FEAR—Prime Weapon of Elite Controllers

GERMAIN-jonur 8/5/99

Violinio Germain present in the glorious violet ray of the I AM PRESENCE. May we be given into understanding and communion of what we have come here to do. Time is of the essence; even though there is no such thing or condition as “time”—the more prudent you are in your work for that which you are endeavoring to manifest, the faster you bring your imaginings into coalesced, tangible form.

The adversary is stepping up his assault on humanity in the form of student protests, government separatists’ demonstrations, and so-called “cult religions”.

The timely prominence of China’s banned Falun Gong group and the “sudden” emergence of the Black spiritual group in Atlanta that has built their own social and economic infrastructure—as well as a number of other groups and churches being readied in the wings—is to coincide with the equating of “the extraterrestrial threat” with Lucifer.

The very suggestion of evil coming from space at this stage of the Elite Plan 2000, belies the intentions to use fear of the unknown to mask the enslavement of mankind.

While you are caught up in your problems of worrying about your economy, the crime rate, which candidates are less crooked than others, medical care in your twilight years, genetically modified foods and all sorts of things that you are told are important stuff—the Zionists are readying a hoax to end all hoaxes.

ALIENS AND EXECUTIVE ORDERS

The uniting of the world’s populations under a global dictatorial government is not as far-fetched as it sounds. You have had your highest presidential advisors and government officials preparing you for it for decades.

You are never given any facts about encounters with beings or craft that are current—unless the self-proclaimed experts are in force and on hand to shoot down the credibility of the speakers or witnesses. All

photographic and video evidence is confiscated, and you are given only doctored or partial viewing—whereby, the really good footage is omitted or cropped, making it useless to proving the validity of the images.

The Internet is the world’s largest “clearing house” on extraterrestrial information, pictures and videos—however, THE ADVERSARY HAS INFILTRATED THEM ALL, SO YOU CAN EXPECT A GOODLY AMOUNT OF DISINFORMATION, INTERSPERSED WITH THE FACTUAL ACCOUNTS AND EVIDENCE. You are not going to be allowed to know the nature of the visitations by other races from other planets by your royal world leadership. CONTROL OVER THIS ASPECT OF HUMAN HISTORY IS PARAMOUNT TO THE ELITISTS—YOU HAVE BEEN KEPT IN FEAR OF ALMOST EVERYTHING YOU’RE EXPOSED TO, SO THAT THE PROPER FEAR RESPONSE COMES WHEN TRIGGERED. TO THEM, THE THREAT OF AN ALIEN INVASION IS THE PERFECT MEANS TO GET YOU ONES IN LINE. Fear will be used to make sure they get your attention,

then it will be the modus operandi of the method in which the New World Order government is run.

Once the world is taken, in the name of uniting against a threat from outer space, the conspirators plan to see to it that the iron grip (along with spiked gauntlet) is never loosened. **SELF-PROCLAIMED "EXPERTS" PLAY A MAJOR ROLE IN SETTING UP THAT SCENARIO.**

The blatant Khazarian double-standard of pretending to disallow any notion of credible extraterrestrial information; while at the same time, it is their top experts that are looked to, to validate any sightings or physical evidence. Controlling both sides to any dispute or issue is part-and-parcel to ultimately controlling all sides—WHEN MAN COMES TO THE REALIZATION THAT EVERY ASPECT OF HIS LIFE IS RUN BY THE SATANIC ELEMENT, IN THESE "ENDING" TIMES, HE WILL BEGIN TO TAKE BACK THAT WHICH BELONGS TO GOD.

The Khazar media experts are highly trained at putting a realistic touch on all your science-fiction films and television programs that seem to have a lot of information that is considered scientifically factual (probable); yet, it is always a Khazarian group of UFO experts that harshly denounce even the notion of visitors from space interacting with humans. How is it that the cliquish, clannish, Khazar element is able to corner both sides in the alien market? Could it be because they hold all information regarding such things and only appear to be the bipartisan arbitrators?

The Khazar Elitists have been trying to use the extraterrestrial question to separate all non "Jews" from their ranks since 1947. It was during that time that a mushrooming of UFO sightings, and all manner of other stories, began to hit the media outlets. The secret saucer crashes—such as the one that **reportedly** went down on a farmer's ranch at Roswell, New Mexico, and elsewhere—are allowed for you to know about, because these situations can be controlled as to content and thrust of story.

The public is shown information only about these old stories, because the mounds of recent evidence are being kept from you. If it doesn't have the possibility of being ridiculed on camera, you are not going to see it on "legitimate" media outlets. Neither are you going to see any real images from the telescopes and observation platforms you are told are sent up to help further your understanding of the universe. The Chandra X-ray telescope is supposed to take its best pictures from an orbit half way to the moon? As if it will make the atmosphere any clearer, being so far away from the Earth.

The bulk of the atmosphere, that interferes with getting the best possible pictures from an Earth-based telescope, is restricted to the layer of air, moisture and dust particles suspended IN AIR. The vacuum of space is reached the moment you leave the protective envelope of the atmosphere. Whenever you have announced missions that take you that far into space, it is a voyage to the Moon or another planet that is the destination of

the craft.

SPACE IS STILL A VERY BUSY PLACE

It would seem that the war-planners are again up to something that is definitely not allowed for the public to know about. Keep in mind that Russia has had free and unchallenged access to your Moon and space since October 1977. Whatever the U.S. is doing that

concerns the Moon, is not considered a peaceful operation. You cannot send vehicles to perform lunar prospecting without consent of the Kremlin Space Command.

Russia does not trust the U.S., because of your allowance of a Bolshevik-dominated government; the

Russians know that any gesture of peaceful coexistence in space or on your Moon is purely a strategic ploy to exploit any weaknesses the Russians have.

The Khazarians have been planning for the conquest of Earth and all humanity since you've had records of the lives of your people's history on Shan. Do you imagine it likely that, with the coming of the millennium, the nomadic warrior tribe has decided to become kosher in its dealings with you? When leopards and zebras change their spots, then so too might Satan's legions join the side of good and just coexistence with you. Until then, I suggest you go about your business in preparation for the conflicts that will be brought to you, lest you allow yourselves to be suicided—one way or another.

The Elite conspirators have planned a variety of ways to "take out" the opposition. Most are now being done to appear as suicides, because the public is not yet convinced that the MJ-12 assassins have control of the "legitimate" government. You are going to see a great increase in accidents, strokes, cancers, Alzheimer's disease and the like, as the depopulation program (and the "cleansing" of potential troublemakers) moves into ever higher gears.

GOVERNMENT TREATIES WITH EXTRATERRESTRIAL RACES

They do not want credible ones speaking out about what they know regarding your government's association with extraterrestrial visitors and the technology that has been gleaned from them for your industry. The fantastic advances in science, that have allowed you to come so far since the days of the Wright brothers' flight at Kitty Hawk, are due to the treaties you have signed with space-faring races.

The technology you have that is available for public use and inspection, and that which is utilized only under cover of darkness, or over the expanse of the secret military-space facilities situated in the wilderness outside your population centers, has been around as long as humans were first brought to Earth. How do you think *you* got here?

It is the level of your growth as a collective species that determines what advances of a technological nature you are allowed to experience. But what you have on

your place already, has gotten you into some very hot water.

When the military and political authorities claim to know little or nothing about the UFOs that are seen every day, or crop circles that defy any explanation of their creation (some even have telling symbols from ancient peoples who are known to have had dealings with "their ancestors who will return for us one day")—know that it is first of all a lie, and secondly, understand that the bigger picture is: **WHAT WERE THE AGREEMENTS MADE THAT NO ONE TOLD YOU ABOUT?**

CATTLE MUTILATIONS, HUMAN EXPERIMENTS AND ABDUCTIONS

In order to see the folly in what the usurpers of freedom have prepared for you, know that the terror campaign waged against the public, regarding the horror stories of alien encounters, **IS AN ELITE-SPONSORED PROGRAM. BY BLAMING THE HOSTS, IT IS HOPED THAT THE MASSES RUN IN FEAR, INSTEAD OF REJOICING TO THE NEWS THAT YOU ARE NOT ALONE. The use of human and animal body parts and the genetic experiments that produce human/alien hybrids, organs, etc., were carried out by the Majority 12 shadow government to: 1) scare the living daylight out of the masses with well-calculated "leaks" to the press, and 2) TO PERFECT THE SCIENCE OF PRODUCING SYNTHETIC HUMAN BEINGS.**

Your world is being overrun by a race of manufactured, soulless entities that are being utilized in everything from spreading the "gay" life CHOICE, the wimp factor of your men and the warrior mentality of your women, the mass programming of the youth through public celebrity personalities, who have been set up as the role models for your children, and efficient killers (Soldiers, police and MJ-12 assassins are fast filling the ranks of those charged with "protecting" you. You don't need to be told what this is in preparation for) who do not hesitate when given "shoot-to-kill" orders. Satan's workers have done their homework, and they intend to take everything you own and the world, too—every available ploy is being mobilized against you. How much longer do you think you should wait before you take the threat seriously?

We have told you what your enemy is capable of, and to what extent they are willing to go to rule over you. Does it not make sense that the truly fantastic inventions would be kept by your wardens? You are the enemy to the Elite. In their eyes, to allow you to have such wondrous technology would be like giving a loaded gun to the cat burglar who frequents the neighborhood. So what CAN be used to confront the adversary?

THE POWER OF PRAYER

The power of prayer is indeed a valuable tool in your struggle out of the trap of the Anti-Christ. Man does not realize what he and all things else in the universe are made of. If you only could be made to understand the finite details of the basics of electricity and motion, you would realize that the thoughts and desires you express have a definite impact on the material world.

What you now are experiencing as the here and

now, WAS a series of thoughts and ideas that you had at some time in the past, that have gone out ahead of you and materialized into a solid form of those unseen thoughts and ideas.

He who can say, “I and my Father are One”, and feel the ecstasy of the emotion in his heart, is a person who can create miracles.

By calling on the Divine, you are setting things to motion—in thought and idea—that will affect your future. Since the future is only your thoughts solidifying in front of you as you exist, it stands to REASON that by taking control of your thoughts, you take control over your lives.

The essence of thought is love. **Love is also called gravity**, in scientific terms; the condition that can be measured but cannot be seen. You cannot know Aton’s processes by studying the effects of things; only “cause” can be wholly known. The cause of Creation is LOVE (not sex—call a thing what it is, not what the controllers label it for better use in controlling you); by knowing this elementary fact, you begin to realize that you are intimately connected with all ones and all things.

It makes it very hard to go to war or steal from your brother, if you are aware of your love connection with him. It is just as difficult to harm animals and deface the land when you are aware of your connection with the other aspects of Creation. This is why your adversary does not want you to know true love; it goes against the grain of convincing you to go to war against what you know in your soul to be *yourself*.

Whenever you are in conflict with your fellow man, you are fighting against that portion of yourself that you refuse to believe exists. The higher self is a part of that other, you wish to condemn; when you harm, slight or kill that other, you are killing the same thing within you. But remember: it is that unseen essence that you are warring against in this scenario, and that means that it is not going to be readily apparent as to negative reaction; but rest assured—it is coming.

You cannot attack another person—who you are so intimately connected with, even though you may not want to acknowledge it—and not expect to feel the attack within your own being. It may not register in time for you to perceive a direct connection, but I assure you, it is there. The only delay comes as the meaning of the attack translates down into coalesced, visible form. When you experience “bad luck”, or a life full of mishaps, the causes can be traced back to their roots in something you did to another; for it is those lessons, too, that are made to manifest in front of you for you to learn from.

If you are not treating another fairly, ask yourself what lesson are you trying to learn from the experience—that’s going to pop up later—and why you need to go through such an unnecessarily hard time, when you don’t have to. The things you find that you do not like about another person are reflections of what you are not satisfied with about yourself.

YOU ARE A MIRROR TO OTHERS

You are a mirror to other human beings with whom you interact in daily life. The essence and vitality that register as “life” to you are what is reflected back to your senses when you talk to other people.

The thousands of little nuances of character, gestures of the body, and intuition of the moment are

the physical clues to what your thought-form is doing in the presence of another like itself. Your “lower” senses—the only ones most are aware of—register only that which causes them to vibrate or move; for if there was no movement, the senses wouldn’t register anything, and you would not be aware of any presence that failed to trigger the senses.

You know how you are because of your relationships to others. By allowing your recognition of what you assume humanity to be, you see within your reflections of human spirit a familiar energy pattern that belies who you are. Even if you are not aware of it, you are greatly affected by your interconnectedness with others. Close proximity of each person’s aura, or energy field, produces an effect that causes the emotional body (which each person possesses) to respond—you feel that response as an electrical disturbance. You reflect back the information that you are here, occupying this position in space.

As a result of being reflections of each other, it is easy to see why the herd mentality was developed and put to good use. By giving you images of what the establishment media tells you is beautiful, or what a family’s morals should be, you subconsciously adopt and try to imitate that image. Magazine covers and fashion displays are geared to shaping someone else’s opinion of what is attractive.

It is the same with war; the reason it is so easy to lead Americans into foreign battles is because you have been trying to live up to the image of a wild “Western” cowboy. The John Wayne mentality makes for entertaining cinema, but it does foster an atmosphere of killing toward those who are CHOSEN for your opposition. This practice, too, is widespread. The adversarial planners spend much time calculating efficient ways to get rid of you. You continually ask for assistance in fighting your oppressors, yet you fail to notice that it is you who are causing your own troubles.

OPEN YOUR EYES TO YOUR PART

Your part of the bargain, as to why you are going through so much “stuff”, is that you supply the physical action of how your plight began, while the adversary was the instigator and the benefactor. You have entered into a contract with the devil and you know it not. The payment for your tireless service is enslavement and slow death. The ones in service to evil are no more your protectors than are the gangsters who control your labor industry.

Evil never looks after those who are in its employ; it focuses only on the bottom line of money and power over the masses. The voice of the people is not heard over the greed for world power. If you do not use the rights you have under the laws of your country, you are going to find that, when you really need them, they won’t be there for you.

The Elite have a vested interest in seeing your nation fall. You represent to the establishment around the world a very big stone in the shoe. Other nations model their goals and dreams for a better future based on your society. Even though you have the tyranny of a world as your legacy now, there are many who still worship the land you walk on.

The U.S. is not only a nation that has the highest per capita of “wealthy” individuals and families, as compared to the rest of the world—BUT YOU ALSO

HAVE A FREEDOM TO DREAM AND THINK LIKE NO OTHER COUNTRY. YOUR VISIONS OF THE FUTURE ARE INDEED “FUTURISTIC”—WHEN YOUR NEIGHBORS ARE STILL LIVING IN INTENSE POVERTY.

Poverty is the next step planned for you as your trade agreements start to show themselves for what they really are. The organized looting of Western powers (principally referring to the U.S.) is a major undertaking and, in order to do it right under your noses, you have to have great media campaigns to sell it at home.

The treaties and agreements Americans accept without so much as a “but”, would be condemned as high treason in every other country. Americans are in the dark about how badly they are being used and abused—but what makes it especially bad is the fact that you are continually being told that you are prospering, that there is no depression, that jobs are plentiful—AND YOU BELIEVE IT!!

BREAKING THE MOLD

You have to break out of the habit of accepting the lies—at face value, yet—because if you have no bearing on truth in any way, shape or form, how can you expect to steer your nation back to its former greatness?

You must know where you’re going in life—both as a nation and as groups of INDIVIDUALS working to make a better way. The adversary to God and His chosen workers (which are ALL who wish to participate in goodness and sharing) has complete control of the career choices and available options, as to “what you want to do when you grow up”. They control it because they dictate what tests to take, and they calculate the scores that tell you how intelligent you are compared to your sisters and brothers at the bottom of that barrel with you.

The institutions of higher learning do not educate you in ways that allow you to do battle with the Elitists. They are careful that the masses are only educated in things that make them better slaves, and not free-thinkers and creators. That would not be good news to the wardens, who watch your every move, under the guise of security surveillance for public safety, or some other similar-sounding nonsense.

PUBLIC SURVEILLANCE IS NOT FOR PUBLIC PROTECTION

You do not need governments to have such monitoring powers over the populace. You are told that surveillance CCTVs (Closed Circuit Televisions) are a deterrent to crime and that it is a part of moving your society into the 21st Century. Britain is leading the world in this type of “big brother is watching you”, Orwellian socialism; however, it didn’t stop Jill Dando from being shot in the head on the doorstep of her own home. The authorities told you all the wonders of public safety with CCTVs on every corner—yet, not one camera could pick up the mysterious men who were seen by a number of people in the area. It seemed that the aired public footage of various cameras was missing segments that would have clearly recorded what witnesses described. Even getaway cars and buses managed to show up on the videotape—BUT THE SEQUENCES WERE NICELY ARRANGED SO THE ASSASSINS WOULD NOT BE IDENTIFIED.

Dando was a British television presenter with close ties to the Windsors. She frequented royal circles and was host of a program that investigated unsolved crimes. Her assassination—during the “intensifying” Kosovo War (which is still “intensifying” as we write—the public is just on a need-to-know basis), was directly connected with the undercover politics and military directives the big boys were using. She was about to break a story that MI-6, and the Mossad, didn’t want you to know about.

The rumor mill circulated stories about Serb terrorists targeting her while seeking revenge for British-led NATO bombing of their Kosovo province.

However, I wouldn’t put too much credibility in a story about Serb terrorists, who are supposed to be among the poorer nations with very limited capability, such as the sort Bin Laden is being given false accolades for. If the Serbs are that skilled at getting the necessary intelligence and carrying out the assassination in the middle of Britain, then a different Milosevic war machine was in place—one capable of inflicting far more damage than you were shown on television. There were and are major casualties mounting in Kosovo and the region, but not by the Serbs alone. Also, the Serbians, among the most battle-hardened troops in Europe, would not commit such a cowardly act. In their eyes, the killing of a woman in a faraway land for revenge is not something that the Serbs would sanction as a whole.

This is not to say that Serbia and every other country on the globe would not participate in such a crime—**HOWEVER, A HIGH-PROFILE KILLING OF A WOMAN WHO SEEMED TO HAVE BEEN PROTECTED BY EVERY MODERN SAFEGUARD A SOCIETY COULD OFFER, AND WHO STILL ENDED UP AT THE MERCY OF WHOEVER OR WHATEVER AGENDA DECIDED TO TAKE HER OUT—IS STANDARD PROCEDURE FOR THE ELITE ENFORCERS. THEIR ORDERS ARE TO KILL AS ORDERED, BUT THEY ARE ALSO INSTRUCTED TO SET UP TARGETS (PEOPLE) ON THEIR OWN—KEEP IN MIND THAT IT IS THE FEAR ELEMENT THAT IS EFFORTED TO BE MAINTAINED AT ALL COSTS! IT DOESN’T MATTER IF INNOCENT PEOPLE ARE KILLED—THAT IS EVEN BETTER, FOR IT CREATES MORE FEAR IN THE HEARTS OF THE MASSES—WHICH IS THE POINT OF THE GAME.**

No court has been asked to decide the matter of whether or not you need video monitoring at every intersection and every government institution. You cannot shop at your malls without scores of high-tech gizmos scanning your every move. The systems that are being outfitted at these places came off the drawing board of your top spy research and development think-tanks and their clandestine contractors. It is these same systems that are made to look like innocent safety add-ons to normal security protocols.

In reality, the surveillance systems are interconnected to a vast array of electronic monitoring stations, that automatically record everything you say, as well as all your food and necessity purchases. Even your entertainment dollars and records of which videos you rent and what movies you see, are stored in data banks so that, in an instant, a detailed profile of you can be at the fingertips of the adversary. This kind of foreknowledge about your activities is useful to those

who are planning—every step of the way—your demise or enslavement.

To give up so much of your right to privacy, without you even knowing it, is a grave indicator of how unscrupulous your government leadership is. It is not the Nazi, Ku Klux Klan or militant terrorist that is the threat to your *Constitution*, it is the very representatives *you thought* you put in office. You have ceased to have a nation of free people fighting to preserve their sovereignty, and have become a bunch of slaves who *believe* themselves to be free.

SELF-SALVATION IS THE KEY

At first this sounds like a win-win situation for the slave-masters; however, what you do have in your favor is the belief that you are free. Belief is a powerful force when coupled with an awakened cosmic thinker. This is what we are trying to get you to do: think in terms of self-salvation. Coming into realization of your plight, along with the knowledge of what to do about it, is good practice for your latent powers of manifestation. You can co-create with God any reality you desire, but you must first know what powers you have, before you move on to diagnosing your problems.

Most ones are not sure what their problems are, much less how to ask for assistance in curing them. This is why you have to have an idea of what it is you want. This will lead you to look within to find the clues that will help you apply the correct remedy. This, too, God supplies in abundance—but again, you have to know what it is you’re going to be looking for.

Always, you need to have an idea of where it is you want to go or what you want to achieve. Since you are part of that “co” in “co-creator”, it is going to take participation on your part. Learn about God’s processes and means, in that you will know better about how to use Aton’s omniscience and omnipresence to aid you. The adversary is a long way out in front of you, as to his ability to get his people mobilized more quickly than you. Satan already has his leadership and foot soldiers in place. It takes him no time to respond against what they perceive as threats against their plans of world conquest.

Too much time and energy has been expended to organize and then take control of the governments of the world, and much of the Elite resources are used to keep the rest of the octopus in power—because, even though its many tentacles are dangerous, they cannot capture and crush you all. There are enough of you to overwhelm a thousand Elite octopuses. But what is not in your favor is the control of information about reality and non-humans among you.

The ability to manipulate you solely on the grounds of superstition is a very real scenario that has been proved useful time and time again. By not allowing you to know about such things, the Elite are able to control your future by using fear of the unknown to stunt your growth. Mankind has reached a plateau as to his evolving further along the path of cosmic man’s journey of enlightenment. Fear of the very thing he has been searching for has caused man a great deal of agony. Many ones are aware that SOMETHING is going on with “ETs” and the military, but as to the extent of how much is fact and what parts are fabrication, that is anyone’s guess. All man cares about is being in comfort and having enough money to make him feel like he is a worthwhile human being. Money

cannot do that for you, yet that is all you are taught.

Being at the whim of the Federal Reserve Chairman’s up-and-down triggering of your markets and interest rates, places you squarely in the pockets of the royal banksters. Your economy big-wigs are employees of the British crown—**AND THE FACT IS NOT EVEN HIDDEN. So, too, is your top law enforcement position, and there is nothing you can do about it as long as you are unaware of it as a nation. One or two brave people telling you about it does very little except increase the price on the head of the truth-bringer(s)—HOWEVER, AN ORGANIZED PUSH OF CONCERNED CITIZENS ACTING IN SERVICE TO THE CREATOR causes great panic among the secret government strategists. There are too many of you to ignore if you move in unison to the drumbeat of preservation of individual sovereignty. The world councils will have to listen to you if you hold each and every one of those “INDIVIDUALS” accountable for what they ARE NOT doing for you.**

This also puts a label on the faces and institutions that wield power. Look who stands to gain from the turning of an affluent society into a miserable and impoverished slave state, and you will find that it is the Zionist banksters and their agents who reap all the “rewards”. By causing your world to focus on the lack of gold or money—even though there may well be plentiful supplies of gold around that ONLY YOU aren’t told about—the masses are fooled into believing they need to strive for more.

Striving for goals set secretly by others is not a good way to manifest the things you want or need in your life. Helping your fellow man at your expense or labor is a noble and just thing to do; however, working for purely asset-oriented reasons is a sure sign that ego is being catered to. The spirit needs no outside stimuli to feel good about itself. The physical body, however, tries to tell you that it thrives off the adornments you bestow upon it; but none of it fills the innermost portion of your being—the true you. And it is that true self that you need to get to know, so it can tell you what it needs to be happy.

KNOWING THE REAL YOU

No one knows the inner you like you can—even though this aspect to your being seems to be the one you know the least about, it is still your best method for taking back your lives from the beast.

The adversary doesn’t know any more about the you-that-is-within than you do, but he is an absolute master at pretending he does. His song and dance about knowing what’s going on inside you is just so much showmanship mixed with a little smoke-and-mirrors light show—be it the lights of holographic or solid objects moving across the skies, or etheric-seeming lights of the staged second coming of ascended masters, or Christ images (as conjured by the masses—even though “Jesus” Sananda never looked like any of your currently circulated renderings). This is not a hindrance, for it is feelings that are transmitted and “heard”; labels and pictures serve merely as a focal point.

BY CAUSING YOU TO BELIEVE THE STAGED EVENT(S), IT IS HOPED BY THE ADVERSARY THAT YOU MISS GOD’S ACTUAL

COMMON SENSE, An Introduction to The Dangers of The New World Order
by George Humphrey

HATONN-dharma, Rec #3 7/28/99

I would like to turn immediately to a continuation of our topic already under way. However, remember readers, that "LIFE IS WHAT HAPPENS WHILE YOU MAKE OTHER PLANS". There are immediate needs to be met in the moment, and they, too, contribute to the overall PLAN. So, we meet those obligations and pick up the information flow when and where we can do so.

I have a multitude of people out there in your manifest world waiting for the writings which came prior to this one and which deal with individual circumstances and interchange. You must come to understand that your individual and personal testing and attitude reception to HIGHER CAUSE is brought forth through decisions and intent regarding those very issues which you would say bore you to death. No, to our team and crew: THEY ARE NEITHER BORING, INDIVIDUALLY INTENDED, OR OFF THE SUBJECT. If you perceive our writings to simply be "rantings", then know that you are sorting self, for we serve in a mission without individual efforts to please, or for that matter, displeasure. These are the very truths in human understanding that become the "parables" for new generations in new millenniums to come. Yes, of course, there will be new millenniums to come, for there is no TIME or space so where would it "go"? Nothing GOES. Even the tiny particulate from blown-up planets goes somewhere to experience in millennium following millennium into infinity—only form changes. LIFE ITSELF IS EVER-CHANGING—death and taxes are not sure—CHANGE IS SURE. And, life without taxes is called FREEDOM.

So be it, let's move on. [QUOTING:]

THE ROTHSCHILDS

"GIVE ME CONTROL OF A NATION'S MONEY AND I CARE NOT WHO MAKES THE LAWS." Mayer Rothschild.

The Rothschild dynasty has played a fundamental role in the creation of the New World Order movement. Following is just a brief outline of the first years of the Rothschild history.

Europe in the 1700s was much different than what we know it today. It was made up of small territories and kingdoms, and most of the people had very few privileges. At the bottom of the social order were the Jewish residents, many of whom were forced to live in segregated ghettos. In this setting, Mayer Amschel Bauer [**H: a German Jew (Fuggar)**] was born in Frankfurt in 1743. At a very early age, Mayer demonstrated that he had excellent intelligence, and his father taught him the family business of being a

moneylender and goldsmith. At a young age, he went to work in a bank in Hanover, where he quickly advanced. When he returned home from Hanover, he changed the family name to Rothschild and took over the family business. Soon, he became friends with Prince William of Hanau (a relationship that would change the course of history) by selling the prince rare coins at considerable discounts. Shortly thereafter, the Prince ran into political problems and had to leave Germany for Denmark. Prince William asked Rothschild to watch over and safekeep his fortune (which he had made by hiring out mercenary troops) while he was out of the country. Without telling the Prince, Rothschild took the money to England to finance a military campaign of Lord Wellington, where he greatly multiplied the money.

With this money, he set up his sons in banking businesses in Berlin, Vienna, Naples, Paris and London. Two of his sons were especially able: Jacob, the son who started the Bank of Paris, and Nathan, who took over the Bank of England (Nathan was able to gain control of the Bank of England by making huge gains on the London bond exchange by employing spies to report to him, in advance, the outcome of the Battle of Waterloo). The Rothschild sons followed in their father's footsteps as shrewd and hardworking businessmen. With banks in every major city of commerce and by working together, they were able to create the system that we now call "fractional reserve banking" (more on this shortly) and were greatly able to expand their profits. On his death, Mayer left a will that stated: a. All key positions were to be held only by family members, b. Family members were to marry only their first or second cousins, thus keeping the fortune within the family, and c. Never to allow a public accounting or inventory of their estate. Several generations of Rothschilds have followed this dictate while expanding the family fortune and becoming involved in international politics.

The Rothschilds are the wealthiest family on Earth, and they are leaders among the Global Elite. It is my belief that Mayer, his sons and many of their descendants, have taken actions that suppress others because of fear. This fear was born out of generations of life in the Jewish Ghettos, where Jewish people were not treated with respect or justice. This is put forward, not to excuse their actions, only to give possible explanation.

THE ILLUMINATI

"THE MOST WONDERFUL THING OF ALL IS THAT THE DISTINGUISHED LUTHERAN AND CALVINIST THEOLOGIANS WHO BELONG TO OUR ORDER REALLY BELIEVE THAT THEY

SEE IN IT (ILLUMINATI) THE TRUE AND GENUINE SENSE OF CHRISTIAN RELIGION. OH MORTAL MAN, IS THERE ANYTHING YOU CANNOT BE MADE TO BELIEVE?" Adam Weishaupt

The order of the Illuminati was begun on May 1, (May Day) 1776. Its founder, Adam Weishaupt, was a professor at the Jesuit Ingolstadt University in Bavaria.

The name Illuminati implies that those who are initiated are enlightened, and there is much information that Weishaupt related its name to LUCIFER, the Angel of Light (*Isaiah 14:12*). The clearly stated goal of the Illuminati is "Novus Ordo Seclorum". THESE EXACT WORDS CAN BE SEEN ON THE BACK OF THE AMERICAN \$1 DOLLAR BILL—PLACED THERE ON ORDERS FROM FDR—WHICH MEANS A NEW WORLD ORDER. [**H: It also has a meaning to indicate "it is accomplished".**]

An idealistic new order of politics in 1776 was a very popular and well-received concept by most intelligent people, as most of the European governments were controlled by kings, nobles, generals, or the clergy, and did not offer or provide their people much justice. Weishaupt made a great argument for his idealistic socialism, but, in fact, his plans called for nothing more than a transfer of power from "them" to "him". Weishaupt was an unhappy and an angry man, and the actions of the Illuminati reflected his true will. European authorities first became aware of the Illuminati's plan to foster the French Revolution when an Illuminati worker was struck dead by lightning while riding a horse to deliver documents in Regensburg. Police authorities went through this man's satchel and found detailed plans for the revolution. [**H: I wonder how many of you will need lightning to strike you before you wake up or die in the ignorance?**] German authorities then went to the Illuminati headquarters and found more evidence of the plans to overthrow the French King in a fashion that would generate as much chaos as possible. The authorities sent detailed information to several other governments, but this information was mostly ignored.

After this setback, the Illuminati went underground, and all members took alias names. Weishaupt took the name Spartacus (after the Roman slave rebel). It is believed that at this period of time, three very significant events took place. First, this is the time that Mayer Rothschild joined forces with Weishaupt. It was a merger that supplied the Illuminati with plenty of cash and supplied the Rothschilds with political muscle. Secondly, this was a period of time that Weishaupt and the Grand Orient Masons came into a close alliance, which happened on July 16, 1782, at the Congress of Wilhelmsbad (the other lodges of Freemasonry were still free and independent at this time. Their takeover by the Illuminati would not come for several more decades). Third, the Illuminati further evolved its initiation processes with the inner circle giving oaths to destroy: private property, inheritance, patriotism, religion, and the family, and to devote their energies to a One World Government. At the same time, lower echelon members were told that the Illuminati's goal was to bring "happiness to the human race". [**H: Right—directly through world domination and enslavement.**]

Four years later, the French revolution started with direct control from the Illuminati and did not end until over two million people (a very high percentage of the

killed were the educated middle class) needlessly lost their lives, as gangs guillotined citizens at will, and blood literally ran in the streets. For years, Paris was a nightmare, and there was total chaos throughout the country. The revolution was a major setback to the quality of life for almost every French citizen, while the outcome saw Napoleon Bonaparte (supported by the Illuminati) taking dictatorial control of the country, and leading France into new and more deadly wars that were financed by the Elite.

The influence of the Illuminati soon spread to the United States with the Colombian Lodge of the Order of the Illuminati started in New York in 1785, and soon thereafter, fourteen more lodges were started. The Colombian Lodge membership included: DeWitt Clinton, the governor of New York, Clinton Roosevelt (the Great

Uncle of FDR), and Horace Greeley (Roosevelt was later to write a book titled *Natural Law* that extolled communism [**H: before Marx**—the book was not well received). All of this activity did not go unnoticed. George Washington referred to the Illuminati as "diabolical", and spoke of the "dangers of foreign influence" in his farewell address. John Adams also made a major issue of the dangers of the Illuminati in his presidential campaign in 1796.

In 1830, Adam Weishaupt died and passed the gauntlet of leadership onto Giuseppe Mazzini, a famous Italian revolutionary. During Mazzini's tenure, the Illuminati continued to grow, especially in Europe. One of the interesting pieces of history that occurred during Mazzini's leadership was that Mordecai Marx Levy (also known as Karl Marx), an out-of-work German immigrant, who was living in London, joined an organization called the League of the Just, which was controlled by the Illuminati. He was hired to write the *Communist Manifesto* (it was a total flop for over twenty years, and it was not until the 1870s that the book was brought back to life as the bible of Communism by the Illuminati). The Illuminati knew that their grand plan of world domination would have to be accomplished by creating divisions within society, and "us" versus "them". [**H: Does this "us" versus "them" bring anyone to mind in this local bashing of US by "THEM"? Please remember that the Dr. Young-Martin group was the "US" and we of Hatonn were the "them". So the group was dubbed the "us" group. I suppose, in this case, we of the "them" group should just turn over all assets, let the scoundrels get away with bank account stripping and generally criminal actions and just roll over and drop dead? Well, with GOD, it just doesn't work that way!**] By creating and supporting communism on one hand, and by also funding fascist organizations, the Illuminati could create ideological splits (this split between the socialists/communists and the fascists tore Europe apart for years, and eventually led to WW II). The leadership of the Elite also knew the power of Hegelian Theory: Thesis, Antithesis, then Synthesis.

"We have in this country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks, hereinafter called the FED. They are not government institutions. They are private monopolies which prey upon the people of these United States for the benefit of themselves and their foreign owners..."—Louis McFadden, U.S. Congressman, 1932

The Elite knew if they could create a severe problem (of course without the blame being put on them), society would react, and then there would be some form of political solution or social change—usually giving the Elite more control.

After the American Civil War, a former Confederate General took charge of the Illuminati in the United States. This man's name was Albert Pike. Pike is a very interesting American personality even though

all of his brilliance was directed toward creating fear, division and hate. Pike went to Harvard, spoke and wrote sixteen languages, and openly admitted that he worshipped Lucifer and practiced sorcery. During the Civil War, he organized Indian tribes to fight for the Confederacy, and he committed so many atrocities as commander of the Indians that he was finally ordered to disband by Jefferson Davis. In 1871, he published the book, *Morals and Dogma*, which describes the long-term plans of how the Elite were going to gain control of the world. In *Morals and Dogma*, and in other writings, Pike describes the plans to overthrow the Czar of Russia, the bankrupting of the British Empire, through two world wars, and the destruction of the United States—not by wars, but by debt and social decay. Freedom loving Americans should be aware of Pike and how his plans ARE BEING CARRIED OUT TODAY. Pike also was very instrumental in subverting the previously independent Masonic leadership in the United States into collusion with the Illuminati in the 1880s (it is my belief that 99% of the Masonic members are good citizens and do not know or understand what the highest echelon is doing).

There are many people today who do not know of the Illuminati/ Power Elite. To these people, I ask them to read the reference material, because the Illuminati have affected the direction of Western history for the last two hundred years. It must be made clear that the Illuminati created, developed and controlled international communism. The inner core of the Elite did not support communism for any idealistic reasons, other than to create highly centralized dictatorial machines. Today, the Illuminati (the inner core of the Power Elite) control our banks, our media and our political parties through their front groups: the CFR, the Trilateral Commission, the Masonic Lodges, the Bilderbergers, the Club of Rome and the Federal Reserve.

THE FEDERAL RESERVE BOARD AND FRACTIONAL RESERVE BANKING

"We have in this country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks, hereinafter called the FED. They are not government institutions. They are private monopolies which prey upon the people of these United States for the benefit of themselves and their foreign owners..."—Louis McFadden, U.S. Congressman, 1932

The Federal Reserve Board probably has more negative effect on your life than any other organization in the world! The absolutely fraudulent nature of the Federal Reserve Board is the biggest political secret in the history of our nation! Until Americans take corrective action, our families, our businesses and our nation will be moved daily toward the mathematical certainty of bankruptcy. These statements are very bold but, unfortunately, they are true.

First, one must be aware that the Federal Reserve Board is not Federal, nor are there any reserves! The Fed is a quasi-private corporation with no assets to secure the notes it issues! Secondly, THE FED HAS NEVER BEEN AUDITED! The third thing we, as a society, must become aware of, is the fundamental illegal and unconstitutional nature of the Fed. The *Constitution* is very clear about money issues (Article 1, Sections 8 and 10), which clearly states, the Congress shall clearly be in charge of the money supply (Section 8), and that we are to have a hard currency backed by gold or silver (Section 10)—neither of which is the case with the Federal Reserve System. Our Founding Fathers knew that only with a decentralized, publicly controlled banking system, together with a hard currency (one that was backed by hard assets), would we be able to avoid the currency manipulations that commonly occurred in Europe. The European banks, at the time (as they still do today), would transfer wealth to those who controlled the banks. Our Founding Fathers were well aware of this, and that is why they put this article first in the *Constitution*. Fourth, our banking system is based upon what is called "fractional reserve banking". With fractional reserve banking the Fed orders Federal Reserve Notes (notes that we call money) to be printed by the U.S. Treasury. It then lends these notes to one of the twelve Federal Reserve Regional Banks, at what is called the Discount Rate (about 3%). The Federal Reserve Regional banks then lend these notes, at a multiple of seven, out to commercial banks which pay back this amount at the prime rate (currently about 7%).

If you look deeper at this arrangement, the Elite, who control the Fed, have created an incredible system to take our assets. The Elite are smart enough to make it appear so complicated that only those with advanced degrees in economics [**H: taught BY the ones who set forth the system**] can understand the process. [**H: No, ANYONE can understand the system but can't believe it and thus have to state that they "simply can't understand it"**.] However, what essentially is happening is very simple. Here is how the grand scam works: a. The Fed Central Bank has the Federal Reserve Notes printed by the U.S. Treasury for pennies on the dollar, with not a cent of reserves or investment!; b. Then it lends this "money" to the Federal Regional Banks who multiply this deceptively created credit seven times over. For every billion dollars it borrows from the Fed Central Bank, Regional banks lend seven billion dollars! (that is why it is called "fractional" reserve banking); c. The losers are the people and businesses who borrow this created credit and are forced to pay it back with interest that is collateralized by real assets (their homes, cars, land, factories, etc.); d. Another deception of this system is that the controllers of the money supply (the Fed) have virtual command of the economy. For the economy just to keep going the Fed needs to create more new credit each year than is due to interest payments. Every year the Fed increases

credit notes at a level equal to, or higher than, the previous year—the interest compounds and the relative interest to principal debt escalates. Hence, more and more of the personal assets of the country are pledged to cover these credit loans. (Remember: these original credits have no intrinsic value of their own. A Federal Reserve \$1 note buys goods only because people believe it has value. If people realized that there was no true value behind these Federal Reserve Notes, they would be worthless.)

As the credit continues to increase, it creates inflation. With inflation, the economy becomes more dependent on the Fed, and people's fixed savings are worth less. Eventually, those who control the money supply (the Fed) then restrict the credit supply so that there is not enough money to pay interest payments (as they did in 1929), and the banks call the loans and take the collateral. When this happens, there occurs a huge transfer of valuable assets to the note holders (the Elite) who created the original credit out of nothing! It is more than interesting that Lenin said: "The best way to destroy the Capitalist System is to debauch the currency. By a continuing process of inflation, governments can confiscate, secretly and unobserved, an important part of the wealth of their citizens." It is also interesting that Lenin was funded and sponsored by Jacob Schiff and Col. Edward Mandell House, the two people most responsible for the Federal Reserve Board legislation. The Fed is an incredible deception, and once a nation locks into the system of "fractional reserve banking", it becomes a mathematical certainty that its people, businesses and political structure move toward [destruction], and eventually are financially destroyed.

1. One of the main issues that united the American Colonist against the King was that he would not allow the colonies their own scrip (money) or bank;

2. George Washington and Thomas Jefferson valiantly fought against Alexander Hamilton and his plans to create the first chartered bank of the United States (a private centralized bank). Unfortunately, they lost the political battle (Hamilton was much better funded by the special interests);

3. One of the precipitating factors in the War of 1812 with England was that the charter of the Bank of the United States had expired and many patriots did not want to renew the charter. Because English banking interest had so much involvement in American banking, they lobbied for the war. The end result was that the British burned down Washington, D.C., and we got the second Bank of the United States. (Again, it was a privately owned centralized bank);

4. When Andrew Jackson was elected President, as a populist patriot in 1828, he declared, "You (the bankers) are a den of vipers; I intend to rout you out and by the Eternal God, I will rout you out." Jackson fought the banking interests the whole time that he was in [office] and would not renew their charter. To his credit, he issued Constitutional money and is the only President in our history to pay off the national debt. Unfortunately, his predecessor [successor], President Van Buren, supported the third Bank of the United States.

5. President Abraham Lincoln faced several major obstacles upon taking office. One of the most significant problems he faced was how he was going to finance the war effort. The English bankers told him they would lend him money, but only at very high

interest rates, and Lincoln knew that at these interest rates, the Union would soon be unable to pay. Lincoln also had a very deep belief in his Christian roots and the teachings of the *Bible* that he read almost daily. The *Bible* states very clearly that charging interest on money (usury) is not appropriate. So "Old Abe", who was a smart politician, a true patriot and a man who had great faith in his religion, took a very courageous step. He issued \$450,000,000 of "Lincoln Greenbacks"—legal tender issued directly from the U.S. Treasury—that was backed by gold and paid directly to the Union vendors and soldiers, without creating interest

debt. It was a brilliant move which was both constitutional and provided a strong economic stimulus. The European bankers were outraged, out of fear that interest-free economics would spread to Europe. After Lincoln's assassination, Lincoln's granddaughter wrote a book called, *This One*

Mad Act, which claimed that, though John Wilkes Booth was a Confederate sympathizer, his passion was not so deep, as he spent the war years in New York City as an actor. She then went on to claim that Booth was hired by international bankers to kill the president. It is of interest that, soon after the assassination, President Andrew Johnson ordered the recall of the Greenbacks;

6. Presidents James Garfield and William McKinley were both concerned and issued statements in opposition to the banking systems of the day, and both presidents were assassinated (whether the assassinations were connected to the Elite is unknown).

7. On December 23, 1913, THREE U.S. senators met in the Senate, at night, while the rest of the senators were home for Christmas break. Through a very arcane parliamentary law, they were able to vote on, and pass, legislation that created the Federal Reserve Board [**H: Go back and read it again!**]; legislation that has long been the cornerstone of the Elite's plan to dominate our economy. This action did not come without opposition, as many senators and congressmen who returned to Washington, D.C., were opposed. Senator Elihu had this to say at the time, "Long before we wake up from our dreams of prosperity through an inflated currency, our gold, which alone could have kept us from catastrophe, will have vanished and no rate of interest will tempt it to return." Senator Elihu's words are prophetic in two ways: a) Our nation has had over a 1300% inflation since this legislation and inflation has been accepted as a way of life; b) Our government has sold most of our gold reserves, and there has not been an audit of the U.S. gold reserves in Fort Knox since 1952. Because President Woodrow Wilson gave support to this action (he was one of the insiders) and because most of the elected officials did not understand the enormous implications of this law, it was not overturned.

8. In 1963, President John Kennedy issued \$4.6 billion of U.S. Treasury notes. This money was very similar to Lincoln's Greenbacks in that they were paid directly to the people and businesses for work done and created no debt. It is also interesting that shortly after

the Kennedy murder, the U.S. Treasury stopped printing the Treasury notes that create no debt and continued to print Federal Reserve notes that do create debt.

9. Every single chairman of the Federal Reserve Board has been a member of the Council on Foreign Relations!

[END OF QUOTING]

I consider this last topic to be so important that I will end this writing at this point and will make a further comment made by Rick Martin claiming to be writing for Sananda claiming that "money is important... BUT...".

No one has claimed money to be more important to your SOUL than what is represented—but it is, as well, important to your soul and more especially your attitude about it personally. And when you destroy the provider and producer while

TAKING for SELF, I

believe you have a great contradiction from a claimed receiver of GOD who now serves up garbage in protection of his own errors.

Money IS THE KEY ingredient to physical ability to change a world. Lucifer made those rules, and this is what you have, as citizens enslaved, come to place upon that altar your very lives. To ignore the mandatory need to address that one central issue and find ways to change the systems within the laws, without wars and base a mutual exchange system on something of value, requires a focus on that particular asset. It was important enough to the Power Elite, by whatever name you wish to use, to destroy freedom, industry, religions and bring you to downfall. Therefore SOMEBODY HAS TO ATTEND IT, DON'T THEY?

I believe you will eventually find that Esu Jesus Sananda, by any name, will also clean Rick Martin (who still refuses to identify himself) from his temple. This man was given the ultimate gift of being THE ONE CENTRAL CARRIER of this great GIFT FROM GOD, and he ran away and did, in fact, TAKE MORE from his own teammates. And what does he do to earn his way? He now takes information from the Internet or other's work and says he is going to pursue an interview of sorts with such-and-such authors? So be it, for in the end the vipers will be uncovered in the midst of their whining excuses for betraying, whilst yet the others accept the contradiction and allow the lies to continue. No, Thomas, it is NOT "OK"! You continue to insult and cover self in the blood of others you have crucified on the altar of your own malice. And, people, MYSTICISM will destroy you—you are given facts, so LOOK AT THEM, and let's get busy with our very human WORK.

The damages done can't be UNDONE, no matter how hard or how far the lies are tossed. Forgiveness is not even an issue nor does it enter the picture. There is no time or space to blame, revenge or to Judge. But the actions MUST BE JUDGED.

It is time to THINK IN REASON, reason. Never mind the fortunetellers, for there is fact enough to offer KNOWING.

Salu.

COMMON SENSE, An Introduction to The Dangers of The New World Order

APPRECIATION

There is no way to adequately give appreciation to our crew who have glued and are gluing things together and keeping on keeping on in the midst of inconceivable problems. THIS TOO SHALL PASS and this time, when it goes, the Sun will burst forth in glory and joy. Ah, but allow the challenges of the moment not be wasted on self-pity or focus on self, lest you miss the wonder of achievement. Remember that it is very easy to row a canoe downstream in the swift river. All you have to do is keep upright. But in the storms it is quite different to row UPSTREAM. So, the first thing you might wish to do is get out of the river and watch it until it calms and that which is past should remain in the past, including the things of frustration and obstruction against your passage.

Never, however, forget the lessons or you are destined to repeat them over and over again. Remember too that your enemies are always back there to shoot you, preferably in your helpless backsides, for they are COWARDS in every sense of the meaning.

I would like you to note that as you meet barriers along your pathway or in your river, look at them carefully and you will find they serve great purposes to body and soul. Indeed, if you find a mountain which needs crossing then I suggest you make a tunnel, climb over or simply, for goodness sakes, stop butting your head to a pulp—GO AROUND IT. If you, in this day and age, MUST get around it—and it be too large to go around—get in an aircraft and simply fly OVER IT.

If you find none of these things to serve you—THEN STAY WHERE YOU ARE AND DEVELOP A PLACE WHERE YOU ARE!

As we move along we will be writing more on these attitudes and we will take care not to bait the lion but to find SOLUTIONS to those things which are so destructive to society as well as individuals. Example: Dr. Ron Carlson is sitting in prison today because of the Internal Revenue Service. He is an example by them for you in order to make sure all of you know you are under total enslavement to their arbitrary self-made rules and regulations. However, Ron awaits bail and he faces two years in a Federal Prison for failure to file papers, which papers themselves state he did not have to file them. Do laws matter? Does the *Constitution* matter? No, FORCE matters. He is locked up and can't do anything about it. WE WILL NOT MAKE IT WORSE—WE NEED HIM AND NOT A WAR. When we have that which we need AND can do something positive, we shall serve appropriately.

Ron knows that no man can imprison him—except

his freedom of body. He has a mind which can never be enslaved and it is the God-Mind of man that shall prevail. Somebody get *ATLAS SHRUGGED* to him IMMEDIATELY. While he is incarcerated and has the time to refresh himself as to what, in this physical world, he is “about”, it is a good read. Never mind the errors in a fiction novel—STUDY THE CONCEPTS OFFERED AND STUDY THEM WELL. You cannot live by wrong philosophies nor can you live in a human world in deterioration in a state of “la-la” existence. And remember: YOU HAVE A RIGHT TO EXIST AS AN INDIVIDUAL AND TO EXPRESS AND PRODUCE AND DEVELOP IN HONOR, INTEGRITY AND FREEDOM FROM THE NAGGING NEEDS OF SOCIETY OR ANY “OTHER”.

To ensure that all our readers get the concept of LIVING and not just vegetating while the PARASITES suck you dry while calling it wondrous “giving” and altruism—I can tell you NOW, you cannot have enough to give in this environment, EVER.

By the way, I would hope that we would stop being belted by those who quote Rick Martin's version of Sananda. When acts of wrong are committed, we will not back off the perpetrator. He claims “persecution” as equated to the master, Christos? He insults the very title, “Sananda”. “Sananda” is NOT a “name”—it is a state of being. And, readers, if he can “FOOL” you then we are in a LOT OF TROUBLE.

I am asked to comment on topics which are covered in *SPECTRUM* paper. No, I don't need to comment, other than to say that as they offer things of interest and sensational pull, get the books and Internet connections given WITH EVERY ARTICLE. The Satanic Rituals book and Internet information is easily acquired, as are the writings of David Icke. These are interesting, mystically coordinated with astrology, numerology, and other tricks or tools of the trade. Valid? Yes, most of it; for that is what the Illuminati and Satanic organizations are about. We need not repeat anything, however. And yes indeed, we had all the information before it was attended by *Spectrum* with inquiries into its “reality”. We also got several writings forwarded which asked if the things written were true. We could now play games because the things that were TO HAPPEN—DID NOT, and we didn't get the questions until AFTER THE DATES GIVEN.

And, readers, THE WORLD IS MAKING CHANGES AS THE WORLD CONTINUALLY MAKES CHANGES—but there are “signs”, which long ago you stopped being able to decipher. Therefore, if a volcano in your immediate neighborhood starts to spew—GET OUT OF THE WAY.

Could we be waiting to prepare for year 2000 till

after December 31, 1999? Yes, but wouldn't that be stupid? We can be ready to build on that foundation being laid for your demise as a society being merged into World Control by the Power Elite. BUT YOU HAVE TO HAVE SOLUTIONS, CHELAS. YOU HAVE TO HAVE SOLUTIONS TO THE PROBLEMS THAT HAVE BROUGHT YOU TO ENSLAVEMENT. Distasteful? Oh no, wondrous, because GOD HAS PROVIDED A WAY TO CHANGE AND FOR CHANGE—BUT SOMEBODY HAS TO “DO IT”! THERE IS NO DARKNESS HERE NOR IN OUR OFFERINGS—NONE! AS A MATTER OF FACT, EVEN THE MOST SLOW TO REALIZE TRUTH ARE “SEEING THE LIGHT” OF THE HOW AND THE WHY OF WHAT WE ARE DOING. AND NO, I AM NOT GOING FORTH AND PREACHING AND NEITHER IS “DHARMADORIS”. SHE HAS NOT EVEN MET MORE THAN A HANDFUL OF PEOPLE AND E.J. HAS HAD THE BRUNT OF THE MEETINGS—HUNDREDS AND HUNDREDS OF THEM. WE HAVE REACHED HUNDREDS OF THOUSANDS. NOBODY IS GETTING SOMETHING FOR NOTHING AND IN A DYING, LITERALLY, PLACE ON THE GLOBE—EVERYBODY WANTS TO BE PRODUCTIVE, EARN THEIR WAY AND STOP LIVING IN TREES. THERE ARE BRILLIANT MINDS HERE. THESE MINDS HAVE PRESENTED THE HOPES, DREAMS AND COMMITMENTS OF GOD'S PEOPLE. THERE IS EVERYTHING FROM BETTER RICE GROWING TO MAGNIFICENT CITIES OF THE FUTURE WITH BULLET TRAINS “AROUND THE GLOBE”. WHEN PRAYERS ARE ANSWERED, THOSE WHO HAVE BEEN WORKING IN “FAITH” AND “KNOWING” HAVE THEIR PLANS AND WORKING DOCUMENTS AT READY!

THE WORLD IS GOING TO SEE INCONCEIVABLE (EXCEPT TO THE ARCHITECTS) THINGS RISE OUT OF THE RUBBLE OF AN ENSLAVED HUMANITY.

Rick may wish to make you think that to gather “things” is not important, and it isn't—except it certainly has been important to HIM IN HIS JOURNEY, TO EVEN BREAK ETHICAL RULES AND CREATE ACTUAL HARDSHIPS FOR OTHERS IN HIS QUEST—FOR “WHAT”? DOESN'T A PROJECT HAVE TO PAY FOR ITSELF IF IT IS TO SURVIVE—OR, SOMETHING ELSE HAS TO BE DONE TO ALLOW THAT ONE FRAGMENT, SUCH AS A FREE PAPER, TO BE ABLE TO BE PRESENTED FROM THE FRUITS OF THAT OTHER PROJECT? AND FURTHER, READERS, IF THAT ENTITY WAS SIMPLY TAKEN FROM ANOTHER AND FURTHER STACKED UPON INSECURITY AND NON-RESOURCE, SAVE BEGGING DONATIONS, YOU HAVE NOTHING TO SUSTAIN IT. IT IS A TIME WHERE MAN WILL DEMAND THE WAY, THE HOW, AND THE NON-MYSTICAL INFORMATION FOR SELF-SURVIVAL AND SELF-PRODUCTION. YOU ARE “HUMAN” PHYSICAL BEINGS IN A MANIFEST ENVIRONMENT AND ALL THE WISHING IT WERE DIFFERENT DOES NOT MAKE IT DIFFERENT. GOD, HOWEVER, WOULD NOT LEAVE YOU WITHOUT “SOLUTIONS”—BUT YOU MUST MAKE THOSE SOLUTIONS COME

TO MANIFESTATION. AND DEAR ONES, THE MASTER—ONE WITHIN GOD—WOULD NOT TELL YOU OTHERWISE AND SUGGEST THAT YOU BACK OFF AND SIT ON YOUR REAR-ENDS LIVING OFF OF OTHERS, WHILE THE SOLUTIONS ARE WAITING, OR ARE TOSSED ASIDE, AND INDIVIDUAL PLAYERS WHO CLAIM TO WRITE A COUPLE OF TIMES A MONTH, BURY THE BABY.

Rick (Thomas) claimed that he is the scribe for the God of Truth and Action—the ONE returning to keep HIS people. Does it seem logical to YOU? This little team waited six months for help from that resource and got some three little writings and none relevant to our task at hand. So be it. He even refuses now to affix his identification while, we suppose, trying to skate by without recognition as he integrates others' writings into his own to back his statements. These were already writings under negation in the first place. Now he cries "persecution"? How ridiculous can you get?

Who will pay the bills now that there is no EKKER to provide? We are further accused of lying about him and his buddies? The public statements go forth that there was no taking of anything, etc. Well, Gail returned a computer set-up FROM HER DWELLING, which we have to surmise "followed her home one day of its own volition", and then didn't get turned back to the owners until there was a court settlement. And what of information contained in that computer? You guessed it, readers! And, as to the big computer for formatting the paper? Well, it was covered by all sorts of password codes so it could not be used for its purpose, by its own rightful owners!

"I" am called "Satan" by Rick's Sananda. We are called Satanic in intent and actions? Oh, and just WHO is going to do the positive production? Oh readers, Satan is alive and well on planet Earth!

I demanded that Rick present Sananda in meeting with me—he refused. We, further, asked for meetings with the other Teachers through their receivers—all refused! WHY MIGHT THAT BE? I have met with anyone and, as usual, find that the speakers are false and empty and when I clear the dark energies from the place, the person goes with them, running away as fast as they can pedal. Rick claims he can have forgiveness until his last breath? Well, he doesn't ASK FOR FORGIVENESS—he simply continues the actions deliberately that would require forgiveness. Go ahead and stack it up and see what happens when death comes silently and instantly and there is no conscious "time" to clear the slates. Readers, YOU GO WITH WHATEVER IS WITHIN MIND, good or bad.

I want to tell you something you might well have overlooked in your claim of "unconditional" LOVE and "free forgiveness". LOVE for soul of Man is UNCONDITIONAL WITH GOD. However, Man must meet conditions within mind and functioning body. And, people, Love is available WITHIN GOD without limitation or conditions—BUT ALL ELSE MUST BE "EARNED". You cannot stand around with thoughtless data banks assuming that somebody SAVED you by his own destruction.. Any torture and binding to a cross is not of willingness--and don't forget it. Moreover, YOU PEOPLE have kept the man on the cross for a zillion years to SERVE YOUR OWN SELFISH PHYSICAL NEEDS FOR ESCAPING RESPONSIBILITY IN AND FOR TRUTH. And by the way: FORGIVENESS IS A PURELY PHYSICAL,

INDIVIDUAL, SELF, "THING". GOD SIMPLY "FORGIVES"? WHO SAID? DO YOU SEE HOW SELECTIVE ARE YOUR INTERPRETATIONS OF MYTHS? DID ANY CRUCIFIXION TAKE PLACE AT ALL? WHO SAID? DO YOU "BELIEVE" OR DO YOU "KNOW"—ANYTHING? WHAT do you "know"? How did you come to "KNOW"? Please consider WHO is doing something positive to allow change toward freedom and truth and who sits being somehow "persecuted" by his own deeds? YES INDEED, IT IS IMPORTANT.

I have no compassion? Oh goodness no, I HAVE PITY. Compassion comes from that which is birthed in ignorance as ones attempt to set things to straight—not dig their hole deeper. And is it OK to simply pity, or have compassion, without MAKING EVERY EFFORT POSSIBLE THAT ALLOWS FOR INSIGHT AND RECOVERY? I care enough about those scattered children to do everything allowable to give realization—TO THEM. And yes, they ARE getting the messages—if nothing else is ever read by any of the mischief makers—THEY READ EVERY WORD, AND "IN BETWEEN THE LINES" (their statements) OF OUR PRESENTATIONS, EVEN IF THEY HAVE TO USE TRICKERY TO GET COPIES OF OUR WRITINGS—ANY AND ALL OF THEM. OH YES, I CARE ENOUGH TO SEND THE VERY BEST—TO THEM.

Now, let us get back to the nasty-necessaries.

AND THEN THERE WAS CREATED—AN INTERNAL REVENUE SERVICE

So, back to *COMMON SENSE, An Introduction to The Dangers of The New World Order*, by George Humphrey.

[QUOTING:]

THE INTERNAL REVENUE SERVICE (IRS)

"The power to tax involves the power to destroy." —Supreme Court Chief Justice, John Marshall, 1819

The second leg of the Elite's plan to take control of the American economy was the creation of the IRS. The IRS was "created" the same year as the Federal Reserve Board, and the two entities go together like a horse and carriage! Just like the Fed legislation, the creation of the IRS was ILLEGAL AND UNCONSTITUTIONAL. The 16th Amendment, which is the supposed constitutional pathway to justification, WAS NEVER LEGALLY PASSED BY TWO-THIRDS OF THE STATE LEGISLATURES, AS REQUIRED BY LAW (only THREE states actually voted in the affirmative on this constitutional amendment). President Taft (who was at the end of his term) had his Secretary of State simply DECLARE THAT IT WAS THE NEW LAW OF THE LAND and Americans have been paying ever since.

Our Founding Fathers debated the issue of taxation and agreed that tariffs and sales taxes would be the appropriate form of revenue collection, while they were strongly opposed to any form of "head tax" (the old term for income tax). For the most part, Americans knew the law and did not want an income tax. It was not until 1890, when Congress passed income tax legislation, that this issue came back up. It was a very unpopular law and within six months was unanimously ruled UNconstitutional by The Supreme Court. When

the 1913 income tax law was first introduced, the tax affected less than 10% of the people. It was a 3% flat tax and the total legislation was sixteen pages. Today the income tax takes the time, attention and money of every American. The rates are variable, extremely difficult to calculate and there are over 250,000 pages of code and regulations. To put it mildly, our Federal Income Tax, which is administered by the IRS, is a nightmare. The present tax system: a. is inefficient and expensive to administer; b. significantly puts American businesses at a disadvantage with foreign businesses; c. is used unfairly by the politicians to create major loopholes and give tax advantages; d. is extremely difficult to understand, while the IRS is punitive in administration; and e. IS UNCONSTITUTIONAL AND BECOMING MORE INVASIVE TO OUR PERSONAL LIBERTIES EACH YEAR.

Most Americans have been conditioned to think that a "progressive income tax" is the only fair method of taxation. What most Americans are not aware of is that a "progressive income tax" IS THE SECOND PLANK IN THE *COMMUNIST MANIFESTO*. Whether this occurred by chance, or by direct action, is unknown. What is known is that there is nothing fair or progressive about our taxing system: everyone, especially the poor, gets a bad deal (except for the Elite, that control the debt). Many books have been written on the inequities and bizarre nature of our income tax and many people, by now, know that "for the good of the country the income tax needs to be pulled out by its roots", as Congressman Bill Archer recently said.

[H: So, what can be done? We might ask what, specifically, can be done about citizens such as Ron Carlson? Well, Ron is strong and totally balanced in his KNOWING that GOD will use him to the very best advantage and so it shall come to pass. We need time to conclude gaining of assets to cover expenses for, like it or not, to get really GOOD legal teams will require massive amounts of funds—or you don't get any help at all. We must accomplish our task here to afford to confront that problem—there. It is totally simple in concept and reality.

Can we fight on behalf of an unconstitutional law? Yes, and that is where to start—BUT, beyond that we counter-sue with unlawful imprisonment, unlawful seizure of person and assets, fraud, intentional subversion and misuse of the law and you go on and think up a few more—because there is a case and the longer the man is in prison, the worse gets to be their position, against him—AND YOU THE PEOPLE. But, can the family stand it? YES! This is what Ron CHOSE to do, so let us not fail HIM in either support or intent. We must wait until we can do the job right and with the right people on board—then we move right through the rot. So when you hear someone say that Satanic Hatonn and those "dark" Ekkers are out after self-wealth to get "things" and become rich for themselves and relocation, etc., TURN YOUR ATTENTION TO RON CARLSON SITTING IN PRISON FOR FAILURE TO FILE IRS FORMS—AND, WHILE YOU ARE AT IT—CAN "YOU" AFFORD THE BATTLE TO FREE HIM? NO, "YOU"! WELL, WE ARE WORKING 24 HOURS EVERY DAY TO ENSURE THAT WE DO ENOUGH TO ACCOMPLISH THAT VERY FREEDOM. WE HAVE TO HAVE MASSIVE FUNDS, UNLIMITED FUNDS, AND WE CAN GET

THEM THROUGH THE GIFTS GIVEN THROUGH GOD USING LAWFUL, POSITIVE MEANS IN THE PROCESSING. If you can't "know" this, then you are struggling on "some Man's" dark input! How are you going to make it through whatever comes if you have such limited scope and limitations in your concept of ALL-KNOWING AND ALL-POSSIBLE GOD ALLAH CREATOR? Ekkers, and Ron Carlson, KNOW GOD SHALL PROVIDE (IF WE DO THE WORK AND SEE IT THROUGH) AND IN THE DOING OF THAT TASK WE CHANGE A WORLD! SIMPLE? YES.

But what of "others"? Well, it stands to REASON, doesn't it(?), that if we succeed here, we can also stand solidly under and beside such as P. Kawaja—and others that are caught in the trap of a judicial system acting as a force for enslavement instead of protection. And you who would bash us for making every human effort possible to use the gifts offered by God to ensure help for HIS PEOPLE had best think again, for the limitations of ability to help (check your own accounts and close your mouths) in such a massive way as to actually accomplish a purpose. We are not going to go in to dent the coat of armor on these bastards—we are going in with lasers, light and TRUTH. But we must have financial wherewithal to get this done properly, for you are in a HUMAN WORLD AT THE MERCY OF HUMAN POWER ELITE.

Ron can catch up on some of his reading as refresher as to what he is about. He can also share with those around him. The REAL criminals are running around outside the prisons, my dears! Those very "outside" criminals have brought the world to HER knees AND ON THOSE KNEES RESTS THE HEAD ON THE BLOCK OF THE GUILLOTINE. BUT, READERS, IS THIS NOT THE POSITION OF THE PHOENIX IN ORDER TO BRING FORTH A NEW LITTLE PANGARAP? MAN WILL NOT CHANGE UNTIL HE IS "TO THE BOTTOM", FOR HE IS BLIND TO THAT OF ANOTHER'S PROBLEMS—UNTIL THOSE PROBLEMS ARE ALSO HIS OWN—THAT IS SIMPLY THE HUMAN CONDITION. WELL, IT IS PRETTY BLEAK OUT THERE AND SINCE THE SATANIC ADVERSARY CONTROLS YOU THROUGH YOUR EXCHANGE PRODUCT, MONEY—WE MUST FREE THAT SAME COMMODITY FOR USE TOWARD GOODLY CHANGE! WE HAVE TO CUT THE BINDINGS IN THE ORDER WHICH ULTIMATELY ALLOWS FREEDOM OF THE WHOLE—ONE PROPER STEP AT A TIME.

Martin and Neil have said loudly in denouncement and accusation that "Ekkers' Plan will not work—period". Well, strange they should have continually been distracted and failed to notice the PLAN IS GOD'S PLAN—ACTUALLY "HIS" PLAN-2000, PANGARAPS! Ekkers' plan might well not work EXCEPT THAT THE PLAN IS GOD'S PLAN AND THEY ARE SIMPLY THE HANDS AND FEET OF THIS NEW PHOENIX BIRD—BUT THEY NOW HAVE WINGS OF THE GREATEST EAGLES AND I AM CAUSED TO REALIZE THAT THEY ARE DISCOUNTED IN THEIR OWN HOME TOWN. REMINDS

YOU OF OTHER TRAVELERS, DOES IT NOT? HUMANS ARE NOTED FOR CRUCIFYING THEIR OWN SAVIORS. SO BE IT.

Are people not allowed to make errors? Oh indeed, but consequences of those errors are what happen next after the error is made. Intelligence, therefore, would suggest that if you are in such a hole—quit digging and especially stop covering yourself. It is called intelligent reasoning and logic.]

THE GREAT DEPRESSION, WW II
AND THE UNITED NATIONS

"The real truth of the matter is, as you and I know, that a financial element in the large centers has owned the government of the U.S. since the days of Andrew Jackson.." —Franklin Roosevelt, from a letter to Colonel Edward Mandell House, 1933

By the 1930s, the scene had been set for a tremendous change in the economic, social and political direction of our country. The stock market had been manipulated by the Fed to create huge fluctuations in value. Those handful of insiders, with prior information, made staggering profits from the market, and then were able to buy up the farms and businesses of this country for pennies on the dollar, while 99.9% of America had to suffer the consequences.

American and English banks, owned by the Elite, financed both Hitler and Stalin right up to the start of the war, even though they knew what both men were planning. At the same time, FDR had put an embargo on the Japanese (because they had the independence to create their own banking system) that forced their hand (this is not an endorsement of the Japanese Imperial Forces) to eventually attack Pearl Harbor (as stated before, FDR had PRIOR KNOWLEDGE of the coming attack and did not warn the commanding officer). The same banks then financed the huge war economy of the United States (remember, banks make money by selling debt—the more they lend, the more they make). The whole story of WW II has been sadly misrepresented to the American people. Most Americans think that we were fighting for freedom and hundreds of thousands of brave Americans of all races, nationalities and religions gave their lives for this cause. However, what actually happened was that, behind the scenes, The Elite orchestrated a series of terrible events that led to the death of over forty million people. All of this, just so as to create chaos and another opportunity for the Elite's global plan for a New World Order. At the Yalta Conference, FDR finalized the well-conceived plans that would give Stalin (who was referred to in the Elite-controlled American newspapers at the time as "Uncle Joe") virtual control over the two-hundred-and-forty million people who lived in Eastern Europe.

After the war, the United Nations was set into place on land donated by the Rockefellers (leaders of the Elite). The creation of the UN has been a vital part of the Elite's master plan for years to replace the failed League of Nations as the vehicle for globalism. It was no chance accident that Alger Hiss (who was a high-ranking and influential official in the American State Department, and later convicted of being a Russian agent) was the one who created the UN framework for administration, which is still in existence today at the UN. The reason it was no chance accident was because the Elite, working with their hand picked man, FDR, had packed the State Department, and other vital

government posts, with CFR personnel. In school, we were taught that the UN is an organization that works for international peace and human justice. We were also shown that the mission of the UN was to protect and feed children. Clearly, a vast majority of the people who work for, and with, the UN are doing so out of a truly noble idealism to make the world a better place, and we, as a nation, and the community of nations in this world, do need to support an international organization that mediates for peace, justice and human rights. The truth is, however, that the UN is firmly controlled by The Elite to further their plans for globalism. The UN's actions speak louder than words and people need to critically look at what really happened, and is happening, in Korea, Katanga, Somalia, The Gulf War and Bosnia. What we have seen over and over again is HEGELIAN THEORY: THESIS, ANTITHESIS AND SYNTHESIS; OR, PROBLEM, REACTION AND SOLUTION; all to the advantage of the Elite.

With the end of the war and the creation of the UN, the world now had two "blocks" of power: the Soviets and the Americans. The creation of the "Cold War" was another manipulated series of events that would see both nations: a. increase military procurement and develop nuclear first strike capacity, putting fear into the hearts of almost all humans; b. create huge spy organizations (CIA and KGB) and c. increase their relative national debt significantly. For forty years, the two superpowers appeared to square off, and several times it looked as through military action (including the use of nuclear weapons) would be taken. Then "Glasnost" came, and within what seemed to be a blink of an eye, the Berlin Wall came down, the "Evil Empire" (Ronald Reagan) disintegrated and before long we were giving Russia lots of money (Foreign Aid). We should all say deep prayers of thanks that the intense pressure between the nuclear superpowers has been relieved. At the same time, hopefully, Americans will see that the series of events that have taken place are not moving us toward peace and security; they are moving us quickly toward an authoritarian One World Order. Just ask any person who lived in Eastern Europe during the forty-five years of Soviet occupation what it was like to endure the enslavement of a highly centralized communist government! The old phrase, "Power tends to corrupt and absolute power corrupts absolutely" is still true today.

[END OF QUOTING]

We will be turning next to events of this last half-century, which will allow integration and recognition of what has taken place and who remain the Elite players, by whatever name you wish to use.

I wonder how many of you REALLY THINK that things can be changed by sitting on your rear throwing rocks and bombs at the very people standing forth in undivided effort to achieve positive possibilities for change. Is it enough for you that some plot and scheme how to stop those who serve with the passion of LIVING FOR RIGHT AND FREEDOM and if necessary are also willing to lose everything of property or even DIE (but only if by non-intention) for a world and civilization in peril? The facts are that the touters of goodness and light have no intention nor will to die for any cause—OR TO LIVE FOR ANY CAUSE. They are the walking, breathing DEAD. The assumption they would have you believe is that somehow something is going to be dropped into their

open mouths that will save their bacon. No, not in a zillion years! I have the time—you do not! And then, while denouncing worldly intentions upon the heads of the same “doers”, while the “doers” are absent and cannot do anything in protection of person or property—take what is remaining because, “It is nothing personal, JUST GOOD BUSINESS”!?! Therefore, we are confident that with the Ekker-Doers, nobody is going to complain or mope about when Ekkers simply “do good business” and dump the Klingons! And, to you who think you have pulled a coup—you have only made this scenario rational and logical—and of course, YOU WILL REPAY ALL THE OTHERS YOU ARE HELPING TO CAUSE LOSS—FOR IT WOULD BE “GOOD BUSINESS”.

REMINDER: IT IS NOT GOOD BUSINESS PRACTICE TO CALL GOD—SATAN! NOR IS IT WISE TO CALL “HIS” PLAN, “SATANIC”. SO, AM “I” “GOD”? Close enough!

AND TO THE RICK MARTIN-CORTRIGHTS OF THE WORLD, WHO MUST HAVE TWO SETS OF SPEAKERS TO USE ON YOUR COMPUTER TO GET BETTER AND LOUDER SOUNDS OUT OF YOUR ROCK VIDEOS—PERISH THE THOUGHT OF DOWNFALL OF MY PEOPLE, FOR WHILE YOU WERE PLAYING GAMES AND LOUD ROCK, WE WERE WORKING TOWARD LOGICAL SOLUTIONS TO PROBLEMS BUILT-UP OVER THE EONS OF TIME AND THANK YOU FOR NOTING—GOD WINS! AND, TODAY, THAT IS NOT YOU, MY “LITTLE ONE”.

How can we KNOW that Sananda did NOT write what Rick Martin wrote under the title of Sananda? Well, if nothing else, it is claimed that Rick has been accused of a lot of things, among which is listed “espionage”. This is a blatant lie to gain sympathy. YOU WERE NEVER ACCUSED BY ANY OF US, LIVING OR DEAD, OF ESPIONAGE. We confronted you with SABOTAGE of transactions and being the target of some pretty hard intelligence productions—but SANANDA would not have made such a false statement under any circumstances. You see, son, you don't seem to yet understand, that in your attempts to “get Hatonn” and his team, you hurt myriads of other INNOCENT people. THIS IS NOT GODLY.

Now, the next suggestion would have been one for Nora: RESEARCH THE EGYPTIAN TERM “SANANDA” AND OUR PLAYER MIGHT LIKE TO GO BACK TO THE TERM “CHRIST”. OOPS! I THINK JORDAN MAXWELL COULD FILL IN FOR NORA. YOU JUST NEVER CAN TELL, CAN YOU?

My last suggestion for you, readers, is to consider where you ARE, how you are manifest and where AND WHEN in the sequence of events of evolution of a planet. Is it not time you look unto REASON and evaluate that which moves you FORWARD toward FREEDOM and that which bogs you in immobilization and a DEAD end. Check all things as to being within the LAWS of GOD AND MAN—and see the potential for positive aspects as the journey progresses—or is the presentation going nowhere except into fear, destruction and downfall. There are THINGS in a human physical expression YOU HAVE TO HAVE TO CHANGE INTO POSITIVE FREEDOM—PERIOD. WHO PRESENTS THAT POTENTIAL IN POSSIBILITY TO YOU? WOULDN'T IT BE WISE TO AT LEAST

TAKE A STEP OR TWO IN YOUR OWN BEHALF AND STOP THE MURDERING BY, “IT'S JUST GOOD BUSINESS”? I CAN TELL YOU THAT WHICH YOU TOSS AGAINST “ME” AND MY TEAM—IS NOT IN THE ACT OF “GOOD BUSINESS PROCEDURES”. WE WILL BE ABLE TO GET TEN MILLION NEW HOUSES AND NOT HAVE TO MOVE A COTTON-PICKING THING FROM THE OLD ONE—WILL YOU? AND YOU WHO INSURE LOSS TO OTHERS IN YOUR “GOOD BUSINESS” FOR SELF—ARE GOING TO HAVE SOME UNHAPPY CAMPERS IN YOUR CAMPGROUND. EKKERS HAVE NOTHING MORE TO “LOSE”—BUT YOU DO!

I am, strangely enough, continually bombarded with inquiries and comments on *SPECTRUM*'s presentation and input on such as poor, dear Oracle. I suppose my own team will simply have to put up with my answering some of these inquisition questions, lest we be accused, again, of avoiding to answer “well-meant” questions from truly inquiring minds. You send bits and pieces of writings to which we are supposed to respond, and most of them are coming with full intent of “gotcha now”, and my scribe has no notion of what in the world is the topic. I enjoy those kind because she can't then be placed in a position of being accused of writing for herself. It takes, even with priority mail, from two to three weeks to get things shipped from the U.S. while “express” costs both arms and legs to get serviced. A small U.S. Parcel package is somewhere around \$100 and a letter-sized package is around \$35, minimum. We don't waste the money unless absolutely necessary to have timely transactions. So, we do not have a way to keep up timely with our own news product—much less another's.

But the second biggest question is, “Ah Ha—Oracle says...”. And one thing quoted to me that Oracle said is: “I know to be a fact that we are close to great changes, to a new way of life where all this dark material power that we now see all around us will not be there any more [H: **emphasis mine**]. All of us who have waited for this change will help those who will be lost in a cruel world controlled by force instead of nurtured by Love.”

What has this “Oracle” said? He has said there will be soon, great changes where all this dark material power...will not be there any more. JUST HOW IS IT GOING TO “GO” AND BY WHAT EFFORT WILL IT CEASE TO BE? The same Oracle says, “I am not asking you to see with your eyes.” Then he tells you to SEE what has happened and avoid “something” by looking at the Garden of Eden story. Well, I do have a lot to say about Gardens of Eden.

GOD OF LIGHT AND KNOWLEDGE would not even remotely suggest that any being deprive their beings of truth and KNOWLEDGE. I believe that the apple tree and the snake represented evil and was the—WHAT(?) “TREE OF KNOWLEDGE”? GOD WOULD HAVE RESTRICTED HIS WELFARE-STATE TAKERS TO EAT NOTHING BUT FROM THE TREE OF LIFE AND KNOWLEDGE! Yes, indeed, you were Fugged from the onset of the Garden of Eden. In other words, children, you were allowed everything you could stuff in your gullets from anything OTHER THAN THE TREE OF LIFE AND KNOWLEDGE. IS THIS REASONABLE? IS THIS GODLY? NOT OF GOD OF LIGHT, KNOWLEDGE AND TRUTH. GOD CREATOR

DEMANDS THAT YOU LEARN, GROW AND GAIN KNOWLEDGE AS THE ONE MOST WISE THING THAT YOU CAN ACCOMPLISH.

And now let us look at the “ones who wait” for all these changes. What are they DOING? Rattling their mouths or fingers while “waiting for the sky or the riches of change” to dump on them?

Then we have a statement: “We must all come to recognize the poisons that doubt and fear represent.” Ah yes indeed, this Oracle would have you go right back to sleep instead of confronting what you doubt and why you fear. YOU FEAR AND DOUBT BECAUSE YOU DO NOT BOTHER TO GAIN WISDOM AND KNOWLEDGE FOR YOURSELF AND YOU ARE TRAPPED WITHIN THE PROJECTIONS OF SELF-STYLED LOSER-FAILURES. IN WHAT HAS THIS “ORACLE” SUCCEEDED? FOR WHAT IS HE WAITING AND WHO IS GOING TO MAKE THESE MIRACLES THAT EVAPORATE OPPRESSION AND ENSLAVEMENT—AND FOR WHOM WOULD THIS BE DIRECTED—FOR THE WASTRELS OF MANKIND? I DON'T THINK SO, BUT PERHAPS IN HIS NARROW WORLD OF LIMITATION AND CONFUSION, LA-LA-LAND IS THE SHINING STAR UPON WHICH YOU WISH AND DO NOTHING SAVE DESTROY OTHERS WHO ARE WORKING TO ACCOMPLISH SOMETHING. DON'T GIVE ME “MAYAN SHAMAN”—THE MAYAN SHAMAN WERE THE MOST BRUTAL MURDERERS SINCE SATAN PLANNED THE PARTIES.

He also says *SPECTRUM* readers are considered his “extended family”. Wow—so be it. And yes, you *Spectrum* readers, with *CONTACT* funds skived off the top—are PAYING this “oracle” who undoubtedly lives “off the land” and “God provides”. (???)

Then, as is presented, the rest of the paper is going to somehow tell you how to make it through this transition. Transition of what? If it is simply emergency shortages—you have done everything possible to get rid of your storage of food supplies. Oh, and you are going to get lessons on how to use generators—but how long will generators run WITHOUT FUEL? Moreover, has anyone, like your PhDs of Physics, thought about the electronic nullification through electromagnetic voidance, i.e., your generators can't even start and, if running, should this occur, will STOP. And, oh yes, it has all been TESTED and you are assured that the dastardly systems WILL WORK—preferably when most of the hemisphere in which you find selves is in the worst and most deadly winter season!

Now, forgive my lack of interest in inputting more—HAS THIS SPEAKER GIVEN YOU ANYTHING NEW OR RELEVANT?

People, you cannot chew off the hands of the ones who have struggled to feed you—without paying consequences for those foolish deeds. You WANT TO START OVER in hopes that somehow you will get DIFFERENT INPUT and disregard all that came before, for it might be more COMFORTABLE? You are taking away precious “TIME”, OF WHICH YOU HAVE LITTLE, playing Russian Roulette with selves.

Don't I want you to be prepared for emergencies and necessary happenings of shortages, etc.? Yes indeed, so much so that for a dozen years we have given thousands of pages to the topic, taken the moves

Elite Inroads Into Our Sovereignty

The fifth installment in the review of:
COMMON SENSE, An Introduction to The Dangers of The New World Order
 by George Humphrey

of people who are concerned only about their own power.

NAFTA AND GATT

“OUT OF WORK? HUNGRY? EAT YOUR IMPORT!”—seen on a bumper sticker

Just as the Elite have planned, and are executing their plans, for domination of Europe, they also have their eyes on the Western Hemisphere and the Asian nations. Their plan is very similar to what has been executed in Europe. What is different is that the American people have a deeper sense of liberty and independence, and are not cooperating as willingly as the Europeans.

NAFTA stands for North American Free Trade Agreement. It is a nice-sounding name, and a lot of people were conned into supporting it, but there is nothing “free” about NAFTA. The preliminary agreement, with Mexico and Canada, was negotiated by George Bush during the early part of 1992. As an international agreement, NAFTA needed a two-thirds affirmative vote in both the House and Senate. At the time, most Republicans were strongly supportive of this program, but only controlled 43% of the vote in Congress, while most Democrats (especially the Labor and Environmental factions of the party) were opposed to it. The Elite needed a Democratic president to strong-arm enough votes on this treaty to pass NAFTA by a two-thirds majority. Bill Clinton was their choice, as he was a member of the CFR and the Trilateral Commission, a former Rhodes Scholar and a guest of the Bilderbergers. The Elite-controlled press made Clinton their new man. **[H: Please note that this bunch also have made Hillary Clinton their woman! She has gone to the meetings, as a speaker, yet, when Clinton was too much a focus during his own sex trials.]**

The series of events that followed are interesting, to say the least. In early 1992, President Bush was riding a 64% approval rating (one of the highest positive ratings in modern times, from the Gulf War episode) and the Republican Party had lots of money in the bank for the coming election. Bill Clinton had very little name ID, and of the people who did know him, he had over a 35% negative rating (which is extremely high). At the same time, his campaign was broke, and those who cared to ask, knew Clinton had a tremendous amount of political baggage (Whitewater, Mena, drugs, sexual abuse allegations). However, Clinton’s face was suddenly on the cover of every major news magazine, and the articles were totally supportive, with hardly a mention of the scandals in which he was involved. At the same time many of the Elite’s top fundraisers started bringing in the cash to the Clinton campaign. However, Bush still had the situation well under control. Then, out of nowhere came Ross Perot on the *Larry King Show* and, within a week, the media across the nation was featuring Perot as a viable presidential candidate. Perot’s campaign took off like a rocket as people responded to his stated message of financial responsibility. In July, when the polls showed Perot could actually win the election, a very strange thing happened. Perot dropped out of the race (he said the Republicans were going to ruin his daughter’s wedding?). Then, when the polls showed that Bush had rebounded and was going to win the election, Perot suddenly jumped back into the race. All of this was

THE TRILATERAL COMMISSION

Moving right along, please: [QUOTING:]

EVENTS SINCE 1950

“We shall have World Government, whether or not we like it. The only question is whether World Government will be achieved by conquest or consent.”—James Warburg, (Rothschild agent, speaking to a Senate Subcommittee, 1950)

Since the Second World War, life in America has changed radically. Many of the changes have come from new technologies that have been introduced to the public in the last fifty years: television, public transportation by jet airliners, fax machines, answering machines, VCRs, CD players, cellular communication, computers, etc. Though most families have more technology (tricknology?) at their disposal than they did fifty years ago, a relevant question is whether American families are better off. The answer to that question is very subjective; however, my belief is that a high percentage of families are not as close or as happy. This is not to say that technology itself is bad; however, we must be aware that advanced technologies are being used daily by the Elite to invade our privacy, and to change our way of thinking. The Elite have taken numerous actions (using both the new technologies and the old ways) in the last decades to manipulate the public toward their master goal. The following are descriptions of organizations and events that are affecting the sovereignty of our nation and our personal liberties.

THE BILDERBERGERS

In 1954, at the Bilderberg Hotel in Oosterbeek, Holland, Prince Bernhard of the Netherlands called together a meeting of 300 of the most powerful individuals, corporate CEOs and political leaders of the world. This core group of the Elite meets once a year, usually in early June, at different locations around the world. They have been named the “Bilderbergers” (the word means to build a mountain), after the original hotel in which they met. Their meetings have been surrounded in incredible secrecy and the established news media, which is owned by many of the participants, would not report these meetings. The good news is that, in the last few years, some government officials and media outlets are now quietly acknowledging and talking about the Bilderbergers (the reason for this change is that the *Spotlight*, a populist newspaper, has been persistent and courageous in following and reporting on their meetings).

“The Trilateral Commission is international and intended to be the vehicle for multinational consolidation of the commercial and banking interests, by seizing control of the political government of the United States. The Trilateral Commission represents a skillful, coordinated effort to seize control and consolidate the four centers of power—political, monetary, intellectual and ecclesiastical”.—U.S. Senator Barry Goldwater

In 1973, David Rockefeller, together with Zbigniew Brzezinski (who is openly a Marxist), established the Trilateral Commission. This organization is wider in scope than the Bilderbergers. The Trilateral Commission is made up of business and labor leaders, economists, bankers, politicians and media owners from Japan, the United States and Europe. Though most members are not as close to the epicenter of the Elite, the Trilateral membership is powerful and fully focused on the creation of the One World Government.

THE COMMON MARKET/ THE EUROPEAN UNION

The Elite know that to accomplish their goal of a One World Government, they must proceed in increments. First, they attack the underpinnings of nationalism in the media. Then they organize consortiums of nations for “free” trade markets. Then they subtly consolidate the nations who have opened their doors to international commercial regulations to international political domination.

The Elite’s plans for Europe are much further advanced than in America or in Asia. Originally, the Common Market was sold as a way that European farmers could open up their markets. After the Common Market was accepted, the concept and scope grew. Citizens in different European countries were told that their nations would lose tremendous amounts of business, and be severely hurt, if they did not join the consortium. After the Europeans were fed years of propaganda about the economics of the Common Market, the political aspect of a Union of Europe was introduced, and is well on its way to reality. To many, this was a surprise, but to those who have studied history, this plan has been around for a long time. Six hundred years ago, the Knights Templars had plans for a United States of Europe under their control, and the Bilderbergers have been working for this objective since their first meetings. Clearly, open markets and political cooperation are very smart and appropriate objectives to pursue; however, the European people are well on their way to being tricked into surrendering their national sovereignty and personal freedoms to a handful

very strange, unless you believe in the political adage, “Presidents are not elected, they are appointed.” The final result was that Bill Clinton was “elected” our 42nd president, with less than 45% of the vote. Bill Clinton, who spoke hardly a word about NAFTA during the election, “suddenly” made it his number one priority. Twist arms, cajole and make promises he did, and when the smoke was cleared, NAFTA was passed.

The supporters of NAFTA have said it would create more jobs. In reality, NAFTA has already cost America over 400,000 good-paying manufacturing jobs. The supporters of NAFTA said that it would help our balance of trade. Before NAFTA, we had a positive balance of trade with Mexico. Today, we have a very significant negative trade balance with Mexico. Is NAFTA a “free” trade agreement? No, the agreement is stacked against the U.S.A. Is NAFTA good for the environment? No, Mexican growers who spray their crops with DDT and other toxic chemicals can freely bring them into the United States. NAFTA also has the added dimension that states such as Texas or California cannot enforce their own state laws; if there is a dispute with NAFTA, the dispute goes to an international tribunal! Today, Bill Clinton is pushing a proposal to include more nations in NAFTA.

GATT, which is coordinated by the World Trade Organization (WTO), is another international trade agreement focused mostly with Asian traders. It strips away the independence of Congress and the American people to protect the American economy. In 1994, Mickey Kantor, an official who supposedly was representing America, said, “GATT represents the New World Order in trade”. The sad reality is that both NAFTA and GATT are destroying our economic independence, and very few Americans are even aware what is happening.

WACO

“If you want a picture of the future, imagine a boot stamping on a human face...”, from George Orwell’s book, *1984*

A constitutional republic can exist only if the people take their responsibility as citizens seriously to protect and insure a fair and unbiased judicial system. Unfortunately, our judicial system, controlled by the Department of Justice, is either totally incompetent, or in collusion with the Elite.

In 1993, the ATF (Alcohol, Tobacco and Firearms), a division of the United States Treasury, surrounded the living quarters of a religious group called the Branch Davidians, living at Mt. Carmel, close to Waco [Texas]. The ensuing, unprovoked attack, using high-caliber automatic weapons and machine-gun fire from helicopters by the ATF on American citizens, many of whom were women and children, represents one of the most vicious episodes in our history. The Davidians were able to temporarily fight off the ATF, and many people on both sides were killed. For the next fifty-six days, there ensued a standoff. On April 18th, Janet Reno [U.S. Attorney General] gave a speech saying her main objective was “to protect the children”. On April 19th, the FBI and ATF, using tanks, injected “CS” gas into the living quarters of the Davidians and ignited this toxic substance, causing the wood-framed structure to rapidly burn. The ATF then claimed that the Davidians committed suicide. However, infrared movies taken out of government planes that were

circling over Mt. Carmel, show a tank injecting the gas and, after it was ignited, many of the residents were machine-gunned as they tried to escape. This evidence can be seen in the movie, *Waco, Rules of Engagement*, and is highly recommended. The following are just a few points that we might want to consider.

1. The ATF had no legal search warrant.
2. David Koresh had sexual relations with more than one woman, but he was never a child molester, as claimed by the ATF.
3. The guns that were at Mt. Carmel were all legally owned.
4. If the ATF or FBI had wanted to talk with Koresh, why didn’t they just pick him up at the neighborhood store that he went to three times a week?
5. Why did the ATF not allow the fire department to put out the fire? Why did the ATF order bulldozers to destroy all of the evidence?
6. Most Americans are not aware that every Davidian survivor was tried on three felony counts in a U.S. Federal court in San Antonio. The jury unanimously found all nine not guilty of all three counts.

David Koresh’s brand of religion and spirituality do not reflect my way of thinking, or that of most Americans. However, our nation was founded to preserve the freedoms of religion and thought. The slaughter of these people is unconscionable! If it were done by a rogue unit of the ATF and the perpetrators were punished, that would be one thing. However, this event was watched by the world, and there is clear taped footage and overwhelming evidence that the ATF exceeded all boundaries of legality and morality, and not one person has even been reprimanded by the Department of Justice.

There are spiritual reasons for all events; why this happened, I do not know. Just as the incident at “Brown’s Ferry” served as the catalyst for the Civil War, perhaps Waco will serve as a catalyst to wake Americans to the reality of political domination that exists today in America.

OKLAHOMA CITY

“From antiquity to modern times, history is replete with examples of ruthless and corrupt politicians who have shamelessly exploited and manipulated tragic events, and the criminal acts of a few to advance their own lust for power”.—William F. Jasper

On April 16th, exactly two years after the murders at Waco, another 168 American men, women and children were killed in the worst domestic terrorist bombing in the history of America. What happened at Oklahoma City was a classic example of: problem—reaction—solution. The building was blown up; American citizens were told that it was the work of “right wingers” and they were enraged; Bill Clinton introduced, and then passed, the “anti-Terrorist Bill”. This new legislation gives federal authorities sweeping new powers to involve themselves in local law enforcement.

The government’s story is that Timothy McVeigh, with the help of Terry Nichols, blew up the Alfred P. Murrah Federal Building using a 4800-pound fertilizer bomb, in retaliation for Waco. Period, paragraph and end of story—that is what they said on the nightly news, so it must be true. The sorrowful thing about this is that a majority of Americans probably don’t even

question or think about what happened. For those who have an open mind and believe that the truth is important, these points are worth examining:

1. General (Ret.) Parton, one of the top ballistics and forensics experts in the world, has conclusively proven that the blast from the type of bomb described by the government would never be able to create the damage that it did. Several other engineers have also supported his findings.
2. Several witnesses claim to have seen the OKC bomb squad in front of the building that morning.
3. Why were a vast majority of the FBI, ATF and Secret Service agents not in the building at the time of the blast?
4. Over half-a-dozen witnesses have testified they saw McVeigh with others on the morning of the 19th. Why were these witnesses not allowed to speak at the McVeigh trial?
5. Federal marshals in Denver were notified that the building was going to be blown up, three weeks before the blast. Why was this information not allowed at the trial?

6. The FBI hired Carol Howe to go undercover and spy on a group in Elohim City, OK. She reported to the FBI, three weeks before the bombing, that this group was planning to bomb the Murrah Building—just as they had attempted ten years previously! One of the leaders of the group, Andreas Strossmeir, was a German national, whose family had connections with the German CIA. He was never questioned and has left the country. All of this information was heard in a court in Tulsa, OK, in September of 1997, and yet the established media reported NOT A WORD OF IT.

7. Why did the governor of Oklahoma order that the building (evidence) be destroyed, without giving the defense time to inspect what happened?

In respect to this case, these are just a few of the points for which citizens should ask and get answers. After studying the evidence, it is clear some government officials had prior knowledge of this planned event. It is also clear that there were multiple blasts to bring the building down and that several people were involved. Why this was allowed to happen is unknown, and why the truth has been suppressed is criminal.

UFOs

“Know the truth and the truth shall set you free”—Jesus, *Gospel of John*, 8:32

What is the definitive truth about Unidentified Flying Objects (UFOs)? Well, no one of whom I’m aware really knows the full truth! It is known, however, that several hundreds of thousands of Americans and millions of others around the world, have reported seeing UFOs. It is also known that thousands of Americans (and others from around the world) have claimed that they have seen or had contact with intelligent life forms that were not human. Does that mean all of these sightings and reported contacts were of extraterrestrials? Of course not. On the other hand, does that mean that all of these people were seeing: swamp gas, weather balloons, helicopters or were delusional? Of course not.

Five hundred years ago, the accepted belief was that the world was flat. Three hundred years ago, people were burned at the stake if they had the audacity to believe that the Earth revolved around the Sun,

Resistance to Tyrants Is Obedience to God

The sixth and final installment in the review of:
COMMON SENSE, An Introduction to The Dangers of The New World Order
by George Humphrey

HATONN-dharma Rec. #1 7/31/99

A PERSONAL NOTE OF THANKS: Debbie, thank you for taking responsibility and sharing strength with my beloved Pearlina Robert. Sometimes the way is so difficult, but with perseverance and KNOWING that there is a lifeline and no "ALONE" IN ANY CIRCUMSTANCES, we can learn to share and hold out a hand, for there is no one living or "dead" who doesn't need that touch out of the loneliness of watching seeming "friends" drop away and go their separate way. These are NOT, however, friends, and they need to experience in the mysticism of non-reality. But KNOW, chelas, you who think you have reached none—THEY "KNOW" AND THEY CANNOT EVER "REALLY" MOVE BACK WITHIN NOT-KNOWING—NO MATTER HOW HARD THEY TRY.

Debbie/Ellen, would you also touch her personally with a note, as well as send her this particular writing, for you will find it most helpful to her at this particular time.

Also, Dharma received a loving letter here in Manila from Mary A. Glogowski (Illinois). We will make an effort to find the products recommended by her for health improvement. We also appreciate the booklet on a certain product, which I may not advertise here. However, I will be, soon, covering in depth the use and value of Amino Acids and anti-aging, as in Human Growth Hormone production. I simply have not gotten to ability to squeeze it into the presentation schedule. These are your major building blocks for good bodies. Please look up her address there, for I won't put it in the paper, and make sure she gets this writing as well. She takes the paper, but I want to use this as both acknowledgement and appreciation. And to Mary Ann, you are BUT A CHILD YET—do not count those silly "death-days" (as opposed to "birthdays") coming around annually. The rest of our people should be so well as you—at any age. God loves you and holds you close, beloved friend. And, so too does THIS "Dad"!

Also, make sure that Wally Gentleman starts getting these writings. You don't need to FAX, just mail. He needs to get copies of the paper and, frankly, I think the mailings of same may well have stopped. We also need to check on the status of LITTLE CROW—for we grow very, very close to needing ACTIVE input (participation). Yes indeed, we are at the threshold and ready to step across. I thank all of you who abided with me in "the garden", standing watch and doing the job in the face of all the adversity. It shall soon be a wondrous memory, those hard times.

RESISTANCE TO EVIL AND TO TYRANTS

"RESISTANCE TO TYRANTS IS OBEDIENCE TO GOD"—Thomas Jefferson

I'm sure that the Native Americans might not see Thomas Jefferson in the same light as would a "white eyes", but we will let that go for now, without any intent to offend the Native Americans or SLAVES of any color—which, frankly, were mostly made up in early America by indentured WHITE persons from Europe. How quickly man forgets his own history, which of course, is totally intentional by the Power Elite. Remember: Three generations is all it takes to wipe out historical truth from the face of the Earth—especially if you have diligent cover-up agents on full-time duty changing facts to fantasy. "Jesus" is a very good and clear EXAMPLE of that type of rewriting, to whatever might be desirable.

As we move on past the miserable repeating and reminding of what has taken your world, we will move on into more of the very physically human things which will undo that bondage. And yes, there will be the Martin-Cortrights and Neils, etc., who will tell you it cannot work. BUT, I also remind you that WITH GOD, OF WHICH YOU ARE A PART, ALL THINGS ARE POSSIBLE WHICH CAN BE CONCEIVED IN THE MIND INTO THOUGHT—AND THUS MOVED ON INTO "CREATION" OR "MANIFESTATION". So be it—hold it in your conscious mind, for those who can't believe or KNOW of this one truth, will. When "critical mass" is reached, through distribution, IT WILL COME TO MANIFEST—whether the dissenters like it or do not. I REPEAT, THEREFORE: WE HAVE PASSED CRITICAL MASS IN PRESENTATION OF OUR "PLAN 2000", SO IT CAN ONLY MOVE ON TO MANIFESTATION AS MAN REALIZES OPPORTUNITIES ABOUNDING IN BOTH ABUNDANCE AND CAPABILITY. MOREOVER, WHEN YOU ERR ENOUGH TO TELL GOD THAT HE CANNOT DO A THING—WATCH IT HAPPEN EVEN MORE QUICKLY!

This Plan, however, is for MAN and therefore it must have participation by those who stand in faith and willingness to do the human tasks—for all of the non-REASONING creations and creatures MUST RELY ON THE "REASONING" LEADERSHIP. This is why it is said that it actually "only takes ONE"—but you do, certainly, need at least ONE. WE HAVE MANY, SO TO CONSIDER THAT WE "CAN'T DO A THING ALREADY THOUGHT INTO MANIFESTATION", IS BOTH LACK OF

UNDERSTANDING OF "CREATION" AND FOOLISH IN BASIC CONCEPT OF THAT WHICH "IS" GOD!

This is why I do not deal in "religions", but in direct THOUGHT connection to Creative Source—the limitations are brought most severely and limiting BY RELIGIONS CONTROLLED BY THE POWER ELITE.

YOU CANNOT MOVE FROM KNOWING BACK TO UN-KNOWING, FOR THAT IS MOVING FROM HAVING COME TO KNOW SOMETHING TO A STATE OF IGNORANCE, WHICH IS IN TURN SIMPLY A STATE OF REFUSING TO RECOGNIZE—BECAUSE OF THE "RESPONSIBILITY" THAT ALWAYS COMES WITH "KNOWING".

I again make reference to our need to stress things stated by the use of capital letters, for our computers are not compatible for carrying the "stress tools" from one to the other, and that "other one" has to be the one used for further distribution of the material—this one is only used by dharma for typing. It is fine until abundance comes—WITH "TIME" TO RETRAIN THE MINDS FOR USE OF NEW EQUIPMENT. IT IS NOT WORTH THE TIME SPENT WHEN WE CAN DO IT THIS WAY. SO, EDITOR(S), PLEASE DON'T SUFFER WITH IT—WE WILL GET OUR HOUSE IN ORDER AND, IN TIME, OUR ROUTINES ADJUSTED. People need the INFORMATION, not the fancy footwork or any Editorial limitations or changes. We of the higher brotherhood are capable of expressing ourselves to get our points across to those who read, and for whom certain details are intended.

Dharma, I would like, please, to just copy in the chapter 4 as to "future plans to dominate America", and the comments of Mr. Humphrey regarding these issues, and then we can go forward from there.

[Contact information for Mr. Humphrey is at the end of the text.] [QUOTING:]

THE ELITE'S FUTURE PLANS TO DOMINATE AMERICA

"Resistance to tyrants is obedience to God"—Thomas Jefferson [H: THIS SHOULD NEVER INVOLVE "WAR". TO CONFRONT AND RESIST TYRANTS WHILE REVEALING THEIR SECRET INTENTIONS AND ACTIONS IS SUFFICIENT—FOR GOD WILL PROVIDE THE METHODS AND THAT WHICH IS NEEDED TO PREVAIL—IF YOU ASK IN SINCERE TRUTH.]

America is experiencing radical changes that are affecting the quality of life of each and every person in this country. We have seen in our economy: a. the Fed turn our banking system into a shambles; b. radical increases in total government, corporate and personal debt; c. relative total government taxation that has increased significantly; d. our national trade balance, which at one time made us the wealthiest nation on earth, become the highest negative trade balance of any nation; and e. stock market prices increase at rates far in excess of true value. Socially, we know there is more crime; we know that our civil liberties have been eaten away, and our major media outlets are feeding us a steady diet of misrepresented "news". Politically, the Elite front groups control and direct both political parties in a Byzantine swirl of bureaucracy, while our Department of Justice turns a blind eye to justice when

it suits those in control.

No one knows the future! However, it does not take a prophet to understand that if the momentum of events that are orchestrated by the Elite are allowed to continue, then they will be well on their way to fulfilling their master plan. It is my belief that the next years will trigger a downward spiral of the market. This will be accelerated by foreign investors selling off both their stock and T-Bill portfolios, to take care of needed capital demands at home. In short, the stock market will see significant economic corrections (a major downturn), and millions of Americans, who have invested in IRAs, mutual funds and stocks, will see their equity dissolve. Furthermore, we must factor in the highly leveraged and extreme personal debt picture in the United States. If the market goes down, we can expect more bankruptcies to occur. Needless to say, if this happens, a lot of people are going to experience a lot of fearful emotions connected with their economic loss. This is exactly what the Elite want—a fearful population that is looking for help. Add on to this scenario one or more large-scale domestic “terrorists” events (blamed on citizens who are “opposed to the government”), together with significant racial violence in our big cities, and the political Elite will be able to declare Martial Law or enact the new “Anti-Terrorist” legislation. That would mean anyone who is not “politically correct” would be in danger. I pray that this will not happen.

Just as Adam Weishaupt and the Illuminati planned the French Revolution, there is an accelerating trend toward orchestrated chaos in America. The Elite know that they have to break the economic, social and political structure of America if they are going to achieve their goal of a One World Government. This certainly is not pleasant to think about, and it is much easier to ignore this information. However, if we want a nation where our generation and our children enjoy freedom and equality of justice, then we have to awaken and take corrective action. As Benjamin Franklin said, “MAKE YOURSELF SHEEP AND THE WOLVES WILL EAT YOU.”

[H: Before we move into the final chapter of this presentation, I want to thank the people who have presented the information so succinctly and summarily done. I also wish to thank, PAY ATTENTION, the teacher, SATHYA SAI BABA, and to you who might have wonderment at this interruption, CHECK IT OUT. You around home town can check with Eric. Sometimes it is hard to stick with a Teacher when all the others around are not interested in your viewpoint. This is, however, the way in which the MASTERS check their own students, so do think carefully about all things—for what you THINK is what you will CREATE.]

WHAT WE CAN DO TO PROTECT OUR NATION

LIFE IS A CHALLENGE, MEET IT!
LIFE IS A DREAM, REALIZE IT!
LIFE IS A GAME, PLAY IT!
LIFE IS LOVE, ENJOY IT!—Sathya Sai Baba

The challenges that we are facing as a nation and as a society and, most importantly, our own personal challenges, will be significant in the coming years. For most who read this information for the first time, there probably will be a whole array of emotional responses. Most people initially respond in disbelief. The second response oftentimes is one of sadness, together with a

feeling of helplessness—“How could these people have so much power?” Or, “What could one person do about it?” A third response is anger—“How could these people get away with these things?” To meet the challenges we are facing to free our nation and heal our society, it is important to know that we have to start with ourselves. We need to understand that the first battlefield is in our own hearts and minds.

A great example of how positive change can occur can be seen in the history of the Indian Independence movement. When Ghandi first returned to India to lead the Independence movement against the English, there were about 250 million Indians and only about 450,000 English. The numerical odds were completely in favor of the Indians who supported Independence. However, the Indian people felt “powerless”, and because of this subconscious belief would not effectively organize or take action. Ghandi realized that he needed to teach the Indian people self-confidence. Through constant personal demonstrations of selflessness, intelligence, knowledge, courage and love, he paved the way. In every village and town he went, he would always repeat the same words, “IN THE HEART OF EACH PERSON IS THE SEED OF THE UNIVERSE.” Eventually, when enough individual Indians “got it” [H: CRITICAL MASS] (that they had personal power), independence was achieved through nonviolent revolution.

Numerically, the relative numbers of American citizens who want to protect our *Constitution* and preserve our personal liberties, compared to those who are part of the Elite, is an overwhelming percentage. Yet, just as Ghandi found the citizens of India lacking self-awareness, many of the people of our great nation have been hypnotized into an apathetic slumber. *It is up to each of us to awaken to our personal responsibility—one person can make a difference and each of us needs to do our part!*

Many of the events that are taking place seem like a bad dream: debt, crime, manipulation, etc. However, this period of time has been the focus of prophecy for thousands of years by almost every major religion. The ancient Vedic scriptures, which are over four thousand years old, are very articulate concerning this time frame. The ancient Indian Rishis (Saints) described that society would experience four distinct phases, or seasons, which they called Yugas. The Yuga that we are in at the current time is called the KALI YUGA [H: TIME OF CHAOS], which is the time of restlessness, materialism, societies in turmoil and people forgetting God (sound familiar?).

[H: THIS is why I suggested that a “receiver” must identify self, for you are in the midst of such Chaos that when a receiver comes forth with the very name of Chaos (KALI)—beware. And if you are confronted by one who actually calls himself a “shaman” (mystical “witchdoctor”) or an “Oracle” (mystic diviner)--BE CAREFUL. AND, BRETHREN, IN THAT SPECTRUM CIRCLE—YOU HAVE BOTH—NOT TO MENTION ONES WHO CLAIM TO RECEIVE FROM “SANANDA” (PLEASE GO LOOK THAT UP IN EGYPTIAN HISTORICAL REFERENCE), AND CLAIM TO HAVE ETHERIC COMMUNICATION ON THE LEVEL OF “GOD” OR “SOMEONE” INVISIBLE—ONE-ON-ONE IN THE ASTRAL PLANE—you are dealing with serious imposters of TRUTH

PRESENTATION. I DO MEAN SERIOUS!]

The old Indian Rishis wrote that this would be a very trying and difficult time for everyone, and that ultimately, the only way to protect our world, society, families and self, was by FAITH IN GOD and living by these five principles: 1. TRUTH, 2. PEACE, 3. LOVE, 4. NONVIOLENCE, 5. RIGHT CONDUCT. When the Rishis wrote about these principles, they were clear to state that this did not mean allowing bullies or tyrants to have their way. What they said was that every person had the right to protect these values. If a tyrant was transgressing these sacred principles, the individual and society must respond—not with hate or malice, but with a calm and detached mind, to restore justice.

Other religions have also prophesied about this time. The Mayan calendar points to the year 2011 AD as an extremely tumultuous period.

[H: I remind you, however, that the Mayan calendars actually, for proper counting, ended in 1987—you are now in the NEW ACCOUNTING—but this will be as in revolutions counted as “add onto that which was ongoing”. You will also perhaps recall that I told you the major recognition of the “Photon Belt” passage would be at its greatest around 2011 and 2012 as the counting continues. THIS is a physical phenomenon and you MUST heed the warnings of the damage that can be shed upon the unwary living forms. If you add to this, the ignition of the Radiation Belt, you are in for the troubles we spoke of, and were subsequently tormented about and ridiculed as “kooks” with welding glasses. If we cannot move past the violence, we will be experiencing that terrible day—so stay prepared. You are already INTO the Photon Belt and that, added to the LIGHT LASERS available to the adversary (which took down Kennedy), you have trouble abounding all around you already. However, keep within the shield of the LIGHT of God and you will be OK—but keep those dark goggles for protection, HANDY.]

The Hopi Indians have prophesied for two hundred years that the END OF THE WHITE MAN’S RULE in America would start unraveling when a white buffalo was born (a white buffalo was born in Wisconsin in 1994). [H: Note also that even the scribbled Hopi Prophecies are not presented beyond 1999, except to state that it would be so incredible that they would not yet present them. We have followed them for the past dozen years and concur.] The Jewish *Torah* is full of warnings and stories about societies where the people would forget God, and then suffer the consequences. In the *New Testament*, special attention should be focused on *Revelation*. John, the loving disciple of Jesus, wrote *Revelation* in his last years, and this chapter is truly inspired (IN SPIRIT). Though many people have different interpretations of this writing, many believe its message has special significance for this period of time.

In every age, there have been individuals who were aware and connected with a special inner guidance. Nostradamus, the French mystic, had many visions of turmoil that would occur in this age. Edgar Cayce, who is the most famous American visionary, repeatedly warned people about the coming troubles for our society unless we, as a society, “cleaned up our act”, by reforming our government and refocusing our attention on spirit. Swami Yogananda, who authored the famous

book, *Autobiography of a Yogi*, often talked about the dangers of Communism and the economic philosophy of living in debt. He saw that America was headed for a greater depression than what we experienced in the 1930s, and in the book *The Road Ahead*, about Yogananda, it says: “*However much one tries to dignify excess spending in the name of ‘boosting the economy’, the fact is no one can exist indefinitely in a state of financial over-extension without offending against certain basic realities. Living continually on money that one hopes to get someday has always in the end proved disastrous—as much so for nations as for individuals.*” All of these “saints” and “visionaries” realized that life is very much like a dream, and for us to live to the fullest, we need to focus our attention on God and give selfless service to our society.

A good analogy for today’s situation is that life is like a game, and that a very important part of the game is to create a peaceful society where there is equal justice for all. So how do we play this game? Following are some basic guidelines to how we can protect our national sovereignty, reestablish a sound economy and preserve our personal freedoms:

[H: PLEASE ACCEPT THESE SUGGESTIONS AS OFFERED BUT DO NOT FORGET, FOR ONE MOMENT, THE PLAN OF GOD IN ASSISTANCE TO A DESPERATE HUMANITY, AND “STAY TUNED”.]

1. **Start every day and begin every action with a prayer.** Everything is in God’s hands and until and unless we really understand this reality, we will just be running around in circles. **[H: Yes, and it seems every day there are more and more, WHO SHOULD BY NOW KNOW BETTER, hopping onto that wheel to travel in the worn and endless cycles of backward spiral.]**

2. **Get informed!** We all know that “something” is really wrong. Just by reading this booklet you have opened yourself! Ask the tough questions and please read the reference material. If only one-tenth of what this booklet says is true, and corrective action is not taken, it represents a tremendously pessimistic future for all of us. Knowledge is power!

3. **Stay positive!** As we said at the start of this chapter, most of us go through a series of protective emotional responses when we first become aware of the magnitude of the situation: disbelief, hopelessness and anger. However, none of these responses is going to help solve the problem. These are exactly the subconscious beliefs that the Elite are trying to program into our minds. Frank Baum’s wonderful children’s story *THE WIZARD OF OZ* is, in fact, a very serious political metaphor for what has happened in our world. Think about these symbols within the story:

a. The Yellow Brick Road is representative of the “gold” standard—“FOLLOW THE MONEY”.

b. The Wizard is the secretive and all-powerful man behind the scenes, while Oz is the abbreviation for OUNCES.

c. The “Straw Man” represents the farmers who have not had the brains to figure out they have been cheated.

d. The “Tin Man” represents the industrial workers who have been used to the point of losing their hearts.

e. The Lion represents England, and the lack of courage in dealing with the Elite-owned banks.

f. Dorothy represents the honest, loving qualities of American citizens.

g. The people who live in Oz represent us: people who are manipulated by, and afraid of, the Wizard.

h. Toto, the tiny dog, represents loyalty and fearlessness, and in the end, when Toto pulls back the drapes, the Wizard is just a little, old, sad man who really just wants to go home!

What a great story because, in reality, all we have to do is pull back the facade of the banking, media and political system, to realize that the Elite are controlling us with images.

[H: With all this in mind you can see WHY the Power Elite, who control such as the “Monarch Butterflies” of such as Cathy O’Brien, latch onto and carry through the Wizard of Oz so that the “theme” is maintained. “Stupid is as stupid does.” The Power Elite are so individually egotistical that they overlook what the plan actually IS.]

4. **Protect your personal economics!** Following are some thoughts about personal finance:

a. Get out of debt as fast as possible.

b. If you are in the stock market (stocks, mutual funds, IRAs) take your profits and get out now.

c. Put any remaining assets in income-producing property, land, GOLD or short-term T-Bills. **[H: NEVER MIND WHAT THEY ARE TELLING YOU ABOUT GOLD—THIS IS THE TIME TO START GETTING IT, WHILE THEY ARE TRYING TO DESTROY THE PRICE OF GOLD. OR, YOU CAN HELP US MAKE IT THROUGH AND INTO THE PROGRAM WE HAVE ALMOST ACCOMPLISHED IN GOD’S PLAN 2000. WE HAVE BEEN APPROVED AND WE ONLY NEED TO BE ABLE TO KEEP THE PAPER GOING, SO THAT “YOU” CAN GET INFORMATION AND BASIC INSTRUCTIONS AND SAVE YOUR RESERVE “EMERGENCY” SUPPLIES. IT IS DOWN NOW TO COSTING VERY LITTLE, BUT TO MISS EVEN ONE ISSUE OF THE PAPER FROM NOW ON IS GOING TO BE COSTLY TO “YOU”. WE ARE MOVING INTO THE NEXT “BUILDING” PHASE AND TURNING-AROUND PHASE. THINK CAREFULLY BEFORE YOU TEAR OFF YOUR OWN FUTURE POSSIBILITIES BY FOLLOWING THE “SERPENT IN THE TREE OF KNOWLEDGE”, WHICH IS MOVING YOU TOWARD AND INTO MYSTICISM AND FORTUNE TELLING.]**

5. **Create community!** We are all going to need as many good and trusting friends as possible in the coming years. One of the things we all might want to consider is buying land in the country with like-minded friends where we could grow some food and live.

[H: Now, you who wish to tag-the-leader of the Spectrum GROUP, KNOW THAT IT IS NOW CONSIDERED A “FULL-BLOWN CULT”. However, you may well wish to test this wondrous groupie: MAKE THEM PRESENT THEIR TEACHERS/SPEAKERS—VERBALLY, IN MEETINGS, AND TAPE IT. YOU WILL BE BETTER ABLE TO PICK UP THE ENERGIES INVOLVED—BUT MORE IMPORTANTLY, THEY WILL NOT “WISH” TO EVER PARTICIPATE IN SUCH MANNER. EVEN BETTER WOULD BE A “CONFERENCE” CALL WITH ME, HATONN/ATON, AND WATCH THEM FLEE! WE OFFERED ALREADY AND THEY REFUSED AND REFUSED—WHAT

DOES THAT TELL YOU? YOU HAVE NEGATIVE ENERGIES!]

6. **Share this information!** The book, *THE HUNDREDTH MONKEY* (RE: CRITICAL MASS), by Ken Keyes, says new ideas or processes are initially resisted by the population. The theory states when a “critical mass” of about 4% of the population understand a new concept, then it is quickly accepted by the majority. The number of people who are becoming really aware of the Elite has increased dramatically in the last few years, especially with information being passed along on the Internet. It is especially important to talk with as many people as possible and give them books to read or videos to watch. Remember: do not be frustrated if people don’t agree with you at first—these ideas take time to digest!

7. **Take political action!** Here is where the rubber meets the road! Realize that the leaderships of the major political parties are not going to respond to these issues! However, a few elected representatives might “get it”—don’t ignore the people who are presently sitting in positions of power, especially at the local level. Give your elected officials information and talk with them personally—know that most of these people are totally unaware of what is happening. Most importantly, the citizens of America need to organize and form another political party now! **[H: AND THAT IS EXACTLY WHAT WAS WORKING DILIGENTLY TO ACCOMPLISH FOR JOHN KENNEDY, JR. It offered Perot a bad enough time, but this was so serious that the man himself simply had to be removed to stop the popular movement to that direction and leadership. At the very least, John would have been run for Senator—knocking out, totally, Hillary Clinton and splitting all the other parties.]** This party needs to be based upon CONSTITUTIONAL PRINCIPALS: 1. Repeal of the Federal Reserve Board Legislation and the return of our economy to Constitutional money; 2. Repeal of the IRS and replacement of it with a very limited National Sales Tax; 3. Return of powers to the States, as set forth in the 10th Amendment of the *Constitution*; 4. Radically downsize Federal government; 5. Balance the budget and start paying off debt; 6. Repeal NAFTA and GATT. Some will say “this can’t be done!”. To those people, I say, read our *Constitution* and learn from history! Furthermore, if we don’t take these minimal steps soon, then our nation will cease to exist as a Beacon of Freedom. It needs to be stressed: we don’t have the luxury of time!

[H: Now, THIS IS URGENT AND VERY, VERY IMPORTANT: DO NOT JUST FLOOD THESE LEGISLATORS WITH CONTACT! (!!!) THAT WOULD BE THE MOST RAPID WAY OF GOING THROUGH ANOTHER INFORMATION INTERRUPTION. THEY HAVE WORKED FROM THE INSIDE OUT TO GET THE CONTACT CLOSED—DO NOT DO THAT WHICH WILL DUMP HARDER ON OUR LITTLE CREW, PLEASE. WE WILL GIVE YOU INFORMATION WHERE YOU CAN GET COPIES OF COMMON SENSE, EASILY AND CHEAPLY—AND FLOOD THEM WITH THAT COMPILED INFORMATION. WE PREFER THE ADVERSARY NOT KNOW ALL OUR STRATEGIES IN THE FIRST PLACE, AND WE SIMPLY DON’T WANT THE HEADACHES OF DEFENDING ANYTHING—LIKE FREEDOM OF SPEECH AND THE PRESS. WE MUST REMAIN “FREE” TO LATER TOTALLY

SUPPORT, IF NECESSARY, THESE DARING CITIZENS AND AUTHORS AND WE CERTAINLY SHALL ABUNDANTLY DO SO. WE MUST ALWAYS WORK IN PROPER SEQUENCE. AND REALIZE THAT THIS BOOK WAS ACTUALLY PRESENTED TO “US” BY JACK ADAMS (THANK YOU AGAIN), AS AN INCLUSION IN THE “CHRISTMAS” BOX OF “PILLOWS”, WHICH HAS SAVED THE “NECKS” OF OUR SCRIBES HERE.

These people have done some very professional audio tapes in addition to the printed booklet. Please, use that and do not just pass out CONTACT as sole reference to those national politicians. They simply can't handle more than one bite at a time.]

Most of this booklet has been based on direct and objective information. However, life is not always objective. The reason that we are all here is not just to reform political or economic structures. It is to become aware of our relationship with God. If the truth be told, every major religion in the world shares these principles: love yourself, love your neighbor, tell the truth, live in peace and have FAITH IN GOD.

For those who are aware that we literally will have to start another American Revolution if we are to rid ourselves of the impending tyranny, I ask you to realize that this “war” has to be different. It is not going to be a war with a definitive start and finish, and it will be a war of ideas. For those who believe in freedom and the ideals of our *Constitution*, it may well be a very difficult time that will test our spirit. Hopefully, we will quietly reflect upon, and incorporate into our lives, the principles of love and truth that all of the major religions have in common. Through this time we need to remember that, “we give power to that which we oppose”, and that it is important for us to be “FOR” the ideals of the *Constitution* and the *Bill of Rights*, and not just “against” the Elite. Remember that, though the members of the Elite may have titles, money and prestige, they are much like the Wizard in the *The Wizard of Oz*—sad people who have forgotten God and are acting out of fear—they need love. Most importantly, we need to remember to love and believe in our own selves, to love our families, have faith in God and to enjoy this wonderful adventure we call life.

[H: Humphrey has offered some quotations from THOMAS PAINE. I WANT TO REMIND YOU THAT LONG, LONG AGO I TOLD YOU THAT THOMAS PAINE IS THE ACTUAL “FATHER” OF YOUR AMERICAN NATION. I NOT ONLY SUGGEST YOU MAKE SURE TO READ COMMON SENSE, by Thomas Paine but get a copy, probably from a library, or borrow the one from Dharma's basement library—TO SPIT AGAINST THE WIND—the tale of Thomas Paine. IT READS LIKE A NOVEL AND YOU WILL NOT WISH TO LAY IT DOWN EVEN FOR A BREAK.]

These quotes are all from Thomas Paine, author of the original *Common Sense*. Paine's clear reasoning, together with his ardor for freedom, helped ignite the move for American independence.

“A long habit of not thinking a thing wrong gives it a superficial appearance of being right...”

“These are the times that try men's souls...Tyranny, like hell, is not easily conquered.”

“The cause of America is in a great measure the cause of all mankind.” [END OF QUOTING]

Now, let us give you some reference material and “how to get”:

The following listings are simply offered because the author offered them. No, I do not either recommend them nor discount them for they happen to be that which was utilized by this author for his publication. I happen to feel there are other publications and authors extremely important and who did, in fact, write on these topics long before any of the authors named. You must understand that at the top of listings are such as Mullins, Coleman, Sullivan, etc. I offer these because it is offered by this writer from which we glean this information. [QUOTING:]

My suggestion to my team back home in the States—get the tapes and you will want to get together to listen so that you can discuss the information, relate it to what you have received from us over the years—and be prepared to move forward. We have not really lost credibility—we have simply shifted off the deadbeats and deadwood who chose to take the “mystic” pathway with the self-proclaimed “seers”. It is fine to play with those toys, but when you present prophecy—you have to be very clear on it being 100% accurate. What is coming out from most of those mystic “eyes” and more illusive “mouths” is simply not valid, and you can KNOW by the numbers of things that DID NOT HAPPEN as presented and all the “excuses” in the world will not make it valid.

We are working diligently to get our work accomplished in such a way as to be able to support all the producers of information, including such as *The Spotlight*, and such as George Humphrey, along with Cal Burgin. And no, I don't mind that Cal has continued to service the *Spectrum* group—it is about the only REALLY GOOD INFORMATION they offer! Please support Cal's publications and never fail to mention that Hatonn (and Ekkers) sent you! Thank you and good afternoon.

Sorry, Dharma, we have to stick right with this until we work our way through it and see that it is, at its heaviest load, a TOTAL JOY, so we rejoice in our progress.

And to our friends, know, please, that “FRIENDS ARE THE GLUE THAT HOLDS A WORLD TOGETHER”. BETRAYERS AND DESERTERS WERE NEVER TRUE “FRIENDS” FROM THE BEGINNING, FOR THEY ONLY LIVED IN PRETENSE UNTIL THE GOING GOT TESTY. THESE PARTICULAR “PLAYERS”, HOWEVER, ARE THE ONES WHO BRING THE MOST LASTING LESSONS, SO WE HONOR THEM AND RESPECT THEIR GIFTS. THEY HAVE A VERY LONG, HARD ROAD AHEAD OF THEM FOR, ONCE DISCLOSED, THERE WILL BE NONE WHO WILL HONOR THEIR WORD OR TRUST THEIR MISSION. SO BE IT.

HATONN-dharma Rec. #1 8/2/99

TROUBLE IN "RIVER CITY", WITHOUT COUNTING THE TROMBONES

It is time we got around to having some lessons in CREATING! We all SAY we "want to create this wonderful change-about in the world"—but DO YOU REALLY? No, you want someone else to do it while you WAIT. And if things don't go the way you are "told" by the adversarial troops—you hop on their tank and run over and smash the ones actually making the changes and who ARE creating "the way".

You can lie to self and to everyone else around you to cover your own realizations that somehow you have been "done in". Nobody is "done in" or "done to" until you yourself do something foolish according to the whims of adversarial troopers and preachers.

The Phoenix Institute loans are a very good example. You were not lied to and YOU WHO PARTICIPATED KNOW THAT THE PRICE OF GOLD WOULD HAVE TO DOUBLE BEFORE ANY LOANS WERE CALLABLE, EXCEPT IN EMERGENCY CIRCUMSTANCES. AND IF THERE WOULD BE EXPECTED EMERGENCY CIRCUMSTANCES, EVER, YOU WERE TOLD TO NOT PUT IN ANY MONEY AT ALL. How you interpret what you did seems to change with the whims of the adversaries who snatch and run—actually with YOUR FUNDS. But you then continue to bash ones trying to just get everyone clear and without, at the least, ANY LOSS.

You have now denounced ME, HATONN, along with Ekkers—WELL, DOESN'T THAT PRETTY MUCH TAKE CARE OF YOUR RELATIONSHIP WITH THEM, AND ME? If I no longer serve Ekkers, the Institute or YOU—WHO IS GOING TO ATTEND YOUR AFFAIRS AS REGARDS THAT INSTITUTE? DO YOU THINK RICK MARTIN, NEIL, YOUNG, ET AL., ARE GOING TO MAKE SURE YOU SUFFER NO LOSS? THEY USED YOUR MONEY, ALL THEY COULD GET, AND THEN TOOK MORE—WITH NO INTENTION WHATSOEVER OF PAYING YOU BACK, BUT RATHER, DESTROYING ANY POSSIBLE HOPE OF EKKERS DOING ANYTHING ABOUT IT, IN YOUR BEHALF. YOU BIT, AND YOU CAN CURSE EKKERS AND HATONN UNTIL YOU PERISH AND IT WILL ONLY DIG YOUR HOLE DEEPER AND DEEPER. YOU KNOW AND I KNOW THAT "HATONN" DID NOT GO ANYWHERE, ESPECIALLY WITH THE EVIL MISCHIEF-MAKERS. My question, therefore, is who is going to even begin to make things "right" with any of you? Ekkers and Hatonn, right here with old Dad—but NOT IF YOU DENY ME IN FAVOR OF THE LIARS AND CHEATS.

Many of you have even denounced old friends and run to scuttle the Ekkers and join the *Spectrum* group

and, moreover, kicked out your subscriptions to CONTACT. So, just how, now that you HAVE JOINED the establishment-censored press—are you even going to know what to do? Do NOT expect us to get in touch with you and twist your arms and legs. You have just made some very unwise choices and what it will cost has NOTHING to do with us.

A beautiful little lady from Illinois just wrote. She has been in the hospital with "the virus", was very sick but has fully recovered and is home "catching up". SHE IS 85-YEARS YOUNG!

In the very FIRST paragraph of her letter, she says: "Just a short note to tell you that the agreement I made with you initially was for keeping my money until gold doubles (her underline)...". She has been a friend and lender for MANY, MANY YEARS! Now, if she can remember such arrangements, is it not strange that others, told the SAME THING, have no notion of any such thing? Oh, everyone REMEMBERS, but simply now say otherwise. The problem is this: the Gold was never for the lender—it was for the Institute, to be able to borrow out funds for projects AGAINST THE GOLD. Therefore, with gold doubling, all are paid off in full, including the BANK. It is simple, and to say you can't understand is not acceptable. Who did you think would stand all the risk? Certainly banks do not take any risk AT ALL. And, if all you wanted to do was purchase gold for self—we told you over and over and over again that we were not and ARE NOT in the gold business, precious metals business or any other type of precious commodity business.

Did "I", Hatonn, say that gold would go to over \$2,000 an ounce? Yes, I said that it probably will—and was expected to hit that level long before now. BUT, THE ELITE GOT BUSY AND BROUGHT THE LEVELS DOWN TO BELOW PRODUCTION LEVEL TO TAKE OUT AND "BUY OUT" THE PRODUCERS, MINERS, GET ALL THE NATIONS OFF THE GOLD STANDARD, AND GENERALLY TAKE CONTROL OF THE WORLD THROUGH THE ECONOMY.

Do I continue to say gold will more than double from your time of LENDING? Yes indeed, it will triple or quadruple or more. We are probably going to start a whole gold standard in Southeast Asia and the price of gold against the dollar will be set right here. We will choose the value and it will likely be in a neighborhood of over double the going rate on the current market—to stabilize and draw in the gold supplies. I would expect the Southeast Asian economies to go with perhaps a QUADRUPLE of value of currency against the dollar, to perhaps up to a thousand to one. I.e., in the Philippines, where the Peso is around 40 to \$1, it will be the value later of quadruple (sic) value, say \$400 dollars to ONE Peso! And, yes indeed, there is plenty of gold available against THIS DAY (I told you a zillion years ago) in this area to foundation all currency. I would suggest that the IMF will immediately try to borrow money even at a high rate of

interest to survive—from these nations.

Can "we" do it? Of course we can do it—we are of God and HE has promised these people now working with us—and holders of the gold reserves, that this is exactly how it would and will be.

You who think we have wasted your funds on things like this project and other projects which have been ripped asunder by the thieves and goody-two-shoes claiming to be attached to ethereal perfection (who need censoring, by the way), are full of IT. Why? BECAUSE THIS IS THE PROJECT ALWAYS INTENDED—I REPEAT, ALWAYS, FROM UPSTART. I find it so interesting that you make your decisions that I am somehow a rogue dark-feeder on the basis of the very ones who have damaged YOU! If YOU wish to lose your shirts and pants—it is OK with me, but you will NOT BLAME ME OR MINE FOR YOUR FOOLISH ATTITUDES—NONE OF YOU LENDERS HAVE LOST ANYTHING, NOT A FARTHING, UNTIL YOU DESTROY THE INSTITUTE. THEN, ONLY THE ONES WHO DESTROY IT WILL LOSE ANYTHING—THE OTHERS WILL GET BACK MANY TO ONE. AND, very soon now, you will be able to pull out your loan amount—if the Institute stays WHOLE—but if the Institute is placed into bankruptcy (and receivership is worse, for it is FORCED LIQUIDATION per George Green) when gold is at its lowest level in God-only-remembers how long—it is over and gone. Why? Because it is all tied up in litigation, which bound the gold in holding until it was so decreased in value as to be claimed against the loans. BELIEVE ME, CHELAS, YOU NEED THE INSTITUTE AND YOU NEED THE EKKERS, "WHOLE" AND NOT DISTRACTED, TO SAVE A SHELTER OR SAVE AN ANYTHING. SOMEBODY HAS TO GET THIS JOB DONE WHO HAS HANDS, FEET AND BRAINS. SO, YOU GO FORTH AND CONTINUE THE BASHING AND THE PRICE WILL BE YOURS, NOT OURS. WE HAVE NEVER FOR ONE MOMENT STOPPED OUR MISSION—IT IS YOU WHO HAVE CHANGED YOUR COMMITMENT TO FOLLOW THE JOLLY-FOLLIES.

I ask you again: IS *SPECTRUM*, MARTIN, YOUNG, NEIL, ET AL.—GOING TO PAY YOU ANYTHING? THEY HAVE NEVER DONE MORE THAN "TAKE", EXCEPT FOR CHARLES, WHO GAVE EVERYTHING HE COULD TO MAKE THIS WORK, ALONG WITH THE FARM AND OTHER PROJECTS. HE WAS JUST CAUGHT BY THE DEVIL IN "THEIR" TRAP BUT SOMEHOW TURNED ABOUT AND BURNED THE BRIDGE BEHIND HIM.

THIS is why this topic is so important. And don't tell me "bashing", and "trouncing"—when are YOU going to take responsibility for YOURSELF? You follow blindly the ones who tell you what you WANT TO HEAR, and they somehow make you think that by following them you will somehow regain or get or whatever. No, you won't, for when people will take from you and others for THEMSELVES and steal the product, the companies, etc., THEY HAVE NO INTENTION OF DOING ANYTHING ABOUT YOU, SAVE BEG MORE DONATIONS SO THAT THEY HAVE MORE FOR THEMSELVES. YOUR *SPECTRUM* HAS ALREADY GONE FROM A WEEKLY TO A MONTHLY, SO IT WILL BE A

LONG 13 ISSUES—AND THEY ARE ALREADY OUT OF FUNDS WITH ONLY TWO PUBLICATIONS. “THIS” IS WHAT YOU ARE GOING TO FOLLOW TO YOUR LOSSES? IT SIMPLY DOESN’T SOUND LIKE “GOOD BUSINESS” TO ME, FOR IF EKKERS EVER MAKE AN EFFORT TO REALLY REGAIN LOSSES—IT IS GOING TO BE INDEED COSTLY.

I am not as “nice” as you might perceive evil Ekkers to be. I will tell you truth, and you are stuck with it. Even the corporations that Ekkers gave back to those people in the *Spectrum* groupie were literally Ekkers’ property. Why? Because the corporations were set up FOR these parties BY EKKERS to shelter the income of the person involved. Then, all through the years, these people only used and “abused” the corporations while having the cost of incorporation and all the fees paid for many years.

Well, the next “throw blame” came when there could be a “settlement”, just getting them out of our hair by giving them their corporate books. Rick had already nailed it in his “complaint”, that Ekkers had the books and therefore owned “their” corporations. LITERALLY—YES INDEED! Poor Young got so beside himself that he demanded, before he would settle, the return of his corporation book before he would do anything. It was told to him that HE HAD THE BOOK, but he had a fit and continued to demand until everyone was worn out with it. HE HAD THE BOOK, and now he tries to cover even that lie by secreting the confounded book around everywhere. Those corporations will be the monument to their evil! And will Cort of NCH play the games? Well, certainly NCH has played the games with them thus far! The Ekkers have paid for the corporations and the annual fees—and that kept up the corporations, but NOTHING ELSE HAS BEEN DONE, so the corporations are so far behind in attention that we rather hope the players choke on them.

We cannot tell you often enough: WE WILL BE MOST HAPPY TO SEE THEM DEPART ANY AREA IN WHICH WE NEED TO FUNCTION! AND, THEY MAY TAKE ANY OF YOU WITH THEM WHO FEEL THAT YOU CAN’T LIMIT YOUR PHYSICAL RECEPTION TO TRUTH, BUT MUST FOLLOW THE MYSTICS AND ORACLES AND THOSE WHO EDIT AND CENSOR WHAT GOD PRODUCES OR PRODUCED, AND THEN ARE CONVENIENTLY WITHHELD OR CENSORED BY SAYING, “WELL, THIS WAS ‘PRIVATE’ AND THUS WE ARE ‘JUST NOW RUNNING IT’”—WHEN HELP WAS BEING PLEADED FOR DAILY, AND NOTHING WAS PRODUCED. I WOULD CONFRONT THE PERSON AND THE SPEAKER, BUT SOMEHOW THAT OPPORTUNITY HAS BEEN DENIED AT ALL COSTS. GOODNESS ME, “THEY” (THAT “US” CROWD) EVEN REFUSED TO HONOR THEIR OWN APPOINTED CONFERENCE WITH RON CARLSON, WHO DIDN’T EVEN DEMAND AN ON-LINE APPEARANCE BY A HIGHER ENERGY.

It is my own obligation, TO MYSELF, to continue to bring you to focus on these things, because you don’t seem to understand the diminishing assets to yourself or your soul. There is no separation—and THE YOU THAT IS YOU is that which is SPIRIT. I would hope that you might become inspired (in spirit) enough to use your MIND and really look at this happening—for it is YOUR LESSONS, chelas—not some game for Ekkers. In fact, the more of you who RUN AWAY with the “runaways”, the easier in this mission it becomes for the

Ekkers. EACH HAS TO “CREATE” THE REALITY DESIRED. EKKERS PLAN TO CREATE A WONDERFUL AND ABUNDANT REALIZATION IN FACT AND MANIFESTATION. THE OTHERS PROMISE YOU FAILURE AND WHAT? (???) WHAT DO THEY PROMISE YOU, CHELAS? HIPPIITY-HOPPING DOWN THE BUNNY TRAIL AND PRIMROSE PATH WHILE DENOUNCING ALL THAT IS POSITIVE AND ABUNDANT, OFFERED FOR YOUR USE BUT FOR THE ACCEPTING? YOU FOUND IT, DEAR ONES, AND YOU ARE GOING TO REALIZE THAT, TOO LATE, IT APPEARS!

Martin and Young had 100% control of the paper, and Dr. Young spent time being paid for working on his publications of the “*Wisdom*” books. Hundreds and hundreds of dollars in advertising those specific products were presented by Dr. Young in *CONTACT*, along with pushing Bilger’s book and Norey’s writings.

So they take all of that, delete our writings (censor them and stash them away from you), AND THEN TAKE THE PAPER AND THE OFFICES and pronounce that I, “Hatonn”, HAD ORDERED IT TO BE SO—and you bit, hook, line and sinker—all the while THEY WERE TELLING YOU “IN HOUSE” TRAITORS WERE PRESENT, AND IT WOULD BE CLEARED. THEY ASSUMED IT TO BE EKKERS WHO WOULD BE CLEANED OUT—OH, YOU BIT ON THAT, TOO. FRANKLY, I CAN’T HAVE SUCH BLIND LAMBS IN MY FLOCK OF LEADERSHIP. We have a very physical, human mission to accomplish if you are to ever again have any semblance of freedom on this globe, and you, who chose “them”, just split off into the DEAD-END TRAP. Will they make a go of it? NO. If they destroyed the one paper that had every opportunity to offer everything they said they wanted—what will happen to the little thieved property?

Further, if you don’t see this in its truly proper light—I certainly do not need you running amok in my vineyards pulling up my vines or grafting them to hemlock trees. What you do with yourself is your business, but what you do with ME is MY business.

So, to creating? Well, you are a part of Creator, so why do you think you get off with doing nothing of your job? How do YOU expect to manifest anything if all you do is follow the already “losers” down the “run away” trail. And to you who KNOW what is taking place in Southeast Asia, as we write, KNOW that it would have been a final loss had Ekkers bitten on the bait of failure or “run away” home. WE WILL NOT LEAVE THIS PLACE UNTIL WE “GET THE JOB DONE”! And, to you who think Manila is a hideaway in vacation land—check out the monsoon floods that have thigh-deep water in Metro Manila, the height of the flood and mosquito disease season and 95 degree heat—while it is raining! The squatters along the Pasig River are flooded out and they already dumped ALL their waste and garbage into the river—tons of it every day—now spreading waste, infected raw sewage, from some 7 million people. The landfills are full, with no place to dump except on or beside the roads just out of town, and the world smells like an open sewer! Can this be changed? YES—if we do our job! AND, WE WILL DO OUR JOB!!!

So, now, YOU GO DO WHATEVER IT IS YOU THINK YOU NEED TO DO!

It is time you got conscious insight and never mind

the cute: “en-light-en-ment”. At best it should be “in-light-in-ment”. And as to “Oracle”: I would suggest you study up on Mayan history, for that was just about the most bloody and violent of the sacrificial worshippers of evil. Try the “Incas”, if you want some good advice!

Over in Southeast Asia we have Moros and Malays and now a whole bunch of committed people to change things—BECAUSE GOD PROMISED THEM THE CHANGE—AND TO BRING THE WAY. IT WOULD BE BROUGHT THROUGH ATON/ATEN AND SO IT IS WRITTEN IN THE BOOKS OF EVERY LIGHTED RELIGION! JUST AS YOUR ONENESS WITH GOD AND YOUR ABILITY TO CREATE AND MANIFEST IS WRITTEN IN EVERY RELIGIOUS TEACHING OF LIGHTED, INSIGHTFUL, ENLIGHTENED MAN/RELIGION AS DOCTRINE. Your Esu, “Jesus”, Teacher, taught that concept, silly Christians who now think yourselves to be Judeanized. You mix up Judean with Jewish and therein is your downfall of brainpower. You turn right around and bow to the traitors, betrayers and Power Elite who set forth the pattern for your demise and you bow and scrape unto their majesty.

With Viagra insanity, you put the finishing touches on your PHALLIC-worshipping societies—globally! You are overpopulated, overtillated, and now you focus more on your erections than on the reality of what you are doing to selves and offspring. It sickens me while you simply make jokes and poke around in the trash to see if any got away from the black-market dealers. The strange thing is that the stuff is deadly and is going to RUIN potency by its very use—and still the penis is the focus of all society! Will you ever learn? Not until they destroy you through your sensuality and self-pleasure-seeking mechanism. You will abandon every Spiritual TRUTH to sense a bit of pleasure that cannot last more than 15 minutes, no matter how you “try”. By the way, Viagra makes you more FERTILE—but that doesn’t seem to matter to you in a world where you murder millions of unborn babies as an annual celebration to sexual appetites out of control. And now for the next one: Viagra will also cause BIRTH DEFECTS because of mutation of the sperm. IS IT “REALLY” WORTH IT, SILLY DUCKS?

Let me ask you a question to which I don’t want a verbal response: “When was the last time you talked a partner into sex—FOR THE OTHER PARTY PARTICIPATING?” Ummm Hummm. Sexual activity is the most SELFISH one thing of man. Don’t tell me, “Spiritual”! It is the one most selfish act of any human individual—regardless of sex, sexual partner or even consenting adults! It truly is not an “expression” of love—it is an expression of “desire for sex”—period. It is a process for procreation—not a toy for infants and children to bring destruction and murder upon a planet. And further, when you even TOUCH the truth of God in Spirit—you cannot even compare a sexual experience with same.

If your plan is to “learn to create” for self what you desire, if your desires are so limited to selfish attitudes—I hope you discover the truth, for you would be unworthy of doing GOOD even for self.

However, I AM NOT HERE to demand change of YOUR attitudes, but I am here to get a JOB done and if your addictions and your play are all that interest you—then we can’t very well plough ahead in team

G.A.I.A. and Islamic Banking

Hatonn-dharma Rec. #2 8/3/99

PROPHETS AND MESSENGERS

As follow-on to this morning's communication, dharma, we will allow for better understanding of my input and my purpose.

The time is at hand when Man must take a stand for that which is responsible and that which right.

I need not repeat the spiritual aspects of our mission at this time for it has all been said that needs speaking. What does it take for Man to open his eyes and see what is before him?

Because there is such a "religious" pull in things of the physical and most especially of the issue of money and trade, I must focus on those things which are used by the adversarial cartels and cabals to bring a world to ruin and into slavery.

I find that it is basically that those of "religious" bent do not have as readily available to their attention the things of great business, capitalism, production of products and especially are the banking services and exchanges fraught with obstacles to understanding. BUT KNOW, THE LAWS OF GOD DO NOT CHANGE AND IN THE AGES COME PAST THE EXPERIENCING, GOOD REGULATIONS IN TRUTH AND ALLAH'S WAY HAVE COME FORTH AND BEEN PRESENTED OVER AND OVER AGAIN.

This writing will not be "new" but will be appropriate to the time of the "now" experience.

There is an Islamic Bank structured and in great confusion as we write, in the Philippines. You call it the Amanah Bank. It has fallen into total disarray to the extent that it is considered to be sold to a Jewish entity focused on greater and worse trading programs. This man has married into the Philippine citizenship and I make no comment about the person other than that the bank would be used as badly as the International Banking Cartel, but it would allow for use of gold holdings as collateral. The point is, students, that you have already available for your use, if you but take the opportunity, to move directly and immediately into a system suitable for global structuring without running through the established cartel banks.

Some of you will not even know of what I speak, having no idea of one banking system from that of another, so you in leadership positions must take note as I try to lay out in concept an explanation of principles.

If you do not change your attitudes and bring value and responsibility into this system which controls your very survival, you shall wallow in the worthless chits thrown about upon you-the-people.

I will make an effort to write in some type of language that you receivers might understand, as well as in some semblance of a presentation my scribe might accept, even without understanding of the language or the test concept. So if each of you will bear with me, perhaps we can bring forth some reminders of the Law as relates to "money" or "value", as would be in need of utilizing banking institutions.

PRINCIPLES OF SHARIAH IN THE ISLAMIC BANKING SYSTEM

TYPES OF SHARIAH PRINCIPLES

Like any other financial institution, the main function of Islamic banks is to mobilize savings and idle funds in the economy and make them available to those who can make better and fuller use of them. Since Islam prohibits interest in all forms, Islamic banks have to look for permissible rewards and business relationships between those who provide funds and those who use the same. Ultimately, the first step to be taken in this search is to make reference to the original source of Islamic laws, i.e., *Al-Quran* followed by Hadith. Thus, we find in the *Al-Quran* revelations that relate to justice, the commands to not offer bribes, to give true evidence, and to give full weight and measure. Contracts are safeguarded by commands to put them in writing, to call witnesses, to give securities when there is no scribe available, to fulfil all obligations and to return a trust or deposit to its owners. There are also abundant Hadiths pertaining to sales, as-Salam (a sale in which price is paid for goods to be delivered later), renting, al-Hawala (transference of debt from one person to another), loans, payment of loans, freezing of property, bankruptcy, partnership, mortgaging, witnesses and conditions.

I would point out before we go further—that my scribe does NOT wish to do this work for me or for you. It has been near a year that we have come with our offerings unto you the people of Southeast Asia. We have been put aside, ignored, ridiculed and threatened. Now, to serve in such as Mindanao, where hostages are taken and even beheaded, is to be considered carefully. How can mankind grow if lawlessness and terror come upon the very messengers sent to deliver the gifts?

Therefore, I command that there is respect, even in disbelief of the gift itself, which comes in total BALANCE so that responsibility is equally shared as within the Laws. Privacy must be maintained and all transactions accomplished in that privacy. We wish no "credits" or "acclaims", for that is for you who would dare to step forward to create change in your own nations and circles.

There will be no moving about from home location to ANYWHERE—those who would avail themselves of our gifts must come to our secure place where privacy is respected and no public note is made. Neither can my people have funds to support any transactions or further travel. Intent is always good but the road to Hell, my friends, is paved with those good intentions. People agree to serve, go forth and are immediately distracted and somehow "know better than Allah", as to what might be done to gain even greater funding than the "unlimited" available, if simply handled within the LAW.

You have the gold for collateral, we offer the RESERVE to purchase the gold. Then the holding bank has the assets to issue currency, lines of credit for projects and general handling of currency and assets according to laws of the Land and Islam. The concept is simple, the reserves available, and same have been made valid and confirmed by the Treasury and Federal Reserve of the United States of America. However, these departments, realizing the massive size of the value, will not openly publicize any such asset—but neither will they deny same. The U.S. dollar is a worthless "note", with no support or

backing. This is not something any party in knowing would wish to divulge. However, it is neither important nor a condition of use. Once collateralized with gold in any given location, the funds are covered and can be utilized properly. We have carefully structured the use to hold privacy in uppermost importance for the protection of all involved.

I do not, however, wish to dwell on documentation for that is all available, proved-up, and ready for transfer.

So we must turn back to the modern banking system and relationships with Godly banking systems.

Although both *Al-Quran* and Hadith have given some basic principles in performing business transactions, these principles sometimes are not directly related to the modern banking system. Therefore, it is a duty of contemporary Muslim scholars to establish principles which do not violate the Shariah, and at the same time are applicable to the present banking system. Among the most common principles which are widely discussed in Islamic banking literature are the principles of mudaraba, musharaka, murabaha, ijara, ijara waiktina, qard hassan, wadiah, and rahn.

It should be becoming obvious why we would come to Sharif J. to work with us, for he has taught "the Law" for many years and can relate to the need for adherence of the goodly laws within honor and freedom.

MUDARABA

I have to deal with the English language for the reason presented above—my scribe only speaks in English and therefore can only "print" in English, or at the least with an English alphabet. So each of you who are Muslim must try to understand our position, for we have the "gift" and you have the method to use it. We must, therefore, work together to interpret and translate as is necessary. However, dharma has no choice, being herself limited as to multiple language use. We will, however, present words in the language of your tongue for clarity of meaning. If we miss, please have a good laugh and move on.

One of the most widely quoted operating principles in Islamic banking is the principle of mudaraba, sometimes known as qirad or muqaradah. Various scholars have used different terminology when translating the word mudaraba into the English language. Some writers use "trust financing", others use "trustee profit-sharing", "equity sharing", "sleeping partnership", "profit-sharing" and another terminology used is "commenda".

Imam Sarakhsi, the great Muslim jurist, who gives the definition of the institution of mudaraba based on the *Al-Quran* and the Sunnah in his book, *al-Mabsut*, says (Uzair, 1980):

"The word mudaraba is derived from 'darb on earth'. It has been so named because the mudarib (user of others' capital) qualifies to get a share of the profit on account of his endeavors and work. He thus participates in the profit as well as having the right to use capital, and strive according to his direction. People of Madinah call this contract muqaradah, which is derived from the word qard, meaning 'surrendering'. The owner of capital, thus, surrenders his own right over the portion of capital to the amil (the user of capital). This is how it has been so named. We have, however, chosen the former name as it conforms to what occurs in the *Book of Allah* saying 'and others strive on earth seeking the gift of God'..."

This principle of mudaraba is actually one of those principles of business dealing that existed before the Prophet's time and flourished after him (Saleh, 1986). Ibn

Rushid, in his book *Bidayat al-Mujtahid*, says (Uzair, 1980):

“And there is no difference of opinion among the Muslims about the legality of qirad. It was an institution in the pre-Islamic period and Islam confirmed it. They all agree that its form is that a person gives to another person some capital that he uses in business. The user gets, according to conditions, some specified proportion of the profit, i.e., any proportion they agree, one third, one fourth or even one half.”

For Islamic financial institutions, the word *mudaraba* is basically an agreement between at least two parties, that is, a lender, sometimes known as an investor (*rabb al-mal*), and an entrepreneur, also known as an agent-manager (*mudarib*). In the case of loss where this loss is a result of circumstances beyond the control of the *mudarib*, the investor will bear all financial risk and the *mudarib* loses his time and effort only.

We through GAIA offer a “minimum” of half and then, because of the need for unity and support in the beginnings of our joint endeavors, leave the gold in the bank and, in addition, leave 80% of the GAIA share to be used for support. The only portion that the “lender” (GAIA) will or would remove from the local location for use elsewhere would be the remaining 20% of his portion. That also would be backed by value (gold) to insure any line of credit and will be utilized in other nations to insure start-up financing costs and to establish Islamic-style banking systems in the Sovereign Native American nations for the building of facilities for serving those nations in every social, spiritual and financial manner necessary to become self-sustaining, productive republics.

GAIA is an alliance (international) and as we move forward it is hoped that people of areas and nations will join with us and allow for resources to flow OUT in abundance so that freedom might be returned to the lands.

Allah promised that HE would send His gifts and HIS messengers bearing the gifts in this time of evolvment into a new era. The time of Satan is to be put behind and the cabals shall fall. This can be established and accomplished through peaceful means of regaining control of the wealth back to the people, and those enemies of Allah shall be put down. There is no need for war, for he shall fall of his own volition once control is again assumed by the people.

Different schools of law have taken a different view on the application of the principle of *mudaraba* in business dealings. For the Malikis and Shafiis, *mudaraba* activity is necessarily limited to mere trading and to activities supplementary to trade. It cannot involve a manufacturing function on the part of the agent, otherwise it would be considered as a contract of manufacture or hire. Hanafis, on the other hand, see no objection to a *mudaraba* whereby capital is associated with crafts or manufacturing activities, such as in the case when the agent is entrusted with a capital fund in cash on the condition that he will buy raw materials and turn them into finished products and then sell them on the basis of profit-sharing *mudaraba*. Hanbalis, however, allow the investor and *mudarib* to enter into two separate contracts, one of manufacture and one of *mudaraba*, provided that one is not a condition for the other.

Let us not misunderstand GAIA’s intent, however. We ask no part in production, we are only asking that the asset be collateralized appropriately and that we have use of the funds to re-support ongoing projects established. We KNOW that the value of the gold collateral will increase in value to great extent and that is all we would wish to utilize to both cover costs/fees, and whatever other expenses

might be accrued.

The International Elite have brought the cost of gold to below the cost of production in order to purchase known quantities at pennies on the dollar—and frankly, to be able to put the mining industries out of business so that the businesses can be bought or claimed for very low or no cost.

In the area of Southeast Asia, for many reasons, there is ample commodity to use to set whatever value you choose and simply set a value on your currency. The best way to accomplish this is to work WITH and through such as Dubai on the Gold Dinar program, which is somewhat akin to the Euro which is “supposed” to be backed by gold.

There is now no longer any country on a gold standard. There remains thought that somehow the U.S.A. is gold-backed but no, there has been no backing with gold since the very early 1930s, when gold was ACTUALLY CONFISCATED BY THE GOVERNMENT FROM THE PEOPLE. Then, within the past few decades, the U.S. was officially pulled off the gold standard. The United States of America is basically BANKRUPT and the dollar is based on NOTHING.

Now it is realized that within these most recent weeks even the stable Switzerland is NO LONGER ON A GOLD STANDARD AND NOW HAS A JEWISH PRESIDENT. The gold assets are being the source of many grabs by the Jewish “restitution” groups, such as the World Jewish League, to get all the gold all the time, and most of the reserves no longer exist where it is thought they are placed. It is not through justice or injustice that the Swiss will not release the Marcos assets to the Philippines. But that is another story. It is so important, however, that if Islam is to survive, you of Islam must take ACTION now, before the shackles are so strong as to have you ensnared.

Back to the topic, the principle of *mudaraba* can be applied to Islamic banking operations in two ways, i.e., between the banks and the supplier of funds and between the banks and the user of funds. On the supplier side, the banks will be the agent-manager (*mudarib*) and the depositors constitute the investor, or *rabb al-mal*; whereas on the user-of-funds side, the banks are the *rabb al-mal* and the borrowers are the *mudarib*. The reason why *mudaraba* is considered a noble principle in Islamic banking is because it represents a happy combination of financial means and human resources within the accepted Shariah standards. It is true that *mudaraba* capital is given without any labor, yet is expected to be rewarded. But this is because it is risk capital in the sense that the investors have accepted the risk of a business venture. In this case, if the investment is successful, the investors will recover their capital together, with a pre-agreed proportional share of profits; but in case of loss, they may lose all or part of their invested capital.

This will not be applicable to GAIA because we will function purely on values of the gold collateral itself. And, further, should a project come into hard times, the project is secured and backed up further by the GAIA portion of the venture, but the project is secured because the gold is the product which would be recovered by the bank, and not the property or project.

MUSHARAKA

Musharaka or *sharika* is normally translated in English as “partnership”, and Shariah divides *sharika* into two broad categories, namely, *sharikat mulk* (property partnership) and *sharikat ‘aqd* (contractual partnership). There is another form of partnership called *mudaraba*, but

this type of partnership is usually discussed separately in the books of Islamic jurisprudence. Broadly speaking, *sharikat mulk* involves the joint ownership of a property without its joint exploitation, such as the joint ownership of a house transmitted, by devolution, to the heirs of a deceased person. On the other hand, *sharikat ‘aqd* emphasizes the joint exploitation of capital and the joint participation in profits and losses, where joint ownership is a consequence of, and not a prerequisite for, the formation of the partnership.

There are three different methods in establishing the *Sharikat aqd*. If money is the main criterion in the formation of the partnership, the partnership is called *sharikat mal*, or finance partnership. In the case of a partnership based on a partner’s experience or skill, the partnership is called a labor partnership, or *sharikat a’mal*. *Sharikat a’mal* is further divided into four categories, namely: *sharikat fi’amal bi aydihima* (a partnership of work with hands), *sharikat bila’mal* (a partnership in work), *sharikat as-sana’i* (a partnership of crafts), and *sharikat attaqabbul* (a partnership of acceptance of work). The School of Shafiis, however, does not recognize the existence of labor partnership.

These, thus far, do not actually apply to a GAIA program because it is truly a joint-venture in that, when funded and collateralized, GAIA does not participate further than a general interest in seeing a project grow, and the parties of the project are totally responsible for their own project and management. If asked to do so, GAIA will, however, try to help to acquire knowledgeable participants who might contribute to expertise skills applicable to any said project, i.e., contractors, skilled trainers in use of equipment, machining, etc. This is ONLY should they be asked to assist, and then the teams would only be for support to help train local participants.

This would allow many overseas workers to have good jobs and stay home with families and also be very productive while building a stable economy. One day, therefore, there would be the most stable economies and abundantly paid workers. All aspects of social living could then be enhanced through education, training, and self-esteem. Living standards can be achieved that will surpass the most progressive societies.

It should be noted that when credit alone is used for the partnership investment, the partnership is known as *sharikat wujuh* or credit partnership. Each of these, *sharikat mal*, *sharikat a’mal* and *sharikat wujuh*, can take the form of unlimited, unrestricted and equal partnership (known to Hanafis as *mufawada*), or the form of a limited investment partnership (*sharikat ‘inan*). Either of these might prove helpful in establishing flow of funds as might be found appropriate.

In the context of Islamic banking, however, the *musharaka* is obviously the “*inan sharikat mal*”, or a “finance-limited investment partnership”, otherwise popularly known as “participating financing”, where money is the main feature in the formation of the partnership. Specifically, *musharaka* means a joint-venture agreement between two parties to engage in a specific business activity, with the aim of making profit. The termination of an agreement may be based on time or after fulfillment of a certain condition. In this principle, both parties will provide capital and the investor or lender may also participate in the management. Profit will be shared between the two parties in the agreed ratio and the ratio need not coincide with the ratio of participation in the financing of the activity. However, in the event of a loss, all parties bear the loss in proportion to their share of

financing.

With GAIA there is no loss—for the entire structure is based on the value of the gold which will be valued always at a price to cover any funds released.

There are only simple agreements which do not constitute any type of “security”, nor does the transaction or agreements fall into regulation as a security or exchange commodity. Any such use of funds in these categories is utilized AFTER the termination of the “joint-venture”. All participants will be totally responsible for their actions within the LAWS. GAIA will not be held responsible for any misuse or abuse of laws or funds. The bylaws and articles of incorporation of GAIA state clearly that we are an association and an alliance and beyond the agreements and joint venture, we have no responsibility to or from the projects or of the former joint-venture participant.

MURABAHA

This is basically the sale of goods at a price covering the purchase price plus a profit margin agreed upon by both parties concerned. Murabaha transforms a traditional lending activity into a sale and purchase agreement, under which the lender buys raw materials, goods or equipment required by the borrower for resale to the borrower at a higher price agreed upon by both parties. Under this principle, Islamic banks are no longer to share profits and losses, but instead assume the role of a normal business entity. Although all schools of law have accepted this principle as a legal device in business transactions, there are two aspects with regard to the implementation of this principle that have created some misconceptions among Muslim scholars. The first aspect regards the amount of profit or mark-up that the vendor is entitled to receive from the said transaction. The second aspect involves the options available to the purchaser when he discovers that the price he has to pay is unduly inflated.

For the purpose of the mark-up, Hanbalis deem that all actual expenses incurred as regards the commodity, the object to murabaha, can be added to the capital (price), provided that the purchaser is made aware of the amount of these expenses and their origins. Similarly, the Shafiis insist on the additional requirement that the fee earned, in principle by the vendor, or the fee that should have been paid to a third party, had he not volunteered to perform a work gratis, cannot be added to the murabaha price unless that is specifically accepted by the purchaser.

Malikis divide expenses into three categories: first, expenses that can be added to the capital (price) and constitute a basis for a calculation of the profit; second, expenses that can be added into capital but cannot serve for the calculation of the profit; and third, expenses that can neither be added to the capital nor taken into account for the calculation of the profit. Take a shoe factory, for example. The costs of raw materials, cleaning, processing, dyeing and tailoring are included in the mark-up price. The costs of storage and transportation of the finished goods are considered expenses that can be added into capital but cannot be used for mark-up purposes. Other indirect costs, such as the commission paid to a middleman, advertisements, donations, etc., are to be excluded from the calculation of profit. Hanafis have the simplest approach to this practice. The seller (vendor) is entitled to add to the price, all expenses accepted normally by commercial practice and incurred as regards the commodity object of the murabaha, regardless of whether or not the expenses have affected the commodity itself, or were merely incurred because of the nature of the commodity.

IN THE CASE OF GAIA, THERE IS BUILT INTO THE ORIGINAL FUNDING AMOUNT, EXPENSES FOR DOING THE TRANSACTION ITSELF. THEREFORE, THERE WOULD BE NO NEED FOR CONSIDERATION FOR PRODUCT PRICING AS IS REFERRED TO HERE.

According to Shafiis, when the purchaser discovers that the price he has paid is unduly inflated to the murabaha vendor and the object is still in the purchaser’s possession, he is then entitled to return the object to the vendor and have his money refunded, or he can keep the object and claim the undue increase. The Malikis grant the purchaser another option. The purchaser would have the right either to keep the object in consideration of its appropriate price, or to relinquish the object of the transaction. However, the purchaser is not entitled to refuse if the vendor wants him to keep the goods at the appropriate price. As for Hanafis, the purchaser would have to make up his mind either to accept the sale at the stated price or to rescind it and take back his money, but if the good is no longer in the possession of the purchaser, he would have no other option than to confirm the sale.

I am putting this information within this document simply because it is amazing how many think they understand a subject, only to find myriads of little questions springing forth that were not even a consideration, and often not applicable, in a given circumstance.

It is often that the people who end up having to utilize the laws are the least informed because the educational process has managed to totally surpass all levels of competence of the professors of finance, and certainly the laws are beyond the ordinary man, even though money is so totally SIMPLE in concept as to be THE cause of the confusion. As in today’s world: if a thing is not confused—confound it!

Dharma, let us pause for a rest—this is very tedious for you.

Dharma, let us continue please, for I wish to make known my position in butting into the affairs of particular people who are expecting to hear from me but never are quite comfortable until they THINK ABOUT CIRCUMSTANCES AND BEINGS AS PRESENTED—LATER.

It will help people, i.e. Sharif, to understand that he would not have KNOWN just who would show up—but he knew that in these days of need and petition—GOD WOULD SEND (BRING) WHAT WOULD BE NECESSARY. You, scribe, on the other hand, must not drag your feet in the “knowing” because I told you, and we wrote it publicly, that we would be a major participant and would actually supply the wherewithal to bring the Autonomous Regions (Muslim) into their full potential. It is only the language you did not understand nor, at that time, WHAT WOULD BE THE TOOL OFFERED. We have to wait upon God in TRUST and in ignorance, to protect that which needs to flow in its proper sequence and into the hands of proper parties.

I would like to remind you also that when we did the journal on the Immanuel scrolls, that in confrontation with the Pharisees the Teacher said, “in about a hundred years there would come forth a man (a prophet) [Mohammad] who would represent death and destruction to those Pharisees all their remaining days upon the Earth.” Is it not come to pass, chela?

Now, to my own label and yours, child—we go back to far beyond the ancient Egyptians—at recognition will bring us to Aton-hATONn of the One Light era of some

effort at bringing mankind into understanding of his oneness with God. Aton means the One Light, represented by the “Sun”. Don’t bother about it for this is just for some recognition that we know of what we write. We don’t need to belabor these points, for it is a time of need for unity in brotherhood of all those who are OF GOD to come together and unite, for it is known that the Elite Khazarian Zionists, or those that falsely call themselves Jews, are the “Jews” of the Elders of Zion who present themselves as, “the Jews”, but are NOT, and all other peoples of the Earth are Gentiles. In “their” identification they have split the world into only these two categories. It is fine—God wins the ultimate game.

However, if man will assume his God-Allah creative POWER, the ending of the planet and humanity need NOT be as constructed for your demise or your downfall. But somebody has to come forth and DO THE TASK AT HAND to reverse the circumstances. And, just to remind you—it is a total reversal of the heinous methods of those evil controllers that must be matched, tit-for-tat! We must undo that which is most precious to them—and indeed, it is within that which is the banking system where they have gained first control. Not only CAN WE DO IT—we SHALL do it.

So, scribe, to continue—as much for your information as for any other’s, let us move on to:

IJARA

Ijara means a lease contract as well as a hire contract. Therefore, look at the many various ways we can function and do so all within the laws of Allah and RIGHTEOUSNESS. In other words, the contract of ijara is the sale of usufruct. Therefore, the rules relating to a contract of sale such as those of khiyar al ru’ya (the right of rescission at the time at which he sees the object which he has bought), khiyar al-‘ayb (the right of rescission because of lack of stipulated quality), khiyar al-shart (the stipulated right to cancellation), faskh (cancellation) and ikala (reversal) apply to it too. For the Malikis, ijara resembles a sale contract whereby the price and use (manafa’a) are exchanged and the contract should specify a manafa’a, either by the duration, or by its subject matter. The contract is invalid if the object of ijara is used for the purposes which are prohibited by Shariah, e.g., renting premises to use as a night club, bar or other vice activity, or the activity is a mandatory duty in nature, e.g., hiring a mother to feed her own baby. Hanbalis has described ijara as being a contract where the subject matter is lawful and defined as manafa’a, of a lawful and determined corporeal object (‘ayn), for a specific period of time. To the Shafiis, ijara is a contract where the subject matter is the determined, legitimate, assignable and lawful use of an object against a fixed consideration. Finally, Hanafis describe ijara as a contract intended to give ownership of a determined and legitimate manafa’a of a rented corporeal object (‘ayn) against the consideration.

All schools of thought have agreed that ijara is a binding (lazim) contract. However, they disagree about the reasons which could cause the cancellation of ijara. Malikis and Shafiis opined that ijara is cancelled only by a material defect (‘ayb) affecting the corporeal object (‘ayn) leased or hired. Another situation which terminates the contract is in the event where the purpose of the lease or hire has disappeared, such as when a person asked a butcher to slaughter cattle, and before the slaughtering began, the cattle died. To the Hanafis, ijara is cancelled by any reasonable excuse that the lessee may invoke, while

Hanbalis believes that ijara is cancelled if the rented object is destroyed or affected by a material defect.

There are two kinds of ijara, i.e., for a period and for carrying out of a task. The period must be determined; it is not possible to hire or rent for a stated amount per month. A special case of ijara for a period is the lease of agricultural property. It is forbidden to stipulate that the lessee should undertake work from which the lessor, too, derives advantage, such as dredging canals. If the crop has not yet been harvested when the lease expires, it continues for a fair rent until the crop has ripened. The lease of one agricultural property for another is forbidden, because it would amount to *riba*. There are, however, some principles which are permitted by Shariah in this area. With regard to agricultural property, the related principles are *muzara'ah* and *mosaqat*, and under these principles the lease payment consists of a percentage of the produce.

Another concept of ijara is *ijara wa-igtina*. It is a combination of leasing movable or immovable properties which grants the lessee an option of eventually acquiring the object of the lease. In Malaysia, the concept of ijara is expanded further by the principle of *al-ijara thumma al-bai*, or hiring followed by sale and purchase. This concept refers to two contracts undertaken separately—the contract of *al-ijara* (hiring/renting) and the contract of *al-bai* (sale and purchase). Under the first contract, the hirer hires the goods from the owner at an agreed rental over a specified period. Upon expiry of the hiring period, the hirer enters into a second contract to purchase the goods from the owner at an agreed price. (Now this came from Bank Negara, Malaysia.)

I have bothered to put this section into the writing to point out that our DEEDS OF ASSIGNMENT can be leased or rented under “the law”. This allows for additional reserves, which can shore up banks instantly.

We can utilize our assets in almost any way desired—without consideration of having to use interest and yet, can fit within the ongoing system—even to the supporting funds (for fees) to such as the IMF, if you have a great sense of humor and a sense of JUSTICE.

QARD HASAN

(No, dharma, you don't have to do banking—just the typing.) This is a benevolent loan that obliges a borrower to repay the lender the principal sum borrowed on maturity of the loan. The borrower, however, has the discretion to reward the lender for this loan by paying any sum over the above amount of the principal. This kind of arrangement is the only loan permitted by Shariah, and the objective of this loan is socio-economic justice and equity. Islamic banks are advised to make use of *qard hasan* in the following circumstances:

a. In the case of *musharaka* (partnership or participation financing) between the institution and the client, it often happens that not all of the institution's shares in the project can be earmarked for the right to participate in profits; otherwise no substantial share would be left to another partner, namely the client. Therefore the institution's participation is split into two parts. One part constitutes a share in the partnership capital and the other is working capital provided through *qard hasan*.

b. A *qard hasan* can also be provided to a client of the institution who has cash flow problems, either in order to protect the institution's investment, or, when the client is reliable, to boost the institution's image and reputation at no great risk.

c. A third use of *qard hasan* may occur when a client

who has a blocked savings account with the financial institution which generates no interest, encounters an urgent need for short-term finance, making resources to the *mudaraba* concepts useless. The necessary funds can be provided to him by the institution through *qard hasan*. There are probably other circumstances where *qard hasan* has its value for the lender, and these circumstances will gradually develop with the day-to-day business of the Islamic financial institutions.

WADIAH

Wadiah means trusteeship and under this principle the owner will commission others to hold his property in safe custody. It is a fiduciary relationship (*amana*). The safekeeping must be assured by the owner himself or by a member of his family. The custodian's refusal to return the deposit or his denials that a deposit exists, or its confusion with his own property, are usurpation and engender liability. To the Islamic banks, *wadiah* is an agreement where the owner will deposit cash or other movable assets in the custody of the banks. The banks obtain the authority of the depositors to utilize the deposit at the bank's risk and bank's benefit. The depositor is free to withdraw the money at his own convenience. In Malaysia, the principle is further extended and renamed as *wadiah yad dhamanah* (safe keeping with guarantee). This concept refers to deposits which have been deposited with another person, who is not the owner, for safekeeping. As *wadiah* is a trust, the depository becomes the guarantor and, therefore, guarantees repayment of the whole amount of deposits, or any part thereof, outstanding in the account of the depositors when demanded. The depositors are not entitled to any share of the profit but the depository may provide returns as a gift (*hibah*) to the depositors as a token of appreciation.

RAHN

Rahn means pledge or pawn. It is a contract of pledging a security and becomes binding when possession of the pledge takes place. In this principle the ownership of the security is not transferred to the pledgee. The transfer of ownership occurs only under certain conditions as an effect of the contract. The pledgee is liable for the pledge, to the amount either of its value or of the debt secured, whichever is less, or if it gets lost through his fault, to the amount of its value; he is also obliged to return it when the debt is paid. The pledgee, however, has the right to sell the security when the debt is due in order to pay himself out of the proceeds. The pledge is in principle a collateral security; the debt remains in existence in so far as it is not covered by the sale of the pledge, and any credit balance which remains after the sale of pledge is held by the pledgee in trust for the pledgor.

Besides the above-mentioned principles, there are many other Shariah principles governing the operations of existing Islamic banks. These principles sometimes are either used by a limited number of Islamic banks or by the Islamic banks in specific Islamic countries. Among the principles within this category are *bai mua'zzal*, *bai al-dayn*, *al-wakalah*, *al-ujr*, *al-kafalah*, *al-hiwalah*, and *joalah*. I would rather not take time or space in distraction of focusing on each of these principles.

Now, I could break these principles into categories of countries, terminology, etc., but I prefer to not do that for each is available in many places for research.

My full intent here is to point out that we have the

asset and you have the people and the plan whereby the assets can best be used within the laws of Allah (and the land). It must be that we can present to our people a better way in honor and integrity. And, please, receivers of this, you must realize that only Allah could have such gifts. Make no mistakes about who is behind this program and offering or how well it can flow because of same.

We have ones in Muslim places of the Middle East waiting to see what you will do—that they might either join this alliance, or at least participate in the conceptual program in their own nations and banks.

I would also again point out that there may well be variances in the presenting language and spelling of words here, for I remind you that my secretary-scribe only speaks English and this becomes most tedious. So, please, be gracious and allow for any errors in presentation.

Dharma is also my translator when I choose to have a verbal conversation with you. We have a rather tedious tonal frequency which has to be translated for most receivers into a language. We can share if you like, but I prefer to keep the business to business and then let us share our real (soul) purpose.

YOUR ADVERSARY has laid forth his plan of destruction and GOD HAS HIS PLAN 2000 as well. Let us please move into a golden age of beauty and abundance and not allow this evil character from the darkside to longer flourish.

We place no “strings” on our gifts, just as God places no strings on his LOVE or abundance. We are OF EACH OTHER and that which blesses one blesses all. As others see you progressing out of the darkness of poverty and into radiance of production—they too will wish to join you, and there will be a ground swell of brothers, not the least of which will be from the “Nation of Islam” in the U.S. There has been too much oppression and fear to be able to work in that environment so it must be understood that THIS IS THE PLACE, my friends, and you are the elected ones to do this job. Smile, for it is wondrous and exciting in its very concept.

Is this “simple”? Yes. Is it “easy”? No.

As you might guess, the adversary and the International Controllers have all but destroyed my people. My scribe has lost everything possible except life and that has been attempted in the taking. My people are not “off-limits” to the mischief-makers but the impact is still heavy. I can tell you now, however, that the World Controller Elite Powerbrokers DO NOT WANT TO TANGLE WITH “ME”. I AM KNOWN WELL TO SUCH AS THE GEORGE BUSH CARTEL, ET AL. YOU ARE NOW IN MY PROTECTION, YOU WHO WISH TO ASSIST AND PARTICIPATE.

AND DON'T ACT SHOCKED WHEN YOU LOOK UP AND SEE OUR SHIPS STROBING RAINBOW LIGHTS AT YOU FROM THE NIGHT SKY—WE ARE HERE AND WE ARE HERE IN PHYSICAL MANIFESTATION AS WELL AS IN THIS TYPE OF COMMUNICATION. WE KEEP OURSELVES LITTLE KNOWN AND LESSER RECOGNIZED, TO KEEP ANY FOCUS FROM OUR PEOPLE. ALL OF THESE THINGS WILL BE COMING INTO RECOGNITION, QUITE GENERALLY SPEAKING, IN THE VERY NEAR FUTURE. WE DO, HOWEVER, NEED TO GET A WORKING SYSTEM, TO AVOID COLLAPSE OF ECONOMIES.

Blessings are upon you and may we enjoy our mission as we watch and experience a rebirthing, that mankind shall flourish instead of rot in poverty at the hands of the puppet-masters. Salu.

GLOBAL ALLIANCE INVESTMENT ASSOCIATION PUBLIC NOTICE

In fulfillment of legal requirements, this is the third of three required publications of this Public Notice, the previous two having appeared in the July 26 and August 2 issues of CONTACT. As Global Alliance Investment Association gets closer and closer to realizing the enormous value of "BONUS 3392-181", the "real McCoy", it is not surprising that fraudulent documents would be scattered about to confuse the issue. FEAR Is Primary Weapon of Elite Controllers

(Continued from page 4)

COMING. INSTEAD OF RELYING ON YOUR OWN INNER WISDOM, YOU HAVE GIVEN THAT AWAY TO THE HAND GESTURES OF APPOINTED RELIGIOUS PUPPETS IN SERVICE TO THE GANGSTERS BEHIND THE PULPIT. YOU LIVE IN A WORLD THAT IS RUN BY CRIMINALS, AND I ASSURE YOU—SATAN DID NOT FORGET THE CHURCHES!

Only knowing God from the clear inner perspective of the centering fulcrum that is within you will allow you to triumph against such seemingly overwhelming opposition. Since you place so much worth upon that which you see—and very little on the direction of that which is unseen—you have cut off your hands and arms as to what you can effectively do in service to God.

You have to begin to understand **who you are**, if you are to know your capabilities in the realm of cosmic man. If you cannot say “I and My Father Are One”, and mean it in all sincerity and intent, One within God, then you have missed the point of the lessons.

It is this latent, sleeping God that needs to be awakened, if you are to confront the adversary on equal footing. Once you achieve that level of readiness you will discover that, with God Aton on your side, that “equal footing” turns into a “no contest”; for measured against the Light of the Creator, evil has no footing at all. It is just that while solely immersed in the physical—without Divine assistance—the adversary seems to have clout. But in the halls of celestial justice, evil is a non-entity.

This is what you are going to KNOW as you come into communion with what will be your constant partner in turning back the advance of evil; Aton does not ever forsake his Lighted Reflections of Himself, always it is man who forsakes God. When you truly know that God is not merely “out there somewhere”, but a forever part of your eternal being, then evil will cease being such a major focus of your time and energy on the plane of demonstration. Once you decide to pursue the path that will take you the most expedient way along your journey back to the Oneness within God, you will notice that your entire reality conforms to that sacred quest. When that happens, the voyage of discovery will be something met with bold excitement and an opportunity for rapid growth, instead of stagnation and slow, decaying death.

The adversary’s way is filled with false promises and unfulfilled dreams piled in massive heaps, one atop the other, whereby all who came before, never made the connection that their promises would not be honored, any more than the countless broken promises of ALL who came before. Isn’t it time to put your faith in the God that centers your being, and all things else, rather than the evil elect?

Giving away your right to choose, to those who care nothing for humanity or your way of life, is either an indication that you care very little about yourself, or that you have no idea of that which you are doing. Either way, it shows the lack of faith in allowing divine guidance to be the predominant motivating force in your life. Our thrust is to help you to learn to look within FIRST, for all your needs, before you turn to man (who at best is appointed by other men). By doing so, you are living in practice that which you proclaim to

desire, as to having God grant you those miracles you continually pray for.

The few among the many, such as YOU ARE—which is why you have been led to receive these writings in the first place—will spread the WORD throughout the lands, so that God’s places can be reclaimed. It is a job worthy of His most ardent students and workers, and it will be achieved in perfection, as only Aton can achieve. Yours will be the glory of co-participation and experiencing in Oneness—the ushering in of the age of enlightenment is the highest call you ones can answer in service to your fellow man, and it will be in the carrying out of that service that you gain ascension points for the next leg of your journey. So be it and may the WORD be blessed.

I AM GERMAIN

to ensure security and reserves—only to have you allow the TAKERS to grab it and destroy you. AND, they call themselves people of Lighted God. Well, Lucifer Satan is called the “Lighted Star”, “The Brightest Star of the East”, the “Lighted Morning Star”. Perhaps he is also called the “Lighted Mayan Shaman”??

This person would like you to see with your soul and get ever close to soul. WHAT IS IN YOUR SOUL, FRIEND? YOU CANNOT GET CLOSER TO SOUL, FRIENDS, YOU “ARE” YOUR SOUL—“THAT IS THE YOU” OF SELF. THIS IS LIKE SAYING YOU HAVE “HEALTH”! BUT, DO YOU HAVE GOOD HEALTH OR BAD HEALTH? THAT IS THE QUESTION! YOU CANNOT BE MORE PERFECT, EITHER. PERFECT INDICATES THE TOTAL ALL OF 100% PERFECTION. YOU CAN ONLY EVER WORK “TOWARD” THE ACCOMPLISHMENT OF PERFECTION. SO, TO ASK YOU TO “OPEN YOUR SOUL. LET YOUR SOUL SHOW YOU WHAT I MEAN WHEN I SAY: ‘CAN YOU SEE WHAT I SEE?’” IS B.S. No one can see with SOUL what another sees or experiences within his Soul. Mostly you can’t even see with your eyes what another sees.

So, I have no further wish to comment on the trivialities of such presentations. You who wish to GO BACK TO SQUARE ONE—please do so and in the ending episode you WILL STILL BE ON SQUARE ONE!

You were told at upstart of our participation that we had a very physically oriented JOB TO DO and you hailed it as wondrous and wonderful. We said we would have no groups, no church, and no focus on us. You called it wondrous and marvelous. You volunteered to “do anything” until, of course, there was something to do and then most of you “couldn’t do THAT” or refused to participate except on YOUR OWN PERSONAL TERMS. Ah yes, God watched all along the way and gave every opportunity for participation or separation. You are now in the consequences of that separation program, where you are wishing you had paid attention and now, being at square one while the game is in the final square is difficult, isn’t it? You are thousands of hours of taped lessons behind and you have over 250 volumes and

hundreds of thousands of pages of written information—that you didn’t bother to keep up with for you were “just too busy”. Well, now “I am just too busy” and my people are certainly “too busy”.

I remind you that Satan always sends in his distracters and workers when the game gets serious. IT IS NOT OUR TEAM THAT IS GOING DOWN, READERS! KNOW IT!

And lastly, NO, I won’t take more time on biological codes, etc. We have given you this basic information from light harmonics to the full presentation of Gaiandriana.

Don’t you think there were the “wish I had...” hangers-on to the Ark? Go do your homework and perhaps you can SWIM long enough to catch the boat! But I suggest it will be “upstream” with the whole bunch of self-egotistical know-it-alls hanging all over you—asking for more money to present their thieved paper and copied books.

Rick says that very soon you of their “side” will be showered with all good things while “our side” will go DOWN. Oh? Who is producing that which will save “their ‘us’s’ side”? Will it be “them of ‘our’ side”? What are you doing to make us want to do anything for “us’s side”? You just keep on keeping on with your silly dart tossing.

I am reminded of the weathermen who go outside and if it is raining then you can expect rain, etc. I suggest you do the same with all the earthquake calculations and volcanic activity. If you are in the shadow of an erupting volcano—haul assets! You don’t need any more PROPHECY—go look around you and check if the ground is shaking and if there are hot ashes in the air instead of diesel pollution.

Yes, indeed, I will confront, into infinity—the ADVERSARY. If the children wish to grow up and get with facts and truth, we can THEN consider their plight, for we drag no one anywhere—nor do we spare the truth to protect their persons. But if YOU expect ME to sacrifice YOU on THEIR ALTARS OF SACRIFICE—YOU HAVE THE WRONG PARTY. I WILL NOT.

There is no Garden of Eden where you just “exist” without effort or reason—where you just lay around while the wondrous things of life and the fruit just falls in your mouth. YOU ARE MOVING INTO REALITY AND THAT IS WHAT THIS TRANSITION IS ALL ABOUT. YOU KNOW, YOU ARE GROWING UP, OUT OF THE CONFUSION OF ILLUSION WITH A NEW DIRECTED PLAY IN REALITY. This has no limitation of one dimension or another. And, by the way—chelas of my workforce—keep the recognition of the evil beings OUT OF YOUR SPACE AND THEY ARE TOTALLY INCAPACITATED AND NEUTRALIZED.

Rick states that the “adversary” (meaning traitors, etc.) is still among them. Funny thing about that slip of the lip. It means that the betrayers are still within their fragmented GROUP called The *Spectrum* Group. WE CERTAINLY DO NOT WISH THEM BACK WITHIN OUR TEAM. Go now, please, and open your MIND for it is ALL—the soul is only a portion of your being—the MIND is the thinking processor which presents all creation. So be it, for the things of evolution are going to come forth in YOUR GENERATION—and that will happen even if you prefer to stand in the way.

Good afternoon.

Elite Inroads Into Our Sovereignty

(Continued from page 13)

instead of believing the Earth was the center of the Universe. Today, we are learning so much, so quickly, about our solar system, our galaxy and the universe. Conservative estimates show that there are at least 110 million solar systems in our galaxy alone that could support life. Furthermore, we can identify, with present technology, at least 40 million other galaxies! These numbers are staggering! Common sense will tell us that there is life, and probably abundant types of life forms, outside of our planet. However, the more pertinent questions are: has extraterrestrial life actually come to Earth? If so, what does this mean to the people of our planet? Are these extraterrestrials friendly, hostile, or are there some of each? Is what people are reporting as having been seen actually extraterrestrials, or, as many people now claim, are they subterrestrial, living within our planet? Or, is what we are seeing and experiencing secret, man-made technology?

Is there a connection between UFOlogy and the workings of the Elite? At present there is no "hard" information to definitely connect the two; however, the patterns of deliberate misinformation over the years are very similar. Evidence shows that our government has continually misinformed the public about UFO sightings. This pattern started with the Roswell, New Mexico, incident. The official government story was that the public sightings, and the debris found, were only from a "weather balloon", even though the evidence and eyewitness reports say otherwise. In the 1950s, there was *Operation Blue Book* and *The Condon Report*, both official government reports dismissing and covering up vital information. And, by now, most Americans have at least heard about Area 51, a super-secret facility in southern Nevada, which the Air Force denies is even there. Hundreds of people have claimed to have seen and taken photos of UFOs in this area. The pattern of misinformation has continued through the present day. In March of 1997, over two thousand people (including officers and elected officials) in northern Arizona, saw a huge "V"-shaped flying object (with a more than 1/2-mile wingspan). At first, the Air Force would not comment, and then they said it was "the Maryland National Guard". Arizona residents laughed at that explanation and now the Air Force will not make any further comments. These events, together with the dozens of other major incidents that have not been adequately addressed by the Air Force, point to either incompetence or the intentional manipulation of the truth. Add on to this pattern the dozens of movies and television programs that have suddenly become fashionable about demonic forces and extraterrestrials invading our planet (now clearly much of this is Hollywood's desire to make money from the latest trend, but remember who controls the largest film studios: the Elite) and an objective person needs to, at least, consider the claims that the Elite are withholding information and creating a subconscious climate of fear.

[END OF QUOTING]

We need to leave the writing, Dharma, and get on with the "rush" request for the documents going to Brunei. Thank you, for this is necessary information as reminders of circumstances.

I would add that, yes indeed, many people right around the old "home town" saw these craft on several

separate nights between 11:00 and 12:00 p.m. They flew VERY LOW over Ekkers' house—in full "night" view. This means that the belly lights were on. The craft are massive in size and totally SILENT. Sightings are usually more notable on moonlit nights because the outline of craft is easily seen. Often the craft are accompanied by military "fighter" jets, which actually have difficulty flying SLOW ENOUGH to stay airborne. It is not that the craft doesn't fly "FAST", it is difficult to keep from breaking the sound barrier, as a matter of fact. However, the point is to track us in "slow mode" just to realize how in control we are. Yes indeed, there ARE copies, but when flown at slow speeds, they drop like lead balloons.

The facts are that there is power enough for electromagnetic pull to suck the babies checking us out—right into the exhaust system. The electromagnetic pulses can stop or "blow up" any electronic gear within hundreds of miles, and blow out electric transformers for whole sections of a nation.

People, you are outgunned and out-maneuvered, TOTALLY. You not only have these sorts of craft, sound (out of your hearing range) motivated craft, and light-motivated craft abounding from "out-there", but the Russians have the Cosmospheres that dance circles around ANYTHING available to the U.S. Power Elite.

I will speak more on this topic later because it is time YOU stop playing games with your mental limitations, or the next danger you encounter will certainly be of the "third kind".

Good afternoon.

Sorting Is Finalizing As Global Alliance Forges Ahead

(Continued from page 19)

accomplishment—for I have to wait for you to finish your playing to even consider moving ahead in Spiritual accomplishment. And no, WE DO NOT tinker around—we do not play while I tell you otherwise. I have also no intent to proclaim it "OK" to go celebrate with anything more than a cup of wine or two—or four. To "celebrate" with things that make you STUPID seems a bit stupid TO ME. Oh well, to each his own, and one step at a time has to be man's pace, for he will give nothing up until PROVEN SO DESTRUCTIVE AS TO CAUSE HIM TO CHANGE.

But here is a funny for you; a couple of days ago came a little "decree" from the Roman Catholic Church as a suggestion over here in the Philippines: "Use flags to indicate the 'time of the month', a red flag on the bedroom door means 'no', a white flag means 'maybe', a yellow flag means 'caution' and a green flag means 'sex is OK'." But the rebuttal was: There would be nothing but red flags and the men would be cast out of the bedroom. Now, how is that for honesty? Of course, consider this: We worked initially over here with a Jewish man who married a Philippine lady—they live in a one-room dwelling WITH TEN PEOPLE, including parents of the wife and her children and now, "their" children. If this isn't "phallic worship", then I fail to recognize what addictions are important to mankind.

Now, even Hillary Clinton is blaming an "abusive childhood" for the phallic focus of one Billy-Boy Zipper, I believe for something like the mother not getting along with her mother. Wow, and his father was actually a Blyth of the Rockefeller clan, so that means a bastard child raised by two feuding abusive

women and later an abusive (at least to his wife) stepfather. Screwed up? I would guess so, along with alcohol, drug and every other abuse you can think of right up top. And THESE are the leaders of your world!

But what of the Philippines I now tout? Oh, worse: Erap has at LEAST 7 bastard children by as many wives (7 wives he claims); however, only ONE wife is legal and/or recognized—so in simple language we speak of "mistresses" and illegitimate children. He now, however, says he will have to take a stand "against" the Church and recommend birth control because of overpopulation. Well, why change now? And what was his "cute" little joke when the Clinton mess broke? Oh, he said, "Well, unlike Clinton—my women are satisfied and don't sue me." Do we ever have a LONG WAY TO GO, BABY, OR WHAT?

Some 85 percent of all the children in the Philippines HAVE TUBERCULOSIS AND NOW THE AIDS OR HIV RATIO IS GAINING EXPONENTIALLY. Thousands of children under five die annually just from water-borne infections and parasites, as well as from parasites carrying their own infecting parasites.

GOD GAVE YOU "MINDS"—THINKING/ CREATING MINDS—AND YOU HIDE THEM IN YOUR PANTS. FURTHER, UNTIL THERE IS SOMETHING "ELSE" BESIDES USING SEX AS A MALE GAUGE OF HIS WORTH—IT WILL GET WORSE. THE MAN MUST COME AGAIN INTO HIS POSITION AS BREADWINNER AND CARETAKER, OR MANKIND IS FINISHED, CHELAS.

YOU "CAN" HAVE A MAN "PROCREATE" BUT NEVER "CREATE" IN SUCH A CIRCUMSTANCE AND ENVIRONMENT—FOR YOU "ARE" YOUR ENVIRONMENT, JUST AS YOU ARE CREATOR OF EVERYTHING ELSE—JUST BETWEEN YOU AND GOD, GOOD BUDDIES—JUST BETWEEN YOU AND GOD. AND NO, I WILL NOT PLAY TO THE POPULAR DEMANDS OF ANYONE OR ANYTHING—YOU WILL GET TRUTH AND HONESTY FROM ME, FOR THAT IS WHAT GOD IS ALL ABOUT, STUDENTS. SO, IF YOU DON'T WANT, "REALLY", TO LEARN TRUTH—GO WITH ANOTHER LEADER RIGHT OFF THE CLIFF OR INTO THE PIT—WHICH ACTUALLY IS THE SAME THING, IS IT NOT?

YES INDEED, WE HAVE ENOUGH TO GET THIS JOB DONE "WITHOUT" "YOU". But isn't it a shame to miss it? Indeed, it only takes one, and we aren't talking about crucifixion or saving anything from anything. If you want to "save" something, like yourself, you better get with the program. Talking a thing to death won't help, either. We have told you for a dozen long, hard confronting years to GET PREPARED, and now comes ANOTHER ONE telling you to "get prepared", while they cause the loss of that which was put aside for preparation projects. No thank you—if this is your input and help, we don't need it, PLEASE.

Dharma, I need you to do a few other things, so let us close this writing, and if we have time we'll discuss some reminders about creating that which manifests as reality.

Thank you and good afternoon,
Dad

TELEPHONE HOTLINE 805-822-0202

As an adjunct to CONTACT, the Telephone Hotline keeps you as informed as possible on current events and other important information that needs to get to our subscribers before our publishing date.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus daily callers can hang up after 2 rings and save toll charges if no new message has been recorded. If the Hotline does not answer your call, then there is currently no Hotline message.
