPPEN! You are being set-up for the KILL. But man wants to believe in the fairy-tales and magic. He certainly does NOT want to hear or recognize TRUTH because with Truth comes RESPONSIBILITY. Responsibility requires WORK (or play if you enjoy your "work" as much as do I). At the least it REQUIRES ACTION, and PARTICIPATION, not inconclusive lack of any direction or haphazard fence-

sitting. Aren't the spikes on the fence getting uncomfortable?

WASHINGTON D.C.

I continue to be amazed at you people thinking you can take Washington or, at the least, impress them there. They are the vipers in the pit, and the pit itself is a garbage dump of evil and trash. WHY would you want any part of such a LIE? You want to "march on", "take back" and thus and so? What for? Your nation, including Washington, Congress and the Treasury, Judicial, and Military systems—are owned and OPERATED by the New World Order, the Committee of 300 (under the Queen of England) and the vile Anti-Christ(ness) of Satanic RULE and actions. You aren't going to OVERTHROW anything! You will, however, WIN the day if you take your possibilities and BUILD. There is going to be adequate and abundant bloodshed without your helping with your OWN, while calling it "God's" way.

THAT BIBLE

Another thing I find interesting is about people and their presentation that we (I) are somehow evil because of "The Bible". How so? There is a lot of good stuff in that book, there is also good stuff in every "Bible". You just don't remember which is truth and which is lie and, in becoming totally ignorant and refusing to reach out and LEARN, you corner selves into a pit with your SOUL. YOU ACTUALLY LIE TO SELF AND SOUL (WHICH IS, OF COURSE, SOUL). You end up believing what somebody else tells you to believe and then when disappointed you lash out at the TRUTH-BRINGERS, as if they, somehow, did you in. How is it that when truth finally becomes unfolded—you turn on the very ones who are your friends? Because I tell you TRUTH, does this suddenly mean that I am not your friend?

HOLLOW HOLOCAUST

Another thorn is that damnable "Holocaust". I am neither anti-Semite (although I am totally anti-Evil) as defined by the groups calling themselves by other labels, nor have I said there was NO HOLOCAUST. I said that the "Holocaust" as described and presented COULD NOT HAVE HAPPENED THE WAY DESCRIBED OR PRESENTED. Mathematically IT CANNOT BE! How can such a statement represent HATE-CRIME? Well, it does and did; right in the Kern County Court against the Ekkers, the above statement was used AGAINST Ekkers because "I" wrote this in a tiny little newsletter. A Self-Claimed Jewish attorney entered it into the court record and a Self-Claimed Jewish Judge immediately ruled against Ekkers as being "frauds, rip-off artists against the S&L (they were an example of why the S&Ls failed)" and thus and so—even to entering the "Rip-Off" bit in the last document from the opposing attorney who, by the way, has represented EVERY entity in the opposition case. Is the COURT BAD? No—JUST THE PEOPLE IN THE COURT. "THINGS" ARE NOT GOOD OR BAD—PEOPLE ARE GOOD OR BAD.

How is it elsewhere, out of Kern County, California? BAD! In some cases even worse, but notably bad here. Here there are even underground "ritual" places. Many of the Court Judges and the Highest Ranking City Fathers—are practicing Satanists and proud of it. They don't, of course, advertise it, but neither do they make any effort at all to hide it except solely as a sham cover. Do I object? YES! And further, UNTIL YOU OBJECT AND PUT A STOP TO RE-ELECTING AND HONORING THIS BUNCH OF EVIL BASTARDS, YOU CAN'T HAVE A NATION WITHIN ANY KIND OF GOODNESS. When the very core of the apple is rotten—you don't have a good apple no matter how much you polish and change the wrapping. This doesn't mean, however,

that with the right people in strength and an informed jury that you have to LOSE. You can win, but you have to do something about it to insure that win.

RETURN TO BALANCE

"Should I go forth and overthrow the system?" No, if you care about it you might want to do something about it to bring back goodness and justice. I have justice where I AM. I am willing to help you establish and accomplish such magnificent tasks but I won't do it for you or supply you with the wherewithal to do it. Do you hear me? I am not your magic guru or money-lord. You will see and go get what you need in honor and integrity. We show you the way and present the opportunity. In the cases before the courts, in this instance of "Ekkers" et al., the plum is right there for the picking and eating. What will YOU do to make sure Mr. Spence takes the cases [again, see Gerry Spence address box], wins WITH YOU the cases, to allow your team to move forward? We let the Ekkers take THE BEATING by US&P and ALL OF YOU LOST! You lost the very "Secret of Light". There is nothing magic in the messages which are, at best, unfinished and unworkable as are. But YOU LOST, citizens. Ekkers don't have any wish to further the "case" for because of it they are further in debt for the remainder of their lives. However, this precludes NOT timely confrontation by the Institute who actually lost the VALUE of the publications NOW BANNED. Why is something not done about this circumstance? No funds to pay attorneys!! And, no attorneys willing to GO WIN A CASE TO GET PAID. Where in the world do you get a product that you know won't work, but you have to have it as required BY LAW, the rules are secret for the Secret Society, massive fees are mandatory UP FRONT, with promise of probable failure to win, the hired party asks YOU what you want to do, spends unlimited numbers of hours fiddling with other attorney arguments and insults AT YOUR EXPENSE, finally loses or quits, you run out of money at which time you HAVE TO get another club member and pay him to CATCH UP in addition to horrendous fees now increased because

you can be accused of being dumped by your attorney (all under the guise of him dumping you because you are somehow guilty) for running out of any ability to pay.

There is well over a million dollars tied up with attorneys in these cases just noted here, on both sides. Funny thing: Ekkers, the point of the confusion—

GOVERNMENT—REMEMBER?: Of the people, by the people and for the people, and YOU ARE THE PEOPLE!!!!

Mankind reminds me of the chickens who are now fed upon. Once the chicken was an eagle which soared the heavens. But he was mutated, made fat and incarcerated in cages and he grew into a dinner entree because he found he COULDN'T fly AFTER ALL HIS LUXURIOUS LIVING. You don't remember how to fly, citizens, so you have become like "sitting chicken/ducks" while your flight feathers are plucked one after another and now you are bare naked—and CAN'T FLY. I can't cause you to fly—but I can show you how to regrow your flight feathers. However, it won't do any good, for your flight, for me to glue them onto you one after the other while you complain about the "glue". Neither will I leave my flock to attend your anti-glue campaigns. We work, we serve and then, brothers, we attend selves and/or GO. IT IS

HAVE NEVER BEEN RECOGNIZED IN ANY COURT REGARDING THE LOSS OF THEIR PROPERTY.

I hear you, readers; how can ANYONE fight such a system or afford to change the garbage heap? Right! It is all but impossible because you are stripped of financial ability from onset. Well, YOU are offered here an opportunity to make an impact—by getting the right attorney who can appeal to the rightness of the cause (case) and reach through to jurors—because it is the RIGHT THING TO DO. We can present the opportunity and knock on your door. YOU HAVE TO TAKE THE OPPORTUNITY, SPEAK OUT, WRITE AND SEIZE THE MOMENT. YOU can do it; you have proven you can do it by your united efforts and petitions, and if you allow this to pass I shall not ask my people for MORE. They have stood forth as THE TARGET and taken the bashing and the losses and now they offer YOU the possible "winnings" and that is what God is about. We will show the way, present the opportunity, and then wait for YOU to act in justice and choice.

Can't the Law Center carry the banner in this case? No, in fact if something miraculous doesn't happen next week—the Law Center will have to CLOSE. YOU ARE THE LAW, CITIZENS. It is YOUR law, YOUR

YOUR TURN NOW! It is time you ones get it straight as to who and what is GOD and stop your silly tricks of pretense with the religious bigots of the world. You have been fed poison, so stop taking it in or perish; the choice is certainly YOURS.

We have a meeting this afternoon so I must release Dharma in order not to be late to our own conference.

Thank you for thinking upon these things that we share for we can offer no other. Man is blinded by the "experts" and "training sessions" of controllers and teachers who have most unworthy intents for you and your souls. I can only ask that you study your own circumstance, for time for your nation in ability to reclaim any form of freedom is all but over. To simply replace your controller by another, however, is indeed foolish. Some of you want to make "me" into your controller because you can "trust me to do that which is right"? Can you? How? YOU ARE RESPONSIBLE FOR SELF AND TO REAR YOUR CHILDREN SO THAT THEY, TOO, ARE RESPONSIBLE. IS IT NOT TIME TO STOP MAKING SOME FAR-OFF "GOD" YOUR SCAPE-GOAT? GOD IS NOT "FAR OFF"—YOU JUST WISH HE WAS!! PONDER IT.

Salu. Please write to Mr. Spence. Thank you.

New Gaia Offers Journey To Health

What Should We Be Taking?

5/26/95 SANDRA TULANIAN, D.C.

The times in which we live in do not afford us the opportunity to keep life simple enough that health can be taken for granted by just ingesting food and water. The game rules have been changed by bureaucrats (directed by crooks higher up the ladder) who dictate questionable farming practices which, when added to the already choking pollutions of our atmosphere and water, ends up depleting the soil, the food supply, plus the air & water we breath of many of the essential nutrients that would otherwise allow our bodies to function optimally.

Aside from a core of products that New Gaia carries which will be discussed further on in this article, two brand new products are being offered that are extremely important to present first. They are **GaiaCol** and **OxySol**. **GaiaCol** is a combination of Colloidal Silver, Trace Colloidal Gold and Trace Crystalline Drias. This combination of ingredients has produced a product that is so high-frequency and potent that it could quite possibly be the solution to our ongoing fight against the new antibiotic-resistant diseases that we face today. Colloidal Silver was used extensively and very successfully against bacteria, virus, fungi and the like before the advent of the first antibiotic, penicillin; and the uses for Colloidal Gold at that time were just beginning to present themselves. Once the chemical companies began manufacturing the myriad of antibiotics, silver and gold were no longer looked to for treatment. Interestingly, the antibiotics that they were producing had no effect on the more resistant viruses, fungi and parasites yet this did not stop the medical community from prescribing these drugs regardless of the type of infection. Now we face a new generation of bacteria that are completely resistant to any antibiotics merely due to antibiotic overprescribing and resultant survival of the fittest bacteria.

Research has demonstrated that Colloidal Silver is non-toxic to humans and allows no known disease-causing organism to live in its presence. With the addition of Trace Colloidal Gold and Trace Crystalline Drias, the frequency of **GaiaCol** is remarkably enhanced to allow these newer, more powerful viruses and bacteria to be eliminated. **GaiaCol** is gentle enough to use topically on just about any skin, hair, or mouth condition without fear of toxicity and is outstanding for burns. For internal use it is recommended to maintain with 3-4 drops, 3-4 times per day under the tongue and if an infection is present, start with 1 teaspoon the first day and then 10-12 drops, 3-4 times per day under the tongue until the infection clears. Important: Due to the powerful nature of this product, friendly bacteria can be affected so it is advisable to replace the natural intestinal flora with some type of acidophilus/lactobacillus supplement daily or, at the least, when symptoms are noted (symptoms may include cramps, bloating, diarrhea/constipation and a general feeling of malaise).

Please note that this product is said to be perfectly

safe for children and pets and can be taken with other medications without incident. Colloidal Silver is not addictive and the body does not build up a tolerance to it. For your information only, Colloidal Silver has been used effectively on the following: acne, conjunctivitis, allergies, rheumatoid arthritis, bladder inflammation, venereal diseases, eczema, appendicitis, boils, cancer, candida, otitis media, prostate problems, whooping cough, ulcers, plus many, many others. **GaiaCol** can also be used to wet wound dressings and bandages and help heal cuts, scratches, abrasions, fever blisters, etc. There is a myriad of uses for this product which makes **GaiaCol**, in my opinion, one of the most exciting and valuable products on the market today.

OxySol contains Colloidal Silver and Trace Colloidal Gold but has Hydrogen Peroxide (food grade) and other trace minerals to add a new dimension to the effects. Organisms that have plagued us for centuries may be destroyed using this product but the new, more resistant strains will require the higher frequency **GaiaCol**. When added to water, the **OxySol** will help to purify, which makes this ideal for taking to restaurants or for travel. When taken with **GaiaCol** you get a two-fold effect of combating foreign invaders and providing a greater oxygen content for the health of the cells from the Hydrogen Peroxide. **OxySol** is wonderful topically as well, but is not advised for burns (use **GaiaCol** for burns). The trace minerals found in **OxySol** are vital to our health because the nutrients that were once taken for granted in our vegetables and fruits have been systematically farmed out of our soil. These trace minerals need to be replaced, otherwise our bodies continue to be open season for aggressive bugs. Another use for **OxySol** is to rid the oral cavity of harmful bacteria by brushing your teeth with 4 drops **OxySol** on your toothbrush or use as a mouthwash or gargle. The recommended amount to take daily for system clearing is 6-10 drops, 3 times a day on an empty stomach. If taken with **GaiaCol**, reduce both daily requirements in half. If you are adding **OxySol** to your water, just add 1-2 drops in each glass of water. Both **OxySol** and **GaiaCol** are very powerful additions to our pursuit of health.

Without these "food"-based essential nutrients our immune systems and body physiologies are sitting ducks for any attack—from chemical and biological "warfare" practices, to increased nuclear radiation pollution, as well as from other high-energy photon bombardment as this planet prepares itself for the upcoming changes.

It is up to every individual to take personal responsibility for their health and prioritize the needs their bodies may have at this time as well as pay special attention to the needs of their children. I hope to describe here some good products available to you so that your search for a basic, complete arsenal against disease can come to an end.

New Gaia has presented many products to the public that you can pick or choose for individual needs. But there is a core of products, which should be taken

regularly, that is felt to be essential to health and well being. These products are: **Gaiandriana**, **AquaGaia**, **Gaialyte**, **Kombucha Tea**, **Kombucha Vinegar**, **CarbraGaia**, **GaiaCleanse Program**, **Chlorella**, **Spelt**, and **3-In-1**. Each of these provides a service to the body that is a necessary assistant to the other. We will discuss each one individually to provide you with the information you need to understand why these items are necessary.

The physiology of the body is basically governed by the actions and programming found within the cell. The cells make up the tissues of the body, the tissues make up the organs such as the heart or liver which, in turn, make up the organ systems that work in harmony with each other to keep the entire body functioning. If the cell structure has been altered or is malfunctioning (for whatever reason), every organ system is affected. To what degree they are affected depends on the offending substance that has caused the cell's breakdown or the length of time that cell has been subjected to abuse.

Gaiandriana is a product that is said to help correct the faulty programming that has occurred at the cell level by correcting into perfection the cell's DNA/RNA blueprint. Viruses, unlike bacteria, have the ability to fuse with the DNA strand within the cell, creating a mutation to that cell. By perfecting the DNA/RNA blueprint, the cell may be returned to a level of vitality which allows it to fight off an incoming virus and maintain the homeostasis within the cell and, in turn, within the organ systems.

This is essential for the immune organ system, because without healthy cells that can fight off offenders like free radicals, viruses, and cumulative levels of radiation, the immune system is overtaxed to the point of exhaustion—eventually leading to dis-ease. Another benefit from consuming **Gaiandriana** is its ability and nature to thrive on the invisible, higher photon frequencies which are bombarding us daily. **Gaiandriana** is able to speed up the frequency levels of the cells to more nearly match the energies pouring in and assaulting the body. This, in turn, can offer a two-fold benefit: One benefit is the ability of the cell to withstand and actually adapt to these otherwise damaging energies; the other benefit is to help protect ourselves from mind manipulation through pulse beams that are irradiating mankind relentlessly. Originally the dose was 10 drops, 3 times per day, under the tongue. However, with the growing number of "manufactured" epidemics and other stepped-up plans for our demise by the Elite, perhaps more is better. One ounce or more per day may produce faster and more effective results.

Aquagaia was introduced to benefit the mitochondria system that lies within the cell. The mitochondria is the energy producer of the cell and is essential to convert the food we eat into usable cell fuel and to produce enzymes that are absolutely necessary for survival of the body system.

Aquagaia is also said to feed on vessel plaques adhering to blood vessel linings. Most all of us, by the

age of twenty, have plaques developing on the arterial walls due to the American diet that is filled with saturated fats, high protein, white flour products, and limited consumption of fresh fruits and vegetables. This product provides added fuel to any compromised system to assist in strengthening the immune system, as well as cleaning out blood vessels and enhancing the pliability of the vessel walls throughout the body. Both *Gaiandriana* and *AquaGaia* work in harmony to strengthen and eliminate mutations of all cells by working together within the cell structure itself.

Another product that you will find essential in your daily regime is *Gaialyte*. This is a fully integrated electrolyte liquid that is brought forth from the *Kombucha Tea*. The combination of tea and juice, vitamins, minerals, *Gingko Biloba*, *Echinacea*, *Chlorella*, oxygenators, *Aloe Vera* and *Gaiandriana* are a powerful combination that helps boost energy levels as well as provides electrolyte balance within the body to help enhance the performance of the *Gaiandriana* within the cells. Electrolytes are substances which dissociate into ions in solution and thus become capable of conducting electricity. The balance of these electrolytes in the body will aid in the protection from the various high-frequency energies that we are now subjected to as well as enhance the effectiveness of all the other products you are consuming for your health.

Another beverage that should be taken in a dose of approximately 8 ounces per day is the "Tea Breeze" *Kombucha Tea*. Enough can not be said about this fermented drink from the mushroom fungus found long ago by a prominent Japanese woman in a town called *Kargasok*, *Russia*. What she found amongst these villagers astounded her. The women were virtually without wrinkles or other signs of aging and the overall population was comprised of unusually healthy people. She was told that these people drank 8 ounces of *Kombucha Tea* daily. She brought the mushroom fungus back to Japan and, today, over a million Japanese people drink the fermented tea daily. With the high content of special proteins and enzymes, this tea is said to reduce cholesterol, restore hair growth, strengthen eyesight, help insomnia, aid in weight reduction, help with allergies, bronchitis, asthma and a myriad of other debilitating conditions including the prevention of certain cancers.

While these are claims from people who have used or researched the product, it would simply be prudent to regard *Kombucha Tea* as a must to add to your daily health regime. Many people make their own tea with the mushroom that is available through *New Gaia Products*, but for those of us with limited time, the ready-made tea in the 1-liter and 2-liter bottles is both delicious and convenient. Try mixing the tea with the *Gaialyte* and your favorite juice, or just drink it straight.

There is a *Kombucha Vinegar* that has been developed which offers similar properties to unpasteurized apple cider vinegar, which has been used for centuries to care for all types of ailments. This product packs a punch when fighting off the common cold and is great as a digestive aid. Many are using this product in their salad dressings or other recipes to enhance the nutrition that their families receive. While *Kombucha Vinegar* is not recommended for canning or preserving, it certainly is recommended for general consumption.

CarbraGaia is the membrane that is found in the mushroom fungus of the *Kombucha Tea* bathed in a nurturing amniotic-like fluid of *Gaiandriana* to aid the body in repair of connective tissue. This product was designed to replace the need for Shark Cartilage supplement, which has been well researched and documented in recent years and which is said to program the body to never develop cancer tumors. By mixing one teaspoon in to any of the above mentioned drinks, you add one more weapon to your arsenal in the quest to build the immune system to its optimum healthy state.

A 14-day program called *GaiaCleanse* has been developed that assists in the elimination of the nasty

parasites found within the body. Very few people realize the kinds and types of diseases that these parasites can contribute to, such as Cancer, AIDS, Hepatitis, Hodgkin's Disease, Diabetes, just to name a few. There have been reports that people have been able to turn their conditions around by utilizing a program such as the *GaiaCleanse Program* to eliminate the myriads of parasites, such as flukes, keeping house in their internal organs.

The beauty of this program is that 14 days every 3 months is all that is required to insure a body that is free of most parasites. The *GaiaCleanse* line includes tinctures that can be mixed in any one of the above beverages or in juice. There is also an intestinal cleanse that comes in the kit to ensure proper elimination and cleansing during the two weeks. These steps to health are important if one is to realize optimum health within the cellular structure and organ tissues of the body.

Chlorella is a single-celled, fresh-water algae which is a nutritionally balanced whole food that is extremely high in protein (60%) and contains more than 20 essential vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes, plus *Chlorella* growth factor. The combination of these factors results in a product that has been found to be excellent in the healing of wounds, injuries and ulcers, immune strengthening, age retardation, protection against radiation, normalizing digestion and bowel function, and protection against toxic pollutants, to name but a few of the benefits.

Chlorella is a rich source of chlorophyll, which is extremely effective in controlling body odor both internally and externally. The suggested daily consumption is 3 grams per day, but dosages should be adjusted to your individual needs. Many times the alkaline reserves in the body are so depleted that *Chlorella*, in larger doses, is warranted.

Moreover, because of its superb food value, *Chlorella* is an important addition to anyone's emergency food storage stash.

As part of an ongoing nutritious diet, the grain of *Spelt* (*Triticum Spelta*) should be added to every diet in replacement of the standard wheat grain. *Spelt* is superior to wheat in that it contains more protein, crude fiber, and fats than wheat. It also contains special carbohydrates (*Mucopolysaccharides*) which help stimulate the all-important immune system.

Many people who are allergic to wheat find *Spelt* to be easily digestible. What is most exciting is the delicious nutty flavor that *Spelt* offers to any baking needs. Another advantage of *Spelt* is the large amount of vitamin B-17 found in the grain (also known as *Laetrile*) which has a reputation for retarding cancerous cell growth and aiding in the healing of other serious illnesses. *Spelt* also has an exceptionally thick husk around the center grain, which protects it from all kinds of pollutants and insects far better than happens with other grains. The *Spelt* grain can be ground up into flour and used in any recipe where flour is required. *New Gaia* offers the whole *Spelt* grain bread mixes, or the grain itself to be ground into flour, or the flour already milled for your convenience. This simple addition to your family's diet can provide a wealth of extra nutrition for your loved ones as well as a great taste experience.

The last product I wish to discuss is a newer product of which you may not be fully aware. Many of you have heard of the latest craze using a product called "Pycnogenols". *Pycnogenol* comes from the bark of the pine tree and is said to have remarkable anti-oxidant properties that are aiding in the relief of a number of chronic conditions. The *3-In-1* product offered by *New Gaia* has been found to be superior to *Pycnogenol*. The research that has been conducted on the elements found in *Pine Bark* were primarily conducted on *Grape Seed Extract* because this, too, had the components that offered the superior anti-oxidant protection.

What was discovered is that the *Grape Seed Extract*

was even superior to the *Pine Bark* in that it contains a higher level and higher potency of OPCs (*Oligomeric proanthocyanidins*) which are the active ingredient for free-radical scavenging. These OPCs found in the *Grape Seed Extract* are known for their instant bioavailability to seek out nasty free radicals and produce rapid counter-effect results. While no claims are here being made for the healing qualities of any product, the OPCs found in *Grape Seed Extract* have been identified with: Anti-aging protection, improved vision, decrease in wrinkles, resistance to mental deterioration, reduced risk of heart disease, reduced risk of stroke, enhanced immune system, faster healing, subdued PMS, and reduced inflammation of arthritis.

The other substances found in *3-In-1* are *Ester-C* and *Aloe Vera*. *Ester-C* is found to get into the blood stream faster and in larger amounts than other forms of vitamin C and wastes only a fraction of what other vitamin C products lose through elimination. It is also found to penetrate white blood cells more efficiently, which is necessary for their metabolism. There is also a reduction, if not an elimination, of the side effects from the acidity of regular Vitamin C because *Ester C* has a neutral pH. Each capsule also contains 150 mgs. of *Aloe Vera* which is the equivalent of one-and-one-half ounces of natural *Aloe Vera* juice. Excerpted from an article by *John C. Pittman, M.D.*, we read: "Acemannan, a mucopolysaccharide, is a long-chain sugar which is found as an active ingredient in *Cold Processed Whole Leaf Aloe*. It interjects itself into all cell membranes. This causes an increase in the fluidity and permeability of the membrane, allowing toxins to flow out of the cell more easily and nutrients to enter the cell. The net result may improve cellular metabolism throughout the body, resulting in a boost of energy production."

These three powerful ingredients are found in one product called *3-In-1*. It is a potent product that should be utilized by anyone suffering from a chronic condition or for those wishing to maximize the functioning of their immune system on a day-to-day basis.

All the above products discussed: *OxySol*, *GaiaCol*, *Gaiandriana*, *AquaGaia*, *Gaialyte*, *Kombucha Tea*, *Kombucha Vinegar*, *CarbraGaia*, *GaiaCleanse*, *Chlorella*, *Spelt* and *3-In-1* can be the keys to a healthier and more vibrant life by reinvigorating the immune system, increasing the metabolic activity of the cells, providing more complete nourishment to allow the organ systems to function in harmony with one another, and to increase our bodies' overall frequency levels to withstand the onslaught of various high-frequency energies that are thrown our way. These products work synergistically together to maximize the effects of each product.

Of course, right thinking, right exercise, and right eating are absolutely necessary to add to any health regime, but the benefits and gifts found within these various products are priceless to our well being in this high-stress world.

Hydrogen Peroxide Use For Water Purification

To purify water (of viruses as well as bacteria and other critters) for drinking purposes, use 10 drops of 35% Food Grade Hydrogen Peroxide per gallon of water and agitate container enough to mix well.

Locating the 35% Food Grade Hydrogen Peroxide can be a problem as the Elite effort to close down everything that promotes health, from products to therapies. Food Grade Hydrogen Peroxide is necessary as the drugstore (3%) variety contains additives and stabilizers not good for ingestion.

TELEPHONE HOTLINE 805-822-0202

This is a service for our dedicated readers. *Today's Watch* telephone hotline carries the latest news and comments from Commander Hatonn's most recent writings. This is our way of keeping you informed about fast-breaking news and events.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus daily callers can hang up after 2 rings and save toll charges if no new message has been recorded. The message update(s), if any, occur by 6 PM Pacific Time.
