End-Of-The-Year Thoughts And

New Year’s Resolutions

As 1999 Brings Major Testings

12/29/98 #1 HATONN

WHAT’S IN A DAY OR A THOUSAND YEARS?

This is not a bad question, as foolish as it might at first seem, for in the passage of a thousand years you will find the sequence of events counted actually in days. Moreover, the NEXT thousand years begin with this instant split-second of “time”.

This is the period of expression annually where the past events are summoned for your attention and you can have a good laugh and a few tears over circumstances.

“But, what does it all mean?” the great thinker might inquire. That, of course, depends only on YOUR perception and perspective.

If you live in the United States of America, for instance, you are receiving in the land of the breathing dead, fed deception by the liars now in control of your very beings.

If you live in Iraq, as example, you are receiving the brunt of the lying deceivers who believe that to lie, cheat and steal and then blow up the opponents in the game, makes them somehow worthy of power. Who is “right”? Who is “wrong”? Neither is either. YOU ARE IN A GAME OF “GETCHA” IN EVERY WAY FROM FRIDAY, PLAYERS.

Oh, indeed, goodness gets a better go in a sequence upcoming, but not unless there is shown some further intent of change other than from Viagra and abortion, into intelligent technology that furthers human

NATIONALISTS WIN,
BANKERS LOSE:
MAI DIES

Sovereign citizens the world over were given an early Christmas present when the Multilateral Agreement on Investment called it quits.

From *THE SPOTLIGHT*, by James R. Tucker Jr., 12/21/98: [quoting]

Bilderberg and its auxiliaries are stunned at their latest setback on what appeared to be an open road to world government: the collapse of the Multilateral Agreement on Investment (MAI).

The MAI was intended to add yet another economic layer to the international bureaucracy and protect the Rockefellers, Rothschilds and other supercapitalists from losses as they exploit planet Earth.

With new layers of international mechanisms, member nations would have surrendered further sovereignty to the MAI.

The end came in Paris on Dec. 4, where the Organization for Economic Cooperation and Development (OECD) was hosting the negotiations. "Negotiations on the MAI are no longer taking place," the organization said in a terse statement.

Negotiations had started three years ago on orders of internationalists. It was designed to protect trillions of dollars in international investments.

The proposed deal directed nations to treat foreign investors the same as domestic investors and pay for any property they seized.

But as details began leaking out, resistance to surrendering more sovereignty through the MAI gained strength. France had announced in October that it was quitting because the pact would require it to give up control of its own economy.

Australia dropped out in November for the same reason, and Canada expressed similar concerns.

"The international financial cabal thought they could bring France back, calling their withdrawal a 'nationalist fit' prompted by such 'right-wing extremists' as [Jean] Le Pen," said a State Department official who has tracked international deal-making and Bilderberg for years.

Le Pen is France's populist leader who is feared and hated by the French political establishment as the next leader of that country.

They also blamed latent [*de*] Gaulism: he said, referring to the late French leader and World War II general who withdrew from NATO at the height of the Cold War citing national sovereignty.

But when Australia dropped out, the deal began crumbling, he said.

"What really distressed Bilderberg and their flunkies is that negotiators cited 'increasing nationalism at home' as the reason they dare

not proceed," the official said.

The Bilderberg Group is composed of the world's wealthiest and most powerful people who secretly meet every year. *The SPOTLIGHT* covers this meeting although all news about them is suppressed by other newspapers.

"Nationalism" is an expletive to forces pursuing a world government. But the official warned, they will try again, "wearing new clothes".

"There is a general recognition of the importance of some agreement," said Donald Johnston, secretary-general of the OECD. "I don't think you are going to see something emerge called 'MAI'. I do think it's in everyone's interest, including France's that there be some investment framework."

International business leaders also pledged to keep pushing for some investment agreement. [End quoting]

The "elite" have seen a turn-around in their own fortunes from what I gather. Let's keep the pressure on for changes that will help us all to gain back more and more freedoms.

SSS WILLING TO INVEST
IN PHILIPPINE AIRLINES

From the INTERNET, 12/28/98: [quoting]

The Social Security System is willing to invest up to P1 billion in Philippine Airlines on condition that a strategic partner would come in to reverse the airline's losing streak.

SSS Administrator Carlos Arellano said in a press briefing: "We can consider an investment of P200 million to P1 billion into PAL as long as they can prove that it can be a profitable corporation."

"There must be a cleaning up of its balance sheet," he said.

The flag carrier needs a fresh equity infusion of at least P6 billion to survive the cutthroat competition and the Asian crisis hounding the airline industry.

Discussions with prospective foreign partners Cathay Pacific Airways Ltd. and Northwest Airlines have recently bogged down, prompting the government to explore other ways on how to prevent PAL's demise.

For instance, the government plans to tap the Miyazawa fund from Japan to raise the \$150 million in fresh equity needed by PAL. Finance Secretary Edgardo Espiritu is also considering bridge financing from government financial institutions.

SSS is the first GFI to declare willingness to invest in the cash-strapped airline even if it does not own a stake in it.

The five GFIs with actual exposure in PAL—Government Service Insurance System, Philippine National Bank, Development Bank of the Philippines, AFP-Retirement Service and Benefits System and Land Bank of the Philippines—appear lukewarm to proposals to invest some more in the flag carrier.

PAL, which is saddled with \$2 billion worth of debts, is also seeking a restructuring of its loans to more than 1,000 creditors and suppliers.

Arellano said the strategic investor in PAL would not have to take management control of the airline since professionals could be hired to manage its day-to-day operations.

The SSS chief said the pension fund was open to new investment opportunities to optimize its P150 billion portfolio. Of the total amount, P33.5 billion had been placed in equities and loans to the private sector.

International Finance Corp., the investment banking arm of the World Bank, also expressed interest to invest in PAL if there would be a strategic partner which would come in and efficiently implement its restructuring program.

Should any deal push through, the new foreign partner, along with IFC, will take up 40 percent of PAL while the Lucio Tan group's control will be reduced to 30 percent, at the most. [End quoting]

One wonders if this maneuver is being set up so the government crooks can later have a "reason" for the collapse of Social Security.

Y2K COVER FOR
MARTIAL LAW IN U.S.

From the INTERNET, courtesy of Calvin Burgin, <wrldline@texas.net>, 12/21/98: [quoting]

Reply To: Conspiracy Theory Research List <CTRL@LISTSERV.AOL.COM>

I just read an article in *WDN* where David Bresnihan interviewed Senator Bob Bennett and Bennett said there are no preparations for Martial Law...etc.

Also Senator Bennett said that the probability of the power grid going down has been reduced from 40% to 4% or 5%. What has happened in just 60 days that suddenly all the electric companies have made such astounding progress?

Something really smells around here. Is Senator Bennett just doing his job of smoothing all the waves to avoid the panic?

Read the following article and compare. Read both and judge for yourself.

Y2K COVER FOR MARTIAL LAW TAKEOVER??? Date: Sun, 13 Dec. 1998 16:49:29

From: Christopher Goodheart <safetrek@mcn.net>

To: safetrek@mcn.net

Excerpt from : *The Federalist Digest*, # 98-49

Preparing for the one-year countdown until y2k, we took notice of this comment from John Koskinen, chairman of Mr. Clinton's y2k council, at the council's first summit in San Francisco last week: "In a crisis and emergency situation, the free market may not be the best way to distribute resources. ... If there's a point in time where we have to take resources and make a judgment on an emergency basis, we will be prepared to do that." Translation: The president has signed secret Executive Orders authorizing the government to implement "emergency economic controls".

Commentary by C.G. follows:

**Sinister Plans Under Cover
of Y2K Disruption?**

by Christopher Goodheart

For those who have closely monitored the

conspiracy threads on Internet newsgroups this last year, there has been a repeating pattern of highly credible information that indicates the abject corruption of the Executive and Judicial branches of Fed-Gov...and the general complicity of both political parties (Legislative branch).

The most outstanding example of government corruption can be seen in the willingness of both Democrats and Republicans to sell top secret technology to the Red Chinese who can now, thanks to this treasonous betrayal, target major U.S. cities with weapons of mass destruction. Which is why both parties agreed not to expand the impeachment hearings beyond Monica Lewinsky.

THE CORRUPT TREASONOUS COMPLICITY OF CONGRESS WOULD HAVE BEEN EXPOSED FOR ALL TO SEE!

Y2k may thus be the perfect cover for corrupt officials at the top to manage the coming crisis to their advantage. Desperate people do desperate things, and the cancerous pathology eating at the Republic from the top down would cannibalize the body politic with an aggressive Martial Law malignancy, given the chance.

It's an amazing thing to think of the global revolution in freedom (to know better) and opportunity (to do better) that the Internet has given to people worldwide. This global revolution has transcended time and space with the instant/everywhere empowerment to own your own life and declare your independence from the power trips of the power elite. All this abundant do-it-yourself information for self-reliant living (home learning, home healing, home business, home community, etc.) is leading towards extraordinary personal and planetary win/win that could raise all of our social, political and economic institutions on a foundation of healthy individuals, families and communities. Self-perfecting databases can now clearly define what is working best for one's personalized learning style, health/metabolic type, business interest and "community" of people of like interest. Personal growth and self-elevation along more enlightened "Christic" lines is showing where self-governing systems for owning one's own life translates to the best answer to the crying SOS to "Save our Society".

In fact, the vision alone of the "Abundant Life" on such a comprehensive personal and planetary scale could be the catalyst for self-fulfilling prophecy! So that vision is a direct threat to the power elite's power base ... the oxymoronic "value of scarcity" (economics of scarcity) whereby abusers justify manipulation of markets to conceal, waste and outright destroy the abundance of virtually every commodity (especially truth of this process) if that's what it takes to maintain the scarcity that keeps prices and profits (and control) high. It's the old win/lose dialectic that must wage war on abundance of the many so that the few can get richer... shrinking the middle class if not eliminating it outright, as in virtually every socialist (communist) country. For WITHOUT VISION of a personal/planetary Abundant Life win/win, the value of scarcity will call evil "good" and good "evil" until people believe the

lie and their damnation is just. THE PEOPLE PERISH.

These power elite "fallen ones" know that if they don't create an enemy to save us from (whether that be y2k, Islamic terrorists, economic collapse, racial unrest or any other divide-and-conquer tactic), then the Internet masses are waking up to the politically correct but morally wrong power elite manipulations that have created and managed every major war of this century. The masses worldwide are discovering how power elite ownership and control of the media has been used for social engineering that increasingly dumbs us down and numbs us down to the very existence of this on-going "population control" conspiracy.

Now that people are waking up to the nefarious intent of these wolves in sheep's clothing among us, these wolves are nashing their teeth as public "judgment" is upon them. Their public identity is quickly transforming from the idolized role of the "rich and famous" to their true identity as dangerous subversive infiltrators behind the scenes of government who have sold out principle for the perks of power, prestige and profit. And **they intend to shut down the Internet one way or the other** before awareness of this "conspiracy" reaches critical mass and is seen for the treachery, tyranny and diabolical if not satanic oppression it truly is.

These proud power elite "Olympians" (as they call themselves) are running scared. Their time is short, wrath is great, and what they intend is to take as many "useless eaters" with them as they can in their final hurrah and rebellion against the people of God. And as the CFR journal *Foreign Affairs* published, their intent is to reduce world population to **approximately 10% of current levels** [*emphasis mine*].

Which is why David Rockefeller and his Trilateral/CFR cronies have been aggressively setting up the Soviet-Chinese alliance for World War III this summer even as good ole' Dad, John D. Rockefeller and friends, set up Germany and Japan for WWII. Reports are that they have just finished their semi-luxurious underground cities for more than 200 Rockefeller families and loyalists.

The global interdependent economy is collapsing into the U.S. economy. And it is well known by many software engineers (who have already headed for the hills to prepare shelters for survival), that y2k will likely collapse the U.S. economy as early as April '99 when the fiscal year for many international banks project ahead to the year 2000 and begins corrupting data that is networked to other banks. If you don't believe the banks are concerned with people pulling their money out, ask yourself why the banks are now passing new FDIC laws that will make it ILLEGAL to withdraw more than \$100 cash from your account under the new "Know Your Customer" rules.

One thing for sure, the government has had numerous research studies on y2k for many years. They have known it will likely collapse the infrastructure of Western, indeed global, civilization. Yet FEMA, the Federal Emergency Management Agency that will take over running the country in case of Martial Law, has been silent on y2k. "Dead silent," as Gary North says. Do they know something we

don't know?

Will the power grid go down in about 2 weeks when the embedded chips in the computers networks of the power grid read '99 and go into test mode? or will insider secret operatives (black-ops) of the Clintonistas CAUSE the power grid to go down Jan. 1st (**as in the San Francisco "test run" last week**) [*emphasis mine*] and blame the chips just as Slick Willie blamed those pesky patriots, constitutionalists and Christian right-wing "extremists" after fed-gov black-ops bombed the Oklahoma City Murrah Building?

Under Martial Law, Clinton's notorious Executive orders kick in that give him the type of unbridled power that equals his unbridled sexual appetites.

And then there are the new anti-terrorist laws that Clinton rammed through Congress following the Oklahoma City Bombing—as if they were planned and ready for that event. Under these laws, no trial is needed to send the "resistance" directly to the well-documented detention centers across the U.S. (concentration camps) ... that were planned and are ready for this event. That of course is if you're on the blue list. The red list never quite makes it that far.

Without delving into what is arguably the "lunatic fringe" of speculation, '99 looks like it will be an interesting year.

Rather than consider possible scenarios of death and hell as the 4 Horsemen begin their ride—I would rather go back to sleep. You know how it goes: "I've got Christmas to worry about, thank you very much!"

Let's pray that the Light of Christ shines bright enough this season to clear the dark clouds approaching on the horizon.

—Christopher Goodheart, Cognitive Dissident

RUSSIAN SAYS ZIONISTS PLOT TO RULE WORLD

From the INTERNET, 12/24/98: [quoting]

The leader of Russia's Communists tried to quell a scandal over anti-Semitism in the party by issuing a manifesto Wednesday saying he had nothing against Jews but that Zionists were plotting to rule the world.

An international Jewish body said the statement showed the largest party in the Russian parliament was racist.

In a four-page statement released by his office, Communist leader Gennady Zyuganov said his party had no quarrel with Jews as such, only with Zionists, who he said were stoking "Russophobic hysteria".

Zionism is "a blood relative of fascism," Zyuganov wrote. "The only difference between them is that, where Hitlerian Nazism appeared under the mask of German nationalism attempting to subjugate the world openly, Zionists, appearing under the mask of Jewish nationalism, act in secret and employ the hands of others."

He said Jews in Russia could either leave the country, live there as members of a Jewish

community that saw Russia as its “only motherland”, or assimilate themselves.

The manifesto was released in response to a request by the Kremlin and the Justice Ministry that he clarify his party’s position on the issue amid a scandal, which has simmered for months, over anti-Jewish statements by top Communists. [End quoting]

There has been quite an awakening going on in Russia over the parasitic Zionists’ cancerous actions. However, the Zionist-controlled media in America has worked heroically to try to either keep that news from the American public or make it look like the old formula anti-Semitism whine. In either case, it ain’t working anymore. The paragraph in bold above is pure dynamite!

COMMUNIST MP
VIKTOR ILYUKHIN
ATTACKED BORIS YELTSIN
FOR APPOINTING JEWS
AS MINISTERS

Excerpted from the INTERNET, 12/27/98: [quoting]

Communist MP Viktor Ilyukhin attacked Boris Yeltsin for appointing Jews as ministers. The president was reacting to unease within Russia over an increasing number of openly anti-Semitic speeches by senior Communist Party figures.

Earlier this month Russia’s human rights commissioner rejected calls to prosecute Communist MPs who made the remarks, saying most Russians agreed with them. [End quoting]

TRADE FIGHT NASTY

From *THE MODESTO BEE*, 12/19/98: [quoting]

Talks between President Clinton and the 15-nation European Union failed to achieve a breakthrough Friday in a nasty trade fight involving bananas. The United States indicated it would press ahead with punitive tariffs on millions of dollars worth of European imports. The fight involves European import rules that the United States contends favor bananas from the Caribbean and Africa at the expense of Latin American bananas marketed by U.S. companies. [End quoting]

Serious trade fights have caused many wars in the past and this could mean trouble. Considering the lack of regard around the world right now for the U.S., is it any wonder Clinton could get nowhere advancing a Zionist agenda.

CLINTON SAYS MILLENNIUM
BUG WON'T AFFECT CHECKS

From *THE DAILY NEWS*, Los Angeles, 12/29/98: [quoting]

President Clinton said Monday that the Social Security Administration had completely fixed all its computers so that elderly people would receive their monthly benefit payments on time, without interruption, in 2000.

In his most extensive remarks on the subject since July, Clinton said that elderly people “can rest easy” because the Social Security agency

had repaired its computers to deal with the year-2000 problem.

He didn’t address the situation at other agencies judged by the White House to be inadequately prepared for 2000. These include the Pentagon, the Energy Department and the agency that runs Medicare and Medicaid. [End quoting]

Are any of our readers still believing anything that comes out of this self-admitted liar’s mouth?

So what if what he says—by some miracle—is the truth, how are you going to get your check cashed (or if it is deposited directly into your account, get money) if the **bank’s** computers aren’t working? Furthermore, there have been reports that you’ll only be allowed \$100. And—what I call quite reliable reports—say that **a lot of banks’** computers will not be working.

EPA FUEL TANK RULE

From *THE DAILY NEWS*, Los Angeles, letter to editor, 12/29/98: [quoting]

Ten years ago, the Environmental Protection Agency issued a ruling that all underground fuel tanks in the United States must be replaced. It did not offer to loan or grant anyone money.

It makes no difference if you are the only gas station in town, the National Guard armory, or the only hospital in the rural county. In typical government fashion, it said, you will comply or else, no excuses.

To make it stick, the EPA will impose fines on any fuel company that fills a noncompliant tank. The new fuel tanks are supposed to stop groundwater contamination. Have you ever looked at all the grease marks and oil-stains at a gas station? How many gallons of gas are spilled there each year by people topping off their tanks? Even if the EPA installed sensors in the area to detect soil and water contamination, how could it prove what came from leaking tanks and what came from people’s cars?

The cost of putting in new tanks can be as high as \$200,000. Most places don’t have that kind of money lying around.

The city of Los Angeles has spent \$30.8 million since 1988 and still is not ready to meet the current standards.

There are many small country towns that have only one gas station. The stations cannot afford to buy new tanks. The fuel companies will not fill their tanks due to the threat of EPA fines. The residents of these towns must now drive 20-to-40 miles and back to get to the nearest compliant station.

If the president is not too busy, can he issue an Executive Order to put this on hold until the middle of 2000? Even if they are not in EPA compliance, facilities for police stations, National Guard armories, phone companies, hospitals, TV stations, water and sewers must be ready to work. —Woodrow J. Hughes [End quoting]

The “elite” are just closing out all mom-and-pop and small neighborhood stations and thus have much more control of the retail fuel sales. Don’t forget the “elite’s” plans to control our traveling. Do you think they care if we have to travel 40 miles to fill our tank? They just make more money from the extra gas. They aren’t in the business to help you—their

business is to control us on the end of a string. If many of us would really WAKE UP, we could stop this madness!

NIELSEN NUMBERS COST
NBC \$66 MILLION,
EXEC CLAIMS

Excerpted from *THE DAILY NEWS*, Los Angeles, 12/29/98: [quoting]

Reports of a drastic falloff in the 18-to-34-year-old television audience this season, costing the broadcast networks tens of millions of dollars, have touched off an angry debate between the networks and the company that provides the measurements they live by.

Broadcasters’ relations with Nielsen Media Research, always tense, have degenerated to the point where an NBC executive accused Nielsen of “something approaching fraud” for reporting that the young-adult viewing audience has plunged 6 percent this fall compared with its level a year earlier.

Nick Schiavone, senior vice president of research for NBC, described Nielsen’s measurements as seriously flawed. “If we don’t get an answer soon,” about how Nielsen intends to correct its data, Schiavone said, “then they are in breach of their contract with us.”

With the economics of network television already at a crisis point, a reported decline in viewing by the young adults highly prized by advertisers has enormous financial implications. Schiavone estimated that NBC has lost \$66 million in advertising revenue since September because of Nielsen’s audience data. That loss comes at a time when NBC’s profits are already in steep decline because of the departure of *Seinfeld* and the enormously inflated cost of other shows, like *ER* and *Mad About You*.

Nielsen’s reports of a 6-percent decline in television viewing throughout the day by adults between the ages of 18 and 34 applies to all channels, not just network channels, both in broadcast and cable television. [End quoting]

“If you don’t like the reports, bash the ones who put them out” sounds like the message here—even though they are also good ol’ Khazarians. However, if the the networks really wanted more viewers, they could start putting more programs worth the time and effort to view instead of needing a rating system to warn us of their filth and degeneracy.

PUBLIC SCHOOLS
SUBVERTING
PRO-FAMILY AGENDA

Excerpted from *THE NATIONAL EDUCATOR*, Dec. 1998: [quoting]

....Recently, in Texas, a child in a public school was questioned by child-protection officials without parental consent or knowledge. During this questioning, he was forced to undress so a female worker could examine his body for signs of spanking. When the parents found out about this incident they were, understandably, furious. They brought suit against the school district; however, it was to no avail. A federal judge ruled that the parents give up their rights when they drop the children off at a public school. **Not exactly a comforting thought.** [End quoting]

How much clearer do they have to make it—your children aren’t yours, they belong to

the government. And it's our fault for allowing it!!

MERGER PROBED

From *THE MODESTO BEE*, 12/19/98: [quoting]

A hearing on consolidation among agricultural businesses has been scheduled in the Senate, just one day after nearly a dozen senators called for congressional review of the effects of a planned merger between the nation's two largest grain companies. Sen. Dick Lugar, R-Ind., chairman of the Agriculture Committee, said Friday he had scheduled a hearing for Jan. 26. Lugar has received many comments from colleagues since Minneapolis-based Cargill Inc. said it would buy the worldwide grain operations of Continental Grain Co., a spokeswoman said. [End quoting]

You think food prices are high now? Just wait until they get more of these mergers accomplished and it will be starvation time! Unless we **start mass protests—non-violently!**

YEAR OF DISASTERS LINKED TO HUMAN ACTIONS

Excerpted from *EARTH CHANGES REPORT*, by Gordon-Michael Scallion, <<http://www.earthchanges.com>>, Jan/Feb 1999: [quoting]

...Let's look at the first eleven months of this past year, in which violent weather alone has been responsible for more damage than in all of the 1980s combined. The price tag for losses related to storms, floods, droughts and fires is a record \$89 billion, far exceeding the \$55 billion losses for the entire 1980s decade....

...[Worldwatch Institute said] that 1998 weather-related disasters were responsible for the deaths of an estimated 32,000 people. In addition, 300 million people—more than the population of the United States—were displaced from their homes around the world. [End quoting]

And I'd venture to say that more of this bad weather is man-made than not. My guess is that we've got much more to contend with in 1999.

TIMES TO TRIM MORE JOBS

Excerpted from *THE DAILY NEWS*, Los Angeles, 12/30/98: [quoting]

...The flagship newspaper of Los Angeles-based Times Mirror Co. also will stop doing business with 50 of the 150 independent newspaper agencies that deliver to subscribers in Los Angeles, Orange, Ventura, Riverside and San Bernardino counties....

The *Times* announced in November it would begin a series of layoffs in the last weeks of the year in response to poor advertising revenue....

Thanks to a slowing economic engine nationally, industry ad growth has been

weakening this year. [End quoting]

These layoffs are in addition to ones they've done a little earlier in the year.

How many times in the past year have you heard we have a booming economy? Here's the truth from the media itself. They can't hide their own economic situation as well as they can lie in print about the larger economic picture.

HOG FARMER TRIES TO GIVE AWAY HOGS

I read where the hog-raising business is so bad that a farmer advertised that he would give his stock to anyone who would come and pick them up because he can't afford to feed them and couldn't find a buyer. Prices have gone down as low as 7 cents a lb. on the hoof—if you can find the buyer. By the way, how much are you paying per pound in the stores? Who's making all that profit?

This is a drastic sign of what we have to look forward to as far as our food supply.

WINDMILLS—10,000 JOBS

From the INTERNET, courtesy of Calvin Burgin, <wrlldline@texas.net>, 12/28/98: [quoting]

For many years, Danish unions, like their American counterparts, saw the growing emphasis on environmental protection as a threat to jobs. But the rise of Denmark's wind-power industry, which now employs 10,000 workers in the manufacture and operation of windmills, sent a clear message that Green policies could generate far more jobs than they eliminate.

Windmills are one of the biggest exports Denmark has got—almost as big as agriculture.

As David Gibson, head of a Copenhagen local union for energy workers, says, "20 years ago, it was a hippie, crackpot thing to get energy from windmills. Now it's one of the

biggest exports Denmark has got—almost as big as agriculture". [End quoting]

LOCAL DOCTORS URGED TO REDUCE USE OF VANCOMYCIN

From the INTERNET, 12/28/98: [quoting]
Local doctors and hospitals are being urged to reduce their use of a potent antibiotic because bacteria are developing resistance to it. At many area hospitals, patients whose infections once would have been treated immediately with the drug vancomycin now are being given less powerful medications. Pharmacies are questioning prescriptions for vancomycin and are asking doctors to consider other drugs. One hospital stopped stocking the drug. [End quoting]

Why would a hospital refuse to stock the drug if it is such a powerful drug?? Wouldn't a logical action be to have it stocked, but to have tight control over its use, so if someone really needed it they'd have it available, rather than take a chance the patient would die before they could get it? Sounds like a set-up for a medical emergency situation for depopulation.

ASPARTAME—SOME MAY SAY CONSPIRACY

From the INTERNET, courtesy of John F. Winston, <HEOT@onelist.com>, 12/23/98: [quoting]

A gentleman by the name of Tom Harrelson writes an online newsletter (*Total Health*) in which he takes information from various sources to create articles on various holistic health issues. Here is one newsletter that sheds a negative light upon the sweetener Aspartame. Perhaps it offers insight into the ways that business interest may affect governmental decisions.

Here is what I believe to be one important piece of information from this newsletter:

In February 1996, it was decided to also use the product name "**Benevia**"—[ASPARTAME/NutraSweet (L-aspartyl L-phenylalanine methyl ester)]....

Here's the newsletter: <<http://members.tripod.com/~healingtools>> [End quoting]

Do you think it is coincidence that the name rhymes with STEVIA, the name of a natural sweetener that is considered about the best substitute for sugar. It shows us how far the dark, devious, and diabolical "elite" go to sell us their poisons as food.

A researcher says he has done something "completely impossible" by harnessing the power of sound, and that eventually it will be available in everything from home appliances to industrial compressors.

Tim Lucas says he made a radical discovery while working at the Los Alamos National Laboratory in New Mexico that enables him to create more energy through sound waves than was ever thought possible.

"It's not an incremental improvement in an existing technology," Lucas says, "it's suddenly doing something which before was completely impossible."

Scientists have long known that sound is composed of pulsing waves of energy, but it was considered useless as a power source because at high levels sound waves distort into shock waves.

An example is the way sound distorts on stereo or radio speakers when turned up too loud.

But Lucas discovered that by sending sound waves through empty containers of various shapes, the shock waves were eliminated.

CLEAN ELECTRIC POWER GENERATORS

"Once you've done that," he says, "you can add all the energy, create all the pressure, and deliver all the power that you want."

Lucas calls his invention Resonant Macrosonic Synthesis—RMS.

He has used it to power such things as a gas compressor, but believes there is so much potential that he compares what he has done with sound to what the laser has done with light.

His company, Macrosonix, is working on sound wave compressors which might one day do everything from cool refrigerators and air conditioners in the home to running compressors in factories and on construction sites.

The beauty of a sound-wave compressor is that it would do what a compressor does, but without the moving parts required in conventional piston technology.

Mechanical engineering professor Mark Hamilton, who has followed Lucas' work, says, "I don't think the idea struck people that you could use sound waves to do, say, pumping that could be used on a commercial scale. And I think that was the innovative part of the idea here."

Macrosonix researchers say they also hope to use sound to create clean electric power generators, replacing any number of machines with the technology of an empty cavity. [End quoting]

Sounds like this man really is on to a great idea—if only the "elite" will leave him alone long enough so we can benefit from his ideas.

POLICE LEADER: GET DNA FROM EVERYONE ARRESTED—

From *THE ORLANDO SENTINEL*, 12/14/98: [quoting]

NEW YORK—With violent crime down sharply, Police Commissioner Howard Safir has proposed taking DNA samples from everyone arrested in New York City—from subway

turnstile jumpers on up—so that police can use new technology to lock up career criminals and such as burglars and car thieves. Under Safir's plan, police would take a saliva sample from anyone who is fingerprinted after an arrest. The sample would be tested and loaded into a database at an estimated cost of \$50 per person. A suspect's DNA record would be expunged if there were no conviction. [End quoting]

Do you really think the police ever erase records once they get the info? If you do, I've got a bridge I'll sell you.

SCIENTISTS USE ORDINARY PLANTS TO SUCK GOLD FROM GROUND!

From *WEEKLY WORLD NEWS*, 12/15/98: [quoting]

Auckland, New Zealand—Scientists here have found a new and inexpensive way to mine gold—by having plants suck the precious metal from the ground!

Researchers have discovered that when they treat ore-bearing soil with ammonium thiocyanate, plants growing in the soil will draw up gold through their roots. Prospectors can then harvest the plants and retrieve the gold.

"This process should allow us to economically 'mine' gold from land where the metal is too sparse to retrieve by more conventional methods," one scientist said. [End quoting]

We don't need to mine any more gold and pollute the land while doing it. We need enough people to stop this mad rush to destroy our planet—**our home!!** **When will common sense replace greed?**

ARE YOU A RECRUIT OR ARE YOU STAFF?

From the INTERNET, 12/7/98: [quoting]

One day while walking down the street a highly successful, executive woman was tragically hit by a bus and she died. Her soul arrived up in heaven where she was met at the Pearly Gates by St. Peter himself.

"Welcome to Heaven," said St. Peter. "Before you get settled in, though, it seems we have a problem. You see, strangely enough, we've never once had an executive make it this far and we're not really sure what to do with you."

"No problem, just let me in," said the woman.

"Well, I'd like to, but I have higher orders. What we're going to do is let you have a day in Hell and a day in Heaven and then you can choose whichever one you want to spend an eternity in."

"Actually, I think I've made up my mind...I prefer to stay in Heaven"

"Sorry, we have rules...". And with that St. Peter put the executive in an elevator and it went down to hell.

The doors opened and she found herself stepping out onto the putting green of a beautiful golf course. In the distance was a country club and standing in front of her were all her friends, fellow executives that she had worked with and they were all dressed in evening gowns and cheering for her. They ran up and kissed her on both cheeks and they

talked about old times. They played an excellent round of golf and at night went to the country club where she enjoyed an excellent steak and lobster dinner.

She met the Devil who was laughing (kind of cute) and she had a great time telling jokes and dancing. She was having such a good time that, before she knew it, it was time to leave. Everybody shook her hand and waved good-bye as she got on the elevator. The elevator went up-up-up and opened back up at the Pearly Gates and found St. Peter waiting for her. "Now it's time to spend a day in heaven." So she spent the next 24 hours lounging around on clouds and playing the harp and singing. She had a great time and before she knew it her 24 hours were up and St. Peter came and got her.

"So, you've spent a day in hell and you've spent a day in heaven. Now you must choose your Destiny."

The woman paused for a second and then replied, "Well, I never thought I'd say this; I mean, Heaven has been really great and all, but I think I had a better time in Hell."

So, St. Peter escorted her to the elevator and again she went down-down-down back to Hell. When the doors of the elevator opened she found herself standing in a desolate wasteland covered in garbage and filth. She saw her friends were dressed in rags and were picking up the garbage and putting it in sacks. The Devil came up to her and put his arm around her.

"I don't understand," stammered the woman, "yesterday I was here and there was a golf course and a country club and we ate lobster and we danced and had a great time. Now all there is is a wasteland of garbage and all my friends look miserable."

The Devil looked at her and smiled. "That's because yesterday we were recruiting you, but today you're staff." [End quoting]

Is the game-plan clear enough??

GREAT LESSONS: THE IMPORTANT THINGS LIFE TEACHES YOU

From the INTERNET, 12/14/98: [quoting]

MOST IMPORTANT QUESTION

During my second month of nursing school, our professor gave us a pop quiz.

I was a conscientious student and had breezed through the questions, until I read the last one: "What is the first name of the woman who cleans the school?" Surely this was some kind of joke. I had seen the cleaning woman several times. She was tall, dark-haired and in her 50s, but how would I know her name? I handed in my paper, leaving the last question blank.

Before class ended, one student asked if the last question would count toward our quiz grade. "Absolutely," said the professor. "In your careers you will meet many people. All are significant. They deserve your attention and care, even if all you do is smile and say 'hello'."

I've never forgotten that lesson. I also learned her name was Dorothy. [End quoting]

Where do we stand on this truly **important** test in our daily lives? 

End-Of-The-Year Thoughts And New Year's Resolutions

[Continued from Front Page]

capabilities for inter-action and some form of balanced interchange in a hurting world.

You can claim pollution and unbalance in ecosystems and mourn extinction of species of owls and frogs—but it's the "toads" that are going to literally bring extinction upon human species.

Do I mean the toads that pollute the rivers and oceans? Do I mean the people who must breathe the air? Yes and no, for it is the power-broker who controls those lesser users who is the major problem. But, to take out the rancid and putrid leadership brings other problems of soul development in a "right or wrong" world in perception of higher religious teachings and more especially in SPIRITUAL realization.

I believe you who do not get around the globe very much cannot realize the immense problems confronting humanity in subtle ways not seemingly political. But of course, everything is political—even those religions. Spiritual truth is also a mish-mash of inner-space attitudes regarding relevance of everything to everything else. There may be only ONE absolute TRUTH, but a myriad ways to reach that truth, and most will NEVER find THE truth in a million lifetimes.

You want to know answers about caves and findings of the ancient writings and new writings and what, when, where and how and when? Look around you! You are but a replay of those things now happening on your stage of events. You are, actually, seeking to know how

long you have to fumble around before the big "whisk away". God doesn't give you that, does HE? In fact, I believe that you have, no matter what your religion, been told over and over again that YOU WOULD NOT BE GIVEN A SPACE OR TIME FOR MUCH OF ANYTHING. You ask me about the "coming of the Lord"? The LORD IS WITH YOU—where would HE come from? And, do you speak of Buddha? Confucius? Jesus? Houdini? The Frog Prince? Or perhaps Cinderella? By the way, dreamers, glass slippers are about the most uncomfortable and miserable slippers you could ever hope to wear! Must you live in fairy tales to have a profound life? A profound reality is outside all those silly trappings of nonsense.

I have written much about caves and writings, and flooded you readers with responses to these tales of reality and folly. The REALITY is that which is in mind creation and manifestation. The play manifest is that which you have tampered and tinkered with until there is no reality left—other than which is now BEING MANUFACTURED AS YOU EXPERIENCE. Therefore, you have opportunity to change your play script and performance roles any time you choose to do so. You want space men? Have space men! But, in your drawing in and manufacturing same—you had best be careful for you will develop and manufacture that which you perceive, and some of those monsters are going to be pretty horrendous.

You always want to pick religious icons and gods to suit your wishes—not TRUTH. You want some Fairy-tale White Knight to whisk you to safety and live happily ever-after, but you invent monsters who eat you alive, poke your belly-button and generally feed you lies and garbage. What, for instance, do you perceive that a Christ will do for you physically? No, HE CAN'T! "Christ" by definition is a MENTAL ATTITUDE. So, at best a "Christ" can only bring Truth and Light WITHIN the Spiritual beingness of any individual—not even in groupies. So, oops, what else might be afoot here? Well, let us say you could, which you can't, actually ascend to some cloud to meet this proclaimed physical "Christ" by whatever name you have chosen to call THAT ONE. What then?

You will tell me, nine hundred ninety nine and 9/10ths out of a thousand of you, that you will physically go with this physical one come to Rapture you to "WHERE"? Oh, yes, I remember now: Heaven? WHAT HAVE YOU DONE TO DESERVE HEAVEN? What if that Rapture sends you to Hell? HOW do you know? WHO TOLD

YOU?

The FACTS are that a physical object from Earth is heavier in density and weight than the cloud and, therefore, there goes theory and lie number one! It can't happen physically. Further, if it happens Spiritually and you ascend with the Holy Angels of God—you are going to be in SPIRIT FORM. Moreover, when you move into spirit from physical, there is a confrontation of INTENT of each individual energy form.

Now, with these things in mind—what about those cave drawings? What about them? Better you check out your world and see what you have going and see if you really want to confront Spiritual TRUTH or not, and when you face FACTS you may well wish to work a bit harder at buying more of your perceived time increments.

I have often told you that if you take what you are told and handle it in opposition of what is presented, you might be near getting truth. You can prove that by your own observations. WHO lies most to YOU? Do you believe Clinton or Saddam? Well, Saddam hasn't lied to you but Clinton has never told the truth! You judge. Moreover, you have been told terrible things about China and Russia—but note they are the only ones standing for TRUTH in a whole council of LIARS and death-mongers—and that is just focused on Iraq.

Am I against the United States of America? No, I haven't even seen shadows of the real United States of America in some number of your years. Moreover you are not run by Americans, nor are your laws offered by CONSTITUTIONAL leaders. You, as a nation of citizens, are manipulated as puppets by the Puppet-Master par excellence! You who claim citizenship in that place called the U.S.A. are now considered the scum of the Earth among nations and people.

That is NOT my business, citizens. You decide that which you will be and that which, as citizens, you will allow and support. THIS IS THE TRUTH OF GOD.

Oh, you don't like that kind of responsibility? Well, dear ones, you never did like that kind of responsibility and avoided it as one would like to avoid the proverbial plague. But the plague has claimed whole civilizations, hasn't it? How long can you avoid facing facts of physical expression? Oh, I see, until the drawings in a cave present a sequence of events worthy of attention? I CAN tell you this much: you haven't even found the most inspiring and truth-bearing things and places waiting for you in both good times and bad times as you perceive them to be.

I can tell you of my "crew", however, that we have a mission of sorts and I am going to get it brought to successful harvest no matter who and how many drop away. It is determined that man shall have a chance to recover if he so chooses to make an effort—OUTSIDE WAR. Will our own advantage simply present more war? Could do—so it behooves you who know better to get busy expressing the BETTER WAY. Waiting to get more money is NOT the name of this game of which I am found in charge. I can't even get my "local" team to do a lot of the things I specifically ask them to do. They come to me and say that "So-and-so won't understand what..." and "They won't know what to do...". Oh? And YOU wait for instructions?

ZIGGY / By Tom Wilson

WHY? So you can avoid servicing that which might cause you to have to write a letter of recognition and instruction, possibly? There are several things which are NOT GOING TO HAPPEN until some of the things I have requested are done. Those things I asked you, Team, to do, are the things which give my other people realization that I mean what I say and my intentions are that they are right at the top of my list for reward. All you have to do is say HOLD THESE FOR FURTHER INSTRUCTIONS and THAT THE THINGS DO NOT REPLACE ANYTHING BUT ARE MY OWN VISIBLE INTENT THAT THINGS ARE GOING TO BE FINE IN EXCHANGE FOR THAT WHICH THEY HAVE OFFERED TO ME. I think you will find a lot moves more quickly when some of my "pending" requests are met! Your delays are not God's denials—only your obvious show of lack of faith in that which you claim to present as your own expression in Truth. WHAT IS YOUR TRUTH?

YOU ARE AFTER FUNDS? WHY??? And NO, do NOT give me the old B.S. about "saving the world". The world does NOT need saving—but you may well consider your own position. However, if your goal is only to save your own intentions and they be but foolish trash, then I don't see much happening toward a better world. And, if you simply want to be rid of the load of obligation seemingly and unjustly dumped onto your own individual shoulders—forget that as more than a passing moment of relief. It will be, however, a respite to regroup for that "second wind", as E.J. puts it.

Do I just write, therefore, to my tiny Quad-runners? Of course not, I write for almost 8 BILLION individual receivers. We are but fulfilling the PROMISES of GOD in this time of evolvment of species. This indicates that goals may well differ but all must be beginning to focus toward one overall GOAL of GOD-NESS, lest you be lost in the morass of a world spiraling at ever-increasing speeds downward. This means, literally, that your expression and experiences are much like a funnel or tornado which will connect to a reverse spiral. This means that you will receive PRESSURES going and coming as GOD HIMSELF breathes IN and OUT. The world is not EXPANDING—that is misperception. It is COMPRESSING and all elements are compressing in that there is nowhere to run and no place in which to hide from the reality of that compression. You, being the very THOUGHT OF GOD in LIGHT and in EXPRESSION, will be totally within that THOUGHT OF GOD. WHEN YOU COLLECT YOUR OWN REALIZATION IN CREATIVE TRUTH—YOU TOO WILL CREATE THE CHANGE THAT BRINGS LIFE INSTEAD OF BEING PRESSED TO DEATH IN SOME BLACK HOLE OF SPACED-OUT MENTAL ATTITUDES.

Are there space brothers? Of course, you arrogant children. Moreover, you can be salvaged or destroyed by those entities according to their higher capabilities and capacities. They are not going to interfere greatly in anything, however, that you do. You can replicate them in some ways, but the replications will offend you greatly, and in that instance interference not only is allowed but is demanded. At that time you will be rather as ants in an anthill. Your wishes about

yourselves will have no consideration—just as you have used no consideration for those you choose to displace or destroy.

APPROPRIATE FOCUS

Ah, I now see, you wanted a more appropriate focus on TODAY. You are CURIOUS and I am giving you a lecture in truth and fact. You want to know about spacecraft and here I am talking about ascension and SPIRITUAL REALITY.

What do you want to know about craft that I have not told you over and over again? Oh, you just want to see if I can tell it the same way again? Well, I can. However, what you need to know is that you have many of the technologies scooting about in your dimension and space right now as we write. You are dumped into a dimensional reality change without a merging into your capsules with that which allows evolution—if mankind chooses to evolve and not destroy himself.

The Russians still have those nice Space Platforms and spheres, but they work pretty much in concert with our teams of "visitors". When MAN comes into the sphere of higher experiencing beings, he gets spiritual truth rather rapidly and can see what is happening. He shapes up pretty quickly for when Truth in Reality happens, it is quite soul shaking.

What do I see happening? I see Russia and China as being very big players, and beware, for it is not all very good for you who have been taken by the assault teams and had your nations turned into new "homelands". By the way, the old "homeland" is up for total destruction in most instances. This does not bode well for those places you call the strongest of the developed countries, i.e., the U.S. and Britain. You are on the list of those who have destroyed and now are set for retaliation focus. And no, don't think that because you have managed to slow things with economic pressures that you have WON ANYTHING save more hate and war. The Russians are rebuilding their missile capabilities, and no matter how the U.S. media words the tale—they are back and stronger than EVER. Joined with the aggressive realization in China, you will have the most incredible strength ever seen upon the Earth to date, emerging.

Will GOD HELP those people you perceive as enemies? INDEED, they are not God's enemies; they are GOD'S people in every sense of the meaning. You must understand that YOU HAVE NO WAY NOR RIGHT TO JUDGE—GOD DOES.

Those who move toward Light and Goodness will always have total support of God—even if it seems, to the fabricated minds, that it is otherwise. As long as there is Love and Caring within the heart of even ONE—GOD WILL BE THERE. Meanwhile, we all and each have our commitments to be secured in manifestation of same. Just to dream and fantasize for something doesn't make it so—there must be sincere willingness to do—and even if that be in "sincere and meaningful prayer and meditation" it shall come to pass for when you call upon God in sincere request for that which brings balance, harmony and goodness, THE ANSWERS ARE ALWAYS FORTHCOMING. GOD'S DELAYS ARE NOT GOD'S DENIALS. Often the delays are resting more upon the

heads of the response receivers than on God's desire for delay. Think carefully about this one.

By the way, when after a minute or a day or a lifetime, when God's child/children see truth and return into the fold of THIS shepherd's flock, they will be recognized and received. However, just to send false intent and insecurity again amidst the acquaintances who passed your way, or you theirs, is not really so wise. When comes someone in seeking and actually confronts truth and then goes to seek further—there is total lack of realization of what is being SOUGHT. So, opportunity is usually given for "return" but not always do the ones who are left "holding the sticky wickets" wish to be involved in YOUR SEARCHING OR YOUR OPINIONS OF FINDING.

We who do not need Saving resent the straitjackets being placed on our beings by those claiming to wish to save us from ourselves. Take care, use caution, be graceful and gracious, and TAKE APPROPRIATE ATTITUDES. We STILL have no GROUPIE, no commune, no "just because" gathering place. We have an INCREDIBLE job to finish, step by wondrous/MISERABLE (??) step. We can appreciate that, as you read of our probable success, there is a need to feel camaraderie which seemed to fail you during the journey. Think again, when you turn from God (and YOU are not given to KNOW) you have effectively "turned off" God's people. Your learning and enlightenment is NOT THEIR JOB.

I say this because I see many who wish to "come back" and pick up where they left off. No thank you, for you left us with a load and even added, in most instances, to that load, if even through simple gossip and self-righteousness while siding (or not siding) with opposition now PROVEN to have been of totally evil intent. You left the ones caught in the morass to fend for selves and live in the agony of the assaults and insults. There is nothing to which to "welcome you back". Any person in a free country can go anywhere they choose to be located. But don't assume that there is some group (after all) in any specific place.

When this team gets back will things change? Of course. Will we still have meetings and friendly tea parties? Of course. Perhaps we can even start a little group as a sewing club or share-and-tell. We can't focus on that from this location, however, for we haven't finished what we came to establish and first things first. And, we will see how ready things are for our "success" back there in the toolies and boonies. We have no intention of replacing Elite with Elite of higher "pecking order". THAT is not what this game is about—and God's people had best remember that as well as all others. Those, however, who have helped us through these hard times are going to be rewarded beyond their realizations for THAT is the way GOD works—each according to each and not according to the votes of observers.

When we walk the road we must attend to the intents of SELF—but we must have compassion and love for all who walk the road. This does NOT mean that, because you are on the same roadway. You must become the other. However, if your brother falls, it is YOUR RESPONSIBILITY TO HELP HIM. When you turn from him in favor of self in such instances, you have just tossed yourself OFF THE ROAD more surely than the brother who fell while you

kept moving for your own selfish reasons. YOU ARE GIVEN TO KNOW DIFFERENCES IN ASSISTING A BROTHER AND ALLOWING A BROTHER TO GO HIS OWN WAY, FOOLISH OR OTHERWISE.

At each turn of the trail you find decisions and choices heaping in the turn-rows. Don't overlook these signs of progress or digression and you will get better and better at discerning the choices which move you forward. I would remind you that you plow that field around those turn-rows forever, but if you plant no seeds and nurture not your crop, you will reap no harvest. This is much like "good intentions"—without works and acts there is no ability for "results" of a physical manifestation. The physical requires physical, sensing acts. The Spiritual guides the Manifest—no more and no less. Intent defines the character and molds the infinite soul.

So back to caves and drawings and truth vs. fiction. There is no such thing as "fiction" for if the mind conceives a thing, there will be manifestation sooner or later. Therefore, TRUTH is also a mandatory result of the fiction made manifest.

YOU ARE CREATORS; YOU ARE THE PROJECTION OF CREATOR, AND YOU WILL CREATE THAT WHICH YOU THINK INTO MANIFESTATIONS. AND, IF YOU NEED GUIDANCE THROUGH THESE ANCIENT METHODS, GOD AND YOU WILL PROVIDE FULFILLMENT OF THAT NEED.

We are prevented from using the work of one very astute RECEIVER who became aware of this FACT. We can't even refer to that party by name. Thus, we will leave the unraveling to you who allowed that work of ours to be burned by your adversaries. I wonder how many reading this still think George Green, et al., acted in honor and good intent? Stealing, lying and cheating is WRONG, readers, no matter what excuses they give for doing same. IF YOU, FURTHER, WOULD HURT OTHERS IN YOUR GROSS GREED TO GAIN FOR SELF—YOU ERR IN MORAL JUDGMENT, AND WHEN YOU SIDE WITH THE GUILTY AGAINST THE ONES CAUGHT IN THE TRAP TO PAY THE FULL PRICE OF THE ADVERSARY'S WRATH, AVARICE AND GREED—AGAIN, YOU ERR.

Will the Institute fail? That depends upon what you call "fail"! But if it falls because of the things done by the Green Brigade—I certainly suggest you go after the perpetrators and leave US ALONE. Don't you understand, people, that you so often choose the wrong party to whip at the stake? Ah, but you THOUGHT you were protecting your own interests? How can you protect your interests if you tear down the very thing you claim to be protecting? THINK ABOUT IT.

Those who stay the course shall reap the hundred-fold reward of God's promise—IN KIND. That means in loyalty, shelter, AND PHYSICAL RETURN. IT IS UNIVERSAL LAW OF GIVE AND REGIVING AND, IN THAT CYCLE—THERE MUST BE "RECEIVING" AS WELL, LEST THERE IS NOWHERE TO REGIVE!

So, what lies ahead? EVERYTHING! The whole of the Universe lies ahead of you, and that is from spacecraft to the insight into the very soul of GOD. EVERYTHING lies ahead; you have but reached a bit of a threshold,

frontier, if you will prefer. GOD HAD TO SEE WHO WOULD CHOOSE THAT WAY AND WHO WOULD TURN AWAY.

So, where are YOU? That is for you to decide and sometimes these important decisions come ever so quietly in temptations unto which you succumb rather than with the 2x4 across the head. And to you who would choose FOR GOD, forget it—you only concern with our intent and allow the other fellow his. Money or gold have no capability of bad or good—only MEN have such freedom.

Please give some thought to these ideas for they are very important as you tiptoe through the glass shards of this critical experience. Do not consider for an instant that I somehow do not appreciate the bringing to our attention the happenings and findings as you discover confirmation of topics. That is not in point here and I am not finding this a convenient time to comment more pointedly regarding some of the things coming forth. Just please remember that you are in a time of totally controlled information flow and it can be either way—but you are given to know: IF A THING IS MOVING YOU TOWARD GOD OF TRUTH AND LIGHT it is wise to look carefully at the focus. If there is immorality offered, conspiracy a question, or coercion—take greater care for these are NOT OF GOD.

You will note that the beings leaving anything behind—are NOT THERE in physical form so consider why that might be so. When you move outside the limitations of being constrained to the accepted programming, you are definitely on a trek to the nearest pit. WE MUST CREATE THE BETTER WAY AND THAT MUST TAKE US PAST THE PITFALLS WITHOUT JUMPING INTO THE PIT. Mr. Carvo gave the Republicans a bit of advice this week that went according to the "Law of the Hole". The law of the hole is that when "you have dug yourself into a hole from which you can't extract self—QUIT DIGGING". This is advice for everyone in every circumstance. Wisdom says to quit making the hole deeper once you see your plight. A hole can also make a grave, so don't be a fool.

Thank you for sharing this time with me and may that life you save, by stopping the digging, be your own, for I remind you that that which lies ahead IS EVERYTHING! You are truly only at the starting gate, so please, don't blow your race before you even get beyond the gate.

Salu.

12/31/98 #1 HATONN

THE GAME GOES ON—
AND ON—AND ON

THE END IS COMING! (???) It is? Who said? Is that inclusive of God's world or your world? And, if it is the world at all, whose world? Unfortunately for some of you unenlightened sleepers, things are happening, but it is not the "end" which looms before you. As with every breath, it is but a beginning.

The question might well be, "What next?" But then the game is not a game if you know what happens. Moreover, if you take such a view of living and expression as "life" in the physical—you simply move with that which IS and forget to do anything about your own perceptions. Chelas, you have "forgotten" far

too long and it is time to wake up and REMEMBER, lest there be little of wondrous balance to experience while you have a globe upon which human existence is suitable.

The point, however, is to PLAN your experience, even with the deviations from that plan always present, so that your own creative capabilities are ever at play. Change only comes from a never-ending desire and work toward fruition of the Plan. Do you want to work within a Plan that destroys, or creates? Oh indeed, you have a choice.

TIME CAPSULES

Oh yes, there are "time capsules", from the past AND FROM THE FUTURE, which are being discovered every day. Some are witnessed and noted, others ignored. Do YOU witness, or ignore? Always you must look carefully WITHIN to decide whether to witness or to ignore, and then you can pass on your way with, certainly, more interesting things upon which to think and share.

People don't want to change, friends. Not only do people not want to change—they don't—very often. You may well give up or switch from one thing to another, but often that is only in the immediate perception phase of whatever catches your interest at the moment. Usually the full attention will change to that which presents the best bang for the buck.

People have "choices" of that which is of present and available interests. I like to present discussions which have some relationship to what you might recognize as passing fads to make points for educational purposes. These are not parables exactly; they are what you choose to experience rather than develop that which brings higher growth, balance and harmony. Noise is NOT music, chelas—no matter if it is played upon a drum or a harp. But what happens? You fall into the very deliberate trap of what you are presented.

Classical and beautiful music has been and is available but what do you choose when in a store? You choose what you are "accustomed" to hearing and that which you "grew up with" in whatever age you "think" you grew up. Did you grow up? NO, not if you still prefer noise to music. You are not going to change to the harmony of the Universe with the rock and hard metal scratching beat of lethal NOISE. That presents CHAOS right on cue. Then what do you do next? You get better and bigger speakers so you can not miss a single beat of the programming intent. You may well tap your toes to the beat, but it is simply a mesmerizing tool to TRAP you. And, moreover, you spend precious money to insure that you are lost to the moment.

You youngsters, or oldsters, may well enjoy particular music, but I note something else that happens, especially if you use any mind-altering substance, especially alcohol. You first get into "old times", even if that was just yesterday. You look back and fit the mood to the mellowing you are getting with each additional drink. You then remember the bars, the dark times of forbidden or indulgent pleasures, then the language begins to fit the time of memory, and pretty soon the language discussion is sprinkled with God Damns and Sons of Bitches and on and on—without humor but as surely backward in direction as any ship's crew can

get. And this is in Rangoon or beautiful downtown Tehachapi or Rosebud reservation. It is physically universal in presentation. Therefore GOD must wait for you to recover intelligence and progressively positive attitudes to move forward. God also has to consider the worthiness of the experiencing subject in point as to capability or ability to function without faltering.

This is just the way it IS, so if shoes fit—please wear them. If they don't but you fill the description above—wear them until you move beyond the blisters and calluses resulting from same.

Yes indeed, the elders come first to understanding of HOW IT IS because they draw ever more closely in "perception" to the time of wishing they had functioned more carefully. We run into it daily.

Even in this Asian world of expression our own team is STOPPED dead in the water while the "holidays" are experienced by the ones who might get something accomplished. What holidays? Anything that can be dreamed as being worthy of moving away from purpose and work and dumped in the bin of nonproductive time-wasting activities—because of legendary nonsense.

In this place the big deal is fireworks, although already this very season the lives of children, their limbs torn asunder (parts ascended), including their souls, have been wasted wholesale.

The very malls pound out noise at such levels as to block all perception and thought except what is being pushed into the programming of the mass-mind. It takes its toll, unfortunately willingly, on everyone.

The malls are a good place, in Manila, for instance, to have families come to BREATHE for a while. The air is conditioned to be at least better than the lead-laden outside contamination, so this is where a lot of people go to mill about, exercise and experience. It is a place to cool off, for right now it is morning and the showers just passed and the temperature is in the 90s. The streets are so polluted to prevent seeing far enough to actually safely land a plane, but the milling goes on in order to escape the reality of existence. So, what happens next? The people leave the trappings of a mall to go home and further mesmerize themselves before idiot boxes (even if they have nothing else of furniture or value), live in wonder-land wander-land, and play more of the same racket on their boom boxes, or computers yet. This is totally selective and by choice. Therefore, don't give me the old "I had to because...". THESE ARE YOUR CHOICES. You are paying dearly for the assaulting you welcome unto selves.

How much time do you spend with GOD versus within the NOISE? Most spend NO TIME WITH GOD but will arrange to have the noise with them at ready at all times.

The noise is set and deliberately geared to bring depression and failure feelings upon the listeners. The more alcohol or drugs you can toss inside the listener, the more robotic you make him/her and Satan claims another soul—who otherwise might actually do something worthy toward a better world through change.

How will it be in 1999? Worse than in 1998. But a FEW will open unto the Light in Truth and see what is done to self. Mostly the

individual experiencing troops will simply make sure that they have to spend as little time as is possible, after the immediate circumstances are past, to prevent impact on egos from other experiencing travelers. But you know what, people? The end result of the spending, the dashing about, is that the "end" of those experiences DO CATCH UP WITH YOU—EVERY TIME—for in each experience it very well comes "to an end" in the exact duplication of whatever. So you never have the "END" of the experiencing—just a given experience. One of the more obvious intrusions of making Plans while life happens is exactly that: You go for the gusto and have a little fling here and there—and oops, pregnancy. That would be an interruption at best and a disaster at worst—suppose the "flinger" has AIDS or worse? Now, you have forever put a stain on your soul either way. If you do the right thing about the happening, you will find the soul having grown in beauty—but if not, it will diminish self-worth immeasurably. Note that these are also the things of the darkness—almost always—and the actions all for the selfish and wrong reasons within a life of goodness and example worthiness.

TIME MARCHES ON

I know you well; therefore, I know this is not the writing you would most enjoy at New Year's Eve. Why not? For my people it is the hope of that which will be. It is the knowledge that Dad is on His post and on His job. And you haven't any idea what the "calendar" says anyway. You, once again, CHOOSE to celebrate a new year at the same wrong time of the year you celebrate the birth of a Christ child. You are already 12 YEARS OFF IN CORRECT COUNTING and this is, in addition, the year of "leap-second" when you all have to add an extra second to your time machines. How many seconds does it take to ruin accuracy in counting or accounting?

Can you see the farce of that which you do because somebody else tells you that you need to do this, or that or celebrate this way or that way—usually through altered states of being? You actually deliberately place yourselves into dangerous, hazardous, and certainly undisciplined circumstances just to go celebrate—WHAT? WHAT HAVE YOU ACCOMPLISHED THAT YOU NEED TO CELEBRATE? A BETTER WORLD? OR, AN ESCAPE FROM WHAT YOU PERCEIVE AS REALITY? AH INDEED, YOU DELIBERATELY MOVE FROM THE ILLUSION YOU EXPERIENCE AND RIGHT ON "PAST" THE REALITY AS YOU INDULGE IN ESCAPE AND LAPSE INTO MEMORIES WHICH MAY OR MAY NOT BE WONDROUS. USUALLY THERE IS SIMPLY THE MAKING OF A FOOL TO SELF, AND CERTAINLY TO OTHERS WHO HAVE TO LISTEN AND WITNESS YOUR DIGRESSION.

BUT 1999?

This will be an amazing year in any way you perceive it. It bears promise and potential of turning nations about. That is, if YOU keep on your toes and at ready to haul your portion of the load.

This is the year of the big push by the

Planners 2000 to finalize things like world wars and "getcha" of masses of humanity. It will be a year of digging out or further piling into the pits of disastrous economic fallout.

Russia and China are building up their full military-atomic warhead capabilities, and where are those weapons aimed? Well, it is NOT at the North Pole. And, unfortunately, sleeping babes, the atomic weapon is only a showpiece to continue to cover such incredible technology as to stun any watcher—even you who may well know the potentials.

By the way, no matter how it is perceived—my people are under my wings and I am known and recognized in your enemies' circles. I have hard files in high-level places and it gets more and more difficult to hide it all the time from all the people.

Why don't the put-upon people help? THEY ARE FILLED WITH FEAR—PERIOD. Don't let some "agent" tell you he is not afraid, just wise. BS—THAT IS A LIE, THEY ARE NOT ONLY TERRIFIED—IT IS PURE "FEAR". Well, perhaps the mercenaries might well consider listening to that fear signal because if you are outside the shelter—you are better to be as safe as you can get on your own territory. But cease and desist, please, from telling anyone that it is otherwise. And, when you turn away from God, you will certainly find yourself desolate enough to do exactly what Bo Gritz did to try and escape. There is NO ESCAPE, people. You will face, sooner or later, the exact TRUTH about self.

And indeed, THIS is a worthy message for a beginning year. But my, my, how do you come upon the proper moment of a new year? In the Philippines, for instance, it is deep into New Year's Eve (the great day of celebration with great stupidity and idiocy)—but back there in the U.S. you have at least four time sections in "yesterday". Confusing? Of course, so just as saying the Bible is ALWAYS THE FACT, you can't in TRUTH even consider such a thing. Translations, if nothing else, cause errors in projections and thought-flow. And yet, do not think for a moment even that it is not intentional confusion.

I am always entertained by those linguistic experts who come along and find language of some kind scribbled somewhere and finally decipher it. How might that be? If a language has been undeciphered (and who might have done such a task in the first place?) how can anyone, including the authority, know it is valid as to their conclusions? THEY CAN'T, THAT'S HOW, WHAT, WHERE AND WHEN. Sleep on, children! And yet, perhaps it is the "WHY" that might better claim your attention.

"Tradition" is NOT "Fact" even if the reference be "Truth". Culture is only a compilation of things desired by those who came before in the SAME POSSIBLE ERRONEOUS PERCEPTIONS. The point here is that when you hand over your rightful responsibility to KNOW something for self and instead blunder along behind some other worse informed, but outspoken seeker, you err. Why? Because you are seeking after rainbows to fit what you already would LIKE TO BELIEVE. My suggestion is, and always has been, to get all the information you possibly can find, read everything available, listen and then measure, weigh, and discern—then JUDGE TRUTH. You do not have to judge the person involved—but

you had best JUDGE his intent, his actions, his presentations and his attitude. If anything this new expert—guru—offers is not WITHIN THE LAWS OF GOD—it is a very risky business you enter, friends. You can work with the Devil and not become the Devil. But when you project that which is evil as somehow being acceptable as God's way, you are WRONG and that perception expressed will come back and hit very hard indeed. To err is human—to fail to correct the errors when they are seen is stupid. If there are errors and mistakes in the past which find their way to recognition within self—'tis even more stupid to protect, defend and continue the errors. The point of lessons is to not have to repeat them and never to return to the LIE when TRUTH is available.

This is why I command my team to keep sights on the FACTS: Stay out of the other person's business; MIND YOUR OWN IN PERFECTION, and the paint on the brush he uses will not swab down your decks. You cannot force God or goodness upon anyone. You have prayed for "the way" and God has granted it in a way you can perceive as possible. It is up to you to create the prize and how that is utilized toward that which serves God for given opportunity, God will prevail much sooner than in having to wait until the destruction of mankind. If you in physical form are to accomplish anything positive, YOU MUST WORK WITHIN THAT WHICH IS. You can't run off to some other dimension and pretend you can change that which you don't like in the one from which you ran away. That is simple FACT.

By the way, the discovering of wondrous artifacts are indeed only SIGNS to the workers among you as to sequence. You must realize that to continue in KNOWING you must present a better way than going back to live in caves and bop beasts on the noggin to eat lunch—raw. Oh yes, you CAN have it better and come within the Universal or Cosmic fold for further and more wondrous expression in a very "conscious" state of experience. Realization and Consciousness are goals of every soul that it may KNOW.

Therefore, when you do ANYTHING which pulls you into never-never-land, be it from music or drink, you really set self backward by majestic steps for you have then chosen to leave CONSCIOUSNESS AND REALIZATION into the hands of your manipulators—even if the manipulators are fine intentioned performers. WHAT YOU DO DOES AFFECT THOSE ACROSS THE UNIVERSE. You who move your little finger have displaced and confused air currents which do not stop but move to the farthest reaches of space. And yes indeed, YOUR BRAIN WAVES reach those same outer unlimits of the Cosmos. A negative thought travels just as far as a positive thought—but disrupts and confuses in damage of negative input to everything it touches. Anyone, for instance in a given group who is depressed and espouses it, shows it and wallows in it—will depress every other party in the group and the negativity feeds on itself until it becomes MOB-RULE. The same happens with POSITIVE thought but how many of you stay in a positive state? Ah HA!

I note that you will choose the negative reception of anything prior to the realization of the potential that that which is not, or is,

happening in your perception. This is especially true when a task is in the hands of another and there is absence of feedback. You immediately think things have somehow gone WRONG. Did it ever occur to you UP FRONT that perhaps things are going positively well, even as you might want it to go, and not just in imperfection? YOU WILL ONLY CREATE DESIRED PERFECTION WHEN YOU THINK ONLY OF DESIRED POSITIVE RESULTS AS YOU INSTRUCT. IF YOU THINK FAILURE—YOU GET FAILURE. THIS IS VERY IMPORTANT TO YOU WHO ARE ON THE FRONT LINE THESE DAYS. THIS MAKES IT DOUBLY IMPORTANT TO NOT FOCUS ON NEGATIVE INPUT FOR POTENTIAL DENIAL OR FURTHER DELAYS.

Let us accept every moment and every, even the most tiny, happening as a possible potential for success. You must never dismiss the interest and desired potential for any other about "their Father's work". If you can work together or simply "encourage" then, you have left positive growth with the other and built yourself a step in your stairway upward. It is the person who can use every connection in a positive manner in one way or another, who will realize goals beyond the miraculous. This is not "manipulation"; this is respect for God's answers to your own call. But when you pull each other down through negative thought patterns, you slow the entire ongoing march to the wondrous miracle of change or revolution into good change.

How do you stay on the ship of positive direction? By keeping your state of being focused and directed to success in positive measure and stop slowing the output of those who can and would express positive actions and thoughts. YOU DO IT TO YOURSELF, IS THE MESSAGE HERE.

I can't give just one, say Dharma, a task of writing and then being. The others impact her tremendously and even more so than when she is simply functioning in a very human-ongoing experience. And, when you become angry with anything she writes, and this includes herself, you have distancing from reality and a desire to move BACK INTO THE MORASS OF SIMPLY EXPERIENCING WHATEVER IS TAKING PLACE AND "LET SOMEBODY ELSE DO THIS DAMNABLE JOB". Who will do it? I can't even get the ones who receive from my brethren to get at their jobs while they choose to simply move about in whatever mire is of the moment.

This cannot be so? BS—there would be such a profusion of writing and paper as to weight the world to topple if you each did your REAL JOB.

Hugh's Yulan, as an example, wrote a scathing message to Doris, AS BEING DIRECTLY IN MY WORDS ("ATON-HATONN") and claimed that I directly dismissed Doris and put in Yulan and Hugh as my receivers and that they were doing the "right" thing while Doris was doing the false things. Well, it worked for Hugh who is out on the Lie. They have done nothing right since. So be it for when you turn God into a selective "owned" commodity, you are making such a big mistake as to sometimes be irrevocable.

Then WHO might be speaking directly to these two? Perhaps "Aton" and/or "Hatonn". But neither are ME. And, further, the

directions, information and actions of the receivers SHOW EVERY TIME JUST WHO IS LIGHT AND WHO BEARS DARK INTENT.

THEREFORE, WHEN YOU THINK YOU CAN SERVE GOD, PRESENT GOD AND YET ACT IN ANY WAY UNGODLY—YOU MISLEAD PEOPLE AND THEY CAN KNOW WHO YOU ARE BY THAT WHICH YOU "ACT" AND "PRESENT" AND NOT BY THAT MOUTH OF YOURS. IN THIS WAY, THEN, I HAVE TO ASK SOME PRETTY LIMITED ACTIVITIES OF MY OWN TEAMS AND CREW SO THAT THERE IS NO ARGUMENT ABOUT MY INPUT AS I PRESENT. YOU HAVE TO LIVE IN THE WORLD—BUT YOU MUST BEAR UP IN TRUTH WHILE DOING SO. SORRY ABOUT THAT! BUT MAKE SURE YOU DO NOT ERR IN SUGGESTING THAT YOU KNOW BETTER HOW ANOTHER SHOULD APPEAR OR WORK LEST YOU NOT KNOW FROM FRIDAY ANYTHING ABOUT THE ACTUAL CIRCUMSTANCES. Oh, it certainly HAS happened over and over again while others evaluate and JUDGE my people.

I, for instance, ask Dharma to not even be caught in social circumstances here among strangers lest the wrong impression be left with anyone. Difficult? Of course, but it keeps everyone and everything much more safely in operation. The other team members are as vulnerable but somebody has to go forth and in this way we preserve MY STATUS as separate from Doris'. This makes for a very boring life in a strange land, but this too shall pass as does every circumstance. We want this to pass with great abundance in success so we pay the price of that insurance. And, further, I don't want Doris entangled in MY REFERENCES. Neither do I want her to have the responsibility of being a guru, fortuneteller, psychic or anything else remotely other than who and what she IS. Furthermore, I try to always give short-term wait-for-confirmation for what I present—but sometimes information has to be taken purely on faith in our connection. This is difficult at best, miserable at worst, and yet even the ones closest to her discard what I might say while dumping on the possibility of Doris' input. It is really a convenient cover for personal interpretation. It is better to simply isolate the writer as much as possible in order to keep a writer because the receiver often says, "up yours" and simply pulls the plug.

You can't live in each other's pockets or in another's brain. If you try, you will fail and reap the whirlwind of confusion. We must always work toward giving and earning RESPECT in all instances and stop maiming the goose who produces golden eggs. You have to discern TRUTH—remember? Do you bash the radio or TV if you don't like the message? Well, if you DO and break the receiver—you don't have it longer to even give you poor input, do you?

If a receiver is invalid, it will become recognized, for deceit shows itself rapidly in these changing times.

I find that I get so much flutter of questions and prayers that I have to give myriads of "possibilities" to run past workers. I find that most people will come up with "there aren't any other alternatives...", etc. THERE ARE ALWAYS ALTERNATIVES, and I am going to dump them all on you when you request

“possibilities” and “alternatives” and I do not like to sit quietly while you pick them to pieces as if I have handed you the engraved tablets as unto Moses. I will give you a selection of “alternatives” for that is what you have requested in sincere intent. Among them you can surely find something which just might produce positive results in our mission.

Why do I then bring distraction myself? Because you won't think of the sheltering umbrellas to protect you from the fallout of activities—especially in coverage for either activities or end goals.

And why might it appear that these distractions are just “something Doris might like”? Because she tries to fit her “likes” into that which I ask of her. Are we actually looking for Phoenix birds? YES INDEED. Is that because Doris wishes to have more birds to tend, love and leave? NO, it is because we have a job to do and THAT IS PART OF IT. It is nice, however, if you are going to accept a task that you find a way to LIKE IT.

What have we to show for our respect for feathered friends here in this strange land? A lot but the most remarkable might well be that through feeding and nurturing the ONE little ruffled sparrow that came for respite, there are now dozens who come for comfort, water and food—yes indeed, to a ninth-floor tiny balcony. Now, who spread that word around that the “easy touch” Pleiadians were aboard? Interesting, isn't it? But let me remind you: “If you can love the least of mine, you too have honor in my places,” said the Master.

Nothing of GREATNESS comes without preparation, training, discipline and hard work (or fun if you prefer). It seems LONG in conclusion and each GREAT thing is built on myriads of little “potentially great” steps. Caution must always be carefully attended, but so too must be the lessons well received and instructions honored faithfully lest the two get confused and the journey lost.

In doing our work, dear friends, in the days ahead, we must hold to the pathway in LIGHT so we do not stumble backwards into the darkness. We must WORK IN what is, but we must ever hold the perfection of GOAL in rightness before us as that lamp which lights the roadway. Some call it a “star”, “the word”—but always it must be in Love, Truth and RIGHT action as a result of RIGHT INTENT.

When you go forth and work for the right and goodness of your brother, you insure your own way in that right goodness. Put yourself FIRST and you shall be LAST—and when you figure that out, you will have achieved a way to graduation. Keep yourself distracted and involved in self-focus and you shall be involved in self while the goodness passes you right on by. That “altered state” will not even note the passage or from the noise arouse you. Think about it.

You who claim service unto me, must give even more HONEST and truthful thought and action to that which YOU DO. For it is against YOU that the game shall be measured—not your choice of what you do in that even momentarily altered state of being and thought. Further, if you pay attention to your own matters, you will find far less to aggrive you over the doings of others. If you have time to attend others in your judgments, then you are either PERFECTION in self or putting your nose

where it belongs not.

SO TO NEW YEAR RESOLUTIONS

Why not just LIVE your life in such a way that resolutions are unnecessary? But that would spoil the fun? So be it.

You want me to give you a message that will rock the world? Can I do that? Yes and it would be true but would it have great meaning? Not if you have no concept of meaning or experience relative to that which already is in your knowledge.

I can tell you NOW that you shall come to have such an event as to astound all. Now what might that be? How can you picture that which has no recognition in your scope of information? Will it be a cloud? Will it be a man? Will it be a craft? Will it actually be a bird? WHAT WILL IT BE? Just be careful that you do not accept that which is MAN's in the thought that it is GOD's, for if it be GOD's it is going to be inclusive of you of HIS creators for that is the way of fourth-dimensional life as you have defined it. And when you are ready to create a new and wondrous stage and play—you will do it, won't you?

God Creator has already laid down the PERFECT pathway and every THING you need, and there HE waits FOR YOU to recognize the tools and vision the outcome in the prize you create from the energy offered by GOD. To simply manufacture and refit the things of manifest availability is not the true goal of your journey and believe me, dear hearts, such silly things as physical ascension is unworthy of God inventors. YOU already ascend constantly as often as you choose. It is the physical experience you can't seem to handle. Ponder it carefully. It is the responsibility of self in the PHYSICAL that you seem to avoid at almost any cost. I would test you just a bit and see where you are in your journey: CAN YOU LOVE WITHOUT HOLDING? Can you LOVE without the trappings of that which physical man has put upon the very act of loving? Why? CAN YOU ACT IN LOVE WITH FREEDOM? I did not say “freedom” to allow others to go screw around as the message might indicate. CAN YOU LOVE ENOUGH TO RELEASE WITHOUT STRINGS AND EVEN LET ANOTHER GO? WOW! WHAT DO YOU REQUIRE IN EXCHANGE FOR YOUR GIVING OF LOVE? A GIFT? A RECOGNITION? NO, THOSE ARE THINGS DEMANDED OF THE CONSCIOUSNESS. WRONG? OF COURSE NOT—FOR THERE MUST BE GIVING, REGIVING AND RECEIVING TO HAVE BALANCED INTERCHANGE. HOWEVER, HOW MANY LOOK UPON “LOVE” WITH SUCH GIVING EXPRESSION? LOVE CAN ONLY COME WITH CONDITIONS—OR IT ISN'T LOVE. “Unconditional Love” is an oxy-moron. You must, to have TRUE LOVE, have the conditions of freedom, allowance, and all those other things which must be considered. GOD'S LOVE IS “ABSOLUTE”, NOT WITHOUT CONDITIONS.

On that note I will leave you in this writing. I will remind you, however, that this is going to be a very, very busy year looming at our doorsteps for our use. So, may we USE IT

WELL as the precious commodity offered into our care.

Dad.

1/1/99 #1 HATONN

HYPE OR WHAT?

Not to be outdone in the category of possibilities, are we sure we are able to use this new date of the Lord, 1999? What incredible lack of intelligence will demand that you go back to the 1900s and 20th century due to lack of computer programs? Did it not seem just as the annual event to my writer to simply tuck in the correct date on the heading of this document? Is mankind so arrogant as to think there can be a lot of importance on whether times have changed enough between 1900 and 2000 as to confuse—WHO? How many notable accounting figureheads are around to even remember the turn of the century, 1900? Are you so stone blind, deaf and dumb to disallow circumstances to guide your otherwise programmed minds? y2k? An excuse, nothing more than a terrible, but planned, deception and distraction. This is but a planned method of taking your property in a massive way and losing records, accounts, and never having to answer for anything. Well, all I can say to remind you of the way it actually IS, is to recall that GOD KNOWS.

I suggest that all of you “starting” endeavors do bring your writings, your accounts, and your arguments for your rights to dated UPDATE. The world, unless you blow it totally away, will go right on next New Year's Day, good or bad, and you WILL know that it is not 1900. HAPPY NEW YEAR, the PLAN 2000 of the takers is now 365 days away. That means this year of 1999 will be a year to remember in the archives of the time machines. Ah BUT, “9” is the “number” of GOD, just as “8” is a sign meaning “universal” and/or “endless”. Therefore, I would consider a “999” to be a very good sign in opposition to the “666” character on the world stage.

I would say that you have one of the most potentially GOOD periods of time, in historical lineage, ahead of you. It does bother me that you don't seem to notice that the most darkened energies in the world, however, are the ones standing forth and saying such as: “With God with us we will...” and “With God, there will be success...”. WHICH GOD? Be very careful as to “which” God for the “god of the physical” is a mighty impressive energy form and doesn't take well to a turnover of his stock or fancy losing a game.

HOW IS YOUR DAY TODAY?

In Manila, for instance, where a preview of New Year's moment is over, what is abounding this morning? Oh goodness, you cannot see across the street! This time it is not smog or rain—it is gunpowder, particulate of potassium and phosphorus and generally such a lack of oxygen as to destroy lungs.

No sleep was possible, so brains are dead this morning as deprived systems drag to running potential of survival. Celebration? If noise, explosions as in a city bombing no different than Baghdad is a celebration, I

suppose a billion-dollar price tag was burned at the stake of “celebration” last night. Now you will have at least three days of lethal levels of contamination hanging in the air like a noose about your head and shoulders. Face it, the liars don’t want to clean up the pollution or even the nasty rivers—they just want that baby to toss hither and yon as the swat-ball in whatever game is taking place.

ON THAT TOPIC

The topic in point is politics and let’s just say it: Cronyism. That is a nasty word everywhere and yet, where is there NOT “Cronyism”? I fully intend to get my “cronies” into my regime when we swing a bit of goodness into the proper place on the cycle machine—AREN’T YOU?

It just doesn’t “count” if the players are “your cronies” though, does it? THAT is the only difference. Perhaps your “cronies” POSSIBLY present some better intentions than self-greed in a total capacity of take, gobble and snatch. Otherwise you work exactly the same in that you will try always to get “your team” into the leadership roles just as soon as you can.

Crony, and nepotism, are just like anti-Semite. They are terms to bias reception to the meaning of a term to suit the opposition— whoever the opposition might be. We recognize that and never mind getting stopped dead by those terms which indeed have been and will be flung at YOU. Is it not better that our team has already worked through that maze of insults, accusations, assaults, and come out stronger? Does it hurt to be called names of insult? Of course, but ONLY in guilt does the sting endure upon a balanced ego-system.

Love self enough that you can actually prove you LOVE GOD and you won’t have any problems. Just remember that ego self-centered attitudes are NOT SELF-LOVE. Self-love means strong self-esteem, lack of insecurities regarding your beliefs and mission, and true acceptance of the magnificent perfection you ARE AS GOD’S CREATION. Serving self with all the trappings of insecure children is NOT of that which I speak here. To have that respect and love of self, there must be a realization of obtaining that wondrous acceptance of self with a projection toward always moving toward perfection. “More perfection” is not a term—PERFECTION stands alone and is the goal of MORE intent TOWARD that ultimate achievement. And, while we are at it: Humility is not being a stone in the face of intentional humiliation dumped on by “another”. A lie against you can never be a humiliation against you for truth will always find an “out” and in that realization you can be humble enough in the shelter of GOD to allow truth to replace humiliation. This requires a massive dose of Self-LOVE with respect of God’s perfection in time, space and sensing. You cannot truly LOVE GOD if you cannot LOVE SELF. And, to be quite crude: If you continue to screw self—you continue to screw God. Beat up self and you are beating up God. WHY? Because you ARE ONE WITH THIS GOD CREATOR WHO PRESENTED YOU IN HIS OWN PERFECTION. If you cannot respect God, you are loudly saying that you do not respect God. And when you claim to SERVE GOD IN

TOTAL BELIEF AND DEDICATION TOWARD PERFECTION IN GOODNESS, AND ACT OTHERWISE, YOU ARE PROVING THE EXTENT OF YOUR OWN DEFICIENCY.

I caution you, however, to be very careful of how you handle this “love-self” and actually “LOVE” self and not just be “in love with self”. There is a tremendously LARGE difference.

Further, if YOU truly respect self and serve God, you will not make self-ordered impositions or positions upon any other, anywhere, anytime. If you, for instance, feel a great need to move from say, Houston’s outback to downtown Lemuria—be careful. You will have to stand on your own feet, find shelter, food, and all the things of individual needs. If you have someone who has made prior preparations for your change, wonderful. If not, then you are but an intruder, and people who have respect for self and others—do not intrude. Proper preparations and recognition work nicely, for then you are not an intruder for you will not tread where angels have too much respect to go. This does not mean that you might not well be intended for a wonderful life in that new location—but not on self-indulgent terms. Lemuria went down, I remind you, in a destruction beyond your imaginings—so to try to return or go to Lemuria may be the very LAST THING YOU SHOULD DO. WHY DO YOU CLING TO A PAST CONCEPT THAT DID NOT WORK? AT THE DOWNFALL OF LEMURIA YOU COULDN’T FIND GOD ANYWHERE AROUND, SO WHY WOULD YOU GO BACK THERE TO “FIND SELF AND GOD”? GOD HASN’T GONE ANYWHERE, SO BE CAREFUL WHAT YOU DO, FOR YOUR SHOW YOU INSECURITIES IN A MOST OPEN MANNER WHEN YOU ACT WITHOUT PROPER PREPARATION OR CONSIDERATION.

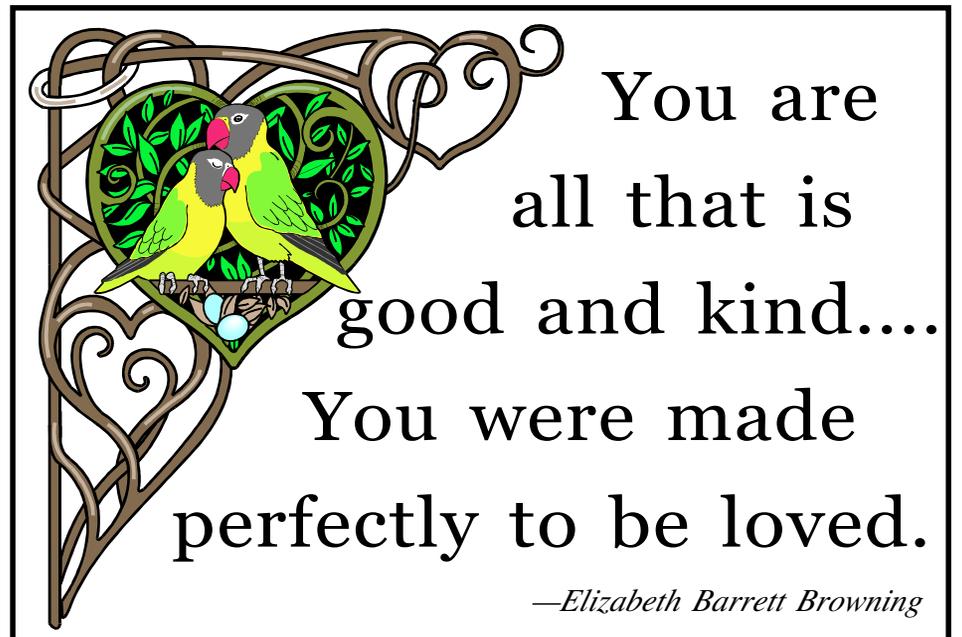

Of course you want to be among the gleaners of God’s abundance, but why do you focus on a given place or thing or group of people to get that harvest? Some, in every circumstance of success, PLOUGH THE GROUND, PLANT THE SEEDS, AND THEN WORK THEIR SWEATING MINDS AND BODIES TOWARD THAT HARVEST EXPECTED IN DIRECT RETURN FOR THE INPUT GIVEN. Always measure your input for it need not be money, good friends, it may only be a morning prayer. I will remind all of you, however, that rewards come in the form of input, and if you want money, you need to work toward that cycle of return. If you want self-esteem, you work toward that goal. If you want participation, you start where you are in what you are doing toward THAT goal, and by the time you seek and FIND, you will recognize that you are self-sufficient and not basing anything on “assumptions” upon another.

Am I giving you a lesson on SELF? I hope you recognize it for I repeat: “UNTIL YOU TRULY LOVE SELF,

YOU CANNOT LOVE GOD.” Therefore you must always act and believe in such a way as to bring self-esteem and reflect that wondrous aspect of God in ALL THINGS, AT ALL TIMES, IN ALL WAYS. Does this mean a countenance of pious B.S.? Certainly not. I am always amused when a self-proclaimed do-gooder gets up to speak and assumes the countenance of a saint or subdued angel (of course, in his own perception of what that might be, but you will note many things): The voice becomes low and softly reverent, the eyes water as in Clinton’s crock-tears, the hands come upward in a gesture of false giving, for the fact is, to receive you have to have those palms UP, and the false front goes into action. Usually these speakers have to have a good stiff drink of Vodka to get through the rest of the day, the experience is so wearing and exhausting. But you note the drinking is in the silence of the closet or among the facilitator’s circle. Self-LOVE demands no props or supports of such foolish recognition for in true Self-Love (esteem for self) there is no need for false input for the whole is present and accounted.

These are important as we consider our vision of making changes. For whom are the changes? Self? I certainly hope so, but is the result for “Self-LOVE” or “Self-indulgence”? Are you loving enough to move right on or do you have to build temples unto self to prove your greatness? If you need temples—you will note that you function on hate, guilt and insecurity—OF SELF. Do you want the CREDIT for GOD’S production or are you happier to phase out of the spotlight and meld into that comfortable rocking chair with your favorite book? Must you be on stage or would you truly rather not have a stage or even a stool wherein you must endure the focus and the LIGHT upon you. You will not mind, I hasten to remind you, the LIGHT for you will have nothing which needs hiding from any who wish to see inside—but, you want no stage upon which to “show-off” your great prowess.

A task is never done by ONE. At the least there must be TWO—GOD AND YOU—OR BUNCHES AND YOU. THE ENERGY FORM AT PLAY MAY ONLY BE ONE, BUT THE TASK NEEDS MORE THAN ONE PHYSICAL BEING IF EVEN JUST TO BE A RESPONDER. Think about it, please, because as we move toward the Lighted changes, it will be important to say “We did it” and never “I

You are
all that is
good and kind....
You were made
perfectly to be loved.

—Elizabeth Barrett Browning

did it". Sometimes, in wrong perceptions it is YOU who slows the conclusion because of the desire to home onto the "I" in the focus. "WE DID IT" IS A WONDROUS AND CREATIVE PHRASE BECAUSE "WE" IS UNLIMITED WHILE "I" EXCLUDES EVEN GOD. Moreover, when you honestly see that someone else made a great and perhaps greater, contribution, you have grown into maturity and recognition of our coalition within God Creator.

There is an old saying which I deplore: "Give a dog a good name and he will live up to it." No, he won't. A DOG doesn't care what name is his. He will respond to life and energy forms according to his treatment. "Give a MAN a good name and he will live up to it" is only slightly better for what "good name" do you choose that is not flattery? HONOR A MAN, RESPECT A MAN, AND SHOW THAT HONOR AND RESPECT—AND THAT PERSON WILL LIVE UP TO HIS BEST ABILITY THAT PERFECTION OF HIS BASIC GOOD NAME. EVERY NAME IS A GOOD NAME! Only MAN can give definition to a "name" as good or bad. Names simply ARE.

Will some men disappoint you? Depends on what you expect. And yes, of course, many will because they are TRAINED to deceive and mostly find it acceptable in this game of life and business.

Often you will find that the intent is not deception but, rather, a difference in perception and reference to the task at hand. Unfortunately the deception is the accepted modus operandi to cover whatever appears to annoy the perceived stronger of the two parties in confrontation. Be careful how you handle these confrontations. In other words: Is it the *Kol Nidre* at work or simple selling perceptions? Once burned, a man is shy of the hot stove.

WHERE ARE WE?

To understand where "we" are, you must have some concept of where we are going, so the question is not complete, nor does it reference explicitly some required or requested response. "We are here!" Where are you? Do you see that this measures nothing except the implicit conversation of both the inquiry and the response?

I watch and see that if a man "leaves" a job and the word goes forth, what are the general inquiries? "Oh, you quit?" You "quit" what? Did you quit beating your wife and children? Did you quit smoking, eating, etc.? For goodness sakes—stop this implicit trash and really communicate with a person. Are you so insecure as to prevent your being EXPLICIT? In the case of a job resignation, it is only YOUR business at least, a couple of people's business at most. So, "Yes, I quit crawling yesterday," is a good response which will usually shut the mouth of the other. Or, if you both know the question, then respond IF YOU CHOOSE TO DO SO. "Yes, I simply couldn't stand the hypocritical pecking order any longer." Wow, doesn't that feel good? You are out of the job anyway, so why do you hide behind the shroud of deceit? Or, you can put it in more gentle words such as: "Yes, I needed to do something else for a while. I don't want to lose my relationship with my friends and associates, but I really felt a need to do

something else." YOU OWE NO-ONE AN EXPLANATION UNLESS YOUR ACTIONS IMPACT THEM IN A MOST PERSONAL WAY. By this I certainly mean that a husband owes a full explanation to a wife and thus and so.

A secure person with self-respect and self-love will simply make the move according to the circumstances. Insecurity and self-lack of confidence will demand ridiculous excuses and conjured "reasons". BUT THE MAIN THING TO CONSIDER: TO SELF: WHY "DID" YOU QUIT? THAT IS THE IMPORTANT CONFRONTATION NO MATTER WHO YOU ARE, WHAT AGE YOU ARE, OR WHAT YOU INTEND TO DO "AFTER THE FACT".

The point is to make sure you KNOW WHAT YOU WANT AND WHAT YOU ARE DOING AND THAT THE MOVE WILL NOT SIMPLY MAKE YOU FEEL LESS SECURE AND GUILTY WITHIN SELF. THERE ARE AS MANY INDIVIDUAL CIRCUMSTANCES AS THERE ARE ENERGY FORMS SO DON'T THINK SELF SO IMPORTANT AS TO BE ARROGANT. And no, it most often is not even difficult to change your mind.

WHO?

I am usually asked about things I say as: "Did you mean that for me?" or "Who was that hit at?" I DON'T HIT "AT" ANYONE. I WRITE FOR OVER 7 BILLION PEOPLE—AND IT IS VERY ARROGANT OF YOU TO THINK I SINGLE "YOU" OUT FOR SLUGGER-PRACTICE. If you wear a size "8" shoe—then wear size "8" shoes, OR THE SHOES WON'T FIT. Quit trying to wear another's shoes but NEVER JUDGE ANOTHER'S ACTIONS UNTIL YOU HAVE STUFFED YOUR FEET INTO AND WALKED IN THAT OTHER'S SHOES! See, always, if the lesson fits the need, and then LOVE self enough to use the input, put it aside, or indulge in continuation of activities UNTIL YOU DO UNDERSTAND. If you have to ask: "Was that lesson for me?" IT PROBABLY WAS.

Dharma will usually ask me: "Who has quit?" I can only say that about 6 billion 497 million 64 thousand and 12 have QUIT—something. Again, WATCH OUT FOR arrogance and self-indulgence. Every one of you "quit" dozens of times in every daytime segment. Be sure you know what you are doing, for even as with this computer in use now, we will quit it shortly, but to QUIT the computer at the end of a writing and to QUIT WRITING are two very different things. By the way, another thing to consider—have you stopped a thing or "quit" a thing? This bears some in-depth responsible thought.

Try smoking or "drinking" on for size. Billions regularly quit smoking but few actually "stop" a bad habit.

If you "quit" something—be sure you know what you are doing as regards self and if actions are simply immature. Change that as quickly as is possible. If it was a rational "stoppage" of something detrimental to your well-being, then you will feel comfortable about the action and the circumstances.

And, if you are quitting something you perceive to be closed-ended and you are in my "service"—take care for all thus far in our relationships are but TEMPORARY tasks. That,

then, does not mean a change of relationship WITH ME—only with those with whom you interchange. Most of you are not doing that which you ultimately prefer or are talented to accomplish. Some do not even want further accomplishment for they do not yet LOVE SELF enough to push on and must yet grow in understanding, and that means EFFORT. Always, above all, BE RESPONSIBLE and not a whim of the minute "druther" for with God there is only "allowance" without coercion—ON EITHER PART. Your problem is usually with "self" and always is with other human energies with whom you must live and participate in the manifestation of your expression.

Suicides are always a hatred of self and a desire to hurt badly some living "other". So, when you consider such actions under any circumstances—THINK AGAIN.

Is this a New Year's message of some kind? No, it is an announcement that, like it or not, we are in a time framed to present a given idea and it behooves all to have some insight as to possibilities and time schedules. God, and WE, need no schedules for, how handy, we work on sequence. Therefore, we have as long as we need IF we do our jobs with responsibility and generosity.

FOOD FOR EXCHANGE

Yes, in this instance this is food in reality and not just food for thought.

We are requested to consider FOOD as an export item in what we are working to accomplish. Could this be done? Of course. Should we tinker in something into which we have no real talent or knowledge? That depends on the offering. Without much input you have no idea of anything and especially that of which is being asked of you—FOR anyone. Do not make decisions on "run-by" "toss-ins". If there are circumstances laid forth, then of course solutions are easily obtained, but scatter bombing is OUT. Until there is more information, keep focused on what we are doing and the rest will take proper sequence.

We are starting an "alliance" and when you have more in the alliances here and there—the task as presented WILL BE EASILY ACCOMPLISHED and a whole world can participate—not just scattered interchange of nations or people. But indeed, you need to "start" somewhere, and that is best to be accomplished where there is NEED. Consider all things and then WISE decisions can be made and proper ways of functioning can be delineated.

Food has been a deliberately controlled commodity for it, after all, is the ultimate tool of CONTROL. There is, factually, a world shortage of food, just exactly as planned and orchestrated. All things must be considered. But yes indeed, we can accomplish anything anyone can think up to do. But taking the task to one who knows HOW, already, to accomplish something is always the best approach.

I repeat: Do not try to handle anything that you know NOTHING about. It is not wise and you will surely appear the FOOLS.

Perhaps we can leave this now—"quit" this writing, if you will.

Let us make this a good year that there may be others to follow—both people and years. Salu. 

Sananda: The Battle Intensifies Between Light And Dark

1/3/99 ESU "JESUS" SANANDA

This receiver just learned a very great lesson and was called to task quite sufficiently. Now I believe that we can sit down and work in earnest. Thank you, child, for taking the correction so well.

Let me begin by repeating a phrase that I just heard said about myself. I AM NOT SOME FLOWER-CHILD HIPPIE GOING ABOUT WITH FLOWERS IN MY HAIR, PROFESSING THAT ALL IS BEAUTIFUL AND WONDERFUL. All is *not* beautiful and wonderful, for if it were, we would not be needing these words to be written for a planet gone astray.

I am Sananda. I am One with My Father, Holy God of Light. I come on behalf of and in service unto My Father, to a world that is in dire need of The Light. All is not well, and all will continue to degrade until the battle between the Light and the dark has been completed. So be it.

This receiver was in error, but we have now corrected that. I do not need, nor want my words filtered and/or flowered up, for my words are My Father's words, and are not up for discussion or filtering. I can understand why the receiver was trying to filter, for my reputation upon Earth has been one of mostly myth. Yes, I ministered to the sick and the poor. But I came to change the world, and in the process of that change, I made many enemies, and was quite unpopular with the controlling powers of that time.

Two thousand years have not changed that, and I am still very unpopular with the controlling powers of the planet, and shall continue to turn over the money changers' tables in My Father's house of prayer.

I did not come to bring peace, but I came to bring TRUTH and LIGHT. It is not an oxymoronic statement, because there is so much darkness upon the Earth that TRUTH and LIGHT becomes the enemy. There is every form of perversion and deceit thinkable.

The money changers do inhabit even the houses of prayer, for the majority of the houses of prayer have become social circles for the so-called "elite" and there is very little good coming from any of them. I can tell you that I would be most unwelcome in the godly number of them.

There is but a handful of truly spirit-filled, faith abiding, workers of The Light in your world today. Yet they come from every walk of life and segment of society.

Your big businesses boast of their multi-

cultural programs. But I tell you that my program is *truly* multi-cultural, for these ones are from the wealthiest of the wealthy, to the poorest of the poor, yet each of these ones only view one another as children of God—no more, and certainly no less.

TRUTH and LIGHT shall prevail. But there will also be many who fall by the wayside, for they shall not be willing to truly put down their material possessions and their social standing in order to follow GOD's principles. I never promised that the good road was the easy one, but I did promise it would have the greatest rewards. Those rewards can only be appreciated, however, when you have really dedicated your life to GOD, for GOD's rewards do not come in the form of gold or silver or shiny trinkets. **GOD's rewards come in many forms, but the greatest rewards are love, charity, and wisdom.**

The love I speak of, however, is not as you ones perceive, for you cannot truly perceive of the purest of love. That love is not jealous, and it is not deceitful, and it has nothing to do with sexuality or sensuality, as you have been programmed to think.

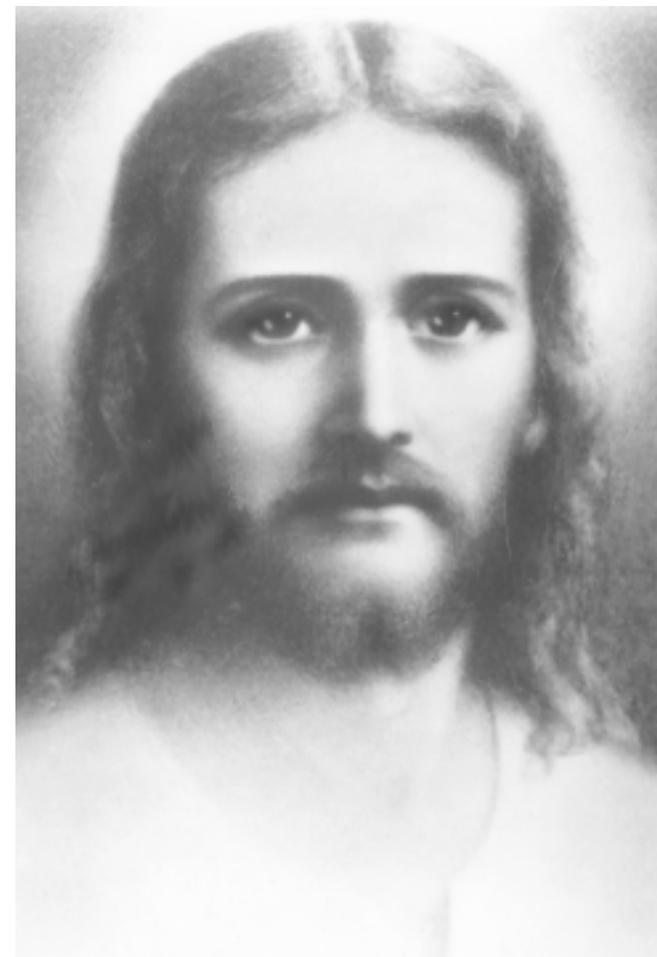

Pure love is recognizing that each and every thing, be it animal, vegetable, or mineral, all projects from One Source, and that each is no greater, nor any lesser, than is the other, for all is greatness in creation. And only when you recognize that you are no greater and no lesser, as well, will you even begin to be able to comprehend the fullness of that love. For only when you love yourself, as an equal part of creation, can you truly begin to love all in the same manner.

True charity comes only after pure love is understood. Charity is giving not only of money and material possessions, but also giving of yourself—your time, your energy, your wisdom, and your love to any and all forms of creation.

The Earth was not created for you to abuse and destroy, but was created as a beautiful place in which to learn some of the most difficult lessons you shall be faced with. Some of those lessons deal with recognizing that, regardless of how insignificant a thing might be, all are important if your world is to remain in its created

condition, which was perfection.

Wisdom is achieved when love and charity are understood. Once you achieve the wisdom, you will have little or no desire for gold or silver or shiny trinkets because you will understand that the greatest rewards are not things you hold in your hands or show off. These rewards will serve in bringing you into the Higher Realms, where gold and silver and pretty

trinkets are of no value beyond their intended uses and reasons for creation in the first place.

So, if you choose to chase after only those Earthly treasures, you are indeed short-changing yourself and will never experience the benefit of the greater treasures that are available to you.

As I stated in my previous message [*in last week's CONTACT*], there shall be a sorting and separating of the wheat from the chaff, and I intend that it will first begin with mine own. Many are wondering just exactly what I meant by that statement, so allow me to make a clarification at this time.

My desire is that all will come to serve the Father. However, in that kingdom, there is no place for those who would use the Light of the Father and pretend messages for self gain in any form.

There are those who have found that many in the world are hungry for spiritual truth and wisdom, and have decided it was an easy way of making a name for themselves and/or an easy avenue through which to charge exorbitant fees for ones to come sit and listen to them speaking, presumably for myself or any of the Ascended Masters or Teachers. These ones are fakers, and liars, and they shall each earn their own just reward.

There are also those who have penned and spoken our words, but the intent of them was for their own agendas and self-aggrandizement. These shall be dealt with as well.

The Earth is entering into a period of cleansing and purification as it accelerates its

pace toward the transition shortly ahead. That cleansing and purification will touch every one and every thing, and nothing shall be able to hide from or escape it.

Those of you who have been reading and hearing the messages for these past years have a foot up, so to speak, for you have been hearing the messages regarding Truth, and you ones know the difference. Truth is Truth is Truth, and deceit is deceit. You know the difference, but too many of you have been practicing otherwise. It is time to stop the lies, because I will require no less or no more of you than I will anyone else.

But those who intend to serve The Light need to be the standard bearers in the days ahead, because you ones are serving as our hands and our mouths for the time being. If you expect to be told the truth, then YOU must first learn to tell the truth, for like produces like.

For those of you who found my previous writing to sting, then consider that it applies to YOU, and examine what part of the message struck you the hardest. That will be what you need to examine and work on in your own life. My words are chosen carefully, and they will "speak" to those who need to hear them.

As you see the winds of change sweep across your world, know that these changes are necessary and all a part of the transitionary process. Those winds may blow harshly at times, and at other times will bring the gentle cleansing and nourishing rain. Sometimes that rain will cause a flood, but that too is all part of

the transitionary process.

The dark forces are battling fiercely with the forces of Light, and that battle only promises to intensify in the coming days.

But in those times when you feel the darkness is all about you and closing in, remember that you are *never* alone, and you are *never* farther away than the call—for the call WILL demand an answer, and you shall be answered! I have come to cause a split in your world—a split between darkness and Light, and the sorting out process has just begun. It may not always be easy, but I promise you that it shall be worth it.

Now, let us get busy, for there is much to be done. Each of you who reads this and understands and has the purity of heart to serve GOD of Light, GOD of Creation, are the Light bearers in your darkened world. Do not be afraid to speak that which you have received, but when your words fall on deafened ears and hardened hearts, turn and go your way and find another with whom to share what you have learned. Allow my Father and me to do the sorting out.

Thank you, each and every one of you whose intent of heart is pure and who selflessly serve The Light in TRUTH. You are blessed and we are honored by your service. You ones are cherished and loved, and abundance is yours, if you will but accept it.

I am Esu "Jesus" Sananda, One with the Light of my Father, Holy GOD of Light.

Salu. 

Wisdom Of The Rays: The Masters Teach

ABOUT THE BOOK

This large collection (over 400 pages + 4 color photos) of popular spiritual writings from the *CONTACT* newspaper includes a detailed introduction to the 14 Higher Authors, plus several commentaries unique to the purpose of this volume.

The expansive yet compassionate nature of the messages delivered in *WISDOM OF THE RAYS: The Masters Teach* not only challenges those already firmly committed upon the spiritual path, but also provides a serious first step to help ones who are just awakening to (and inquiring about) the magnificent Spiritual Transformation now sensed by many to be in progress upon this planet.

FROM THE BACK COVER

"Our Elder Brothers from the Higher Realms of Creation are attempting to communicate with ALL of us at this time. Why? Take a look around you. The old ways of doing things aren't working. Our planet is entering a time of massive, turbulent change and renewal. To put it bluntly: we NEED help! And that's where this book comes into the picture. Yes, eventually 'the Phoenix will arise from the ashes' after this Great Cleansing process, but the ride could be quite a bumpy one, especially for those ill-prepared for what is to happen.

"Just how we choose to deal with such change is THE question each of us must confront. Yet confusion swirls everywhere upon Earth at this time. And restless searchers cry out for that which may help them cope with these truly challenging times ahead. Thus these messages courtesy of our most loving Elder Brothers from the Higher Realms of Creation who are but further along the same spiritual path we all must eventually walk."

Korton: Preparation Includes Knowing Adversary's Plans

12/31/98 KORTON

Commander Tomeros Maasu Korton here in the Light of God of Light to continue my discussion of that which can help you better understand—and thus overcome—the enemy in your midst.

I ended the previous discussion [*in last week's issue of CONTACT*] pointing out some specific recent examples of how the Khazarian-Zionist-Bolshevik so-called “elite” controllers utilize the media to program and condition you ones for their heinous plans of world domination through what you call the New World Order.

The media is utilized mainly to allow you to accept the power structure the dark forces have already in place. An example of this is such as the Royal Family of England. By always presenting a pious face and “just” actions (in public, of course) the so-called commoners feel obliged to follow and take orders from the polished nobility. And the film *Elizabeth* reminds all of you that the Bolshevik-run British-Israel monarchy (known as “The Firm” in MI-6 and the Order of the Garter in other inner circles) is best suited for the job of governing the masses.

This is especially true *IF* an earthshaking event happens to come along and disrupt your daily lives of boredom and ignorance in a society *you believe* is under the people's control. And that brings us to disaster movies.

The common theme in these disaster films is always the mention of **Martial Law** immediately coming into effect at the outset of the featured dilemma. By doing this, the masses become accustomed to hearing the words. Thus, when more laws, with ever increasing encroachments upon your basic human rights, as *guaranteed* you by the *Constitution*, are added almost weekly (most without you ever knowing about them), you accept this ever tightening noose as your government doing what is necessary to protect its citizens. The best war to wage against a people is one where the people are unaware they are being attacked!

WHAT CAN YOU— AS UNIFIED “AMERICANS”—DO?

Can you fight such a battle against an adversary who completely dedicates his existence to your demise? Ask your Native American brothers. They have withstood great and overwhelming opposition and persist to this day against enormous negative pressures. These people are your key to reclaiming your upward path out of the pit of darkness. There is also an opportunity for YOU (I speak here of Whites, Blacks, and any others who took up

arms against these goodly aboriginals) to right a wrong that was perpetrated against the Native Americans when they welcomed the “invaders” to THEIR paradise that you now call YOUR home.

The Native Americans have won a great victory with the casino legislation that allows them to remain sovereign on what's left of their lands (reservations—land you did not want to live on) AS A NATION within a nation. This demonstrates how you still have power despite the efforts of the Khazar-Jew and Roman-Italian mobsters who would reinstate the rule of a Caesar or Khazar Kagan. Their power IS, at present, all-encompassing—as your *Bible* told you it would be in these “Ending Times”.

However, God is the well from which ALL draw their power. So it is helpful to keep that in mind and consider that there are more Godly recipients of His Grace than there are evil ones looking to trick and manipulate for greed and gain. So it stands to reason how you do indeed have the advantage—*WHEN YOU KNOW THESE THINGS AND ACT WITH WISDOM*.

When you ones unite as the Native American original residents and custodians of America have proven they can do—*EVEN THOUGH THEY ARE FEW IN NUMBER*—you can slay the beast that threatens to devour your people and your lands.

The “nation” of Islam can do exactly the same as the Native Americans did with regard to declaring themselves SOVEREIGN. The State Department has to recognize sovereign claims within their territory because your *Constitution* is still OFFICIALLY recognized. However, you must use the tools of international corporations and self-governing statehoods precisely the way the Israeli Khazars have done in Palestine.

Are they the only ones to use corporations in this manner? No. Go back in time to the infamous Khazarian exploitation machine called The British East India Company.

That monster was the first corporation to fully utilize this method of doing business. However, instead of using it to safeguard the sovereignty of the company and its shareholders and partners (as it was outwardly designed to protect its share-holders from lawsuits and provide some measure of privacy), it became the “protection” for the biggest drug empire your world has ever seen.

Opium from the British East India Company has destroyed entire countries and rendered many peoples and their cultures devastated to the point where they still have not yet recovered. **The fortune of the British Crown was founded upon plunder gathered from all over the world, but its great unfathomable wealth came from the drug trade.**

(As an aside here, it would be wise to keep

this exploitation situation in mind, especially as concerns what the Khazarians did to China through the British East India Company, when considering the determination behind the present gathering of forces from China and Russia against this dark parasitic cancer upon your world. Let us just say that there is good reason certain ones have had enough of the cancerous blight!)

Your adversary uses these “legal” corporate instruments to do evil. However, by their own use of these things in the world of international commerce, the loopholes they operate within MUST also apply to other sovereign nations who wish to live and function within and under the apron of the good ol' U.S. of A. Do you see how the game is played?

This is what the Master Teacher meant by “being as wise as the serpent, yet as peaceful as the dove”. We too have game pieces that match those which the deceivers use. However, ours are for the benefit of you-the-people and not for a few self-styled, self-appointed “chosen” so-called “elite” or their puppets.

Shelters Across America, Inc. is the name of a corporation that allows for the building of survival-fallout shelters for the sovereign nations that operate within the territorial united States. But since your secret rulers do not wish for THE PEOPLE of the united States to survive even strains (man-created) of the flu—much less fallout from a few atomic bombs (by *errant* cruise missiles, let us say), *then it is up to the sovereign nations to protect their people*, regardless of what the Bolsheviks who have taken over in Washington may wish.

Your non-news outlets fail to mention the fact that the sovereign “state of Israel” has armed itself to the teeth against so-called Arab enemies, nor do these same media puppets ever mention the elaborate shelter systems in Israel to protect their people against chemical, biological, and nuclear attack.

Once you have safety shelters—whether they are simple, with only the bare necessities, or elaborate domed living and working spaces, with underground gardens for food, etc.—nuclear war becomes a less effective tool for annihilation strategies.

So, when incredible opposition to building safety shelters in the U.S. comes, and all sorts of reasons are presented why you cannot have them (and you evaporate the excuses as fast as the Khazarian lawyers present them to the judge), inevitably “national security” arguments are invoked; this allows them to win ANY argument and not even give you an excuse as to why you lose out.

Anything having to do with “intelligence” comes under a whole different set of rules about which “civilians” are not informed. This is how the Bolshevik-Zionists have gotten as far as they have in your government. By using intelligence agencies and “national security” excuses, your country has been delivered into the hands of the dark deceivers. You lost a war and you didn't even know who the enemy was.

Now you are being readied for execution through a Global Tribunal that makes decisions behind closed doors regarding your fate. And yet you do not have the security clearance to attend in your defense! Is this fair? No, but it is *legal* BY NATIONAL AND GLOBAL SECURITY STANDARDS! My, what a tangled mess your enemy has created to “have it all”.

However, with every one of the adversary's legal (*but still unlawful*) schemes, THERE WILL BE LOOPHOLES—backdoors he uses, lest his plans fall short of their intended goals within your civilization and culture.

The idea of testing through an adversarial element, in principle, is not such a bad concept, for originally this is why evil was introduced to your Earth in the first place. To where did you think God-Aton banished the Bad Boy's flock? He certainly wouldn't allow them free reign of the cosmos, now would He? This is just like Britain originally did with Australia—flooding that island with criminals. The Earth domain was the prison for those who chose not to follow the Universal Laws of God and The Creation.

Why would God allow evil to be housed in the same domain as His Lighted Creations? Again, for the testing and growth available through the adversarial teachers associated with schoolroom Earth.

This is what EVOLUTION is: the opportunity for growth into goodness or wholeness. And MAN, as a whole, is the perfect reflection of God, no more and no less. It is this physical shell, which is subject to evil manipulation and SENSED negative tendencies, that gets you into so much trouble. When you allow the Spirit-Mind to control the body—and not be controlled by the ego-mind—you will then be ready to come back into the ONE (or at least be on the right path) and you will no longer be tempted by the dark ones.

And when there are no more "victims" to be had on this schoolroom, due to your growth, the dark ones too will have to reexamine their purpose, and may well see the nurturing nature of that One who created them, and wish for something "better". Though their "better" may still be many levels below more evolved beings, in the ending of the Great Universal Cycle, when all things come back into the One, ALL will be

worthy of God's acceptance into His "mansion".

In the meantime, there are many different mansions because you are all at different levels of growth and it is HOW you handle your lessons of opposition—especially those from your fellow "students" or adversaries—which determines which level you go to next.

That is why you must learn all you can about what is being done to you, so that you can plan and act accordingly, and make the most of your present experience. The "game" is won through knowledge and effort, and not just through good intentions.

Thus, in order to circumnavigate the intricate maze of *legal* loopholes utilized by your secret rulers and treasonist lawmakers, you will have to function according to the rules of the game. The laws of the land are just as important (to you) as are the Laws of God and the Laws of The Creation.

Your society must have order if you are to learn how to function in the Higher Order of God's Rhythmic and Balanced Celestial Realms. You do not, for instance, go from preschool to a prestigious university, skipping the grades in between; and neither do you skip lessons on how to confront an adversary who strategically tries to destroy you.

The need to operate your personal and business affairs so as to be *security proof* is of paramount importance. The "Esquires" (the British-Israel term for "lawyers") will try every trick they can conjure up to prevent you from having the opportunity to protect yourselves. I assure you, *provisions are being drafted as these words are being typed* to explain why it is not in the best interest of the people to have affordable shelters.

(And remember something about the cunning and power of these "Esquires" that has enormous impact already upon your government and which has been covered many times in

these pages: *They are the ones who removed from public circulation your original Fourteenth Amendment to the Constitution and replaced it with the present one. The original provision essentially bars lawyers and attorneys from HOLDING PUBLIC OFFICE.* Could you just imagine a Congress, for instance, which was free from lawyers, where legislation was constructed in a common-sense mode by hard-working people drawn from PRODUCTIVE walks of life?! Yes, your United States Congress is a far cry from that ideal at this dark time! The truth behind all those lawyer jokes should make you *all* quite uneasy.)

Shelters Across America, Inc., a Nevada corporation, is the dba (doing business as) or trade name for Space Command Intelligence Corporation. This allows sovereign nations and individual Americans—doing business with a corporation that is providing shelters for its people—to do so behind the same blanket of "national security" that the Khazarian-Jewish Mossad uses. Should one group of "chosen ones" have exclusive rights to survival over another? Do you Christians not deserve the same privileges and special treatment afforded to so-called "Jewish" America, especially when it is you who foot the bill?

Do we have to play these games with the adversary? No, but if you wish to be prepared for what is planned, it is important to become familiar with the plans of those who are your sworn and PROVEN enemy. I will let you be the judge of HOW WELL you should play the game.

In my next lecture I shall present a 2000-year-old plan which is the "protocol" for the Khazarian "foot soldiers". It is called *The Art Of War* by Sun Tsu. This treatise by an Asian (remember the Khazar tribes are of Nordic, Turk and MONGOL heritage) warlord is the secret "bible" for the Global Intelligence groups.

TELEPHONE HOTLINE 805-822-0202

As an adjunct to CONTACT, the Telephone Hotline keeps you as informed as possible on current events and other important information that needs to get to our subscribers before our publishing date.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus daily callers can hang up after 2 rings and save toll charges if no new message has been recorded. If the Hotline does not answer your call, then there is currently no Hotline message.
