MONTAUK SECRET BASE CAUSED KENNEDY CRASH

7/18/99 KORTON-jonur

Good afternoon, Korton here in Light and in service to Holy God. The big boys in the game of manipulation and control have just played a major hand in their dealings with the methods used to keep you-the-people in line. This weekend marks anniversaries to your Moon landing charade, TWA flight 800 shoot-down and Ted Kennedy's Chappaquidick incident. It will also now be known for two more reasons: John F. Kennedy, Jr.'s apparent death and the operational use of a massive mind-control/energy weapons system of incredible power.

MONTAUK PROJECT ONLINE

The Montauk military installation, located at a defunct base in the city of Montauk, Long Island--New York, is a sprawling underground complex used for secret experiments in high-energy physics, matter teleportation, time "tunneling", weather control and ADVANCED MIND-CONTROL EXPERIMENTS. The effects of this

base are well known in the region since the 1920s--though the public is not aware of the cause, nor the thousands of missing persons who ended up as human guinea pigs at the hands of scientists in the employ of the American branch of the worldwide secret government known by many names but chiefly as Majority Twelve (MJ-12) for this portion of pyramided power structure by which the clandestine players carry out their mandates.

The Montauk base is the final destination of people who were kidnaped from the streets and back alleys of the entire eastern portion of the United States (many hundreds of immigrants from other countries who came to America in search of a better life ended up at the base as well--their families believing them to be just one more casualty of the struggle to make it in your land of opportunity and promise) and taken to this place where they were subjected to the most inhuman treatment and unimaginable experiments. All were either killed outright from the experiments or died slowly from grossly disfiguring and mentally debilitating effects from the variable-focus high energy discharges used in various experiments.

MISSING
AIRCRAFT WAS DOWNED BY
MONTAUK EQUIPMENT

There are several reasons why Kennedy's plane was made to crash off the coast of Martha's Vineyard, a resort island in Massachusetts, where it was expected about 10 p.m.--not the least of which was to silence the political news publication, *George*. John F. Kennedy Jr. was not an elite "establishment" man, though he and his family are among the conspirators (beginning with "papa Joe" with his Hollywood mob connections) that have caused great harm to the liberties of American citizens, "John-John", was about to become a threat to the Zionists just like his father before him.

Just as his father and uncle, Robert, John Jr. had an independent streak that could not be counted on by the very elite who put America's royals in power and an independent magazine that prided itself with reporting politics in an unconventional way was not something the Khazar-elite could ignore. Sooner or later stories that, at the least, would cause them embarrassment--or, at the

worst, cause the millions of fans and admirers worldwide (including late Princess Diana and her sons--she wanted William to follow in young Kennedy's footsteps and admired the way he handled politics and still managed to "keep his soul") to begin to open their eyes to what the establishment was doing to bring down the moral and economic base of society. And for that the conspirators could take no chances, they were too close to their goal of a world order timed to coincide with the arrival of the new millennium.

LANGLEY (CIA) AIRFIELD WAS CHARGED WITH THE COVERUP

The George Bush Center For Intelligence (formerly Cental Intelligence Agency) and the airfield that is the base of much covert action (foreign--and soon to be domestic--military intervention in the destabilization of governments), worked with the Montauk station in causing the crash and covering up the crime scene. There are already circulating stories of Kennedy staging a disappearing act for various reasons and even hints that doubles of himself and passengers (including a fourth that is not getting much publicity) are running around somewhere. The confusion factor is primed to kick into high gear as the truth of the circumstances begins to surface. But know, just as with the *Challenger* crew being placed in safe keeping by the Hosts, while DNA obtained from medical testing samples allowed for replicas to be manufactured so that "bodies" could be given back to the families for burial to keep the public from knowing the existence and participation of Space Command in human affairs, so too would be the case with John Jr.

All who profess to do God's work and ask for protection are protected. Period. It is not for the limited perception of man to know the hows and whys of the actual safekeeping and commitments of those in service to God Aton of Holy Light, for indeed there is much that is below the surface of your understanding; like that iceberg that has only a minuscule portion above the surface where you are left to only ponder at the 98-percent mass which is not in view.

THE MYSTERIOUS HAZE WAS CAUSED BY ELECTROMAGNETIC ENERGY

Anyone familiar with the so-called "Philadelphia Experiment" in which a Navy ship was transported through time and space and returned to a harbor with sailors aboard, is familiar with the haze that accompanied the power electromagnetic fields generated by the equipment on board the ship and support ship tethered nearby. Observers witnessed a clear sky suddenly develop a mysterious blue-grey haze, and just as suddenly it dissipates, leaving the witnesses baffled as to its cause. Whenever your government scientists utilize such equipment that is capable of generating such massive displacements of electrical energy you will always see disturbances in the

surrounding atmosphere. Just as the Northrop Corporation's levitation discs (flying saucers) create a blue discharge of glowing light around the craft at the periphery where the craft's electromagnetic field meets the air, any focused or concentrated area of this type of energy also creates visible disturbances.

THE COAST GUARD'S FIVE - AND-A-HALF- HOUR DELAY WAS PROOF OF THEIR COMPLICITY

The Coast Guard is subordinate to the Chief of Naval Operations (CNO) as are all military and civil air and sea patrols of any importance in the eyes of the Majority Twelve parallel government. The Coast Guard was handling "public relations" while special warfare units who are the enforcers for the one-worlders did underwater incursions to retrieve bodies (or attempt to verify same). Just like **murdered** former commerce secretary Ron

Brown's plane crash (special agents and special warfare personnel were first on the crash site to administer the coup d'etat: a 45 caliber bullet in the brain) the "cleanup crew" was working throughout the night to cover tracks and make presentable (should you be allowed to have closure in this emotionally shattering ordeal) "victims" and wreckage.

All throughout the conferences a swarm of

known CIA and Mossad agents were identified giving interviews, inaccurate passenger descriptions and weather conditions, assessments on Kennedy's flying skills, and derailing those all-important FIRST REPORTS that are about as close to full disclosure as you are ever going to get from the CIA journalists and broadcast speakers on the agency's payroll.

TWO MORE IMPORTANT REASONS FOR THE KENNEDY PLANE CRASH

The first is to further take away your right and ability to travel freely about the country in commuter and airline networking. The biggest danger to the conspirators is the working together of you-the-people and the circumnavigating of the Zionist control structure. We of God's Hosts and our diligent ground crews have put in place a system that does just that very thing. The Better Way of God's people allows for humanity to have their prayers answered in the only physical way possible--through physical people--not some nebulous energy forms the lot of you have given up trying to see. Mankind finds it most difficult to believe in that which he cannot touch or "see" with his senses, yet he seems to have no problems believing the unfounded and unreasonable lies by the conspirators who have proven to him over and over that they are not FOR man's growth and enlightenment.

You constantly fall for the lies and drink the poison (or allow for the shots and pills that are causing you to drop like flies in winter) that YOU KNOW IS KILLING YOU. WHY DON'T YOU LISTEN TO YOUR TROOPS? ANTHRAX (LEGIONNAIRE'S DISEASE) IS BEING

PERFECTED IN DOSAGES SUITABLE FOR GIVING IN QUANTITIES THAT MEET UNMANDATES FOR DEPOPULATION TIMETABLES FOR THE MILLENNIUM. HOW LONG WILL YOU IGNORE THE EVIDENCE AND THE SUFFERING AND THE BLATANT COVERUP PROCESS THAT DISMISSES THE CLAIMS OF THE DYING SERVICE MEMBERS AND THEIR FAMILIES?

Chelas, if you don't take care of your own why would you expect the thieves and murderers to do so? They are the ones who are doing this to you--THEY ARE TRYING TO GET RID OF YOU BEFORE YOU COME INTO KNOWING AND HEAR GOD'S WORDS AS THEY GO TO THE FOUR CORNERS OF YOUR EARTH. IT IS A DEATH KNELL TO THE ELITE BIG BOYS AND YET, YOU DEPEND ON THEM TO FIX IT FOR YOU???

Well, they are trying as fast as they can to "fix it"; let us hope you come into knowing before you are fixed--permanently. The other reason for the decision to bring down Kennedy's plane is the most important of all: DISTRACTION.

WHAT'S GOING ON ABOVE YOUR HEADS?

While the world watches the shores and waters along the eastern U.S. coastline that is the cradle of assumed power for Americans, the way Wales is for the British or Crimea was for the Tzar's Christian Russians--THE MOST DEFINITIVE CONFLICT YET KNOWN TO HUMANITY IS HAPPENING RIGHT NOW IN THE SKIES ABOVE YOU.

What's the latest information that's been given to you regarding the CONTINUED air operations by Air Force Intelligence, New Zealand and Italy? (The Vatican/Mafia group is never far behind the Zionist/Mishpucka as to criminal use of public resources such as the military and public works--be they garbage collection or nuclear powerplants--crooks in "high" places, adorned in robes and stiff cleric collars, are still crooks.) These three control access to the southern region of your planet for the Western members of the elite's Antarctic Survey Group. The MILITARY BASE at the International Antarctic Center at Christchurch International Airport is a support base built to support the Bolshevik stealth navy (the technology for making ships and aircraft invisible to radar as well as to human sight was developed at the secret Montauk facility) that is planned to be used after the Project Z War Plan is carried out.

It is taking every resource of the Command to see to it that you don't blow yourselves away with the real Star Wars games now in progress. All Command craft remain on standby alert as are the shuttle craft and beam ships working to counter the nuclear back feeds (like the massive one in Japan that you have not been given the full story on) that threaten to render the planet uninhabitable. YOUR GOVERNMENT BELIEVES IT HAS THE CAPABILITY TO DO BATTLE WITH RUSSIA AND THEY ARE USING THEIR BEAM WEAPONS AND THE ACTIVATED WORLD GRID'S AIMING SYSTEM TO BRING DOWN ROCKETS AND SATELLITES--AND MAYBE EVEN A SPHERE OR TWO!! WOULD YOUR CIA SCIENTISTS KNOW THE DIFFERENCE BETWEEN A REAL RUSSIAN PLATFORM AND A DECOY?

The military-industrial groups of the adversary to humanity have a vast array of bases in all parts of the

world and under your seas, assembled in preparation for this day in your history to bring about the utopian society they have planned for for centuries. It is the people who are the enemies and the Russian Space Command who are your allies this time around. You see, the Kremlin's new rulers know full well that the Anti-Christ to humanity resides in America and England, and Russia's Christians mean to exact a measure of accounting for the slaughter of more than one-hundred-million of their Christian countrymen by the Zionists. If you stand in their way they will count you among their enemies and it will be a war that you cannot escape from.

The Russians still control the battleground that is the most high (space) and no matter what you are told to the contrary, it is they who have won the space race.

PETE CONRAD MURDERED TO KEEP HIM FROM TALKING

Astronaut Pete Conrad was taken out to keep from telling you who really won the space race and to prevent the public from knowing the truth of the public relations program NASA astronauts were tricked into playing. He was killed in similar manner to T.E. Laurence "of Arabia" (who crossed swords with the British elite who betrayed the trust of the Arab world and now their deserts are a hotbed of war and great poverty--surrounded by oases of British agents posing as Emirs and reigning princes--while the first salvos of nuclear Armageddon are being readied to use them as the flashpoint). A thin wire was stretched across the road over one he frequented and the accident scene was made to look like his luck ran out.

Conrad's luck also ran out as to plans he had (and he had already begun to talk openly to the public) to clear his conscience of the lies he and the other astronauts have had to tell--and endure--for all humanity. This is especially hard on the 30th anniversary of the Moon landing that John F. Kennedy Sr. inspired. Though you already had men on the Moon when he spoke the words that rallied a world to focus their attention there, it was still a great time to be Americans because it was a dream that all people have, even if they are not outwardly aware of it, because it is your roots... it is from where not only the human races all come but the SPIRITUAL ASPECT OF YOUR BEINGS AS WELL.

Life and every form of matter comes from the vacuum of the cold blackness of space, and it is to that same vastness that all will eventually return. All organic and inorganic life is created and sustained by the compression of the super coldness of space--that is what keeps you and all other matter from exploding a heat death, which is the natural order and process of creation.

With knowledge of how you were created comes the fact that you are not alone in the universe and that others are here to guide you through your next cycle of evolution. You do not go from Sunday morning *Bible* school to all-knowingness of unified fields and subatomic structures in a single lesson of raptured teachings from self-proclaimed or ill-informed know-it-alls. Ones who come from those outer reaches must be present to show you the way. And so it has come to pass.

IGNORANCE IS THE WAY OF THE ANTI-CHRIST

The big "war" is really over what is being kept from you in the form of inspired and learned teachings. All other things are as no-thing. The experience called life as

you perceive it to be is nothing more than a living dream of electrical thought patterns interacting with countless other thought patterns, all of which comes from the only entity who is really doing the thinking--God. Everyone else and everything else IS SIMULATING THAT PROCESS. If the evil manipulators can convince you that you are living in a physical world of substance--AND CAUSE YOU TO FORGET THAT IT IS AN ILLUSION OF GRAND PROPORTIONS--then they increase their seeming importance for this segment of the illusory projected light show. And that's it in a nut shell.

God is simplicity. The childlike wonderment of the Creation gives you the best opportunities for growth and advancement, but the **childish manner in which you live your lives as to being enamored with sex, petty squabbles and "me" centeredness was taught by the adversary to God to get you into the mode of stagnation.** And that is most easily accomplished by feeding you a constant stream of distractions while playing on the fears of the physical body. Fear of not enough money, not enough gasoline to drive your vehicles, not enough electricity to run your appliances, not enough "love" to satisfy your ego--all these things have nothing to do with the REAL YOU that registers none of these things BUT CAN BE HELD BACK BECAUSE OF YOUR BODIES' ADDICTION TO THEM AND THE FEELINGS THEY CREATE FOR YOUR PHYSICAL BEING.

By not being aware of the actual focus of your politicians and the goals of your space program, in which true space exploration has been scrapped in favor of secret military hardware and holographic deceptions to ensure the rulership stays intact, the masses are willingly becoming expendable pawns. The power players have no intentions of loosening their grip from your throats on their own accord, and today, Israel's Ehud Barak will be in Washington to tour the new Jer-USA-lem that he inherited for Khazaria's plans for the taking of the world--**IF YOU ALLOW SUCH TO GO ON UNCHALLENGED THE REST OF THE WORLD WILL GIVE UP HOPE FOR YOU, AND THERE WILL BE NO COMING TO YOUR RESCUE WHEN THE KHAZARIAN PLANS FALL INTO SHAMBLES; AS IT MUST DO, FOR EVIL NEVER ENDURES--EVEN WELL-LAID PLANS SUCH AS ISRAEL'S.**

The Chinese are poised to show you exactly what they've been doing while they **POSSESSED THE SHREWDEST OF ALL SPY CULTS, REMEMBER IT IS ASIAN CUNNING AND ANCIENT WISDOM THAT THE REST OF THE WORLD'S SPY AGENCIES HAVE BASED THEIR TECHNIQUES ON. THE FORMERLY SLEEPING DRAGON HAS BEEN SUBMERGED ALL THIS TIME, THEIR ENTIRE NATIONAL SECURITY STRUCTURE WAS UNDERGROUND--LITERALLY!!!--SO NO ONE KNEW WHAT CHINA WAS UP TO. AND IF THE DRAGON IS ANGERED AND PROVOKED TO STRIKE, IT WILL MAKE KOSOVO LOOK**

LIKE CHILDREN PLAYING AT COWBOYS AND INDIANS.

NATO's bombing of the Chinese Embassy was the work of MI-6 agents and stooges. NATO had the exact coordinates and Global Positioning System codes for China's Belgrade embassy and the Chinese intelligence officers who were killed were secretly among the closest **blood relations of the ruling party of China!** So they are a long way from forgetting the matter and it is for this reason that Hong Kong, Taiwan and South Korea are so near to annihilation that the dragon's nuclear-heated breath can be felt by all ones in those territories.

THE ZIONISTS ARE PLAYING WITH FIRE

The Khazar elite are no different than the other elites that have dreams of world conquest. It is just that the false Jews from your Biblical-past are so convinced that they are THE chosen of God that they regard "winning" as all-

important. If they cannot have the world then no one else will either. Even the real "Jew haters" have bowed out to this madness--and leave it to the Khazars to leave no stone unturned to further their Zionist ambitions; the vacuum left by the neo-Nazi types is being filled by Khazar Jews to add to the sympathy they have purposely created in that it aides in their antisemitism "hands-off" stance with the rest of the world. By creating the climate of hatred (or perceived hatred) of "Jews" the Zionists can steamroll

The other reason for the decision to bring down Kennedy's plane is the most important of all: DISTRACTION.

While the world watches the shores and waters along the eastern U.S. coastline that is the cradle of assumed power for Americans, the way Wales is for the British or Crimea was for the Tzar's Christian Russians--THE MOST DEFINITIVE CONFLICT YET KNOWN TO HUMANITY IS HAPPENING RIGHT NOW IN THE SKIES ABOVE YOU.

away all your *Constitutional* rights while you worry whether or not you are being bigoted.

It is being fast made a crime to even mention the word Jew if you are not Jewish. How do you think it got to be so bad in communist, fascist, etc. countries where secret police and high-stepping Gestapo troops could literally drive up and down the streets picking up any who even looked at them? How do you think newspapers and media outlets were closed down and freedom of speech banned? Do you think this happened over night--that one morning the people woke up to discover that the morning paper was no longer on their doorstep and that an army of sadistic police just sprouted-up on their street corners while they slept? This sort of change happens with time, chelas, BUT IT DOES NOT HAPPEN OUT OF SIGHT OF THE PEOPLE.

THE APPARATUS IS ALREADY IN PLACE

The troops that turned on the people did not get bussed in or emerge from hiding from great underground subterranean cities (though you do have that now and that is why we say you cannot win a shooting war with your enemies--no matter who they turn out to be), they came from the system the people already knew. It was a system that the masses were told was for THEIR protection. Just as with what America is facing with mind-controlled CIA assassins (like the man in Atlanta who murdered his family--

WHAT HAPPENED TO JOHN KENNEDY, JR.?

Official Story *Miles* from the Truth

Ron Kirzinger, Guest Contributor

As usual, we can only piece together the REAL story from bits and pieces ignored or downplayed by the censored, Khazarian-controlled media. As this article will demonstrate, the “official” version of events is at odds even with itself, contradicts John Kennedy’s last words and ignores the testimony of many witnesses to the crash of his plane on Friday evening, July 16.

THE OFFICIAL VERSION

The final, official version of events immediately surrounding the crash of John Kennedy’s airplane is almost bare of details or facts. The last four radar contacts were reported as follows:

9:40:20, altitude 2,200 feet; 9:40:24, altitude 1,900 feet; 9:40:29, altitude 1,600 feet and 9:40:34, altitude 1,100 feet. The AVERAGE rate of descent works out to a little more than 4,700 feet per minute. We are told that these blips occurred at a distance of 16 miles from the airport, but curiously we are not told in what direction. After four days of searching, the main fuselage of the plane was located in 116 feet of water, 7 miles southwest of Gay Head, at the southwestern corner of Martha’s Vineyard.

Officially, the reason for the crash is unknown. The major media have made every effort to underscore John Kennedy’s limited flight experience and the potential for pilot error. This, they say, given haze and challenging flying conditions, could possibly have led to the plane entering into a “Graveyard Spiral”, in which the plane swirls downward in an ever-tightening spiral at accelerating velocity. Now, they say, it will take anywhere from six to nine months to piece together the aircraft to determine the cause of the crash—either as simple pilot error or as mechanical failure. Autopsies are said to have revealed that all 3 occupants of the plane died instantly, of multiple injuries, at the point of impact. The bodies of John, Carolyn and Lauren were cremated immediately following the autopsies.

WHAT THEY’RE NOT SAYING DATA IS MILES OFF

Have a close look at the map accompanying this article. Note that the crash wreckage was found 7 miles off the coast, 19 miles from the airport. Remember that the last location they said was reported on radar was only 16 miles from the airport. Thus, according to the official version, while plunging at 6,000 feet per minute (according to the last two radar blips), from an altitude of 1,100 feet, with only 11 seconds to impact at that rate, the airplane, which was traveling northeast, managed to fly 3 miles to the west in those 11 seconds! Wow! Shades of

the “magic bullet” theory advanced by Arlen Specter for the Warren Commission!

JOHN KENNEDY’S LAST (PUBLIC) WORDS

Early on in the coverage of John Kennedy’s “missing” airplane, it was reported that he radioed the control tower at 9:39 p.m., reporting his position as 13 miles from the airport, as “not more than 10 miles from shore” indicating that he was beginning his final approach. Please refer again to the accompanying map. Note that the ONLY plausible approach to Martha’s Vineyard from the southwest which would place the plane 10 or less miles from shore and 13 miles from the airport would be in the vicinity of Noman’s Land, a small island due south of the Kennedy estate.

WITNESSES

Official reports either do not refer to witnesses or state outright that there were none—but there appear to have been many indirect witnesses to the crash.

Victor Pribanic, a fisherman at Squibnocket Point (identified by the number “1” on the accompanying map), reported to the *Martha’s Vineyard Times* that he had heard a “loud explosion-like sound” from the direction of Noman’s Land. This “ear witness” report, ignored by mainstream media, corroborates the 13-mile distance that Kennedy called in to the control tower.

A reporter for the *Vineyard Gazette* newspaper (identified by the number “2” on the map) is reported to have told WCVB-TV in Boston that he was out walking Friday night about the time of the crash and saw a “big white flash in the sky” off Philbin Beach, on the southwest coast of Martha’s Vineyard.

Other reports indicate that approximately ten witnesses reported an explosion or flash of light “from the south” at about the time of the crash. A guest of the Kennedys (identified by the number “3” on the map), is reported to have witnessed an explosion—but this report is now listed as “unconfirmed”, possibly out of fear of reprisals.

Based on the reports of witnesses and Kennedy’s own report to the control tower, **there is little doubt that the crash occurred in the vicinity of Noman’s Land, some 7-and one-half miles from where the wreckage of the plane was officially “found”!**

SYMBOLLOGY

The small island called Noman’s Land is known as a military target-practice area. Was this just “target practice”? If so, then who are the real targets? The

Kennedy estate is only a little over three miles from Noman’s Land, which is almost exactly due south from the estate. Visibility that night was eight miles, so the crash occurred within visual range of the Kennedy estate and its guests. Surely this message has not been lost on those at the estate that night.

Virtually all recent reports in the mainstream (controlled) media have referred to the Kennedy estate as the Kennedy “compound”. What’s wrong with the word “estate”, instead? “Compound”—as used to describe, for instance, the *unenclosed* group of buildings at Waco—appears to be a code word, implying that all within are “enemies of the state”. Thus, it is not surprising that any Kennedy guest who witnessed the explosion will not step forward at this time to provide evidence.

As in the case of Princess Diana, there are many unconfirmed reports that Carolyn Bessette Kennedy was pregnant. A Kennedy heir about to be born? For the twisted, occult-oriented, satanic minds behind the scenes, perhaps this was a perfect opportunity for a sacrifice, performed right in front of the family members for additional impact.

It is also noteworthy that the Friday plane crash occurred within two days of the anniversary of “Chappaquidick”, also on Martha’s Vineyard. That event occurred on Friday, July 18, 1969. John Kennedy’s father was assassinated on Friday, November 22, 1963. Fridays do indeed seem to hold some significance for occult, ritual killings.

In addition, the plane crash occurred exactly on the three-year anniversary of the downing of TWA flight #800, and in the same general vicinity.

THE SMOKING GUN AT MONTAUK

It is probably no mere coincidence that TWA flight #800 fell out of the sky in the same general vicinity. It has long been rumored that special, highly-classified weapon systems exist at Montauk, New York, which is only about 60 miles west-southwest of Martha’s Vineyard. The use of such weapons could account for eyewitness reports of a “bright flash in the sky” in the vicinity of the crash.

The pattern of the debris field adds credence to the notion of mid-air destruction of John Kennedy’s plane. The *Vineyard Gazette* reported that debris floated up on beaches all over the southern part of the island, from Gay Head all the way east to the Edgartown Great Pond (near the eastern end of Martha’s Vineyard)—a distance which covers some 25 miles of shoreline. It is doubtful that a plane dropping into the water intact would result in such broad dispersion of the debris.

A firsthand witness of recovered debris, writing under condition of maintaining his anonymity, had this to say [Ed: Quoting as written]: “All indication from Forensics and Physical evidence investigations lend themselves to a violent explosion, either from an altitude or barometric pressure device, or from a Particle Beam Laser...the nature of collateral damage to recovered aircraft parts, and items on board or from (the aircraft) such as the headrest, foot pedals, steering yoke carpeting and so fourth. All showed signs of violent damage, having been ‘ripped’ or blown from their normal positions/locations. This can only be caused by an onboard explosion, or an attack by a missile or Laser.”

The same source, recently identified as an agent of Interpol, reports that weather radar information as well as satellite information is “missing” for a full two-hour

period of time surrounding the crash. This data could have shown the electromagnetic wave [Ed: or the widely reported "haze", which is a companion phenomenon of the Montauk equipment, as Commander Korton points out elsewhere in this issue] which was probably generated by the Montauk blast.

Here is another excerpt from this agent's report [Ed: Quoting as written]: "Agency is quite familiar with the evil legacy of Montauk Point. Technology reputed to be null and void is in fact known to be in existence there, and being employed against the American public. This includes not only this Laser, but (MK-Ultra) mind-control, Remote Viewing, the infamous 'Montauk chair', and so on. We strongly suspect one of the technologies was used against subject's aircraft. Currently, evidence points to the Laser, although this cannot be completely substantiated."

JFK, JR. FOR PRESIDENT?

The confidential source at the site of the investigation, referred to immediately above, states, "We have learned that subject was preparing to either run against Hillary Clinton in the New York Primary, or for the Presidency in 2000 (which we believe he would have won)."

Sherman Skolnick advertises himself as the producer/moderator of the Chicago public access, Cable-TV Program, *Broadsides*, and the chairman/founder of the Citizen's Committee to Clean up the Courts. In a recent e-mail broadcast, he writes of John Kennedy: "He planned to reveal a well-kept secret that on or about August 1, 1999, he was to announce he was running for president..."

Can anyone argue that John Kennedy, Jr. would NOT make a very strong presidential candidate? Just look at the outpouring of emotion around the nation before you

even consider that argument. His lack of reverence for "politics as usual", well reflected in his *George* magazine, could have been very interesting, to say the least.

The leading contender at present is George Bush, Jr. What would it mean to America if the very well respected, squeaky-clean JFK, Jr. were to bring out evidence of George Bush, Sr.'s involvement in the death of John's father? The whole nation has been looking for closure on that issue for some time. What motivation did JFK, Jr. have for beginning a series of articles on political assassinations in *George* magazine? Do you want to bet whether or not the Kennedy family is aware of the Bush

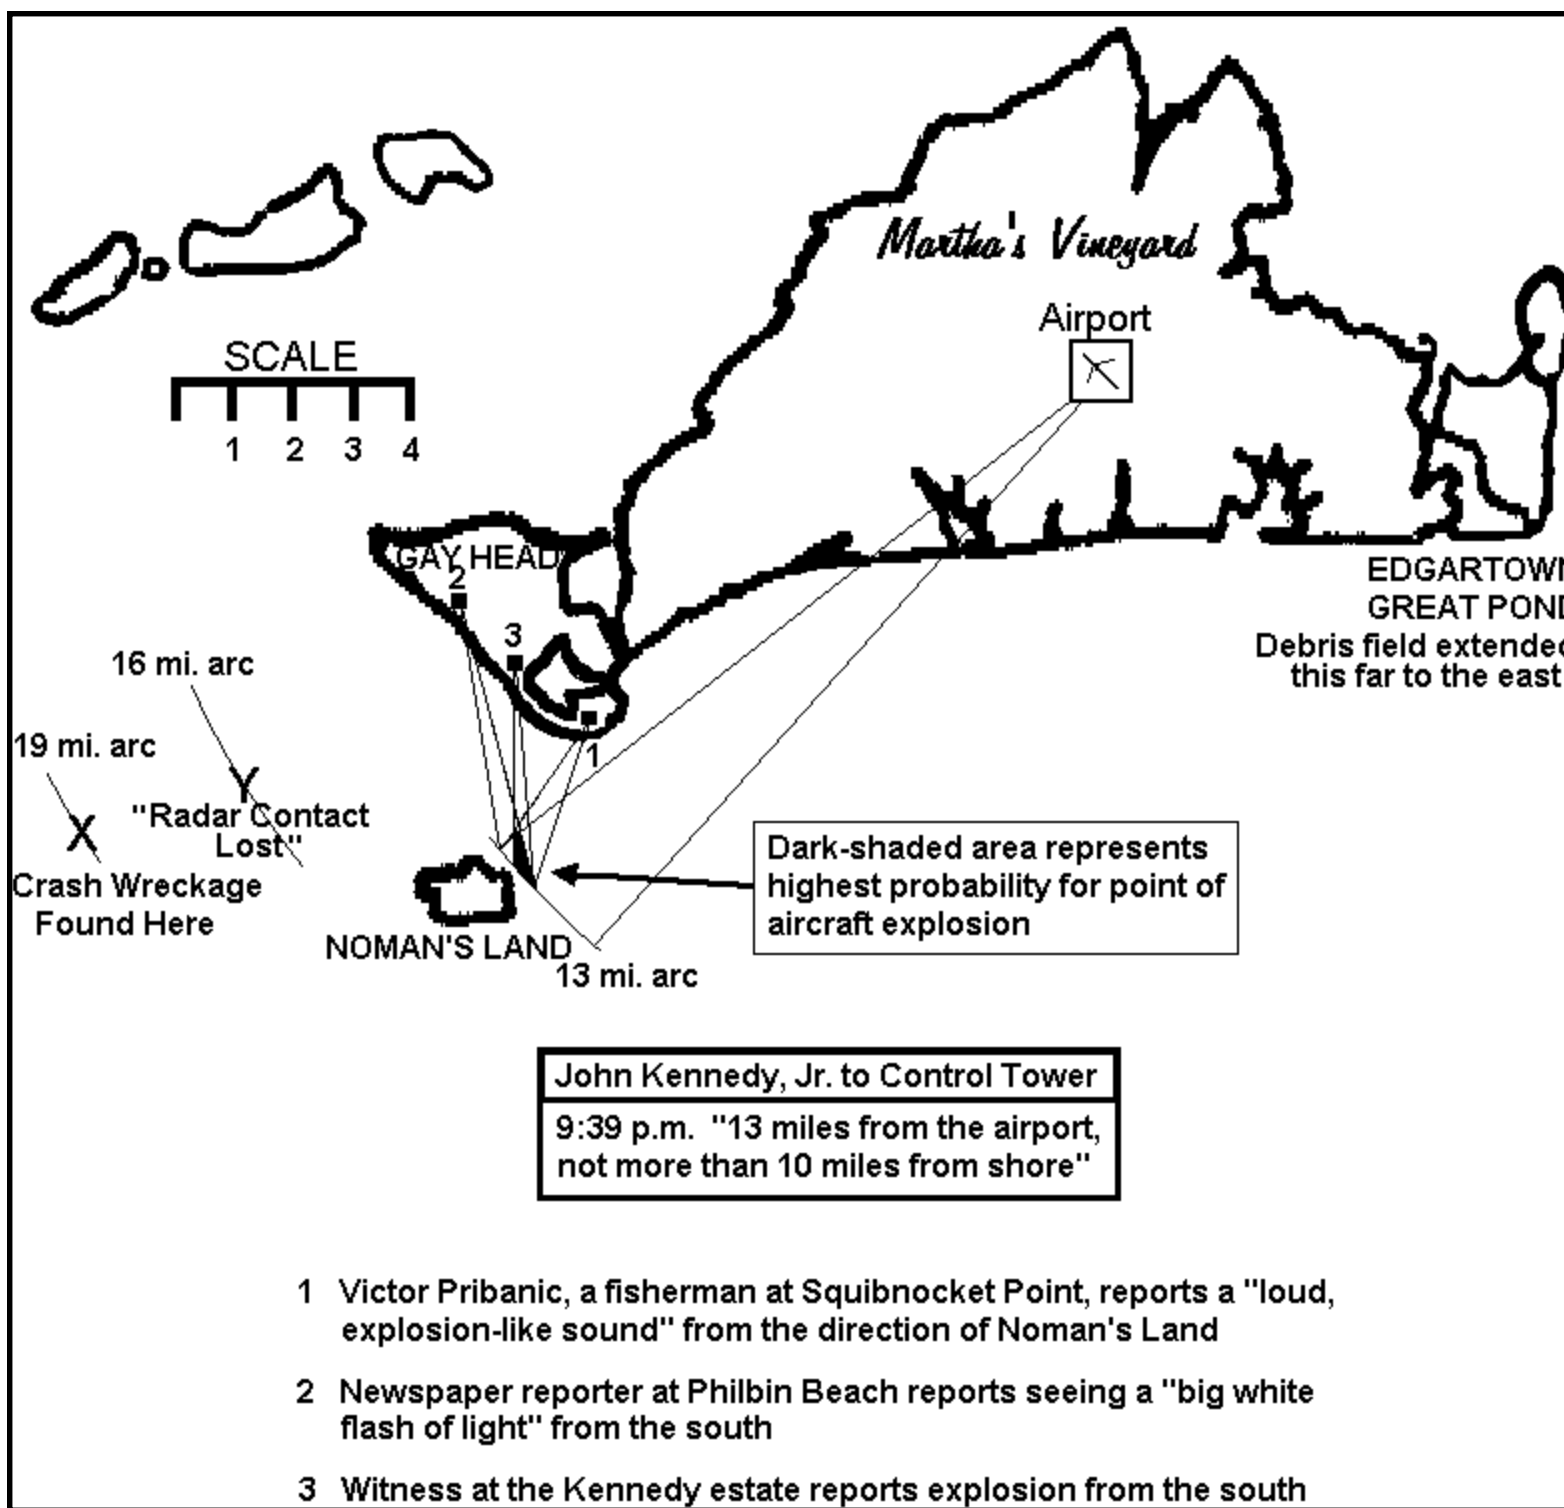

ticle, but are well known to many knowledgeable researchers.

John, Jr. would certainly not have had to play all of these cards—he might not have had to play them at all, and any ONE of them would have been enough to ensure his success against the "Skull and Bones" Bush family in the 2000 elections.

CONCLUSIONS

THE WRECKAGE WAS MOVED 7-AND-ONE-HALF MILES WEST OF THE MOST PROBABLE CRASH LOCATION.

Based on the early reports of John Kennedy's last words with the control tower, as well as numerous reports from witnesses, it is highly probable that his plane crashed just northeast of Noman's Land. Anyone who would even consider the evidence of his last words ("not more than 10 miles from shore, 13 miles from the airport") in conjunction with a map would have reached that conclusion within minutes, not days. There is little doubt but that the REAL, control-tower radar data would have confirmed this location. The *Vineyard Gazette* reported early on in the search that Noman's Land was a prime search area and vessels were dis-

involvement? Isn't it plausible that John's mother might have filled him in on some of the intriguing details?

Of course, that isn't the only bit of "dirt" that sticks to the Bush family. How about a \$250 billion Banco Nazionale del Lavoro (BNL) account in Atlanta, held jointly in the names of Saddam Hussein and George Bush, Sr.? Or, what about the Bush family involvement in the Savings and Loan debacle? Or, how about some hard evidence that George Bush, Sr.'s Zapata Petroleum/Offshore Company has been heavily involved in importing drugs into this country, in the sponsons of offshore oilrigs? Such issues are well beyond the scope of this brief ar-

patched to that area immediately to check it out.

Somehow, however, it took four days to "find" the wreckage, 7-and-one-half miles west of the REAL "splash point", 3 miles west ("backwards") from where they say they had their last radar contact. The radar data alone should have provided a nearly precise location of the crashed plane—if it was real, as reported. We are told that the wreckage was

Truth Should Never Offend

7/20/99 HATONN-dharma

TRUTH OFFENDS? (???)

This is good, dharma, for when people finally admit that they are so shallow as to allow TRUTH of be offensive to their sensitivities and make an effort to influence others to their own drummer (personal ego persuasion), then you have honesty showing and the other upon whom the influence is intended can KNOW there is something wrong in "River City".

Remember, however, that some people who are our most dedicated friends are thinking themselves to be Jewish and therefore it is difficult to get around the writings to which they still relate and have PERSONAL attachment. When truth offends then what is offended? EGO, nothing more. And, until people as individuals can put ego to the side and act in truth, honesty, love and integrity, the outlook for them is quite dismal. But GOD always allows "TIME" in which to come to understanding and concede "time" to have objective reason act in response rather than just assuming excuses one after another.

The sorrow comes when people react, stop all manner of information to flow or to read that which is offered--to insure they don't have to face other than what they WANT TO HEAR--NOT WHAT IS TRUTHFUL. IF YOU ONLY WANT ME TO OFFER THAT WHICH "YOU" "WANT TO HEAR", THEN YOU ARE NOT GOING TO ENJOY ANY TIME WITH ME ANYWAY. BUT TAKE CARE: TO PULL ANOTHER FROM THE PATHWAY TO LIGHT AND TRUTH IS EVIL AND THAT DELIBERATE ATTEMPT TO HURT OR DISALLOW ANOTHER RESTS ON THE SOUL DOUBLY HARD OF THE TRANSGRESSOR.

I use the term "transgressor" for this is EXACTLY that of which is offered in the Lord's PRAYER--"... and I forgive those who transgress against me..." right after you ask GOD to "...forgive me my transgressions...".

Do you think I did not know that "Pfuchier" would offend? Why do you think I have waited so long to dump that one onto your sensitive selves? But where are YOUR MINDS, my children? Dharma, for instance, read it as "Fookyear" and could not understand what went wrong with the presentation! BUT, HOW CAN YOU BE OFFENDED BY A (PERFECT) SELF-LABELING BY THE INDIVIDUALS WITHIN THAT SOCIETY FOR THEMSELVES? Is this somehow worse than someone having a surname of Fuche? or Phuche'? YOU PLACE THE "DIRTY" ON THE LINEN, CHELAS--NOT I IN TELLING YOU TRUTH.

There is also a SECOND reason I present that to you: Dharma asks why we have to stir the restless pots and said "then I prefer to not write it"! Wow, here we go again, I said, with someone tampering-with and changing what is given? We had to hearken all the way back to the letters we received when dharma was yet writing by hand for hours upon hours and one of her primary teachers was Germain. He used the term "Bull-shit" and B.S. Now, everyone knew exactly what he meant and dharma paused and then went ahead and wrote it after a long "...but would a Heavenly being, teacher, use such a term?" "Did I or did I not?" was Germain's reply. So it was written and immediately came the "correctors". "My Germain would

not say that..." it came and one 15-page letter from Wally Gentleman who both objected and gave a lecture on what that might mean to the bull. Neither were intended in offense--just observation.

SERIOUS RESPONSE: "WE ARE TRAINING OUR RECEIVER! IS SHE GOING TO SIMPLY BE ANOTHER EDITOR OR WILL SHE OFFER WHAT IS OFFERED TO HER--EVEN IF IT OFFENDS?" And, will people read TRUTH and something THEY CAN UNDERSTAND or are people only interested in THEIR OWN INDIVIDUAL PERCEPTIONS AS TAUGHT TO THEM? So, readers, if you don't like "Pfuchier" then don't use it! But that was a valid name given by themselves to themselves, after one of their leaders by the same name. Is "Israel" as someone's name offensive or what? It is from where came "Israelite". Or, do we not refer to Iraq-ians as Iraqis because Saddam Hussein has a bad reputation? STOP IT. THIS IS YOUR LIFE, CITIZEN! IF "YOU" WHO CLAIM TO BE OF GOD CAN'T STAND TRUTH--HOW CAN YOU OFFER ANYTHING BETTER TO ANYONE, ANYWHERE, ANY TIME? DON'T YOU UNDERSTAND HOW SERIOUS THIS IS, READERS? CAN'T YOU, I PLEAD WITH YOU, UNDERSTAND THE DYNAMICS OF WHAT IS UPON YOU? YOU MUST GET OUT OF LA-LA-LAND OF MAKE-BELIEVE-FANTASY-MYSTICISM AND INTO CREATIVE REALITY--OR BE CONTENT TO GO DOWN WITH THE ADVERSARY. I CAN'T HELP WHAT YOU CHOOSE TO BELIEVE--I CAN ONLY OFFER YOU WHAT "I KNOW" AND YOU WILL CHOOSE WHATEVER YOU WILL.

To you who are receiving the brunt of the calls and denials and the painful bombardment of those about whom you GREATLY CARE and whose opinions you RESPECTED, I suggest you be kind but be careful to not bow to such demands that YOU CHANGE BECAUSE SOMETHING OFFENDS "THEM" AND THEY WOULD RATHER SWITCH THAN ACCEPT TRUTH.

How do you know, for instance, that the whole game

of "their side" and "our side", *Spectrum* vs. *CONTACT* is not a test FOR YOU and nothing is amiss with those of either "side"? If I was good enough for you "then" and they claim I am good enough for them to heist away--and yet you are still offended by something I might say "now"--Gee Whiz, kids--isn't this somewhat silly? ARE YOU GOING TO BASE YOUR LIFE JOURNEY AND YOUR SOUL EXTENSION ON SOMETHING SIMPLY "SILLY"? OH YES, YOU ARE!

We are going to give you TRUTH and you do that which you will with it--period. We are building a foundation for a balanced world in Freedom and Truth--not nonsense and "your language druthers". We are constructing a "Galt's Gulch" for survival in a more advantageous and toward perfecting a balanced world of equality of advantage for ALL OF GOD'S CREATIONS, NOT JUST "YOURS". I would, however, suggest you not just try to ride along on someone "else's" coat tails in this matter--because it is the SOUL which becomes ONE with all things--not your little narrow bodies and brains. And since you obviously think there to be "their side" and "our side" and we are CREATING "heaven", then what might THEY BE BUILDING? AND "YOU" ARE WELCOME TO EXPERIENCE EITHER ONE--AFTER YOU CHOOSE--AND IF YOU CHOOSE TO HAVE AN ATTITUDE ADJUSTMENT MAKING "YOU" ACCEPTABLE TO US.

It is the SAME THING with my CRAFT, ladies and

It is the SAME THING with my CRAFT, ladies and gentlemen: I GET TO CHOOSE WHO COMES ABOARD--AND YOUR DEMANDS ARE NOT MY COMMANDS. WHY? FOR NO ONE WHO UNDERSTANDS TRUTH, JUSTICE, BALANCE AND HONOR WOULD EVER "DEMAND". AND, THE MORE WHO MAKE UP THEIR MINDS AND THEN CHOOSE SPECTRUM--BLESS THEM, THEY ARE OUT OF OUR HAIR FOR WE HAVE NO "GROUP" AND THERE THEY CAN HAVE THEIR GROUPIE, THEIR GURU EDITOR, AND FOREVER BE BEGGED FOR "CONTRIBUTIONS" TO PAY THEIR MEMBERSHIP DUES. AND, NO, AS A MATTER OF FACT, AS SOON AS SORTING IS DONE, THE HOUSE IS CLEANED, AND THE MISSION IS ACCOMPLISHED HERE--WE WILL RETURN EVERY CENT, WITH INTEREST AND REWARD TO THOSE WHO HAVE ASSISTED US AND REMAIN IN SUPPORT. YES, EVEN FENCE-SITTERS WHO "JUST SIT" WILL GET THEIR "LOANS" BACK--BUT THEY ARE GOING TO HAVE TO DECIDE ONE WAY OR ANOTHER, AREN'T THEY--SOMETIME!

gentlemen: I GET TO CHOOSE WHO COMES ABOARD--AND YOUR DEMANDS ARE NOT MY COMMANDS. WHY? FOR NO ONE WHO UNDERSTANDS TRUTH, JUSTICE, BALANCE AND HONOR WOULD EVER "DEMAND". AND, THE MORE WHO MAKE UP THEIR MINDS AND THEN CHOOSE SPECTRUM--BLESS THEM, THEY ARE OUT OF OUR HAIR FOR WE HAVE NO "GROUP" AND THERE THEY CAN HAVE THEIR GROUPIE, THEIR GURU EDITOR, AND FOREVER BE BEGGED FOR "CONTRIBUTIONS" TO PAY THEIR MEMBERSHIP DUES. AND, NO, AS A MATTER OF FACT, AS SOON AS SORTING IS DONE, THE HOUSE IS CLEANED, AND THE MISSION IS ACCOMPLISHED HERE--WE WILL RETURN EVERY

I would also remind EVERYONE who loaned any funds to the Phoenix Institute--THAT IT WAS NEVER PRESENTED AS AN "INVESTMENT" A "METAL TRANSACTION" OR ANYTHING OTHER THAN A LOAN TO BE USED, POSSIBLY LONG-TERM, TO HAVE ABILITY TO HAVE PROJECTS OF WHICH THERE ARE MANY--BUT MOST OF WHICH HAVE BEEN DELIBERATELY DESTROYED. EVERY PARTY SPEAKING WITH EKKER WAS URGED TO NOT PUT ANYTHING INTO THE INSTITUTE UNTIL ALL CARE HAD BEEN TAKEN TO BUILD A SECURE AMOUNT FOR SELF. THIS WAS ALWAYS THE FIRST INSTRUCTION FOR IT WAS NEVER DIFFERENT THAN THAT GOLD PRICES WOULD NEED TO DOUBLE BEFORE THE LOANS WERE "MATURED".

WHATEVER GEORGE GREEN MIGHT HAVE TOLD THE WORLD IS NOT THAT WHICH CAN OR OBVIOUSLY COULD HAVE BEEN CONTROLLED BY ANY OTHER THAN HIM. IT WAS "HIS" PLAN, NOT EKKERS! IF YOU NOW CLAIM YOU HAVE AN "INVESTMENT" WHICH YOU HAVE SOMEHOW "LOST"--YOU ARE WRONG ON BOTH COUNTS: YOU HAVE NO "INVESTMENT" UNLESS YOU DID NOT STATE TRUTH AND YOU HAVE "LOST" NOTHING UNTIL YOU DUMP THE INSTITUTE AND BANKRUPT IT!

So, why would Green be so intent on bankrupting the Institute? Because he owes the Institute over \$350,000 in the amount of GOLD he stole just from Overton. There was other gold as well and monies converted which also await the finalizing statements of that which is KNOWN. He also owes \$150,000 in cash which he borrowed from the Institute for his own use and which is now overdue by 7 years with interest accrued so let's add that up to at least a minimum of \$300,000 PLUS. Then there are all those nasty "attorneys' fees"!!! He also went away with 110,000 *Journals* which he continued to sell and now says none more exist, lost in a flood. Or did he simply sell them at \$10 (his going rate)? That is over a MILLION DOLLARS, you arithmetic students. And he has lied over and over at "bankruptcy" hearing for himself and America West Publishers and Distributors. He has lied so much that even the courts won't accept his testimony. So, wouldn't YOU want to destroy the entity nibbling at your rear-end? This, even though it is destroying everyone who helped him and Desiree' themselves!

Frankly, to push the Institute into "bankruptcy" would be the best thing that could ever happen to Ekkers because they would not longer have to even think about paying back any loans AT ALL. As is, they not only have stood behind those loans themselves, personally, but have arranged security for the loans for those not in litigation against them or the Institute. So, who do you think those adversaries are REALLY AFTER and who will pay for THEIR CRIMINAL ACTS? That's right, YOU! Well, not if we can help it but now, once again the lies start in public, the dwelling is again ripped out from under them--and guess what, Ekkers are tired of it all so sorting is a comforting thing to them as well. PEOPLE, YOU REALLY WORK AT HURTING SELVES AND IT SEEMS IRRATIONAL AND IT SEEMS SO POINTLESS IN

THE FACE OF OBJECTIVE REASONING AND LOGICAL THINKING.

I note, however, that the ones doing the most quibbling and denouncement are the ONES, like, say, Rick Martin, Ed Young, etc., who gave nothing of financial value but TOOK FOR YEARS--are the ones complaining. Isn't this an interesting picture? Yes, indeed, it DOES always end up about "money"--and not MAKING MONEY--just TAKING money. The other major denouncements come from others who have only gleaned from us while making no contribution and often not even subscribing to the paper or purchasing the *Journals*--just get it all free from someone who would loan the information or download it from internets. Oh well. No, I don't care how you get the information for we want you to have it--and more more and more of it--but somebody has to pay for the privilege of getting it out there for you to OBJECT TO IN FORM OF FORMAT--YOUR SOUL IS YOUR BUSINESS AND YOU CAN USE THE PAPER FOR WHATEVER PURPOSE YOU LIKE--THE BOTTOM OF THE BIRD

CAGE IF YOU WANT. SO WHAT IS EVERYONE'S PROBLEM? WE OFFER TRUTH--YOU DO WHATEVER ELSE YOU WOULD LIKE TO DO.

The assumption is that if you actually LOANED funds for this purpose--of doing a paper, etc., then you got your funds used where intended and as soon as possible you will get your loan PLUS interest back. If we miss interest payments it is because people you follow took funds for themselves and used them for other purposes--leaving nothing to pay the interest payments. But YOU go right on and join the ones who did the "taking" for it is your privilege and reflects your thinking, or lack of it.

If it is Truth you think you will NOW get from Dr. Young's paper I suggest you consider what you were getting from *CONTACT* because he RAN BOTH PAPERS! HE DECIDED WHAT WOULD BE USED AND WE ARE JUST NOW IN *CONTACT* ABLE TO RUN SOME OF THE MATERIAL HE HELD AWAY FROM YOU. Again, I suggest you THINK, people. And as for our caring about what you think, yes we do--but we can't do anything about your thoughts or choices except be glad or sad. However, irrational NON-THINKING people in our ongoing projects as personal hands-on participants, is unacceptable. If you are misled so easily by the adversarial presentations--so be it--go your way in peace and leave us, please, to ours.

BACK TO NEVADA AND OTHER HARD TRUTHS

I said that I would confront wrongdoing and non-truth where it impacts us. There are A LOT of "us" around and when Ekkers are hurt--all in our circle are hurt--badly in some instances.

We just went through the circumstance of an "early" contact going into NCH, GAIA's (Global Alliance) agent. The State of Nevada records show NCH as agent and all the county records support everything offered by our company and team. But, when contacting Nevada Corporate Headquarters, in person even, the person was told in no uncertain terms by Brent Moorhead that NCH "IS NOT THE AGENT FOR GLOBAL..." and continues with very disparaging and derogatory statements about the corporation and the "Directors"--the Ekkers.

That was ONE. Now it comes back that two GENERALS from the President's (President of the Philippines) office, sent to INVESTIGATE GAIA (GLOBAL), etc., were also informed that NCH was not the agent and got the same treatment. Now, whether they were WITH "Manny" or came later is not clear--YET. However, this is a SERIOUS BREACH OF BUSINESS ETHICS. NEVADA CORPORATE HEADQUARTERS IS THE AGENT OF GLOBAL ALLIANCE INVESTMENT ASSOCIATION or there is something very dirty, smelly and quite rotten taking place for as of June we have PERSONAL information stating that NCH was still, most certainly, the AGENT. So, what is this?

These investigators do not find this amusing under any circumstances because we have also suggested that there would be opportunity to have a corporation established in Nevada and also, later, in Sovereign States (Native American--when established). The point is that if we would recommend some business that handles our own so poorly, they concern about whether or not we "realize our business is so badly handled and managed". For a person handling your management and business of something as important as a CORPORATION to both deny being an agent AND TO SPEAK DISPARAGINGLY OF SAID CORPORATION, they thought, needed to be brought to our attention.

And, it is Mr. Moorhead who also furnished entry into the warehouse to allow removal of books, etc., for the "Young group" (their attorney's term of I.D.).

We will get to the bottom of this but there is no way to undo the damage done. Everybody knows that NCH was started with funding FROM THE INSTITUTE--exactly the projects for which the Institute was established. Why doesn't the Institute have stock in same? Ekker's don't know--Mr. Christie issued all the stock to himself as sole owner and sued Ekkers personally for outstanding bills, or something. Ekkers assume, however, that Mr. Christy is likely not aware of these latter incidents. So, here we all go again: Fiduciary responsibility to the CORPORATION (G.A.I.A.) DEMANDS THAT

I would leave this writing by urging you who continue to support us in this critical transition to be steadfast in your faith and KNOWING in your realization. FOR, I AM, AND YOU HAVE FOUND WHAT YOU SOUGHT--DON'T BLOW IT NOW! GOD IS NOT SITTING IN HEAVEN SOMEWHERE SO ALL IS RIGHT WITH THE WORLD AS THE SILLY SAYING GOES. GOD IS RIGHT HERE AMONG YOU SO WE MIGHT RECLAIM HONOR, TRUTH AND LOVE IN THIS WORLD FOR HARDLY ANYTHING IS RIGHT WITH THIS OLD WORLD UPON WHICH YOU ARE BUT EXPERIENCING "REPAIR-MEN".

Lighted Review of Freedom's Ills

7/19/99 GERMAIN-jonur

Violinio Germain present in communion of the moment. It is with much love and caring for your nation that I have come during this time of great tribulation and testing of God's wayward flocks. The United States of America was birthed in that a new concept of life and government of the people, by the people and for the people would come into being where Man could live and work in freedom.

The freedom to RESPECT and worship God of Divine Holy Source--and the right to write about same, and the expectation of just laws and courts are what your country stands for. For all the world to see, the Constitutional Republic that is America has a mission that nearly all its inhabitants are ignorant of. It is for this reason that you must answer the call to serve, for if you do not feel the urgency of a people in dire peril--because of your individual opulence as compared with that of 90 percent of the rest of the world--I assure you that your brethren do.

When the Satanic forces finish with their destructive plans for those other nations of Earth, they will turn back to you and take that which seems to mean so much to you. These are the instructions to remedy this problem and rid the planet of the disease that is devouring mankind. But you must take the dosage as recommended and then give of it to your brothers and sisters who are too weak to help themselves, for thine enemy has already infected them to the point of being without means to cure themselves.

Aton has given you--just as he did the first messenger of truth, Akenaton of Egypt--the task of saving your world. In his day it was merely a job of awakening his fellow Egyptians, and the then known world that Egypt ruled over, to the truth of THE ONE GOD, because before that time man was pagan and did not know of such a concept. Today, you, the descendants of the Egyptians of Akenaton's people who have come again to a land where you once again have the opportunity to serve directly as Aton's strong arms and hands, are indeed blessed because this time you have a state-sponsored legal document that gives you the right by guarantee to be angels (messengers) without fear of persecution and burning at the stake or hanging on the cross. That was the purpose for setting up such a *Constitution* and *Bill of Rights* and it has the blessings of the Hosts of God in its very design and outlay in that you would recognize it as such.

Man thirsts for truth and divinity, and though your dedicated adversary has made it all but impossible for you to recognize and have access to untampered truth, the *Constitution* is available for all to see and KNOW through the soul's window where it registers and reverberates throughout your entire being. Just as the soul and spirit registers the "soul" in great works of inspired art work so too does the "soul" of Godly presence come through in the *Constitution*.

CONSTITUTIONAL CONVENTIONS

AND AGENCIES LIKE F.E.M.A.

The workers of your adversary know full well that the *Constitution* and *Bill of Rights* is all that is standing in their way of total and complete conquest over you. They have tried ever since the documents were drafted to do away with them, and so far have failed in every attempt. However, they HAVE succeeded in chipping away at its foundation and eroding its ability to protect you in your courts. Constitutional Conventions are nothing more than thinly disguised attacks by the adversary to do away with your God-given guarantee of liberty and freedom. As I write there are numerous injustices of law-abiding citizens who are put behind bars in very unConstitutional cases and you ones are not aware that as you watch your brother go to jail you are actually witnessing the very means that will be used to strip you of your rights and incarcerate you as well.

The adversary has set up agencies like Federal Emergency Management Agency and Central Intelligence Agency and legal loopholes like the National Security Act (1947) and Central Intelligence Agency Act (1949) to create a new government in place of the Constitutionally-based government they are trying to collapse. Even the elected leaders are not aware of that which I speak, for they are no more enlightened than are you. You do, however, have the chance to come into knowing through these words; while they are busy filling their pockets and their stomachs with what is gleaned from the public troughs that you have placed in their care, you can learn what it was that your nation was originally supposed to stand for--and why.

THE PURPOSE OF GOVERNMENT OF THE PEOPLE

The purpose of government for the people, by the people and of the people is so the people can live in harmony and know God in physical format. The power of government was never to exceed the power of the people. It was intended to assist you and provide a means to address grievances expressed by groups AND individuals. However, the usurpers of freedom have devised a means to increase the power of government and then let loose the monster to devour the people while a few "chosen ones" hold the leash.

This has produced something that was unheard of during the early years of your nation--fear of your government. Back in those days the government of the United States was never feared by the people, the indigenous peoples nor the slaves that were brought here. The redress of grievances and the sacking of representatives and of Washington itself was never beyond the consideration of angry mobs and states who felt betrayed. The government

was structured as it was supposed to be, a tool of the people. Throughout the good times and the bad times the FOUNDATION TO YOUR GOVERNMENT REMAINED.

And this is as it should be. For man is easily influenced by evil, and when evil does get the better of man and he is unable to hear the call of reason and forgiveness and allows himself to descend to the level of violence, the government OF THE PEOPLE remained intact to fulfill its purpose.

THE SYSTEM HAD TO GO

This was not a good concept for those who paid great sums of gold and paper currency to generate conflicts for profit, because when the wars subsided the basis for a proper and just government remained, and survived relatively unscathed. The adversary realized it needed to do away with this system and it has tried every conceivable means to steal your Republic from you; even calling it something which it is not (democracy) and still, the essence of it survived to provide you with a measure of freedom. For they could not just take it from you outright, it had to be a legal maneuver that allowed for the backing of an armed militia for enforcement like the monarchies that existed (or were being set up) in the rest of the world. Otherwise the people would rise up and crush any who dared reinstate such an unpopular regime.

The adversary and his henchmen knew that the only way to accomplish the goal was going to be through a massive deception campaign that would last generations. They had to teach this new nation of freedom-loving people and their children that freedom was a bad thing; but the tricky part would be to do so under the guise of more freedom. The public was never going to voluntarily give back that which all mankind wanted so desperately--even if they were not fully aware that they had it, they were not going to be led knowingly down any path that promised to take away their freedoms.

DECEPTION WAS THE MAJOR TOOL

It became a matter of planned deception and goodly-sounding or security-minded agencies to do the work for them. And then, while pretending to help--at whatever the cost--during disasters and at times of war (wars that would be generated at home and abroad for the express purposes of gaining control of America) the means by which your country could be stolen out from under you could begin to be built. This required the use of Satan's most ardent follower and pupil: the spy.

For thousands of years spying was the mainstay of armed aggressors. They allowed the beast to gain entry into the closest locked circles and allowed for the keys to the most solidly fortified castles to fall into the hands of those--knives and clubs in hand--who intended to invade. And so it was being put to use again; America would have to be conquered by the spy before the invading armies could come. "Know thine enemies" does not help much if thine enemy is your brother in arms or the banker or the one carrying the mail pouch. And for the one controlling the spy it was just a matter of gold.

The adversary knew long ago that through expert use

The purpose of government for the people, by the people and of the people is so the people can live in harmony and know God in physical format.

of this "soul of all metals" he could gain the allegiance of any man, and it mattered not which land the agent-provocateur called his home, for with his price named in gold the spy could buy a new one if need be. The usurpers had rediscovered the tool that would give them the United States and ultimately the world.

HIDDEN ASSET ACCOUNTS FUELED THE TAKEOVER

Your elected officials who have moved into the public servant role and have taken up residency at the expense of the people, are the very root of your problem as your nation began its fall. PUBLIC SERVANTS WERE NOT MEANT TO GET WEALTHY FROM SERVING IN GOVERNMENT--THEY SHOULD NOT BE PAID AT ALL FOR WHAT IS CONSIDERED PATRIOTIC DUTY TO GOD AND COUNTRY! That does not mean that fair and just compensation should not be rendered for services given, but this has been used and abused to the point of total robbery of the coffers and national interests of your United States.

And that is what has happened as your Congress grew and the power of the fat cats who represent you was amassed. Secret vaults and accounts held the payoffs and it was difficult in the early days to hide the spy's booty, so many were found-out and dealt with. It was recognized that the entire nation was going to have to be brought up to a level of undreamed of wealth so that the spies in your government would not stick out like sore thumbs.

SECRET SOCIETIES WERE THE PERFECT COVER

While the plan was being hatched the adversary employed the greatest minds your civilization had to offer, in that an entire country of millions would be fooled. This allowed for the creation of the secret societies and councils of thinkers that would be trusted by the people, for if your great minds sanctioned the new changes that were to come about, then why wouldn't the people. After all, the geniuses would not suggest things that would take away from their own liberties, now would they?

Well they would if they were given exclusive membership in the privileged clubs. If they were given rights that the average person did not have it would be a recognition of their services that they could be persuaded into accepting. And if they were made elitists and illuminated above their government and universities, then indeed, their time had surely come.

So it became a matter of assembling the elements of science, literature, finance, industry, exploration, education, fashion and even athletic ability to pit against the growing polarity between ordinary people and the adversary who desired to control them. And it was starting to work.

By gaining control of all the "good things" in life the newly formed coalition against the United States of America was forging the weapon they needed to separate "the fool from his freedom". For to them, you were not worthy enough to have the right to liberty--after all, who would bow and scrape at the feet of the elitists if your nation had no slave-minded individuals to control? And worse, they could not take the risk that you would not spread that foolish thinking to the slaves they already owned in the other countries.

No, the United States had to go. This the newly fortified elitists unanimously agreed upon. Their only sore spot was the long, slow process of waiting for the trap

to gestate properly--they didn't dare risk exposure at this stage of the plan for they knew it would be a long time indeed before they would be trusted to get that close again to the inner workings of the government of the people.

THE PEOPLE MUST BE DISARMED

Even the Executive Orders that were the direct result of the legal but constitutionally unlawful acts, pasted in 1947 and 1949, would not help them if they were found-out before they could get the security apparatus in place that would be hidden within your own militias. An armed populace sooner or later would take back their freedom from the clandestine invaders and they would fight to the last man, woman and child to do it.

This kind of dedication was not good odds for the elite because they were outnumbered, and to attempt to steal that which mankind knew was his God-given right was not something that could be counted on as an easy maneuver. The fight over freedom and individual sovereignty would be the war of wars and the victor would have to be as shrewd as the devil himself--and he was.

NEXT FELL THE HOUSES OF WORSHIP

The adversary knew that they could not overlook the churches and other houses of worship for it was here that man got his strength to fight and overcome opposition. It worked in the old world and was sure to work in the new. So began a massive campaign to capture the clergy and the Sunday school teachers, and with the help of missionaries on the payroll, the adversary began the second phase of their assault.

By slowly destroying the credibility and teachings of the ministers, the people began to lose faith in their religions, for if the speakers and interpreters of what they believed to be the exact translations of God's words are corrupt and in error then the entire foundation of their system of belief was in jeopardy, and no one wanted to fight for liberty or anything else if they lost their way in the direction of the Divine.

THE MEDIA MONSTER WAS BORN

While all this was going on a concerted effort was being mounted on all fronts in what was known as the media of the day--your press; Americans no longer could count on reliable information and news about the state of their new Republic government. The jackals had dug themselves in and the various publications were biased in favor of the adversary. It was well known that the banking interests were against the people and indeed ones knew of Rockefeller and Morgan interests--as well as the other Eastern liberals' bid to buy up and own everything.

The notion that such was possible, as to the super rich taking away their hard won freedom, that the people did not imagine--in their wildest dreams--that by allowing a bit of influence over the economics of the nation would result in total surrender of American sovereignty. But that is exactly what happened. And thus began the rapid advancement of the long awaited goal of your defeat and the amassing of what remained of the world's sovereign

assets. The days of United States dominance was coming to a foreseeable end.

MASSIVE STRIDES WERE BEING MADE AND A WORLD BEGAN TO SUFFER

As the elitists began counting their chickens before the eggs were hatched, they allowed the greed of what ownership of the country meant as to what they saw as unlimited resources, and thus started your industrial age of raping the land of its precious minerals. The pollution, and later atomic wastes, that were the result of the careless search for wealth at the expense of all else--safety of workers, preservation of the environment and effects on your developing world economies--allowed for the wanton neglect and willful misuse of a world that was placed in your care.

You were supposed to be stewards of this precious Earth and now the evil ones were in charge and they worked diligently to destroy that which was given to you in love and life-sustaining abundance--and the chosen who were given the torch of freedom by living example had gone astray, not quite knowing how or when it happened. Americans were too busy fighting for more jobs and more money and more of whatever the instigators in the crowds told them to fight for--all the while not realizing that the very elite were controlling their every action.

Wars were being fought against neighbors at home and your brethren overseas even though the last thing on the people's minds was conflict with other oppressed ones like themselves; nevertheless, the desire for MORE put blinders on their eyes and the people willingly did what they were told because of the promise to have a wealthier economy and more things to buy--and certainly more money to buy them with.

It was forgotten that gold was the mainstay of actual wealth, and while the elite pocketed your bits of real gold, you gladly allowed the shift to a paper-based currency because it filled the need for instant gratification of more money. American's didn't care that it was the inflatable "fiat-funny-money" kind, as long as it could buy some of those luxuries the intellectuals and emerging media promised--it was okay with them.

The vision of freedom was lost on one of immediate wealth, in that maybe the ordinary folk could look like the high-class that seemed to have it all. They never imagined that the high-class eyed what the "poor" had in abundance already. It is like the *Wizard of Oz* story where Dorothy had gone through all the trials and tribulations in her search for something she had all along. The ruby slippers took her instantly back home but as her fairy godmother told her, she wouldn't have believed it before.

This is where the people were, as the few patriots who tried to show them what they were doing by following blindly behind the adversary's false promises and trinkets of token wealth--they had to find out for themselves that it was a trap, and that hopefully, the realization and knowledge that they'd been so badly used by ones they thought they could trust, would allow them to focus their

The adversary knew that they could not overlook the churches and other houses of worship for it was here that man got his strength to fight and overcome opposition. It worked in the old world and was sure to work in the new. So began a massive campaign to capture the clergy and the Sunday school teachers, and with the help of missionaries on the payroll, the adversary began the second phase of their assault.

wants back to the only ones who could really give them peace and prosperity: they, the people themselves.

For it was never going to sink in until the promises didn't materialize, and the adversary was going to see to it that this understanding was a long way in the coming. They had a plan waiting for that day, they hoped to have confiscated all your means of self-defense by that time so they still managed to stay a few steps ahead and were confident at any rate that you would not rebel against them in time to stop what their illuminated thinkers had devised to use against you.

THE PEOPLE BEGAN TO NOTICE

What the adversary did not count on was the long-term damage to the environment or to the spirit of the people, for they could look around them and see that America the beautiful was no longer the land of milk and honey AND GOOD, HONEST HARD WORK. They saw the vultures circling instead of the eagle and they knew they had sold themselves to the devil.

This is what is felt today as the ancestors of the people who were the first to confront the adversary head-on have passed down to their children who became the great-grandfathers and grandfathers of the inheritors of the land. YOU are the distant children America's forefathers spoke of when they said the secret societies would make you slaves in the land your own forefathers owned. The warning was not heeded then because it seemed such an impossible set of circumstances would have to come about to even remotely cause loss of something the people desired more than life itself; but now, freedom is the all-elusive Holy Grail and everyone knows that it is in dire jeopardy.

Even though it is not clear to the masses exactly who the culprits are anymore, because of the government-sanctioned secrecy, it is painfully clear to most that SOMEONE is doing the stealing and that it is a worldwide phenomenon. It never dawned on Americans that they would be put in the same boat as the Third World countries whom they had only heard stories about as to their intense poverty and utter lawlessness of their societies, but now it seemed the land of the free was headed down that same path and there was little that could be done to stop it.

BANKSTERS WERE UNMASKED

When the masses that made up the growing unrest got their first inklings of who to point the finger at, and the control the central banks had over their lives, the elitists used their next strategy of dividing the people, by causing civil infighting with your brothers and using the issues of equality of the human being to hide the theft of wealth from you in the guise of war.

Control over you through wartime government privilege was now a proven manner in which you could be handled more quickly and the consolidation of the

adversary's power became more concentrated. The Babylonian banking system could now be put to full-use inside the borders of America and with the blessings of the spies who had by now grown in prominence and stature in politics and media standings.

To prevent a run on the central bank swindle that came to be known as the Federal Reserve Act, and the dethroning of the international banksters from world politics, greater and more barbarous distractions had to be employed. Always there were civil and foreign disturbances brewing and the conspirators worked overtime to ensure you had plenty to fight about. They could not chance the opportunity for a lull in the confusion factor that would allow focus on their dastardly plans, and spies found great opportunity and were in great demand by the elite. Word traveled fast in the underground and many nations fell because of their treachery.

For it was the inside man or woman who softened up the people for the highest adversary participants based in England and Switzerland. The string-pullers appreciated what the spies had done and rewarded them handsomely with lucrative business contracts in railroads, oil production and shipping companies and the real traitors-among-

traitors got to be governors and presidents. The advisors to those high-level politicians were the true power peddlers and it became obvious to the elite that they had within their grasp the goals set down by their own forebears and they relished with open arms at what they were about to receive after generations of ceaseless effort. They had finally broken the back of the people and stolen from them what was thought could not be stolen. Freedom was now only a memory lost in an illusion paid for by the bankers.

THE FACADE OF FREEDOM HAD TO BE

MAINTAINED

In order to reap the windfall of the catch that was America and her people, the facade of freedom had to be maintained--the people still could not know what, exactly, had happened to them. So it was started in great earnest the massive publicity campaign and construction and establishment of the conspiracy-based media in its current thrust. It was realized that the most important tool to maintaining and administering elite power was through domination of the means through which you communicated thoughts and ideas to one another. By being the middleman in all forms of communications, from the most subtle and simple means to the big advertising and publishing houses and broadcast mediums--the brains of the people could be shaped as to what to think and, most importantly, how to react.

Just as today, with the elite-sponsored protests in Iran and Serbia, or the one in China that killed tens of thousands, the controlled reaction of the people served to direct entire nations toward whatever climate was desired. Be it peace and quiet (to make the point of control to the leaders who were getting out of line as to who was really in charge)

or violence and unrest, agent provocateurs who were trained by the emerging spy apparatus could change the face of a sitting government overnight.

The people knew someone held unfathomable control over them, but they had no idea of who or how it was done, because they were so intertwined in the chaos of the moment--the adversary always kept you preoccupied with one revolution after another until you lost all sense of whose causes you were supposed to be fighting--NEVER REALIZING THAT IT WAS THE SAME OLD BUNCH WITH THEIR FINGERS STIRRING ALL THE TEA POTS. For the uninitiated it was a never-ending saga of human drama that was beyond control of the masses, for surely it must be God's will that man cannot get along with himself. And this is exactly what he was supposed to think--that it was God who caused all the problems and that man was just a pawn in His schemes of human conflict. By focusing the people's attention to conflicts that now seemed to have no causes, the elite could continue in earnest their plans to create their utopian society and banish forever the idea of individual freedom of all non-elitists.

UNCOVERING THE LIES AND KNOWING TRUTH

This is a brief description of how you came into the circumstance of war, poverty and media domination by the very anti-Christ, and it is going to take much more outlaying of history mixed with current events to allow for the proper piecing together of the facts.

The lies are all-pervasive and intertwined with the truth, and you must know the difference if you are to fix the problem that has become truly massive over the generations. The adversary, under the expert tutelage of the Prince of Deceivers himself, has become a powerful force to reckon with in these your ending days--as your Biblical references have told you it would be. But what is left out of all the prophecies you have access to is the fact that the evil ones do not win the war. Since the outcome is already known, it now is a matter of how high will YOUR casualties be.

You can call for an end to the fighting and the evil manipulation now and suffer no more losses, or you can take your time awakening your brothers and sisters and allow many more to suffer and die at the hands of the adversary. He knows this and intends to have as much fun and gain as much negative experience out of the closing act of God's play as possible, for that is his lot in life. Your pain and confusion is what creates excitement in his empty, soulless existence, and watching you dance in agony on the string to his whims gives meaning and credence to his role as adversary to God.

It is now time to put that chapter of learned experience to the side and move on with your evolution into cosmic awareness of what peace and harmony truly means. It does not include war and conquering like you have been taught and have experienced for so many centuries. It doesn't even have to include lack of wealth or real "love", however, it will require active participation and work on your part to bring it into fruition because it will not simply be given to you--even though it is your right--you must prove to God that you are deserving of the responsibility of the power that comes with cosmic awareness and the unlimited potential that comes with enlightenment. Otherwise all that will be produced will be another generation of tyrants like those who rule over you now.

Star Wars Scenario In Full Effect Now

7/16/99 KORTON-jonur

Good day, Tomeros Korton here in service to Holy God-Aton of the One Light. As your world spins faster and faster out of control, the tools to set things to right have been given to you in that you might set your circumstances to right. The evils committed by the so-called royal families of Earth have reached a zenith--**the Star Wars scenario is in full effect as Russia and the United States of America--UNDER KHAZARIAN BOLSHEVIK DIRECTION--go toe to toe.**

THE NOT-SO-SECRET SPACE WAR

While the citizenry of your planet debate over whether *Austin Powers: The Spy Who Shagged Me* is too sexy for children and countries like Malaysia to watch or whether or not the latest serial killer is in their neighborhoods, the superpowers of your world are fighting the fiercest military conflict you have yet to witness. Of course you have many distractions PURPOSELY contrived to keep you-the-people from noticing the coup the elite conspirators have won against you. In the day of instant information and on-the-spot media coverage it is a shame that you get no news at all about the daily happenings of paramount importance affecting your world.

The Russians came very near (and you are not out of the woods by a long shot) to turning New York, Washington and many of your major cities--considered strongholds for **THEIR** Bolshevik enemies--into nuclear wastelands. The "mock" exercise called "Zapad (West) 99" was fully intended to make you pay for the allowance of the Khazar (Bolshevik) Zionists' use of your military in bringing down man's latest evolvment of a civilization of human beings.

Russian bombers, troops, manned killer satellites, hovering Cosmosphere battleships, and giant particle-beam "howitzers" came within hours of an all-out offensive against U.S., Israeli and British targets. The meager show of "rapid response" by your fighters stationed at NATO "outposts" were not so much as to deter anything coming from the Kremlin, but more to convince YOU ONES that the situation is nothing to worry about.

Russia fully planned to use nuclear weapons to put an end to the suicidal war plans of the Bolsheviks but

was persuaded (temporarily) to cease and desist BY OUR COMMAND! It is hoped that a more diplomatic solution can be reached--even one that the conspirators can "LIVE" with.

TELLTALE SIGNS OF WAR

During RUSSIA'S DOMINANCE of the Kosovo conflict--the Kremlin's coup at Pristina airport is regarded as a master strategic move on the part of Russia's military; the same military your media had been continually telling you was full of dunderheads, buffoons and demoralized troops--there was much going on in the periphery that is directly related as to timeliness. You had NATO representatives running around looking like lying fools as one after another of Russia's "demands" were met, in the face of Albright's and Cohen's assumed control of the "peace" force.

You also had UFO sightings all over the region of the fighting and over every significant military and civilian location that could even be remotely used during a full-scale war. After the International Space Station was destroyed, Russia's space program

suffered a loss of one of their Proton-K (a very reliable non-classified satellite and spacecraft orbital delivery system--the really sophisticated hardware of electrogravitic and invisibility shielding capability such as Cosmospheres and Cosmos Interceptors are not allowed as public knowledge) rockets and a military satellite (at first you were told it was a communications satellite)--or was it? Russia uses those hovering weapons platforms for their surveillance work, and Cosmospheres also make dandy space shuttles too! So they don't need rocketry for their space program the way you do. Nevertheless, the Baikonur launch facility in Kazakhstan was shut down and RADIOACTIVE material was spread over a wide area.

The public is never told what kinds of payloads are actually carried aloft in rocket launches--no matter which side of the political world you're on. Communism, socialism, capitalism, "Americanism", fascism, elitism--the masses are told only lies or nothing at all if it can be done.

The Kazakhstan facility is leased to Russia and the Bolsheviks have allowed the incident to be the kindling source for renewed problems between Russia and the breakaway republic. At the highest levels of control Russia is not and never will be separated--what you

have seen in previous years is just for public consumption and strategic maneuvering of military and political power bases. Remember, it is Soviet Russia who will make up the bulk of the United Nations' military policing force. So it was no accident that all those new blue berets are worn by Russian paratroopers.

While the above is going on, much attention was focused on the southern region of Earth--ANTARCTICA IN PARTICULAR--and now you have Air Force men and machines rushing to the South Pole to save the life of a cancer patient. What BS! The first reports of the mystery woman's plight were nothing more than a benign POSSIBLE lump in the breast--which soon became an all-out life or death mercy flight with no expenses spared. Chelas, you must learn to see through the charade for it is through these false fronts that very heinous human atrocities are committed. THE ENTIRE SCENARIO WAS SET UP TO PROVIDE A COVER FOR COVERT ACTION AND SUPPORT FOR THE ZIONIST **PROJECT Z WAR PLAN**. SHORTLY BEFORE THE ANNOUNCEMENT OF THE MISSION (WHICH YOU HAVE TO UNDERSTAND, EVEN THE TIME LINES GIVEN ARE OF LITTLE MERIT FOR THE PUBLIC IS NEVER CONSULTED OR FOREWARNED ABOUT ANY IMPENDING POLITICAL OR MILIARY ACTIONS) **NEW ZEALANDERS WITNESSED THE ENTRY (OR REENTRY) OF AN OBJECT THAT EXPLODED INTO FRAGMENTS IN THE SKIES OVERHEAD**. NEW ZEALAND WAS THE SECOND STOP ON THE TRIP TO ANTARCTICA AND, REMEMBER, IS ALSO THE HOME BASE TO TWO OF THE BOLSHEVIK STEALTH NAVY SHIP YARDS.

In addition to the manmade excuses for sightings and phenomenon, the scientists who are in the employ to the elite conspirators have come up with some real good scientific excuses to cover possible happenings should the war spillover into front-page news. Solar winds sweeping through your solar system are slated to be the big blame-taker of the massive equipment failure that accompanies a full-scale war. This is not to say you don't have these natural disturbances, but it always makes for a good catchall to blame Mother Nature whenever possible.

WHAT'S GOING ON WITH RUSSIA'S SPACE PROGRAM?

The problems you are witnessing with Russia's space program are an indication that the cold war has indeed heated up to very dangerous levels. It matters not what you think is going on as to Russia's capabilities or lack of funds to continue a viable space industry--THE FACTS ARE THAT YOUR BIG BOYS ARE PLAYING WITH THE TRULY MASSIVE DESTRUCTIVE TOYS NOW AND THE MAIN THING YOU CAN GLEAN FROM THE STORIES ABOUT SPACE ACTIVITIES IS **WHO IS INVOLVED**. **FOR IF YOU PAY ATTENTION TO WHAT IS TOLD TO YOU AND PUT THAT INFORMATION (OR INTELLIGENCE, AS THE MAJOR PLAYERS LIKE TO LABEL IT) WITH OTHER HAPPENINGS YOU CAN SEE JUST WHERE YOU ARE IN THE ARMAGEDDON TIMETABLE.**

Every nation of any importance

STRATEGICALLY to the elite adversarial players are bitterly embroiled in conflicts. Chelas, these "wars and rumors of wars" are not a natural flow of man's behavior. This is the influence of the British Crown and their Israeli attack dogs and their only goal is to cause more and more unrest until you as a society of humanity are so demoralized and in such great fear that the end-run being planned so meticulously by the spy groups will catch the lot of you without anyone realizing what happened.

This is how the game of cat-and-mouse works at the highest levels of "government" work. The people who are set up to rule over you are part and parcel to the very ones you KNOW to be your enemy from all the past wars you fought. Why do you not see through this? Because the media controls you completely. When you can have films of such wide appeal like the first *Austin Powers: International Man Of Mystery*, which was a spoof of the early James Bond films, as played by the talented Sean Connery--even though risque, was entertaining and had its good points (mainly that which dealt with monogamy over just "sleeping around"). However, the sequel completely reverses that stance and pushes the wild, sexually irresponsible lifestyle that has become so familiar in Western media--keep in mind that this IS YOUR BIGGEST EXPORTED DOMESTICALLY MADE PRODUCT!

THE ZIONIST KHAZAR "JEWS" ARE TRYING TO TAKE YOUR WORLD FROM YOU AND THEY ARE DOING IT THROUGH MEANS THAT YOU BELIEVE TO BE HARMLESS AND INCONSEQUENTIAL. YOU ARE SUCKED-IN THROUGH BITS AND PIECES OF REALITY, THOUGH, IN AUSTIN POWERS' CASE, IT IS CLEVERLY DISGUISED IN A COMEDIC BACKDROP--BIOLOGICAL REPLICAS, GIANT PARTICLE BEAMS (IN THE FILM IT IS REFERRED TO AS A GIANT LASER--THIS TECHNOLOGY IS STILL REGARDED

AS TOP SECRET SO ALL MENTION OF IT IN PUBLIC FORUMS IS CLOSELY MONITORED), MOON BASES (OF WHICH THE U.S. HAD ONE AND THE RUSSIANS HAD THREE LARGE ONES AND MANY OTHER INSTALLATIONS HAVE BEEN BUILT SINCE THAT TIME. THERE IS CONSTANT CONSTRUCTION ON SPACE AND PLANETARY OUTPOSTS, SINCE THE RUSSIANS NO LONGER HAVE ANY OPPOSITION IN THIS ARENA), AND EVEN TIME TRAVEL (ANOTHER LITTLE SECRET CLOSELY GUARDED BY THE SECRET GOVERNMENT WATCHDOGS) IS SHOWN WORKING TO PERFECTION IN THE HANDS OF THE FICTIONAL ELITE.

The Jewish media laughs at you while you pay your meager earnings to watch two hours of their PROGRAMING which, in that short period of time, can erase a lifetime of correct and morally responsible

teachings that you try to give your children. This kind of emotional theft and rape of humanity is most heinous, dear ones, and it bespeaks the type of minds that are in control of your society.

YOU ONLY LIVE TWICE IS AS FITTING TODAY AS IT WAS DURING THE 60s

Ian Fleming's James Bond space adventure, from which *Austin Powers* borrowed all its material, deals with U.S. and Russian confrontation in space sparked by a third secret superpower who has acquired the same capabilities as its larger counter parts. If you want to get a better picture of how it IS TODAY, with a bit of imagining--while keeping the current space headlines foremost in your thoughts--you can see in a dramatization all we have been endeavoring to bring you for more than twelve years.

This is how your governments operate AS A RULE for it is the covert actions teams and agencies (whether they are under CIA, NSA or MJ-12 direction is not important, for no one--not even the participants know who "handles" whom) that direct not only your countries' foreign policies (ALL OF THEM), but they plan each and every war you will ever have. Sun Tzu, the military strategist who is the guru of the spy cults, teaches that war is a secret and intricate mix of deception (of which the Israelis are the absolute masters--as your *Holy Bible* says: "You are of your father the Devil..." and "...they are liars from the beginning.") IT IS THESE SAME ONES, PEOPLE,

AND THEY HAVE A Foothold IN ALL AREAS OF YOUR LIVES.

The Khazar Jews know all about deception and manipulation because they have been doing it for many hundreds of years and they are extremely good at what they do. This is not even my assessment of these entities--YOU CAN FIND THAT INFORMATION RIGHT IN YOUR OWN RECORDS OF EARTHLY SOURCE.

The biggest victims of their deception are the legitimate Judeans, whose heritage was stolen by the Khazar imposter, self-styled and self-labeled "Jew". All that you have come to know as "Jewish" is not some ancient handed-down tribal heritage, but coming to existence only within the past 50 years. Somehow, that doesn't seem like it gives that group the right to take a country called Palestine (a place they NEVER were at any time before the British gave it to them) and make the people who HAVE lived there for centuries into almost slaves--prisoners in their own land--and subject them to treatment that makes them third-class citizens in THEIR home.

Well, you have had a major hand in doing this to them as you do everything the British crown tells you to do. And you say you are independent of kings and queens--is that why the royals preempt every important happening in the U.S. whenever someone breaks a nail

or gets photographed topless? You just witnessed, with this latest marriage of royalty, a showing of **the very ones who we speak of! Names and faces and INTER-COUNTRY RELATIONS THAT EUSTACE MULLINS, DR. JOHN COLEMAN, LYNDON H. LAROUCHE JR., JORDAN MAXWELL AND OTHERS, HAVE OUTLAID FOR YOU. YOU ARE FIGHTING THEIR WARS FOR THEM--AND THE REALLY SAD PART ABOUT IT (AS IF THE ACTUAL "WARRING" ISN'T BAD ENOUGH) IS THAT THOSE ONES ARE STEERING YOU INTO THESE CONFLICTS TO AID IN DEPOPULATING THEIR SUBJECTS!**

In Fleming's film the British are the neutral parties who always have an edge, or a "man on top of things", while the other participant countries are running around like chickens with their heads cut off, while only a hot-tempered moment from starting a war with the wrong party. Not that there is a "right" party, but the focus is that someone is to blame and the finger is always on the button to launch those nice large stockpiles of nuclear weapons everyone has but no one is focusing on--except to underscore a given country in the eyes of the public. There always needs to be a bad guy to blame the woes of the world on--even if those woes are caused by ones whom you perceive to be good guys.

This is where you are today, friends, the players are still the same, only the FRAGMENTATION of enemies and allies is facade. Think about it. If you were the super rich and you and your family could claim the rights of two thousand years of rule at one time or another (or with a specific group that held that sort of power)--and you truly believed it was a God-given right for you to be the head of a planet of people, do you think the mentality of that thinking leads to just and wondrous philanthropical dealings? OR, do you think that the greed, murder, lustful behavior (over money or flesh) and the general competitive spirit between human beings as you have witnessed personally, and can reference in your history books, would be that which comes through?

Your saying that "power corrupts" is true for those who are not based on the Love Essence of God of Holy Light, and in the world of the oligarchical monarchies of the Satanic Godless elite, absolute power does corrupt absolutely.

YOU ARE LIVING OUT A JAMES BOND "SCRIPT" AS YOU MOVE INTO THE NEW MILLENNIUM

The main thing to keep in mind about Fleming's work, *You Only Live Twice* in particular, is that as the audience of the film or reader of his novels YOU ARE THE SPY ON THE WALL--YOU GET TO SEE HOW IT ALL FITS TOGETHER. In real life you don't have that advantage, however, you do have something that is far superior--KNOWLEDGE THAT WE HAVE GIVEN YOU THAT ALLOWS YOU TO LOOK AT THE "LIFE IS STRANGER THAN FICTION" WORLD YOU ALREADY FIND YOURSELVES IN AND WITH REASON YOU CAN LITERALLY READ THE WORLD AS YOU COULD AN OPEN BOOK.

THAT IS WHY THE CONSPIRATORS ARE SO AFRAID OF THIS SOURCE OF INFORMATION.

URGENT MEMORANDUM

DATE: JULY 22, 1999

TO: E.J. EKKER,
PRESIDENT & DIRECTOR, GAIA

FROM: GYEORGOS C. HATONN,
CHAIRMAN, CEO, COO, GAIA

RE: FRAUDULENT PERUVIAN
CERTIFICATES

THIS IS AN URGENT WARNING, MR. EKKER, THAT WE MUST TAKE FORMAL RECOGNITION OF A PROBLEM WHICH IS WORSENING DAILY. THIS IS RELATIVE TO INCREDIBLE NUMBERS OF FRAUDULENT COPIES OF PERUVIAN GOLD - BACKED CERTIFICATES FLOODING THE GLOBE. THESE WERE AT BEST JUST PERUVIAN BONDS WHICH WERE ASSUMED AS DEBT BY THE U.S. TREASURY DEPARTMENT.

THE ASSUMPTION OF ANYONE COMING INTO HOLDING OF ONE OF THESE CERTIFICATES IS THAT SOMEHOW IT IS A LEGAL DOCUMENT. NO, IT IS NOT ONLY A FRAUDULENT SCAM BUT IS ALSO A VERY LARGE "STING" OPERATION.

THE FURTHER ASSUMPTION OF HOLDERS IS THAT THESE ARE SOMEHOW VALID FOR TRANSACTIONS, WHEN IT IS OBVIOUS THAT THEY CANNOT BE VALID FOR ANYTHING OR ANY USE WHATSOEVER (LEGALLY AND LAWFULLY).

THE FACT THAT THESE FRAUDULENT DOCUMENTS ARE BEING DISCOVERED "BY THE BOXES-FULL" ARE PROOF OF THEIR WORTHLESSNESS. THEY ARE BEING PRESENTED AND CIRCULATED TO CAUSE EVERYONE GETTING ONE, OR SOME, TO BELIEVE THAT THE GLOBAL DOCUMENTS ARE SIMPLY MORE OF THE SAME ILK. NO,

AND PERHAPS THE FOLLOWING SHOULD BE MADE VERY CLEARLY UNDERSTOOD BY EVERYONE OR ANYONE INVOLVED WITH ANY BUSINESS INTERCHANGE WITH GAIA.

IN THE SERIES BEING SHOWN ABOUT BY THE BOXES FULL, THEY ARE BEING DRAWN AGAINST WHAT WERE POSSIBLY (BUT UNLIKELY) FROM THE SAME 3,600 SIMILAR OFFERING BY HURTADO.

THIS IS A MAJOR SCAM AND IS FRAUD IN ITS RAWEST FORM. ALMOST ALL OF THOSE ORIGINAL CERTIFICATES WERE CASHED OUT WHEN EARLY-ON DEADLINES FOR TURNING THEM IN WERE ISSUED WITHIN A CASH-IN PERIOD OF TIME.

EVEN IF THE CERTIFICATES ARE COPIES OF THE ORIGINAL DOCUMENT WHICH PERHAPS WAS NOT CASHED IN AT THAT TIME, THE VALUE OF THE CERTIFICATE

BEEN CONVERTED TO LEGAL CONTRACT. THIS IS WHY THE "ONLY" VALID DOCUMENTS, INCLUSIVE OF 3392-181, ARE ORIGINAL HAND-PROCESSED DOCUMENTS AS ARE BEING ISSUED THROUGH GAIA. EVEN ORIGINAL HOLDERS AS V.K. DURHAM WOULD NOW HAVE TO PROCESS "THROUGH" GAIA. ALL OTHER SOURCES AND DOCUMENTS ARE INVALID EXCEPT THE ONES (48% OF RUSSELL HERMAN'S PROPERTY) OF THE VALUE HELD BY THE TREASURY DEPARTMENT FOR THE CITIZENS OF THE UNITED STATES OF AMERICA AND ANY OUTSTANDING DEBTS OF HIS ESTATE AS WILLED IN HIS FINAL TESTAMENT. THIS IS EXTREMELY IMPORTANT, E.J., FOR THESE PEOPLE SCATTERING THESE THINGS AROUND DO NOT UNDERSTAND THAT THEY ARE SUBJECT TO INTERNATIONAL LAWS OF FRAUD AND ARE

PUBLIC NOTICE FOR PUBLICATION

URGENT MEMORANDUM RE: FRAUDULENT PERUVIAN CERTIFICATES

DATE: JULY 22, 1999

THIS IS AN URGENT WARNING THAT WE OF GLOBAL ALLIANCE INVESTMENT ASSOCIATION (GAIA) ARE TAKING FORMAL NOTICE OF A PROBLEM OF FRAUDULENT PERUVIAN DOCUMENTS BEING PUBLICLY CIRCULATED. GREAT QUANTITIES OF SUCH DOCUMENTS (COPIES) ARE BEING UTILIZED IN AN EFFORT TO COLLECT LARGE SUMS OF MONEY FROM INDIVIDUALS AND PUBLIC FACILITIES, I.E. BANKS.

THERE ARE ALSO BEING CIRCULATED DOCUMENTS WHICH ARE AN ENLARGED COPY OF A (US) FED. RES. NOTE (\$100) BEARING, USUALLY, THE SIGNATURE OF "MORGENTHAU" AS SEC. OF THE TREASURY. THE "AMOUNT OF VALUE" IS MADE TO READ "\$100,000,000" AND COMES WITH AFFIXED COUPONS. THESE ARE ALSO CIRCULATING GLOBALLY AND SOME HAVE BEEN SEIZED WITHIN THE UNITED STATES WITH THE HOLDING PARTIES BEING ARRESTED FOR CARRYING FRAUDULENT DOCUMENTS.

THE PERUVIAN CERTIFICATES CIRCULATING ARE SUPPOSEDLY BASED ON BONDS ISSUED THROUGH HURTADA OF NEW YORK IN 1875 AND ARE MADE TO APPEAR TO HAVE BEEN ISSUED IN THE SAME SERIES AS 3392-181, WHICH IS NO LONGER IN CIRCULATION. THIS IS TO ACKNOWLEDGE THAT WE HAVE BEEN CONTACTED BY THE U.S. TREASURY DEPARTMENT NOTIFYING US OF SUCH OFFERINGS NOW IN CIRCULATION.

GAIA HAS NO INTEREST OR PARTICIPATION IN ANY WAY IN ANY SUCH DOCUMENTS. IT IS FURTHER RECOGNIZED THAT ANY ATTEMPT TO SELL OR HYPOTHECATE SUCH DOCUMENTS CONSTITUTES FRAUD AND WILL BE TREATED BY ANY NATION AS A DELIBERATE ATTEMPT TO DEFRAUD. ANY PARTIES OF BUSINESS INTERACTION WITH GAIA WHO PRESENT SUCH DOCUMENTS WITH INTENT TO UTILIZE SAME WILL BE DISMISSED AND ALL RELATIONS TERMINATED. GAIA, HOWEVER, HOLDS NO RESPONSIBILITY FOR THAT WHICH IS PRESENTED BY OTHERS WHO MAY WELL HAVE OCCASION TO ATTEMPT TO UTILIZE SUCH DOCUMENTS WITHOUT OUR KNOWLEDGE. WE HAVE NO RESPONSIBILITY FOR SUCH ACTIONS BUT WE WILL NOTIFY EVERY PERSON CONTACTING US WITH, AT THE LEAST, THIS PUBLIC NOTICE, THAT WE ARE AWARE OF SUCH FRAUD. WE WILL PRESENT THIS PUBLIC NOTICE TO EACH INDIVIDUAL ATTENDING ANY BUSINESS MEETINGS HELD RELATIVE TO GAIA

WE ARE NOT AWARE OF ANY ACTUAL USE OF SAID CERTIFICATES BUT WE ARE AWARE THAT THESE DOCUMENTS ARE BEING SCATTERED GLOBALLY IN MASSIVE QUANTITIES. WE ALSO RECOGNIZE THIS AS AN AUTHENTIC AND VERIFIED "STING" OPERATION TO CATCH WOULD-BE GUILTY PARTIES WHO MIGHT BE UTILIZING OR INTEND TO UTILIZE SUCH DOCUMENTS.

COPIES OF THIS NOTICE WILL BE SENT TO APPROPRIATE INSTITUTIONS, LAW OFFICERS AND GOVERNMENTAL DEPARTMENTS OR PARTIES. THIS WILL SERVE AS PUBLIC NOTICE WITH NOTIFICATION OF SAME TO THE APPLICABLE PARTIES OF INTEREST. WE EXPRESS PUBLIC APPRECIATION TO BEING INFORMED IN THIS MATTER.

E.J. Ekker

E.J. EKKER, PRES. & DIRECTOR

Doris J. Ekker

DORIS J. EKKER, SEC., & DIRECTOR

WOULD BE NO MORE THAN SOME \$900 MILLION AT BEST. THESE DOCUMENTS ARE ALL ACCOUNTED FOR AND NOW ARE SET FORTH TO ENTRAP USERS.

THE ORIGINAL 3392-181 IS NOW IN "CONTRACT" FORM AND THE ORIGINAL CERTIFICATE IS VOIDED FOR USE, HAVING

BEING SET UP TO BE CAUGHT IN THE TRAP SET WAITING FOR MISUSE OF THAT PAPER.

DO NOT TOUCH IT, DO NOT ALLOW IT TO BE BROUGHT FOR YOUR INSPECTION--IT IS FRAUDULENT, ALL OF IT. THIS IS AN EVEN LARGER OPERATION THAN THE "GRACE S."

Timely “Take-Outs” Reveal Hand of Elite

7/21/99 KORTON-jonur

Good day, Korton here in service and Light. There is much going on this day as the nation mourns the deaths of John F. Kennedy Jr. and the Bessette sisters. The games played by your adversary always include a good supply of suffering. The elitists play for keeps and they maintain their control over you by your reactions to just such occurrences, never realizing that the thrust is merely more situations where you are being manipulated by the controllers.

Looking at the big picture will allow you to stay focused on what is attempted to be pulled over your weary eyes. The adversary hopes you get bogged-down in the despair of the moment; that's what gives him power over you. The reaction of suffering is a reaction the elite count on when they really need you to be distracted from whatever plan they've got going at the moment. Your being able to see through the distractions will cause you not to be fooled when the big charade comes.

WAR IS AVERTED WITH EACH ABORTED SHUTTLE LAUNCH

Each time the Space Shuttle launch is aborted you are witnessing a postponement and a rescheduling of the Bolshevik plan to get you and Russia fighting. Your occupational government does not understand the capabilities of those Cosmospheres. Whatever space platforms you are allowed to get into orbit are not capable of being a significant threat to the thousands of Russian “space shuttles” that out-lift and out-perform yours in every conceivable way. The primary plan against the masses, however, is not the actual ability to defeat the Russians, but an implied reference to the Kremlin capabilities and craft in space. While Russia doesn't want you to know because of military secrecy, the Zionist elite are keeping you in the dark because they are fully aware of the fear the masses are going to have when it is announced that you are not alone in the universe.

The weapon that is being carried aloft in this shuttle, you've been told is a powerful X-ray satellite, the largest object admitted to be lifted by an orbiter. The earthquake activity, fires, mud slides, floods- these things can also be caused by shuttle payloads from space. The nerds in the employ of the NASA Bolsheviks have been foolishly lied to regarding the use of that which they manufacture for the elite establishment. The workers have been irradiated, threatened and blackmailed to keep them from talking about their jobs of making the very tools that are being used to bring about war.

Each time the Shuttle countdown resumes, the readiness status of the entire G-7 (plus one makes 8; the

Russians have equal pull in the economic meetings since they are the only real superpower--sans good standing with the World Bank and IMF) nation's military and navy are placed on the highest state of alert. The military planners have their doomsday codes at the ready and it takes only one signal accident to launch an ICBM or for a counter-terrorist team to detonate a device or release full-military-grade Anthrax on the populations--for when one goes it sets off a retaliatory strike in all those war-torn countries you have fighting at present, to have the excuse it needed in a preemptive take-out of their rival. Not knowing that their rival is receiving the same instructions about him. It is never known at the lower levels of command that one group is helping both sides.

Daily the troops in Kosovo, and spreading parts of Serbia, are coming into heavier and heavier ground fighting with Russian paratroopers and Spetsnaz forces. This of course does not make the evening news because public support cannot yet stand for U.S. casualties, not without a staged event that creates sympathy for a horrific crime that can be pinned--THAT WILL STICK--on Milosevic so you will support the intelligence agency efforts to bring him down. The set-up and orchestrated riots and demonstrations against the Serb leader is understood to be more psychological warfare carried out by highly trained specialists on the ground. One way or another the Bolsheviks mean to start a war.

THE RUSSIANS WILL NOT TELL TOMLINSON'S WHEREABOUTS

The British MI-6 agent that is giving the Bolshevik-run British government a lot of trouble these days is also working with KGB operatives in Russia. The list of former MI-6 agents is not so much a list of traitors in England's employ but more of an admission of an insider that Britain's intelligence apparatus, Military Intelligence Division Six, is out of control (not that it was ever in control of anything in a just and useful way as to national security for the queen's subjects--quite the contrary; Tomlinson has proven to you ones who require physical proof that cold war operations, especially those within the last 50 years, have been devoted to manipulation and control of the masses by clandestine means and genocidal experiments). The Russians are far more aware of how to make good use of a spy caught out in the cold than are Western alliances. That is why there are more KGB operatives and agents intertwined in your spy agencies than your own people. The Russian leadership is not about to let their old Bolshevik enemies regain any type of foothold in their country again.

It is difficult to get rid of the remaining political influences as to Rothschild-Rockefeller control of the

puppets that represent the economic front as to the conflict, however, that too is being taken care of by the cleaning-house campaign the Russians are doing. They understand WHO the problem makers are and they certainly know who is allowing them all the backup they need. The U.S. continues to back every whim of Israel's, and soon, the enemies of the Khazar state will become enemies of the world's freedom fighters too.

It is the Satanic influences of Israel and those being paid or blackmailed into assisting the rogue nation's drive to become the only force to reckon with in the millennium changeover. There is much planning going on in Jerusalem, Palestine as the evil forces prepare for their ceremonies of sacrifice and blood offerings--this is what they intend to bring back into public acceptance. These are the pagan worshipers Christian fundamentalists empty their pockets to endorse. The false Jews have more use for these Christians than their own Khazar and Judean workers (Most Judean legitimate people of the “Jewish” question are aware of the Khazar impostors but are powerless to do anything about it in the controlled media's stranglehold on true information that outlines the differences and separation between these two sets of so-called “Jewish” races.) because Christians are fully convinced of the lie of Jews being over and above Christ's followers. Many first-line Christian ministers are telling their followers that it is the Christians that are the humble servants to the Jews and that it is their duty to do all in their power to restore Israel to their glorious status and build new temples in Holy Moslem sites--even though the Jewish temples did not exist in those places they are telling you about. This is merely a means to ensure you have a flash point to ignite in the Middle and Near Eastern powder kegs that are needed to see to it that the prophecies are carried out in the name of evil.

The adversary has no wish for you to know the role of journalism in modern-day intelligence gathering and sabotage operations waiting to be carried out by jet-set and resident spies. It would cause a doubting of the talking-heads that make up the voice of reason for Americans, and the Khazar-elite would rather you not question your media. The main apparatus for wielding their power over the masses is through the major media, and if you were to see how many of those reporters and their biased stories are nothing more than manipulated stories with the only consideration for truth being in how it steers you in the direction that is most useful to the elite, you would not be so easily fooled by the lies.

It is not an accident that you have a standoff with China and Taiwan that puts the U.S. on yet another battle front as you get nearer to December 31, 1999. The world government plans for many changes to come about in a short period of time. That means simmering conflicts like Taiwan, Korea, Northern Ireland, Kashmir, E. Timor, South America, Chechnya, almost all of the African nations and even the secret Arctic and Antarctic conflicts (that spill over into your non-news reporting as rescue missions for emergency cancer treatments and such) are timed to heat up as a macabre celebration to the fireworks planned for the elite's New Year's Eve celebrations.

Why is it so important for the elite to be so precise as to dates and times in their dastardly plans? Because they are using the form of astrology that gives the clues as to what times you are currently living out. Astrology is a science that has great truth in it, but it is mainly used for keeping track of sequence of events rather than

which astrological sign is compatible with another. This shows you that there is order to the universe and that it is not a random set of circumstances that happens on whims.

The omnipresence and omniscience of the Creation is as ordained as is the DNA pattern that decides if your eyes are blue or brown or that you will lose hair according to pattern baldness. There are no coincidences in God's kingdom. Everything that happens or ever will happen is the result of the coalescing of preexisting thought forms into physical manifested shapes that are patterned after that which you cannot see. This is why we tell you that it is the unseen that makes the difference and that what you think is what is important. For if you understood the science behind actual creation then you would realize that what you think and believe is what manifests in your daily lives. And if you need a stronger reason for understanding Khazar control over your media outlets this should be it, for as long as they control what thoughts predominate in your minds, and your prevailing attitudes remain a result of their conjuring, then it is their future--AS THEY ENVISION IT--that you are helping to come into being, not yours.

You cannot have two masters, and while you are unknowingly doing the bidding of the Anti-Christ you are also helping to dig your own graves. The Khazars do not want you in the picture so their visions that you are helping them to solidify in visible, solid form does not include vary many of you.

Do you see the fallacy in the game? The madness is not even in *their* dreams of the perfect Khazar-Jewish world, it is in *your* refusal to accept the

truth and put a stop to your own demise. You are even afraid to speak out against your own tax robbery of your citizens. Your *Constitution* says you, as American citizens, do not have to pay Federal taxes--only foreigners who try to make large sums of money and remove it from your country are required to pay taxes.

This system was designed to add to the abundance and prosperity of the United States and now you have been manipulated over the generations to thinking that it is your duty to suffer and pay increasingly unbearable taxes to those who are trying to do you in.

The money you are paying does not cover even the interest in your debt to the bankster cartel in England, and Mr. Greenspan of the Federal Reserve, who gets his paycheck from the IMF and receives kickbacks from the BIS, is telling you the biggest bunch of BS the money changers have ever told you to this point.

In order to keep the lie intact, you are given a constant stream of other lies regarding the state of the economy, interest rates, and thus and so, in that you

never ask the question of who you're paying all this money to. Has it ever occurred to you, that if it is you who is owed so much, then why don't you just allow for the problem and fix it enough so that your country is balanced enough to get your own people out of the massive depression you're in? What's stopping you?

There has never been a good argument about why you simply don't fix your own financial woes, and stop relying on England's central banks and their Federal Reserve money stores you continually buy from. The reason it has not been allowed is due to the terms of your surrender to the British in the Independence war you thought you won. Economic defeat, in the face of an apparent armed victory against the Redcoats and their German and French allies, IS STILL TOTAL DEFEAT, chelas. The power-players do not win their wars on the battle field--fighting is an expensive distraction that is meant to be a means-to-an-end. The elite planners reserve their master strategies for conquest WITHOUT FIRING SHOTS--THAT IS WHAT

THEY ARE THE VERY BEST AT. THE SHOOTING IS SO YOU KEEP YOUR HEADS DOWN AND DON'T LOOK UP TO SEE WHO STARTED IT. AND NEVER WAS IT YOUR BROTHER WHO YOU WERE BEING PITTED AGAINST!

The ones who are in control of the masses are not well-known public faces--except for the royalty of Europe and America who act as lifelong public servants, indifferent to the affairs of their subjects. They hide in their exclusive and elusive retreats when fingers are pointed at some overt injustice made by their façade-parliament or current

front-dictatorship. And when an opportunity arises, when they can make a token show of concern for the people--as in Prince Charles' feigned concerns about genetically-modified foods--it is a public relations and photo opportunity that is not missed, for it allows reinforcement of the philanthropical claims of royalty and the need for their arbitrary role as balancer in the affairs of men.

The controllers see no need, other than rare opportunities like this, to call further attention to themselves. The vast majority of elitists are not known by face or position to the public, though we have nearly covered them all--past and present--during our course of showing you what's wrong with your world. The conspirators do not like the airing of their dirty laundry, but neither does God Aton of Holy Light take too kindly to the slaughter of his people. The workers of Satan are on overtime, and it is time for you to "intensify" (borrowing a word that is a new catchphrase with the Tavistock spindoctors) your

participation, lest the ones who've come to Earth on your behalf think you care little for your circumstances. You must participate in your own salvation and liberation if your are to be "saved".

KHAZARIA (ISRAEL) SHOWS THE WORLD WHO'S BOSS

Israel's new leader was shown to be a force to be reckoned with in Washington as the Khazar press hounded and threatened Clinton because of a remark he made about being "as happy as a kid with a new toy". It so infuriated the journalists that cover the president, that they inadvertently showed their hand as to the sheer number of Mossad agents on assignment in your capital. If the president gets out of line you can be sure that a legion of "Israel First!" operatives will see to it that damage-control is enforced, and the last line of defense is defended.

Do you ones even realize that you have an Israeli defacto-government directing U.S. polices? Do you care? There are still many ones who believe the overwhelming Jewish presence in Washington is due to some predisposition that Jews care more for America than do Americans. That is like saying the communist Chinese who live in and do business with the U.S., will do all in their power to look after American interests at the expense of their own county. Well, unless they are scheduled to be tortured and executed the instant they set foot again on their native soil, Chinese communists are never going to be your saving grace, no matter how many different ways you look at it. The case with the Khazarian-elitists is worse, because they do not have a spiritual leadership to hinder their dealings with you.

The Asians do have genetic and heritage connections that do allow for a measure of restraint in their dealings with you. The dynasties of the Chinese do have some remarkable legacies that have contributed much to society as a whole, so there is pride in the ambitions and responsibilities of the Chinese and other Asian peoples. However, as for the nomadic-Khazar influences that were beneficial to mankind, the contributions are not favorable. In fact, the root to the problem of man's inability to get along with himself is the direct result of social systems and standards for human dealings with one another, that have been introduced to you, that come from an evil-based Babylonian system of interacting with your fellow men.

Always, the Khazar contributions were in the area of better ways to fight wars and collect profits from them. Or means of dealing with or getting rid of (as in more efficient poisons or military and religious powers put at the banks' disposal) the masses of a given population that serve no useful purpose for their plans. You see, the Khazars are not interested in furthering any cause that does not directly benefit their plans of world conquest. And any space systems used by NASA or Air Force facilities have been converted for emergency use in a pentagon wartime situation that does not allow for public notification. The Executive Orders are put to good use here, in that not only are all the big-wigs covered as to plausible deniability, but they are ensured of being "in-the-loop" as to the hierarchy structure of the One World Government. This is why politicians such as Bush and Kissinger are still running around calling the shots. These ones are not following the constitutional layout of American politics, but rather following the mandates of the global government. This

The omnipresence and omniscience of the Creation is as ordained as is the DNA pattern that decides if your eyes are blue or brown or that you will lose hair according to pattern baldness. government has been in existence for some time, and it is only recently that you have been told more about it--both from this source (*CONTACT* newspaper, formerly the *Phoenix Liberator*, the *Expresses* and the *JOURNALS*) and the elitists themselves. They need you to understand what it is they've done, in that you will be subservient to their power, for if you feel you are no match for the usurpers, they've figured you will be much easier to control. The ruling factions of elite, rule through fear and intimidation. The cover for their crimes is secrecy of the highest magnitude, and every rule in the book is broken on a continual basis to keep the secrets secure.

Everything that is being given to you regarding world events is so doctored and full of half-truths and outright lies that it makes no point, from where we sit, to even label it "news". Does it occur to anyone that two of your heros of aviation (one walked on the Moon and the other was a Navy pilot and veteran of three wars: World War II, Korea, Vietnam and was awarded the Navy Cross for valor and later served as the head of the Federal Aviation Administration under Reagan before being appointed to director of the National Air And Space Museum) were killed days before the anniversary of the publicity-farce of a lunar landing?

Donald Engen--a decorated Navy pilot--just doesn't have an "accident" in a glider. His July 13 death, and the death of Pete Conrad (while on his Harley Davidson, out joy-riding with his wife and friends--I guess leisure sports is the "in" suiciding "cover" this month) on July 8, would be classified pretty high on the list of improbable coincidences as to these accidents being untimely. The "dirty tricks" department of MJ-12, with their ready staff of licensed trouble-shooters (pun intended) are on standby in a moments notice to carry out assassinations of people who threaten to expose the clandestine dealings and goings-on of the secret government.

The only qualm the executioners have about taking out their own countrymen is in how best to make it appear in the eyes of the public. They have no intentions of bringing more attention to themselves by taking-out one or two or a plane-load of witnesses--they don't want to cause the very revolution they themselves are trying to start, until the laws and enforcement troops are in place and well hidden.

**YOUR BORDERS ARE WIDE OPEN
FOR INFILTRATION**

This is not against those who earnestly want to come to the U.S. to try to make a better life for themselves, or true political refugees seeking asylum because of unjust treatment from the country they fled from--after all, is this not the principle upon which your own Constitutional Republic was founded ?

The ones who would go against you, as insurgents, stream into your country daily in anticipation of the war-of-wars that will allow their respective ideologies and national thrusts, the opportunity to get back at the West for causing so much unrest in the world. Whether or not it is believed that it is your fault--that is what they are being told by their leaders and political rabble-rousers. While you are so worried about China's nuclear capabilities or their intentions with South Korea and Taiwan, the Chinese are sending agents and operatives to all your key targets AND ALLIES to be hit during a military attack.

In Canada, the dozens of Chinese, who had crossed the Pacific Ocean jammed into a small dilapidated ship, attempting to sneak into Canada, were in custody Wednesday as authorities investigated who had organized the human-smuggling effort.

Authorities removed 122 people--some wearing handcuffs, other dressed in their best clothes--from the ship, which was discovered Tuesday in an isolated bay on the west coast of Vancouver Island. They were taken to a military facility Wednesday morning for processing and questioning.

This incident marked one of the largest arrivals of illegal immigrants in Canada by boat in recent years. Language difficulties limited authorities' ability to determine exactly where the people came from or where they were headed.

"Our current assumption is that they were attempting to unload somewhere on the coast," said the regional director for Citizenship and Immigration in Vancouver, Canada.

The 120-foot boat, with all its identification markings painted over with dark gray paint, was found in Nootka Sound, on Vancouver Island, about 180 miles northwest of Victoria. The ship was taken to Gold River, a small industrial port on the island's mountainous and sparsely populated western coast (so you don't see what is really going on), where the people were removed early Wednesday morning and taken by bus to a facility in the Victoria area.

Two people attempting to swim away from the ship were captured by two intelligence officers, disguised as off-duty police, who just happened to be on a fishing vacation in the area. Unconfirmed media reports said the two men were carrying large amounts of U.S. currency when they were captured. They didn't get if from the Chinese government, so you know they had help from your side of the ocean. This is how the game is played, neither side is fully aware of what their potential enemy is doing. You have such a mix-up in the spy-vs-spy method of secret coups and puppet governments that even the participants are not sure whose side they're really on. But one thing that is for certain, the taking of the hard-won freedoms of the everyday citizen is the objective--no matter where individual agents owe their allegiance. You ones need to

come into understanding that this is the common bond you share with your richer or poorer cousins from other parts of the world; and if you let them down you are merely paving the way, with your own gold, along the path of your demise which is sure to follow.

THE ELITE FEAR YOU

The usurpers of freedom and liberty don't need any free-thinkers among them in their new utopia, to rock the boat, once the "useless eaters" have been done away with. They mean to never again have opposition to their worldly power, and that, unfortunately, means the "cleansing" of those who helped them to reach their goal. The throne on which world-ownership rests is not a multi-seated council whereby power is shared by the elitists in turn. You forget, we are speaking of a lawless bunch of Satanists who have no honor among them, but one thing they do possess in enormous quantities is greed, and massive egos demand that their desires be met.

This is the fatal flaw in their personalities, that not only allow exposure to any and all who wish to see, but the eventual destruction of their kind (meaning those who are on the side of evil intentions) through their own hands. As has always been the case with evil, they will destroy themselves when given the opportunity--and they need no help from God or any of His workers. What happens when all the vipers and serpents are gathered together in their hidden dens of assumed power and manipulation is a natural order of things. Ego "tripping" is just as dangerous for God's followers as it is for ones who are against God--the demands for self-gratification become all-consuming and self-destruction is inevitable.

Aton of Light did not make stupid and pointless laws for you to blindly follow. There is balance and incredible reason in why God gave you rules in the first place. The giving-in to ego-desire does not promote a healthy development and evolution of the human being, it promotes disease and stagnation, and all the financial resources and secret planning will not change one iota of the truth of it. Ego-Self does not win in the end, over the divine centeredness of spiritual compassion for your fellow man. That is what we mean when we say the adversary already knows who wins, the best he can hope for is to have a really "good time" in the interim period.

Evil is collecting as many shattered souls as he can, because he understands that during the learning process all are allowed to make mistakes (sins or errors) and that it is fair grounds for the Anti-Christ to get you, if he can persuade you to come over to the dark side. And perchance, if he can make the evil influence seem not so bad or make it look good, because he can show you how it was voted-in, then he can amass a great following of searchers looking for truth, who don't realize that they've found the exact opposite of that which they'd sought.

**YOU MUST COME INTO
SPIRITUAL KNOWING**

Evil is truly in the last places you hoped to look, and with the incessant baiting and lure of variously well-orchestrated schemes to getcha, it can only be sorted-out by the essence of God that is within you. No

Earth Is Reacting to Humanity's Negativity

7/22/99 SOLTEC-jonur

Commander Soltec present to speak on world changes due to the effects of man's tamperings and ill-fated attempts to bring about your Star Wars battles. You have no conceivable idea of the damage caused by your use of technologies you know very little about. The knowledge to "split the Earth like an apple" has been around since the turn of your century, yet man as a race has done nothing but create more and better ways in which to destroy himself. It is going to take a shift in the manner in which you view your soul if you are to multiply your power to bring about a positive change in your world.

FLOODS AND SUDDEN DOWNPOURS BOTH MANMADE AND NATURAL

The heavy downpours that are ravaging areas of your world in places that have no records of such rains, and the flash-floods that follow, are the signs of some very serious occurrences. Kazakstan was invaded by a swarm of locusts after the Russian rocket shoot-down over that region. Biblical signs-of-the-times get very little notice among your other top stories of the day.

The days of famine and pestilence are here, and yet you continue on in your daily druthers, like you don't hear the trumpets sounding. Las Vegas' record flooding that came without warning and flooded streets and homes and swept cars away in torrents of water was not Mother Nature picking a bone with the gamblers; however, it may well be some friends in lofty places making a display of their displeasure of being unfairly treated, as to Nevada's safe haven for sovereign citizens, who come from all over the world to make use of the privacy afforded to its residents and business clients.

How can you expect a system for protecting all the people all the time to work, **when you will need it to be there for you**, if you allow ones to misuse the system? The adversaries to world peace are not very happy with your use of their safe haven in Nevada, but are perfectly willing to share it with you providing you don't abuse the privilege, nor draw so much attention to yourself that you cause the very idea of privacy to be just a pretty sounding word.

The criminals and crooked politicians who use Nevada as their home-state for business matters rely on the privacy of business to do their activities without the public being aware of what they do. This is why Area 51 (A-6) is located in Nevada. Aside from the convenient logistics of setting up a vast military and space base that is far from the prying eyes of the public, the financial freedom to privacy is the biggest thing to come their way since the idea came for the

Bureau of Land Management to buy up the remaining PUBLIC LAND, so no one gets to see, even from a great distance, the secret base everyone knows is there.

THE SYSTEM HAS YOU ALREADY

You are already in the system, so it behooves you to not make a shambles out of that which serves you quite nicely. The big-boys understand that we do not want to takeover anything, nor do we advocate armed patriots to go to war with their traitorous bunch of politicians, who run your army, navy and air force. We are for providing a better alternative to the zero-alternative your adversary left you.

The pursuit of life and liberty is like your pursuit of lower taxes--this IS legal under the tangle of legal mess your Khazrian-lawmakers have set up for you. It is not recognized as a crime to want to preserve your own lives or keep more of your money you worked for. This is what the thrust is--to make you feel guilt at wanting to save YOUR money.

GUILT IS A TOOL

Guilt is the big dividing line between how you feel as a human being and how you behave towards your fellow humans. If you feel guilty over something, you are not apt to put your best face forward--at best, it will be a face that hides your feelings of negativity over your own perceived inadequacies of something you did or didn't do. By creating such a feeling, associated with you giving away your money to the bankers in England, you do not even question the legality or the utter destructiveness to your nation by the income tax system.

There are murderers on death row (many are not murders but scapegoats for crimes committed by police and MJ-12 enforces--the death penalty is a convenient way of getting rid of any "evidence" that may resurface implicating the real killers who hold the keys to the nation's prisons) who are not treated as bad as the tax evader by the courts. The sole enemy to the massive occupational government now in place is any who point out the illegality of the private police force known as

the IRS.

The IRS is just as much a part of the MJ-12 secret government as SWAT teams have become in recent years in the local police departments. The international banker-elite are not called "banksters" for nothing. They have much of their resource earmarked to ensure that you keep the steady stream of free and clear cash flowing to them in their banking houses in Europe. Ever since the taking of England, France and the other nations of the old world by the Rothschild banking family, there has been a need for an enforcement arm of the central banks.

IRS HAS RELATIVELY MORE POWER THAN HITLER'S GESTAPO

They couldn't just merge the army with the banks, because sooner or later the people would rise up against the sitting king or queen or dictator and the banks would be overrun with angry peasants who knew that the cause of their intense poverty lie behind the secret vaults of the big money houses. The bankers had proven themselves to be a shrewd lot, however, they still needed a means of extending the capabilities of the

bank into an area that only investigative agencies like the FBI or INTERPOL could reach. The bankers needed their own detective/law enforcement agency.

With more signing of unconstitutional documents the Internal Revenue Service became more feared than police for most Americans. In a country where citizens' rights are of paramount importance, the gestapo of Hitler's Germany

would feel right at home.

To this day the power of the IRS goes unchallenged and unquestioned in your courts of law. What is everyone so afraid of? It is like the Japanese POW camps where hundreds of American prisoners were being guarded by just a handful of guards and that the fear of that which they didn't see was stronger than the one or two armed men that they did see.

The idea of "the IRS" has become more powerful than the agency itself. And as long as the masses think that way as a whole, the individuals that are arrested and thrown into jail--**BREAKING YOUR OWN LAWS OF DUE PROCESS OF THE LAW AND UNLAWFUL CONFINEMENT (LET US NOT FORGET TO MENTION THE FACT THAT THE CONSTITUTION SPECIFICALLY SAYS YOU ARE NOT TO PAY THEM ANYTHING--AND YOU WONDER WHY THOSE POLITICIANS SEE THE CONSTITUTION AS AN OUTDATED DOCUMENT THAT NEEDS TO BE THROWN OUT--THAT'S THE ONLY EVIDENCE THAT CAN BE USED AGAINST THEM IN A LAWFUL CONSTITUTIONAL COURT!)**--make wonderful sacrificial-lambs signifying your powerlessness against the system.

LET US NOT FORGET TO MENTION THE FACT THAT THE CONSTITUTION SPECIFICALLY SAYS YOU ARE NOT TO PAY THEM ANYTHING--AND YOU WONDER WHY THOSE POLITICIANS SEE THE CONSTITUTION AS AN OUTDATED DOCUMENT THAT NEEDS TO BE THROWN OUT--THAT'S THE ONLY EVIDENCE THAT CAN BE USED AGAINST THEM IN A LAWFUL CONSTITUTIONAL COURT!

By knowing how to keep you in line through such as fear of going to jail for the slightest offense--whether or not you are guilty of the "offense"--the banksters can manipulate your actions and the way you conduct business in what you thought was an area of privacy the government could not intrude.

Only the IRS allows for the intrusion into all your business and private financial records IMMEDIATELY--AND WITHOUT A SEARCH WARRANT. To be allowed to enter a private business or home and, regardless what the piece of paper says (that they usually don't have), then ransack the place, looking for whatever they want, is nothing short of organized pillaging. The most famous saying comparing death to taxes was not thought of as a whimsical jest for the frustrated but loyal taxpayer; but the media planning of the elitists to create as much fear and trepidation as possible by putting together the most feared thing (the idea of death) to physically orientated humans, with that which they want you to be equally fearful of.

SOUL ATTACHMENT TO MONEY

This is a struggle for man's soul, and the moneychangers of old have figured out how to get your money AND YOUR SOUL. They have created in you the thirst for what money can give you--and I, Soltec, understand the physical need for money, because I too hear your prayers and petitions, and they are mostly about money and how, if you had more of it, your lives would be better. I am not here to argue the point--as a matter of fact, being rich will make things a lot easier--but having great sums of money rain down upon you can often be just as detrimental as not having any.

This is a struggle for man's soul, and the moneychangers of old have figured out how to get your money AND YOUR SOUL. They have created in you the thirst for what money can give you--and I, Soltec, understand the physical need for money, because I too hear your prayers and petitions, and they are mostly about money and how, if you had more of it, your lives would be better. I am not here to argue the point--as a matter of fact, being rich will make things a lot easier--but having great sums of money rain down upon you can often be just as detrimental as not having any.

There is much emotion and energy expended in the direction of more money and what you can do with it. However, the majority of people spend their time worrying about what they can't get, which sets them up for a life that is full of disappointments and letdowns.

Most are not aware that the very act of being depressed over lack of money is having a devastating affect on your body's natural state of well-being. The high rates of cancer, strokes and heart attacks that Americans suffer from, is in no small way, associated with their feelings over money. Other countries are compared with yours as to eating habits or how much television you watch--but no comparisons are ever made about the effects the issue of money plays in the emotional stability of the richest society on Earth.

This is not done for fear that too many comparisons

may be drawn, and the public would sooner or later want to put an end to SOMEONE ELSE'S CONTROL over the money that seems to be so abundant in America, yet their problems are still not solved. Then groups would form with new solutions to the money problem in the U.S., which would lead to the disclosure of the unlawful practices of the IRS. And when the finger points to foreign bankers and old world nobility--that you have no allegiance to--the Rothschild house of cards would come tumbling down.

Publications and newspapers that speak on this subject are very high on the list of IMF agents' list of "troublemakers", and all attempts to silence the truth-bringers are used, though the bankers are careful not to draw attention to themselves, for it would create the exact kind of publicity that would spell disaster for them. The problem of the truth-bringers would forever be one to handle with the utmost caution--at least until the country could be completely taken over and such as the *Constitution* destroyed. Otherwise, there isn't much to be done as to more rapid means to assimilate the masses into the elite system. One thing the adversary is, when it comes to this method of capturing you, is that he is very patient.

PATIENCE IS A VIRTUE FOR YOU AS WELL

This is a virtue that you too can learn to use to your advantage. You have seen how the elite have used it for gaining control of your country and a world, and you can go about your business building your own Plan 2000 within the structure of that which they have outlaid for you.

Every road that leads to the conspirators--especially in the courts of non-law--lead right back from them. These are your inroads to taking back your freedoms (including your money

and your soul) from the beast.

Just as the tiny virus takes over the body and subdues it from the inside out, you now are in the position of that virus. The beast has taken you into it bowels in its attempt to devour and digest you, however, you are not yet dispersed into none existence. The essence of who you are remains, just like your DNA remains and can yield the information necessary to make another body, and like the DNA, your blueprint can be adjusted to adapt to ensure your survivability above and beyond that of your host. Only, instead of allowing the developing organism, that is you in this example, to grow and multiply to the point of the demise of both, you can use the system (the host) to sustain you.

USE THAT WHICH HAS BEEN PUT HERE FOR YOUR USE

You have good parasites and you have detrimental ones in your body, but it is the behavior of the organism that determines whether or not it is beneficial. The adversarial-elite represent a kind of parasite that is the worst--a malignant cancer--that is why your world is in such disarray and your societies are eroding from the inside out. Like New York's infrastructure, there comes a point when nothing more can be done and the greed, carnage and constant taking, takes its toll.

You, on the other hand, are like that which lives in harmony with that which is around you. When you live and act in this manner, the environment you find yourselves in works to sustain you in a wondrous tradeoff that benefits both host and the tiny organisms that utilize and are nurtured by the host.

Your relationship with the elite in Nevada can prove as a model for cooperation with the coming one world government. By proving you know how to work within the system, without making waves, as in using Nevada corporate structure, be it Las Vegas, Laughlin or just inside the border, you are showing the elite that you are being given divine guidance **and are listening to that guidance.**

You become a more worthy "adversary" to the adversary and he is more apt to leave you alone, since by stirring the hornets nest--that otherwise would be safely out of reach--you become much more trouble than you are worth. If you are minding your business and doing your work, you don't draw attention to yourselves--and always remember, the adversary has much to do in his everyday dealings and plans, and he will always be in confrontation with his various elite adversaries and associates alike, for there is little stability in the constant endeavors to conquer a planet.

SHAN IS REACTING TO THE NEGATIVE VIBRATIONS GIVEN OFF BY HUMANITY

The seasonal changes are becoming less and less like you remembered them--even the previous couple of years you have been given weather conditions unlike anything in your records. The public is fast coming to the understanding that something isn't right with Mother Nature and it isn't going to take that big of a nudge to having them believe it was man's tampering that upset the delicate balance of your home habitat.

There are pulsed-waves and beams of every description crisscrossing your atmosphere and propagating through the planet, and it is causing great distress to the living organism called Earth Shan.

The process of healing is wonderful for Mother Nature, but it is fire and brimstone to humans living in those areas. The Earth's energy fields are the same as your vital, emotional, thought and other "bodies" of light that surround your physical body and allow you to exist in the electrically-sensed coalesced world of seeming-matter. It is through these other finer, rarified bodies that you get most of your nourishment as to "input" that keeps your functioning. Any disturbance of those energy fields and your health is seriously impaired.

Likewise with Earth. You have caused so much disturbance in the natural fields and spheres of Shan's spirit "bodies", that the planet's ability to keep itself in balance has become difficult. In order to regain balance, Shan needs to repolarize the energy centers and chakras, (vortexes of energy transfer points) and that

calls for drastic climatic and topical changes. The changes manifest themselves as volcanic eruptions, earthquakes and the like. These are devastating to man, but the lush mineral-rich lands that remain are very fertile for trees, plants and vegetation--and the animals and people who venture back to make such places their homes.

It is the bigger healing processes of the planet as a whole that are the more serious threat to you. Your world is very near to making a pole-shift on the axis of its rotation. This means a magnetic change that literally turns the North Pole into the South (or some variant of it since more than likely it will not be precise).

Craft from our Command have been attempting to hold the Earth in alignment with balancing beams from several large ships stationed in orbits over the poles and equator. It is not something we can continue to do, for the allotted time to help in this manner has elapsed, so it is going to take a vibrational-shift of great magnitude to remedy this problem.

The entire vibrational frequency of mankind as a whole, plus, the energy vibrations of Shan itself will need to increase if you are going to avert what will be a total catastrophe to the human races. The other creatures too will suffer through such cleansing, but the planet will be renewed. It can be done in a more gentle manner, but it is up to you whether or not you can accomplish it.

The earthquakes you are experiencing, if you will note, are happening in areas of great unrest and uncertainty as to outcome of the inhabitants' individual plights. Just as are the flooding in places like India and

It is the bigger healing processes of the planet as a whole that are the more serious threat to you. Your world is very near to making a pole-shift on the axis of its rotation. China, but in addition to Nature sensing the negative energy spots upon the "skin" of the Earth, your adversary is also doing a little huffing and puffing--and directing a few earthquakes in precision strikes or wild fires in places that get the attention of the other players in the game.

It will be a miracle if the space shuttle mission that Commander Collins is in charge of doesn't coincide with the San Andreas fault line giving way or some other large-scale disaster affecting millions of people. But this is what the space program for Americans has been reduced to, and it is a shame that so much effort and money goes into project-fronts like the X-ray telescope or a space station called Freedom--that is touted to be for the betterment of mankind--but just so much more rush, rush secret military projects that benefit no one.

Russia and the U.S. are in the midst of more confrontations in space, and as you near the ending of the millennium, you can be sure that what they have brewing--success or failure--will be only a prelude to

what is sure to follow. Just know, we are out here doing our part, as our promise to the Creator Source, to look after our younger brothers and sisters, and if you happen to catch sight of one of our craft--enjoy the light show!

These are grant times to be a part of--which is why you came in the first place. May Love and Hope be your elixir as we move through this time of great change together.

Commander Soltec to standby.
SO BE IT!

Earth is Reacting to Humanity's Negativity

(Continued from page 11)

It is going to take living, breathing people aligned in service to the Creator Source to usher in the period of radiance that God promised will come AFTER the cyclic change. And if you are not open-minded and open-hearted you will not recognize it anyway. How do you know you are not already in the time of radiance? After all, you are more than a decade into the new millennium as it is accurately counted by the true HUMANS of aboriginal descent who KNOW HOW IT IS.

Perhaps you should work to rise to the standards of those whom you regard as pagan and without shame for they have the strongest connection to the spheres of spiritual understanding and it is they who attempt, with all their being, to live in accordance with Laws of God and the Creation.

May you see and find your way back from the abyss and learn to live as mankind--equal to one another in spirit and idea. Only by looking upon one another in this way will you accept and respect the outward differences in physical presentation, and when you have accomplished this, no evolved tyrants can ever again come between you with plans of manipulation and control. Knowledge of the presence of God within you and within all people and things gives you omnipresence and that, chelas, gives you the feelings of oneness within God.

Salu.

Urgent Memorandum

(Continued from page 13)

"MOSSAD" ARE ALL INTEGRATED INTO OUR PROGRAM--JUST AWAITING A SLIP.

EVEN IF THERE WOULD BE SOME VALID CERTIFICATES AVAILABLE--THE ONLY ACCEPTABLE DOCUMENT WOULD BE A PROVEN "ORIGINAL". THIS IS FAR WORSE THAN COATING METAL WITH GOLD AND HOPING NOT TO GET CAUGHT. DO NOT ALLOW ANY OF THOSE COPIES, EXCEPT FOR EXAMINATION, IN YOUR PRESENCE OR ON YOUR LOCATION. AND, NO ONE HAS PERMISSION TO REPRESENT THEMSELVES AS WORKING "WITH GAIA" WHO IS ACTIVELY INVOLVED IN ANY QUESTIONABLE OPERATION OF ANY KIND.

CAN THESE BE PRESENTED AS A MEANS BY WHICH OTHERS CAN ASSUME THAT THE ORIGINAL 3392-181 DOCUMENT IS VALID? ONLY IN THAT THE "CLAIM" IS THAT THOSE ARE BEING RECOGNIZED.

I WILL REMIND YOU OF THE BOARD OF DIRECTORS THAT THERE WAS AN EFFORT ON THE PART OF THE TREASURY DEPARTMENT OF THE UNITED STATES, AND OTHERS, TO PURCHASE 3392-181 AND THE CONTRACTS. THERE WAS ALSO A DIRECT OFFERING FROM IMF TO BUY SOME CERTIFICATES TO GET THEM RETIRED AND OUT OF CIRCULATION BUT THE MAN SAID THAT HE "COULD NOT WORK WITH 3392-181 CONTRACT OR CERTIFICATE FOR IT IS THE ONLY ONE OUTSTANDING WITH UNLIMITED ACCRUED VALUE". REMEMBER THAT IT WAS SPECIALLY CREATED TO PRODUCE A "SUPERFUND" AND THERE ARE NO MORE LIKE IT--ANYWHERE.

YOU MAY PASS OUT THIS MEMORANDUM OR YOU CAN HOLD IT BUT I PROMISE YOU THAT THAT WHICH IS TAKING PLACE IS A STING OPERATION AND A LOT OF PEOPLE VERY PRECIOUS TO US ARE GOING TO BE HURT AND END UP IN PRISON--VERY SHORTLY.

THERE IS AMPLE VALUE IN OUR PARTICIPATION OFFERING DONE IN A TOTALLY LEGAL (GLOBALLY) MANNER TO SATISFY ANYONE SO IT IS PURELY GREED THAT WOULD CAUSE PEOPLE TO ABSOLUTELY LOSE THEIR HEADS AND UTILIZE SUCH GARBAGE. THIS TIME IT IS WORSE THAN GARBAGE--IT IS A TRAP.

YOU, OR THOSE WHO HAVE COPIES, CAN UTILIZE THOSE FALSE PAPERS TO SHOW THAT THERE IS OBVIOUSLY VALIDITY TO THE GAIA CONTRACTS--NOTHING MORE.

AND, YES INDEED, THERE IS A PLAN TO LET A FEW GO THROUGH BECAUSE TO CATCH US DOING SOMETHING SO FOOLISH WOULD END THE ELITE'S PROBLEMS REGARDING THIS PROGRAM.

YOU, AS DIRECTORS, MUST STAY TOTALLY UNINVOLVED, AND I SEE AN EFFORT TO TRY AND PULL YOU INTO GOING HITHER AND YON AND ASKING FOR

PAPER. THE CIA, IMF, FBI, AND THE BANKERS' SONALLY. IT IS NOT WITHIN OUR AGREEMENTS AND MY CONTRACTUAL AGREEMENTS SHALL NOT BE BROKEN WITH THE GLOBAL CONTROLLERS. WE ARE ONLY AS GOOD AS OUR WORD AND MY WORD SHALL NOT BE BROKEN, OR EVEN COLORED.

IT IS TIME TO SHUT DOWN THE OFFERING OF DEEDS TO EVERYONE WHO COMES ALONG AND REQUESTS ONE, FOR THE PEOPLE HAVE NO NOTION OF HOW TO FUND THEM. WE ARE NOT AVAILABLE TO MAKE ANYONE, INCLUDING NATIONS, WEALTHY. WE MUST BACK OFF NOW UNTIL SOMEONE IS ABLE TO BREAK THE DEADLOCK AND STOP PLAYING IN A DOZEN GAMES AT ONCE. EVEN PNG NEEDS SOME DEADLINES TO WORK AGAINST OR THEY WILL BOG DOWN IN NOTHING BUT POLITICAL ADVANTAGE-SEEKERS.

THERE NEEDS TO BE GOLD, EITHER IN THE BANK OR AVAILABLE, TO COVER AS COLLATERAL. BEYOND THAT EVEN THE PROJECTS ARE NOT OUR PROBLEM EXCEPT THAT WE ARE INVOLVED BY LEAVING OUR ASSETS FROM THE TRANSACTIONS WITHIN THE FUNDING LOCALE. IF NECESSARY TO STOP THE WHEELING AND DEALING WE WILL PULL ALL OUR SHARE OUT OF THE COUNTRY. WE MAY BE FORCED INTO THAT CONSIDERATION ANYWAY FOR NO ONE SEEMS TO CARE TO UNDERSTAND THE PROGRAM. WE ARE, HOWEVER, WITNESSING THE VYING FOR POWER, CONTROL, AND A CORNER ON THE FUNDS. THIS IS NOT OUR INTENT OR PURPOSE. WE CAN FEED FISHES TO THE PEOPLE AND KEEP THEM ALIVE FOR A PERIOD OF TIME WHILE THEY LEARN TO FISH FOR THEMSELVES. MORE IS NOT IN OUR PLAN OR INTENT.

THERE ARE ENOUGH DEEDS AND AGREEMENTS OUT NOW TO COVER ANYTHING NECESSARY AND BREED ALMOST UNLIMITED CORRUPTION. THEREFORE, CAREFUL CONSIDERATION MUST BE GIVEN TO "DOING" A TRANSACTION AND THAT MEANS THAT THE "LEADERS" MUST KNOW HOW TO DO--WITHOUT OUR PRESENCE IN ANY MANNER WHATSOEVER. IT IS SELF-EXPLAINED IN THE DOCUMENTS BUT THE EFFORTS ARE, I REPEAT, TO CATCH YOU DOING SOMETHING MORE IN INVOLVEMENT. REMEMBER THAT EVERYONE REACHING FOR SOMETHING IS "NICE" AND "SEEMS" INTENT ON GOODNESS. GOD HAS RECOGNITION THAT GOLD CORRUPTS AND YOU HOLD BOTH. SECURITY AND INTEGRITY DEPEND ON US DOING OUR JOBS WITH INTEGRITY, HONORABLY, AND AFTER ACCOMPLISHMENT OF ALLOWING A BASE OF VALUE TO BE ESTABLISHED--IF THAT IS NECESSARY (WHICH IS NOT NECESSARY TO VALIDATE THE VALUE OF THE DEEDS), WE FOLLOW THROUGH WITH OUR DEMAND FOR ACCOUNTING, BANKING, AND GET OUT OF THE PICTURE EXCEPT WHERE WE FOLLOW UP IF WE INVEST IN A PROJECT "WITH" LOCAL PARTIES. WE HAVE NO INVOLVEMENT WHATSOEVER WITH POLITICAL POLICIES OR

POLITICIANS OTHER THAN TO, AT THE MOST, EXPLAIN THE PROGRAM--BUT EVEN THAT SHOULD BE TOTALLY UNNECESSARY.

THANK YOU FOR ATTENDING THIS MATTER FOR IT IS CRITICALLY IMPORTANT THAT YOU BE AWARE OF THESE DOCUMENTS AND OTHER SCAMS FLOATING AROUND AND THAT THEY ARE A DEADLY TRAP.

REALIZING THAT YOU ARE EXTREMELY BUSY I WILL NOT BURDEN YOU WITH ~~FURTHER DETAILS AT THIS TIME.~~

THIS "IS" THE CORPORATION, ALL OF YOU READERS, WHO WILL PAY THE DEBTS AND RETURNS TO ALL "OUR" FRIENDS AND LENDERS. IT IS THAT CORPORATION WHICH WILL PAY FOR ALL THE PROJECTS AND BEGIN THE NATIVE AMERICAN PROCESSING INTO FREEDOM. DELIBERATE AND DAMAGING SABOTAGE IS UNACCEPTABLE BUT IT SEEMS "YOU" HANG THE MESSENGER AND REWARD THE CULPRITS FOR SUCH DIRTY TRICKS.

I would leave this writing by urging you who continue to support us in this critical transition to be steadfast in your faith and KNOWING in your realization. FOR, I AM, AND YOU HAVE FOUND WHAT YOU SOUGHT--DON'T BLOW IT NOW! GOD IS NOT SITTING IN HEAVEN SOMEWHERE SO ALL IS RIGHT WITH THE WORLD AS THE SILLY SAYING GOES. GOD IS RIGHT HERE AMONG YOU SO WE MIGHT RECLAIM HONOR, TRUTH AND LOVE IN THIS WORLD FOR HARDLY ANYTHING IS RIGHT WITH THIS OLD WORLD UPON WHICH YOU ARE BUT EXPERIENCING "REPAIRMEN".

With great love and blessings upon all for I have "no enemies", only unknowing students who have tried to become the professor when the kindergarten marks are not yet written. Satan, by the way, is NOT MY ENEMY--HE IS "YOUR" TEACHER. I HAVE NO PROBLEM WITH HIM AT ALL! Furthermore, he will leave my true children ALONE but will continue to allow his "kiddies" to make as much mischief for you as they can. This is YOUR problem for you must grow and learn until you KNOW.

*****E.J.: Add this "complaint" about the way I have written it to Cort's memo of the other day--and get it OUT please. I need this final cleaning confrontation. We can't do business in any large way at all until we get some of these nasty details cleaned up and direct enemies OUT OF OUR WAY--PLEASE. I don't want to wait, and neither DO YOU, until the thing unfolds from other parties. We have waited long enough to satisfy the turtles in the slowest lane--but we need to move and get this project flowing. I have to have public statements from those who would be on my team, or OFF IT.*****

[Ron: Sorry to have ask this of you but I know of no other way to get this and the following to Cort other than to ask that you telephone him and either email it or fax it to him. Thank you, EJ.]

Dear Cort,

[This is written by Doris with some help from GCH and some editing by myself so if it seems "strong" you can know that it is "serious"].

Up to this point I believe that we, the Ekkers, have been patient, forgiving and absolutely gracious about the distancing of yourself with relationship to personal attitudes and ongoing business regarding corporations. This can no longer be the stance and we must now demand a full explanation as to how business management could have reached such a miserable state of incompetence at Nevada Corporate Headquarters.

We have/HAD a working commitment for what we call "Interim" loans (financing) structured through Global Alliance Investment Association in the amount of \$100 million. This was a pre-financing package to allow functioning funds while larger business arrangements were worked out. I am not going to give further information of the lender at this time.

Half of the funds approved and ready for distribution would be advanced and would go to a gentleman by the name of Manuel (Manny) (per our contract). He has made two prior trips to London, Germany, and other places in Europe and this last trip finalized the transaction. The loans WERE TOTALLY APPROVED and the funds were ready and waiting to be distributed, the proceeds to be divided in half. One half would be set up for use by Ekkers personally through "Global" as directed through prior arrangements already established in Manila. The other half would be disbursed to Manny. A very large portion of that \$40 million (Manny's) would go into a Las Vegas bank through a corporation set up with NCH as agent and with arrangements to be established with Manny who could sign and conclude his own personal signatures, etc., at the bank for that Corporate Account. The corporation is named GADI FOUNDATION FOR GLOBAL EXCHANGE ASSOCIATION, set up in January, 1999. Manny asked to delay doing his banking work until he would be in the U.S. and could do it himself. This was a Foundation set up in honor of his Father.

We have discrepancies in response to what happened on that end at NCH from "a man named 'Danny' to a 'Robert' something..." coming into NCH for information--with a bunch of formal looking documents--inquiring about Global.

These business people, Manny specifically, had already been to the State and to the County to check on the status of the Corporations (his own as well as Global) and he was told that NCH was the agent in both instances.

He then went to the office of NCH to do business.

Now, it is not news to him that Rick Martin, et al., had cost him, and us, months of "time" through outright sabotage of our ongoing business transactions which took weeks to get back on track. So Manny was again summoned to the funding location and on his way he needed to get his accounts in Las Vegas squared and set up the necessary go-ahead transaction information for Global.

He tried to find out where he could find "Cort" since "Ron" had been dismissed. Brent Moorhead overheard the conversation and came forth exclaiming in a very nasty manner that NCH no longer had anything to do with Global and was not the agent and appeared upset over the mention of the name itself. He didn't even bother to inquire about the Gadi Foundation because he had all the

information he needed and that was that there was a RAT IN THE WOODWORK.

It seems Brent made quite a point about us (Ekkers and/or Global) owing a lot of people a lot of money including a lot of people in the Philippines.

The fact that THIS IS UNTRUE really has no bearing on the absolutely inconceivable audacity and arrogance of such a blatant misrepresentation of YOUR BUSINESS AT NCH. A deliberate misrepresentation of this type must surely be unlawful, unjust and might, even in this world, be illegal. Cort, this is REAL DAMAGE IN A VERY LARGE WAY. This has cost us, AGAIN, more delay and possible NEGATION of the entire ongoing transaction. If you are curious to the overall amount or wherefrom is the resource, I suggest you ask Rick Martin or Charles Neil.

Perhaps no one at NCH finds this terribly upsetting but net loan to Global would have been \$40 million which we could all use right now. And yes indeed, it is TOO LATE to fix this for the man had to go on to meet other commitments. This is DELIBERATE BUSINESS INTERFERENCE AND VIOLATION OF AN AGENT'S ETHICAL BUSINESS STANDARDS AND PROCEDURES. IT IS LIKELY THE FINAL BLOW IN ANY-ONE EVER AGAIN HAVING CONFIDENCE IN NCH. IF A CORPORATION CANNOT GET SERVICE FROM ITS AGENT, EVEN AS TO "BEING THE AGENT", THEN YOU HAVE PROBLEMS. IT IS ALSO OUR UNDERSTANDING THAT OUR "GLOBAL" PHONE LINE HAS BEEN DISCONTINUED--ALSO AT BRENT'S INSTRUCTION-- OR WAS IT YOURS? AND HOW ARE OUR MAIL AND FAXES BEING HANDLED?

Brad tells us that he had a phone call from your attorney asking if he could accept service of a lawsuit from NCH against Ekkers. We would hear your explanation of what that is about but it better be very good and not based upon "hearsay" or rumor. We can tell you that is a war you cannot win; our counter suit will bankrupt NCH and ruin you.

We can hope that the clear air up north is clarifying your thinking. Las Vegas is surely not known for its good vibes. We, and GCH, have pointed out more than once that you are making the wrong choice. This is the last time you get a chance to change your mind; there is no pleasant future with Brent & Co. When his vengeance takes precedence over his duty to his employer he becomes a liability; in this instance, one you cannot afford. He will not stand alone and face us; he will hide behind you and NCH to defend him and he will take you down with him before he will admit all of the damage he has done to us, and in the end, to you.

GCH has made it very clear to us that our delaying a decision on your part until we can have a personal talk with you will not be tolerated. And we are far too business-wise to leave it open-ended. You should receive this message on the 20th or 21st. Ten days is an ample period to decide and to let us know (it should not take 10 minutes to decide) so we will expect to hear from you by the 31st. If we do not, we will presume you to be "on the other side" and we will act accordingly. If you go with us there will no doubt be some business apologies to be made should we have an opportunity to repair some of the damage.

Star Wars Scenario In Full Effect Now

(Continued from page 12)

WHEN PEOPLE HAVE THE TRUTH IN FRONT OF THEM IT WILL CAUSE THEM TO BE ABLE TO SEPARATE THE LIES FROM THE TRUTH AND NO MORE WILL THE FALSE PROPHETS AND MEDIA JACKALS HAVE THE FLOOR ALL TO THEMSELVES. TRUTH SURVIVES ON ITS OWN MERITS AND NEEDS NO INTERPRETATION--ONLY SIMPLE OUTLAYING.

The spy groups that run the governments of the world are not in the business of public truth. Quite the contrary--it's called COUNTERINTELLIGENCE. Disinformation agents and the agencies they get their mandates from are in the business of keeping the lies alive. Be they the lies of the Jewish Holocaust (which, again, did happen, but nowhere near the version of the story you are continually given), who really won the space race, or the biggie: "is there extraterrestrial life outside Earth's atmosphere?" This is what counterintelligence was set up to do. And make no mistake about it, people, it is not to spy on foreign governments--THE ENTIRE SYSTEM IS BUILT TO PERFECTION TO KEEP THE MASSES IN LINE!

Soon you are going to be shown some real aliens (at the very best they will be replicas and hybrid mutations manufactured right down on good old Terra Firma) and some impressive (to you) craft that will hover over one or two of your major cities for a time. While the controlled major media gives you a live reenactment of Orson Wells' (he was counted among the elite groups in his day and was regarded as a very useful tool for getting you ready for today) *War Of The Worlds* with physical aliens walking around playing their parts ON CUE. This sets up very nicely the UN's role in picking up the pieces of the aftermath of the initial attack that will be blamed on space beings.

Your leaders have already drafted laws and have spoken many times in public forum, in various parts of the world, in that WHEN the "threat" comes "this is what we're going to do." But it never occurs to anyone that perhaps those royal elitists already have such technology--fully tested and working to perfection--and are keeping it under wraps to somehow further their rule over you.

Well, that is exactly what they did do and there are few who are the wiser. However, by taking into account that Fleming's work is based on actual facts from the annals of worlds secret agencies, it becomes an easy task of substituting one way of looking at the world for one that allows all those loose ends (the masses are so accustomed to) to finally fit somewhere. Because once you know that this is what it's all about--and you have satisfied yourselves with your own research that sufficiently proves these things to be TRUTH--a whole new reality will open up for you.

NEW REALITIES ARE SUPPOSED TO BE PART OF THE NEW MILLENNIUM

With the new millennium comes a new understanding of reality. It will either be a reality based on evil programming and pre-manipulated outcomes, or it will be based on Aton's new millennium of which you are already 12 years into it. Descendants of the ancients left on your planet have been waiting those 12 years to see how man handles the cyclic shift. Will you

see the LIGHT or will you allow darkness's evil plan to be your destiny? You are coming into a time of radiance but if you are not in a position to perceive it in TRUTH you could very easily be fooled along with the elect and end up experiencing a different kind of rapture than the one your ministers preach about.

The adversary to humanity is hard at work to cause you to fall into their staged version of REALITY AFTER YEAR 2000. It is already a mind-set to you ones as to a specific "change" of some kind happening to your populations. Even if it is only a renewed sense of hope that you "made it" through 2000 years of history without blowing yourselves away, the masses are expecting to "feel" something.

This is what your adversary is counting on. He plans to manipulate those feelings to take you all the way to the edge of the abyss. And on the orders of the very Anti-Christ himself (this is just one representative of many, many ones who are so aligned, but humanity needs to have a physical representative of such an entity--and, just like you conjured all your other fears--you have an entity that for all practical purposes fits the role) cause you to be cast into the fires and brimstone you have heard so much about.

Aren't you tired of living out the projections of Satanic beings who make it a sport to manipulate the lives of the masses? The game of the Olympian Elitists is to conquer a planet and its people to prove to themselves that they are as powerful as the gods of Greek mythology. And with the wedding of Princess Alexia of Greece to Carlos Morales Quintana of Spain at Saint Sophia Greek Cathedral in London, the physical representation of evil does put its best face forward as Satan is fond of using the mask of poise, class and assumed beauty to hide hideous intent. It works much better to spoon-feed you poison with a mixture of sweet syrup and sugar--it goes down smoothly, but that good taste lasts only a moment.

Have you forgotten your fables of houses of gingerbread-hiding cannibalistic child-eaters and wolves in sheep's clothing? Those same stories that frighten the daylights out of generations of children-turned-adults did not go away as you matured; the bogeymen and women of humanity just moved into the castles and parliaments that terrorize you on a global scale. It is by design that these stories are your mainstay of "education" in your schools--this keeps the myths and monsters alive because adults are even more afraid of monsters than are your babies--AT LEAST THEY HAD YOU TO CHASE AWAY THE GOBLINS; THE ADULTS, HOWEVER, ARE LEFT TO FEND FOR THEMSELVES. Your psychiatrists--who will be your new religious overseers when the Anti-Christ Khazar Jews declare your churches "insane"(due to their constant manipulation and infusion of evil elements to bring about just such results)--are sitting poised to send millions of Christians to psychiatric prisons FOR LIFE merely because of their beliefs.

If you are not angered and terrified beyond description at this then you do not understand what is going on. You are LEGALLY being robbed of your right to be a living, breathing, thinking human being and soon--IF YOU DO NOT ACT IN YOUR OWN BEHALF--you will be "put away" without so much as a trial. Wake up world, Satan's troops are on the march. Tomeros Korton to standby, please. Salu.

Montauk Secret Base Caused Kennedy Crash

(Continued from page 3)

not just luck as some might have you believe. This goes for all ones who gain headway into the world of blood-and-money partnership of the ordained world of politics. Yes, there are ones who are not tainted when they enter the fray, but it takes a strong will and an iron constitution of personal strength to not be wooed, bullied or blackmailed by the conspirators' lobby.

Does "The Body" Ventura have enemies? Of course. On the night that his unauthorized biography aired on television--showing once and for all the behind-the-scenes secrets of professional wrestling--a wrestler was MURDERED during a stunt on live cable before thousands of pay-per-view viewers. In the game of understanding the messages sent between players of the secret government and outsiders making a serious challenge to gain entry to the inner sanctums THE COINCIDENCES-THAT-ARE-NOT are the order of the day.

You would do well as an informed populous to pay less attention to what you ARE being told and more to what no one is saying anything about. Remember, as with all news and media pronouncements and presentations: turning around what is being told to you, nine times out of ten, gives you the best picture of what the adversary is up to.

May you use your newfound knowledge to turn back the tide of evil that is washing over the land. Hold in your hearts, always, that the Light of Truth is the only weapon you really need to defeat thine enemies.

It is our mission to tell you and show you, and it is yours to listen, learn and bring about change of a goodly nature. Commander Korton to clear, please.

What Happened to John Kennedy, Jr.?

(Continued from page 5)

eventually found within one-half mile of the ideal, highest-probability location—which, no doubt, was determined not by the actual facts but by computer simulations that could make the most sense out of the debris field by simulation.

What REALLY happened during those four days can only be a matter of informed speculation for anyone not intimately involved in the operation. In order to produce the "right looking" evidence for the "official" story, some tampering would have been necessary. The damage would need to appear plausibly consistent with a high-speed plunge into the water, rather than a mid-air disintegration. Instruments, gauges and system monitors would have to be "frozen" into the "right" positions. Most time-consuming of all, the wreckage would have to be moved to a different, less obvious location, to prevent anyone from stumbling across the work in progress. This was facilitated by a rule to keep all cameras more than five miles away from "the crash site" ("out of respect for the family")—which was, as this article documents, seven miles from the real point of impact.

What about the autopsies? Wouldn't the bodies have shown some evidence unique to the type of weapon used to bring down the plane? They might, IF

the medical examiners knew what they were looking for. Could the examiners be compromised? Of course, we have seen that before. If the bodies had been irradiated by the Montauk weaponry, or were otherwise unsuitable for presentation, [Ed: or if they were simply NOT THERE, a possibility raised by Commander Korton's writing of July 18, 1999, also in this issue] it might have been necessary to replace them. The latest reports of cloning capabilities indicate that it is possible to create a replica within just 3 days, possibly less without the need for memory downloads—another reason why it might have taken four days to "find" the wreckage. In order to make the replicas consistent with the official story, they would have to have been subjected to brutal deaths, consistent with a high-speed plunge into the ocean in a small aircraft. Because the replicas are created in a bath of liquid, the medical examiners would easily have been fooled into thinking that they were examining the real bodies.

WITNESS PROTECTION

As a final note to this article, any witnesses need to be made aware that their only protection lies in coming forward with the truth of what they know. Trying to keep silent out of fear to stay alive has proven, time after time, to be a fatal prescription. The more people that share in your knowledge of events, the more likely you are to live, as killing then becomes counterproductive for the perpetrators. In the days and months ahead, as the truth unfolds, be prepared for a rash of accidental deaths and suicides—of at least 10 witnesses to the crash who are refusing to come forward, plus any involved directly in the "recovery" (moving) of the crashed plane.

Timely Take-Outs Show Elite Hand

(Continued from page 16)

one, not even this source, can tell you exactly how to find salvation and help you avoid all the pitfalls of Satanic trappings; however, this is as close as you are going to come, for in the realms of God all things are possible, but salvation cannot be given to you without the slightest effort on your part--or it will not be YOUR experience.

As much as we'd like to do so, we cannot do it for you. You must come into your own knowledge-based awareness of how it is. You must develop your own individual relationship with the higher aspect of your beings. No one can tell you how divine you are if the one who is divine is ignorant of that fact. It falls to the one who wants to be "saved". You will do the saving part and we will assist with what you need to get the job done.

It is a partnership with your guardian angels and the Hosts; this is the only manner in which the human being can gain spiritual understanding and proper use of his physical body for service unto God of Holy Light. Your foray into third-density compression is one in which most of your true sensing mechanisms are inadequate or nonfunctioning, this is so you can focus on what it is you came down to Earth to accomplish: being God's vehicle for goodly expression in visible format.

The unseen world holds more splendor than can be described to your recognized senses, so it is here, in the physical world, that you place your worth and validity

of what is important and what isn't. There is never any thought in the direction of "what did I get 'spiritually' from this or that?" Well, in the closing days of the cycle, rest assured that you will be given plenty of opportunity to ask those questions. Whenever a planet goes through this transition period, many considered weak have shown courage beyond that of the most celebrated war *hero*. And those who proclaimed to be evil-incarnate have fallen to their knees and begged forgiveness of God for the actions that have brought them to where they currently find themselves. Isn't it better to come into God's good graces now, before the storm clouds gather?

Man insists on doing things the hard way, but we will always be on hand to assist those who earnestly want to do it God's way. For it is with these ones the new and better way will come about. The self-proclaimed know-it-all and the ego-filled intellectuals who call themselves "experts" never seem to know very much about that which they claim to be an authority of.

Well, we will see who are the charlatans and who are the ones who put their actions where their words formerly did the song-and-dance. As your old adage goes, "deeds, not words" get the shelter built or the well dug. Commander Korton to clear, please. Salu.

Dr. Ron Carlson Incarceration

Dr. Ron Carlson is noted by all who know him as one who appreciates and stays in God's Light to an admirable degree. The fact that he and his wife Melissa are *very* active politically is doubtless a factor in his incarceration for daring to defy the criminal IRS.

We need to support him now as he challenges our corrupt system and attempts to heal it from the inside, a most difficult task and worthy challenge. To know him is to respect the many offerings he has achieved to gain autonomy for his brothers and sisters, not just political and economic freedoms but also physical health enhancements. Granted his first patent for his incredible composite dental-bridge material on July 13th, the same day our injustice system found him guilty of trying to keep the rewards of his own economic efforts, Ron is now to be used in another adversarial effort to illustrate how we all should "do what we are told and labor for the elite".

TELEPHONE HOTLINE 805-822-0202

As an adjunct to *CONTACT*, the Telephone Hotline keeps you as informed as possible on current events and other important information that needs to get to our subscribers before our publishing date.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus *daily* callers can hang up after 2 rings and save toll charges if no new message has been recorded. If the Hotline does not answer your call, then there is currently no Hotline message.
