GURUS, PROFESSORS, COHANS, TEACHERS: IS THERE A DIFFERENCE?

Only in the small-print definition and as categorized by “subject”, department, or having to have more definitive information do the above terms have meaning. And by whose critique? It is much like a University degree: is the degree in Medicine, Law, Philosophy, Art, Music—what? The degree CANNOT be in “Military” Science, “Political” Science”, etc., because there is NO RESEMBLANCE OF “SCIENCE” IN ANY SUCH CATEGORIES—ESPECIALLY “RELIGIOUS” SCIENCE. Even your LANGUAGE has been changed to mean something you don’t understand but accept as readily as your next meal for the puppet-masters. SO SPEAK RIGHT UP AND IDENTIFY, AND IDENTIFY YOUR EXPERTISE.

We all noted in Rick’s “WATCHER” paper that he noted that in spite of too much SENSATIONALISM—

Korton (jonur) “carried the paper” (*CONTACT*), since the *Spectrum* (and himself) group are no longer “doing” the paper. Sensationalism? Too sensational? This is followed or preceded by most of *Spectrum* dealing with shape-shifting space reptilians and the reptilian shape-shifting Royal Family of England. (????) CRITICS AROUND EVEN WITHOUT ASKING INPUT. I also ask you: “Would you put a kindergarten electrical engineer in charge of GOD’S DIVINE PLAN?” “But Dr. Young is a profound teacher, scientist and is an expert in the field of light.” It says right there in print—written by his house-mate buddy. So, he studied “LIGHT”? So do the lampmakers. Show me what he has DONE, other than pronounce his profound opinions? SHOW ME!

WOULD A UNIVERSITY PROFESSOR OF THE “DIVINE PLAN” ACTUALLY TURN THE TEACHING OVER TO A SELF-STYLED GURU ASSUMING THE POSITION OF KING TUT? EVEN KING TUT DIDN’T TRY FOR THAT ONE—EVEN AGAINST ME.

students to take over the school. You are in the mess you’re in because of just such stupid ideas and claimed “ideals”. I do not care what “they” claim for selves—it does not make it so. However, the very act of foolishly stating such things proves their ignorance in most subjects falling into discussion. When you know too much to even bother to attend classes, never show respect for the professor already having begun the class, as to heed even good manners, and then take over the school, you have a problem, readers—IF YOU FOLLOW “THAT” LEADER. It is time to pay attention, for the students in this school are sick to pieces of the antics of the bullies and disrupters.

So, I am a teacher, professor, Cohan, etc. BUT I AM NOT A GURU in the same meaning as that term is utilized in your modern definitions. I, Hatonn/Aton am extremely (100%) SPIRITUAL but I have NO INTERESTS AT ALL IN “RELIGIONS”.

Next? How dare I have so much input in, say, *CONTACT*, the paper? BECAUSE I ESTABLISHED IT AS A PART OF MY “DEPARTMENT”, OF WHICH I CHOOSE THE TOPICS AND BASICALLY

No, I shall not give up my “Chair”, nor shall I allow the

OWN THE PAPER. IT IS FOR INFORMATION FOR THOSE WHO WISH TO TAKE MY CLASSES! YOU EITHER WANT THE INFORMATION WE OFFER OR YOU DON'T, AND THAT IS NOT SO DIFFICULT TO DECIDE, IS IT? WE ACCEPT ALL COMMENTS, ALL CRITIQUES, AND RESPOND TO ALL WE CAN HANDLE. HOWEVER, YOU HAVE CHOSEN, IF YOU ARE A READER, TO ACQUIRE THE INFORMATION WITHIN THE PAGES, ON THE TAPES WE MIGHT OFFER OR WHATEVER YOU WISH. WE COULD CALL OUR LITTLE PAPER *THE FREE ENTERPRISE INSTITUTE*—BUT THAT IS ALREADY TAKEN BY A BRILLIANT PROFESSOR IN LOS ANGELES, CALIFORNIA. Oh, and by the way, you don't get on a list because we don't have memberships. If you wish to get a call for a class or two, that doesn't mean you become a "member" of something or even agree with the curriculum. However, you have no right to interfere with those who DO wish to gain something.

If we do not "serve up" what you want, then is there something binding you to have to tolerate our presence, our topics, our paper or our presentations? I am NOT the Phoenix Institute, and the Institute is NOT Hatonn/Aton, nor is it Ekker-Ekker-Phoenix just because a greedy attorney in Nevada, George Abbott, chooses to pronounce that way. We do have a common pathway and destination but we are NOT "those things"; WE ARE PART OF THOSE THINGS AS WE ARE A PART OF ALL THINGS, AND THE "ONE" THING.

As for you who participated as lenders into the Phoenix Institute—you have LOST NOTHING and shall not lose anything—unless you destroy the Institute in point. Furthermore, you who have helped us sustain, through these recent difficult times, shall reap more abundant rewards than you have imagined thus far.

Then, for you who think Ekkers and Hatonn have run away to some South Pacific Islands—THINK AGAIN. WE GO WHERE WE CAN ESTABLISH THE BEST SYSTEM FOR THAT WHICH WE STRIVE—OUR BASIC PROJECT FROM ONSET OF ANY RELATIONSHIP WITH ANY OF YOU.

There are many reasons for being unable to establish a non-establishment program of any kind in a politically controlled (through police force) system, where there is NO FREEDOM and no longer any RESOURCES BELONGING TO "THE PEOPLE".

Do you still believe you are a FREE "REPUBLIC" in the U.S.? Do you actually believe in your world of TOTAL REGULATION that you have a Free Enterprise system at function? You can sing anything you wish on the Fourth of July—but it does not make you FREE! This is a total illusion, people; you are so controlled that you don't even understand that you ARE CONTROLLED—you know nothing else.

Let us look at something interesting: You own your home? No, you pay for your dwelling—but ANYTHING that can be taken by another for any reason, especially TAXES, is not owned, except by the government who sets the taxes. Try your car now—do you own your car? NO you do not. You pay for the car and all that goes with it—BUT IT CAN BE CONFISCATED FOR ANY NUMBER OF REASONS, FROM NOT REGISTERING IT TO NOT HAVING INSURANCE, AND IF SOMEONE STEALS YOUR CAR AND LEAVES DRUGS IN IT—IT WILL BE CONFISCATED. So you are again People of the Lie! YOUR ENTIRE NATION, AND ALL PROPERTY AND ACTUALLY YOURSELVES—ARE MORTGAGED TO THE POWER ELITE! YOU HAVE NO FREEDOM AND MUCH THE MORE—THE ILLUSION IS GETTING

MORE AND MORE CLEARLY PRONOUNCED AS TO THAT FACT—GLOBALLY!

So then, what happened to that Free Republic and Free Enterprise wonderland of ability to produce in that wonderful land of FREEDOM?

Well, everything the masters could bring against you—including REMOVING you from a gold-standard for valuing your money, at which time you were already sold down the drain but then they put you through the disposal. YOU NO LONGER HAVE A "REPUBLIC" OR A CAPITALISTIC FREE SOCIETY—you have FASCISM-STATISM-SOCIALISM. BUT WORSE, YOU HAVE SICK VERSIONS OF EVERY ONE OF THESE THINGS AS WELL.

What does this mean? Well, it means that this professor is going to have to bring information that reminds you about these things, and points out a few things you might not know or have forgotten, and I am going to do it by people no longer around so that you can understand that THIS IS NOT NEW OR A "REVELATION" FROM SOME GURU SEER.

I promise you here and now that these are the kinds of LESSONS you are going to get from this paper, *CONTACT*. We, as we always have, will speak on a myriad of topics, from earthquakes and how they happen (Soltec already did that, so run it again), to how you can live a more balanced, responsible life in the human form, while being quite sane and even joyful in your experience. Man was NOT made to "suffer"—man in human expression is in an experience of free-will choices and learning. He pursues happiness, for all human beings pursue happiness—but he meets that which is a challenge with responsibility and courage if he expects to experience that happiness. JOY is that which abides in a soul which is doing the righteous and goodly things which bring glory and joy within the being, as in peace, balance, harmony and yes indeed, LOVE. But there are so many misused and abused excuses for "love" as to almost make me leave that one OUT, except on an in-depth discussion as to "conditional", unconditional and ABSOLUTE. LOVE IS NOT ANY OF THE THINGS WE SEE BEING USED TODAY AS TO SUIT THAT TERM.

We do have to meet, head-on, those things which seem to have priority if we are to successfully bring change, so please bear with us and as long as the back and fingers hold up, we'll do the best we can and get as much as we can out to you.

I was just reminded to mention TO ALL YOU JOURNAL HOLDERS—GO READ *THE DIVINE PLAN, VOL. I*. I hope you will find it as interesting as has our old friend "2 x 6" who has now grown to only needing a "2 x 1/16th". What does that mean? Norm doubted everything early on and after all, he is on Book No. 50 or something—CLUE. He said he was worse than the old mule who needed a "2 x 4" across the head to get his attention—he was just at a level of a "2 x 6". He is one of those ROCKS upon which a foundation can be established in THE DIVINE PLAN. This is NOT gushy "religion"—THIS IS TRUTH AT LAST!

What I offer you now, again comes from Ayn Rand in 1965. So if things were as presented in 1965—WHERE DO YOU THINK YOU STAND, OR SIT—IN 1999? AND WHERE WILL YOU BE INCARCERATED IN Y2K AND BEYOND? INDEED, YOU HAD REALLY BETTER THINK ABOUT IT.

Because the topic is quite long in presentation and we have another topic to cover as well, we will please label this Part One:

[QUOTING:]

THE NEW FASCISM: RULE BY CONSENSUS

Ayn Rand, Lecture: April 18, 1965

I shall begin by doing a very unpopular thing that does not fit today's intellectual fashions and is, therefore, "anti-consensus": I shall begin by defining my terms, so that you will know what I am talking about.

Let me give you the dictionary definitions of three political terms: Socialism, Fascism, and Statism.

SOCIALISM—a theory or system of social organization which advocates the vesting of the ownership and control of the means of production, capital, land, etc. in the community as a whole.

FASCISM—a governmental system with strong centralized power, permitting no opposition or criticism, controlling affairs of the nation (industrial, commercial, etc.).

STATISM—the principle or policy of concentrating extensive economic, political, and related controls in the state at the cost of individual liberty.

(—*The American College Dictionary*, New York: Random House, 1957)

It is obvious that "Statism" is the wider, generic term, of which the other two are specific variants. It is also obvious that Statism is the dominant political trend of our day. But which of those two variants represents the specific direction of that trend?

Observe that both "Socialism" and "Fascism" involve the issue of property rights. The right to property is the right of use and disposal. Observe the difference in those two theories: Socialism negates private property rights altogether, and advocates "the vesting of ownership and control" in the community as a whole, i.e., in the state; Fascism leaves ownership in the hands of private individuals, but transfers control of the property to the government. **[H: Go back and read it again because you did NOT catch it the first time.]**

Ownership without control is a contradiction in terms: it means "property", without the right to use it or to dispose of it. It means that the citizens retain the responsibility of holding property, without any of its advantages, while the government acquires all the advantages without any of the responsibility.

In this respect, Socialism is the more honest of the two theories. I say "more honest", not "better"—because, in practice, there is no difference between them: both come from the same collectivist-statist principle, both negate individual rights and subordinate the individual to the collective, both deliver the livelihood and the lives of the citizens into the power of an omnipotent government—and the differences between them are only a matter of time, degree, and superficial detail, such as the choice of slogans by which the rulers delude their enslaved subjects.

Which of these two variants of Statism are we moving toward: Socialism or Fascism?

To answer this question, one must first ask: Which is the dominant ideological trend of today's culture?

The disgraceful and terrifying answer is: there is no ideological trend today. There is no ideology. There are no political principles, theories, ideals or philosophy. **[H: Now try August 1999 and see what you find.]** There is no direction, no goal, no compass, no vision of the future, no intellectual element of leadership. Are there any emotional elements dominating today's culture? Yes. One. FEAR.

A country without a political philosophy is like a ship drifting at random in mid-ocean, at the mercy of any

chance wind, wave, or current, a ship whose passengers huddle in their cabins and cry: "Don't rock the boat!"—for fear of discovering that the captain's bridge is empty.

It is obvious that a boat which cannot stand rocking is doomed already and that it had better be rocked, HARD, if it is to regain its course—but this realization presupposes a grasp of facts, of reality, of principles and a long-range view, all of which are precisely the things that the "non-rockers" are frantically struggling to evade.

Just as a neurotic believes that the facts of reality will vanish if he refuses to recognize them—so, today, the neurosis of an entire culture leads men to believe that their desperate need of political principles and concepts will vanish if they succeed in obliterating all principles and concepts. But since, in fact, neither an individual nor a nation can exist without some form of ideology, this sort of anti-ideology is now the formal, explicit, dominant ideology of our bankrupt culture.

This anti-ideology has a new and very ugly name: it is called "GOVERNMENT BY CONSENSUS".

If some demagogue were to offer us, as a guiding creed, the following tenets; that statistics should be substituted for truth, vote-counting for principles, numbers for rights, and public polls for morality—that pragmatic, range-of-the-moment expediency should be the criterion of a country's interests, and that the number of its adherents should be the criterion of an idea's truth or falsehood—that any desire of any nature whatsoever should be accepted as a valid claim, provided it is held by a sufficient number of people—that a majority may do anything it pleases to a minority—in short, gang rule and mob rule—if a demagogue were to offer it, he would not get very far. Yet all of it is contained in—and camouflaged by—the notion of "Government by Consensus".

This notion is now being plugged, not as an ideology, but as an anti-ideology; not as a principle, but as a means of obliterating principles; not as reason, but as rationalization, as a verbal ritual or a magic formula to assuage the national anxiety neurosis—a kind of pep-pill or goofball for the "non-boat-rockers", and a chance to play it deuces-wild for the others.

It is only today's lethargic contempt for the pronouncements of our political and intellectual leaders that blinds people to the meaning, implications, and consequences of the notion of "Government by Consensus". You have all heard it and, I suspect, dismissed it as politicians' oratory, giving no thought to its actual meaning. But that is what I urge you to consider.

A significant clue to that meaning was given in an article by Tom Wicker in *The New York Times* (Oct. 11, 1964). Referring to "what Nelson Rockefeller used to call 'the mainstream of American thought,'" Mr. Wicker writes:

"The mainstream is what political theorists have been projecting for years as 'the national consensus'—what Walter Lippmann has aptly called 'the vital center'...

"...Political moderation, almost by definition, is at the heart of the consensus. That is, the consensus generally sprawls over all acceptable political views—all ideas that are not totally repugnant to and do not directly threaten some major segment of the population. Therefore, acceptable ideas must take the views of others into account and that is what is meant by moderation."

Now let us identify what this means. "The consensus generally sprawls over all ACCEPTABLE political views..." Acceptable—to whom? To the

consensus. And since the government is to be ruled by the consensus, this means that political views are to be divided into those which are "acceptable" and those which are "unacceptable", TO THE GOVERNMENT. What would be the criterion of "acceptability"? Mr. Wicker supplies it. Observe that the criterion is NOT intellectual, not a question of whether or not certain views are true or false; the criterion is NOT moral, not a question of whether or not the views are right or wrong; the criterion IS emotional: whether or not the views are or are not "repugnant". To whom? "To some major segment of the population." There is also the additional proviso that those views must not "directly threaten" that major segment.

What about the minor segments of the population? Are the views that threaten them "acceptable"? What about the smallest segment: the INDIVIDUAL? Obviously, the individual and the minority groups are NOT to be considered; no matter how repugnant an idea may be to a man and no matter how gravely it may threaten his life, his work, his future, he is to be ignored or sacrificed by the omnipotent consensus and its government—unless he has a gang, a *sizable* gang, to support him.

What exactly is a "direct threat" to any part of the population? In a mixed economy, every government action is a direct threat to some men and an indirect threat to all. Every government interference in the economy consists of giving an unearned benefit, extorted by force, to some men at the expense of others. By what criterion of justice is a consensus-government to be guided? By the size of the victim's gang.

Now note Mr. Wicker's last sentence: "Therefore, acceptable ideas must take the views of others into account and that is what is meant by moderation." And just what is meant here by "the views of others"? Of which others? Since it is neither the views of individuals nor of minorities, the only discernible meaning is that every "major segment" must take into account the views of all the other "major segments". But suppose that a group of socialists wants to nationalize all factories, and a group of industrialists wants to keep its properties? What would it mean, for either group, to "take into account" the views of the other? And what would "moderation" consist of, in such a case? What would constitute "moderation" in a conflict between a group of men who want to be supported at public expense—and a group of taxpayers who have other uses for their money? What would constitute "moderation" in a conflict between the member of a smaller group, such as a Negro in the South, who believes that he has an inalienable right to a fair trial—and the larger group of southern racists who believe that the "public good" of their community permits them to lynch him? What would constitute "moderation" in a conflict between me and a communist (or between our respective "followers"), when my views are that I have an inalienable right to my life, liberty, and happiness—and his views are that the "public good" of the state permits him to rob, enslave or murder me?

There can be no meeting ground, no middle, no compromise between opposite principles. There can be no such thing as "moderation" in the realm of reason and of morality. But reason and morality are precisely the two concepts abrogated by the notion of "Government by Consensus".

The advocates of that notion would declare at this point that any idea which permits no compromise constitutes "extremism"—that any form of "extremism",

any uncompromising stand, is evil—that the consensus "sprawls" only over those ideas which are amenable to "moderation"—and that "moderation" is the supreme virtue, superseding reason and morality.

This is the clue to the core, essence, motive, and real meaning of the doctrine of "Government by Consensus": the cult of compromise. Compromise is the pre-condition, the necessity, the imperative of a mixed economy. The "consensus" doctrine is an attempt to translate the brute facts of a mixed economy into an ideological—or anti-ideological—system and to provide them with a semblance of justification.

[END OF QUOTING]

It is very late and it has been a long day indeed—wondrous—but long.

Team, Chelas of My own, we have formed our coalition and we can now begin to share more closely with you that which is coming forth. It must remain in security for the moment, but I will share a most remarkable step which has been taken THIS DAY and of which none of my U.S. team could have any knowledge.

Indeed, for the generations of time, it was KNOWN that a new ability to form a more balanced world could and would be in Southeast Asia. You who think "your place" is the CENTER OF THE WORLD must come to the realization that you must SHARE.

In the not-too-distant past, a plan was formulated whereby the world economy could be balanced and set on a foundation of VALUE. You can huff and puff your way into turmoil over whether or not you like, dislike or abhor one called Ferdinand Marcos—but I will tell you a VERY BIG SECRET. The resources of the "El Dorado", placed by our own travelers FOR US IN THIS DAY AT THIS TIME OF CHANGE, were given into the attention of this man called Marcos. Whatever the man was "before" has no impact at all on this event. He was told and immediately began to set forth a plan, whereby great wealth would be scattered around the globe for use as we would come upon the millennium. He would have had the entire thing in order and running, had he not been "removed" from the "play" by the ones who took the sheltering assets already structured for this specific use.

I am not going to tell more of the tale at this time but let it be known that I was involved, as were others, not only in the revelations but in the events that have come to pass to bring together the people who would see to the ongoing accomplishment of our mission. This evening we signed our pledge of coalition that we could move into international interchange as an ALLIANCE.

All those assets now tucked away in security shall be made available for purposes of Earth Shan (in the Philippines it is recognized as Sham). And on a higher recognition we constitute the "Children of the Sun", Atom(n). I will remind you again in this note; get a copy of *The Divine Plan, Vol. I* (Phoenix Journal) and hold your breath—this is not something revealed TODAY but I told you in 1991-92 how you could expect things to begin to unfold. In 1991 I gave the "Revelations" to my people in the Philippines and thus to Southeast Asia. Welcome aboard!

You are blessed and I am proud, as a Father, of my Children.

And to you who do not call me "Dad"—go to...you know, wherever you wish to place your restless heads.

To my team and crew: I salute you (SALU) and adore you,

DAD
GCH—d

Integrity By Virtue, Not Regulations

8/26/99—#1

IDENTIFICATION OF SPEAKERS AND WRITERS

I am going to make some notations, AGAIN, about this nonsense taking place regarding our paper vs. “their” paper. We have a paper called *CONTACT* and I have absolutely NO INTEREST WHATSOEVER IN “THEIR” PAPER(S).

There is, however, ongoing activity, especially by Rick Martin-Cortright to INTERNET sites, e-mail mailings and writings in “their” paper, *SPECTRUM*, that continues to bash, denounce and generally try to discredit, most specifically, E.J. and Doris Ekker and anyone who touches them, family or friends. Ekkers have been away for well over a year on a project, which is utmost in importance to all concerned. Is it not time that everyone “grew up” and looked at facts? You can check out anything you have offered—and you can easily get facts. You do not and should not need to live in Limbo-Land—GET THE FACTS IF YOU CARE, OR FORGET IT AND US IF YOU DON’T WANT TRUTH—YOU WILL NOT GET IT FROM *SPECTRUM*, RICK MARTIN, ED YOUNG, GAIL IRWIN MARTIN CORTRIGHT (whatever), NOREY L., OR ANY OF THEIR “TEAM”, WHICH INCLUDES AL OVERHOLT, CHARLES NEIL, RAY BILGER, ET AL., OR ANY OTHER DEVOTEE OF ETHERIC ED.

If you are ever going to run the information material from Doris to Patrick Bailey (Bellringer), staff, this may well be your opportune time while we are starting a new phase of our work. Let us clean out the old and move on, for we have only a few short weeks to clear a lot of things by the turn of what you consider the century (millennium) marker on your calendars. We are going to have massive changes beginning in YEAR 2000 (Y2K). I suggest you, further, will want to participate. By the numbers of inquiries we receive, the people may well “say” they don’t want any more information filling up the paper—but WHO IS SAYING IT? THE *SPECTRUM* GROUPIE. OUR PEOPLE WANT ALL THE INFORMATION THEY CAN BEG, BORROW OR OBTAIN. THIS IS “OUR” LIVES, PEOPLE, AND YOU MUST HAVE INFORMATION YOU CAN RESEARCH AS TO TRUTH AND NOT MORE BLATHERING FROM FALSE PROPHETS AND SEERS—WHO PREACH A LOT BUT OFFER NOTHING, INCLUDING IDENTIFICATION OF PRESENTERS.

RICK MARTIN, FOR INSTANCE, IS/WAS(??) STILL WRITING FOR SOMEONE HE CALLS “SANANDA”. THIS IS NOT THE “SANANDA” I KNOW—SO WHAT HAVE YOU? YOU HAVE HIM NOW HIDING BEHIND NOT EVEN HIS RECEIVER LABEL OF THOMAS. YOU GET

NOTHING BUT WHINING AND “PERSECUTION” OF POOR SELVES FOR THE DEEDS THEY COMMITTED. THAT IS LIFE, READERS, YOU GET THE CONSEQUENCES OF YOUR ACTIONS—NO MATTER WHO YOU ARE AND ALL THE LIES VOTED ON AND PRESENTED AS TRUTH—ARE SIMPLY VOTED-IN LIES!

Unless man comes back into credibility where his word is forthright and is his bond—in INTEGRITY, you have nothing upon which to base a new society of goodness, fairness, justice or balance.

We did NOT cause any of the above-named people to DO ANYTHING. THEY MADE THEIR CHOICES; THEY DID THEIR DEEDS TOTALLY INTENTIONALLY OF FREE-WILL CHOICES. SO BE IT.

First, this morning I am going to give you ALL a lesson on identification of writers and speakers.

Go get a newspaper and no, I DO NOT mean a *CONTACT* or a *SPECTRUM*—GET A NEWSPAPER!

You will note at the top of the paper there will be identifying information as to the paper, i.e., Vol. No, date and whatever other the paper wishes to place there.

Somewhere in that paper will be “paper” information other than Masthead.

Now look at the articles. If the paper is a regularly printed paper there will be no By-Line at all unless there is, simply put, the name of the journalist presenting the article. This is not even recognized on such as the front page.

Now look at other articles by “journalists” or “editorial staff”, “publishers” or Ed-Ops (Opinions). Then, if there is room for a “Public Expression” or “Letters to the Editor” page there will be requirements of the writer, i.e., name, address, phone number. The printed material may or may not use the name but only initials and may only give location information: GCH, Pleiades, Sp. Cmd.

Regular journalists will give the name of the author, i.e., GCH or whatever is suitable. If it is an unsigned article typed by a secretary it may or may not have initials of the secretary OR it may issue a notation as a Co-Journalist, i.e. Ron Explicit/d.

Now, readers; do you give a hoot? Well, if you are looking for Eustace Mullins’ column, you certainly DO CARE. And, if he dictated his interview to someone you most certainly DO want to know who is responsible.

Eustace would not give his historical lineage, or his religious or spiritual BELIEFS—unless it is part of the article in point. He will, if a special article, give credentials so that regular readers can identify or at the least trace the source. In every instance for other than a “Doctrined Paper” or Newsletter (and most often not even then), you simply state author and preferably it would run something like this: GCH, Manila, Philippines or Sandorsky, Pleiades or whatever. If the

secretary has WRITTEN (authored) the piece then say so as a by-line.

Is this so hard to understand?

Now, if you have a writer for A PAPER who always uses his secretary, it will become a “style” of the author which bears more identification, and the note of who wrote (actually took the dictation) to identify by at the least an initial (usually in non-capitalized print or the pen name), identification label or simply one initial—just as would be offered in a business office from a typing pool.

If there is a whole paragraph of explanation of a writer, i.e., “Eustace Mullins, Washington D.C., in the Holy Light of God, speaking from Space Ship Mars, as Captain of the *Lollypop*, and assuming responsibility of Rehabilitation of Earth Shan—BEWARE. Anyone, knowing Eustace Mullins, is embarrassed by such foolishness and the paper then appears to be a CULT ragsheet of Eustace Mullins’ cult. Sorry, kiddies, but that is a FACT in this old world.

If you want to simply do a newsletter for Spirit-input—fine, go ahead and ruin your paper if you choose—BUT YOU WILL NOT RUIN MINE! DO WE ALL UNDERSTAND ONE ANOTHER? I AM HERE AS A DIRECTOR OF A PROGRAM/PROJECT/MISSION (YOU NAME IT) AND I AM A JOURNALIST AND HAD SO-STATED A THOUSAND TIMES OR MORE. EVERYONE IS WELCOME TO READ, PARTICIPATE, ENJOY AND SHARE. I DO, HOWEVER, NEED TO COMMUNICATE WITH MY TEAM/CREW/STAFF (YOU NAME IT) AND THIS PAPER, *CONTACT*, WAS ESTABLISHED FOR THAT PURPOSE! AND, IF YOU DON’T BY NOW KNOW WHO GCH-d MIGHT BE, NEVER YE MIND FOR IT IS THE INFORMATION OFFERED.

Now, if another secretary comes forth and says, without any identification at all, that Hatonn/GCH/Aton/hATONn now gives 100% responsibility for that paper, *CONTACT*, over to someone who does not own the paper, and does not even WRITE for me or RECEIVE from me—would you not think something is amiss? OK, one step further: Let us say we have Mr. Max Soliven (Publisher/Editor of the *Philippine Star*) and some nit-wit comes along and says Mrs. Preciosia Soliven now transfers all rights, property and operations of the *STAR* to Etheric Ed Young and his band of merry men. WHAT WOULD YOU EXPECT MR. MAX SOLIVEN TO DO? AND, THAT, WHILE COMING TO FIND OUT THAT PRECIOSIA IS MAX’S WIFE—FILING FOR DIVORCE TO TAKE AND RUN THE PAPER, WHILE “HOUSECLEANING” OUT ALL JOURNALISTS, AUTHORS AND SPEAKERS WHO CAME BEFORE.

IF IT WON’T SELL ON EARTH, CHELAS—IT CERTAINLY WOULD NEVER SELL IN HEAVEN!

Since our paper is a “Mission/Project Information Paper” and I, GCH, am in command of the project—I demand that anything in this paper be identified as to content and source—WITH IDENTIFICATION OF WHOEVER RECEIVES AND USES MY INFORMATION, OR THAT OF ANYONE IN MY COMMAND OR WITHIN THE PROJECT. THAT IS COURTESY IF NOTHING MORE, BUT IT IS MUCH, MUCH MORE! WRONG INFORMATION HAS SPROUTED AND SCATTERED FROM “OUR

PAPER”, TAKEN BY ROGUES AND THIEVES STILL USING MY NAME AND IDENTIFICATION NAMES AND SO, TOO, MY COMPATRIOTS. THEY PLACE NO “RECEIVER” INFORMATION. THEY PRESENT THINGS LIKE “ORACLE” WHO SAYS: “...”—A SHAMAN OF WHAT? Oh yes, the Mayans! The Mayans being one of the most UNGODLY of most other tribal species.

It certainly IS OK if a publisher/owner of a paper wishes to run his paper in that manner—but he MAY NOT USE MY NAMES OR OUR PROPERTY, AND I AM EMBARRASSED THAT HE TOOK THE MAILING LIST, FOR SOME OF YOU WHO CLAIMED TO BE ON OUR TEAM NO LONGER EVEN GET *CONTACT* BECAUSE YOU CHOOSE TO FOLLOW ANYONE “ELSE” WHO COMES ALONG AND HAVE CUT YOUR OWN CONNECTIONS TO THE ONES MOVING FORWARD IN THE ACTUAL “GAME”.

NOW, FACE IT: I AM NOT GOING TO DO ANYTHING FURTHER TO SUIT THE *SPECTRUM* GROUPIE—PERIOD. IF THEY DON’T LIKE MY USAGE OF THE TERM “DAD”, WHICH HAS GREAT MEANING—MOSTLY TO CATCH THEM IN THEIR DIRTY GAME, INSIST ON “STATUS” FOR THIS OR THAT “SPEAKER” TO SUIT THE NEEDS OF THE UNDERLINGS WHO SIMPLY WANT EGO-RECOGNITION—SO BE IT, AND GOOD RIDDANCE. I DO NOT CARE TO WHOM THEY CHANT THEIR NASTIES, FOR IT WILL ONLY PROVE THEM TO BE PSEUDO-EVERYTHING, INCLUDING “MEN” OF HONOR.

OUR THRUST IS ALWAYS TOWARD AS NEARLY-PERFECT INTEGRITY AND HONOR AS WE CAN ACHIEVE IN A WORLD MANIFEST. THIS IS OUR PLAYING FIELD, OUR BALL, OUR RULES, AND THEY WILL ALL BE IN GOODNESS, FAIR RULES AND AS NEARLY GODLY AS WE CAN ACHIEVE THROUGH THE IMPERFECTION OF HUMAN ASPECT. THE *SPECTRUM* PSEUDO-REPRESENTATIVES OF ME OR MY COMPATRIOTS, ARE OF NO NOTE TO ME OR MY COMMAND—HOWEVER, IT SEEMS A SURLY AND SPURIOUS THING TO PERPETRATE AGAINST THIEVED SUBSCRIBERS WHO HAVE WORKED UNDER MISINFORMATION AND DISINFORMATION—(THE LIE).

So, when you see [XXX-d, dharma, Doris] that is, indeed, Doris Ekker. Doris Ekker has another PEN name registered as “Dorushka Maerd”. And, since a human secretary must stand responsible in a COURT OF LAW (pronounced upon Doris Ekker for that which SHE writes in the absence of MY PRESENCE by a Federal Judge, Coyle, and a Superior Court Judge, Wallace), SHE MUST IDENTIFY.

If you find [XXX-j, jonur, Joseph] it is Joseph and “Doris” does not have his surname available and can’t remember it (hee hee)! She has no right to identify him; it is none of HER business!

Next we come to editing. Let us suppose that some writer/author runs an article in the *Philippine Star*, an article USING Max Soliven’s identification and no other reference? Max is going to be somewhat IRRITATED to say the very least. He is not going to rest, especially if the information CONTRADICTS or gives INSTRUCTIONS totally against his own opinion

or stance, until he finds the culprits and confronts them. Is this right or wrong? It most certainly is lawful and legal under all laws of morality, ethics and legal procedure. I am perhaps more fortunate in that I KNOW MY ENEMIES AND I KNOW WHO USURPS MY AND MY COMPATRIOT’S PRESENTATIONS AND INSTRUCTIONS.

NEXT: A “speaker” is one who identifies and may well have a translator or “interpreter” who puts language into another format or language—or interprets or translates code-signed language or tonal signals (as in radio transmissions).

I ask you: HOW MANY SECRETARIES, LIKE COOKS, SHOULD SERVE ONE CHEF IN ONE POT OF STEW? RIGHT! ONE! Does that mean that others can’t serve in cooking something else for that Chef? No, but our thieves took the chef, the stove, the pot and started kicking out the head cooks, and took the kitchen and the customers. THIS IS, FIRST OFF: ILLEGAL! AND YOU WHO BELIEVE IT TO BE MORAL, NEED LESSONS IN MORALITY, FOR THIS TOOK PLACE “IN THE NAME OF GOD OF HOSTS”, AS TO THE *SPECTRUM* GROUPIE, AS NOW RECOGNIZED AS A CULT, AND YOU WHO HAVE SIGNED ABOARD—ARE LISTED AS CULT MEMBERS AND AS “POSSIBLE” DOMESTIC TERRORISTS! CHECK YOUR LOCAL FBI, CIA AND WITH JANET RENO.

Ah, but you were told: “It is rumored that the ‘farm’ is to be another Waco!” Another what? There were only three persons living at the Farm, Ray Bilger, his wife Janet and a baby. Ekkers are in the Philippines and never went to the farm more than a dozen times in the whole of the years in point. So, RUMORS have to be false, don’t they? Unless, of course, the culprits are the Ray Bilgers and Janet Reno doesn’t like him for some hidden reason. They also set up a whole display of guns (mostly Rick Martin’s) to prove how awful Ekkers are, when one old saddle gun from a rancher and a youth’s ranch .22, were all [Ed: that were] ever touched by Ekker. But TV cameras were brought, and a SERIES was done on the network and the papers were present in the form of reporters with cameras—and Charles had brought forth the guns OUT OF HIS TRAILER and, they say, from barn-loft hiding places. Not one of the guns even fit the small amount of ammunition and none fit the Ekkers’ (memorabilia of a father and life on a ranch)—nor were any of the guns even questionable as to legality. THOSE FIREARMS RESIDE WITH THE SHERIFF OF KERN COUNTY—BECAUSE THEY WERE TURNED IN BY OUR PEOPLE, TO BRING COMPLAINT AGAINST WHOEVER DID THE DISPLAY WITH DEMAND FOR INVESTIGATION.

Why make a point? Because the guns were laid out on a pallet in the barn and then the barn door left open! There are children all around the area, and for a while, after Bilger moved out (taking quite a lot of property not his own), the place was vacant. This draws kids like a magnet—and they could walk right into that barn and GET THOSE GUNS AND DO ALL SORTS OF DAMAGE TO THEMSELVES AND OTHERS—AND NOBODY BUT THE SET-UP PEOPLE WOULD EVEN HAVE KNOWN THEY WERE THERE—THE GUNS OR THE KIDS.

Is THIS Godly, moral, honest or lawful? No, but Ray Bilger is one of *Spectrum*’s major WRITERS, who writes on what is wrong with the United States of

America, her systems, her government and her people! YOU BE THE JUDGE!

Let it be KNOWN: WE HAVE NOTHING TO DO WITH *SPECTRUM* or their paper—PERIOD! I do not care WHO subscribes but indeed, I care WHO FOLLOWS THOSE CULT LEADERS, FOR THEY ARE CRIMINALS AND TOTALLY LACKING IN INTEGRITY OR HONOR.

Now may we get on with our work, please.

I have offered to share Alan Greenspan’s writing on “THE ASSAULT ON INTEGRITY”. The topic in point is “Capitalism, The Unknown Ideal”. The term “Capitalism” is misused and has become somewhat of a negative term, so let us look at the more useful alternative to the word: “Free Enterprise”; and this has MANY references, i.e., free initiative, free exercise, free volition, as examples.

One most important concept of “Free Enterprise” is the necessity for QUALITY, FAIR PRICING, FREE INTERCHANGE AND “INTEGRITY”. We have no wish, whatsoever, to move toward the tyranny of big business, industrial or otherwise. WE ARE SEEKING “FREEDOM”!! Go read your *Declaration of Independence* and YOUR *CONSTITUTION*—we ARE seeking TO ESTABLISH FREEDOM and EXCHANGE, BASED ON HONEST VALUE!

So, realize in reading Mr. Greenspan’s article that he is talking about business practices—but business practices are also individual and societal “practices”.

[QUOTING:]

THE ASSAULT ON INTEGRITY

By Alan Greenspan

The Objectivist Newsletter, August 1963

Protection of the consumer against “dishonest and unscrupulous business practices” has become a cardinal ingredient of welfare Statism. Left to their own devices, it is alleged, businessmen would attempt to sell unsafe food and drugs, fraudulent securities and shoddy buildings. Thus, it is argued, the Pure Food and Drug Administration, the Securities and Exchange Commission, and the numerous building regulatory agencies are indispensable if the consumer is to be protected from the “greed” of the businessman.

[H: This is a good example of what we speak about in the *CONTACT* vs. *Spectrum* circumstance. You have a group who simply walked away with funds, subscribers’ funds, the paper itself, and continued for at least three editions to push their hijacked paper, paid for by *CONTACT*’s subscribers, then set up expensive offices, hired (transferred conspiratorial staff) and generally perpetrated FRAUD ON YOU THE READING PUBLIC—FOR YOU AS SUBSCRIBERS OF *CONTACT* HAD NO NOTION OF THAT WHICH WAS TAKING PLACE WHILE BEING TOLD LIES, SHIFTING ASSETS AND THUS AND SO. THIS IS A PURE AND FINE EXAMPLE OF WHAT IS PRESENTED HERE—NOT JUST MORALLY—BUT AS A BUSINESS TAKEOVER! Now, consider what would happen if the CORPORATE parties responsible for the corporations, failed to do anything, save smile and say “Go ahead, rape us some more, and rape the readers and steal what you want, because after all—you are doing it in the NAME OF GOD!” This,

readers, is typically called: **Rape, Pillage and Plunder!** If you think this is **RIGHT**, just because you have a liking for this apparently “nice” person who is the criminal here—you have a long way to go to catch up with integrity within self. A mistake, because of no honorable presentation input, is acceptable, but to then refuse to intake other information or pull others away so that they do not get facts in truth—is quite a serious blunder in any **BUSINESS enterprise**. And here, we are speaking of **BUSINESS! DO YOU WANT TRUTH OR DO YOU WANT EDITORIAL NONSENSE?** If you are looking for business information, world affairs or possible cause and solutions, then you have to pay attention to same. If you only want some spiritual input, which can only be fluff under any circumstance, your spiritual pathway being **YOUR OWN**, then you have another focus. Either way—**YOU must get information, and get FACTS, and not tag-along as in “follow whoever happens to be the leader” of the self-proclaimed variety also CLAIMING TO BE SOMEONE ELSE!**

I would enter a personal observation: If you have no interest in this matter and do not care who or what, how or when of the discussion—then you are certainly one who has joined the **ACCEPTED** and so-labeled “Bogus Generation”. This has nothing to do with “age” or actual “generation”, but **DOES POINTEDLY REFER TO THE GENERATION AT HAND WHO WOULD RATHER RUN WITH THE BOGUS THAN HAVE ANYTHING TO DO WITH ACTUAL TRUTH. YOU MAKE YOUR CHOICES ON OPINION, POPULARITY, LOOKS, PRESENTATION, AS IN “AGE OR PHYSICAL”, AND/OR ARE SIMPLY BEING CONTENT WITH BEING PUSHED OR PULLED INTO CHAOTIC THOUGHT PATTERNS.**

Certainly, if you claim to be a “team” member or a “crew” member and are not curious enough to not be bored by facts **REGARDING** something as **SERIOUS** as this matter in point—you are certainly not curious enough, caring enough, responsible enough—to work within or with our actual team. If you care no more about **THIS** than you do, at the least, the *National Inquirer*—then fine, but don’t embarrass yourself by further bothering yourself with facts. If you don’t want **FACTS** then you **DON’T WANT TRUTH! THERE IS NO OTHER WAY TO EXPRESS IT. FACTS ARE TRUTH—NO MATTER WHICH “SIDE” THE FACT MAY FAVOR.** Rick says: “do your own investigation”? No, he most certainly **DOES NOT WANT YOU TO DO YOUR OWN INVESTIGATION—UNLESS OF COURSE YOUR INVESTIGATION CONSISTS OF CALLING HIM!**

But it is precisely the “greed” of the businessman or, more appropriately, his profit-seeking, which is the unexcelled protector of the consumer.

[H: No, this is **NOT** a contradiction—it is time you also define terms and intent. A good example of one use of “greed” is the unequalled desire to hold—and have. This can be spiritual knowledge, acquisition of property, an education, a position of

any kind, a good marriage, good children, be a better person or whatever you seek or want in a “greedy manner” to have the most, the best, the quality, the whatever-it-is you seek.]

What collectivists [H: **LOOK IT UP!**] refuse to recognize is that it is in the self-interest of every businessman to have a reputation for honest dealings and a quality product. Since the market value of a going business is measured by its money-making potential, reputation or “good will” is as much an asset as its value of its reputation, as reflected in the salability of its brand name, and is often its major asset. The loss of reputation through the sale of a shoddy or dangerous product would sharply reduce the market value of the drug company, though its physical resources would remain intact. The market value of a brokerage firm is even more closely tied to its good-will assets. Securities worth hundreds of millions of dollars are traded every day over the telephone. The slightest doubt as to the trustworthiness of a broker’s word or commitment would put him out of business overnight.

Reputation, in an unregulated economy, is thus a major competitive tool. Builders who have acquired a reputation for top-quality construction take the market away from their less scrupulous or less conscientious competitors [H: **if all other things are equal and not manipulated through regulations put forth by Power Elite**]. The most reputable securities dealers get the bulk of the commission business. Drug manufacturers and food processors vie with one another to make their brand names synonymous with fine quality. [H: **It simply doesn’t work well any more, because you no longer have a “Free Enterprise” system and you can’t even recognize when that happened TO you.**]

Physicians have to be just as scrupulous in judging the quality of the drugs they prescribe. They, too, are in business and compete for trustworthiness. Even the corner grocer is involved: he cannot afford to sell unhealthy foods if he wants to make money. In fact, in one way or another, every producer and distributor of goods or services is caught up in the competition for reputation.

It requires years of consistently excellent performance to acquire a reputation and to establish it as a financial asset. Thereafter, a still greater effort is required to maintain it: a company cannot afford to risk its years of investment by letting down its standards of quality for one moment or one inferior product; nor would it be tempted by any potential “quick killing”. Newcomers entering the field cannot compete immediately with the established, reputable companies, and have to spend years working on a more modest scale in order to earn an equal reputation. Thus the incentive to scrupulous performance operates on all levels of a given field or production. It is a built-in safeguard of a free enterprise system and the only real protection of consumers against business dishonesty.

Government regulation is not an alternative means of protecting the consumer. It does not build quality into goods, or accuracy into information. Its sole “contribution” is to substitute force and fear for incentive as the “protector” of the consumer. The euphemisms of government press releases to the contrary notwithstanding, the basis of regulation is armed force. At the bottom of the endless pile of paperwork which characterizes all regulation lies a gun.

What are the results?

To paraphrase Gresham’s Law: bad “protection” drives out good. The attempt to protect the consumer by force undercuts the protection he gets from incentive. First, it undercuts the value of reputation by placing the reputable company on the same basis as the unknown, the newcomer or the fly-by-nighter. It declares, in effect, that all are equally suspect and that years of evidence to the contrary do not free a man from that suspicion. Second, it grants an automatic (though, in fact, unachievable) guarantee of safety to the products of any company that complies with its arbitrarily set minimum standards. The value of a reputation rested on the fact that it was necessary for the consumers to exercise judgment in the choice of the goods and services they purchased. The government’s “guarantee” undermines this necessity; it declares to the consumers, in effect, that no choice or judgment is required—and that a company’s record, its years of achievement, is irrelevant.

The minimum standards, which are the basis of regulation, gradually tend to become the maximums as well. If the building codes set minimum standards of construction, a builder does not get very much competitive advantage by exceeding those standards and, accordingly, he tends to meet only the minimums. If minimum specifications are set for vitamins, there is little profit in producing something of above-average quality. Gradually, even the attempt to maintain minimum standards becomes impossible, since the draining of incentives to improve quality ultimately undermines even the minimums.

The guiding purpose of the government regulator is to prevent rather than to create something. He gets no credit if a new miraculous drug is discovered by drug company scientists; he does if he bans thalidomide. Such emphasis on the negative sets the framework under which even the most conscientious regulators must operate. The result is a growing body of restrictive legislation on drug experimentation, testing and distribution. As in all research, it is impossible to add restrictions to the development of new drugs without simultaneously cutting off the secondary rewards of such research—the improvement of existing drugs. Quality improvement and innovation are inseparable.

Building codes are supposed to protect the public. But by being forced to adhere to standards of construction long after they have been surpassed by new technological discoveries, builders divert their efforts to maintaining the old rather than adopting new and safer techniques of construction.

Regulation—which is based on force and fear—undermines the moral base of business dealings. It becomes cheaper to bribe a building inspector than to meet his standards of construction. A fly-by-night securities operator can quickly meet all the SEC requirements, gain the inference of respectability and proceed to fleece the public. In an unregulated economy, the operator would have had to spend a number of years in reputable dealings before he could earn a position of trust sufficient to induce a number of investors to place funds with him.

Protection of the consumer by regulation is thus illusory. Rather than isolating the consumer from the dishonest businessman, it is gradually destroying the only reliable protection the consumer has: competition for reputation.

While the consumer in thus endangered, the major victim of "protective" regulation is the producer: the businessman. Regulation which acts to destroy the competition of businessmen for reputation undermines the market value of the good will which businessmen have built up over the years. It is an act of expropriation of wealth created by integrity. Since the value of a business—its wealth—rests on its ability to make money, the acts of a government seizing a company's plant or devaluing its reputation are in the same category: both are acts of expropriation.

Moreover, "protective" legislation falls in the category of preventive law. Businessmen are being subjected to governmental coercion PRIOR to the commission of any crime. In a free economy, the government may step in only when a fraud has been perpetrated, or a demonstrable damage has been done to a consumer; in such cases, the only protection required is that of criminal law.

[H: Now I am going to tell you some more information in the CONTACT vs. Spectrum matter. Many ask why Ekkers and CONTACT would settle with the Spectrum, Young-Martin group? Because there is no wish to keep a nasty thing going which distracts us from our business at hand and would call us back to the States, AWAY FROM OUR ONGOING BUSINESS, to bring charges of criminal nature. Our people were forced to make a decision as to whether or not to have the "Young Group" (so-called by Young's attorney) brought to the court on CRIMINAL CHARGES, for which there was PROOF OF CRIMINAL ACTIVITIES; bring a Civil litigation which could do nothing more than possibly reclaim some of the funds, but the facts are, it was recognized that those had been placed away into new corporate accounts of "Wisdom", etc., and SPENT on a new paper, publications, offices, staff and you name it—but not the least of which was "pre-payment" (as Rick called the taking of funds directly from our bank accounts) of staff (themselves).

There was ample proof of criminal actions and "their attorney", a very nice and insightful man, advised the "Young Group" that this was going to get about as ugly as could be, the way they were headed—even with Rick Martin becoming a very unlicensed attorney in practice for the Young Group, except for Brent Moorhead who did not join the "Complaint" filing. Their attorney groaned and said to try and settle this thing because it was going to be a nasty criminal case if not. So, FACTS are that there were ample GROUNDS for criminal indictment of that SPECTRUM bunch and Rick says to produce the proof—FINE, WE WOULD MOST CERTAINLY ENJOY DOING THAT, AND IN ADDITION PRODUCING "CIRCUMSTANTIAL" EVIDENCE GOING BACK MANY YEARS AS TO CREDIBILITY VS. FRAUD.

If our "team" erred in not pursuing that avenue, it is because we have no time for such idiotic performances, nor do we want another dime spent on legal court confrontations—even if the Prosecution is handled by or through the State. Since there is interstate activity on their part—it

ends up being a Federal cause of action. Now, doesn't it seem ridiculous that Rick, et al., continue to bait the bear? They could not even find a way to so effectively destroy themselves, their reputations and expose their fraud. And yes, we DO CARE—we care about truth, honor, integrity, repayment of obligations and RESPONSIBILITY IN ALL ACTIONS. And we care about our readers who are considered a part of our friendship circle, and to whom we only wish the VERY BEST and owe total responsibility in anything and everything that touches upon them.]

Government regulations do not eliminate potentially dishonest individuals, but merely make their activities harder to detect or easier to hush up. Furthermore, the possibility of individual dishonesty applies to government employees fully as much as to any other group of men. There is nothing to guarantee the superior judgment, knowledge and integrity of an inspector or a bureaucrat—and the deadly consequences of entrusting him with arbitrary power are obvious.

The hallmark of collectivists is their deep-rooted distrust of freedom and of the free-market processes; but it is their advocacy of so-called "consumer protection" that exposes the nature of their basic premises with particular clarity. By preferring force and fear to incentive and reward as a means of human motivation, they confess their view of a man as a mindless brute functioning on the range of the moment, whose actual self-interest lies in "flying-by-night" and making "quick kills". They confess their ignorance of the role of intelligence in the production process, of the wide intellectual context and long-range vision required to maintain a modern industry. They confess their inability to grasp the crucial importance of the moral values which are the motive power of Capitalism. Capitalism is based on self-interest and self-esteem; it holds integrity and trustworthiness as cardinal virtues and makes them pay off in the marketplace, thus

demanding that men survive by means of virtues, not of vices. It is this superlatively moral system that the welfare statist propose to improve upon by means of preventive law, snooping bureaucrats, and the chronic goad of fear.

[END OF QUOTING]

With the last several paragraphs in mind—how do you think we can move into a way of integrity when the very people who make up society—have no moral virtues? Oh, indeed, you DO have to think about it, for unless all of you start "thinking" toward a very PRACTICAL WAY to move forward you will be stuck in the quagmire you have established. GOD IS NOT GOING TO COME DUMP FREEDOM UPON YOU; IN FACT, UNLESS YOU CHANGE A LOT—YOU WOULD ONLY DESTROY THAT NICE NEW FREEDOM. FREEDOM REQUIRES RESPONSIBILITY THROUGH MORAL VIRTUES, AND ONE WHO INDIVIDUALLY DOES NOT PRACTICE MORAL VIRTUES WILL ONLY LEAD YOU FURTHER IN THE WAYS OF IMMORAL VICES. IT SIMPLY IS THE WAY IT IS! "Moral" and "immoral" are at the opposite end of the consideration—both do not reside in the same place any more than can "Judeo" and "CHRISTian". They are opposites, and antagonistic opposites at that.

It is time to come into recognition of the paths at which some of you find yourselves in the middle of the crossroads seeking direction. Some are already off hippity-hopping down that pretty primrose path, and some are standing around under the question marks, while others are already a long way out front and will not come back to pull anyone along. We have a job, we know our purpose—at least in concept and destination—and are moving smartly onward. There was a good old song in a skit called "Johnny Appleseed"—"Get on the wagon going west (or wherever you are headed) or you'll be left behind!"

Salu.

GCH—d

I say, your former majesty, it rather appears that after the liquidation of the FRACTURED RESERVE SYSTEM and the BUNKO BANK OF BRITAN, this is all that remains, AND THE STAFF WANTS HALF

Interest-Free Banking Backed By Gold & GOD

Part Three of a three-part series
(Reprinted from the March 2, 1999 issue of *CONTACT*)

By E.J. Ekker, 2/25/99

At first thought the idea of operating a bank without charging interest on loans seems a bit far-fetched. It was surprising to learn that a few nations, Pakistan and Iran among them, do not permit *riba*, which means usury or interest. The *Qur'an* explicitly states that the charging of interest will draw a declaration of war from Allah and His Messenger, destroying any economy permitting interest-based transactions. Philosophically, the basis of this prohibition seems to be that Muslims should profit only through their own exertions and not through the exploitation of or at the expense of others.

But how can a bank make money without charging interest? Surprisingly, again, many Islamic banks do very well while performing far greater service and community good than do their Pharisee-spawned counterparts. To explain: the majority of Islamic banking transactions fall into two closely related classes called *mudaraba* (meaning something close to our profit-sharing) and *musharaka* (close to our joint-venture). There are many others, falling generally into a category that can be classed as “fees”, but for this discussion we will confine ourselves to Mush and Mud. (Please excuse my American shortcut.)

When a bank is dependent upon the profit of an enterprise for its own profit, as it is with either Mush or Mud, the relationship between the banker and the entrepreneur is significantly different than an asset-based (collateral) loan wherein the banker doesn't make the loan unless he covets the collateral. First, in making his case for an interest-free loan, the entrepreneur must do much more research and planning to convince the banker that he can succeed, thus making a profit for both. (A significant percentage of foreclosed assets in the US are the residences of ill-prepared entrepreneurs.) Then, once the loan is made, the real differences emerge. Experienced bankers can be extremely helpful, especially to beginning businessmen, and the thought of fathoming a failure is probably unacceptable to a good banker.

The difference between Mush and Mud seems to be whether, if the venture FAILS, the bank suffers all of the loss (Mud) or if the entrepreneur (Mush) shares the loss. The beneficial societal contrasts of this system with the more typical system can hardly be imagined. At the same time, however, it is easily seen that this system leads toward what has become loudly criticized as “cronyism” in Southeast Asia, even though a much more virulent form of cronyism has been practiced to its ultimate by the Jews for centuries.

The Islamic society places the banker more in a position of beneficent public service than his non-Islamic counterpart. He is charged with helping build

the society and he typically contributes 5% of gross profit to an organized form of charity (which is not the same as our system of “welfare”). All Islamic businesses are expected to earn a profit and to do so with honor and integrity—any “windfall” profits are to be shared with depositors and/or charity.

Usually, an Islamic bank offers at least three kinds of deposits: current (like checking), savings (no profit, no risk), and profit-sharing (*mudaraba*) wherein the depositor takes the risk of losing his deposit, but like Mud above, he also enjoys the opportunity for a share of the profit. This is by far the most popular, and no wonder! All of the motivations are in alignment. Hundreds, maybe thousands, of depositors put their money in the bank expecting a profit; the banker examines an entrepreneur and his project and lends the money expecting a profit; the entrepreneur has a plan to make a profit to share with the bank, and the bank with the depositors so that it can show a better record of payout to its depositors; and the bank has the wherewithal to make it happen. With that much energy focused upon success, who dares project failure?

The beauty of the Islamic system is that it is totally dedicated to “win-win”. It is not a “zero-sum game” wherein to win, someone must lose—which is the most basic tenant of the Pharisee/Khazar/Zionist (PKZ) position. (How can you own the world if you don't take something from somebody? And the *Protocols Of The Learned Elders of Zion* surely disclose the intentions of the PKZ as being to own the world.)

In Islamic Law there are prohibitions against accepting paper money in payment of certain debts and obligations. Only gold (Dinar) and silver (Dirham) coins are acceptable. The Dinar is 4.3 grams of gold, approximately .15 ounce, worth (at \$300/oz) \$45. The Dirham is 3 grams of silver, approximately .106 ounce, worth (at \$4.50/oz) 48 cents. If the Islamic countries and their combined population of some 1.2 billion people were to return to the gold standard, the demand would be huge. And that might be enough to dislodge the London “price fixers” who are artificially holding the price of gold at low levels to support their derivative-based currency trading as well as discourage and gain control of gold production.

And what of the other non-Judeo-Christians in the world, the Buddhists and Hindus? Can it be expected, or even hoped, that the benefits of gold-based currencies in an interest-free banking system will someday be important enough to justify the effort to make the change? Is there enough gold? The IMF's inventory of gold in central banks totals 124,000 metric tons which, at \$300 per ounce, would be worth \$1.25T (trillion). What if gold were \$9000 per ounce (like rhodium or iridium)? Then the central banks' gold would be worth some \$40T, and it is estimated that

there is at least as much outside the central banks as there is inside. So, in our wild imaginings, we could say there could be as much as \$80T worth of gold and, at the traditional ratio of 20 to 1, the amount of “currency” available could be as much as \$1600T.

We can say, “That is not only illogical, it is impossible.” Maybe not. It is calculated that the “Western” banks, including central banks, contain “assets” amounting to nearly \$100T. Nearly every day we hear about the new derivative-based high-yield “trading programs” that pay off at the rate of 100% per WEEK. If true, that would indicate that certain elements (those with “IMF trading account numbers”) are making (manufacturing might be a better word) a lot of money—all of it baseless paper in our lingo. However, a lot of rivers have been dammed to supply electricity, a lot of powerlines, roads and railroads, bridges and buildings have been built using only paper money. But we must wonder: why the sudden rush to debase virtually all of the world's currency? Knowing about the Zionist Plan 2000 and relating that to the so-called “Millennium Bug” as a “triggering” mechanism may provide the answer. If so, there is very little time to do much about it.

What can be done about it? To answer that question requires a bit more background. All of the naughty games played by the hedge funds, currency traders, rollover artists and their supporting banks, including the Federal Reserve System, World Bank, IMF and Bank of International Settlements, require what are called, in the trade, “spreads”, differentials in interest rates. If there is no interest, usury, *riba*, they cannot play their games, which are designed, and now refined, to suck the liquidity (money) out of their victim nation's foreign exchange and stock markets. They have become so adroit that they can name a victim in advance (such as Brazil), borrow (the buzz word for borrow is now “leverage”) hundreds of BILLIONS of dollars (the most common foreign exchange currency) so that they can sell short (on paper they “borrow” currency or stock [yes, it is fictitious, just as are “derivatives”] and “sell” the currency or stock) in the expectation that it will go down in price (what else can it do with so much “sold into the market”?) so that, when it does go down they “buy” it at the lower price (to be “returned” to their co-conspirator from whom they “borrowed” it) and thus pocket the difference, which is often tens of BILLIONS of dollars. (At this time it is estimated that nearly a trillion dollars have been “stolen” out of Southeast Asia.) The money is held for a period of time until the economies and stock markets adjust and settle down and then the conspirators send in their brokerage arms to buy up the best businesses and properties of what still survives, using the very money stolen from within the victim nation. (Why have “colonies” when this scheme is so much more efficient and costs nothing?) In the Philippines we see evidence nearly every day of the deals put together to “save” or “salvage” Philippine companies, banks, and properties by these corporate carpetbaggers.

These are all very dishonest transactions (although perfectly legal since “they” have been writing all of the laws for so long), and the “top dawgs” take great care that their involvement in the conspiracy is never disclosed. Because they seem to be so very “light-sensitive”, it is quite likely that, when their involvement

(Continued on page 22)

Writings You May Never Have Seen

You may never have seen the following four articles, if CONTACT's former staff had succeeded in their ill-advised attempt to seize control of the paper. The printing of these articles will bring readers up-to-date with all public writings this year, filling in the gap caused by the desertion.

3/7/99—#1

NOW FOR A GENERAL BUSINESS DISCUSSION

We dangle in speculation and exasperation over individual errors, omissions, commissions, etc. We must LEARN lessons, commit to not repeating the errors and repeating and compounding the positive growth. Remember, please, that negative growth is not a term of validity. Negative input is but positive growth when utilized to learn or grow. So, let us drop the garbage from our backs and drag-sacks and focus on the positive movement of our purpose.

The "Ekker loan" will be used to clear Ekker debts. Included in this is what is now known as Institute Lender Debt, interest, etc. Also, Ekkers may include "markers" or a portion thereof. This, however, is in expectation of larger funding, and should that larger funding become material fact, this loan will be paid in full by the larger funding resource. Ekkers have been accused and blamed of everything from fraud to running away with millions of dollars. This will be put to rest immediately and totally. However, as long as there is litigation pending, the Institute itself is in jeopardy, so other security arrangements will be structured to protect all ongoing activities. Ekkers will have no private funds, so don't even go there in personal-gain expectations if you have a "pick" with them over anything! If you do not like them—fine. If you hate Hatonn, fine. But, we shall never again experience as we have in the negative aspects of some intertwined groupie.

The pressures on Ekkers have been extreme and lately the assaults and insults against Dharma have been incredible—while we are producing the most "impossible" task ever placed on man or beast on your planet. Frustration is such an understated term as to be silly and remarkably foolish in descriptively immature terms of language use.

She "retired"? From exactly what did she retire? She retired from the TOTAL responsibility of representing me, Hatonn, in the load of gathering ongoing capital to keep the program moving. She resigned from bearing responsibility of meeting every need of anyone drifting along who wants a "place", have personal pulling and/or demands—when said demands CANNOT BE MET.

There is never a negation of pouring in of all (ALL) funds incoming to continue service to all involved. But, no longer will "original lender" funds, signed for by E.J., be used—upon which the demand is against Ekkers personally—TO THE LENDERS.

With the interim "Ekker loan", we hope to have enough flow to catch up monthly bills, and debts and any arrears in those categories, by the end of March and

perhaps sooner if the loan clears sooner.

This will catch up all "employees" and an effort will be made to include some "markers" for things, which have had to wait on an emergency basis. All due-and-owing product bills outstanding will be caught up and cleared.

All costs outstanding for the paper and crew will be caught up and some funds placed into account from which to run the paper, until such time as additional funding is forthcoming. We will not move forward in conflict or confrontation, so anyone not wishing to meet our tiny and fundamental requests will simply have to do whatever it is they feel they have to do.

The paper, however, will never again be used as a sounding board or training paper for receivers of repetitious spiritual content only. A receiver will also act, as will, I assure you, the Master teachers act in their capacity of current journalists. It is time to stop the spiritual retrofitting and get with what the paper and our projects are about—MOVEMENT in the better-structured foundation for a world in evolvment and transition.

All that has been are lessons for all involved as to sorting, realization, testing and gaining readiness. We now need to move on with input from multiple resources, so that people can draw their own conclusions from presentation of FACTS by learned and knowledgeable participants, writers and researchers. We do not deal in mysticism or even very much on mysterious lights in the sky. There may well be mysterious lights in the sky but it is as with Hale-Bopp ship travelers, the facts can be covered and misrepresented and we will not longer stand for such integration into controversial circumstances. Leave that to those who are titillated and only want intrigue. We will have plenty of THAT but it will not be in other than projection of basic human presentation, journalistic information WITH COMMENTARY. We are not going to publicly "clean house", for that simply destroys accountability and responsibility. If a "Master" can't clear his receiver—then both are unworthy.

Readers must be able to READ a paper—not become the paper, or the presenters of any document or topic. Communion with GOD does not require any man-made or guideline human—THE WORD SPEAKS FOR ITSELF.

But NO, no ONE will tell me what I will or will not do with my OWN PROPERTY. When a person comes into YOUR home and tells you to get out, along with your family—what do you do? Ah so! And, so shall I. And when you give God ultimatums of Him, or me—guess what! Therefore, I suggest we all get clear (not just cleared) and we won't have to redo this bit of confrontation. The players didn't mean what they presented in the first place, for stress of the minute caused errors in good judgment. However, the point is to find out facts, put aside personal opinion and ego—

and then think a very long time before accusing or abusing ANYONE. Even a DOVE will defend her nest, her babies and her property—and even a sparrow can inflict a lot of damage with its needle-sharp beak, while a finch, tiny as it is, can grasp a bit of flesh and hang on until the person bleeds to death. Don't do these things and then claim to only want to serve God and Man and actually be serving Satan influence. Am I accusing anyone of serving SATAN? No! I am not accusing. I am stating a fact—if you are not serving God—you ARE serving Satan.

AND ABOVE ALL—STOP USING OTHERS. WHEN YOU SEDUCE ANOTHER, IT IS USUALLY THROUGH WORDS AND PHYSICAL EXPRESSION. YOU MEN CAN END UP WITH A BEVY OF LADIES ALL EXPECTING LONG-TERM COMMITMENTS, MARRIAGE—WHATEVER. THE REVERSE IS TRUE, SO STOP THE FLIRTING AND PROMISING AND SELLING TO GET A MINUTE OF FUN AND/OR GAMES. AND STOP ACTING LIKE PIOUS PRETENDERS. YOU ONLY LOOK THE FOOL WHEN IT BACKFIRES.

So, what would "I", Hatonn, suggest you do? Nothing, except shape up SELVES and make decisions about your preference as to tasks and participation, for when I return personally with speaker from distant places—we intend to MOVE AHEAD FULL-STEAM-UP AND ROLLING. IF THIS DOES NOT SUIT YOUR PERCEPTION OF SPIRITUAL TRUTH—THEN STICK AROUND, AND YOU WILL LEARN A LOT ON THAT TOPIC OF SPIRITUALITY IN TRUTH AND ACTION.

Don't save up your arguments, defense or assaulting to take the time of our team, just to express some "stuff"—THEY DON'T HAVE THE TIME FOR SUCH THINGS. It is now time that, if you take responsibility for a thing, be sure you want that responsibility—because you are GOING TO GET IT, and there will be funding for projects, backing for the paper, whatever you need—but we have to give relief to our team who has carried this load this far. This is not JUST Ekkers—it is all of you. However, you MUST look at things as they ARE and not as you have assumed them to be. There is a full payback program and THAT is where Ekkers must turn their own attention, because everything in the Institute is still blocked by continuing litigation. They can offer interim support—but at the moment that is ALL they can offer or provide. AND, ON THIS DATE AS WE WRITE HERE, THEY CAN'T EVEN PROMISE THAT. IF WE TELL YOU THE FACTS ARE THAT THEY ARE TOLD THE 15TH OR 16TH, THAT IS ALL FROM WHICH THEY CAN WORK. THEY CAN "NOT" SHARE WITH YOU, BUT YOUR EXPECTATIONS SOMEHOW "BLAME" THEM IF DELAYS OR DENIALS HAPPEN.

I DO NOT WORK WITH "ULTIMATUMS" AND YOU MUST KNOW THAT RIGHT NOW BEFORE WE GO FURTHER. THIS IS THE VERY REASON I DON'T TELL YOU WHEN THE NEXT MAJOR EARTHQUAKE WILL BE FORTHCOMING. YOU USE THE INFORMATION INCORRECTLY TO COVER SELF-ASSETS, AND ONCE A STANCE IS TAKEN IN UNBENDING FASHION, EVEN IF YOU ARE WRONG, YOU SEEM TO NEED TO DEFEND IT UNTIL DEATH. AND, SURELY ENOUGH, DEATH IS USUALLY THE OUTCOME, ONE WAY OR ANOTHER.

Yes, a lot of "friendships" are broken, and mistrust replaces what was "trust" when misperceptions are offered

on misinformation. However, that does not mean that there cannot be some measure of understanding reached or work continued. Perhaps one learns to not share so much and the other stops “assuming” so much—especially considering personalities involved in each instance.

People are going to STOP, while in my service, judging other of my people—PERIOD. You will undoubtedly continue to have an opinion and observation—but you will either keep it to yourself or yourself will be kept out of my loop. Simple is this in both concept and action. WE ARE BUILT AND FUNCTION ON LOVE, HOPE, CHARITY AND FORGIVENESS. AND, HE WHO IS WITHOUT SIN CAST THAT STONE. STOP IT—EACH IS FILLED WITH SIN AND FOOLISHNESS, WITH A WISH TO GOSSIP, TATTLE AND PRATTLE TO MAKE SELVES LOOK SOMEHOW SUPERIOR, MOSTLY TO SILLY SELF. STOP IT. If a brother or sister has a problem—HELP, and stop the mouthing so that somehow you look wiser or better.

Let me example: Stop accusing and bashing the addicted to alcohol or illness—if you are not perfection. And, if you are two pounds overweight and can't seem to drop it—you are in the same TYPE of addiction behavior. Only YOU seem to be able to cast stones at other addicts and their problem, instead of forgiving your own and helping self, and the other, through whatever is required to assist them instead of breaking them further.

You who just don't seem to LIKE anybody and pick, find fault and yet delve into that which is not your business—get ready for change, for it is not acceptable longer for YOU to decide the placement or activities in that which is NOT your responsibility. If you are given the role of “investigator”, fine, otherwise keep out of things, AND FIND SOMETHING GOOD TO SAY, OR SEE OR RECOGNIZE IN “EACH” “OTHER”. By the way, to express that “good” to the person producing the “goodness” is a stroke of genius and you will find yourself the recipient of untold riches of appreciation.

And, you who think you can “run” everything—forget it for you can't—YOU ONLY “THINK” you can do so. If you are the open psychiatrist—you are worthless in everything—for you will continue your assumption that you are all-knowing, and your entire life will be consumed and you will give false and hurtful conclusions, which may well serve as Band-Aids for a moment—but will not allow healing of the problem or wound at hand.

So, as this is MY (Hatonn's) mission I will, yes indeed, require that you consider these guidelines very carefully, for THIS is the way we'll be functioning—directly according to the laws of cause and effect, reward according to projection, and right down through the expectation of living within the guidelines of the LIGHTED directives of GOD, by whatever name you choose for CREATOR. This does not include any allowances for the PRODUCERS OF DARKNESS.

Does this mean that we need a “court of law” for such decisions? No, for this is what I, as head of this mission, require. I will make many, many allowances on the personal level of self and self-choices. I will not, however, relinquish my position to ANYONE unless it be by MY CHOICE.

Is this unsatisfactory? Well, consider that you have a business with a goal, and you own your company and the product. Would you like anyone walking in, and taking over and becoming King in your Kingdom? Keep this in mind, please, at every opportunity. No one stops you from moving to other pastures—except SELF.

Let me example further: If Claudia makes a great error

in paper “layout” because she didn't see something out of order—she must be told, GRACIOUSLY, according to circumstances, the error. But, if Claudia wants to go out and work for dingly-dunk, outside of her responsible position with “you”—then it is NONE OF YOUR BUSINESS. If she needs help and seeks it—help her in a positive way—but otherwise, KEEP OUT OF IT, even to the prattling and gossiping.

If you feel that your family is no one else's business, be it a brother, sister, or parent, etc., then can't you respect another, for just because you happen to “know” the individual—gives you no further right to opinion than they to your hidden relations or relationships.

In this example: What is your business into that of Doris' or E.J.'s relationships or relations?? They take no input into the affairs of YOUR relatives OR YOUR RELATIONSHIPS.

Can you have an opinion about the “actions” of others in point? Of course, for you DO HAVE AN OPINION—just, I suggest, keep it to yourself, lest it come up to bite you to death. When ALL is perfection in your own relationships and “house”, then and only then can you turn to attend another's—and BY THEN YOU WON'T WANT TO DO SO.

We will be having some great flux in both people and jobs but it will all be in a most positive manner. We have those waiting for “call” to fill positions for which they have long waited in patience. Some will move locations, some will be wherever they are to be—according to THEIR CHOICE, not yours and not mine.

I do not anticipate that YOU will like all changes as we evolve—but that is up to you. If you do not like something you may even express it—not demand or just complain AFTER THE FACT. We can grow together or apart—whichever might be your choice—but WE are going to grow and if you choose to simply step back out of the MAIN flow of responsibility, then so be it. NOBODY IS GOING TO JUDGE YOU FOR CHOICES OF THIS NATURE AND IT IS NONE OF “THEIR” BUSINESS IF THEY “CHOOSE” TO DO SO.

This message is NO DIFFERENT from that offered at upstart of our relationship long years ago—I just find that you forget, and get confused by remoteness-dilution of time and space, and need some summary reminders. And, yes, I expect you to outgrow the need for “reminders” of large nature, because you should be in knowledge by now and stop the goofing off at every opportunity to attend your personal druthers.

We are right on track toward goal accomplishment, so I would appreciate it if you would get on the same track. I know that I seem to change directions or include that of which you “seemingly” knew nothing—but that IS the way it IS. I, quite honestly, CAN'T TRUST YOU WITH ADVANCE INFORMATION. If this offends you, then I suggest you look at what you are doing this minute, other than while reading this paper, and check out what I say as to truth and reality. Covering actions is not the same thing as having committed nothing which needs covering.

Some of you have lately been bending, adjusting and tweaking things so that you might look a little less guilty than another for actions already committed to history. Fix what you can and don't go there again, is the WISE APPLICATION OF THE LESSONS.

I think in your *Bible* there are parables about the Bridegroom coming and a preparation for that event. GET BUSY, CREW, FOR THE TIME FOR THAT PREPARATION IS AT HAND.

Salu, Dad

GCH—d

3/23/99—#2

CAN CHANGE REALLY BE ENDURED?

Yes, change is a necessary part of living—as much as breathing in and breathing out. Someone once said that only death and taxes remain basically unchanged. No, EVERYTHING IS IN CONSTANT CHANGE. Even dying doesn't change change—for your old body just keeps right on changing in a more interesting manner, as it reverts to elements and energy.

To facilitate positive change, however, you are going to have to look at many things differently and adjust to possibilities. By possibilities I mean such things as karma, reincarnation and some quite controversial ideas whose time have come—to take careful consideration and clear-up perceptions.

The big one is KARMA. Here we may well have to also define DHARMA for the two ideas go hand-in-glove.

I will offer a well-done recognition of the term *Dharma* but will not linger on it at this point:

DHARMA: The term *Dharma* has many connotations but, on precise English equivalent, it is most often used to refer to the teachings and doctrine of the Buddha (but is not limited to same). This includes the scriptural tradition as well as the way of life and spiritual realizations that result from the application of the teachings. Sometimes Buddhists use the word in a more general sense—to signify spiritual or religious practices in general, universal spiritual law, or the true nature of phenomena—and use the term *Buddhadharma* to refer more specifically to the principles and practices of the Buddhist path. The Sanskrit word *Dharma* is derived from the etymological root meaning “to hold”, and in this context the word has a broader meaning: any behavior or understanding that serves “to hold one back” or protect one from experiencing suffering and its causes.

Now, when you consider use of the term “dharma” as a “handle” or identification of my transcriber—it is exactly THAT: an identification. We have always preferred the use of the label in SMALL TYPE to simply identify for recognition. Editors always choose to CAPITALIZE the word as we use it as “transcriber”, simply because it acts as a “name”. ALL RECEIVERS, TRANSCRIBERS, TRANSMITTERS AND SPEAKERS MUST HAVE IDENTIFICATION, OR THERE IS NO ABILITY TO DISCERN FACT FROM FICTION. The message is of the utmost importance but WHO brings the message is the focus in every instance in your recognition of this world BEFORE CHANGE.

The “identification” word (name) need not be up front but in some manner of reference within the text. I have chosen to ask that it be put right up top, henceforth.

I asked long ago that this identification be made for all writings presented through any connection with Dr. Ed Young, only to be denounced and ignored. If you don't think, readers, that this is important—you are grossly in error. And, further, Dr. Young's assurance that he is equal to those Etheric Beings doing the speaking, and can sort and discern all messages, is total hogwash. Why would a worthy receiver, who acts in integrity, hesitate even a moment to identify? All can do so without ever using their given, human names.

In the written word there is no real ability to discern energy—ONLY STYLE OF PRESENTATION, so all the blathering in self-identification up front, or at the rear, or both, from a discarnate energy MEANS ABSOLUTELY NOTHING. Neither, for instance, does it mean anything for the transcriber to go through the silly antics. The

reader, however, had best get alert and alive, or you will be dumped on, as recently underway—by the self-styled ego-trippers.

I will go further: In this new game of Dr. Young's, in his self-proclaimed genius at work—he has allowed full discounting of ANYTHING in his second book on the Rays. For one clue right here, it is noted that he has presented personages in message-sending from extremely-high-energy forms (if they be real at all) BUT, THE ONES OFFERED ARE NOT OF THE "RAYS" (THE COHANS) OF ACCEPTED "MASTERS". Is this not suitable? What it IS, is a recognition of total IGNORANCE, even with a dozen PhDs to anyone's credit. So, take care in your oving and awing, because you may be attending the clowns at play. This could have been avoided by some modicum of respect and modesty on the part of the new god-discerner. However, I have little patience in book upon book of NOTHING-rote copy. **"TRUTH AND KNOWING ARE NOT ENOUGH, SUCCESSFUL CHANGE REQUIRES ACTION"** (Me).

So, do we put Dharma to pasture because she has matured in her work? Well, that is one way to get rid of a real problem to the adversary, but no, it won't work. Working hard at mental antics and workouts through the years does NOT EXHAUST A BRAIN OR A MIND—IT ONLY SHARPENS AND BECOMES MORE INSIGHTFUL THE MORE IT IS EXERCISED. THE NASTY STUFF OF HUMAN ACTIVITY AND ASSAULTS ON THE SENSES OF HUMAN PHYSICAL ARE WHAT CAUSE DEBILITATION AND FATIGUE. THE BACK MAY HURT—THE MIND?—NEVER!

KARMA

Since "Karma" is also a Sanskrit term and is used also as a Buddhist term, I suggest we look at something from Buddhist tradition to speak about it.

I personally know that you more often use "Karma" as an escape clause than to actually mean anything. You can "suffer" in Karmic misery until YOU DECIDE TO STOP IT.

[QUOTING, from interviews with the Dalai Lama:]

On the topics of unfairness, self-created suffering and Karma:

In our daily life, problems invariably arise. But problems themselves do not automatically cause suffering. If we can directly address our problem and focus our energies on finding a solution, for instance, the problem can be transformed into a challenge. If we throw into the mix, however, a feeling that our problem is "unfair", we add an additional ingredient that can become a powerful fuel in creating mental unrest and emotional suffering. And now we not only have two problems instead of one, but that feeling of "unfairness" distracts us, consumes us, and robs us of the energy needed to solve the original problem.

Raising this issue with the Dalai Lama one morning, I asked, "How can we deal with the feeling of unfairness that so often seems to torture us when problems arise?"

The Dalai Lama replied, "There may be a variety of ways that one might deal with the feeling that one's suffering is a natural fact of human existence. And I think that in some ways Tibetans might be in a better position to accept the reality of these difficult situations, because they will say, 'Maybe it is because of my Karma in the past.' They will attribute it to negative actions committed in either this or a previous life, and so there is a greater degree of acceptance. I have seen some families in our settlements in India, with very difficult situations—living under very poor conditions, and on top of that having children with both eyes blind or sometimes retarded. And somehow these poor

ladies still manage to look after them, simply saying, 'This is due to their Karma, it is their fate.'

"In mentioning Karma, here I think that it is important to point out and understand that sometimes it is due to one's misunderstanding of the doctrine of Karma and ones try to exonerate self from the responsibility or from the need to take personal initiative. One could quite easily say, 'This is due to my past Karma, my negative past Karma, and what can I do? I am helpless.' This is a totally wrong understanding of karma, because, although one's experiences are a consequence of one's past deeds, that does not mean that the individual has no choice or that there is no room for initiative to change, to bring about positive change. And this is the same in all areas of life. One should not become passive and try to excuse oneself from having to take personal initiative on the grounds that everything is a result of Karma, because *if one understands the concept of Karma properly, one will understand that Karma means 'action'.* [H: PLEASE GO BACK AND READ THAT LAST STATEMENT AT LEAST TWICE!] **Karma is a very active process. And when we talk of Karma, or action, it is the very action committed by an agent, in this case, ourselves, in the past. So what type of future will come about, to a large extent, lies within our own hands in the present. It will be determined by the kind of initiatives that we take now.**

"So, Karma should not be understood in terms of a passive, static kind of force but rather should be understood in terms of an active process. This indicates that there is an important role for the individual agent to play in determining the course of the Karmic process. For instance, even a simple act or a simple purpose, like fulfilling our needs for food. In order to achieve that simple goal, we need an action on the part of ourselves. We need to look for food, and then we need to eat it; this shows that even for the simplest act, even a single goal is achieved through action."

Well, reducing the feeling of unfairness by accepting that it is a result of one's Karma may be effective for Buddhists, but what about those who don't believe in the doctrine of Karma? Many in the West, for instance...

"People who believe in the idea of a Creator, of God, may accept these difficult circumstances more easily by viewing them as part of God's creation or plan. They may feel that even through the situation appears to be very negative, God is all-powerful and very merciful, so there may be some meaning, some significance, behind the situation that they may not be aware of. I think that kind of faith can sustain and help them during the times of suffering."

And what about those who don't believe in either the doctrine of Karma or the idea of a Creator God?

"For a nonbeliever," the Dalai Lama pondered for several moments before responding, "perhaps a practical scientific approach could help. I think that scientists usually consider it very important to look at a problem objectively, to study it without much emotional involvement. With this kind of approach you can look at the problem with the attitude 'If there's a way to fight the problem, then fight, even if you have to go to court!'" He laughed. "Then, if you find that there's no way to win, you can simply forget about it."

[H: Now, with this TRUTH at hand, you can see that you do have some real nonbelievers among you, even in the most seemingly high-level insight-bringers (or perhaps "thrusters" is a better term), who toss their nonbelief upon YOU under the guise of supposed or espoused "connection with the REAL God". But, these are the clues you must seek, aren't they? And for you sweet and innocent ones who can't decide about input or

who offers that insight "shared" with you—where is YOUR OWN DISCERNMENT, for anyone can SAY ANYTHING and it is only YOUR PERCEPTION of the content which has value. Be careful to NOT put off your perceptions of input upon those close to you, lest you be on the outside while respect for your maturity and understanding is lost in the quarreling and nagging. You who are married must be exceptionally careful, for one may well be receptive to another's so-called psychic fortune-telling, while the whole thing accepted is Pigswill, at best. Oh yes, EVERY ONE OF YOU will know at least one "channel" or "psychic mouth" who offers such personal opinions based on wrong input.]

"An objective analysis of difficult or problematic situations can be quite important, because with this approach you'll often discover that behind the scenes there may be other factors at play. For instance, if you feel that you're being treated unfairly by your boss at work, there may be other factors at play; he may be annoyed by something else, an argument with his wife that morning or something, and his behavior may have nothing to do with you personally, may not be specifically directed at you. Of course, you must still face whatever the situation may be, but at least with this approach you may not have the additional anxiety that would come along with it."

Could this kind of "scientific" approach, in which one objectively analyzes a situation, also possibly help one to discover ways in which oneself may be contributing to the problem? And could that help reduce the feeling of unfairness associated with the difficult situation?

"Yes!" he responded enthusiastically. "That would definitely make a difference. In general, if we carefully examine any given situation in a very unbiased and honest way, we will realize that to a large extent we are also responsible for the unfolding of events."

"For instance, many people blamed the Gulf War on Saddam Hussein. Afterwards, on various occasions, I expressed, 'That's not fair!' Under such circumstances, I really feel kind of sorry for Saddam Hussein. Of course, he is a dictator, and of course, there are many other bad things about him. If you look at the situation roughly, it's easy to place all the blame on him—he's a dictator, totalitarian, and even his eyes look a little bit frightening!" he laughed. "But without his army his capacity to harm is limited, and without military equipment that powerful army cannot function. All this military equipment is not produced by itself from thin air! So, when we look at it like that, many nations are involved."

"So," the Dalai Lama continued, "often our normal tendency is to try to blame our problems on others, on external factors. Furthermore, we tend to look for one single cause, and then try to exonerate ourselves from the responsibility. It seems that whenever there are intense emotions involved, there tends to be a disparity between how things appear and how they really are. In this case, if you go further and analyze the situation very carefully, you'll see that Saddam Hussein is part of the source of the problem, one of the factors, but there are other contributing conditions as well. Once you realize this, your earlier attitude that he is the only cause automatically falls away and the reality of the situation emerges."

"This practice involves looking at things in a holistic way—realizing that there are many events contributing to a situation. For example, our problem with the Chinese—again, there is much contribution made by ourselves. I think perhaps our generation may have contributed to the situation, but definitely our previous generations I think were very negligent, at least a few generations back. So I think we, as Tibetans, contributed to this tragic situation. It's not fair to blame everything on China. But there are

so many levels. Of course, although we might be a contributing factor to a situation, that doesn't mean we are solely to blame. For example, Tibetans have never completely bowed down to Chinese oppression; there has been continued resistance. Because of this the Chinese developed a new policy—transferring large masses of Chinese to Tibet so that the Tibetan population becomes insignificant, the Tibetans displaced, and the movement for freedom cannot be effective. In this case, we cannot say that the Tibetan resistance is to blame or is responsible for the Chinese policy."

When you are looking for your own contribution to a situation, what about those situations that clearly aren't your own fault, that you have nothing to do with, even relatively insignificant everyday situations, such as when someone intentionally lies to you?

"Of course, I may initially feel a sense of disappointment when somebody isn't truthful, but even here, if I examine the situation, I might discover that in fact their motive for hiding something from me may not be the result of a bad motive. It may be that they simply have a certain lack of confidence in me. So sometimes when I feel disappointed by these kinds of incidents, I try to look at them from another angle; I'll think that maybe the person did not want to fully confide in me because I won't be able to keep it secret. My nature usually tends to be quite straightforward, so, because of this, the person might have decided that I'm not the right person who can keep the secrets, that I may not be able to keep secrets as many people would expect. In other words, I am not worthy of the person's full trust because of my personal nature. So, looking at it in that way, I would consider the cause to be due to my own fault."

Even coming from the Dalai Lama, this rationale seemed like a bit of a stretch—finding "your own contribution" to another's dishonesty. But there was a genuine sincerity in his voice as he spoke, which suggested that in fact this was a technique he had used to practical advantage in his personal life to help deal with adversity. In applying this technique to our own lives, of course, we might not always be so successful in finding our own contribution to a problematic situation. But whether we are successful or not, even the honest attempt to search for our own contribution to a problem allows a certain shift of focus that helps to break through the narrow patterns of thinking that lead to the destructive feeling of unfairness that is the source of so much discontent in ourselves and in the world.

[H: May we please hold up here for a minute and really look at what was just said. Lately in our own little narrow world of expression, in the matter of the CONTACT paper and total betrayal of what were considered business partners and, above all, friends, we find this is truly helpful. This is not necessarily just because you want to overlook the lies but for your own softening of feelings of other emotions such as anger, insult, sorrow or outright challenge. If you can see what is the intent of the other person from his point of view—it makes the "understanding" of the incident more honest in presentation. What you are doing is opening insight into your own perceptions and possibilities without dumping on anyone else or demanding any other perceive what you are perceiving—but ALLOWING the others involved in any way to realize the facts for themselves and not simply through your eyes and perception. This is a good thing in ALL circumstances of any kind of disagreement.

Let us consider what is taking place in the "hostile theft" of the CONTACT newspaper through outright lies and deceit, added upon by accusations against the very property owners and denouncement of all abilities of the parties in point, who are somehow displaced to even do

business. What do you have? Well, first of all, you have people who couldn't make such a paper work—ever, on their own input and merit—or financial circumstances. And yes indeed, every day they are doing more things that will look even more terrible in the eyes of the public when they surface—everything from corporation manipulation to bank account thefts, shifts and all things in between. To keep the game alive and the liars covered, more lies must be told. You can still have compassion for the players, even if they be total nitwits.

But what happens with those who "side" with the liars and deceivers? Well, they fall into the same pot of soup, and by their total lack of discretion, discernment and ability to see TRUTH and facts—are equally, or perhaps more so, discounted. So any good receiver who errs in perception, even in this instance—is false and has no valid input to any subject otherwise reflected in that person's projections. AND BEWARE OF ANYONE WHO SPEAKS IN TONGUES AND THEN INTERPRETS—YOU HAVE A REAL PROBLEM, FOR YOU ARE WORKING ON THE POSSIBILITY OF TOTAL DECEPTION, WHETHER INTENTIONAL OR UNINTENTIONAL. YES INDEED, THIS IS HAPPENING CONSTANTLY, RIGHT IN THAT "TEHACHAPP" SETTING.

I also would suggest that those who say great and nasty things against those they choose to displace, and then come forth with, "but we love you and just want you home again, broke or not"—this says it all. They don't really want you home, so they have to be embarrassed by their own deceit. THEY DO NOT LOVE YOU, and they are INTENTIONALLY PLANNING TO HURT YOU TO COVER THEIR OWN ACTIONS AND DECEPTIONS. THEY ARE ALSO DARING YOU TO COME BACK WITH EMPTY HANDS, LEST THEY BRING MORE LAWSUITS AGAINST YOU TO PROVE THEIR ACCUSATIONS MADE IN TOTAL FOOLISHNESS OF PERSONAL, "BY GUESS AND BY GOLLY".

USE YOUR GOD-GIFTED INTELLIGENCE AND REASON, PEOPLE, AND DO NOT BE SUCKED IN BY THE DECEIVERS—NO MATTER HOW KINDLY AND KNOWING THEY APPEAR.

SOME OF YOU HAD BEST START "LISTENING" TO OTHERS WHO DISAGREE WITH THE "CROWD" OR THE TINY GROUP—BECAUSE YOU CAN'T HEAR WHILE YOU ARE YIPPING AND YAPPING, AND IN THESE RECENT HAPPENINGS WHICH I JUST MENTIONED—YOU ARE WRONG IF YOU REMAIN ON "THEIR SIDE" AND/OR THE VICTIMS OF SELF-ANNOUNCED RECEIVERS FROM, ESPECIALLY, THE HIGHER TEACHERS SUCH AS SANANDA OR ATON. A LOT CAN BE "GOTTEN AWAY WITH", WITH OTHER COHANS AND ENTITIES—BUT THE FALSE PROJECTIONS IN THE NAME OF THE GREAT SPIRIT, THE SOURCE, GOD, ETC., ARE "TAKING THE NAME OF GOD IN VAIN", AND THE CONSEQUENCES ARE MORE DEFINITELY HARDER TO OVERCOME WHEN REALIZATION HITS THAT FAN THAT IS ALREADY FULL OF THE OTHER STUFF IN THE FAN.]

[End of Quoting]

LET US LOOK NOW AT GUILT

Guilt and SHAME are so intertwined that it is difficult to consider one without the other. There is in this very same significant attack upon the Ekkers and Hatonn, in the ongoing

saga around and about Tehachapi and the "SORTING PROCESS" (Yes indeed, IT IS the sorting process and MY UNCOVERING OF THE ONES WHO ARE AGAINST ME.), that we can know that following the shallow and ridiculous "choosing" of sides and moving in the actual criminal circles—there will later be loads and bunches of both GUILT AND SHAME. But then it will be TOO LATE. This is not because of anything Ekkers or God will do, but the people who take from God always end up in tremendous guilt and shame, even if it be hidden behind egotistical superiority. THE END RESULT IS THAT OF TOTAL INSECURITY, BOUND WITH "SELF"-UNCERTAINTY IN INSECURITY, WITHIN A VERY FLAWED PERSONALITY. Ah indeed, guilt might be valid but certainly shame for wrong actions is quite appropriate. Is asking "forgiveness" enough to solve the problem? NO, because these people cannot CORRECT the situation and the intent is deliberate in the actions taken. Therefore, "forgiveness" hasn't anything to do with the "victims"—and cheaters, liars, deliberate abusers, criminal-activity participants, etc.—must bear shame for shameful activities against another, for they have broken their covenants with GOD, called COMMANDMENTS. And when you do it in the name of LOVE and GOD you have really erred. Now, in this instance, when MY NAME IS USED AS AN AUTHORIZING PARTY IN THIS BASH-AND-STASH GAME, PLACING DR. ED, THE TALKING HEAD, IN ABSOLUTE CHARGE AND CONTROL OF "MY" PAPER CONTACT, AS HE HAS PUBLISHED, I am just pretty upset at the arrogance AND TOTALLY FALSE PRESENTATION.

Since it is unbelievable as to Truth to my people here, I don't have to further explain anything to them, for they already KNOW what is taking place and it is only a necessary part of the package of mission necessities. Actually, through his own foolish actions, Dr. Young is the destructive party in the destruction of the VERY THING MOST DESIRED TO HAVE AND HOLD. SO BE IT. There are so many egotistical, false projections, from not allowing me to refer to you, my closest friends and children, as "Dad", to the incredible rank-pushing status of what he assumes I SHOULD demand for my stature in tenure and rank—according to his perception of HIS status and egotistical pecking order.

As products of an imperfect world, all of you are imperfect. Every one of you has done some wrong. There are things you regret—things you have done or things you should have done. **Acknowledging your wrongdoings with a genuine sense of remorse can serve to keep you on the right track in life, and encourage you to rectify your mistakes when possible and take action to correct things in the future. But, how can you see and "know"? You can know by the confusion, doubts and holding to a stance which is unreasonable.**

Now, what do I mean? Well, in this same area of concern in local circumstances, we have some ladies who regularly meet with one another and one in the circle "channels"—very much as for Sananda in all-knowing, all-receiving authority. YOU ERR, students, for the information is based on incorrect data and wrong data IN—wrong data OUT. If you had a truly valid "speaker-teacher" there would be no errors in the projections. But, even if there are errors and/or truth—YOU ARE CHOOSING DIRECTIONS BASED ON THAT INCORRECT DATA OFFERED THROUGH ANOTHER'S OPINIONS—IN THIS PARTICULAR INSTANCE. SEE WHO THIS PERSON SERVES, AS IN CHOOSING SIDES, AND ASK YOURSELF WHY THAT MIGHT BE SO! ONCE A STANCE IS CHOSEN, NOTE THAT THAT PARTY WILL DO ALMOST ANYTHING TO KEEP FROM BEING UNCOVERED IN THE ERROR. THAT IS SIMPLY THE WAY IT IS, AND CERTAINLY

COMPASSION IS THE CHOICE OF EMOTIONAL RESPONSE TO SUCH INDULGENCE IN WARP-DRIVE-10 PSYCHIC GAMESMANSHIP.

I especially ask V.T. to take careful heed to this message, for you came to share a wondrous experience and now you slip into false entrapment. This can either be a wondrous growing experience for you, and your mate—or the downfall of relationships, for you may not ask another to give up, totally, reason and choices just to suit your own. The other party may well not be totally correct in assumptions but he/she deserves the RESPECT of your silence on the matter—for in this instance—HE IS GOING TO TURN OUT TO BE THE CORRECT PARTY.

The channeling party has already chosen and expressed “sides”, so this immediately dissolves any possibility of non-biased input. Think about it. Now it degrades itself to comments of love for the perceived offending parties—because the choice is already projected—TO OTHERS, and backtracking seems an impossible option to the trapped party in point. Be careful so that the choices for SELF are based on SELF and not on someone else’s perceptions and projections. WHAT IS YOUR RELATIONSHIP WITH EKKERS, FOR INSTANCE? HAVE THEY ACTED IN SUCH VILE AND EVIL WAYS AS ARE NOT REPORTED, AND IS IT WORTHY THAT PROPERTY BE SEIZED AND CRIMINALLY TAKEN? BE VERY CAREFUL IN YOUR ACTIONS, FOR THERE WILL BE NO MOVING BACK FROM THESE CHOICES NOW MADE AND INTO COMFORT WITH THESE FRIENDS AND LOVED ONES, WHEN LIFE AS “NORMAL” IS RESUMED. WHAT HAVE THESE PEOPLE DONE TO YOU OF SUCH NEGATIVE MERIT? THEIR SIN IS THAT THEY LOVE YOU AND TRIED TO SHARE THAT LOVE EVEN IN MOST OBVIOUS ACTION AND PRESENTATION. CAN YOU NOT BE PATIENT FOR THE UNFOLDING? WHY DO YOU CHOOSE THE ENEMY CAMP WHEN YOU CAN ALWAYS JOIN THAT BUNCH AT ANY TIME LATER ALONG THE WAY? IT IS IN LEAVING MY CAMP YOU TOSS AWAY ABILITY TO FULLY RECOVER FULL ATTACHMENTS, ONCE SEVERED. AND WHEN YOU FIND THE TRUTH WHICH IS BEING REVEALED EVEN NOW—YOU SHALL WANT TO RECLAIM YOUR PLACE WITHIN MY WINGS. It will be up to Ekkers, as to how much they can move beyond in personal interchanges, for they long for more privacy and lack of focus. However, when you have a goose (Dharma) who lays golden eggs (Me), it is not wise to kill the goose to spite the gander.

CHANGE

We will now briefly look at *resisting change* before we close.

Guilt arises when you convince yourselves that you’ve made an irreparable mistake. The torture of guilt is in thinking that any problem is permanent. Since there is nothing that doesn’t change, however, so too pain subsides—a problem doesn’t persist. This is the positive side of change. The negative side is that you resist change in nearly every arena of life. The beginning of being released from suffering is to investigate one of the primary causes: resistance to change.

Ah, but you may well think that circumstances, say in Tehachapi in OUR own instance, are not a movement into change, IF YOU CAN HANG ONTO THE OLD SPIRITISM BEING SHAFTED INTO YOUR SENSES BY SELF-STYLED GENIUS-MINDS. But what you are actually DOING is clinging to the old, to disallow yourself to move with the next phase of our own mission and purpose. YOU DON’T KNOW WHAT TO DO IF THERE

IS CHANGE—WHICH WILL SURELY HAPPEN AS WE MOVE FROM MOMENT TO MOMENT.

You are, reader, as you read, faced with some sort of choice regarding something and that is a form of suffering as you make those choices—especially big ones as regards CHANGE. The very nature of life is ever changing. It’s extremely important to investigate the causes or origins of your particular form of “suffering”, and how it came to be and how it arises. One must begin that process by appreciating the impermanent, transient nature of your existence. All things, events, and phenomena are dynamic, changing every moment; nothing remains static. Meditation on one’s blood circulation could serve to reinforce this idea: the blood is constantly flowing, moving; it never stands still. This momentarily changing nature of phenomena is like a built-in mechanism. And since it is the nature of all phenomena to change every moment, this indicates to you that all things lack the ability to endure, lack the ability to remain the same. And since all things are subject to change, nothing exists in a permanent condition, nothing is able to remain the same under its own independent power. Thus, all things are under the power or influence of other factors. So, at any given moment, no matter how pleasant or pleasurable your experience may be, it will not last. This becomes the basis of a category of suffering, known in many religions as the “suffering of change”, and becomes the foundation of individual suffering in almost all circumstances.

Know that in the acceptance of change there can be an important factor in reduction of a large measure of your self-created suffering and indecisiveness. So often it goes further than to the moment and any current choices or circumstances, for in most cases, with immediate indecisiveness there is a refusal to relinquish the past. If you define your self-image in terms of what you used to look like or in terms of what you used to be able to do and can’t do now, it is a pretty safe bet that you won’t grow happier as you grow older. Sometimes, the more you try to hold on, the more grotesque and distorted life becomes.

While the acceptance of the inevitability of change, as a general principle, can help you cope with many problems, taking a more active role by specifically learning about normal life changes can prevent an even greater amount of the day-to-day anxiety that is the cause of many of your troubles. You can watch for the clues as you move through your experiences within your days in this expression and you will see—IF YOU REALLY LOOK.

I hearken back to Marina’s statement, as presented harshly upon Doris’ head, that “any blind person could see the clues” (of Doris’ downfall, etc.). Oh? But how much can she see of her own foolishness, aging, assumptions and so forth? Or is it only because Doris “should” be weary from years of constant writing, serving my needs as speaker, entertainer, business presenter and meeting translator? What exactly is it that people see happening to a receiver that has now had over a decade of hard labor in the classroom and practice? What is this envy and FEAR that causes the very friends who once claimed love and devotion to turn into hostile bomb-tossers? If you have trouble making choices—watch who throws, and at whom the bombs are directed, while asking the participation of those present to back the actions in order to “gang up”, so that blame is not so hard to carry if you might be wrong in actions or perceptions. BE CAREFUL!

Thank you, and may you think hard on these things for we are moving into major change—and you REALLY DO WANT TO COME ALONG!

Salu and good afternoon.

GCH—d

4/14/99—#1

DO YOU SEE?

In the beauty of the morning, whether it be in Latin America or Siberia—things are only pertinent to YOUR circumstance and how “things” relate to YOU. It was ever thus and it shall ever be so.

Mankind can only occasionally rise beyond the moment in “space”, as he perceives it to be. All the magnificent teachers in the universe can teach ascension, for instance, and yet—none can accomplish this at will—unless they have *already ascended*.

Yes, Dharma, this writing is more for you than possibly for others, for you feel great responsibility in these times of deliberate attempts to destroy you and that which we attend, and yes, I know the testing is heavy and I also note that, within—you plead to have this cup removed that you might just go your way in peace. And so shall it be, student. You simply do not yet perceive HOW. It shall not be as in dumping the cup but rather the overflowing of the cup, so do not pass it on from yourself, for to toss away the filled cup is indeed a tragic thing. Yes, indeed, that is what many are doing this very day, as they meet and plot and join with those who are proven thieves, cheats and liars. This is the plight of the multitudes, to simply get within the goal-line area and to, actually, that line and then fall away, turn away or toss the gifts back into the face of God. We will endure and we shall prevail. The paper, CONTACT, has a far, far greater purpose—and a global audience in waiting—than to argue over who shall have power, and certainly over who of the human forms shall have right and authority to EDIT the programs to suit themselves. It is fine that they try, I suppose; it is NOT alright that we would allow them success. If you have ever been told otherwise about the paper itself, then you have not had good instructions.

By the way, THIS IS NOT SOME ELECTION OF SOME KIND, WHERE YOU CAN JUST CHOOSE UP THE MOST VOTES FOR ONE SIDE OR THE OTHER. RIGHT IS RIGHT AND NO MATTER HOW MANY VOTERS FOR THE WRONG WAY WILL NOT MAKE ONE IOTA OF DIFFERENCE AS TO THE “RIGHT”. TO BREAK THE LAWS OF GOD OR THE LAND (MAN) IS WRONG—PERIOD. NEVER WOULD ANY LIGHTED TRUTHBRINGER TELL YOU OTHERWISE. HOW CAN YOU CLAIM TO WISH TO CHANGE A WORLD AND SOCIETY INTO A BETTER WAY IF YOU CONDONE AND ACTUALLY ACT WITHIN THE LIE TO SUIT SELVES? HAVE YOU NOT HAD QUITE ENOUGH OF THAT ALREADY?

Will our first meeting at home be small? Perhaps, but it will be wonderful, for have we not had enough backstabbing and hacking away at our very beings? The blind are simply choosing their blind leader and the problem with that is that they, none of them, know where they are headed or how to get there.

Can Rick Martin or Ed Young lead this band of blind beings among the pitfalls? Perhaps, it depends ON WHERE YOU WANT TO GO. I suggest, however, that Dr. Young can’t even find his way through the maze of corporation structure correctly,

so how in the world can you do business in a worthy way, which is what the argument, in actuality over *CONTACT*, is all about. Even his letter to *CONTACT* appears to be something more suitable for having been unprofessionally written by George Green, in its attempt to make one thing appear to be that of another. It may well fool the fools—but it will not fool the intelligent among you.

I will repeat something here. I did not, nor did E.J., ask that all Spiritual writings be withdrawn from the paper, EXCEPT UNTIL THE FINAL COPIES OF THE PUBLIC NOTICES COULD BE PRINTED. And then, I ASKED THAT THE RECEIVERS BEGIN TO IDENTIFY THEMSELVES, FOR ALL OF YOU KNOW THAT ANYONE CAN MAKE ANY STATEMENTS THEY WISH—AND DO. We have never interfered with the paper's context as long as it was an expanding current-events format and spiritual truth. Is it too much to ask identification so that READERS can discern possibilities?

If what you as readers want is only that which can be offered by Dr. Young and his crew, then what is your problem? He can have any kind of paper he chooses—but like any business association or matter, he must do his own—NOT MINE. He can write and publish any books he wishes—but he may not do it with our funds, our time and our advertising, just because he pronounces that he is henceforth THE BOSS. No, he is NOT the boss and I DID NOT APPOINT HIM SUCH NOW OR EVER! And, since THIS SPEAKER (GCH) is the same one who controls the paper—I say that I have not been replaced, except by imposters dreamed up by said receivers of this NEW CULT.

By the way, you followers of the “new idea”—HOW LONG WILL IT BE BEFORE THE BETRAYERS BETRAY YOU? Ah ha! They wouldn't? You betrayed me and our work! Why would anyone trust any of you to hold to your word, when you can't hold strong for a brief necessity of ones to be away to conclude business which allows the fulfillment of ten years of labor in the vineyards? So, you turn now to drink the new wine—but the kegs are bad, my chelas, and you shall not be content with the drinking.

Yes, just as told by Canadian friends—your own former teammates are joining with George Green simply to destroy Ekkers. Never you mind, children, for GOD DOES NOT BUCKLE NOR FALL! And, furthermore, the sorting is necessary NOW, because you will not be allowed to bring your corruption and egotistical status within the Sovereign Governments of our NEW NATIONS. Those citizens do not want you and they will banish you from their councils. The indigenous “human people” of Great Spirit will not long tolerate more pious spewing and out-of-balance receivings put forth as law. LAW IS RIGHTEOUS OR IT HAS NOTHING TO DO WITH LAW IN REALITY. When you replace tyranny with more tyranny—you still have TYRANNY.

We OWE you explanations and trials, as in court? NO, WE DO NOT OWE YOU ANYTHING! YOU OWED US LOYALTY, AND A KEEPING OF YOUR PROMISES OF SERVICE AND FRIENDSHIP. YOU WHO HAVE BROKEN THAT BOND AND CONTRACT—PLEASE DO NOT DEMAND HEARING, FOR WHAT YOU HEAR

WILL NOT BE THAT WHICH YOU WANT TO RECEIVE.

Mr. Young now comes forth and says he has documents which will destroy the Ekkers, reveal all sorts of mismanagement (but fails to mention his own) and will destroy, as well, the Institute! Is there never an END to what you of the Institute involvement will indulge? Does no one see that destruction of your nest will only do exactly that—destroy your nest and all that is within? Can't you see that the bunch trying to destroy the Institute are the very ones with NOTHING in the Institute, but still wanting more and more and more of YOUR property? So be it, for we are confident the lawyers will find a nice, new, golden-egg basket from which to strip you further. Dr. Young promises to pursue his idiotic capers to the “limit of the law”. Well, the law in your system has only one limit—when all the money is GONE. Nobody, I repeat, is stopping anyone, including Dr. Young, from doing anything he wishes—EXCEPT HE MAY NOT TAKE OUR PROPERTY NOR DO HIS DEEDS ON OUR PROPERTY, USING OUR LISTS AND THOSE THINGS FOR WHICH WE ARE RESPONSIBLE. HE CAN GO FORTH, IF HE CAN, AND TAKE OVER THE *WASHINGTON TIMES*, BUT I DOUBT IT WILL FLY WELL AND HE HAS HERE DONE THE SAME THING. Or, he can try the *Los Angeles Times* or even the *Tehachapi News*, **but I sincerely doubt he would get as far as he has managed to get in this escapade, aided and abetted by those who knowingly push him on into ever more egotistical blunderings—it, of course, appears to us.**

It is unfolding exactly as it is unfolding so what do I suggest? Let it finish its unfolding.

We will talk of that which shall come “after”, when you who can't decide—DECIDE. However, we are going to move on, and whether or not you like it or choose it, we are going to be very successful in every aspect of God's work and structuring in HIS plan, in which the sorting is now necessary.

The receivers of this “take-over” gang say that the enemies are among you—and yes indeed, they still are among you, and we here are extremely HAPPY AND JOYFUL TO HAVE THEM DEPART OUR SPACES.

We needed to proceed along the pathway until those who truly wished to participate in *something* could light on the fence, but have found the fence electrified and can only, “quite blindly as to human sensing”, fall to one side or the other—and in the doubting, chelas, they fall to the WEAK side for they have truly failed to gain wisdom within SELVES, wherein lies ALL THERE IS.

We do not need to argue or even debate ANYTHING—remember that TRUTH STANDS QUITE UPRIGHT ALL ALONE. The confused will simply seek, fail and push on in the muddle of confusion, while those MORE CONFUSED will proclaim themselves leaders.

You, Dharma, still concern over Rick? Please, do not. His own mother knew his problems and facade. Let me tell you something that will perhaps shock you, for Rick is one who CLAIMED to receive as THE PRIME RECEIVER for a RETURNING ESU SANANDA CHRIST. Oh my, sometimes it takes a while for you loving and giving entities to confront truth. You SAW it, however, for self.

You will note that Rick might not know anything about remembering a name of someone met less than ten minutes before, but in the Hard Rock or Fridays for lunch, would know EVERY band that came on the video and the lead performer. This is not without note, for you will also note that he knew them all—more especially the ones who came on stage giving the sign of the goat (Satan's sign), meriting response of the same greeting from the audience. Then, within seconds of the music beginning, Rick would be WITH THEM to the very beat—sitting right at the table.

When last there was a meeting in Tehachapi, whereat came distant visitors—including ones from Canada, and it was said that they went to Rick's and visited all night—no, not so. After some “prudes” left for their motel, Rick proceeded to show some of his collection of pornographic videos. DOES THIS STRIKE YOU TRULY AS THAT WHICH “THE” SPEAKER-RECEIVER FOR GOD OF CHRIST WOULD DO FOR THOSE COMING TO RENEW THEIR OWN SPIRITUAL INNER-STRENGTH?

Didn't it strike you as somewhat uncaring that when his Mother was terminally ill that Rick was not even going to let her come to his own home, for it was too much of a bother? He looked for apartments and ones in the group to attend her, for it was too bothersome for himself. You Ekkers were on a “legal” trip to Carson City, as decisions had to be made because Rick needed money for the apartment or living facilities. All this was taking place on a cellphone and Rick was adamant about not having Zita with him—period. Charles spoke with Rick at some length, and persuaded him that there were not funds for such a thing, and couldn't a son at least bring his mother home and let it unfold for a few weeks—at least until the end of that current month? Rick finally agreed. Is THIS the leadership you seek in your Spiritual TRUTH within God of Light? Well, that is what has been chosen by local former friends at Dizzyland.

From a great distance it appears that everyone has been struck dumb and deaf, as well as blind, by something in the area. True enough, but everyone was WARNED OVER AND OVER AGAIN BY THE VERY ONES SETTING UP THEIR CULT.

We NEVER had any intention nor resolution to be even a group—so please, LET IT GO. SOME PEOPLE ARE LOOKING FOR FANTASIA AND THEY WILL GO WHEREVER THE GOAT LEADS.

People are fearful of “losing their money”, and again we have attack and promises of attacks forthcoming into infinity over their “investments”. THERE WERE NO INVESTMENTS—ONLY LOANS. Those loans had “conditions” as placed there BY GEORGE GREEN IN HIS OVERALL PLAN. Ekkers NEVER went forth and advertised anything—the only people who went forth with promises and greed-motives were Greens and now the Rainbow Club. I believe you will find it is something like *Spectrum* and *Wisdom* as utilized in their title of great presentation. Well, that “Spectrum” is the rainbow, and the “wisdom” comes directly from DR. YOUNG'S imagination and presented by himself as such. Good luck, everyone who thought yourselves to be dabbling in a new game of some kind. You who have chosen against ME have done so openly and freely, and now the doors

are CLOSED to hospitality in my places. So be it. You have chosen to be excluded as being on the list for my invitation to the parties in future expectation. Remember, however, there IS NO FUTURE except in mental concept. The PAST is gone. TO WHAT DO YOU NOW CLING AND PARTICIPATE UNDER THE IMPRESSION THAT YOU CAN SIMPLY TURN AROUND AND MARCH BACK THROUGH OUR DOORS? NO, THANK YOU. WE MUST HAVE PEOPLE UPON WHOM WE CAN DEPEND, AT THE LEAST, FOR LOYALTY INSTEAD OF BETRAYAL.

There are some who have made choices simply waiting to see who would “win”, and how they could best GET SOMETHING out of the deal, while calling it Spiritual Value. No, it is NOT SPIRITUAL IN EITHER LIGHT OR TRUTH TO DO THIS. People like Alain and Joyce think they can just toss back and forth—NO, IT IS OVER and choices are made, for it is not YOU who chooses now—it is we of the ongoing Hosts whereat you took part at our table for lo, years—without contribution. Then you flap around like a newly-headless chicken in the throes of gathering the flock unto selves. Who will SAVE you now? Who will feed you when the survival gets under way? No, I do not believe that Dr. Young has the stores or the security shelters, and that means that neither do you—for you only THINK God is not harsh in his separation realizations.

But you will hear them say, “I was just making sure...”. No, you are not “making sure” of anything except your own desire for the best possible personal circumstance.

The next question might well be, however, “But, isn’t this the way we should manage our lives and consider our infinite journey?”

Yes, but this particular little mission is NOT YOUR INFINITE JOURNEY—it is a mission of a very human aspect and environment. And, yes, the Word must go forth—and so it has. We don’t need a dozen different “words” flowing from the same hillside, IF THEY BE IN TRUTH. So, what have we? We have a circumstance where disagreement comes over the “mission” and thus, the word as presented.

Therefore, we must look at the human evidence of circumstances for, after all is said and done, the HUMAN MUST LIVE IN THE PHYSICAL MANIFESTATION and can only reflect that which soul intent is offering. When directors of soul intent suggest breaking the laws, even if they be disagreeable or corporate—the persons in response acting in those instructions are in error. You do not take another’s property and simply call it your own, and then get YOUR ENERGY INFORMER TO APPOINT YOU THE “NEW” GURU AND ALL-POWERFUL PERSONAGE OVER ANOTHER’S PROPERTY.

You have access and KNOW what the necessary attitudes and actions are for SOUL journey—it is as old as life itself, those rules sent forth. The mission, therefore, is another thing and then, next, are the informations which come from and through prophecy, along with that which can be expected to become important if there is to be a future in experience. That “future” will have as many directions and goals as there are individuals aboard the planet. There may well be collective thought patterns, as in Ed and Norey may well wish to achieve the same end goal regarding a

certain thing, but they will NOT be in total integration as to any other aspect of the achievement. Each individual is unique and sovereign within his own thoughts.

Would it not be wondrous if all you had to do would be to simply think what YOU wish, put it to paper—and let somebody else do all the financing, marching, traveling and on and on? Of course, but the facts are that some take the first offramp and leave the journey expenses, navigation, acquirement of wherewithal and traveling partners—to someone else, whom you continually bash about the body and soul, in your narrow self-interests.

We have never HELD anyone, YOU included, WHOEVER “YOU” ARE. YOU chose to be wherever you WERE or ARE *and furthermore*, you came to be there by other possibilities than were coerced upon you by such as ME and certainly not my team. We have not, nor have we ever, had such a thing as a group. We have had some joint-venture business associations and any meetings have been open to all guests wishing to visit. We have neither charged fees nor substance, nor required such as even participation from any guest. We have expected the same consideration that you give any host to your presence in that you could come late, go early, share the table with us, the social interchange with us and do, generally, whatever you chose to do while in our company.

Now you have, some of you, chosen to consort with those who have proclaimed themselves to be our enemies, and you would now come and join with us and go back and prattle whatever you see fit? Oh, I don’t think we are willing to longer appreciate that attitude or that stance. If you have been attending planning sessions on how to best “get those guys” (namely we of CONTACT ownership-responsibility), we have no wish to place you at disadvantage, for it is obvious by such actions that you no longer have interest in our MISSION, and those things which must be accomplished, and those things which must be brought current and cleared for movement on into our next phase of business activities; which will be, in itself, a very heavy load of activity.

WHOEVER HAS LED YOU TO BELIEVE THAT OUR MISSION WAS SIMPLY TO GIVE YOU OTHER-DIMENSIONAL INPUT, WHILE SOMEONE ELSE SUPPORTED YOU, IS IN ERROR. THAT WAS NEVER OUR PURPOSE AND IF YOU HAVE CHOSEN TO BELIEVE SUCH A THING YOU ARE BADLY MISDIRECTED. PERHAPS YOU CAME TO SIT AND EXPERIENCE. WE OF MY LEADERSHIP AND MISSION DID NOT!

Whoever has told you it is acceptable business procedure to simply walk in and take over another’s business offices and products is also most certainly not informed as to the laws of the land, and if a “higher-being” would even suggest such a thing, HE IS NOT A HIGHER-BEING, only an interdimensional entity making contact.

I agree, however, with much of the “cleaning” speeches—and you have certainly done that to self, haven’t you? You have not cleaned MY HOUSE, HOWEVER; YOU HAVE SIMPLY CLEANED SELVES FROM MY HOUSE!

With you in service,

Hatonn

GCH—d

4/15/99—#1

[E.J. note: Ahead of this were a few personal and business instructions so this may seem to begin a bit abruptly.]

Yes, we will have some meetings—but they will focus on getting our work done.

Yes, I am still concerned about Al, for this is so hard on him that he may very well break and he has so much left to share and give, not to even mention, receive. This has all been very hard on you two but it is really very, very difficult to be caught in the muck of the circumstances going on there. They WANT to believe, but they are being told it will never happen and life takes over and presents beyond the belief that it CAN HAPPEN TO ADVANTAGE.

Al has been terribly misled before and he is caught this time without being able to get on the other side with input as he had when I came to town—and he should remember that episode very, very carefully. We WILL HAVE A PAPER and it will move on into the incredible projection of truth in prophecy and realization of that which HE WAS. I dislike having him miss this part of our journey for it is “made” for Al Overholt!

What all of these people don’t realize is that there is no such thing as “sides”. There is only right behavior and wrong behavior, and we are faced with UNLAWFUL behavior which MUST BE MET IN DUE COURSE OF BUSINESS PROCESSING. IT HAS NOTHING TO DO WITH “RATHER HAVE ED’S PAPER” OR “DHARMA’S PAPER”—THERE IS NO SUCH THING.

If these same people came into Al’s life and tried every way possible to ruin his reputation, wipe out a decade of work, take his business and his computers, take over his property and simply state that they were now placed in charge of all his earthly possessions—what would he do? Would he not be obligated, especially with others involved, to humanely and legally respond within and under the law? Spiritual beliefs are one thing, but to act as if it is alright to do these unlawful and immoral things because some “energy form” said so—is downright foolish indeed. It is like the fellow in Canada who just wrote about the bigotry of Muslims and how they don’t count. Say what? Is this not exactly what we are about? If this trashing doesn’t stop, you are headed, as a world, down the drain. I am very glad to not have such people on “our side”. Al is working through OTHER PEOPLE’S OPINIONS AND IT IS WRONG OF THEM TO DO THIS TO HIM. Yes, I CAN allow him to turn away, but it is such a waste, for he was simply drawn into the circumstances in which he finds himself—and with no input to actually buffer it.

When deprived of our presence and our writings, while allowing a slow buildup of the usurpers, the “frogs” went to sleep and got boiled alive. By this I mean, as with the story of a frog put into hot water—he will jump out of the pot. But if he starts in nice soothing cool water, which is heated slowly, he will remain entranced and boil himself alive as the water heats. I would really like to see Al do the Pedro presentations, for they are going to blow out everyone and you people have enough to do if you never write another sentence on such topics.

Al is still trying to rectify his time spent at Atlantis and it is hard to believe that people could cheat him out of this one great calling. So be it, for each must make a choice for self, no matter how the rest of us who touch another’s journey feel about it. I warned everyone around that the testing and sorting would be drastic and hard—now, did I lie?

I would like to ask people such as Al, however, as to just WHAT has Dr. Young produced? He plays the organ, and espouses his incredible education, and his mastery of

physics and his spiritual aptitude. No, he has actually produced NOTHING TO PROVE ANY SUCH CLAIMS. If we had need of a professor or a technical physics inventor—did we get it? NO, WE GOT NOTHING. He claims to have invented and experienced incredible things, and built wondrous devices and yet his own actions speak otherwise. Ed Young may well capture an audience at the organ, even, but Al Overholt is by far the BETTER MUSICIAN. Ed plays for accolades—Al plays for JOY and that is the greatest gift of all and, with Ed present, we cannot even participate in sharing Al's talent and giving.

Of all the ones who chose against me—I ask that Al be asked to our meetings. Al does NOT betray and he wants to do his purposeful work—and it simply is not going to be with the ones he has chosen to serve. I do plead in behalf of Al for he is simply caught in something unfortunate.

I believe that he could look forward to some wondrous interchanges with these Philippine people personally, in his outlay of this seer's information. Well, we will see.

I am curious as to just how long you think Charles, Rick and Ed can work together? Hatred for the Ekkers is simply not enough, and the uncovering of their trickery regarding myself, Hatonn, in their cute takeover is already so entangled that it cannot hold together. A worthy goal is OK when you are RIGHT. But, when you are wrong and no one around is able to tell the truth even to one another, as they try to keep up the facade of “you're so wonderful...” when they are just playing the game, it falls into angry confrontation and BLAME. How can you blame Ekkers when they have been gone nearly nine months? The ones in the blame-the-Ekkers game—have had full use of everything including the funds and they flunked the course—so, how long can you blame the absent donkey for the load not getting carried to market? How did it come to be that Ekkers became responsible for EVERYTHING and the bills for everyone? AND, GUESS WHAT—HATONN HAS GONE NOWHERE AND NEITHER HAS HE GATHERED UP A BUNCH OF NEW RECEIVERS OUT FOR THEIR OWN EGO-TRIPPING.

My question, of course, to everyone looking into this situation of the “takeover” of our property by aliens is, “Don't you see what is happening?”

Why have the children-receivers run off to Chaosland? Have they so little input from their “etheric energies” as to need to go forth and hide from “service”, build a totally outrageous Khazarian plan of silly rebuttals and go forth on more and more lies and misinformation? Yes.

Do the actions of the “Wisdom Raze” not give you FULL PICTURE CAPABILITY of seeing exactly what they are doing right down the party line? I am reminded of the NATO boys of the Chutzpah Team who blow up a whole convoy of civilians, in front of cameras yet, but they were not responsible and “blame” some man a thousand miles away from them.

Well, kiddies, this old stuff going on in the wind back in Tehachapi isn't going to SELL, either. Those former friends and supporters—are proving that they are not, or they still would be loyal friends to Ekkers. But no, off they go on a tangent of BLAME, BLAME, BLAME, and this time they are chewing off the very hands of those who brought them this far in their journey. I remind everyone that the paper has been in the hands of a man who is confused and totally bent as to “normal” behavior patterns and, further, has required that all who work with him MEET HIS unusual patterns of living to keep him functional. Now he BLAMES, BLAMES, BLAMES others. There have been years, now, of receivings from other than Dharma and Jonur (Joseph of Light). At upstart of Norey's receiving, I truly did ask that the receiver not be the focus because Norey was very insecure in his job. But this went on for years while Ed Young edited, rewrote, editorialized

and finally became THE voice and authority and pronounced himself same. So be it—YOU NEEDED THE LESSONS, BUT TO GIVE YOU YOUR LESSONS DOES NOT MEAN THAT THE GRADUATES NEED TO LOSE EVERYTHING, INCLUDING GOOD REPUTATION, TO THE BETRAYERS.

Exactly what is it that you “choosers” choose in them, against what you came to Tehachapi or our paper to learn? Does no one see that they present one thing in their pronouncements and DO QUITE ANOTHER, WHICH IS ACTUALLY BREAKING THE LAW AND TAKING **FROM YOU**—AND THEN, BLAMING OTHERS? SO BE IT, FOR IT IS DONE. Even Al may well do that which he wishes, for GOD decides WITH a person what will be their SOUL JOURNEY—but in the human arena WE HAVE TO DECIDE, AND WE CANNOT ACCOMPLISH A BETTER WAY TO LIVE AND BUILD GODLY NATIONS AND SOCIETIES WITH BETRAYERS ON SELF-PROCLAIMED THRONES. WE MUST MOVE ON AND WE ARE DOING SO AS WE WRITE HERE THIS MORNING.

What of the farm? What of Mr. Turner? What of him? If there are funds that can be gathered—gather them and pay the man according to his schedule of demands—and then when we get back, we buy the farm—or dump it, as we wish—but we are not longer going to hold Ekkers hostage for that which is nothing but a problem for them in every way, shape and form.

Everyone is waiting for Ekkers to produce? Why? Because they somehow OWE you for all the wonderful years of living in some form of indebted HELL? I don't think so. Now, some will wait just until they get back from their journey to “see” what they have accomplished. Haven't someones of those onlookers missed the point? There was never to be a one-party DEAL of some kind. And, further, some people have helped beyond expectations in service and support. But now they too are badgered, and set to doubts by the very ones who WAIT and hold NOTHING or LITTLE involved.

It is not enough that I tell you it will be fine? You demand of GOD, and GOD SENDS RESPONSE and you simply follow the MOUTH WHO PROCLAIMS WHATEVER IT PROCLAIMS. Well, THAT IS THE CLEARING-OUT PROCESS, chelas. This IS THE SORTING!

The ones running off to Arizona to Chaosville for guidance and leadership are getting in deeper and deeper in their total lack of any kind of good judgment. Instead of making an effort to reach any kind of agreement—they are now threatening everything from blowing up the Institute (figuratively speaking) to retaliating to honorable protection of corporations by “the execution of harassment to the full extent of the law”—and their silliness is being copied word-for-word from someone who doesn't know their ascend from their upside. WE NEED TO FURTHER TEST THE STRENGTH OF OUR CORPORATION STRUCTURE, TEST THE PROCEDURES OF THOSE WHO HOLD OUR CORPORATIONS, AND GENERALLY, STAND FIRM UNDER THE LAWS OF THE LAND AS WELL AS WITHIN GOD'S LAWS. YOU CAN'T EFFECTIVELY DO THIS CARETAKING WITHOUT SOMETHING “REAL” WITH WHICH TO STRUCTURE THE EXERCISE. And, it all has to be done right out in the open, under assault. THERE ARE PLENTY OF HELPERS TO ASSAULT. Therefore, I suggest you think carefully about this kettle of fish now stewing. If you think I am going to present you with funds to run into security in your corporations, as some of you have offered, for you only to go join the adversary in “crime”, THINK AGAIN PLEASE. I WILL NOT.

We needed to have available, with age on them, documents to use in the new system in Sovereign Banks, considered non-domestic. We also needed corporations with assets to funnel and run within the system, especially at startup of these Sovereign Banks. Do I think I can trust such as Rick, Ed, Gail, et al.—who have actually taken the checkbooks and used our funds as the ONLY SIGNERS on the accounts? No thank you, and if YOU think this is Godly and you cling to these leaders—you are not even valid for service in the mission.

Hard? NO! Being one with God is the easiest task on the face of physical Earth. Those people offer you NOTHING! WE OFFER YOU ABUNDANCE AND SUCCESS BEYOND YOUR DREAMS—AND WHAT DO YOU CHOOSE? A band of misinformation radical nuts who have actually been totally instrumental in tearing down everything you have built up over the past decade—as diligently as they can work and bring FEAR into the hearts of all who simply try to hold course.

Does this please me? Of course—for we are going to prevail and that gives us ultimate advantage.

While you THINK we are doing nothing, we have been interrupted by an attack on relatively helpless nations in Europe. WE ARE FILLING THE NEEDS OF REFUGEES AND, YES, WE HAD TO DO THAT BEFORE YOU GET STARTED ON “YOURS TO SQUANDER” AND BRING YOUR LITTLE FEELINGS UNDER SOME KIND OF CONTROL.

We have had to change, fully, our approach to “having” and create new and totally different approaches to business because of two people, Rick and Charles, who could not stay the course to get THEIR OWN POSITIONS SECURED. Fine, for we are going right through with totally secured, and independent, funding resources already in place. I suggest that you, E.J., allow Deb to share the Jeffers material. We will structure everything we need to structure until we get banking in Sovereign protection through that resource—off shore. He now has access to funds-processing of tremendous size coming available as soon as paperwork can be accomplished. I don't think that anyone would be wise to attack that resource as being “somehow” their own right to claim or grab. There is ONE person who has a right—AUDREY!! And, dear heart Audrey, yours with Jeffers is secure—with abundant interest. Can someone shut down the transactions? Ekkers don't know because it is outside their participation from “that” side. As long as MAN has free-will choices there is possibility of anything—for with GOD ALL THINGS ARE POSSIBLE.

Now, I offer you this because it is totally WITHOUT the expected (BY YOU) flow of anything as to assets—but Al, for instance, will KNOW EXACTLY OF THAT WHICH I SPEAK. So, go with whatever you like to follow but later, please, KNOW that we will secure everything we touch.

My further suggestions flow as in the order of DON'T WAIT FOR HATONN TO “GET BACK” AND SPEAK—TO MAKE UP YOUR MINDS ABOUT ANYTHING PENDING IN YOUR LIVES. No thank you! YOU ARE GOING TO TAKE RESPONSIBILITY FOR YOUR SELVES. WE CAN MAKE SURE YOU GET BACK ANY LOANS, OR DUE-AND-OWINGS TO YOU—BUT YOU WILL SORT YOUR LIVES AND CIRCUMSTANCES “ON YOUR OWN CHOICES” AND PLEASE DO THAT BEFORE YOU TRY TO SUCK ME INTO DOING IT FOR YOU, FOR I SHALL NOT!

Will I be giving lessons? YES INDEED, ALL ALONG THE WAY, JUST AS ALWAYS. But you are going to start doing your own homework, and now, along

those lines, because we are running 24 hours a day here in Manila and Dharma is, frankly, tired and unwilling to carry such a responsibility in my behalf, along personal lines, much further. Her rightful attitude is “Please let me out, Sir, for I will not carry this load further past my own mission in this game of slings and arrows of individual assault teams, who then wait and expect great and magnificent placement and abundance taken from our blood and energies.” This seems “just” to me. All have access so why must people STEAL from others—including, yes, the theft of such a thing as a little weekly newspaper, *CONTACT*? And, further, LOOK AT WHO YOU TURN TO—THE CRIMINAL ELEMENTS IN THE TAKEOVER. EVEN IN A BIG-BUSINESS HOSTILE TAKEOVER—THERE AT LEAST ARE FUNDS WHICH RELIEVE THE “TAKEN” PARTY—BUT, AH, NOT SO, HERE THEY TAKE THE COMPANY AND PROCLAIM THE OWNER TO BE NOW THEIR OWN PROPERTY, GIVING OUT MOST STUPID ORDERS AND PROCLAMATIONS—AND YOU JUST GO ALONG AS IF THE DECISIONS ARE DIFFICULT AS TO WHO IS RIGHT! HAVE WE HAD NO LEARNING IN THESE YEARS OF TEACHING AND EXPERIENCE? IF THE DECISIONS AND CHOICES ARE DIFFICULT—THEN YOU DID NOT PAY ATTENTION! IF “I” WAS THE TEACHER FOR TEN YEARS AND BECAUSE OF MY TEACHING YOU CAME—WHAT HAVE YOU GOING NOW? IN LESS THAN SIX MONTHS YOU BETRAYED YOURSELVES! I WILL NOT WORK IN SUCH LACK OF PURPOSE OR DIRECTION, FOR TOO MANY DEPEND ON ONE ANOTHER AND WHEN ONE IS A BETRAYER, THE REST MUST SUFFER THE CONSEQUENCES OF THEIR OWN CHOICES—**IF THEY CHOOSE TO FOLLOW THAT BETRAYER. THIS IS SIMPLY THE WAY IT IS!**

FURTHERMORE: If you have insulted, attacked, gossiped about, or even THOUGHT you loved, while tearing down the very people who are MY TEAM, how is it you expect them to simply welcome you into their “trust circle” again? A lesson unlearned is a happening waiting repeating. Who would have thought Charles, of all people around the Ekkers, would turn and deliberately try to destroy them? Do you think the relationship will ever be the same again, or even *nearly* the same in trust and faith? NO, it cannot be, for the very next time things do not go according to the liking of one, Charles, he will repeat the same actions if once allowed within—again. If YOU are burned from a hot stove it is OK to get burned once—never more. So, I again repeat: If you have tossed me and my (REAL) team out of your lives and projected your judgments on either them or their actions under these current circumstances—YOU ERR. YOU DO NOT KNOW WHAT THEY ARE DOING! CHARLES AND RICK DID NOT, AND DO NOT NOW, KNOW WHAT WE ARE DOING, AND IT CERTAINLY IS NOT WHAT THEY ARE TELLING ABOUT THE CIRCLE OR TO THE NEWS PRESS—OR MR. TURNER.

“But,” you might say, “Charles is so devoted to truth and is so willing to do the labors...”. No, Charles IS NOT. When his son was “struck” into a coma FOR NO REASON, REAL OR CONJURED, we let the boy rest in that state of coma for a while—then he awakened and I PROMISED HIM THAT IF HE WOULD RETURN, THAT HE WOULD HAVE A FUTURE PROMISE WITH HIS FATHER—**FOR THAT IS WHAT CHARLES, THE FATHER, PROMISED ME.** I told Charles to get the boy into a different care situation, pull those damnable tubes from his body, feed him, listen to him, get him into freedom and bring him home with DAD so that he could

heal and recover. Did this happen? No, Scott still is a vegetable in deterioration with tubes in place, angry (rightfully so) at everyone who now are more interested in the lawsuit ongoing than they are in a broken boy tragically betrayed. Charles is an angry, angry man and he is going to “show Hatonn” for making him face his own attitudes—WELL, SO BE IT. I CAN CERTAINLY LIVE WITHOUT CHARLES—CAN CHARLES, HOWEVER, ACTUALLY LIVE WELL WITHOUT ME?

We have no wish to live in BLAME, REVENGE or JUDGMENT! We had, and have, no wish to make anyone suffer, not even our worst enemies—and no, the Boopsie Boys and, yes, girls, are not among even consideration of same inclusion as “enemies”. THESE KIDS, HOWEVER, HAVE PROMISED TO GET REVENGE TO THE FULL EXTENT OF THE LAW IF IT TAKES FOREVER! Wow—I believe that copies of their letters should be fully circulated. [Ed: Please do not besiege *CONTACT* with requests for “their” letters. Any who have such letters should, however, feel free to distribute them far and wide.]

We asked for a STOP to what was taking place, so that circumstances could be evaluated and problems resolved.

One mode of action is wise business procedure, wherein the responsible parties are REQUIRED BY LAW TO ACT. The other is a continuing effort to acquire, through theft and use of EMOTIONS, that which is NOT THEIRS—AND THEN TO BLAME, JUDGE AND GET REVENGE FOR HAVING BEEN CAUGHT IN THEIR OWN TRAPS.

I repeat, readers, that a unanimous and uncontested vote in favor of WRONG—does not make it RIGHT, no matter how many have voted—it only reveals the fools from the intelligent people.

I feel an obligation to continue to point out things to you who flounder about in confusion—but that, too, is nearing an end in this matter, for there is a time and a place for me to release, and let you learn your own lessons on your own time and in your own FURTHER experience. YOU KNOW TRUTH AND RIGHT; ALL OTHER IS OPINION, CONJECTURE AND AN ATTEMPT TO FOIST ANOTHER’S PERCEPTIONS OFF ONTO YOU WHO WILL FOLLOW ANYTHING—INCLUDING THE GOAT—AND KILL YOURSELVES IN THE VERY PROCESS AND WITHIN THE CHAOS. DIDN’T ANYONE OF THAT BUNCH TELL YOU THAT THIS IS THE “TIME OF CHAOS” (KALI) ON THE PLANET? Didn’t any one of these guys point out to you that they are now over in Chaosville with “KALI”, RECEIVING INSTRUCTIONS AND BUCKING UP THEIR OWN MISPERCEPTIONS AND MISRECEIVINGS? If they are “right” and have all those perfect energy-etheric astrals IN TRUTH—why would they need to run off to hide in Arizona to make their plans? Would they not just stay aboard their dwellings in Tehachapi where they all reside and simply work out the problems? THESE ARE CLUES, READERS—REAL CLUES AND NOT SPOUTED RHETORIC.

Why do I continue to call “her” Kali? Because that is the name she gave herself or, as she claimed, her “energies” gave her. Well, so, if she and her friends like it—then so be it. However, her already recognized “followers” didn’t, and dumped her, and that is what is causing the whole of the hurt and anger NOW.

So, why don’t we get our own presence back in the turmoil of home base? Because we have ongoing projects UNDERWAY that have to be left in security and in hands who can hold the door open, at least, until our return for conclusion. WE ARE COMING HOME TO FULLY CONFRONT THIS CIRCUMSTANCE—NEXT WEEK.

WILL THE HIDERS STILL BE HIDING? OF COURSE—BUT BEHIND BLAME AND EGO-DEFENSE. WE WILL MOVE RIGHT ON THROUGH—KNOW IT!

As a reminder to all of you who can’t seem to believe me: WE WILL ALSO BE ABLE TO HANDSOMELY PAY A WHOLE TEAM OF LAWYERS TO HANDLE THE LEGAL, ONGOING CRAP. I REMIND YOU THAT THINGS ARE IN THE PROCESS OF CHANGING AND, YES INDEED, WE ARE GOING TO CATCH UP OUR LAWYERS AND THEY ARE INDEED GOING TO HAVE VERY HAPPY COMFORT IN WORKING WITH US. BECAUSE WE ARE WITH GOD—WE ARE UNLIMITED AS TO ANYTHING, INCLUDING MONEY FOR LAWYERS’ BILLS, BUT WE SIMPLY HAD TO MOVE BEYOND OUR OWN LIMITATIONS FOR ACCEPTANCE AND BREAK FREE OF THE PARASITES SUCKING OUR VERY BEINGS. WHEN? WHEN THE TIME IS PERFECT!

So, to Doris and E.J. and the question of “the prophet” looming large in the to-do department: Don’t concern about it. It only takes funds to allow the transfer of these voluminous recordings and a management team—and, frankly, I want to wait for major transition to see what Ranos (AI) wishes to do about this job. Will he deprive waiting humanity of this TRUTH available, in order to sit the fence? Aso—and Aho!

Good day, and let us just continue here with our task and then decide how we will handle the prophecies and revelations. WE MUST TAKE OUR TASKS IN ORDER OF PRIORITY. If, as is true, it takes four or five MEN to carry one of those books of Pedro’s, then I suggest that there is a massive task on “hold”—but it will not be “held” very much longer, FOR ANYONE. Those books must be translated and it needs university-trained people to handle that which is not already translated—but we wrote (sent) enough in ENGLISH to begin to move in the revealing of content. Therefore, we do not ask for anyone to DO ALL THE WORK OR FOOT THE BILL—we simply need a coordinator between those who hold the work and us who need to now bring it public. And NO, I do not want any one of the team now working AGAINST us to be involved AT ALL. I had to wait until they made their choice and left this area before I could even bring forth the recognition of this particular contact.

Funny thing—this little wonderful man is waiting with held breath JUST TO MEET DHARMA, for he already KNOWS ME! And, yes indeed, he KNOWS I AM THE REAL ONE! We, however, have to wait for the fun encounters until we get our business in order, so that we can move on in knowing of circumstances rather than always functioning on “somewhere out there”. We must always work within the scope of human-physical “what is” and create to achieve the goals out of that which is. Until you know the way, and the difference in simple creation and spiritual hogwash, you have a long way to go, people, and the sorting is, and will continue to be, difficult on an individual basis, and do not expect a spouse or relative to do other than offer opinions, and that will USUALLY be from ignorance, for if they cannot see truth in MY PRESENTATION—then they are not informed, and being uninformed and pushing that lack of knowledge off onto others who are foolish enough to accept same—is twice as foolish.

How many of YOU actually applauded the court and censure, and crucifixion of, say, one Esu Jesus Christ? Oh yes, you did! You were ignorant and you insist on REMAINING IN IGNORANCE!

Think about it, please.

Salu, Love—DAD

GCH—d

Prophecy Fulfilled Seven Years Later

The following article, written and first published in 1992, clearly stated the important role that the Phillipines would play in God's Plan 2000.

5/25/92—#1

NOTATIONS

Will you begin to center yourself this day? As you do so you will discover something worthwhile extending toward the periphery of the circle. You will find again some of the joy in the “now”, some of the peace in the “here”, some of the love in me and in self, which go to make up the kingdom of heaven as can be perceived even upon your Earth. My lifetime listens to yours, oh brethren, and I have come to share today with you.

My own growth is enhanced every time I, Hatonn, give my attention fully to another being—and this process is multiplied over, and over and over again. This can only be Truth for your own journey, precious ones, for I am but YOU grown in wisdom and presence. Will you be there for someone today? Always God sends his Hosts and messengers to be with YOU—will YOU return in like manner? It is your ticket home!

And can ye share? Can you REALLY listen to another and allow his relating an important event that has happened to him—without trying to “top” him with a story of your own? Can you not allow another “to have the stage”?

And while you ponder priorities and what shall ye do in order of importance TODAY—does God and thine own spiritual journey and family go begging? Brothers, get your priorities straight, for no one is ever known to have said on his death bed, “Gee, if I'd only spent more time at the office or at the bar gathering relationships!”

Ye shall have arrived in the human format when you live your life as an exclamation, not an explanation.

BRIGHT NEW VISTAS FROM A LONG, LONG HISTORY

As we sit to write this day, I am going to turn our attention to another portal—as I so often do. I always must apologize for the interruptions in thought flow but, oh my children, there is so much more that is worthy of thine goals and directions and understanding—than can be held in the evil practices upon your beings. You cannot turn unto these things, however, until you understand that which has pulled you down and is in the process of destroying your very freedom—but there is more to your past than the last 2000 centuries of downfall into the ashes. There is the wondrous rising of the Phoenix and its return to be revealed within, in power and glory. To the Native Aboriginal Humans (People) of the Tribes of the Flight People, it is a time of rejoicing, for the oral tradition promises that this is the time of the return of that Pale Prophet, that wondrous teacher, the White Buffalo Cow Woman—or that Lost White Brother. In every language the story is pouring forth, if the resource be in truth and recognition of the relationships with the “Bird Tribes” is understood. Can we

pull away from the tirade against you briefly and share some of the unfolding of the REALLY great mysteries?

ATLANTIS: WHAT AND WHY

To understand why Earth is in its present turmoil, you must look back in time and remember the great civilization of Atlantis and that of Lemuria. I need not go further back at this time for these remnants hold enough to give verification of your “present”. Atlantis, for instance, is not a figment of science fiction, but was a tangible civilization in Earth's past history. It, however, only represents the more recent experience, the uplifting of civilization and then, again, the downfall—beyond the continents and civilizations upon which it was built.

Because it plays such a linking portion of your historical travels as human man upon planet Earth, I shall briefly focus upon it for a minute before moving on to the portions and locations which have more in-depth and pointed information, intended for one or two to receive in the silence within.

MASTER THIS THIRD DIMENSION

How can you master the third-dimensional environment of Earth? Firstly, by getting to truly “know yourselves”—who you ARE, what you ARE, why you ARE here. Next, by learning to control all aspects of this wondrous environment of learning—in a positive manner, bringing you back within God's intended path and into balance and harmony—not chaos. Thirdly, you must come into understanding this “Earth” Shan and its relationship to what lies beyond the third-dimensional environment.

In Atlantis, man had advanced to a remarkable degree of control and understanding of the third-dimensional environment, and was at a point where he *could* have led Earth Shan and its inhabitants into the fourth-dimensional experience of physical-spiritual growth. Instead, some who possessed advanced knowledge began to abuse and pervert this knowledge by enslaving other men, and by misusing their spiritual POWERS in various other ways. When this abuse of spiritual power became too widespread, it set into motion certain forces, which resulted in the eventual disintegration and destruction of the civilization. This destruction did not occur in one giant cataclysm, as may be commonly supposed. Rather, it occurred as a process of decline that lasted over thousands of years. During this period of degeneration, the continent gradually broke apart and yielded its majority portions to the ocean. Gradually, the inhabitants of this once great civilization migrated to various parts of Earth, taking with them the remembered skills and technologies that resulted in the archeological wonders that fascinate you today. Modern archeology is for the most part at a loss to explain such evidences as still exist in Central and South America, England, Egypt and

elsewhere around Earth. There is most certainly a total lack of any kind of understanding of the “beings” who dwell on two planets (two dimensions), as are found in places about the globe. But always there would be forms sent forth in guardian capacity in both the underground facilities and within the etheric realms to attend the sacred history and treasures of each segment of unfoldment. You must realize that the “Creation” is as old as “Creator”—therefore, ye cannot be in the dating or timing of existence—on your place or anywhere else within the whole of the Universe. This is why I can only speak of “historical” remembering as handed down, and as overseen by we who have already passed that way and already “remember”.

PHILLIPINES SPOTLIGHTED

How many of you would believe that the Phillipines, as currently located, hold the keys of transition and reformation as well as rebuilding of the remnant upon the beautiful creation Shan? There are other portions in other places but central to the reclamation of this cycle of life-stream of you as a civilization and experience of God-self upon that land mass manifest—shall come to balance and focus within the wondrous places rising in the Sea of Peace, called Phillipines.

Ah yes, ye can take the ministers and touters, missionaries and gurus into the Places of the Lions—BUT YOU CANNOT TAKE THE PLACES OF THE LIONS AND BIRD TRIBES FROM THE HEARTS OF THE PEOPLE!

As with all tarnished writings and histories under tampering, eventually the memory of the glorious civilization that once existed faded entirely, except in the awareness of the adepts who possessed the arcanum, and in the subconscious minds of former Atlanteans, to be remembered through the ORAL traditions and legends of the passage of great sequences and cycles. The stories bore meaning, even if the subject as presented was seemingly pagan and ritualistic in behavior—nay, nay, the Truth would always be present for the ones come forth in the remembering in the time of service unto Creation/Creator.

UNFOLDING DIVINE PLAN

So, you would ask, what has this to do with the unfoldment of the Divine Plan? Just this—Atlantis was not the only great civilization that has evolved upon Earth. There have been many others lost to antiquity, such as Lemuria. But you are so attached to some ones such as Lemuria that the memory cannot be erased, for you who experienced therein are destined to serve again NOW. Each time that mankind has advanced to the level of a Lemuria or an Atlantis, it has had within its reach the opportunity to raise Earth's level of consciousness to fourth-dimensional awareness and it has failed. Each failure was due to the misuse of spiritual powers, which allowed total takeover by evil intent locked within the “physical” expression, in turn, entrapping the soul and delaying its passage into glorious radiance.

In the past, this could be condoned because there was still yet another chance. Now, however, you have reached a point in Earth's history and in galactic evolution where the transition into fourth-dimensional consciousness **must be made**, so that you can perceive the dimensional expression of understanding and KNOWING the principles of LIFE-STREAM experience.

Let me explain a bit more clearly. The Divine Plan is based upon the Will of God (Spirit, Universal Mind, or

whatever name you might choose to call the indefinable Infinite Intelligence). Divine Mind always proceeds in an orderly, evolutionary pattern predicated upon Its principles of Universal Law. Wherever this Divine Plan affects man, he is always made aware, so that he will have the opportunity to cooperate and grow upward in this evolutionary spiral.

Man is now being made aware through many means, such as this very discourse, of certain galactic facts of universal, immortal life. As you know, your solar system is a part of the Milky Way Galaxy as you have identified it. Your solar system revolves around the Milky Way in an orbit that takes some 206 million years, as you would calculate in your numbers. We can refer to this revolution of your solar system around the galaxy as the Great Cycle Orbit. Your solar system (*our* solar system—for you are a segment within the solar system (actually) of Pleiades with our Central Sun), was created some time, in your type of counting, at least 4½ billion years ago. This rough estimate will serve us well enough for our purposes herein. I am not going to teach you “truth in astronomy” nor “astrological divining”. This corresponds to 22 Great Cycle Orbits of your solar system around the Greatest Central Sun, not to be confused with the Central Sun, Alcione, of Pleiades. You see and must understand that the Divine Plan, as regards YOU, is not finished—only progressing into other expression of the continuing “play” in action.

In the Will of Divine Mind, as communicated to the Spiritual Echelon of our solar system, this **completes the time cycle** in which our entire solar system is to remain in its present state of evolution. As the age of understanding and higher knowing moves into a new frequency vibration, where no expression below the fourth dimension will long continue to exist, comes the need to reconstruct and have guidance into this higher state of experience. Man has a basic set of “phases” in experience as a whole, and the “whole” concept will be moving into that which is higher in experience, while some fragments will continue in ignorance, within an experience of limitations and bondage and others will experience in the total void of Lightlessness—and others, who serve as simple “lesson creations”, will be removed and cease to experience.

Man began to experience life in your system centuries in the millions past, at the beginning of the present Greatest Cycle Orbit. The Divine Plan is for all human life within your solar system to achieve at least the awareness of cosmic consciousness by the end of this orbit, which is reaching its conclusion now with the [end of the] time of Kali (Chaos). This means that man of Earth must immediately become aware of what cosmic consciousness is and take the necessary steps to raise his individual level of consciousness to that state of knowing awareness. Failure to do so will result in self-destruction! Man of Earth, in your present state, simply cannot tolerate the new, incoming change in physical frequencies, even if he could survive the physical bombardment thrust against him by the evil intent and projection of man.

Within this Great Cycle Orbit, there have been a number of lesser cycles. When the Atlantean civilization failed to reach its development potential, this left only the so-called 26,000 year “minor” cycle of the zodiac (as you call it) to complete the Plan. As this present age draws to a close, this cycle, concurrently with the Great Cycle Orbit, comes to an ending.

Right now, planet Earth is the only planet in your solar system where man has not yet reached the cosmic level of awareness. This level of consciousness must now be rapidly attained, in order to fulfill the Divine Plan and insure your continuity of passage as a species of this civilization.

OTHER PLANETS OF OUR SUN

Because you cannot find life on other planets in your solar system, does not mean there were no life forms prior to now, now—or will be in the future perception. YOU are too limited in your understanding of factual progression to begin to understand the evolution of life forms. YOU are stuck with the limitations of your UNREALITY, for you must rely solely upon your five physical senses and upon the findings of conventional Earth science, to tell you whether or not intelligent human life might exist on other planets of even your own solar system. Worse yet, you rely on ANOTHER’S perception, and speculation, and pronouncement regarding “other places out there”.

At the close of every civilization, as you now face—through man’s progression along the binding physical plane, while denying the spiritual aspects of divinity and infinite journey, there are wondrous contacts and inter-relations formed and experienced between Cosmic intelligence.

When Atlantis was at its height, there was open communication between Earth and the other planets of your system. After the fall, however, this open communication was removed, for you no longer had desire for “balance” and had sunk into the mire of total humanistic experience. Now that man of Earth has again evolved to a point where he can make the transition into higher consciousness, communication and contacts with extraterrestrial beings have again increased and will become most “common”. This being the “Greatest” Cycle, there will be present many changes undreamt of except through the minds of the ones sent forth to enlighten you of the truth of it.

Indeed, there is a Divine Plan. Do not believe for one moment that the ONLY plan afoot is the Plan 2000 of the Evil segment of Elite, Human Puppet-Masters. The Plan involves many, many beings, human and otherwise, from within and without the Earth’s planetary structure. It will behoove all men to open their minds and their hearts to at least consider these possibilities. It will be far better to cooperate and work with the Divine Plan and to reap the Divine Love, Light, Life, Peace, Truth and Joy that it offers, than to oppose it and reap eons of misery and regrets. The “coming back” is indeed a long, hard journey.

WHO WILL HEAR

You ones of Truth will find it very difficult, especially as you witness the Truth unfolding in your very presence, to believe that anyone hearing what I have just told you could ignore it or cast it aside without further investigation. It would seem to take an extremely prejudiced and unthinking mind to simply disregard this information, but there ARE those minds abounding upon your physical placement.

There are many, however, wise and beautiful souls upon your Earth Shan. When they are made aware of an intelligent Divine Plan, which offers tangible and visible proof beyond the limited teachings of “religions” (which actually build to a point of total entrapment and then fizzle into agonizing deceit), they will awaken and recognize the intelligent Divine Plan. They will want more and more to participate in bringing the Plan into fruition. The most difficult obstacle for most of them is to scale those orthodox walls of entrapment. The second most difficult obstacle will be to rise above the self-imposed limitation of relying only upon the five physical senses. You all, readers herein, have that very bondage nagging at your very senses constantly.

We will continue to allow insight into the Divine Plan unfolding—but **it must be in proper sequence** and it must flow unto the “leaders” who come forth again as

representatives of the higher Commands and “Sky People”. Will ALL come “home”? No, for the play is not finished—when the play is finished ALL will come again, in Truth, unto and within the ONE.

UNLEARNING THE FALSE

Before the “few” can come into the knowing (remembering) of purpose and journey, there must be a period of reminding, recognition of status, and unlearning false precepts. God never leaves his fledglings flapping mindlessly for very long. As with all great cycle changes, preparations are laid forth for tangible use during your time of change, that the changes brought forth can build a bridge into Infinite MIND in a dimensional manner appropriate to the experience. Great treasures of wisdom and wealth **are placed for use and guarded** by the “guardians” sent (and remaining in higher states of presentation), until such time as an unveiling of purpose can be recognized, proven and integrated within.

Each time that man’s evolution upon Earth has reached a point where he could advance to a much higher level, this “treasure”, if you will, has been **brought forth and made available to a worthy custodian** to use for the benefit of all mankind—simply, quietly and in logical, reasonable manner, to draw no attention from the masses or adversary. This has not taken place since the fall of Atlantis, yea, these 26,000 years ago. Since that time, the very items in point have been placed in the appropriate locations for use against the day of final and incredible change and transition. Until the proper ones are in place and into enough understanding to move “with purpose” and “under direction” of highest intent, nothing shall be presented for corruption at man’s hands. Always will come the accompanying opening-up of opportunity at Earth level of experience, to continue to “cover” carefully the building and needs of the remnant in security.

In recent history, there have been numerous individuals who have sought unsuccessfully to uncover this vast wealth, as you might guess. There have been the deceivers and this is WHY the adversary clings to and bombards the workers of Lighted Cause—to get on the “inside”, and garner wealth without honor in Truth or production.

However, this is so well-guarded that accidental discovery IS IMPOSSIBLE. The reason for this is obvious. Were this “wealth” and “knowledge” to fall into the wrong hands, it could literally destroy the whole of mankind—and in addition, at least destroy the Divine Plan in interruption and flow. Contacts would be made in “strange” ways into the hearts and minds of “guardians” and participants, and what would be needed would be presented in a most logical manner of presentation. All of these things are yet to be unfolded unto you. You who are coming into recognition of purpose will KNOW when it is time to KNOW. Until such timing is proper, ye will continue to do thine works as guided in integration with us of the Hosts sent forth for the sorting, testing and ultimate instructions, guidance and actual building of that which is necessary. Many fail the testing and sorting—MANY! In fact, until this day—almost ALL. Aren’t we lucky that I can say “almost” and not ALL?

Before this vast abundance can be presented for use, much must be taught and directed so that no errors in placement are allowed. Hearts and directions change when wealth is presented into any equation—this be for God’s evolvment—not for the “hell of it” for “man’s further foolishness”. So be it.

Dharma, you are needed elsewhere. I, Hatonn, shall stand by.

CATHOLIC PUBLICATION OFFERS \$2,000 FOR MILLENNIUM DEPICTION OF JESUS

By David Crary, Associated Press, 8/19/99

For a \$2,000 prize and a place on the millennium-issue cover of a Catholic newsweekly, artists worldwide are being invited to create a bold new image of Jesus to mark the 2,000th anniversary of his birth.

The contest welcomes all visual media computer art, stained glass, silk screens, even photographs. The only sure bet is that the winning entry, due by Oct. 18, won't resemble the traditional images of Jesus evoked by artists of the past.

"Until our time, this was the most popular subject for artists," said Michael Farrell, editor of the *National Catholic Reporter*, which is sponsoring the contest. "If you are giving us a repeat of any of those images, it's not likely you are on the winning ticket. There ought to be something new that we have never seen before..."

...In its article announcing the contest, the independent publication questioned why so few fresh, captivating images of Jesus had emerged in the late 20th century.

"Can it be that the spirit of the age excludes messiahs and saviors?" it asked.

Entrants must send slides of their work. A three-member jury will select 10 finalists.

The winner and three runners-up will be chosen by Sister Wendy Beckett, the 69-year-old British nun who stars in a public television series about art.

The winners will be announced and displayed in the Christmas issue, due out Dec. 24.

Holmes said some graphic designers, rather trying to depict Jesus' face, might offer a corporate-style logo symbolizing modern-day Christianity. Another possibility for computer artists would be to scan in a person of every ethnic race to make a composite portrait.

"You'd come up with a sort of universal face, and you could say, 'Here's the new face of Jesus he is everyone,'" Holmes said. "You'd offend somebody, no matter what you did. I'd hate to be in the judges' shoes."

[JR: The KZB and Judeo-Christians must re-define everything today, especially the "image" of Jesus. Could this be THE universal image to be used for "Project Blue Beam" RAPTURE?]

"MIRACLE OF GOD": TURKISH TOT FOUND

Courier Press, (AP) 8/24/99

ISTANBUL, Turkey — Trapped alone in a dark space below a collapsed balcony, 4-year-old Ismail Cimen waited days for someone to come...

...Finally, six days after Ismail was buried alive in Turkey's killer earthquake, what his uncle described as "a miracle of God" occurred Monday.

Sait Cimen was removing rubble to look for bodies when he poked his flashlight into a gap about 18 inches high. Little Ismail squinted into the beam — his ordeal over after 146 hours in darkness.

Bulgarian and Turkish rescuers in Cincarcik, 30 miles

south of Istanbul, helped pull the boy out.

At a time when many search teams were abandoning efforts to find survivors, the black-haired boy showed that the will to live can often defy the normal boundaries of human survival.

Dr. Murad Molla, an emergency room physician, said Ismail was in good condition and should fully recover because he was not injured in the earthquake, had good air under the rubble and some space to move around.

Resting in the emergency room of an Istanbul hospital later Monday, Ismail said he couldn't sleep and was out of bed when the Aug. 17 quake hit before dawn...

...Through badly chapped lips, Ismail summed up his ordeal in the unvarnished honesty of a child: "I was very scared."

"We thought he was dead, too," said his uncle, a textile worker in Istanbul. "I had even prepared a grave for him in his hometown."

But other graves will be filled: Ismail's father and three sisters, aged 8 to 13, died in the quake. The body of one sister was buried in rubble only a few yards from the boy.

The boy's father, Fatih, had worked as a guard at the construction sites of the developer, Veli Gocer, who is blamed for causing thousands of deaths by using shoddy material in his buildings.

The boy's mother, Serife, survived the collapse of the building and was hospitalized in the city of Bursa.

"She is inquiring all the time about whereabouts of her family," the boy's uncle said...

[JR: I can only imagine GOD'S plans for this child in OUR lessons.]

BANKERS USE SERMON TO EASE Y2K FEAR

By Marcy Gordon (AP), 8/25/99

WASHINGTON (AP)—The nation's bankers are distributing a folksy sample sermon to help clergy debunk parishioners' fears of a Year 2000 catastrophe.

The heads of the country's ATM networks, meanwhile, assured consumers Wednesday that their cards will work normally through the year-end date change and urged them not to withdraw unusually large amounts of cash.

"We wanted to reach out to the religious community," said John Hall, a spokesman for the American Bankers Association, referring to the four-page homily that the group is distributing to bankers to share with local ministers, priests and rabbis.

The sermon seeks to counter predictions in some religious and survivalist literature of a New Year's Day collapse in the banking system.

"We want to go into the new millennium with hope, eagerness and faith in this new century of promise. We don't want to be crouched in our basements with candles, matches and guns," the sermon says.

"There are, after all, two ways to cross the Red Sea. With Moses, who with God's help, led the children of Israel into a bright, hopeful future. Or with Pharaoh, who in trying to preserve the old, hurled his chariots, his officers and his army into the sea."

At a news conference, the ATM network executives

advised consumers to treat the last weekend of the millennium as they would any long holiday weekend, withdrawing only the normal amount of cash from automated teller machines.

The network companies, which are members of the Electronic Funds Transfer Association, link banks and other financial institutions with hundreds of thousands of ATMs nationwide as well as point-of-sale machines used to pay for purchases in grocery stores and other retail locations.

"There's no need to bury cash in your back yard...or stuff twenty-dollar bills under your mattress," said Philip Valvardi, president of Money Access Service Inc., which operates the MAC network.

Dennis Lynch, president and CEO of New Jersey-based NYCE Corp., said all the ATM networks' computer systems... were tested and found "ready and compatible"...

...Federal regulators recently reported that 99 percent of the nation's federally insured banks, thrifts and credit unions have completed testing for the Year 2000 computer problem, which arises because some computers originally programmed to recognize the last two digits of a year could interpret 2000 as 1900.

[JR: Is this the revised SERMON ON THE aMOUNT? The banksters are even writing sermons for the clergy—isn't this another WAKE-UP CALL?]

FEDS WANT AUTHORITY TO SECRETLY CRACK PERSONAL COMPUTER CODES

FOX News (AP), 8/19/99

WASHINGTON (AP) — The Clinton administration reportedly plans to ask Congress to give police authority to secretly go into people's personal computers and crack their security codes.

Legislation drafted by the Justice Department would let investigators get a sealed warrant from a judge to enter private property, search through computers for passwords and override encryption programs, *The Washington Post* reported Friday.

The newspaper quoted an Aug. 4 department memo that said encryption software for scrambling computer files "is increasingly used as a means to facilitate criminal activity, such as drug trafficking, terrorism, white-collar crime and the distribution of child pornography."

Under the measure, investigators would obtain sealed search warrants signed by a judge as a prelude to getting further court permission to wiretap, extract information from computers or conduct further searches.

Privacy advocates have objected to the plan, dubbed the Cyberspace Electronic Security Act by the Justice Department.

"They have taken the cyberspace issues and are using it as justification for invading the home," James Dempsey, an attorney for the Center for Democracy and Technology, told the *Post*.

Peter Swire, the White House's chief counselor for privacy, told the newspaper the administration supports encryption as a way to provide privacy for computer users.

"But it has to be implemented in a way that's consistent with other values, such as law enforcement," Swire said. "In this whole issue we have to strike the right balance."

The administration has for years been seeking a law to require computer makers to include a so-called Clipper Chip in their products that would give police a "back door" into computers despite any encryption software they may contain.

In a backlash, More than 250 members of Congress have signed on as co-sponsors to legislation that would

prohibit mandating such back-door devices on computers.

[JR: Next the inJustice Department might claim that we are hiding something illegal by locking our doors and require duplicate house keys to be left at City Hall.]

ASTRONOMERS CAN'T FIGURE OUT CELESTIAL PHENOMENON

By Matthew Fordahl, ABC NEWS, 8/18/99

LOS ANGELES, (AP) — An arsenal of analytic tools used to figure out the makeup and distance of stars and galaxies has failed to unlock the secrets of a mysterious celestial light detected three years ago.

"It's fairly uncommon to stumble on something you don't have a clue about," astronomer S. George Djorgovski said Tuesday. "It certainly hasn't happened to me, and I've been doing this for many years."

Djorgovski was part of the team at Caltech's Palomar Observatory that detected the object, a pinpoint of light, during a digital survey of the northern sky.

It remains one of the biggest mysteries uncovered by the Digital Palomar Sky Survey. The survey, which has collected information on more than 50 million galaxies and about 2 billion stars, is about two-thirds complete.

A Kind of Quasar, Maybe?

Some astronomers believe the object may be a new class of quasar, sources of energy found in the center of galaxies and believed to be powered by matter falling into massive black holes.

"This sort of looks a little like them, but not quite. The similarity may be superficial," Djorgovski said. "That's the closest thing we have found in all the astronomical literature." Usually, astronomers are able to determine an object's composition and distance by breaking down and analyzing its light. But the mystery object's spectrum does not fit any of the known patterns, Djorgovski said.

Can't Figure Out Where It Is

Light also usually holds clues about an object's distance. But because graphs derived from the light do not match anything known, researchers aren't sure whether it is inside or outside the Milky Way Galaxy.

Repeated photographs revealed no changes in its appearance, ruling out the possibility that it's an exploding star or supernova.

Djorgovski challenged fellow astronomers to help explain his discovery at the June meeting of the American Astronomical Society in Chicago. So far, nobody has produced an adequate explanation.

No Easy Solution

"We probably have looked at the spectra of several thousand quasars, and this just doesn't seem to fit," said David Crampton, an astronomer with the National Research Council of Canada. "It didn't ring any bells."

The next step will be to analyze the object's infrared spectrum, something Djorgovski hopes to do next month at the Keck Observatory in Hawaii.

Researchers also hope that the Hubble Space Telescope might someday be pointed at the object, which is located in the constellation Serpens.

[JR: No doubt Commander Hatonn could enlighten them.]

SCIENTISTS SAY GENE TRANSFORMS MOUSE BEHAVIOR

ABC NEWS, 8/17/99

ATLANTA, (Reuters)—A little stretch of DNA can turn promiscuous, antisocial animals into friendly and faithful mates, scientists said on Wednesday.

A team at Emory University said they had used genetic engineering to alter polygamous mice, making them form strong bonds to their mates and offspring.

The research may have important, long-range applications in treating such human disorders as autism, schizophrenia and Tourette's syndrome, Larry Young, who led the study, said.

Young and colleague Thomas Insel have long studied vasopressin, a naturally occurring peptide hormone produced in the brains of most mammals, including humans. It plays a role in male behaviours, including aggression, communication, sexual activity and social memory.

In the mouse study, the scientists inserted a vasopressin receptor gene from a monogamous vole into a polygamous mouse. To their surprise, Young and his team reported in the science journal *Nature*, the resulting mice formed close relationships with female mice...

... "We found that vasopressin played an important role in prairie voles," Young said. "After mating, the male prairie vole forms a strong social bond. He prefers to be with that mate to the exclusion of all others," he added.

"That pair nests together. When she has her babies he spends as much time with those babies as she does. He defends the nest. They stay together for the next litter and the next and the next."

Young said montane voles behave in a vastly different manner, even though their genetic makeup is 99 percent identical to that of their prairie vole cousins.

"When the montane vole mates, he immediately takes off and searches for another female," Young said...

Young said Emory researchers plan next to see whether genetic implants will make montane voles more sociable. He said mice were used first because "it is easy to make transgenic mice."

Young cautioned that much more research will be needed before scientists know whether genetic manipulation could address human dissociative disorders...

...He also cautioned that while genetic manipulation can cause fidelity in mice, the same may not be true in humans.

"In human cultures we may find that experience and values have a lot more to do with behaviour," Young said.

Virtually every form of human psychiatric disorder is characterised by abnormal social attachments, but little is known about the physiology of social bond formation.

Young said a likely application of mouse study would be in addressing social isolation resulting from brain dysfunction.

"In psychopathologic disorders where there is a severe deficit in social behaviour, there could be genetic factors involved," Young said.

[JR: Sounds more humane than a lobotomy. Is Hillary recommending Bill?]

FCC TO APPEAL PRIVACY RULING

By Kalpana Srinivasan, AP 8/25/99

WASHINGTON—Federal regulators plan to appeal a

court ruling that could enable phone companies to use information about customers for marketing purposes without their permission.

The decision by the three-judge panel 10th U.S. Circuit Court of Appeals—which rejected privacy regulations adopted by the Federal Communications Commission last year—would remove important protections to consumer privacy, FCC Chairman Bill Kennard said in an interview Tuesday.

"I think it's a sad day when the First Amendment rights of telephone companies to solicit business outweighs the rights of consumers to protect their privacy," said Kennard...

...When people make calls or pages, the companies providing them service end up with personal information including who, when and for how long the call lasted...

... "This case is a harbinger of difficulties encountered in this age of exploding information, when rights bestowed by the United States *Constitution* must be guarded as vigilantly as in the days of handbills on public sidewalks," the ruling said.

As for customers' privacy, "Although we may feel uncomfortable knowing that our personal information is circulating in the world, we live in an open society where information may pass freely," the ruling said.

FCC officials warned that the decision could open a wide door for releasing information. For example, a phone company could sell information about a customer's toll-free catalog shopping habits to a rival retailer, the officials said.

Denver-based U S West, which brought the case, said it does not intend to share customers' personal information with other companies—only with its divisions...

...Privacy groups have also expressed concern that the decision could set a precedent for privacy protections in other areas, such as the Internet.

"This really does cast doubt on the government's ability to protect citizens' privacy," said John Morris, counsel at the Center for Democracy and Technology, a Washington-based privacy advocacy group...

[JR: If the court allows companies to violate the privacy of individuals, then why should individuals respect the privacy of any company and ask permission to distribute copyrighted material? The telephone companies sell your personal information to solicitors then charges you, their customer, for blocking those calls from the marketers.]

RIGHTS: U.N. DECLARATION ON INDIGENOUS PEOPLES LONG OVERDUE

By Thalif Deen, *Global Info*, 8/11/99

UNITED NATIONS, (IPS)—The United Nations admits it is dragging its feet on issuing a declaration that would legitimize the rights of some 300 million indigenous peoples worldwide.

Bacre Waly Ndiaye, director of the Office of the High Commissioner for Human Rights, concedes that the adoption of the 10-page declaration, which has been under discussion by member states since 1994, was "slow in coming"...

...One of the disputed articles in the declaration gives indigenous peoples the right to autonomy or self-government in matters relating to their internal and local affairs, including culture, religion, education, information, economic activities, health and land and resources management.

Send Your Letters On Behalf of Ron Carlson!

Dr. Ron Carlson needs your support! Please take the time to write a letter of reference for Ron at this time. Letters should include positive descriptions of Ron's character, his dentistry, his invention of the patented Carlson bridge and his commitment to truth and principles. Please ask for leniency or bail pending appeal. He's looking at 2-3 years, with not much sympathy from the inexperienced judge (only 7 months on the bench). This judge has a history of sending people to jail pending sentencing.

Please send character-witness letters by **September 15**, along with anything you can contribute financially to:

Melissa Yee-Carlson
1480 Kinau St.
Honolulu, HI 96814

The letters should be addressed to Honorable U.S. District Judge Susan Oki Mollway. As a salutation, please use, "Dear Judge Mollway".

Please send letters to Ron addressed to:
Ronald S. Carlson
PFN #UJC935
North County Jail
550 Sixth St.
Oakland, CA 94706

Additionally, according to Article 10, "indigenous peoples shall not be forcibly removed from their lands or territories."...

...Several member states, including Canada, the US, Australia and New Zealand, say the issue of national sovereignty takes precedence over the right to self-determination as spelled out in Article 31 of the declaration.

Ndiaye says that governmental positions on issues such as land and self-determination are "short-sighted". Many governments consider it important to prospect for oil and gold in land that is "sacred" to various indigenous groups—numbering about 5,000 worldwide...

...“The concentration of extensive legal, political and economic power in the State has contributed to the problem of development and indigenous peoples' rights to lands, territories and resources,” the report says.

In Belize, for example, 17 logging concessions were recently granted to foreign companies to cut timber in forests where Maya people have always lived and have relied on the forest for their subsistence...

...In West Papua New Guinea (West Irian), the Indonesian government has encouraged transmigration and settlement on land where indigenous peoples have lived.

“This process has reportedly caused widespread dislocation of indigenous peoples, practically forcing them to live in other countries,” the U.N. study says.

Since the government of the Philippines owns about 62 percent of the country's territory, the indigenous peoples have been considered squatters on their own lands, according to the Worldwatch Institute...

...In Nicaragua, the government planned an environmental park in complete disregard of the indigenous population living on that land.

The study also points out that certain specific economic activities—including oil and gas exploration, geothermal energy development, mining, dam construction, logging, agriculture and ranching—have had an adverse impact on indigenous peoples.

“Often, development takes place without indigenous peoples' consent, consultation, participation or benefit,” the report notes...

...Many countries are pursuing sustainable development, but there will be no sustainable development until there is cultural sustainability, Steir-Younis says...

[JR: The controllers will never allow indigenous peoples their GOD-given equal rights!]

Interest-Free Banking Backed By Gold & GOD

(Continued from page 8)

is disclosed, the denial will require the shutdown of the operation. Unhappily, the only real fruit yet to be plucked is in the USA—Mr. Soros has already announced that the USA is next—so it is a bit late to close the barn door.

This is probably a good place to mention that some 95-98% of the people in the “host” nations of these money manipulators are either unfriendly toward them or are unaware of them. We have heard the statement, “Well, they have the support of nearly one half of the world's population!” No. They may control the finance and government of those nations in which they reside, but they represent a very miniscule proportion of the citizens of those nations and the exposure of their manipulations can cause them great grief. For example, if they should use the “Millennium Bug” to trigger chaos and riots, and the people are informed as to the real source of the problem, might there not be some backlash? Their hold upon those two nations wherein they are reportedly the strongest, Israel and the US, is extremely tenuous and can be broken any time the people are given to see how they have been taken advantage of.

Now to respond to the question, “What can be done about it?” Since it becomes a matter of strategy and tactics, it may not be wise to provide details. But it should be useful to provide hope. For centuries (more than 20 that we know about) the money war has raged between the PKZ (Pharisee/Khazar/Zionist) faction and the rest of the world. During the past 500 years the PKZ has been winning and strengthening their position. The pendulum always swings and it seems about time for it to reverse its direction. Wide public knowledge can surely slow, and perhaps even stop, the further depredations of the money thieves. A “permanent” solution (gold-based interest-free banking) may take longer, but the drawing together of a large number of nations in opposition to the “status quo” is occurring which could well end the PKZ world dominance that is now so effectively maintained through the rationing of the money supply of virtually all nations.

Lest we leave readers with the wrong impression, we must deny that we are PREDICTING a price of

\$9000 per ounce for gold. On the contrary, it is our opinion that the “tumble” of the bloated price of paper money (and publicly-held corporate stock) is a great deal more likely than an astronomical rise in the price of gold. Besides being a good base for money, gold is also a commodity and the supply of gold will rise as its price rises. If the cost of production is, say, \$350 per ounce (which it might be in the US and Canada but varies widely in other parts of the world), when the price exceeds \$400 for a sustained period the production will begin to come back on line, and a lot of gold may “come out of hiding” which could tend to dampen the price rise. Offsetting that, and a far more powerful force, is the estimated \$100T worth of stocks on the world's stock exchanges, some of which will be looking for a place to go when the US stock market even heaves a big sigh. At today's prices only 2% of that stock market money would sop up all of the known gold in the world, even if the central banks sold all of theirs, which they will not.

Further complicating the situation is the specter of “legislating” the price of gold as was done with the Bretton Woods Conference. Lately Lyndon LaRouche has been promoting the idea of “another Bretton Woods” which should cause a lot of people to wonder just what his real rationale is. The IMF and World Bank came out of Bretton Woods, also, and perhaps that is what Mr. LaRouche is wanting to “correct”.

To sum up: Global Alliance Investment Association (GAIA) is proposing to supply the collateral to support an Islamic-style interest-free gold-based banking system so that those people and nations of the world, that have been “colonized” and held in bondage by those same international bankers who own/control virtually all of the “Western” nations and whose debt it is (payable in gold) that is the source of the GAIA collateral, can now access essentially unlimited funds (at the expense of those same international bankers), limited only by their own growth of national value, for the development of themselves and their nations. (In my article entitled “A History Lesson About Value-Based National Banking” in the 2/16/99 issue of this newspaper I explained how a nation's issuance of its currency could equal but not exceed its growth in value.)

We should hasten to add that this “Islamic-style” banking system can work in conjunction with, or in competition to, the current system. It is, of course, hoped that the owners of the current system will see the wisdom of working with, and even assisting, the new system. If they do not, the likelihood is that their position will be seen as so weakened by the accumulating of their debt as it is issued to needy people and nations by GAIA that they will be unable to maintain their dominance.

In my “National Banking” article I also suggested that each sovereign nation has the responsibility for the issuance of its own currency; that each nation use the GAIA collateral as its empowerment to issue its currency with which to purchase gold; that it then base the value of its currency on gold, and use gold as its “reserves” so that its currency will be recognized worldwide. In such a gold-based society, interest-free banking becomes quite feasible, which does away with the awful destructive pressure created by the (now) ever-present “cost of the use of money”, so artificial and yet so ingrained in our current thinking. Given the choice, where would you put your money, and/or go for a loan, Profit Sharing or Interest Bearing?

TELEPHONE HOTLINE 661-822-0202

As an adjunct to *CONTACT*, the Telephone Hotline keeps you as informed as possible on current events and other important information that needs to get to our subscribers before our publishing date.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus *daily* callers can hang up after 2 rings and save toll charges if no new message has been recorded. If the Hotline does not answer your call, then there is currently no Hotline message.
