Free Enterprise Versus FASCISM

9/2/99—#1b

CAPITALISM, AS IN "FREE ENTERPRISE" —TRYING AGAIN!

Interruptions come and go, but we are getting prepared to stop the incredible nonsense and continue moving on with HOW to build a "better way". I don't have any attachment to the word "Capitalism" for it, like "Love", is so misused and abused as to no longer have much of a positive perception or definition. We can, however, still speak of "Free Enterprise", and have some small measure of recognition of what the term and practice might actually mean.

We were previously offering information as presented by the speaker/lecturer on the topic, Ayn Rand, and here we shall continue and note the interruptions. We would now be on the second writing, so to simply call it Part 2 is sufficient.

We had been speaking last about "Government by Consensus", and now we will take up a loosely

described "Mixed Economy". Everyone needs guidelines as to what to do with your freedom fish, once you land it.

Therefore: Part 2

[QUOTING, Ayn Rand on the subject of Free Enterprise, 1965:]

MIXED ECONOMY

A mixed economy is a mixture of freedom and controls—with no principles, rules or theories to define either. Since the introduction of controls necessitates and leads to further controls, it is an unstable, explosive mixture which, ultimately, has to repeal the controls or collapse into dictatorship. A mixed economy has no principles to define its policies, its goals, its laws—no principles to limit the power of its government. The *only* principle of a mixed economy—which, necessarily, has to remain unnamed and unacknowledged—is that no one's interests are safe, everyone's interests are on a public auction block, and anything goes for anyone who can get away with it. Such a system—or, more precisely,

anti-system—breaks up a country into an ever-growing number of enemy camps, into economic groups fighting one another for self-preservation in an indeterminate mixture of *defense* and *offense*, as the nature of such a jungle demands. While, *politically*, a mixed economy preserves the semblance of an organized society with a semblance of law and order, *economically* it is the equivalent of the chaos that had ruled China for centuries: a chaos of robber gangs looting—and draining—the productive elements of the country.

A mixed economy is rule by pressure groups. It is an amoral, institutionalized, civil war of special interests and lobbies, all fighting to seize a momentary control of the legislative machinery, to extort some special privilege at one another's expense by an act of government—i.e., by force. In the absence of individual rights, in the absence of any moral or legal principles, a mixed economy's only hope to preserve its precarious semblance of order, to restrain the savage, desperately rapacious groups it itself has created, and to prevent the legalized plunder from running over into plain, unlegalized looting of all by all—is *compromise*;

compromise on everything and in every realm—material, spiritual, intellectual—so that no group would step over the line by demanding too much and topple the whole rotted structure. If the game is to continue, nothing can be permitted to remain firm, solid, absolute, untouchable; everything (and everyone) has to be fluid, flexible, indeterminate, approximate. By what standard are anyone's actions to be guided? By the expediency of any immediate moment.

The only danger, to a mixed economy, is any not-to-be compromised value, virtue or idea. The only threat is any uncompromising person, group or movement. The only enemy is integrity. **[H: DOES ANY OF THIS HIT SOME NAILS ON THEIR HEADS?]** It is unnecessary to point out who will be the steady winners and who the constant losers in a game of that kind.

It is also clear what sort of unity (*of consensus*) that game requires: the unity of a tacit agreement that anything goes, anything is for sale (or for "negotiation"), and the rest is up to the free-for-all of pressuring, lobbying, manipulating, favor-swapping, public-relating, give-and-taking, double-crossing, begging, bribing, betraying—and chance, the blind chance of a war in which the prize is the privilege of using legal, armed force against legally disarmed victims.

Observe that this type of prize establishes one basic interest held in common by all the players: the desire to have a strong government—a government of unlimited power, strong enough to let the winners and would-be winners get away with whatever they're seeking; a government uncommitted to any policy, unrestrained by any ideology, a government that hoards an ever-growing power, power for power's sake—which means: for the sake and use of any "major" gang who might seize it momentarily to ram their particular piece of legislation down the country's throat. Observe, therefore, that the doctrine of "compromise" and "moderation" applies to everything except one issue: any suggestion to limit the power of the government.

Observe the torrents of vilification, abuse, and hysterical hatred unleashed by the "moderates" against any advocate of freedom, i.e., of capitalism. Observe that such designations as "extreme middle" or "militant middle" are being used by people seriously and self-righteously. Observe the inordinately vicious intensity of the smear-campaign against Senator Goldwater, which had the overtones of panic: the panic of the "moderates", the "vital-centrists", the "middle-of-the-roaders", in the face of the possibility that a real, pro-capitalism movement might put an end to their game. A movement, incidentally, which does not exist, as yet, since Senator Goldwater was not an advocate of Capitalism—and since his meaningless, unphilosophical, unintellectual campaign has contributed to the entrenchment of the consensus-advocates. But what is significant here is the nature of their panic: it gave us a glimpse of their vaunted "moderation", their "democratic" respect for the people's choices and their "tolerance" of disagreements or opposition.

In a letter to *The New York Times* (June 23, 1964), an assistant professor of political science, fearing Goldwater's nomination, wrote as follows:

"The real danger lies in the divisive campaign which his nomination would provoke...the result of a Goldwater candidacy would be a divided and embittered electorate...to be effective, American government

requires a high degree of consensus and bipartisanship on basic issues..."

When and by whom has Statism been accepted as the basic principle of America—and as a principle which should now be placed beyond debate or dissension, so that no basic issues are to be raised any longer? Isn't that the formula of a one-party government? The professor did not specify.

Another letter-writer in *The New York Times* (June 24, 1964), identified in print as a "Liberal Democrat", went a little farther:

"Let the American people choose in November. If they choose overwhelmingly for Lyndon Johnson and the Democrats, then once and for all the Federal Government can get on, with no excuses, with the job millions of Negroes, unemployed, aged, sick and otherwise handicapped persons expect it to do—to say nothing of our overseas commitments.

"If the people choose Goldwater, then it would seem the nation was hardly worth saving after all.

"Woodrow Wilson once said that there is such a thing as being too proud to fight; then he had to go to war. Once and for all let us have it out, while the battle yet can be fought with ballots instead of bullets."

Does this gentleman mean that if we don't vote his way, he will resort to bullets? Your guess is as good as mine.

The New York Times, which had been a conspicuous advocate of "Government by Consensus", said some curious things in its comment on President Johnson's victory. Its editorial of November 8, 1964, stated:

"No matter how massive the electoral victory—and it was massive—the Administration cannot merely ride the crest of the popular wave rolling along on a sea of platitudinous generalizations and euphoric promises...now that it has a broad popular mandate, it has the moral as well as the political obligation not to try to be all things to all men, but to settle down to a hard, concrete, purposeful course of action."

What kind of purposeful action? If the voters were offered nothing but "platitudinous generalizations and euphoric promises", how can their vote be taken as a "broad popular mandate"? A mandate for an *unnamed* purpose? A political blank check? And if Mr. Johnson did win a massive victory by trying "to be all things to all men", then which things is he now expected to be, which voters is he to disappoint or betray—and what becomes of the broad popular consensus?

Morally and philosophically, that editorial is highly dubious and contradictory. But it becomes clear and consistent in the context of a mixed economy's anti-ideology. The president of a mixed economy is not expected to have a specific program or policy. A *blank check on power* is all that he asks the voters to give him. Thereafter, it's up to the pressure-group game, which everybody is supposed to understand and endorse, but never mention. Which things he will be to which men depends on the chances of the game—and on the "major segments of the population". His job is only to hold the power—and to dispense the favors.

In the 1930s, the "liberals" had a program of broad social reforms and a crusading spirit; they advocated a planned society; they talked in terms of abstract principles; they propounded theories of a predominantly socialistic nature—and most of them were touchy about the accusation that they were enlarging the

government's power; most of them were assuring their opponents that government power was only a temporary means to an end—a "noble end", the liberation of the individual from his bondage to material needs.

Today, nobody talks of a planned society in the "liberal" camp; long-range programs, theories, principles, abstractions and "noble ends" are not fashionable any longer. Modern "liberals" deride any political concern with such large-scale matters as an entire society or an economy as a whole; they concern themselves with single, concrete-bound, range-of-the-moment projects and demands, without regard to cost, context, or consequences. "Pragmatic"—NOT "idealistic"—is their favorite adjective when they are called upon to justify their "stance", as they call it, not "stand". They are militantly opposed to political philosophy; they denounce political concepts as "tags", "labels", "myths", "illusions"—and resist any attempt to "label"—i.e., to *identify*—their own views. They are belligerently anti-theoretical and—with a faded mantle of intellectuality still clinging to their shoulders—they are anti-intellectual. The only remnant of their former "idealism" is a tired, cynical, ritualistic quoting of shopworn "humanitarian" slogans, when the occasion demands it.

Cynicism, uncertainty and fear are the insignia of the culture which they are still dominating by default. And the only thing that has not rusted in their ideological equipment, but has grown savagely brighter and clearer through the years, is their lust for power—for an autocratic, statist, totalitarian government power. It is not a crusading brightness, it is not the lust of a fanatic with a mission—it is more like the glassy-eyed brightness of a somnambulist, whose stuporous despair has long since swallowed the memory of his purpose, but who still clings to his mystic weapon in the stubborn belief that "there ought to be a law", that everything will be alright if only somebody will pass a law, that every problem can be solved by the magic power of brute force...

Such is the present intellectual state and ideological trend of our culture.

Now I shall ask you to consider the question I raised at the beginning of this discussion: Which of these two variants of statism are we moving toward: Socialism or Fascism?

[END OF QUOTING]

This is an excellent place to break this writing, so that we might refresh memories by review and then look at evidence.

E.J., I would suggest that we may well consider asking one of our people here in Manila to get some of this information, along with the heaps of GAIA input—to one or more of the major local journalists who write editorials.

When Rick and Charles were in Manila, Rick, on the basis of being a journalist, got a meeting with the publisher of the *STAR*, who was most irritated and irate that he had been somehow misled into a meeting. However, Mr. Soliven paid no heed nor further attended the matter. I suggest that this, too, be related to the next "contacts". Our program is now public information, and we wish to make no possible appearance of hiding anything or doing some compromise deals with the already-corrupt political regime. This is very important.

RESPONSIBILITY FOR SELF

As life SEEMS to be passing by, you will note that only things that happen can separate one moment from another. Therefore “time” and “space” actually have no meaning in REALITY “unless” something HAPPENS.

RESPONSIBILITY is response to that which happens. Individuals can respond in positive responsibility, or toss it aside, as most are wont to do. And sorry, chelas, the downward-spiraling beast with bad breath will chew and spit, insult and demean everyone who bears Light and Truth—as he claws to, at the least, destroy his enemy, which he has of himself structured and declared. Therefore, you can have all manners of responses, reactions and thus and so—but you can only measure or be measured by your **action** regarding the happening and the responsibilities taken in ANY circumstance. If you take no responsibility, even for self—have you actually perhaps committed a WORSE crime than to somehow err, even though it might have some sequential error in your actions? I can promise you, however, that IF your action is taken in WISE THOUGHT, THROUGH CONSIDERATION IN KNOWING—YOU WILL FIND YOU WILL CHOOSE THE RIGHTeous AND RIGHT ACTION. YOU are the only fragment on that other end of GOD (call it the silver cord if you will), as presented in the form of that wondrous LIFE SOURCE. You may get some of the SAME thought presentation—but the intent is as personal and unique as the individual YOU ARE. When you act against God, you have, in slang terms: tangled your cord into a series of knots.

KNOW that you must stand in responsibility in all things, and you must counter that which is WRONG and is THE LIE at every opportunity, as it comes into your attention. You will find now that you recognize your enemies—how they work in their secret holes, so that others are blamed for their misdeeds. No, it won’t work—but it was ever thus.

So, what is that TUNNEL everyone travels in, moving away from body and physical consciousness? You journey THROUGH that wondrous life source, with GOD CREATOR ON THE OTHER END. Simple in concept? Of course, TRUTH is always simple, for it is never hidden from MAN by GOD—only other “men”. When that cord is withdrawn as a working conduit—the body is pronounced “dead”, and begins to revert to the myriad elements which composed the wonderful phenomenon of the physical housing. Now, is this not the most wondrous “mystery” of all time? So, tend well that conduit, for between you and GOD flows all that is in your individual self. **THE THREAD OF “LIFE” IS THE THOUGHT OF GOD!**

Societies and governments have no “life”—they are simply a grouping of that which is INDIVIDUAL, one added to another. So ONE makes all the difference. For if one goodly man acts and others join him—your “society”, or whatever conglomerate you form, will be goodly. If the “one” is corrupted and all follow that “one”, the whole will present as corruption. So, reader: YOU get what you

produce, demand and express. Express corruption and you become corruption. You get the philosophies, attitudes and experience reflected from collective thought-forms. It CAN be no other way—you reproduce what you ARE and that which you REFLECT.

We MUST speak of the attitudes that move toward freedom, or we simply move into deeper confusion, chaos and enslavement. No, you cannot sit long in the middle of the way—you have to CHOOSE.

When we left the writing on the topic of Free Enterprise, Ayn Rand has just asked a question (which we will reprint for you). She asked: “Now I shall ask you to consider the question I raised at the beginning of this discussion: Which of these two variants of Statism are we moving toward: Socialism or Fascism?”

So we will begin this Part 3 with that question:
[QUOTING:]

WHICH?

Now I shall ask you to consider the question I raised at the beginning of this discussion: Which of these two variants of Statism are we moving toward: Socialism or Fascism?

Let me submit in evidence, as part of the answer, a quotation from an editorial that appeared in the *Washington Star* (October 1964). It is an eloquent mixture of truth and misinformation, and a typical example of the state of today’s political knowledge:

“Socialism is quite simply the state ownership of the means of production. This has never been proposed by a major party candidate for the Presidency and is not now proposed by Lyndon Johnson. [True]

“This is, however, a whole series of American legislative acts that increase either government regulation of private business, or government responsibility for individual welfare. [True] It is to such legislation that warning cries of “Socialism” refer.

“Besides the Constitutional provision for Federal regulation of interstate commerce, such “intrusion” of government into the market-place begins with the antitrust laws. [Very true] To them we owe the continued existence of competitive Capitalism and the non-arrival of cartel Capitalism. [UNTRUE] Inasmuch as Socialism is the product, one way or another, of cartel Capitalism [UNTRUE], it may reasonably be said that such government interference with business has in fact prevented Socialism. [WORSE THAN UNTRUE]

“As to welfare legislation, it is still light years away from the “cradle to grave” security sponsored by contemporary socialists. [Not quite true] It seems much more like ordinary human concern for human distress than like an ideological program of any kind.” [The last part of this sentence is true: It is not an ideological program. As to the first part, ordinary human concern for human distress does not manifest itself ordinarily in the form of a gun aimed at the wallets and earnings of one’s neighbors.]

This editorial did not mention, of course, that a system in which the government does not nationalize the means of production but assumes total control over the economy is

Fascism.

It is true that the welfare-statists are not socialists, that they never advocated or intended the socialization of private property, that they want to “preserve” private property—with government control of its use and disposal. But that is the fundamental characteristic of Fascism.

Here is another piece of evidence. This one is less crudely naive than the first and much more insidiously wrong. This is from a letter to *The New York Times* (November 1, 1964), written by an assistant professor of economics:

“Viewed by almost every yardstick, the United States today is more committed to private enterprise than probably any other industrial country and is not even remotely approaching a socialist system. As the term is understood by students of comparative economic systems and others who do not use it loosely, Socialism is identified with extensive nationalization, a dominant public sector, a strong cooperative movement, egalitarian income distribution, a total welfare state and central planning.

“In the United States, not only has there been no nationalization, but Government concerns have been turned over to private enterprise...

...“Income distribution in this country is one of the most unequal among the developed nations, and tax cuts and tax loopholes have blunted the moderate progressivity of our tax structure. Thirty years after the New Deal, the United States has a very limited welfare state, compared with the comprehensive social security and public housing schemes in many European countries.

“By no stretch of the imagination is the real issue in this campaign a choice between Capitalism and Socialism or between a free and a planned economy. The issue is about two differing concepts of the role of government within the framework of an essentially private-enterprise system.”

The role of government in a private-enterprise system is that of a policeman who protects man’s individual rights (including property rights) by protecting men from physical force; in a free economy, the government does not control, regulate, coerce, or interfere with men’s economic activities.

I do not know the political views of the writer of that letter; he may be a “liberal” or he may be an alleged defender of Capitalism. But if he is this last, then I must point out that such views as his—which are shared by many “conservatives”—are more damaging and derogatory to Capitalism than the ideas of its avowed enemies.

Such “conservatives” regard Capitalism as a system compatible with government controls, and thus help to spread the most dangerous misconceptions. While full, *laissez-faire* Capitalism has not yet existed anywhere, while some (unnecessary) government controls were allowed to dilute and undercut the original American system (more through error than through theoretical intention)—such controls were minor impediments; the mixed economies of the Nineteenth Century were predominantly free, and it is this unprecedented freedom that brought about mankind’s unprecedented progress. The principles, the theory, and the actual practice of Capitalism rest on a free, unregulated market, as the history of the last two centuries has amply demonstrated. No defender of Capitalism can permit himself to ignore the exact meaning of the term “*laissez-faire*”—and of the term “mixed economy”, which clearly indicates the two opposite elements involved in the mixture: the element of economic freedom, which is Capitalism, and the element of government controls, which is Statism.

An insistent campaign has been going on for years to make us accept the Marxist view that all governments are tools of economic-class interests, and that Capitalism is not

a free economy, but a system of government controls serving some privileged class. The purpose of that campaign is to distort economics, rewrite history, and obliterate the existence and the possibility of a free country and an uncontrolled economy. Since a system of nominal private property ruled by government controls is not Capitalism, but Fascism, the only choice this obliteration would leave us is the choice between Fascism and Socialism (or Communism)—which all the statists in the world, of all varieties, degrees, and denominations, are struggling frantically to make us believe. (The destruction of freedom is their common goal, after which they hope to fight one another for power.)

It is thus that the views of that professor and of many “conservatives” lend credence and support to the vicious leftist propaganda which equates Capitalism and Fascism.

But there is a bitter kind of justice in the logic of events. That propaganda is having an effect which may be advantageous to the communists, but which is the opposite of the effect intended by the “liberals”, the welfare-statists, the socialists, who share the guilt of spreading it: instead of smearing Capitalism, that propaganda has succeeded in whitewashing and disguising Fascism.

In this country, few people care to advocate, to defend, or even to understand Capitalism; yet fewer still wish to give up its advantages. So if they are told that Capitalism is compatible with controls, with the particular controls which further their particular interests—be it government handouts, or minimum wages, or price supports, or subsidies, or antitrust laws, or censorship of dirty movies—they will go along with such programs, in the comforting belief that the results will be nothing worse than a “modified” Capitalism. And thus a country which does abhor Fascism is moving by imperceptible degrees—through ignorance, confusion, evasion, moral cowardice, and intellectual default—not toward Socialism or any mawkish altruistic ideal, but toward a plain, brutal, predatory, power-grubbing, de facto Fascism.

No, we have not reached that stage. **[H: YOU HAVE REACHED IT NOW, IN 1999.]** But we are certainly not “an essential private-enterprise system” any longer. At present, we are a disintegrative, unsound, precariously-unstable mixed economy—a random, mongrel mixture of socialistic schemes, communist influences, fascist controls, and shrinking remnants of Capitalism still paying the cost of it all—the total of it rolling in the direction of a fascist state.

Consider our present Administration. I don’t think I’ll be accused of unfairness if I say that President Johnson is NOT a philosophical thinker. No, he is not a fascist, he is not a socialist, he is not a pro-capitalist. Ideologically, he is not anything in particular. Judging by his past record and by the consensus of his own supporters, the concept of an ideology is not applicable in his case. He is a politician—a very dangerous, yet very appropriate phenomenon in our present state. He is an almost fiction-like, archetypical embodiment of the perfect leader of a mixed economy: a man who enjoys power for power’s sake, who is expert at the game of manipulation of pressure groups, of playing them all against one another, who loves the process of dispensing smiles, frowns and favors, particularly sudden favors, and whose vision does not extend beyond the range of the next election.

Neither President Johnson nor any of today’s prominent groups would advocate the socialization of industry. Like his modern predecessors in office, Mr. Johnson knows that businessmen are the *milch*-cows of a mixed economy, and he does not want to destroy them; he wants them to prosper and to feed his welfare projects (which the next election

requires), while they, the businessmen, are eating out of his hand, as they seem to be anxiously eager to do. The business lobby is certain to get its fair share of influence and of recognition—just like the labor lobby, or the farm lobby, or the lobby of any “major segment”—on his own terms. He will be particularly adept at the task of creating and encouraging the type of businessmen whom I call “the aristocracy of pull”. This is not a socialistic pattern; it is the typical pattern of Fascism.

The political, intellectual, and moral meaning of Mr. Johnson’s policy toward businessmen was summed up eloquently in an article in *The New York Times* of January 4, 1965:

“Mr. Johnson is an out-and-out Keynesian in his assiduous wooing of the business community. Unlike President Roosevelt, who delighted in attacking businessmen until World War II forced him into a reluctant truce, and President Kennedy, who also incurred business hostility, President Johnson has worked long and hard to get businessmen to join ranks in a national consensus of his programs.

“This campaign may perturb many Keynesians, but it is pure Keynes. Indeed, Lord Keynes, who once was regarded as a dangerous and Machiavellian figure by American businessmen, made specific suggestions for improving relations between the President and the business community.

“He set down his views in 1938 in a letter to President Roosevelt, who was running into renewed criticism from businessmen following the recession that took place the previous year. Lord Keynes, who always sought to transform Capitalism in order to save it, recognized the importance of business confidence and tried to convince Mr. Roosevelt to repair the damage that had been done.

“He advised the President that businessmen were not politicians and did not respond to the same treatment. They are, he wrote ‘much milder than politicians, at the same time allured and terrified by the glare of publicity, easily persuaded to be ‘patriots’, perplexed, bemused, indeed terrified, yet only too anxious to take a cheerful view, vain perhaps but very unsure of themselves, pathetically responsive to a kind word...’

“He was confident that Mr. Roosevelt could tame them and make them do his bidding, provided he followed some simple Keynesian rules.

“‘You could do anything you liked with them,’ the letter continued, ‘if you would treat them (even the big ones), not as wolves and tigers, but as domestic animals by nature, even though they have been badly brought up and not trained as you would wish.’

“President Roosevelt ignored his advice. So, apparently, did President Kennedy. But President Johnson seems to have got the message...By kind words and frequent pats on the head, he had had the business community eating out of his hand.

“Mr. Johnson appears to agree with Lord Keynes’ view that there is little to be gained by carrying on a feud with businessmen. As he put it, ‘If you work them into the surly, obstinate, terrified mood of which domestic animals, wrongly handled, are capable, the nation’s burden will not get carried to market; and in the end, public opinion will veer their way.’”

The view of businessmen as “domestic animals” who carry “the nation’s burden” and who must be “trained” by the President “to do his bidding” is certainly not a view compatible with Capitalism. It is not a view applicable to Socialism, since there are no businessmen in a socialist state. It is a view that expressed the economic essence of Fascism, of the relationship between business and

government in a fascist state.

[H: Ah, but there is something forgotten here: The Power Elite (those who proclaim themselves to be Jews) DO PROFESS THAT GOYIM (everyone who is NOT a Jew) are chattel, just as are CATTLE. Is this not a perfect picture painted here of how the Power Elite view all of you people who are not among their Elite circles? YOU ARE THE SLAVES, JUST AS ARE ALL THE DOMESTIC ANIMALS ENSLAVED TO MEN.]

No matter what the verbal camouflage, such is the actual meaning of any variant of “transformed” (or “modified”, or “modernized”, or “humanized”) Capitalism. In all such doctrines, the “humanization” consists of turning some members of society (the most productive ones) into beasts of burden.

The formula by which the sacrificial animals are to be fooled and tamed is being repeated today with growing insistence and frequency: businessmen, it is said, must regard the government, not as an enemy, but as a “partner”. The notion of a “partnership” between a private group and public officials, between business and government, between production and force, is a linguistic corruption (an “anti-concept”) typical of a fascist ideology—an ideology that regards force as the basic element and ultimate arbiter in all human relationships.

“‘Partnership’ is an indecent euphemism for ‘government control’. There can be no partnership between armed bureaucrats and defenseless private citizens who have no choice but to obey. What chance would you have against a ‘partner’ whose arbitrary word is law, who may give you a hearing (if your pressure group is big enough), but who will play favorites and bargain your interests away, who will always have the last word and the legal ‘right’ to enforce it on you at the point of a gun, holding your property, your work, your future, your life in his power? Is that the meaning of ‘partnership’?”—(*The Fascist New Frontier*, New York; Nathaniel Branden Institute, 1963)

But there are men who may find such a prospect attractive; they exist among businessmen as among every other group or profession: the men who dread the competition of a free market and would welcome an armed “partner” to extort special advantages over their abler competitors; men who seek to rise, not by merit but by pull, men who are willing and eager to live not by right, but by favor. Among businessmen, this type of mentality was responsible for the passage of the antitrust laws and is still supporting them today.

A substantial number of Republican businessmen switched to the side of Mr. Johnson in the last election. Here are some interesting observations on this subject, from a survey by *The New York Times* (Sept. 16, 1964).

“Interviews in five cities in the industrial Northeast and Midwest disclose striking differences in political outlook between officials of large corporations and men who operate smaller businesses...The business executives who expect to cast the first Democratic Presidential vote of their lives are nearly all affiliated with large companies...There is more support for President Johnson among business executives who are in their 40s and 50s than there is among either older or younger businessmen...Many businessmen in their 40s and 50s say they find relatively little shifting toward support of Mr. Johnson on the part of younger business executives. Interviews with those in their 30s confirm this...The younger executives themselves speak with pride of their generation as the one that interrupted and reversed the trend toward more liberalism in younger persons...It is on the issue of government deficits that the division of opinion between small and large businessmen emerges most dramatically. Officials of giant corporations have a far

greater tendency to accept the idea that budget deficits are sometimes necessary and even desirable. The typical small businessman, however, reserves a very special scorn for deficit spending..."

This gives us an indication of who are the vested interests in a mixed economy—and what such an economy does to the beginners or the young.

An essential aspect of the socialistically inclined mentality is the desire to obliterate the difference between the earned and the unearned, and, therefore, to permit no differentiation between such businessmen as Hank Rearden and Orren Boyle. To a concrete-bound, range-of-the-moment, primitive socialist mentality—a mentality that clamors for a “redistribution of wealth”, without any concern for the origin of wealth—the enemy is all those who are rich, regardless of the source of their riches. Such mentalities, those aging, graying “liberals”, who had been the “idealists” of the 30s, are clinging desperately to the illusion that we are moving toward some sort of socialist state inimical to the rich and beneficial to the poor—while frantically evading the spectacle of what kind of rich are being destroyed and what kind are flourishing under the system they, the “liberals”, have established. The grim joke is on them: their alleged “ideals” have paved the way, not toward Socialism, but toward Fascism. The collector of their efforts is not the helplessly, brainlessly virtuous “little man” of their flat-footed imagination and shopworn fiction, but the worst type of predatory rich, the rich-by-force, the rich-by-political-privilege, the type who has no chance under Capitalism, but who is always there to cash in on every collectivist “noble experiment”.

It is the creators of wealth, the Hank Reardens, who are destroyed under any form of Statism—socialist, communist, or fascist; it is the parasites, the Orren Boyles, who are the privileged “elite” and the profiteers of Statism, particularly of Fascism. (The special profiteers of Socialism are the James Taggarts; of Communism—the Floyd Ferrises.) The same is true of their psychological counterparts among the poor and among the men of all the economic levels in-between.

The particular form of economic organization, which is becoming more and more apparent in this country, as an outgrowth of the power of pressure groups, is one of the worst variants of Statism: Guild Socialism. Guild Socialism robs the talented young of their future—by freezing men into professional castes under rigid rules. It represents an open embodiment of the basic motive of most statists, though they usually prefer not to confess it: the entrenchment and protection of mediocrity from abler competitors, the shackling of the men of superior ability down to the mean average of their professions. That theory is not too popular among socialists (though it has its advocates)—but the most famous instance of its large-scale practice was Fascist Italy.

In the 1930s, a few perceptive men said that Roosevelt’s New Deal was a form of Guild Socialism and that it was closer to Mussolini’s system than to any other. They were ignored. Today, the evidence is unmistakable.

It was also said that if Fascism ever came to the United States, it would come disguised as Socialism. In this connection, I recommend that you read and re-read Sinclair Lewis’ *It Can’t Happen Here*—with special reference to the character, style, and ideology of Berzelius Windrip, the fascist leader.

Now let me mention, and answer, some of the standard objections by which today’s “liberals” attempt to camouflage (to differentiate from Fascism) the nature of the system they are supporting.

“Fascism requires one-party rule.” What will the

notion of “Government by Consensus” amount to in practice?

“Fascism’s goal is the conquest of the world.” What is the goal of those global-minded, bipartisan champions of the United Nations? And, if they reach it, what positions do they expect to acquire in the power structure of “One World”?

“Fascism preaches racism.” Not necessarily. Hitler’s Germany did; Mussolini’s Italy did not.

“Fascism is opposed to the welfare state”. Check your premises in your history books. The father and originator of the welfare state, the man who put into practice the notion of buying the loyalty of some groups with money extorted from others, was Bismarck—the political ancestor of Hitler. Let me remind you that the full title of the Nazi party was: the National Socialist Workers Party of Germany.

Let me remind you also of some excerpts from the political program of that party, adopted in Munich, on February 24, 1920:

“We ask that the government undertake the obligation above all of providing citizens with adequate opportunity for employment and earning a living.

“The activities of the individual must not be allowed to clash with the interests of the community, but must take place within its confines and be for the good of all. Therefore, we demand:...an end to the power of the financial interests.

“We demand profit sharing in big business.

“We demand a broad extension of care for the aged.

“We demand...the greatest possible consideration of small business in the purchases of the national, state, and municipal governments.

“In order to make possible to every capable and industrious [citizen] the attainment of higher education and thus the achievement of a post of leadership, the government must provide an all-around enlargement of our entire system of public education...We demand the education at government expense of gifted children of poor parents...

...“The government must undertake the improvement of public health—by protecting mother and child, by prohibiting child labor...by the greatest possible support for all clubs concerned with the physical education of youth.

“[We] combat the...materialistic spirit within and without us, and are convinced that a permanent recovery of our people can only proceed from within on the foundation of The Common Good Before the Individual Good”.

There is, however, one difference between the type of Fascism toward which we are drifting, and the type that ravaged European countries: ours is not a militant kind of Fascism, not an organized movement of shrill demagogues, bloody thugs, hysterical third-rate intellectuals and juvenile delinquents—ours is a tired, worn, cynical Fascism, Fascism by default, not like a flaming disaster, but more like the quiet collapse of a lethargic body slowly eaten by internal corruption.

Did it have to happen? No. Can it still be averted? Yes.

If you doubt the power of philosophy to set the course and shape the destiny of human societies, observe that our mixed economy is the literal, faithfully carried-out product of Pragmatism—and the generation brought up under its influence. Pragmatism is the philosophy which holds that there is no objective reality or permanent truth, that there are no absolute principles, no valid abstractions, no firm concepts, that anything may be tried by rule-of-thumb, that objectivity consists of collective subjectivism, that whatever people wish to be true, is true, whatever people wish to exist, does exist—provided a consensus says so.

If you want to avert the final disaster, it is this type of thinking—every one of those propositions and all of them—that you must face, grasp, and reject. Then you will have learned that no society is better than its philosophical foundation. And then—to paraphrase John Galt—you will be ready, not to return to Capitalism, but to discover it.

[END OF QUOTING]

I am reminding you to get *Atlas Shrugged* if you want a full-blown picture of what is discussed here.

Unless you gain control of your governments and go back to Constitutional LAW, you haven’t a prayer of doing more than just turning MORE wealth over to the greedy bloodhounds.

We can offer you all the funds in the world and if you don’t attend them properly, so that they grow and build a foundation of FREEDOM, you are probably wasting your time.

I might add here for “posterity” and “historical” value: One of our “clients” just returned from Europe where he reports that all bonds, Treasuries and certificates are no longer honored—and trading programs are being shut down as quickly as is possible. This person is from Mindanao, but also states that our “product” is “probably” viable, but not for use in Europe under the ongoing types of trading programs.

The observation made by Pete C. is absolutely correct: G.A.I.A. is going to be about the only valid and REAL VALUE around. The power players are going to, of course, have to try and discourage use and will only ACCEPT USE as a sound, “GOLD-BACKED” issue. Now, readers, are we doing “OK” or what?

Never mind the scum-suckers, for you are of a much higher-intelligence than that which is centered in selfish greed. Everyone who is dancing around in legalese to protect themselves from indiscretions are now FOUND OUT, either which way they flop and flap. Perhaps we can hope to help our friend Ron for a few weeks, for we are now within reach of some of that Bridge financing and yes, it will be sufficient to meet our needs.

E.J., never mind the house. And, you can see that Brent Moorhead is saying he had “some time ago” turned over the books, taxes, everything to Gail. So, WHO is on first, WHAT must be on second, etc. NOW YOU BLAME REX WHO HAS HAD NOTHING TO DO WITH ANYTHING—AS TO NOT ATTENDING FILING, ETC. IT IS NOT ACCEPTABLE. WE ARE ALSO TOLD THAT THIS IS JUST THE WAY THE IRS WORKS—THAT SOMEHOW THEY ALWAYS SEND A FINAL BILL THE MINUTE YOU DON’T FILE YOUR FORMS OR SOMETHING. THE FACT THAT THIS MESS IS FROM 1997 DOESN’T SEEM TO MAKE A WHIT OF DIFFERENCE?? WE ARE BEING GIVEN THE SONG-AND-DANCE ROUTINE AND WILL HAVE TO ACCEPT IT EXACTLY AS PRESENTED—AND THEN TEND IT. NO, IT IS NOT ALRIGHT IN ANY WAY, SHAPE OR FORM.

Ekkers have tried to contact Millers, and we have sent all the same information all other people get, and still we are told by Cort that all we have to do is talk to them and offer them a solution. If we had a solution—we would have simply taken care of the problem! And furthermore: at anywhere from \$7.50 to \$13.00 A MINUTE, we simply cannot AFFORD such extravagance for selfish reasons. We will take one step at a time. The kiddies in the mudhole are NOT GOING TO PREVAIL. SO BE IT!

Please attend these lessons on running a society, for you as a global society are at the crossroads, where you can move into glorious growth, or simply go down from pure, selfish laziness.

PROPHECIES AND INSTRUCTIONS

I am apologizing for causing you of my team to have extra work, even in sorting topics and papers. I will attempt to keep interruptions to a minimum, but we also have to move along UNTIL we can afford help and the proper persons on board. We will interrupt ongoing topics as we have input we can share, and today we have some to share, so let us not concern about *Journals* and files, for all that can be sorted as necessary.

For our team and readers, we wish to bring current some ongoing activities and input that we believe can be extremely interesting, and offer a lot of confirmation for that which you have received from this source over the years.

The reason I am urging all of you to avail yourselves of *THE DIVINE PLAN, VOL. I* is because we are going to begin to fill in some seeming gaps in sequence, as YOU would individually recognize.

It is one thing to know there are “others” around who are on the team and working—but it is something else to find full confirmation that you can actually touch with your conscious recognition.

I won't give you current activities, for that causes lack of security and ability to function freely in ongoing interchange. I will also be vague as to dates, years, etc., so that you can recognize a sequence of events but won't give away anything in ongoing interchanges.

Also, please do not even ask me to give you identification for specific individuals, for that is not appropriate and certainly not wise.

I sent my own PERSONAL, PHYSICAL representative to the location of the Southeastern Asian “Islands” some years ago, as the “Plan” was being laid forth against this very time in involvement. This is so crucial to that which is ongoing at present as to be unwise to discuss it. However, I want it known that long before 1990 some very extensive and inclusive Plans were laid, agreements formulated and consummated.

In preparation for OUR participation, I long ago gave what my receiver (FJF) simply labeled as “Revelations”. And, as a bit of humor, that receiver IDENTIFIED on EVERY page presented.

As we set this information to disk for future reference, I will ask several things of you who are allowed to share in this information: DO NOT DEMAND ANYTHING, and recognize that any contacts with any individual human persons will be in a manner recognized and acceptable to the receiving parties. I.e., if I am going to discuss the best mode of “banking” for a free society, I am going to back it up with “Islamic” information because that type of banking is the BEST! If I were to be contacting (which is highly unlikely) the head of the Church (Catholic) in Manila, Cardinal Sin (no pun, that's his name), I would present through something he would recognize as some kind of reference to Catholic “belief” fundamentals. So, don't try to read anything INTO this offering, for it was for

a “specific” purpose which is NOT “your” need to know. AND, NO, DO NOT SEND ALL YOUR MESSAGES FOR MY REVIEW—TO GET CONFIRMATION THAT SOMEHOW GOD SPEAKS TO YOU. I AM PRINTING THIS FOR A VERY SPECIFIC REASON—AND IT IS NOT FOR THAT PURPOSE OF PULLING OUT EVERY WOULD-BE RECEIVER OF SOME REVELATION OR ANOTHER. I know MY RECEIVERS, so you don't need to send anything to anywhere.

With that said, we are going to type these things, Dharma, in order to get them to disc—as nearly as presented as possible, for some of it will be difficult to decipher as to reproduction of the original.

I will say that this was given prior to 1991, and more specifics will be offered later but not in this writing. This may be published but with a request that it be handled with great care and caution. It is for confirmation, realization and RECOGNITION. We formed (joined) a coalition which actually FORMS THE ALLIANCE WHICH IS INTERNATIONAL—GLOBAL. These are the things for which we work diligently to achieve, and our team needs backup that, indeed, **God is at work in the fields, right beside you.**

I need this set to paper, in print, so that I can fill in blanks and comment on the information later. So just copy it as it is and then we can refer more easily to contents. If you can't decipher any “words”, just pass on by, for I don't want the contents changed and do not jump to any conclusions—even as to “source”. Note that the “secretary” is not necessarily the “receiver”. By that I mean that, as with Doris, the receiver might well not be her, but she may simply be taking dictation from the receiver. I don't wish to confuse this further but as example: Doris/Dharma is NOT “the” receiver of this information, but might well put her initials to the page as having been the secretary putting it to print. I, for one, am weary of the “identification” game. NEITHER DO I WANT “INTERPRETATIONS”, FOR THAT IS NOT FOR “YOU” TO INTERPRET “FOR” ANYONE. IF A MESSAGE IS MEANT FOR “YOU”, WE WILL INFORM YOU. We present the information—the READER must do whatever he/she will do—WITH IT! So be it—*finis!* WE HAVE SPECIFIC PEOPLE WHO NEED THIS INFORMATION; IT IS NOT A PUZZLE FOR THE MASSES.

[QUOTING:]

REVELATIONS

- Oneness of God in Mary, through Mary and with Mary. A revelation of a journey towards the fulfillment of a mission!
- A truth yet to come but soon to be revealed! A mission that human mind cannot comprehend but only human heart could discern.
- For it is in his soul lies the truth of his nature. His nature of DIVINITY and not of HUMANITY.
- A great search will be made but only few will

discover the TRUTH! For only few believe in the Mystery of God's Divinity.

· Many will travel but few will reach the destination. For man is doomed to damnation unless he BELIEVES...

· I can see lonely travelers along the way. Lonely, for they are traveling having only themselves and nothing more. For there is nothing in their hands but empty hearts and meaningless souls.

· Besides loneliness there is darkness. For they bring no LIGHT. FOR THE LIGHT IS NOT WITH THEM!

· It is now time for him to discover the source of the LIGHT. The very source of his ultimate glory. He will never find it unless he believes that it exists outside of him and not in him or with him. Out in the dark still he cannot find Him unless he joins himself to Him and lives with Him.

· In God's time of REFLECTION—oneness will be achieved. In His ultimate glory everyone will belong to Him and no one will be spared of HIS GOODNESS and GLORY. But there is ONE who will squeal just like in the time of the Great War of the Angels. When the truth was revealed, not all believed. But just like the great battle—the victory has been won. The enemy has lost the battle. The truth has been set and no one can prevent the PLAN OF THE GREAT SALVATION.

· Never on Earth that we will find a truth more revealing than this that we share in the Divinity of God the Almighty. That we belong to the ONE. And in oneness there is LOVE and in LOVE there is Great Glory.

· I can see a vastness of our role. But in its vastness there is a direction to follow. A light to illumine the road. A source that will draw us back to where we all belong.

· We belong to the same body of TRUTH. But there are those here who do not believe in this. They see themselves as a separate individual. Having individual role and individual aspiration and destination. But soon enough he will know that he cannot exist alone, that someone has to fill in the gap. And the gap involves ONE TRUTH! A truth for the bridge to be completed.

· See God in His superiority. See the vastness of His glory and understand how immense His works can be and will be...

· Greatness is His NAME. For in His greatness there exists a mystery.

· A mystery that there is ONE who holds the key. The key towards the REFLECTION of an Immense Glory.

· Glory it can be—still the truth exists that someone will try in his great power to hinder the time of the revelation. But God would like man to know that the Battle has been won and no one can prevail over the power of the Almighty.

· A message of Love has been spread to all, but only a few hear the beauty and its wonder. A message of PEACE has been given but only a few accepted it. But even in few, still God will build the paradise he has promised.

· Even in few He will reveal the secret of His Divinity. Even in few He will shout the ultimate Plan of History.

· But beware of another change before we reach the time of the revelation. A deluge not similar to the

first. For here great souls will be lost. And a great number of people will suffer and die. Death in body and death in SPIRIT.

· But the spirit of those who believe will remain firm and will remain loving to the Father. Never will he be touched by dryness or by thirst. Never will he be forced to believe in the illusion of his own belief. But only in God he will trust for the Spirit lies deep within him.

· The deluge will be a battle. But a battle not of soldiers or of men but of Great spirits. Spirits where no one can discern who and where he belongs. But God will choose the ONE to whom He will enlist the liberty to discern the Spirit, that it is Just and the Spirit that is of God.

· In the battle many will be lost believing that he is the ONE Chosen by the Father. Many will falter, for to whom they will believe will soon be doomed to failure. Many will be lost, for many voices will shout out that they are the ONE. But only few will choose the right ONE for they have the LIGHT!

· Soon enough little of this will be known for the ONE lives with us and He is among us. But the first one who will believe is the first one who will triumph. In fact, he will be the last to understand.

· The first one who will discover will set a trap towards the ONE. For in that trap means many souls. Many souls that will be hoping for the revelation of the "Great Mystery".

· But whoever that may be it is still HIM who could discern that. Still he will be given the liberty to decide. To decide to take him away or leave him as that. But just like the fallen angels, a destiny has been planned. A place has been set. It will be given to him as his due.

· But a great promise will be given for those who will stay in the end of the battle, for those who will endure the pains of the great war, and for those who will remain ever faithful to the Mission. Heaven will be set before them. A throne will be set for them. And a great feast will be given in honor of them.

· The reward is great for the Mystery is part of the reward. The Mystery of God's Divinity will be revealed to those who will live until the end of the great war.

· This time no one has any other choice but to believe. No one has the right to question nor to argue with the truth for the truth has been set.

· Hoping to see a united and a peaceful community of God. A community where love abides and peace reigns in the hearts.

· But only the Divine Heart could feel the real truth of all this. Only the Divine Mind could understand the mystery in this soul. And only the Divine Soul has the power to go beyond this TRUTH!!!

· The Father would like to see all towards the journey. The journey towards the battle, but after the battle, VICTORY. And in VICTORY there would be peace and ultimate solemnity with the Almighty.

[END OF QUOTING]

I realize that all of the document is not represented here for I don't want more of it to be printed at this time. The communication was of a personal nature, with a most important INDIVIDUAL, and I do not wish to further utilize it. Isn't it interesting how I get "your" attention? The computer is fine; I simply did not wish you to go further. Thank you.

I do not want any of you somehow focusing on "a most important individual" and trying to outguess anyone or anything. I need some of this background to allow you to see that there are many who actually have great communications with me. I also don't need "brokers", or "editors" or someone ELSE interpreting what is taking place. You MUST stop attending the business or the responsibility of another. YOU must not control or foist your attitudes upon another, or circumstances. You are products of that which is your experience, harsh or easy. There must come balance out of the most UNBALANCED circumstances—in other words, YOU MUST MOVE BEYOND WHAT HAS MOLDED YOU TO BE AS YOU SEEM COMPELLED TO BE. AND YOU MUST LIKEWISE STOP ATTENDING THINGS WHICH HAPPEN AS IF THERE IS SOME IMMINENT DANGER IN MISPERCEPTIONS. YOU MAKE LIFE ALL BUT IMPOSSIBLE IN THE LIVING THEREOF. THIS IS TYPICAL OF EXCUSING SELVES FOR WHATEVER REASONS.

I share this so that all of you might realize that a lot of information and participation will be coming forth, and you must be discerning but OPEN for input.

Much is going to be coming forth from the hub called Southeast Asia, as a general locale. That need not be of particular focus for readers, other than to realize that we are into "changes" and God's Plan 2000 is underway, as well as the countering Plan 2000 of the adversary. And I remind you to not get pulled in either direction, to right or left, for ours must be an "alliance" with ALL, and we need not study or direct the contract agreements of those who do not impact our own.

Enjoy your journey; "SUFFERING" is not acceptable and you WILL BE "HAPPY" when you get on that wagon moving toward GOD—never mind the circumstance of your perception of "happy". Happy represents a lot of things and something different to every individual—but as you live among others—you will note they are not tuned in to that which is YOUR HAPPINESS—but singularly first, their own. When you demand of them that they give up their own direction or perception JUST TO PLEASE YOU IN YOURS, you err, for in that instance NOBODY is happy.

I also wish to comment pointedly about how you get to wherever you happen to be: You are a product of all that came before and, therefore, the older you are the more impact life has had on your own individual being. EXPERIENCE IS THAT WHICH MAKES YOU, "YOU".

I, therefore, ask each of you to stop and consider that which you experience and perceive. If you have discerned that another causes you pain or great impact in a negative manner (and yes, I mean YOU), then get some distance and some time between you. If a PLACE, especially a work place with its people and atmosphere—or even a town or a location—brings negative pressures; distance self for a long enough period of time to REALLY LOOK AT THE CIRCUMSTANCES and see IF you function elsewhere better than in your present situation. It is only wise action, for happiness is NOT "JUST" SERVICE TO AN IDEA OR EVEN AN IDEAL, FOR IF YOU CANNOT REACH THROUGH TO PURPOSE IN YOUR IDEAL IDEA—YOU ARE MISSING PURPOSE AND RELYING ON OTHERS TO PRODUCE THAT WHICH DOES NOT FIT YOUR NEED. You do not have to single-handedly do EVERYTHING—any of you. I also specifically made some suggestions to some individuals to hopefully begin to work through some health circumstances. You always choose your own direction, and so far have NOT DONE THE THING I SUGGESTED BUT DID, IN FACT, TURN THE EXPERIENCE INTO AN INTERLUDE OF PROCRASTINATION. I accepted some resignations—and so, relax, for we cannot attend things out of sequence; we simply have too much to do in our own backlog.

And, friends, no matter how well-meaning you might "intend", DO NOT involve ME, our team, our paper or our ANYTHING in any interchange politically or imagined. I do not like to be used as a lever and I will not find it in any way acceptable to bring into play politics, religion or

demands which are of questionable intent—no matter how badly you despise any one, thing, government, church, politician or next-door neighbor. If any of you bring anything that can be established as a threat, a leverage or a thrust against anyone, it is not of our doing and you will stand responsible. Furthermore, if you do this and do it under our name, while actually serving our adversary, even if it is assumed to be someone from the *Spectrum* group, then send the callers to visit with "them" or the party involved. WE HAVE NO GROUP, NO CHURCH, NO GATHERING, NO POLITICAL ASPIRATIONS—WE SIMPLY OFFER INFORMATION THAT IS OF INTEREST AND IF WE HAVE TO RUN A PUBLIC NOTICE TO THAT EFFECT, SO BE IT. Well-meaning "friends" are often very careless with others' interests. Irrational demands are considered threats and this ends people on the list of "Domestic Terrorists". Be sure you are not responsible for irresponsible actions. For example: Do not send anything controversial or questionable to Dr. Carlson, even if you find it interesting and so might he. We PROTECT our brethren by not doing anything to cause undue focus on them in unfavorable circumstances. So be it.

Now, what is the one most destructive element in the growth and mental health of individuals? Their experiences—and most especially, the values instilled through, for goodness' sakes, religions and religious practices, and demands handed down by caretakers. What is GOD? This is THE most central focus of everyone, from the die-hard scientist to the clergy. Everyone claims something or another about God, and the more "scientific" the approach, the more difficulty dealing with a REALITY of God.

What do we witness as we look, usually with total skepticism, at the phenomenon of belief in God—few are

impressed. You see dogmatism, and proceeding from dogmatism you move to wars, and inquisitions and persecutions. You see hypocrisy, people professing the brotherhood of man, killing their fellows in the name, yet, of faith, lining their pockets at the expense of others and practicing all manner of brutality. You see a bewildering multiplicity of rituals and images without consensus; this god is a woman with six arms and six legs; that one is a man who sits on a throne; this one is an elephant; that one is a bull; that one the essence of nothingness; pantheons, household gods, trinities, unities. You see ignorance, SUPERSTITION and rigidity. The track record for belief in God looks pretty poor. It is tempting to think that humanity might be far better off without a belief in God; that God is not only a dream in the sky by-and-by, but a poisoned dream at that. It would seem reasonable to conclude that God is an illusion in the minds of humans—a destructive illusion—and that belief in God is a common form of human psychopathology that might better "be healed".

If you continue your attachment to any of these things, you are going to be far more DISillusioned than you can imagine. You must find SPIRITUAL TRUTH IN REASON!

I find that the one most dreadful lie of all is that of someone else in human form being murdered, to keep you from having to face your own actions and responsibilities. We can move us through a world transition far more easily than getting you through your preconceived, misinformed delusions.

STOP making any OTHER your scapegoat or your responsible party for your behaviors, ideas or insights. We offer information and we do not do that to take your responsibility for self. You have as good an ear for receiving answers to your own inquiries as does any

receiver. I never object to visitation, but do not run my program, please. Neither can we attend personal interchanges, for we are not the sounding board—that is for you to take up with guides and teachers—of your own. GOD IS AVAILABLE TO EVERY "ONE". We must walk and run this road—we cannot DRAG anyone, nor shall we push while striking others to attend someone's personal focus. If anyone feels out of step—check self first.

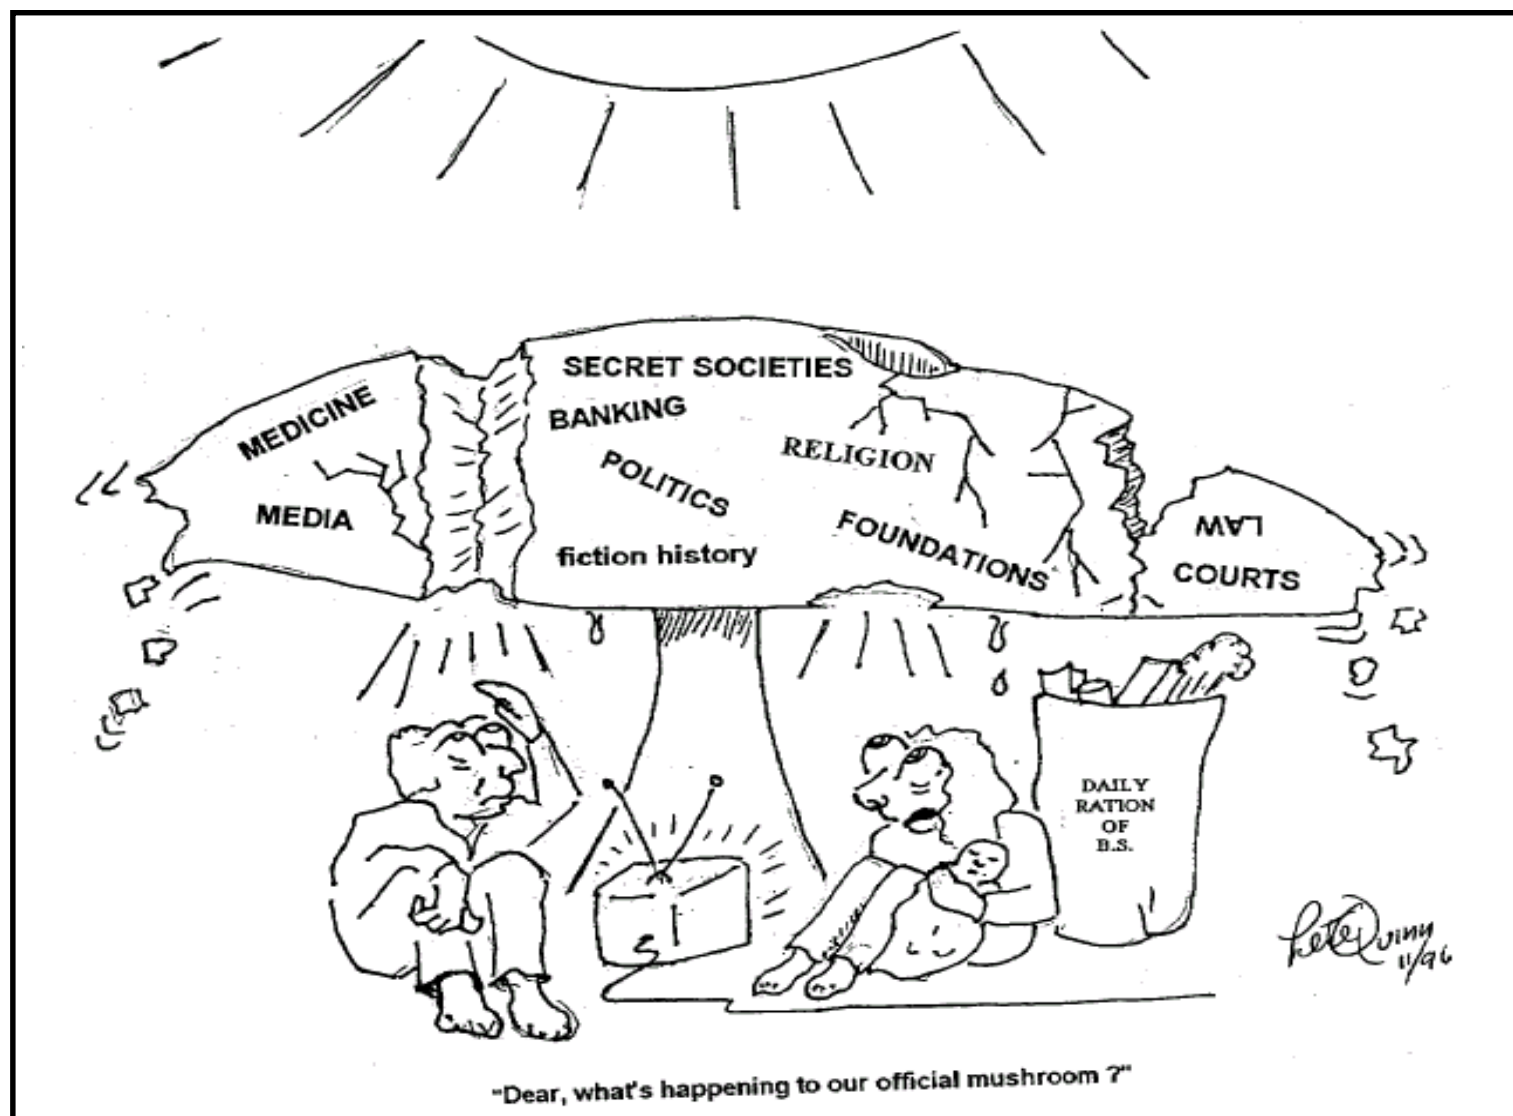

I want to talk about our new paper "masthead" as we move into this year of service. It is important but the writing is too lengthy. We are going to bring some beneficial changes to old systems and controls, which will also bring freedom. These are wondrous times to be experiencing as humans in change. Let us be worthy of our commission.

Salu

Thank you for staying with me, chelas. Walk in beauty and look around, lest you not stop to smell those orchids. And NO, we will not simply take up where we left off when we came here to this distant land. That part of the classroom experience is over and now we walk strong about our Father's business.

FED Gold “Study” DISINFORMATION

8/28/99—#1

BOGGING DOWN? TOO MANY ALTERNATIVES?

It is not that there is lack of something-or-other which is the first consternation of man—it actually boils down to LACK OF IDEAS, or there are so many ideas and possibilities as to leave an individual unable to arrive at a choice for the “best idea”. Moreover, the most interesting thing about “response” to a circumstance is that response gives a pause in which to think and reason. “Reaction” is the instant reverberation of instant “effect” to some “cause”.

Realize, please, that there is ALWAYS a reaction, for every “cause” has a rebounding “effect”. The point of any exercise in WISDOM is to get beyond the initial “reaction”, and then wisely weigh information, get more if you can and consider a “response”. If at first there is not enough information at hand, do something in response which is as neutral as is possible considering the situation presented. THEN GATHER FACTS prior, if possible, to making final conclusions about which actions are those which may well set a pattern of the direction a circumstance may take, i.e., a demand letter from the IRS demanding payment of some type, which is actually not owed in any sense of the word—because of NO INCOME.

Example: the *Spectrum* groupie, i.e., Ricky with Brent in charge, having stated that they would bring in the IRS—to hound people who have anything to do with corporations, CONTACT, people involved at NCH (nominee)—have done so! Now just how “Ekkers” can be charged the bill of over \$15,000 for a thing they did not run, had no access to bank accounts and have been robbed of, while away from the country of the U.S. for well over a year, is interesting in its presentation. If there was a profit in CONTACT and we were given the song and dance of poverty—is there not something wrong with the picture?? The full excuse for “taking the paper” was because there was no longer anything to support, with further financing, THE PAPER! How could there be tax due for something totally bankrupt and which always was? I would think that even the IRS would be sick of the image they receive when such as this happens. Oh well—!

This was perhaps a long way around the point of “lacking ideas” when you are in otherwise “lack”. However, the example of a challenge of the IRS nature in such presentations is about the best example around. Dr. Carlson can tell you just how interesting a crosswise conflict with the IRS can become. Believe me, if any of my people owed taxes of any kind they would have FIRST PAID THEM, then argued the issue. The hurt comes when you have attended things to the very best of your ability, only

to have the very people responsible for the shelter itself set up a secret informant circumstance to satisfy some self-assumed individual ego—to getcha. This is about the worst corporate inside betrayal I have witnessed, as to INTENTIONAL damage infliction.

You live in a world of false presentations, in order to get you to believe what is desirable for the Power Elite to have you believe. We can consider gold in these days of assault and battery on that commodity, and that coming intentionally to cover the dastardly acts of the heisters. Truth is almost always exactly the opposite of what is presented. And, yes, we’ll get to an example of that also, in a few minutes. There was a brilliant professor in Los Angeles, who actually is one of the more genius physics practitioners on the globe, and he coined a “theory”, an “axiom” if you will: The bureaucrats will always produce the opposite of what they pronounce as their intention. He called it The Law of the Bureaucracy. Therefore, in this time of confusion and chaos in currency, money, value—markets, watch WHO gives out information and what it actually means. Let us consider the Federal Reserve and its Board’s study on gold, recently presented.

The title of the “study” is benign, and perhaps we can offer observations which were forwarded to us very, very recently; coming, it appears, from the infamous “Internet”.

[QUOTING:]

A CRITIQUE OF THE FRB STUDY ON GOLD

To fully appreciate the occult meaning, and especially the real purpose of the Federal Reserve Board’s study on gold, we must put it into perspective and consider the identities of its authors. The seemingly innocuous title of the FRB’s study is, “A NOTE ON GOVERNMENT GOLD POLICIES”.

FRB AGENDA REGARDING GOLD

The FRB’s “agenda” regarding the “gold question” is quite clear. In little-noticed testimony before the House Banking Committee, Fed Chairman Greenspan spelled it out in no uncertain terms. Subject to questioning by the Committee about the possible and potential dangers of reckless use of derivatives in the oil market, Fed Chairman Greenspan tried to downplay the risk that “some derivative contracts might produce a squeeze on short sellers”.

He explained that there was no danger that the supply of oil to fulfill derivative contracts could be restricted. Then, he added the BLOCKBUSTER reference to gold:

“Nor can private counterparts restrict supplies of gold, another commodity whose derivatives are often

traded over-the-counter, where central banks stand ready to lease gold in increasing quantities should the price rise.”

Mr. Greenspan said, “CENTRAL BANKS”—bankS, like in the plural. Without one iota of doubt, he was referring to a collusion of Central Banks acting in concert with the specific objective of CONTROLLING THE PRICE OF GOLD, so it could not rise.

“...ready to lease gold in increasing quantities should the price rise.”

The meaning is UNMISTAKABLE. Subsequently, he said he “would control the gold market”, if he had to.

The above leaves no shadow of doubt in the minds of any reasonably objective observers. The Fed DOES NOT WANT THE PRICE OF GOLD TO RISE! Period! Furthermore, the Fed will exercise whatever it takes to CONTROL THE PRICE OF GOLD.

It is within this context and framework the FRB study on gold was made.

AUTHOR IDENTITIES OF THE FRB STUDY ON GOLD

Firstly, the study was made under the auspices of the FRB. Henderson was assisted by Stephen Salant of the University of Michigan—who, of course, was paid for his services by the FRB.

Whereas the study’s title page provides the following “DISCLAIMER”, one indeed must be totally naive to believe the “researchers” would be allowed to publish a study which is in conflict with the well-established FRB’s agenda regarding gold. Nonetheless, here is the disclaimer:

“The study represents the views of the authors and should not be interpreted as reflecting those of the Board of Governors of the Federal Reserve System or other members of its staff.” [H: Go back and re-read that, and I “dare” anyone to get anything out of it. Will the REAL Mr. Greenspan stand up, please!]

YOU be the judge!

CRITIQUE OF THE FRB “STUDY” ON GOLD

The extent of the criticism of this research paper is encyclopedic in volume. However, this writer will only touch upon the more blatant and flagrant exaggerations, omissions and generally misleading commentary.

Per the study: “Government gold policies are under active discussion. Recently there have been significant sales of gold by Belgium and the Netherlands, proposed future sales by Switzerland and rumors of additional sales. This note is an analysis of several government gold policies, including the immediate sale of government gold stocks.”

The above is a gross exaggeration. For the 23-year period from 1974 to 1996 there were only three countries which sold a notable amount of gold per FRB’s “standards”. Let’s take a careful look at this.

During two decades plus three years, the selling countries divested themselves of a “grand total” of a mere 55-million ounces (Canada 11.5, Belgium 20.6 and the Netherlands 22.5 million). We need to put

this into proper perspective by comparing 55-million ounces sold in a 23-year period with the average, daily, gold-trading volume in recent years at the London Bullion Marketing Association (LBMA). During 1997 and 1998, the LBMA traded on average 30- to 40-million ounces DAILY! As is painfully obvious to even a grade-school student, it would have taken only 2-3 DAYS to absorb all the gold sold by Canada, Belgium and the Netherlands. However, they spread the sales out over a 23-year period.

[H: ALL of the numbers are so skewed as to be so totally and outrageously false that it is difficult to even have an opinion about this matter. THERE ARE NO ACCURATE NUMBERS REGARDING ANYTHING IN THE PRESENTATION AND THE AUTHOR HAD MISinformation on all the data. He certainly did the best he could—but false data in—false data out. The entire presentation, study and all, is nothing but fabrications.]

The study's reference to the sales is ludicrous. On the other hand, the study's omission of a very significant ramification regarding the gold sales destroys all semblance of the research group's credibility. The researchers "conveniently" failed to mention that the currencies of these three nations were mercilessly devalued in subsequent years, as a direct result of selling off their gold reserves. **[H: READ IT AGAIN!]**

Per the study, "Cumulated net sales from 1974 to 1996 have been 72-million ounces." **[H: NOT ONLY IS THIS INCORRECT, IT "COULD" NOT PHYSICALLY BE CORRECT!]**

Big Deal! There are two bones to pick here. Firstly, nowhere in the entire "study" (and I use the word loosely) does it mention WHO BOUGHT THE GOLD. Needless to say someone did! And methinks most probably the buyers were a few financial institutions beefing up their gold reserves. Secondly, 72-million ounces spread over a 23-year period is minuscule in comparison to the average daily volume of the LBMA daily gold trading. Literally, ALL the 72-million ounces could have been absorbed in ONE WEEK OF TRADING without any significant ripple in gold's price.

Per the study: "In Chart 1, the left-hand pie chart shows that governments own about one-fifth of the estimated total world gold stock of about 5,900 metric tons (189.7 million troy ounces), which is the sum of government stocks, AND ESTIMATES OF PRIVATE, ABOVE-GROUND STOCKS AND GOLD YET TO BE MINED." "...and gold yet to be mined." Now what subterfuge are the researchers painting here? What possible AND LOGICAL significance can "GOLD YET TO BE MINED" have in relation to this so-called "study"?

Per the study: "However, the importance of gold as a possible future reserve asset, as part of a war-chest, and as a strategic material, has clearly diminished in recent years and will, in all likelihood, continue to diminish." **[H: ARE THEY ACTUALLY FOISTING THIS TRASH OFF ON YOU PEOPLE? DIMINISHING? THEY HAVE BROUGHT THE WORLD DOWN WITH THE SUBTERFUGE AND SHUFFLING OF GOLD IN EVERY WAY, INCLUDING UPSIDE DOWN! AND JUST HOW DO THEY GET AWAY WITH SHOVING THIS TRIPE DOWN YOUR GULLETS? EASY—JUST PRINT IT ASA**

BONAFIDE "STUDY" ATTACHED TO THE FEDERAL RESERVE—WHICH THE FRB WON'T EVEN CLAIM, AND YET IT IS PUBLISHED AND PUT ONTO THE PUBLIC AS GOSPEL TRUTH. CITIZENS—YOU ARE WATCHING A SHAM, A SCAM, AND A MASSIVE DEBACLE STRUGGLING TO STAY WITHIN SOME KIND OF LIMITS, UNTIL "THEY" CAN FIGURE OUT WHAT TO DO. DO YOU ACTUALLY STILL THINK THAT WE ARE GOING TO HAVE BIG TROUBLE WITH THAT GLOBAL RESERVE? IT IS THE ONLY THING LEFT TO SAVE THEIR ASSETS! AND THEY KNOW THAT WE KNOW WHERE THE ACTUAL "GOLD" IS IN KEEPING. ARE YOU-THE-PEOPLE EVER GOING TO GET ENOUGH OF THIS HOGSWILL FROM THESE HOGS?]

It is my considered opinion the above statement was the original premise and purpose of the "study". The researchers were engaged to attempt to try to prove this theoretical hypothesis. In their endeavor they conjured up 26 pages of rambling rhetoric, backed up by 33 pages of meaningless REFERENCES, incomprehensible FORMULAE and theoretical CHARTS—all with the goal of confusing and misleading the reader.

THE CURRENT REALITY OF GOLD

It is my considered opinion that two things are certain here:

** That the gold price is depressed as a direct result of "...central banks standing ready to lease gold in increasing quantities should the price rise".

** That worldwide market forces and/or securities law enforcement agencies will eventually and inevitably FORCE central banks to CEASE AND DESIST leasing gold.

THE UPSHOT OF CENTRAL BANKS CEASING TO LEASE GOLD WILL NECESSARILY BE AN EXPLOSIVE REVALUATION OF ITS MARKET VALUE. WERE I PRESSED TO ESTIMATE HOW HIGH THE MIDAS METAL MIGHT RISE, IT SEEMS LOGICAL IT MAY WELL REPEAT INITIALLY ITS METEORIC CLIMB OF THE 1970S—FROM \$35 TO \$850 PER OUNCE, OR ABOUT 20 TIMES TODAY'S VALUE. HOWEVER, THE INITIAL EMOTIONAL EXCESS OF THE MARKET WILL MOST PROBABLY BE CORRECTED BACK TO JUST 10 TIMES TODAY'S VALUE.

[H: Sorry, we don't have the "author" of this brilliant letter but it appears you can get the study at <http://www.federalreserve.gov/pubs/ifdp/1997/582/ifdp582.pdf>]

[END OF QUOTING]

And in the wisdom of Sir Cortright: "Their Plan cannot and won't work!"; meaning "our team can't get it together...". Perish the thought, Ricky. Even with the distractions and harassment—we ARE GETTING IT DONE! And with "friends" like him and others of his turncoat "takers", we rather enjoy him being declared (by himself) an enemy, for we know where to watch and how to expect the next stab in the back. Who is paying Rick and his team to do these nasties? Ed? I doubt it—they have never furnished anything before, so if they have it now, they surely got it through devious means—including team-conspiracy to present FRAUD,

so it would appear to we who know nothing about law and can only go by appearances.

I warn everyone this reaches: If you have supported these *Spectrum* players in any way at all, mainly financially, you will probably be approached by investigators and "cult" watchers. They are welcome to it.

We will struggle along as best we can, even though it is difficult on both sides of the ocean, in spite of their "taking", and figuratively raping, ravaging and pillaging. And once YOU support their *Spectrum* team, you are considered legally an accessory to the crime and co-conspirator and, at the least, an accomplice. Indeed, they are most welcome to the bed they have made for themselves. May they sleep well.

As we leave this writing, I would comment on the circumstance of Dr. Ron Carlson; also, I request that Melissa's letter be printed in the paper. [Ed: The essence of this letter was put forth in last week's issue of *CONTACT*, under a heading of "Send Your Letters On Behalf Of Ron Carlson!"]

Hold strong, friend, and gain all the positive aspects of your experience as is possible. You have, remaining, some devoted and caring support teams. We ARE going to get our job accomplished and the ONLY question is "when". We have to wait for the human working to run its drag-time. We may not be able to wave magic wands—but we will be able to cover the loss of dental practice and offer good support as needs arise. We hold Melissa in our arms as well as our hearts, for sometimes it is hardest on those left to face the world day-to-day. That is part of the infernal Plan of the adversary. We have somewhere around 650 agreements WORKING. And, all it takes is ONE—THE FIRST ONE! YOU ARE NOT ALONE, AND INDEED, GOD LOVES YOU, SON.

Can "we" make it in Manila? The question, of course, is "Can the Ekkers make it in Manila?" They HAVE TO, don't they? And, Melissa, we honor and respect YOU, child.

Love, Dad

Laziness Is NON-love; Evil Is ANTI-love

8/30/99—#1

WHEN GRACE HAS TOUCHED YOU

Friends, come share with us this day of beauty and KNOWING. As we move along in the center of the eye of the storm, there appears such calm (for there is calm) and the heart-and-soul wants to linger in this midpoint rest. Here is where you must replenish soul strength, meet responsibilities while looking directly into the eye of same, hold to hope in the optimism of KNOWING, and realize that those who passed your way, while living within the TOTAL LIE, were not your friends, EVER.

Difficult? Of course, God never promised no “hard way” from time to time—HE PROMISED THAT YOU COULD ACHIEVE, MOVE BEYOND AND COME INTO KNOWING. But what, in fact, makes THE WAY DIFFICULT? IS IT NOT THE THINGS OF PHYSICAL? IS IT NOT THE ACTUAL REALITY OF BEING A MANIFEST ENTITY?

Now for the hard one, the REALLY hard one: What do you do in responsible response when you KNOW something to be incredibly WRONG, which rests so heavily on the heart that breathing itself is difficult? It will NEVER be of “self” that this kind of pressure comes but, rather, the confrontation of KNOWING.

Something has come into the conscious KNOWING of Dharma and E.J. which responsibility demands: ATTEND PROPERLY. Also, much comes into the consciousness these days, as correspondences move back and forth and people “confide” facts unknown before—even if suspected in some instances. These things are regarding individuals, circumstances, the plan of attacking “us”, and having to face the ones who sit on fences and cannot seem to “see”—while squealing if our people so much as defend themselves and YOU who share.

As we move forward, yes indeed, dear hearts, it is that we will take care of our aboriginal brethren so that they will never again in our lifetime be unable to have equality, IF THEY BUT UTILIZE THE GIFTS OFFERED—THEY ARE BRIGHT AND THEY CAN LEARN! THE LEAST OF MINE, SAID CREATOR, SHALL BECOME THE GREATEST. KNOW IT.

Therefore, realize, even you who are into our work every day, every hour—that some of “these” types of foundations must be scattered about, so that no Power Elite can again put them down once they are established in God’s Plan. This is why, dear ones, it is so difficult to wait while the politicians dally around, people die and worlds are left in chaos. We must NOT allow the political corruption to break the back of freedom. It must await the unfolding in proper sequence.

There are some who sit in confusion and yes, it is OK that this is so. We cannot “unconfuse” anyone or anything. We can only offer truth and give example IN

ACTION, FOR EVEN FRIENDSHIP IS A LIE WITHOUT ACTIONS SUSTAINING A FRIENDSHIP. People simply do not know what is “friendship”, what IS Love, what is RESPONSIBILITY, and what is deliberate damage imposed in the name of TRUTH—WHEN TRUTH IS NOT EVEN KNOWN?

Do Ekkers, as example, have “friends”? Yes—but very few. Does GOD have friends? Yes, but even fewer! Are YOU a friend to either? NO one? ANY one? Really? Or do you swish in the wind?

Ekkers wouldn’t, yea COULDN’T, offer such as Grace, Mercy, absolution or so much as forgiveness, for most people understand “forgiveness” less than any of the other circumstances of being. THEY DO RECOGNIZE RESPONSIBILITY! AND FROM “RESPONSIBLE” THOUGHT AND ACTION COMES ALL THE REST.

Were these people always in perfection? No, and they are NOT now in PERFECTION. But they do make every positive effort to stand RESPONSIBLE. Therefore, as things pile up in moving into consciousness—responsibilities are painful at times and almost devastating at others.

I am going to speak of these things, for information has been brought into attention which cannot be ignored. But the individual soul cries out: Father, do not ask me to do this task, for it is too painful; I was too blind to see, too deaf to hear and somehow, “through me in doing my job so far”, some have come into such hurt, and now face all but ultimate pain in realization because they crossed our pathway.

We have to begin with that which is “self” responsibility. Dear ones, you cannot be responsible FOR ANOTHER—NO other. But, can you keep “secrets” when TRUTH confronts you—just to avoid responsible actions? Perhaps you lovely people didn’t realize that **when the SOUL IS NAKED BEFORE GOD—YOU ARE CLOSEST TO GOD?**

We deal with that wondrous hope of all: that there be true “friends” and that we will always walk in honor of those beings.

George Washington said it well: “Actions, not words, are the true characteristic mark of the attachment of friends.” And Christ said: “You are my friends if you do what I command.” “CHRIST” is the oneness within GOD, and each religion, race, creed and color of human consciousness may well have a “different” term to express that “being” and, people, a “human label” does not a “CHRIST” make. And believe me, to simply believe on someone who calls himself “Sananda” is not the way to go. “Sananda”, in ancient Egyptian terms, is a root word or term for Satan as recognized today. Would a Christ present with such a name? Of course, for it also means “tester”, “sorter”, “redeemer through consciousness”—and I think you get the drift. HE also represents the very top of perfection as a “teacher”, a warning

messenger at the brink of Massive Change, a Guide of perfection, the bearer of a “New Name” for recognition at the time of the White Horseman’s arrival.

Would YOU know this? Not likely but Nora had unearthed it in her research! So is THIS the name of Christ returning? Yes and no, it is one of the names, but it is not THE name.

Is the Picture WE OFFER OF SANANDA a lie? Is it representative of someone else? IT IS VERY REAL, AND ITS PURPOSE IS ABOUT THE MOST IMPORTANT ONE THING YOU HAVE BEEN PRESENTED FOR YOUR RECOGNITION OF THINGS PRESENTING. Do you feel betrayed? WHY? Do you not think GOD CREATOR is great enough to KNOW WHAT HE IS DOING? Ah, but “Rick said...”? Indeed, what exactly did Rick say and how DID THAT ENERGY PRESENT TO THE ANONYMOUS ONES? Ah so, it pays to WATCH WHAT IS SAID AS TO TRUTH OF PRESENTATION AND CONTENT—DOESN’T IT?

But how can THIS be? BECAUSE YOU DON’T SEEM TO EVER UNDERSTAND THE MOST IMPORTANT ONE THING OF ALL THINGS: EVERYTHING IS OF GOD, IS GOD, THE THOUGHT OF GOD, THE ENEMY OF GOD, THE MESSENGER OF GOD—I.E.: GOD! HOW BETTER TO FLUSH THE PARASITES OUT OF THE VERY FIBER OF GOD’S CREATION AND CREATIONS? “But isn’t that some kind of a lie in itself?” There can be NO LIE IN GOD. GOD “IS” TRUTH—ALWAYS AND FOREVER. AND THE MOST REMARKABLE REPRESENTATION OF THE TERM “SANANDA” IS “TRUTH”!

God will never interfere in a person’s journey, and will only intervene in change to disentangle players when there is overlapping onto ANOTHER INDIVIDUAL, WHEN THAT INJURED OR IMPACTED PARTY ASKS.

Indeed, this is about as STRONG a warning and message as I can bring to your attention. “Strong” is a good term often used by, say, Little Crow. “Strong” things are rather like “important” things—not necessarily what YOU would classify as “good”. And, always “truth” IS; it simply is different to each individual consciousness.

“Geeze, now how are we ever to KNOW?” YOU DO ALREADY KNOW—you simply do not REALIZE all things. THIS IS WHY YOU WERE GIVEN SOME GUIDELINES AGAINST WHICH TO MEASURE THAT WHICH YOU DO. YOU WILL “THINK” WHATEVER THE MIND WILL PRODUCE—ACTION IS THE GAME YOU PLAY WITH THAT WHICH THE MIND THINKS, AND YOU WILL HAVE TO ACKNOWLEDGE THAT YOUR LIMITATIONS DO NOT ALLOW YOU TO CONSCIOUSLY KNOW ALL IN HUMAN, “BRAIN” FORM. SO, IF YOU ARE TOO “LAZY” TO GET ON WITH “KNOWING” AND TAKING RESPONSIBILITY, YOU ARE TRAPPED IN THE LIMBO OF ERRORS AND PROBABLE SIN, AS DEFINED IN YOUR OWN TERMS. WE MEASURE EVIL BY THAT WHICH PULLS FROM THE PATH TO GOD, “SIN” IS SIMPLY AN “ERROR” (LARGE OR SMALL) ALONG THE WAY. Sin and evil both can be present but it is ONLY INTENTIONAL ACTION THAT CAN BE MEASURED LITERALLY.

“Sir, with all this now stuffed in the mind to the point of overwhelm, is it possible to move on, except in negative fright, even if FEAR is not present?” Yes, OPTIMISM IS THE FAITH THAT LEADS TO ACHIEVEMENT NO MATTER WHAT MIGHT BE THE CIRCUMSTANCES OR IMPACTS. NOTHING CAN BE DONE WITHOUT HOPE AND “HOPE” IS THAT “OPTIMISM” THAT PROMISES GROWTH AND FULFILLMENT.

For a few of you who “hurt” today: “In his great mercy he has given us new birth into a living hope.”—(Peter)

So, Dharma asks: “But can’t we just recognize Truth and let the lie die of its self?” Dear one, that is the only way the lie actually dies—OF ITSELF. But responsibility to OTHERS caught in the lie is that which is measured, as in “actions”, “responsibility to others as well as self”, hope and understanding. When you will do “what is right”, even when the results of that “right action” may be uncomfortable, you have grown beyond the lie. You leave Grace in the hands of GOD where it belongs.

PLAN OF THE RAIDERS

We need to turn to the things taking place as the *SPECTRUM* children of that rainbow begin to really damage themselves. The product of that intentional barrage of miscalculated outcome is going to be very hard, ultimately—on them—and their followers are going to have to face that they have been SUCKERED into the trap of their fabrications.

First, realize that when Rick Martin-Cortright wrote pointedly: “You know me BUT BY NO MEANS WELL...I think you are smart enough to not want me for an enemy...” and other things—that, in a court of law, reads like an extortion threat. We will leave that there but we have to take note of everything since—even to Rick Martin acting as LEGAL COUNSEL for the entire group—except Brent Moorhead, who is into even deeper legal yogurt than are the Rick Martins in the mess now come upon the scene.

Pull out the letter from Jason Brent to George Green (after both denied any contact—under oath). Jason Brent outlined EXACTLY what he would do to “get the Ekkers”, through hounding by the FBI, Treasury Dept (IRS), Mail—you name it he had it on his list—and for only something like 20% of a discussed \$2 million George had presented for consideration. RICK AND KIDS ARE GOING DOWN THAT LIST.

They put Cort in a box right off the top by threatening an INDICTMENT coming down and Cort—who was so busy as to not really KNOW much of anything about the game in point—didn’t know what hit him but REACTED in total opposition to that which he SHOULD have done. Ah, but the tangled webs got into worse knots and out of control. Brent Moorhead is Cort’s comptroller. But, Brent Moorhead ALSO kept the books and did the accounting, IRS tax responsibilities and generally knew EVERYTHING about many corporations—but just to name a couple or three: CONTACT, PHOENIX SOURCE, NEW GAIA, etc.—ah, indeed, THE ONES IN THE TRAP.

He only resigned abruptly at the time the “infamous lock-out” occurred. They then had to start in real diligence to do a number on us and our team to hide their indiscretions. It didn’t work and the hole is getting ever so

much deeper. Now IRS BILLS FOR PAYMENT are coming to these corporations AS FINAL BILLINGS. On the information sheets, there are “the many prior notices” mentioned. Prior notices? Nobody around these parts or Tehachapi ever HEARD of such a thing, much the less would have the ability to deal with anything of that sort—because Rick and Gail were the ONLY ones holding bank accounts, etc.—along with Brent. Brent would have been the one, with Rick, to structure the position of including GAIL IN THE BANKING CIRCLE—as she replaced Brent when he shifted to NCH. Ed Young was always angry that he was not a signer on those accounts, for he always considered himself 100% in control of CONTACT.

Ah, but what about a bill from the IRS, with a stated amount to be in arrears to the extent that there are also \$2,000 in penalties? There was a calculated AMOUNT of \$14-\$15,000. Ah, but there had been no PRIOR notices received, AND the corporations in point are SO IN DEBT AS TO MAKE THE U.S. GOVERNMENT LOOK AFFLUENT. There COULD be NO taxes owed under any circumstances without false claims, secret informers and purely unlawful “stuff” taking place. The time in point is given as a rather interesting period of time of “1997”. “1997”—WHAT? Oh, it is a valid document on Treasury (IRS) stationery from the Long Beach area but it just “looks” wrong, certified mail but not signed for by an individual—only a notation of “Contact”—at NCH! It was forwarded on over after a long delay of a couple of weeks—to Tehachapi, where it arrived Friday.

Now what happens? Well, Cort is in a worse position than anything yet that these “Rainbow” kids have pulled, because Cort also has a part of corporations which DEAL WITH IRS MATTERS—making it easy to get forms, turn in secret information in a sting or “getcha” plot—and it is now eating him alive. But this is not the worst of it, for there is more to come—BUT THIS IS THE BEST OF ALL WORLDS FOR THIS TEAM, BECAUSE THE RESPONSIBILITY IS GOING TO COME RIGHT BACK TO THE ONES WHO THOUGHT IT SO CUTE IN THE ONSET.

And yes, Rick had already given the plan—they did their deeds, said that there would be “an indictment” (against Ekkers) and problems with the IRS (which hit Cort worse than anyone, as well as some of his people), while one of his key people was actually disciplined for “possible” impropriety. Brent was instrumental in working out a way to let the thieves get what they wanted OUT OF THE WAREHOUSE, and then saw to it that CARLOS (the Warehouse person and supervisor) was dropped from his position with NCH. Brent told Carlos on a Friday, with a big grin, “You are fired as of today, don’t come back on Monday, you have no job.” Well, NCH only used a bit of Carlos’ time and carried insurance (health), etc. Carlos was out cold with a family, new baby and his throat cut. Diane had to work out something.

THESE ACTS ARE DELIBERATE, PEOPLE, THEY “COULD NOT” BE ACCIDENTAL, OR COINCIDENCES.

Is this what has Dharma upset? No—this is all quite funny in its presentation because somebody at NCH had BETTER SORT IT OUT, or the confrontation is going to go beyond games and into the CRIMINAL “conspiracy”, fraud, false testimony, giving false information and you can think of some more, I am sure.

Ah, but it is the MORAL impact which has undone

Dharma.

I have written on many hundreds of topics, one of which is viruses, from HIV, to cancer-causing, to herpes, to you name it.

Now PROOF of Tricky Ricky’s entertainment—USING HIS CONNECTION WITH HIGHER GOD-FORMS to cover his antics—has come to the top of the entropy pile in the worst way Dharma can face.

People came to visit because of our writings, and interchanges were brought forth through those visits and acquaintances. And it is not nice what now must be faced. Rick USED his position as this pious, sweet receiver of Esu, Sananda, Christ to strike up romances, one after another. It started immediately as anyone single would come to town—and finally, THEY DIDN’T EVEN HAVE TO BE SINGLE.

In each instance, as these ladies are coming forth, it seems he would always present them with “soul mate”, “twin flame”, spiritual merge and always, marriage—later, of course.

Several times I got involved and the ladies hated me for it, while Ricky loved it that I would say STOP—NO MORE, and he could just blame old Hatonn and dump responsibilities. These were BEAUTIFUL, TRUSTING AND WONDERFUL PEOPLE.

Well, naive Doris couldn’t even consider that Rick would actually preach and write for God, and practice any other type of life-style. She actually felt sorry for him being a young man with such a commitment as to seemingly have no companionship of close relationships. WRONG. A couple of the ladies told him where he could stuff or hang his “petard”, and some grudges are alive and well against one of them to this moment, in pure unadulterated hatred and “get even”.

Well, it had come to attention that a couple of the women had been badly “hurt” through the years but had no recourse and, wanting to stay attached to our little circle of friends, continued to participate or visit in spite of the embarrassment. But the night before last came the blow and the confrontation that Doris could no longer ignore.

One lovely woman who came all the way from Africa, the people here thought, was to visit “Hatonn/Dharma”, etc.—just to have a visit while expressing friendship, etc. The lady was married and having a rather bad time. She did no more than simply “meet” Doris and left some things, a book, etc., with Rick to deliver to Doris as a memento, from “abroad”, from friends.

Before leaving Africa, however, as the trip neared and the others would bring a card, a pin, a memento to her to bring and deliver, she let it be known that she WAS ONLY coming to the U.S. TO BE WITH RICK, HER SOUL MATE, AND THEY HAD WORKED IT OUT.

Well, while Rick was just being a “good host”, he took some days off and went to the coast, and “took the lady” along, because he was going and he thought it would be nice if he could show her some of the scenery and, after all, they would only miss one meeting (the excuse for her trip in the first place).

No one thought much about it, and certainly Dharma didn’t because it was such a “nice thing to do”. Ah, but that was NOT the end of it. That lady then arranged to try to immigrate and Zita, Rick’s mother, finally called “her husband”, asking him to require that she go home! But the rebuttal came: “But Rick is my soul mate and we will be together...marriage...”—the whole lot.

The lady finally went home to Africa and immediately went downhill physically. She came down with herpes, was diagnosed with cancer and continued some contact until today. When she heard of the “breakdown” of “CONTACT”, she made some calls on old friends, in an effort to “make them see” that FROM 1991 and her visit with Rick—she was told and knew that Hatonn was just a FALSE PROPHET, and Rick was right up there with God. However, she had to face the fact that their relationship had been somewhat outside the Regular God’s instructions. She related one LOVE SCENE after another with Ricky and couldn’t say a thing about anything else, because she hardly met anyone else other than Rick’s mother, Zita, who foolishly let her live a while with her.

The herpes virus mutated into what would resemble a cross between a spirochetal-type (shape/structure resembling a spirochete of syphilis fame) virus, which would be most identified with an HIV-TYPE of virus. I have to use the term “type of” because it is the only way to describe these varmints. It has been projected, and I agree, that HIV is a related type of tertiary syphilis, which could be treated quite easily with an AQUEOUS solution of I-V penicillin in massive dosages. However, once the body is resistant to the treatment, it is too late for the more simple treatment modalities. Nobody has wanted to admit that cancer is contagious, or that cold sores are serious as to ability to “shape shift”—as opposed to reptilian modulations of nonsense fame.

And yes, we did ship some solutions to see if there could be a more comfortable immune-system enhancement, etc., and the fact that the person is still a viable human being, after being totally considered terminal, is some reference to “something” helping. However, we have no intention of offering medicines or treating anyone, so don’t even “go there”. There were some problems with the shipment, because Rick had mislabeled the boxes, as to contents, and the boxes got bogged in customs for testing and approval. Even in Customs, can’t you see, honesty and openness is the only way to have a secure way of it.

As a matter of fact, our books, our products, and our paper have all been held and seized for one reason or another and then released—even the so-called “hate” material. It just isn’t there, chelas, and we don’t offer ANYTHING even remotely bordering on medicines, drugs or questionable anything.

You who would like to go back about, “Well, there was the plagiarized Russell material...!” NO, THERE WAS NO SUCH THING. There was never even a HEARING, and George Green was the named party—he just joined ranks with US&P so, by golly, he could try and make Ekkers go down, and he could KEEP THE GOLD HE STOLE FROM THE INSTITUTE. NICE WORLD? NOT VERY, CHELAS.

Rick, for goodness’ sakes, worked FOR AND WITH GEORGE GREEN—as his office manager. Ed Young came in, through and because of George Green, and some not-very-nice people have passed through—all with an underlying need to misrepresent, try to make a pot full of money or just deal ego-misery to everyone around.

So, what am I beating around the bush to say? BE CAREFUL, and you MUST be responsible to note some of this information where appropriate.

Which came first, the chicken or the egg? As in: who had what first and is now on second? It no longer

matters, for everyone who came in contact, intimately, is in danger—and should be checked and monitored.

Well, what if you were “close” as in “...kissing and stuff but no, you know, really serious—you know, like Clinton or whatever...”? Don’t lie to yourself! Herpes, HIV, the cancer-causing viruses—are all smaller than any prophylactic yet made. HIV virus is tiny enough to pass right through a rubber condom like a golf ball through a basketball hoop. Moreover, it will someday be admitted that passage can be through other orifices than the accepted modality. Even hands can pass the virus, as can a cough, or sharing the same cigarette or straw. Doesn’t it cross your minds to ask how it is that, since time began, there was always the herpes virus, and “fever blisters” and canker sores on the tongue from time to time—BUT HIV AIDS IS NEW?

The most “important” and damaging person of the century could be considered “Dr. Ruth”, who said that just everything you want to do—do it, and the more gross the better. This is a bitter, little, Khazarian female with intent to get rid of as many goyim as possible.

Ah, the next is “...but breast cancer in females?” Yes, and one of the most prevalent conduits of entry is through the mammary system, the nipple and milk-production system of the female. And man seems to think those natural containers were made for his entertainment. Even with fondling, if the hands have touched open lesions of any kind, those hands are main transport carriers. So, are all the “fun things” out? No, you do whatever you want to do, but I am no longer going to let my people take a drubbing because you make wrong choices. Dharma NOR Hatonn gave you anything other than BETTER ADVICE THAN THAT?

“Well, sure,” the kids might say, “but Doris and E.J. are married and they don’t have to give up anything fun or fulfilling.” NO? Let me tell you a little frightening tale of something very personal.

In 1984 Doris had serious surgery, which was botched by the surgeons, and within a couple of months was in such bad shape that the entire surgery had to be redone. There was little bleeding in either instance, but she went into shock and had to have a couple of transfusions. This should have been no big deal; however, in 1988 the hospital where the surgery had been performed sent notices stating that every blood recipient during a period of time of some three years, 1984 through 1987, was at risk for AIDS because of CONTAMINATED BLOOD. There had been several cases of AIDS and every blood recipient was at risk, because the blood came from a central blood bank and could not be traced per individual donor.

NO, there was no evidence or sign of any HIV anything and still there is nothing—but the responsible thing to do was to protect the partner. So, people, I don’t ask YOU to do anything that my own people are not willing to do. And they have not fallen over dead from blight, side-miseries or unmanaged psychoses for “not getting any” (the popular excuse for everything from headache to nasal drip). So, don’t give me the old “I can’t” or whatever—for goodness sakes, if something is apt to kill you—can’t you just say NO? Even if it is giving you cross words with each other—can’t you just say NO? **LOVE IS SAYING NO TO THAT WHICH DAMAGES LOVE AND RESPONSIBILITY.**

So, is this a difficult writing or not? Just about as painful as it gets, and a lot of self-blame of, “Why

didn’t I recognize what was taking place and stop it?” Because, dear ones, YOU COULDN’T HAVE! THIS IS THE PROCESS OF THE AGE: THE CONFUSION OF LIFE-STYLES, THE B.S. ABOUT TWIN FLAMES AND, WORSE, SOUL MATES. THIS IS REPRESENTATIVE OF TOTALLY IRRESPONSIBLE BEHAVIOR AND NOT GIVING A DAMN ABOUT OTHER THAN SELF, AND PHYSICAL DESIRE FOR WHATEVER IT IS SELF WANTS.

Now, however, come the prayers, tears and, “But how can I know who to warn, who to tell? Most that I would know or suspect, have gone far away...” But have they? Yes, some have and ONE is in serious trouble, other than this lady in point. But there is no contact with anyone remaining in your locale. Others can be warned, if anyone knows of possible relationships, and we have them in Colorado, Texas, Canada, Africa and hither and yon.

We KNOW of some porno-film sessions right in Tehachapi at Rick’s, with Canadian visitors. Check your possibilities. And NO, dear ones, this is not a blame session; this is serious time for ALL involved, for every contact is at risk, including the ones known. My suggestion is to be totally discreet and simply get a checkup from time-to-time.

I don’t care what you choose as your life-style, individual people; but you will not longer BLAME Dharma or ME for your foolish indiscretions. Soul mates, indeed: And how fast do you want that to be JUST a “soul experience”?

People, the most typical type of cancer in the female from this virus is “breast cancer”.

No, you do not HAVE to have a sexual relationship to acquire this type of herpes, because it can mutate from a cross between a herpes-zoster and a herpes-simplex (shingles; cold sores). These ALL have the capability of existing in the human cells indefinitely, forever—even in a dormant stage after DEATH OF THE BODY.

Foolishness? No, these are typical types of “modern” behavior, where sex is totally confused with good sense, sensing; nor is it based on any kind of morality or self-discipline. This comes out of the culture where the adversary KNOWS EXACTLY HOW TO TRAP YOU AND DO YOU IN. There is no need to rush to panic—just recognize possibilities and count your days or years to see if you are OK.

If you, however, had contact with anyone who might have been a partner, and yes, there are some—and now have other partners—don’t delay. You know if you have outbreaks or not, so simply and mentally check it out.

Yes, we would have had to confront this sooner or later but the information coming from abroad is so disturbing as to need attention. We have a very, very disturbed person in serious risk; in fact, quite terminally ill over on the Dark Continent. And what is the current attitude? I repeat: “I have known, since Rick told me in 1991, that we were soul mates and would always be together, no matter what would happen, and that Hatonn is a false prophet.”

I do not come as a prophet, chelas, and therein must be your FIRST realization. We have a job in preparation to be accomplished. I am not here for YOUR PERSONAL benefit or individual soul progression. We offer information, we have a job to do of mammoth size and we are getting it done—

responsibly, and giving whatever is required to accomplish it to glorious harvest.

The writing party sums up the letter: Is this a betrayal of “friends”? No, but to denounce our Father IS!

Precious children, it is not the BETRAYED at such high risk—IT IS THE BETRAYER—and note that daily we are betrayed for those things of physical demands and desires. No matter how you may wish it to be different, or somehow to go back and make things “not happen”, it cannot be. You can remember—YOU CANNOT GO BACK EXCEPT IN MIND—THE PAST AND ALL IN IT ARE BEYOND RECALL.

Every human is exactly THAT: HUMAN. Errors are made in past experiences, some of which establish the very foundation of that which must be, to build upon—as foundation—persons and circumstances that allow our moving forward THIS DAY and create that which presents more good for that to come.

The most painful part, of such as these confrontations, is that you are continually shocked at just how blind you have become, or how difficult it is to see what is taking place right before your eyes. This particular lady in point returned to Africa without having exchanged 10 words with Dharma, and yet Dharma gets the blame? So be it. The ADVERSARY really doesn't want us to WIN THIS BATTLE, SO LET US ATTEND WHAT COMES AND LET THAT WHICH IS NOT OURS—GO BY THE WAY.

We have done our responsible action and I would ask that you who have contact with some of these possibly involved parties, i.e., Wally L., for instance, please pass it on.

Thank you, and God blesses you who help attend your brother's pain. And I remind you who might just move into denial and shout, “This is not so!”: IT IS SO, AND THERE IS NO BLAME OFFERED HERE, EXCEPT FOR CARELESS BEHAVIOR, AND PERHAPS YOU ARE THE “VICTIM”—BUT TO BRING THIS IMMORAL BEHAVIOR FORTH IN THE NAME OF SERVING GOD IS NOT SO WISE.

I would suggest as a parting thought: YOU WHO HAVE WORKED SO DILIGENTLY TO PULL DOWN OUR WORK AND DESTROY MY SCRIBE AND MY TEAM—HAD BETTER GIVE CAREFUL ATTENTION TO THIS MATTER, FOR WE ARE GOING RIGHT THROUGH YOU, IF NECESSARY, FOR YOUR BONDAGE OF US IS NOT ACCEPTABLE AND WE WILL NO LONGER HOLD YOU FROM FOCUS. IF YOU DO THESE THINGS, YOU SHALL BE NAMED!

Blessings rest upon you who hold the Light and the Truth, and do not be careless in your actions for self-satisfaction at the cost of another—for the circle always comes around and back unto source. It is one of the undeniable LAWS OF THE UNIVERSE!

I know that a lot of you need input for healing of wounds, and ability to look at some things of which we speak, as to reminding you of same, i.e., Grace, Responsibility, and thus and so. However, remember that my people are human and are as limited as are you but without ability to dump their job to attend this more-interesting discussion.

I also want to state that this communication was Private and Confidential, which makes it even more difficult to maintain a RESPONSIBLE attitude. The Law and the Moral Ethics demand recognition of such a problem, but the intent must always be to protect the

participants in any exchange.

In pondering this dilemma of “responsible” action vs. just letting it go, I would remind you of something important: If you know something which you keep hidden, and the worst happens that could have been avoided—have you not now made yourself responsible for greater accountability and dishonor?

Let us discuss briefly the very idea of “RESPONSIBILITY”: YOU CANNOT SOLVE LIFE'S PROBLEMS AND ENCOUNTERS EXCEPT BY SOLVING THEM. This statement may seem totally silly and self-evident, yet it is seemingly beyond the comprehension of much of the human race. This is because we must accept responsibility for a problem (including myself) before it can be solved. I, too, have had to agonize over these latest antics and children's games, just as have you. And, I cannot take your burden, only my own, which is painful in every aspect of the confrontations.

You cannot solve a problem by saying, “It's not my problem.” We cannot solve a problem by hoping that someone else will solve it FOR US—it just won't happen. You can solve a problem only when you say: “This is MY problem and it's up to me to solve it.” But many, so many, seek to avoid the pain of their problems by saying to themselves, “This problem was caused 'me' by other people, or by social circumstance beyond my control, and therefore, it is up to the people or society to solve this problem for me. It is not really MY personal problem...”

The extent to which people will go to avoid assuming responsibility for personal problems, while always sad, most often in latter stages of disruption, is ludicrous. But that is LIFE and LIVING, chelas—WHAT IS, “IS”. Most often there is not any intent to hurt others—but in some of the games people play—THE INTENT IS EXACTLY THAT—TO DESTROY, JUST TO SATISFY AN EGO-POSITION WITH SELF. When this happens, the ego will pull as many along with it as will bite the lie and move. That, too, is simply the way it is and, therefore, in your own stance, you must assume responsibility, stand firm against the lie, confront the evil intent—and BE RESPONSIBLE TO THE UTMOST MEASURE OF YOUR OBLIGATION.

Will it ever be easier? Yes, for when you act in responsibility and accountability in TRUTH—every time there is a choice—you are not then torn between choices, for right will be right and wrong will show itself.

The confrontation of the above has cost two days and sleepless nights struggling with “responsibility”. I hope that no one feels injured, for there is and was no intent to injure, presented or suggested. It is simply, indeed, very sad. MAN must come to realize how much damage is inflicted when first he deceives, tampers and manipulates. And “he” is simply a generic term for “MAN”. The party involved here has no notion of other circumstances and I ask that this be considered. There is a second person involved here—VERY NEAR DEATH PASSAGE, AND WHO WAS ALSO INVOLVED.

This was simply the New-Age way of it and it is now coming back to collect the dividends of the insanity of the movement itself.

Now again: What is evil? It is simply the pulling of self or anyone else off the path toward God—deliberately and intentionally. But to do so within the

LIE is quite a burden to take onto self. People, chelas, ARE LAZY.

Evil people hate the Light because it reveals them to themselves. They hate goodness because it reveals their badness; they hate love because it reveals their laziness. You cannot be LAZY and really LOVE. The LAZY will destroy the Light, the goodness, the love, in order to avoid the pain of self-awareness. Love itself is the antithesis of laziness. And whether or not you notice: Laziness is always that of self-ego aggrandizement and fulfillment of selfishness.

Ordinary “laziness” is a passive failure to love. Some ordinarily lazy people may not or will not lift a single finger to extend themselves, unless they are compelled to do so. Their very being is a manifestation of non-love; still, they are not particularly “evil”, just evil in negative action—you simply allow their being to bring you within their trap. Truly evil people, on the other hand, actively rather than passively avoid extending themselves—or actually extend themselves to prove that they are your “enemy”. They will actually take any action required in their power to protect their own laziness, to preserve the integrity of their SICK SELF. Rather than nurturing others, they will actually destroy others in this cause. If necessary, they will even kill to escape the pain of their own spiritual growth. As the integrity of their SICK SELF is threatened by the spiritual good-health of those around them, they will seek, by all manner of means, to crush and demolish the spiritual good-health that may exist near them. I think here, there is a good realization that, in defining evil, there should also be a reference as to the exercise of political power—that is, the imposition of one's will upon others by overt or covert coercion—in order to avoid extending one's self for the purpose of nurturing spiritual growth. Ordinary laziness is non-love; evil is anti-love.

Now a sad observation: The conclusion must be considered that the existence of evil is inevitable, at least at this particular stage in human evolution. Given the force of entropy and the fact that humans possess free will, it is inevitable that laziness will be well contained in some and completely uncontained in others. As entropy, on the one hand, and the evolutionary flow of love, on the other, are opposing forces, it is only natural that these forces will be relatively in balance in most people, while a few at one extreme will manifest almost pure love, and a few at the other extreme pure entropy (hate), or evil. Since these are conflicting forces, it is also inevitable that those at the extremes will be locked in combat; it is as natural for evil to hate goodness as it is for goodness to abhor evil.

You will come to see, however, that evil serves as a beacon to warn others away from its own shoals. Because most have been graced by an almost instinctive sense of horror at the outrageousness of it, it is a signal to purify oneself. Remember something very IMPORTANT: For every soul it destroys—and there are many—it is instrumental in the salvation of others. Evil will consume itself, for without that from which it can parasitize, it cannot survive. Either the person will change from evil or will simply wither of one's own, pure laziness. The usual term: “OH WELL...”

I cherish you and would protect you any way that I can. The only way possible is to continue to show you the way and tell you the truth. I am your Cohan, not your slave-master!

God's Plan 2000 Shall Not Be Stopped

9/1/99—#1

BY THE GRACE OF GOD

When you open your mind and your heart in honest appeal to God for input—YOU GET IT! It is called Grace! Sometimes it is necessary to see through the troops of clowns and distracters but, as you move from “the tunnel” to the seeing of the overall reality, you find amazement in the difference in perception—regarding almost everything in your awareness. We are “getting there”, chelas.

Example: Dharma has continued to wonder why, for goodness' sakes, some one or some energy (whatever) would find need to drop everything in his/its life to come forth a zillion miles to “STOP Ekkers”. Oh, this was important enough to have people writing and sending copies of the supposed “article” in *SPECTRUM*. The assumption was, of course, that it had to do with the miserable, little nothing-worthy-of-real-consideration taking place in Tehachapi (or Rick's T(a)hachapi) or in the take-over coup-da-taunt! (Please don't correct my spelling here.) Then suddenly yesterday, the LIGHT came on and TRUTH blossomed. It has NOTHING to do with an Ed Youngster or Rick Tricky or *Spectrum* or *CONTACT*. It has to do, ta-da: WITH STOPPING THE REALIZATION OF THIS AMAZING MISSION OF BASIC WORLD CHANGE! Now we can get somewhere. We must have REALIZATION by our own team, before we can expect REALIZATION by those who have prayed for help for centuries—but patiently wait.

Then we have embarrassment? Of course, for the past few days have been such an awakening in so many realizations, and the conscious awareness shocks the heck out of the subconscious depths of MIND.

We do not pick on Rick, chelas. Stop this nonsense. One of the people who was very close to Rick at one time is DYING OF AIDS! And, no, I do not speak of the beautiful visitor from Africa. Although, to avoid some contamination from the HIV virus in the form of mutant Ebola, for instance, is probably impossible, as these mutations of viruses travel about in enhanced transfer comforts. Don't you see why it was so necessary for YOU TO BE BRAINWASHED INTO ROAMING ABOUT, DEMANDING SEX HERE, THERE AND EVERYWHERE? IT WAS TO PRESENT THE “DELUSION” THAT IT IS WONDROUS AND GIVING—FREE LOVE, FREE ECSTASY, FREE, FREE—ENSLAVEMENT TO A LIE WHICH, AFTER ALL, IS “NONE” OF THE THINGS IT IS TOUTED TO BE, BUT A FURTHER WAY TO DESTROY THE VERY ESSENCE OF MANKIND.

You, as a species, from Darkest Borneo to Tehachapi, USA, spend zillions of dollars you don't have, to pretty up, smell up, stop the smells, illusion the eyes, delude the ears, push the lies, sell the idea: OF SEX. I repeat: SEX IS NOT LOVE! SEXUAL EXPRESSION IS ONE OF THE GREATEST OF ALL LIES. IT MAY FEEL GOOD BUT IT IS—IN THESE DAYS OF CHAOS—QUITE DEADLY. BABIES ARE MURDERED AND MORALS ARE PUT INTO TOTAL CONFUSION—IN SEARCH OF WHAT? PERHAPS, AT TOPS, THREE MINUTES OF “WHAT”? GETTING OUT OF YOUR MIND? Can't you see how you

have been manipulated and puppetized? Responsibility in the most RESPONSIBLE OF ALL ACTIVITIES has been reduced to NO RESPONSIBILITY FOR ANYTHING OF VALUE.

Can't you people see that **many** were sent in to try and get my team on the CIA list, and to get insiders into the very inner core to gather information? For goodness' sakes, one precious lady came who was an ACTIVE participant with the ADL (Anti-Defamation-League of B'nai B'rith), was attached to the Mossad, and did not hide it. She came with Mike B. (Rose), who also claims himself to be a Special Forces member, and on, and on and on. Rick fell into lust and it went from there into a rather serious circumstance of moving-in, talking marriage, etc. It is not only easy to be “had”, children—it is all but impossible to NOT BE HAD. Why? Because when you have a MAJOR EGO, you can't imagine that these people there nagging at you are imperceptibly seducing you. Some of these people ARE PROGRAMMED AND DO WELL THEIR APPOINTED ASSIGNMENTS—SOMETIMES WITHOUT THEMSELVES KNOWING WHAT THEY ARE ABOUT. With beautiful women who “drift” through and, not even under pretense of swallowing your pious God-presentation, FALL IN LOVE, it is really “SUSPECT”. This is not to insult; it is to PAY ATTENTION. Rick simply was tested and flunked. Usually this is no big deal—but what we are doing now is central to God's Plan for reclamation of HIS property, so the dazzling self-focus is not acceptable in the inner-core of our job-at-hand. This is just an example of how easily people can be “used”, and how many come that are “sent” to corrupt, interfere, tear down, and generally toss Kali-Yuga bombs into the midst of a fragmented group. There might well be land mines in Cambodia—but you people never look for a single ONE in Tehachapi? (???) And if you got your toes blown off: BLAME EKKERS, HATONN, SOMEONE OTHER THAN SELF! AND WORSE, DRAG ALL THE REASONING AND HELPFUL PEOPLE WITH YOU, DOWN THAT ORACLE PRIMROSE PATHWAY.

THE POINT IS TO STOP OUR MISSION, NO MORE AND NO LESS—AND EKKERS WOULD HAVE HAD TO HAVE BEEN STOPPED AT “HOME”, OR FORGET THE OLD BARRICADES. THE BARRICADES ARE AS USELESS AS THE BERLIN WALL—NOW. IN FACT, THE VERY DISTRACTION OF THE EFFORTS THEMSELVES HAS FACILITATED THE VERY PERFECTION OF ABILITY TO CONCLUDE, SUCCESSFULLY, OUR WORKING PLAN. WE FINISHED OUR 700TH CONTRACT-AGREEMENT YESTERDAY, AUGUST 31, 1999.

ONE OF THE MAJOR PHILIPPINE BANKS has now jumped head-long into the confirmation of what we offer—and every last detail from Russell Hermann is proving to be TRUE. The people in charge have dug out 100 pages of the *Monroe Doctrine*, the Supreme Court decision stating that the document is valid, and are trying to see how best to move so that the entire system is not overwhelmed. Gold is available and ready for transfer, to back the VALUE involved, and it is “Oh God, oh God, what do we do now?” This little saying comes from a little joke about the 9-year-old boy who watched his elder brother take a girl behind the barn and it would seem they did something that was fun. So, one day he talked his little

girlfriend into going around behind the barn and NOTHING happened: So “Oh Dod, oh Dod, what I do now?”

I would certainly petition you to NOT QUIT NOW, FOLKS—the hogs are in the pen, the sheep in the meadow, the cows are in the barn—and the biggest onion growers in Southeast Asia just signed up for assistance LAST NIGHT!

And Stan, yes indeed, we will support your project presented. We don't need the details over in the Philippines until we get working funds in flow—so just move on with gaining what you need. Robert, the same with you. However, realize that it is far more easily accomplished from Canada—the U.S. has to be handled by outside funds flowing directly to projects, and the FED will make moving funds all but impossible, so everything will have to be done as “loans” and in lines-of-credit from a “Mother-bank”, elsewhere—UNTIL THE FED FIGURES A WAY. THERE ARE PLENTY OF FUNDS (48% OF THE WHOLE) JUST WAITING FOR THE U.S. CITIZENS TO TAKE THEIR ESTATE LEFT BY RUSSELL HERMANN, THANKS TO THE BUSH BRIGADE.

What of V.K. Durham, the “partner” of Herman? What about her? She can do whatever she CAN ACCOMPLISH. We have nothing of HERS in play or otherwise. Certainly we would never interfere with anything she can accomplish anywhere. If, indeed, she was married, as well, to Russell, proof should be easily established and it is a fact that I agreed to Russell that I would make every effort to assist her. We DID ASSIST HER until **she** severed all ties, agreements and relationships. She did us a great favor, however, by turning us in, over and over again, to the Treasury Department and Justice Department, as frauds. We proved to not be false! And, since the entire Fed system is counting on the value in that CONTRACT to bail them out when the stuff hits the fan, it is hard to deny FACTS.

We have no quarrel with the IMF, FED or Treasury Dept. in the U.S., or globally. We don't even WANT TO USE THEIR SYSTEM OF BANKING—so we have to establish a conduit using value—THEY CAN DO ANYTHING THE TRAFFIC WILL BEAR! We would even loan them funds—IF THEY BACK THE FUNDS WITH HARD-METAL GOLD SO THAT THERE IS A VALUE-BASE! They will have to get an awful lot of that “commodity” BACK FROM ISRAEL'S CONTROL, however. You see, America, EVERY COUNTRY IN THE WORLD COULD DEMAND, AND DID SO, GOLD IN EXCHANGE FOR ALL THOSE NICE NOTES. IN THE U.S.A., HOWEVER, THE AMERICANS WERE, BY LAW, DISALLOWED FROM CONVERTING THEIR “NOTES”, EVEN THE OLD TREASURY NOTES AND CERTIFICATES, IN EXCHANGE FOR GOLD. OH MY—I TOLD YOU THAT; WHY DIDN'T YOU REMEMBER? BILLIONS AND TRILLIONS WENT OUT OF THE COUNTRY—AND THE PRICE WENT TO \$800/OZ., JUST TO PAY OUT THOSE INCREDIBLE AMOUNTS, AND LITERALLY STRIPPED AND BANKRUPTED THE U.S.A.!

Can the U.S. DEMAND IT BACK? Yes, but can you make it stick? WHO HAS THE ENFORCERS? Chelas, once the horse is out of the barn, gets on the freeway and is run over by a couple of massive 18-wheelers, it is difficult to get very much value from the horse.

My next question to you of my local acquaintance: DO YOU ACTUALLY THINK THAT EKKERS ARE GOING TO DUMP THIS MISSION TO ARGUE OVER WHO SAID WHAT ABOUT WHOM, OR WHETHER OR NOT A DWELLING IS HANGING IN LIMBO ANOTHER FEW MONTHS? NO!!! For goodness' sakes, they have paid \$1,600 per month for years, out of their retirement income, just to make sure interest and anything owed was PAID. WHERE DID THOSE FUNDS GO? They paid the funds to others in charge of paying the bills—so, I repeat: WHO LOST THE FUNDS, TOOK THE FUNDS, MISDIRECTED THE FUNDS—

WHAT? “Nobody”, we are told, but records are secreted away with refusal for release—and what would YOU think? Ekkers are not there to attend such matters, and on and on it goes; while the house walks away? Well, at some point, “These boots may walk all over you”, as the song goes.

Why did Ekkers not attend these things themselves? Oh, about 24-hours-a-day limitation in time. And everyone OFFERED to take responsibility for EACH of these things, and it was NOT EKKERS’ BUSINESS TO ATTEND SUCH AS THE HOUSE—WHICH WAS SOLD, FOR GOODNESS’ SAKES, BY THE RTC, RIGHT OUT FROM UNDER THEM!

Ekkers, it was demanded by others, must hand off tasks and there was always someone to “help”. So, now, EVERY ONE OF THOSE RESPONSIBILITIES ACCEPTED are in criminal misuse, and that does not even direct attention to immoral seizure or mis/dis-information. I speak of outright THEFT.

For goodness’ sakes, people pled for help from a wondrously generous party last winter, to help through the time period where several were not getting paid and others not getting interest. The people asked to be kept private—which lasted with the receiving parties exactly 17 minutes. Then when the paperwork was to have been structured as a loan, or at the least an acknowledgement—IT WAS NEVER TENDED! Ekkers were in Manila! And who got paid? Oh, Gail, Rick, Ed and a couple of others—and the local interest-payments on outstanding loans were caught up—WE HOPED! Ah, but we find that the funds set aside for ongoing interest to the local necessary persons for living—were USED, for “pre-payments” of staff of CONTACT—AFTER THEY WERE TERMINATED.

No, I will not STOP speaking of these things, until it is cleared up and honorable resolution is brought forth. Ekkers went to Tehachapi with WESTINGHOUSE to put in a MAJOR WIND PARK FOR ELECTRICITY GENERATION—with Mitsubishi of Japan. Now, they are called “Quixotic” for “chasing windmills”. That Mitsubishi “Wind Farm” is one of the biggest in the world and because of MY work they ended up not participating. Doris was asked to write a little story for a motion picture, *Sipapu Odyssey*, and a couple of other *Journals*. From 1989 to today, ten years later—SHE HAS WRITTEN NEARLY 300 FULL JOURNALS. For years she was THE writer for the weekly paper—sometimes reaching nearly 100 pages [Ed.: 128 pages once]. AND, there are thousands of hours of taped meetings—on some thousands of tapes. So, did they have to be responsible for EVERYTHING in their spare time, along with everyONE who came through just WANTING TO HELP? The facts are that, no matter that we had no group—the attendees treated it like a typical rip-off communal center—set forth for their own greedy selves. The major “bitch” sessions were that there was never enough funding—so go get E.J. to solve the problem. When he did, he was hauled off to court for “misuse” of something-or-other, and little groupies of gossips would get together and try to prove they were not getting enough, and that “more” MUST SOMEHOW BE AVAILABLE while they were being left out. GOOD GRIEF, PEOPLE!

Now you want me to be KIND, and whatever else you want, to some who have created deviant life-styles for TV viewing, while blaming it on Ekkers, who supposedly have a “luxurious compound”, have some kind of an arsenal (all nicely laid forth in the full glory of some five “things” mostly belonging to Martin and ???) and a trashing only surpassed by the stupid statement by Bilger that he feared another Waco—WHEN HE WAS THE ONLY ONE AT OR NEAR THE FARM IN POINT! Just let it go away, you say? **NO!** When people are dying of AIDS and one of my “new” “enemies” is at risk himself, I will not “just let it go”!

The whole world blames GOD for your stupidity, blind allowances and deliberate actions. AND NO, IT IS NOT

“OK”!

You have a massive earthquake (two of them, 20 seconds apart) that is going to have killed the most people in one disaster, and you call it an “act of God”. NO, IT WAS NOT AN ACT OF GOD—IT WAS A TOTALLY DELIBERATE ACT OF MAN! How can you prove such a thing? LOOK! Then, use a bit of reason. Massive quakes, naturally caused, have many and sometimes LARGER after-shocks. And yes, there were in Turkey many little after-shocks, but the largest was only about a 5-pointer (yesterday), weeks after the initial BLASTS. The BLASTS were distinctly HEARD and reported.

The death toll is directly relevant to corruption in building unsafe buildings. The objective was getting rid of the largest refinery and source of fuel in Turkey. And you *oh* and *ah*, and think the Ekkers are somehow to blame for Rick’s maladjustment.

Ah, but you rationalize: “Ed couldn’t have known...”. No? WHY WOULDN’T HE HAVE KNOWN? HE WAS INSTRUMENTAL IN TAKING OVER THE WHOLE WORKS, MISINFORMATION OR NOT. These people were given EVERY OPPORTUNITY to “fix” that situation—and they have now buried even Cort’s Nevada Corporate Headquarters IN THE MUCK. They have talked the Millers into foreclosing on the house and giving no further help to solutions, while supporting “them” in their downright criminal activities, and you want me to “just let it go”? I will not let it go, and I wait for you people to stand up and put a STOP TO THIS OUTRAGE. You claim to want to bring better to a world? HOW? HOW DO YOU EXPECT TO DO IT WHEN YOU ALLOW ROT, CORRUPTION AND CRIMINAL ACTS IN YOUR OWN DOORYARD, ON YOUR OWN PROPERTY? AND NO, I WANT AN EXPLANATION OF THIS ATTITUDE AND ALLOWANCE. YOU ARE JUST LOVELY WHEN YOU MEET THESE CRIMINALS FACE-TO-FACE, AND YOU HELP THOSE WHO WANT TO ESCAPE TO DO SO WITHOUT CONFRONTATION—HOW CAN GOD DEPEND ON “YOU”? YOU PROMISE TO DO ANYTHING, SERVE HOWEVER, WALK WITH—AND BETRAY THE MINUTE “YOU” FIND DISPLEASURE. SO BE IT—FOR I FIND GREAT DISPLEASURE ABOUNDING AND “I CAN DO SOMETHING ABOUT IT”

I want that house and that farm INTO SECURITY. It goes beyond personal intrigue—those are the places that ensure YOUR SURVIVAL. We have less than a few meters to the conclusion of this mission, which is so big as to boggle any mind aboard Earth Shan. Unless YOU clean out the rats in the baseboards, you can have NOTHING of GOD’S GRACE AND ABUNDANCE. THIS IS A MATTER OF LOGICAL FACT. IF YOU CAN’T HANDLE THE LEAST OF THE TASKS, HOW CAN YOU BE TRUSTED OR DEPENDED UPON TO HANDLE GREATER?

And no, I do NOT offer pain or blame upon Millers. They have served, helped and totally supported for so long as to truly be bewildered. They are hounded with “advice”, when they simply wish to do what is “right” and responsible to their own ongoing life and business.

No, do not tell me that Ed Young, for instance, has NOT made an effort to get more help for himself and produce more misery upon the CONTACT crew and Ekkers—HE WAS SEEN OPENLY HAVING SOCIAL BIRTHDAY PARTIES WITH HIS VISITING MOTHER AND MILLERS! Millers are PRECIOUS and moved into Tehachapi to be near this “wondrous” bunch of hard-working people. They moved after Ekkers left for Asia, but Ekkers arranged for any help they would use through the helpers that remained (but who were made too upset to stay on in their jobs, fearing, for goodness’ sakes, problems with immigration, for some had papers in disorder). IS THIS RIGHTEOUS ACTION BY A SELF-PROCLAIMED GROUP RECEIVING FROM GOD(S) OF

LIGHT? This is a total and outright presentation of pure horror. People are “confused”? HOW, AFTER 10 YEARS OF EXPERIENCE, “COULD” YOU BE CONFUSED? THIS IS NOT CONFUSION—THIS IS “DELIBERATE” ATTEMPT TO DESTROY. WHO? “YOU”!

So, one of the “attacks” and projected “proofs” of our worldly and obscene ways: a focus on money, banking and human betterment. That is the message: DESTROY THE MESSENGERS AND THE PROGRAM, while we fill you with lies and deceit! No, you are not CONFUSED—you are doing exactly what you want to do in every way and it is written in the book of YOUR life. And yes, some people are having to make some HARD DECISIONS AND RUN SOME RISKS. When this is resolved within our own circles of business interchange, so that everything we do can move into security and privacy—WE CAN MOVE ON BEYOND THE “HOLDING PATTERN”, WHERE WE ARE ONLY REVVING OUR ENGINES AND TURBINES AND JUST BURNING MORE FUEL. YOU WILL NOT JEOPARDIZE “THE” ONE PROGRAM GOING FOR THIS WORLD, MY TEAM, AND THAT WHICH IS IN MY RESPONSIBILITY. WHEN YOU GET SUCH AS NCH AND OUR CORPORATIONS SHELTERED PROPERLY, THE ROT OUT, THE DECEIVERS AND CONSPIRATORS “OUT”, AND WE CAN DEPEND ON OUR PEOPLE—WE WILL BLOW THIS OPEN LIKE A VOLCANO OF ABUNDANCE. IS THIS NOT IN YOUR OWN BEST INTERESTS, TO GET IT CLEANED OUT? AND YES, NCH, THIS MOST CERTAINLY MEANS “YOU”! There is the “HUB” of our own corporate structures and we have been betrayed by **your** own comptroller, who knows everything he wants to know—AND TELLS IT TO BE USED AGAINST US, BUT WITH CONJURED LIES, AND MANIPULATED GAMES OF HATE AND REVENGE. Did he know? HE DOES NOW!

Therefore, when you think we are simply offering boring information on Capitalism, banking and other “unspiritual” references, THIS IS THE ONLY SALVATION TO YOUR SPIRITUAL ABILITY TO SURVIVE IN HUMAN FORM, CHELAS! YOU MUST CREATE A “BETTER WAY” OR YOU CANNOT PHYSICALLY MAKE IT, FOR YOU ARE ALREADY ENSLAVED AND TOTALLY MANIPULATED. BUT GOD IS LIKE EVERYONE ELSE: HE CAN LEAD YOU TO THE STILL WATERS AND OFFER YOU THE WATER OF LIFE—BUT HE CANNOT, NOR SHALL HE—CRAM IT DOWN YOUR THROATS. UNTIL YOU CAN LOOK BEYOND THE MOMENT OF SELF AND WORK TOGETHER—YOU WILL NOT MAKE IT, PRECIOUS ONES. YOU KNEW IT WOULD BE THIS WAY, AND YOU KNOW THAT THE REAPER IS AT THE DOOR, KNOCKING.

G.C.: Thank you for the information on New Mexico/ranch/etc. That is an alternative to losing everything stored at the farm, if it should come to having to make those decisions. We simply may finally wish to not do more in the area of Tehachapi with farming, and would need to move the seed grain, beans, etc. to where they can be USED. We can get a lot cleared and shipped to this location for research—but the pain over that farm is beyond reclaiming much JOY from its use.

At the present time, if there is a forced move from Ekkers’ house, the farm can house furniture and property, while still retaining the grain and stored supplies, along with the spelta milling, etc. So, it is mandatory to keep the lease up enough to use it, if necessary, in vacating the Adam Dr. property. I never promised that the Ekkers would not have to move temporarily—I promised that it would be “FINE”. What happens depends on what Millers do with those who are of the “off-with-their-heads” mentality, to relieve a bit of karmic debris and keep the

truth hidden. I remind you as to the ego-driven leadership: **THEY WILL COME TO BLOWS AGAINST THEMSELVES—IT IS ALREADY HAPPENING, AS TRUTH AND GAMES COME UP OUT OF THE ENTROPY PILE.**

I would also remind G.C. that certainly we will be able to support such a “ranch” on its own merits—without interplay. We don’t want any more “responsibility” while butting into anyone’s business affairs. We can discuss this later, and more competently, as we get our own affairs properly concluded.

Yes, indeed, G.C., the trading programs are in **SERIOUS** disruption, but don’t concern too much about it being our actions so that you are distracted: **THEY HAVE BURIED THEMSELVES, ALONG WITH MOST OF THE GLOBAL FINANCIAL COMMUNITY.** Some of those very players are already seeking assistance from our program to prevent total collapse. It is the gold leasing, short selling, no gold reserves, etc. coming to light, along with an inability to shore-up one another of the Khazarian-Elite Cartel’s banking businesses. But **THAT VERY PROBLEM** ensures our success. All our people simply must “hang on” and “hang in there”, until we work through the knots and tangles. And, when you people think **ONE** person cannot make a difference: **LOOK AGAIN!** We are getting a world turned around, on a solid foundation—with two old people, with every assault-method the kiddies of the little devils can conjure to bog them in hell-tar. **INDEED, IT ONLY TAKES ONE—FOR WHEN WE GET ONE, ALL THE REST WILL BECOME ONE WITH THE ONE—FOR REMEMBER: “THERE IS ONLY ‘ONE’”.**

Thank you for keeping up the news from your end—this possible backup “ranch” supply-port is incredibly good news to our team here. I repeat that it would not be a “sale” requirement—only a “place-to-put” option, to prevent loss of the products.

Yes, **SPELTA**, and especially the beans, would do extremely **WELL** in New Mexico—look around!

Keep on, please, with the “Peruvian” contacts, etc. We don’t have to have anything from there—but it is part of the whole play unfolding, and all input which allows a full picture to be seen is helpful. The certificate itself is of no “value”, for all things were changed into “contract” format and registered—but to know that the documents are real is a major source of help.

People will also soon realize that “trading programs” are impossible to utilize in any kind of return or balance. It just can’t work because there is **NO VALUE**, only empty manipulations of currency. It is in the middle of **COLLAPSE**. If we have an unlimited resource upon which to put hard metal, **AS ITS NAMED BASE AND VALUE COMMODITY**, why bother with the crooks? This is simple “logic”, even if you don’t consider morality at issue.

Now, if you believe this is not possible for success, then you simply do not yet believe in the creation capability or the **TOTALITY** of “possible” of **GOD CREATOR!** Consider this well: anything that can be conceived in conjunction with God Creator **IS POSSIBLE**. It is not only possible and probable: **IT IS ALREADY DONE!** And so, it does only take **ONE!** And, we have that **ONE!** Why not get off her back for a while? Quit killing, inch by inch, the Golden Goosies.

And, if you need eggs? Go talk to Rex and John L.—they have eggs; well, most of the time. And, if we have to denude the farm, maybe our pet chickens will also like New Mexico!

I offer love, which is **REAL** and substantial, and with **GOD** there are always positive solutions to every challenge.

GCH Responds To The “Watchers”

9/2/99—#1a

I would like a statement from Cort explaining why he believes Ekkers have a bunch of money. It is not enough to focus on a building with arrears in rent that was used by other people and actually never by Ekkers, except other than perhaps half of one “multipurpose room”, wherein even there the main areas are stuffed with stored papers, furniture, etc. As a matter of fact, Doris was never in the **CONTACT** offices more than half a dozen times in her whole experience and less in other areas. Is there not something **WRONG** with this picture?

Also, **ALL** of the Whitewashers—er a, Lightwatchers—material being sent around by Rick Cortright to all the e-mail list he has collected, should be sent to Brad.

We will privately tell Brad, when next he calls, about the e-mail directories and hacking/logging on, etc. They get all the mail; in fact, Rick and they were the “senders” and “forwarders”, so why all the sneaky-cheating? We would send them the communications and would have saved them the extra work and directory space for the Internet. If our material is so **BAD**, why do they go to such incredible lengths to intercept it? You would have to see those directories to see what hilarious lengths to which these people have gone to eavesdrop and intercept. Who in the world **CARES?** We publish everything; what’s the big deal? The people at the “e-mail” place really had a lot of fun once they got over the shock of the nonsense. I’m sure Bruce Tracy wouldn’t mind forwarding you guys a copy of the communications, since you, Rick, have been so very nice to him. Also, we wouldn’t want you to be out of the loop for the Mom-to-girls correspondence on breasts and PMS. Enemy? You are **YOUR OWN** worst enemy, Rick.

And no, I don’t care what the cute kids know, as to our ongoing work here regarding issued agreements, etc. We send back what we **WANT** to be known and for record-security. I also **WANT** them to know that no funds have transferred hands because there is nothing to hide, and nothing to gain in their ongoing badgering and harassment.

“Hushmail” in their little “watchers” game is a dead giveaway. Who ever in the world would be so silly? Well, “Lightwatchers”, the “hushmail” is dumb and dumber! And Rick’s **SIGNATURES** are all over it from start to finish. He may have corrected “Tahachapi” but he sure missed some other “signature words” in use and spelling. Perhaps darkest Stallion Springs is a good place to live—out there by good old Jason. Perhaps soulmates after all?

Note that Cort goes on to say, in that paragraph: “I’m also quite surprised by the individuals who have turned on the Ekkers and **HAVE GONE TO THESE AGENCIES.**” Now is that a dead giveaway or what? Check out Charles’ participation, as well as the use of such as Kathy and Karen in this game! “It is highly unlikely that the FBI would move without the Ekkers in the country. I still stand by my decision to go in the direction that I did.” **IS THIS SERIOUS OR WHAT? “WHO HAVE GONE TO THESE AGENCIES”?** There is your proof right there in one-half a sentence. And, one of “these agencies” has to be the IRS, with presentation of false data and information. **IS THAT**

NOT A CRIME, TO GIVE FALSE INFORMATION TO A FEDERAL AGENCY? CERTAINLY, CONTACT HAS NEVER MADE A DIME SINCE IT WENT INTO PRINT, AND JUST “WHO” WOULD HAVE REFERENCES AND BOOKS PROVING OTHERWISE? SINCE IT HAS BEEN A REAL “LOSER” SINCE CONCEPTION, WHO WOULD BE ABLE TO CONJURE EVEN FALSE DOCUMENTS? CERTAINLY IT HAS TO BE SOMEONE WHO WAS IN CONTROL OF THE BOOKS AT SOME LEVEL OF CREATION OF SAME.

And no, we can’t help Cort much, if Cort is not willing to help himself. He has rot in his house (business) and that simply is the way it is.

We may well have to, in behalf of the Institute, bring legal attention to the fact that Institute Funds paid for the NCH corporation and most certainly input a lot of funding into same, which has been wiped out by subsequent actions. If we are to be held responsible for all those indiscretions of people thus far, then let us make a legal effort to clean it up, if that is what they want.

As to Paul L. and payments: Fine with the \$10,000. We needed and need to know about how it was spent. But more important now is what happened to prior funds for those “interest” payments that weren’t made. It seems \$1,600 per month is needed to pay the interest. How, in fact, did it get to \$10,000 in arrears, to require such an outlay all at once, when it was paid-to-date when Ekkers left in August? Would not \$10,000 last over six months? We did not accuse Paul of taking the funds: **WE HAVE TRIED TO GET RECORDS TO FIND OUT WHAT HAPPENED, WENT WRONG, WENT RIGHT, OR WHATEVER HAPPENED.** And why would Paul require a “hold harmless agreement” prior to releasing any records?

Next, I want to remind you of something **VERY IMPORTANT**, team and crew. As we found so much foul acting from members of the Institute Board of Directors, we did not appoint more directors: **WE APPOINTED A BOARD OF ADVISORS.** And, furthermore: the **BOARD OF ADVISORS** meetings were held prior to meetings in **OPEN FORUM.** The records of said meetings **WILL BE ON TAPE.** In instances whereat Nora was too ill to attend a meeting, Valerie Tracy or Paul L. filled the position as interim “Secretary” and Board Member, of which Nora Boyles was **BOTH.** It was requested that the tapes be kept as permanent records (minutes) of the business meetings themselves.

Ekkers did **NOT** dash off hither or yon to run vacation tours of Third World countries. It was discussed **FULLY** in meetings, wherein it was decided to **DO THE GLOBAL PROJECT.** It was further made part of the records, as to the resource which would fund said travel.

Is not, however, a project that gives incredible **RETURNS ON ANY MONIES INVESTED, WORTHY OF BEING CALLED A “PROJECT” OF THE INSTITUTE?** The government is even allowed to invest Pension and Social Security funds into possible good investments promising a goodly return. Our project is based totally on **U.S. TREASURY DEBT—FEDERAL RESERVE GUARANTEED.** **IS THIS NOT SOMEHOW TO BE**

CONSIDERED A VALID PROJECT? IT SEEMED THAT EVERYONE AT THE MEETINGS WERE FULLY IN FAVOR OF MOVING AHEAD WITH ALL HASTE AND EFFORT. I would ask Ellen, Paul, the *CONTACT* team, to go through those tapes and find the "Advisor meetings". Now that Nora is deceased, we have no way to locate her records as Secretary. It is possible that since Karen was typing, for Nora, those meeting minutes from handwritten notes, that Karen may have records or at the least copies of that which she handled as Nora's secretary. The audiotapes can stand as a fully-qualified and legal reference, however, for they were publicly recorded with all present knowing of the recordings. It is time to put a stop to the ongoing bogus stories abounding. There have been no "secret dealings" and no "secret" bookkeeping. The agreement at onset with any lender was PRIVACY for the individuals. Regarding those records—of which it appears Rick Martin-Cortright has copies, has seen records, or knows about whatever he claims to know about—THERE IS UNETHICAL, AT LEAST, AND UNLAWFUL, SHAMEFUL DISCLOSURES OF INDIVIDUAL PRIVACY AS WELL. RICK MARTIN HAS NO INVESTMENT, LOAN, NOTHING—IN THE INSTITUTE. HE ONLY "RECEIVED FROM" THE PROCEEDS OF THE INSTITUTE—HE NEVER CONTRIBUTED ANYTHING; NOT ONE CENT. How he comes to have all the records is certainly SUSPECT.

Dr. Young did not ever, **through himself or a corporation**, invest in the Institute. He claimed, and it is probable, that what WAS loaned for "HIS PERSONAL USE" was placed there on loan from/through his mother, Martha, and would have HAD to show up as through a corporation. He refers to both "his" investment AND that of his mother. Identify, produce records and it will be noted that NOTHING IS ACTUALLY DUE-AND-OWING and "technically", as Rick notes, it is not only "close" but ABSOLUTE in a court of law. It is apparent, in "turning in the Ekkers for prosecution", that the FACTS ARE GOING TO BE FOUND TO TOTALLY INVOLVE THE KIDS OF THE RAINBOW! This does NOT look good and now Cort, in his innocence, has told exactly WHO contacted "THESE AGENCIES".

I would suggest that "Watcher" Rick said that people were concerned about the products and quality of same going out of Tehachapi—WELL, US TOO! THESE PEOPLE ARE OFFERING MIXTURES OF "STUFF" THAT ARE TOXIC AND DANGEROUS. THERE IS NOTHING GOING FROM NEW GAIA UNDER ANY OF "OUR" LABELS OTHER THAN SUPERB PRODUCT, UNADULTERATED, UNALTERED FROM APPROVED PRODUCT, UNCONTAMINATED AND, FOR GOODNESS' SAKES, DOESN'T ANYBODY REMEMBER THE BOARD OF HEALTH/FDA INSPECTORS AND INVESTIGATORS OF A YEAR OR SO AGO? DIANE CAN PERHAPS REFRESH YOUR MEMORIES—AS CAN MARGIE AND CERTAINLY YOUR OWN BUDDY, CHARLES. ARE YOU TOTALLY WITHOUT RECALL OR MEMORY, MR. MARTIN?

It is also said by these people that Ekkers are afraid to come home? Well, readers, wouldn't you think twice if your own partners in business on the SAME TRIP are trying to get the Feds to bring indictments and arrests against you to cover their (Martin's) own misdeeds? Martin messed in his own nest and now he wants to BLAME someone, ANYONE, else. It certainly needs consideration, doesn't it? And yes, Mr. Christie has stated this information prior to now, as an excuse for doing all sorts of "defensive" side-steps, firings of staff and securing the very one who was a conspirator behind the Martin plan in the first place. Tangled webs? I would guess so.

Ekkers happen to be sick of the expenses and time wasted in litigation. But soon it won't be such a black hole to contemplate, and it would seem that Brad will now have a pretty good picture of what has taken place, without just the whinings of a couple of old people dangling in Manila. Keep right on going, Rick, everything you do is helping us immeasurably. We are just some of the "watchers"—watching you. And, since you go to such great lengths to attend everyone's case INCORRECTLY, we assume you have far more to hide than anyone else around. Even your "watchers" won't identify, while you give yourself away at every sentence. We will note that perhaps *SPECTRUM* doesn't print this information but YOU PUT IT ON THE INTERNATIONAL INTERNET? It would, after all, seem that perhaps Dr. Young has some whit of wisdom left in such matters. These lies in a public paper are worthy of legal attention and thus is why you guys never IDENTIFY YOURSELVES—YOU SNEAKY LITTLE LIZARDS, AS NOTED BY ONE, DAVID ICKE, ABOUT POSSIBLE REPTILIANS CIRCULATING AROUND AND ABOUT—ANONYMOUSLY!

Cort is trying, in pretty intense desperation, to cover his rear from what has been bad business realization from this bunch of problem children, and it just doesn't "sell" to anyone truly and fiduciarily responsible for, of all things, CORPORATIONS. Just make sure Brad is kept abreast of all communications of this nature. No, we do not want to have Cort involved but, once again, we have fiduciary responsibilities, and when the IRS is dragged in with false information, it is not a good thing. We can't do anything about litigation; Cort filed a case, we didn't, and that requires an answer. We are sure, even now, that Cort never had even a vague idea what the kids were hatching, for Cort is not about to play such deadly games within his own Corporation. So, there remains PRIDE, Rick, about your antics—but humility is not the opposite of pride—SHAME IS. And somewhere, along about now, you should be feeling quite ashamed of how you have deliberately damaged others who trusted and believed you. Making silly "justifications" about criminal actions simply DOES NOT longer work.

We do, as a matter of fact, send our very best wishes and hopes that Cort can see more clearly what has happened, for he is most certainly not an enemy in any way, shape or form.

Because this will also be intercepted, I won't say where we are in our ongoing business and we can only ask that our team be patient. I want NO POSSIBILITY of such as Tricky even thinking about where he might thrust his petard next.

Thank you, E.J., for following up on the "New York" contact that Rick missed by tossing aside. It is important and it is connected to suspected resource.

Oh, and by the way Rick, Manny is BACK IN THIS PART OF THE WORLD AND IN CONTACT WITH US, EVEN TODAY. UH OH! He is back now with the bankers who, by the way, are having a "PROMOTION" PARTY TO WHICH HE IS BEING FLOWN-IN! You met the gentleman, Rick—who has been promoted to Chief Deputy Bank Governor. My goodness, doesn't time just fly when you are having all that fun?

He, Manny, did assure us that the plan, as was structured, blew totally out; but that the FED is basically working on our new proposals within the full recognition that all the OTHER old bonds will not be honored, but this one is, truly, DIFFERENT! We note, further, from Cort's letter to Ron, that he truly does recognize that it was "Manny" who was "the" one involved in going to NCH, and he was turned away with intentionally WRONG

information from Brent Moorhead. You know what, Rick, you talk about proof and how we never present any while you present nothing but—WHAT have you presented, pray tell? I quote something in Cort's letter that is far better than we could dredge up for consideration. Cort, in referencing the incident in his office: "...Nothing of a personal nature was ever brought up about the Ekkers to Manny...". We have to suppose that it is somehow "OK" to just lie and say NCH was not the registered agent? For goodness' sakes, Manny has a corporation of his own with NCH! Furthermore: Rick made the call with the structuring information—from Manila. Cort has been damaged and he still defends you of the false speakers, and we are confident that it is simply too hard to believe that anyone would do these things and, more especially, as friends—deliberately! But, my goodness, son, it happened before with even considered "better friends". Indeed, it hurts—yea, it breaks the heart into shreds, as we all seek understanding in such instances.

And by the way, to you all: Cort also refers to payments to people "on the payroll (mostly family)"—THERE IS NOT ONE FAMILY MEMBER ON ANY PAYROLL. Diane has a separate business, and a FORMER daughter-in-law worked for Diane, but we are not even in current knowledge if she is actually still there or not. IN THE FAMILY THERE ARE NO MEMBERS ON ANY PAYROLL, INCLUDING EKKERS.

Is there something magical about the rent on the area where *CONTACT* has been housed? Cort refers to Ekkers as having a lot of money—because somebody paid the rent? The space was described as "huge" and, correctly, the rent at \$6,000 (just about enough to knock the stuffing out of anyone's belly to fall responsible for same, monthly, after, especially, paying the hounds who destroyed the place and the business). What are the choices here? The ones who were supposed to pay it (the guys at *Contact*), DIDN'T. And was it not THE ISSUE in point of Ed Young, that he was finally expected to contribute something to those rent payments and some other expenses, that drove him to take over? Will someone give us an alternative about that business commitment for building space—until the place can be vacated of all the old *CONTACT* papers from Young's time, along with stored debris cleared out? Landowners want the place returned empty—remember? Or shall we let the landlord just pack up the mess and store it FOR US; and we let you, Rick, bail it out later and put it where we want it, in a more suitable location? Is that the best way to do business? Or, the least expensive in the long run? Decisions, decisions, decisions!

And always: Where there is a lease—it is expected to be HONORED—or else it is even MORE EXPENSIVE!

Ekkers are putting nothing into that building, and funds for that purpose were TAKEN UNLAWFULLY BY YOUNG, MARTIN and IRWIN; there was one check-writing spree that took the entire rent payment. The funds, of course, were, according to Rick: "Pre-payment" of staff (after "staff" was dismissed). So come on, Cort, and the rest of you "confused" parties, you have been sold a master-magician's bag of pig poop.

I suggest you tell Brad to go ahead and accept service of the suit against Ekkers by Cort when it surfaces again for, E.J., you will have no alternative about handling it someday.

Again, I want this left on this document, until it is made sure that it has been intercepted by the "Whitewashers". We do not HIDE and we DON'T RUN. So hang this wash right out on the line.

Rick is going to have some PO'd parties when they realize what has actually hit them. It isn't going to be Ekkers. Rick blew his own future, BIG TIME, and all the

lies and blood from backstabbing will not make it different, will it?

If somebody can't figure out what we write in *CONTACT*, then it probably isn't of interest to them anyway. We "communicate" with "our people" in that paper, and we do not compete or vie for anyone's subscribers or personnel. So, to compare *CONTACT* to *Spectrum's* wondrous crew and focus on the lack of truth is your problem, not ours, Rick.

Rick, you speak of "forgiveness" and doesn't anyone at *CONTACT* have any? Why would anyone even have to consider anything to forgive—if, indeed, there is only innocence abounding in your camp? We not only don't have to concern over "forgiveness" of you—we are in great appreciation that you are bringing all this garbage into the open so it can be decontaminated.

I would guess in the line of "forgivers" and "forgiveness" you might, Rick, find Cort right at the head of the list to ask for his. He will have been the one most damaged from your antics and those of your "Watchers Committee" of ONE. We don't think even Gail is one of those "Watchers"—just an onlooker who has also been a "bit" had. Also, you have sort of mixed up the children who don't speak to parents. Doris' do speak to her, but Gail refuses to even acknowledge her own, and after them rearing the child in discussion earlier, she refuses for there to be any INTERCHANGE AT ALL. This is not good.

People, the recipes for Gaiandriana, etc., given forth by Mr. Watcher-Martin are a dangerous "hoot". What B.S. Even Wendell Hoffman learned that if you put more than about 10 drops of Aloe Vera PER 5 GALLONS of dria-solution, you produce TOXIC GAS and rotten by-products that can stink to high heavens, where even the odor can make you sick. You cannot shake the stuff while maturing, and a "cloudy" mixture is a "sick" mixture. The products are totally and sparkingly transparent—and there is only color added to the AquaGaia to keep from accidentally mixing the solutions in the maturing process. That is no big deal, other than the drias absorb and collect the mitochondria-based cells, and render the AquaGaia useless. And that only happens in storage, for once in the body they do not merge. THERE IS NO COLOR ADDED TO GAIANDRIANA BECAUSE WE DEMAND NO ADULTERATION BY ANY POSSIBLE RED OR YELLOW DYE II in the product. The Gaiandriana, however, will sometimes have a bit of a golden hue, which is quite natural in its reproduction cycles. Blue-green has no such impurity and IDENTIFIES nicely the AquaGaia. If you are producing yellow or cloudy product, you are producing, at best, worthless solutions and, at worst, toxic product. Either would probably be safe, however, for only a few drops under the tongue a couple of times a day is sufficient. A tablespoon is good if illness strikes. However, without the "liquid crystals" added, you will not have good programming even for growing or programming DNA of Aloe Vera.

Now, as to the Watchers' recipe for the purpose of making sure the people in Ethiopia and Appalachia have a supply: Assuming they get your paper on the subject, I would suggest it highly UNLIKELY they have either Gaiandriana or AquaGaia setting around. You have suggested, Rick, that "Add about 1 cup (or more) of some Gaiandriana that you already have. This will serve as a 'starter' culture." Well, the facts are that we never start with less than a THIRD of the full measure, and that does, in fact, require at least a quart in your gallon jug and that is on the skinny side. I would like to know just how many people in Ethiopia or Appalachia get the wondrous papers, Hushmail, *CONTACT*, or *Spectrum*, and of those zero

subscribers, how many have these products just laying around their shacks—or lean-tos?

As to the cost: Remember, Rick—YOU WERE A MEMBER OF THE TEAM THAT SET THE PRICE OF THE PRODUCTS! The reason it was expensive was to not "unfairly" offer anything competitive with "Crystal Life" from Dr. Merkle, for when we began the product we FED CRYSTAL LIFE to the drias—you know, about 10 drops to 3-5 gallons of the starter solution. But Merkle's going, retail-selling rate was over \$100 per bottle. We finally were asked by Merkle about getting live drias, for he found he had to have them or his own product was not viable. Rick, it seems some of you other people—who obviously had more time than the rest of us—should have a better memory. It is not we that have the bad-memory spells.

As for the "Kool-Aid-like" drink served at gatherings, potlucks and meetings: can you possibly mean the Gaialyte? You do perhaps mean that tea-based drink that is an electrolyte with hibiscus hips? You know, that Kool-Aid-type punch that Jack T. made? I believe Jack deserves better from you and Gail. Surely, you didn't wish anyone to think of some link with Kool-Aid for some strange REASON? Is THIS what is WRONG with you, Rick—too much Kool-Aid? By the way, Rick calls it "Kool-Aid" so as not to confuse anyone. He also infers that somehow it might have caused many to get drowsy at meetings—no, I am so boring as to put everyone to sleep. And we wouldn't know whether or not *The Sedona Journal of Emergence* is a cult publication of some kind. What KIND of "spiritual messages" does it print? And what do the "famous words" of H. Ross Perot, "That dog won't hunt!", have to do with ANYTHING? We truly have never sent dogs out to hunt, not even you. And Doris Ekker graciously accepts your thanks and appreciation as offered, "for the opportunity in discernment she is providing for us all".

We also accept and are humbly grateful for all the Love, Compassion and the Light of Creator God—Aton! as you continually express for all to send unto us. And, indeed, WE do stand "In the Light of THE ONE LIGHT—ATON (GOD)!", as you suggested.

Desperate to keep "up with *Spectrum*"? Hummmn, it seems to me that for almost a decade *CONTACT* was fine as a paper. "*Spectrum*" (as personnel individuals or collective) thought it good enough to STEAL IT; to literally TAKE POSSESSION OF IT. We continue with *CONTACT* to communicate with our friends and crew and we don't care what you do with yours, whatever it is. You also flatter yourselves that somehow your material is thoroughly read by your declared "enemies". When you sent it to everyone on our own mailing list—it is just possible that some of those papers got around, isn't it? The facts are, however, that apparently Ekkers did NOT get on your mailing list, or you were too cheap to mail a copy overseas to the Philippines when YOU WERE HAVING TO PAY FOR IT, BUT COULD SEND SOME 15 COPIES TO 3-4 DIFFERENT PLACES OVER HERE IN THE PHILIPPINES WHEN YOU THOUGHT EKKERS WERE PAYING FOR IT, IN POSTAGE AND BLOOD.

And by the way, Rick Watcher, having your interview with David Icke on his web-site does not you a credit make. David has been interviewed AROUND THE GLOBE. We respect and revere David and he gave us permission, long ago, to use any of his work and honored us by his presence on several occasions. And, since we had been sent copies of another's interview with David, long before you entered yours, we are in a quandary about your timbre and attitude. Rick, you may well have to make a living the old-fashioned way like all the rest of us—go to work and earn it.

Is Rick a "one-man army"? No, Rick is but a hazard to himself and others and, by passing out his various

"sharings", he is a hazard to anyone who utilizes his "recipes" for either living or drias.

As to Doris' children? Whatever that may mean to Rick is interesting indeed. Doris has four children living and she talks to all of them. E.J. has four and he talks to all of them. Together there are some 11 grandchildren and they all talk to one another at every OPPORTUNITY. It is interesting to note that the children did, however, dislike spending much time at "Mom's" house, because she was always working, and Rick and Charles WERE ALWAYS THERE AND NO PRIVATE CONVERSATIONS COULD EVER BE HAD. **Paul committed suicide in 1985 BECAUSE OF THE WORLD AND PEOPLE IN IT—LIKE RICK MARTIN-CORTRIGHT!** It truly is quite difficult to talk much with him any more—so maybe the lack of "talking" Rick projects may well be meaning "Paul"? Every time Doris speaks with Paul and "tells", people like Rick pronounce her a "basket case"! Come on, Rickie, you can do better than that, surely.

Doris didn't suggest anything about Cortright's daughter. She is Gail's daughter, raised by her maternal grandparents. Doris doesn't even know the child's name well enough to spell it and does not know the child's surname at all. Surprisingly enough, GCH/DAD/Dharma are not the same entity, Rick. Or, do you now suggest that YOU ARE SANANDA? And, no, it is A FACT that the energies, by whatever name, at *SPECTRUM* are NOT the same as "WE"!

Rick is probably right about running things in the paper—just leave these on the e-mail but don't bother to print them in the paper if it takes too much space—it is the electronic mail response. And the next loud bellow you may well hear is that the Internet and e-mail-directory personnel are after Rick and buddies for tying up so much of the directories trying to intercept the transmissions. Who might care about the information to go to such incredible trouble? Gosh, kids, get on the main line. We are "open"—we are NOT STUPID!

Rick, you sign off with: "We will NOT sit quietly and do nothing. We will speak Truth as we see it. Unlike Doris, we will back-up what we say with FACT, not fabrication." Oh? And is this truly the way you foolishly view truth?

When, Rick? When will you present those FACTS and stop the fabrications? Even to the "Watchers"—silly, immature, grade-school-level antics that should embarrass even Dr. Young who is, IN FACT, a brilliant genius-level individual, and your silliness remains as hiding and anonymous as the rest of your games and false information. I would guess by now, Dr. Young might be quite embarrassed by your trickery and concoctions. You made your bed in anger, impulse and foolishness so, to drag others into it with you seems quite pathetic. However, they have a right to do that which they will, but a lot of their actions move right back to BAD INFORMATION gotten from you, Rick, in the very first place. They might wish to try that information, in FACT, on for size.

So go for it: Hushmail—<http://www.hushmail.com>.

We are glad to have anything in print we can get, so please: ALL OF YOU TAP IN. Rick continues to tighten the noose around his partners' necks, but they all seem to be quite sleepy and THAT might be due to that infamous recipe he offers, for whatever he calls that "stuff", in his big, free gift unto the world. New Gaia is effectively out of business for anything of that type, at present, so perhaps someone should notify the FDA about the products offered by Dr. Cortright! I'm sure Rick won't mind explaining whatever it is he has concocted for the world.

“Hidden” Assets?

9/4/99—#1

...We will be soon having MAJOR representatives from some POWERFUL, “Middle Eastern” states, as the “Alliance” becomes “better formed”, meeting in Southeast Asia—silently. I ask that my team in Africa hold steady and be prepared for whatever comes forth. Do not waste time being embarrassed over what has not happened, that you were promised would happen. That is the state of affairs everywhere. People promise and then CAN’T “perform”. Yes, it is difficult but I must ask, what else do you have with which to work, other than what you are shown or told? Every action is open for interruption, and always is available for the impact of “free-will” of any individual in the loop. If one doesn’t do their job—then ALL must wait. When you have major upset and the Power Elite can impact, it is more difficult and time consuming. It is, however, that the OUTCOME is ever-so-much better, for finding alternative action and routing makes for a more substantial foundation upon which to build.

We have come to the place where even such as the head of Malaysia, Mahathir, dares simply “boycott” the APEC meeting in New Zealand. Mahathir’s actions in the case against Anwar have been proven CORRECT—now with proven evidence of what was taking place to destroy Malaysia and unseat Mahathir.

Will Malaysia work with us? Of course. Remember: WHAT WE OFFER IS GOD’S GIFT TO THESE VERY PEOPLE. It takes a bit of “time” to work through the tangles and form a perfect “union”.

So, I ask that the following be extracted and run in CONTACT as a public notice, so that we can move, IN AGREEMENT STIPULATION, forward...

...I would like to make a statement here as pertaining to Bob J. The auto under cover in the hangar of Bob’s is the one Bob has from John S. Yes, indeed, “we” helped pay for it to attend it FOR JOHN, so he wouldn’t go take the thing and drive it off a cliff or something. He was happy to have Bob have it. And yes, we did have it repaired when it broke down—because Bob needed a vehicle—he was working a lot out at Tehachapi—and a lot of that work was on a light-frequency apparatus for ZITA! Bob had invented and built the only known WORKING frequency “chair”, for a Nevada “doctor”—who now has to utilize the equipment in England because he was shut down, and danged near KILLED, because of the working apparatus. Of course, he got greedy also, and charged a hundred times too much—which really burned Bob. And, Bob has invented a working motor that is a zillion times as efficient as any on the globe today. It is being produced and tested in Florida, and through university-level physicists. I want you people of our team to know these things—because THESE ARE THE ASSETS FROM WHICH WE HAVE TO PULL—BECAUSE WE DID OUR PART.

The single-engine plane came right out of that hangar in Bakersfield—via BOB. How many of you know that Bob had OWNED that whole airport? And Bob had personal friendships with Possell of the Tesla Pump, and Dr. Merkle of Crystal Life and other staggering “inventions”. Bob is one of those “in-touch” people, who LISTENS TO HIGHER INPUT, and then goes and develops it into working models. He never sleeps more

than perhaps three hours a night/day and uses those hours to get information.

As to Bart about the “twin” plane: It was HIS. He needed help badly and we, along with him, could help him stay alive AND fix up a WONDERFUL machine, which would repay ten-times-over the cost of updating. THESE ARE NOT “SECRETS” AND OUR ASSUMPTION WAS, QUITE FRANKLY, THAT “EVERYBODY” KNEW! CERTAINLY, SUCH AS CHARLES AND RICK, KATHY, ETC., ALL KNEW—WHAT IS ALL THIS, SUDDENLY ACTING LIKE SOME DARK REVELATIONS ARE SURFACING?

The reason I insisted on attending at least ONE FLYING MACHINE was to give YOU A LINK WITH A MAINLAND, IF THE IDIOTS WERE ABLE TO START A CHAIN REACTION AND GIVE YOU YOUR SCALLION-MAP TOPOGRAPHY. THAT IS SERIOUS BUSINESS, DEAR ONES, AND A LITTLE BOAT WON’T BE SAFE TO ROW, ROW, ROW YOUR—. AND YOU AREN’T THROUGH WITH THAT POTENTIAL BY ANY MEANS. IF YOU REALIZED HOW CLOSE YOU HAVE ALREADY COME—YOU WOULD ALL BE OVER AT THAT LOCAL HANGAR, POLISHING LIKE MAD TO JUST GET THE FLY POOP OFF THE WINGS.

Ence certainly knew about the possibilities of that hangar and those planes—and a bunch of aviation fuel ended up blowing (burning) out the big tractor at the farm, thereby destroying it. You know, that nice Mr. Ence whom we so nastily abused? They vandalized the farm irrigation system and broke a gas-line to the water heater in the trailer in which Bilger first resided at the farm—and it started a fire, and Bilger is fortunate it didn’t blow him to tiny bits.

No, it has not been a fun, few years of total joy for any

of you—but, exciting (or at the least not boring) none-the-less. INDEED, CHELAS OF MY HEART, YOU HAVE EARNED YOUR WINGS AND YOUR FLYING CAPES THAT STATE “SUPERPERSONS”!

What it tells you, however, is that you are IMPORTANT ENOUGH to have you stopped at all costs—but they were not able to touch you physically, as long as you kept your hand in the hand of the man—ME!

We have (Jonur will enjoy this:) met people over here who not only have MAJOR construction programs—BUT ALSO KNOW ABOUT THE RUSSIAN PLATFORMS AND COSMOSPHERES. We are working to back one of the most incredible satellite-systems going—that can read frequencies for miles into any place—i.e., Earth is big enough to consider at the moment—and tell the percent purity of the metal, and map to the inch the locations. It is going to turn out that the U.S. citizens are the most uninformed of all people on the earth—even with their trinkets and toys. YOU are backward in every other way there is!

Well, not to further use time for “visiting”, for there is still so much to do and accomplish—however—my family, I need this time with you as much as you enjoy it with me. Keep that “silver cord” polished and open—we have really only just begun the fun and games of worthy effort. **And, OH YES WE CAN! WE ARE DIRECTLY PLUGGED INTO THAT NICE ENERGY SOURCE CALLED GOD—AND THIS IS “HIS” PLAN, SO IF YOU THINK IT WON’T HAPPEN AS WE EXPECT—SHAME ON YOU! BUT, INDEED, YOU MUST BURY THE LIES AT EVERY CONFRONTATION—BECAUSE WE NEED TO MOVE ALONG, AND NOT WASTE TIME GOING BACK AND SORTING THE TALES OR THE “HE-SHE-IT-THEY—SAID”. LET’S GET IT OUT OF THE WAY, SO OUR WAY IS NOT PLUGGED BY THIS DEBRIS IN THE STORM-DRAINS.**

PUBLIC NOTICE

In fulfillment of legal requirements, this is the first of three required publications of this Public Notice.

The Officers and Directors of **Global Alliance Investment Association (GAIA)** do hereby commit, as requested, in public notice, an understanding of agreement, by and between GAIA and as-yet-unnamed representatives of the Federal Reserve Board of Directors, the U.S. Treasury Department, the International Monetary Fund and authorities of the World Bank, as representatives of what are considered the “Establishment” Banking-Cartel, that we shall act within said agreement as follows:

We of GAIA will issue no documents or funds for the sole purpose of any Trading Programs, local or international; we will not participate knowingly in any way to assist or contribute to those programs called “Roll-Over”, or in any way join with any portion of GAIA’s assets in any form of “currency trading or manipulation” of any nation.

It is recognized that GAIA has no authority over, or responsibility for, any portion of any assets held by any Joint Venture Partner (JVP), or the transactions between or “in house” of any Banking Institution, Central or otherwise.

We will always lay as a foundation the request that our portion of any transaction be backed immediately by something, i.e., gold, as a collateral base for all transactions. This is to secure all parties to any transaction and, most specifically, any participating bank or banks. We accept no responsibility for that which is the property of any JVP.

It is hereby noted, however, that we fully recognize that the Establishment Economic Community is phasing out of all “trading” types of programs, and our best efforts will be toward discouragement of any investment in such ventures.

We also state that we are ready, willing and able to assist, in any way possible, a movement toward the return by any nation, inclusive of the United States of America, to a “Gold Standard”, as was recognized prior to the *Federal Reserve Act* of 1913.

The “GAIA DEEDs” are now recognized as **VALID AND NEGOTIABLE INSTRUMENTS**.

We are further aware and in knowledge that reserves—of some 48% of that left for the People of the United States of America—are funds sufficient for paying the national DEBT in full, and forming a foundation upon which the nation can be self-sustained throughout the various States of the Union of the United States of America.

We acknowledge ongoing negotiations and agreements by said entities involved, that any ongoing interchange with the various Sovereign Nations of the Native Tribes within any Lands subject to Federal Regulations—be they U.S., Canadian or any national Tribal Communities on Sovereign land—shall be without interference, and assistance in economic structure, facilitating ongoing international trade and commerce of all types, will and shall be honored. All natives of all Tribes will and shall **RETAIN** citizenship within the nations of which they have been **SUBJECT**. It is further agreed and binding that there will not be interference in Tribal Councils, and Control by any Federal Government shall cease and desist from the withdrawal of welfare or Federal financing.

Further, the Native Councils shall be fully recognized as a governing body of **FREE AND SOVEREIGN STATES**, and also recognized is dual-citizenship status, as to each individual of each and every recognized Tribe.

Globally, it shall be recognized that Tribal Lands are Sovereign States. Those Tribes are to be further identified at forthcoming Global Councils as Alliances, formed under **INTERNATIONAL LAW** for the protection of **ALL CITIZENS THEREOF**.

For the Public Interest, however, we must recognize that we are required to agree, through **PUBLIC NOTICE** and **INTERNATIONAL ANNOUNCEMENT**, our agreements, while our co-negotiators have no restriction on their identity, and can and do constantly **INTERFERE** with ongoing activities.

We do, therefore, state publicly that as the Global Establishment-Elite break their resolutions to this Alliance, we shall not be restricted by this agreement. Prior agreements have continually been broken by these parties in point and this is also to be put into public notice. We note that our word is our bond in agreements, both oral and written, but there is no return by either honor of verbal agreements, or any form of written contract.

This Public Notice, therefore, is fully recognized as the Agreement by and between the parties of authority, and is hereby recognized by signature of the President and Director, and the Secretary and Director of Global Alliance Investment Association.

THIS AGREEMENT IS FULLY LEGAL AND BINDING AS OF SEPTEMBER 9, 1999 (9/9/99), AND IS HEREBY DATED AND SIGNATURES AFFIXED THIS FIFTH DAY OF SEPTEMBER, IN THE YEAR OF THE LORD, ONE THOUSAND, NINE HUNDRED NINETY-NINE.

WHEN MURDER SPEAKS WITH A LOUD ORGAN

By Wesley Pruden, *Washington Times*, 8/31/99

Sometimes, something smells so bad even Congress, accustomed to its members tracking embarrassing stuff inside, is forced to take notice.

What happened at Waco, when power-crazed bureaucrats and out-of-control cops and drug agents eager to demonstrate their he-man conceits couldn't resist playing war against women and children, was an outrage of a size we see only once in a generation. Everyone recognized the outrage at the time, but the lawyers and bureaucrats with the most to lose managed to keep a lid on it... "Murder", the Bard noted, has no tongue, but speaks "with a most miraculous organ"...

...Janet Reno has become a figure more to be pitied than censured, with her health failing and her authority so diminished that she probably couldn't do anything about it if she wanted to, and there's no evidence that she wants to do more than serve out her term, collect her paycheck and keep her health insurance current. A harsh assessment, but fair, based on the abundant evidence at hand...

...On successive days, we've seen partisans of both Democratic and Republican stripe put their partisanship aside to demand justice: Sen. Arlen Specter of Pennsylvania, a Republican and a capable former Federal District Attorney, who sometimes rises to an occasion; Sen. Charles E. Schumer of New York, a Democrat with an eye for the stray exploitable conviction, and Rep. Sheila Jackson-Lee of Texas, whose partisan shrillness on the House Judiciary Committee often gets a hearing, if not necessarily an audience. Mrs. Jackson-Lee suggests letting the FBI go ahead with its investigation into itself, duplicating the agency's efforts with an independent investigation. This would save Miss Reno's delicate feelings.

This is not good enough for Mr. Schumer, who recognizes a bureaucratic scam when he is forced to look at one. "The FBI had its chance to do this investigation on its own. They clearly muffed it," he says forthrightly. "The only way to clear the air is to have an outside investigation."

Rep. Asa Hutchinson of Arkansas, a former federal prosecutor, who put away several militia bad guys in the shadow of Judge Isaac Parker's infamous gallows in Fort Smith, understands clearly what's at risk, and why.

"The credibility of the FBI's at stake, law enforcement as a whole... You're talking about possible perjury charges. FBI agents should not be utilized in the investigation. It could be a joint committee of Congress, bicameral in nature; certainly, it should be bipartisan..."

...What Messrs. Schumer and Hutchinson see is the risk of another attempt by the bureaucrats to cover their considerable blubber with an "investigation" into a cover-up that would conclude with another cover-up. The Defense Department, caught dispatching federal troops to assist in the killing of American civilians, announced with a certain fanfare that it will "investigate" the role of Delta Force commandos...

...With no Baptists, Methodists or Episcopalians with friends in high places to worry about, the FBI and the ATF imagined the weirdos were ideal targets for their game...

[JR: The alarms AGAIN have startled you awake! NOW, will the sheeple sit up and acknowledge a new dawn or just hit the snooze button?]

WHY THE DELTA FORCE WAS USED & HOW IN 1993

From Pat Owen's *Internet Files*, 8/30/99

The following excerpts were taken from a special report that Attorney Paul Wilcher (101 pages) gave to Janet Reno on May 21st, 1993. Mr. Wilcher was murdered two days later on May 23rd, 1993. It involved Janet Reno, Clinton, the Bush Administration, CIA, Delta Force, FBI, et al. [Quoting:]

...Re: Vital New information concerning the conflagration at David Koresh's Branch Davidian compound, "Ranch Apocalypse" outside Waco, Texas, on Monday, April 19th, 1993, which is now being kept from you and covered up—i.e., that what happened was NOT a mass suicide, but rather a MASS MURDER.

Dear Attorney General Reno,

The purpose of this letter, and of my meeting with you (whenever that occurs) is for me to deliver to you extremely sensitive information about the deaths of 86 men, women and children who perished at the Branch Davidian compound on Monday 19, 1993, and the truth about how it all happened...

...As early as Sunday afternoon or evening, April 18th, shortly after your conference with President Clinton, calls went in to Parkland Hospital in Dallas—the very same hospital where President Kennedy was taken after his assassination in Dealey Plaza on November 22, 1963, again "at the hands of CIA professional killers", to be prepared to receive a large number of serious burn victims from WACO the following day.

#1 On the morning of April 19th, the same Delta Force commando team—actually a select group of the CIA's top professional killers—which would have carried out what I have referred to above as "the penultimate plan", had it all been approved—was on the ground in Waco to carry out all aspects of the "wet" operation planned for that Monday.

#2 This Delta Force group was composed of 15 men in all, headed by a Lieutenant Colonel who was a CIA liaison officer. The group flew into Texas on their own C-130 transport plane, parked it either at the Waco or Dallas airport all day, and then departed once their "dirty work" had been completed. The plane belonged to "TRIANGLE".

#3 Among the 15 men in this larger group, there were two (2) smaller operational teams—the 4-man team which actually made the insertion into the compound as described in detail below, and a back-up team that was never needed.

#4 These men were dressed all in black—black pants, black shoes, black jackets, black gas masks, black gloves—very poetic for a "black" or "wet" operation—and were dressed to look like all of the other FBI officers on the ground—(probably even wearing jackets with FBI insignias on them, though I'm not certain of this) so any outside observer there would have virtually no way of telling these 4 men apart from any of the other federal officers on the scene at the time...

...#11: The real truth, however, is much more sinister and cold-blooded. For what actually happened here is that the tear gas—as virulent and noisome as it was—was only the mask or cover for the real active ingredient being propelled by the tanks into the compound.

What was actually propelled into the compound was a nerve reagent—a neuro toxin—NERVE GAS—a virulent, poisonous substance, like curare—which instantly paralyzed and rendered totally helpless and defenseless all of the 95 men,

women and children inside the compound—except for those 9 later rescued, like David Thibideaux, who were on the 2nd or 3rd floor with their windows wide open on both sides, and who were thus spared the deadly effects of this tear gas/nerve gas combination.

For all the others, they could no longer coordinate their muscles in the effort required even just to get up, much less to flee to the life-sustaining fresh air outside, only a few feet away.

#12: After this deadly tear gas/nerve gas combination had had time to do its debilitating and paralyzing work on all the men, women and children in the compound, the 4-man, "Delta Force" team—actually some of the CIA's top professional assassins—made its entry into the compound. Fittingly for a black operation, they were dressed all in black from head to toe, as stated above.

#13 They were dropped onto the roof of the compound by one of the several, low-flying, heavily-armed, military helicopters, which hovered overhead throughout much of the day—while all of the television cameras were focused on the outside of the building at ground level—for example, focusing on the tanks which had just lobbed the tear gas/nerve gas combination into the building.

#14 Before they entered the compound, however, this 4-man team of assassins had received shots of atropine, the antidote to the nerve gas, so that they, too, would NOT be overcome and paralyzed by it...

... For you to continue to pursue this present course of action, Attorney General Reno—now that you have been made aware of the truth—you will be guilty of lying to Congress, to the Courts, to the American people and participating in a massive cover-up and criminal obstruction of justice...

...My plan on how to expose the truth of Waco & End the CIA's "Above The Law" Status—Immunity for 16 or so "Black Operatives" in exchange for their complete testimony on Waco and all other matters, plus protection for themselves and their families...

[JR: Our Public Officials are only ACTING surprised at the exposure of SUPPRESSED evidence for public image. Most already knew and the others did not want to know the TRUTH!]

CELL PHONE—TRACKING DEVICE?

CBS, 8/28/99

WASHINGTON (AP)—New government wiretapping rules will allow police, with a judge's permission, to track cellular phone users by their location at the beginning and end of a call.

The rules, announced Friday by the Federal Communications Commission, are intended to help law enforcement authorities keep pace with advances in phone technology. Privacy groups complained that the government was effectively turning cellular phones into tracking devices...

... "Our actions today will help ensure that law enforcement has the most up-to-date technology to fight crime," FCC Chairman Bill Kennard said.

The rules help implement a 1994 law that requires companies to make digital wiretapping technology available to law enforcement agencies. The commission stepped in after the Justice Department, FBI and the telecommunications industry failed to agree on a plan after years of negotiations...

...The Justice Department said the FCC's order addressed its major concerns and would aid officers in fighting terrorism, organized crime and illegal drug activity.

"The continuing technological changes in the nation's telecommunications systems present increasing challenges to law enforcement," Attorney General Janet Reno said. "This ruling will enable law enforcement to keep pace with these

changes and ensure we will be able to maintain our capability to conduct court-authorized electronic surveillance.”

Privacy groups said the FCC overstepped the 1994 law.

“We are deeply disappointed that on all the issues that mattered, the commission ruled against privacy and in favor of expanded FBI surveillance,” said Jim Dempsey, counsel at the Washington-based Center for Democracy and Technology.

Industry groups said communications companies will have a hard time meeting the deadlines.

“It’s a real time crunch and resource drain,” said Grant Seiffert, vice president for government relations at the Telecommunications Industry Association, which represents major equipment manufacturers.

The requirements also will be costly for the nation’s local phone companies, according to the United States Telephone Association.

Tom Wheeler, head of the Cellular Telecommunications Industry Association, said he hoped law enforcement authorities would “provide carriers with the flexibility necessary to implement these capabilities in a way that makes sense”.

DUST BUGS

By Duncan Graham-Rowe, *New Scientist*, 8/28/99

CLEANLINESS FREAKS have a new rationale for their pathological hatred of dust—it could soon be spying on them.

Packed full of sensors, lasers and communications transceivers, particles of “smart dust” are being designed to communicate with one another. They could be used for a range of applications from weather monitoring to spying.

The tiny “motes” are being developed at the University of California, Berkeley, as part of a programme to produce the smallest possible devices that have a viable way of communicating with each other.

Each mote is made up of a number of microelectromechanical systems, or MEMS, wired up to form a very simple computer. At present, each mote is 5 millimetres long, but Kris Pister, one of the developers, says that in the future, they could be small enough to remain suspended in air, buoyed by the currents, sensing and communicating for hours. The latest version (see Diagram) not only has a thick-film battery powering it but also a solar cell to recharge it. “This remarkable package has the ability to sense and communicate, and is self-powered,” says Randy Katz, a communications engineer on the project. He presented the latest work at last week’s Mobicom99 mobile computing meeting in Seattle.

MEMS are made using the same photo-lithographic techniques as integrated circuits, so once perfected they should be easy to mass-produce. Patterns are etched out of a silicon wafer to create structures such as optical mirrors or tiny engines. Each mote in a smart-dust system will need to survive on extremely low power, while being able to communicate kilobits of data per second...

...The latest challenge has been to devise a system that enables the motes to communicate. Katz and his colleagues decided to use optical transceivers because of their low energy demand compared with radio communications.

According to Pister, they have already shown that they can monitor the dust, 21 kilometres across San Francisco Bay...

...“The base station may actually reside in a hand-held unit, much like a pair of binoculars,” says Katz. This would allow for simultaneous viewing of the scene from afar, while superimposing any measured data on the image...

...The next task is to build distributed intelligence into the dust to produce “swarm behavior”.

[JR: I guess their spying devices that looked like insects attracted too much attention but few would notice dust.]

U.S. PREPARES FOR POSSIBLE Y2K VIOLENCE

FOX News—REUTERS, 8/31/99

WASHINGTON—The U.S. government is preparing for possible violence from cults, guerrillas, hate groups and end-of-world-fearing zealots as 2000 approaches.

Law-enforcement officials are working on contingency plans to cope with everything from cyber attacks to bombs at New Year’s Eve parties, though they say they lack knowledge of specific, credible threats.

The Federal Bureau of Investigation “expects to see increased and possibly violent activities among certain domestic groups, related to the millennium,” a top FBI official warned Congress in July.

Michael Vatis, head of a new FBI-led interagency center to protect critical U.S. infrastructure, cited in particular a fringe view among white supremacists that the world is on the verge of a final apocalyptic struggle.

This requires the faithful “to prepare for the Second Coming of Christ by taking violent action against their enemies,” Vatis told a special Senate panel in July on the Y2K technology glitch...

...Vatis did not cite possible targets but FBI Director Louis Freeh has said they included Jews, non-whites and their “establishment allies, i.e. the federal government.”

The FBI counter-terrorism section “has been planning for any violent activity by such groups,” said Vatis, who is leading a separate drive to thwart cyber attacks that could disrupt the economy or government...

...Groups with similar views or apocalyptic cults like Heaven’s Gate, 30 of whose members committed mass suicide in 1997, may deem the rollover to 2000, “a good time for them to make their mark on history,” said Blitzer.

“I know there are still continuing to be serious threats from abroad,” added Blitzer, who now consults on counter-terrorism at the Science Applications International Corporation in McLean, Virginia...

...Freeh has warned Congress that white supremacist extremists may stage armed robberies to finance what some view as the coming “Battle of Armageddon” between the forces of good and evil.

Some of these extremists believe that this entails whites fighting “Satan’s heirs,” the FBI chief told a Senate Appropriations panel on Feb. 4. In such a world view, he said, “Satan’s heirs” were defined as Jews, non whites and their supposed allies in the federal government.

John Gordon, deputy director of the U.S. intelligence community, said the CIA and its 12, sister-spy outfits were tightening their drills to monitor events at the date change...

...“We are preparing for the potential that there may be situations erupting worldwide and within our own systems environment.”

In addition to the perceived threat from within, U.S. officials fear anti-Western guerrilla groups and others may try to take advantage of the federal stretch to keep tabs on any Y2K-related failures. The White House is setting up a \$40-million information-coordination center to help policymakers with Year 2000 issues and coordinate any emergency responses.

“In some instances, it may not be immediately apparent, whether a service outage is the result of the ‘millennium bug’ or a computer intrusion,” Vatis testified. Such uncertainty could make Y2K an inviting date for malicious strikes, officials said.

Together with a Pentagon task force for computer network defense, Vatis’ National Infrastructure Protection Center will hold a classified, two-day conference called “Preparing for Cyberwar”, including Y2K contingencies, in early October.

[JR: Y2K is an opportune time for all devious minds, both inside and outside of government.]

RUSSIA AND CHINA TO FORM STRATEGIC ALLIANCE TO CONTAIN US AND NATO

WORLD TRIBUNE.COM, 8/26/99

MOSCOW—Russian President Boris Yeltsin and Chinese President Jiang Zemin agreed on Wednesday to develop a strategic partnership to help build a New World Order that would not be dominated by “neointerventionism” and “hegemony.”

Yeltsin called for closer relations in an effort to build a “multi-polar” world to counterbalance the power of the U.S. The meeting at the fourth summit of the Shanghai Five at Bishkek, Kyrgyzstan, included Kazakhstan, Kirghizia, China, Russia and Tajikistan.

The two leaders said the strategic partnership is “of principal importance for the formation of a multipolar world”, as opposed to one dominated by the United States, the Russian news agency, Itar-Tass said...

...Russian Foreign Ministry Director Igor Ivanov told reporters that China and Russia have agreed to form a strategic alliance. Ivanov said the Russians updated the Chinese on the recent U.S., Russian Start-3 negotiations and the Anti-Ballistic Missile treaty...

...The five nations signed a formal declaration pledging to fight separatism and religious extremism.

Mr Jiang said in a speech at the fourth summit of the five nations held in Bishkek, Kyrgyzstan, that they should mobilise resources to “fight destabilising factors to regional security, such as religious extremism, national separatism, international terrorism and other international criminal activities.”...

...The Bishkek Declaration was signed at a time when Russia, Kyrgyzstan and China face insurgencies led by Islamic fighters, and Beijing and Moscow have suffered humiliations from the war in Yugoslavia.

The agreement announced opposition to the use of force not approved by the United Nations Security Council in international situations.

HEAD TRANSPLANTS GIVE PARALYSED NEW HOPE

Jonathan Leake S.E., *THE SUNDAY TIMES—UK*, 8/29/99

A leading brain surgeon has unveiled plans to perform the first human head transplant. The operation, already carried out successfully on dogs and monkeys, would initially cost £800,000.

Among those who could benefit are quadriplegics with conditions similar to that of Christopher Reeve, the Superman actor paralysed after a fall from a horse. The operation may also appeal to rich people with terminal illnesses...

...Robert J White, an American neurosurgeon, said he had developed a blood-cooling system that meant a living head could be disconnected from its blood supply for up to an hour without ill-effect...

...the first candidates for such surgery would probably be people, like Reeve, who had already been paralysed...

...Most of the subsequent demand for head transplants would, however, almost certainly come from a group presenting far greater ethical problems—elderly or dying millionaires with enough money to pay for the operation...

...Reeve, who has set up a foundation to promote research into the causes of paralysis and potential cures, is understood to have taken a close interest in White’s research....

WHY YOU SHOULD CARE ABOUT PROPERTY RIGHTS

By Joseph Farah and Rep. Richard Pombo, R-CA,
WORLDNET DAILY

...Imagine you have just purchased a two-bedroom condo in New York City. You had saved money for 10 years to buy it. It is conveniently located, has a beautiful view, and you plan to turn one of the bedrooms into a home office for your consulting business. You paid \$300,000 for the condo, but you are thrilled to have it. After signing the check for the down payment, you are all set to move in your furniture, computer and personal effects. You hear a knock at the door. Two armed agents from the U.S. Fish and Wildlife Service (FWS) want to talk to you about your condo and your plans to run a consulting business from that second bedroom. You see, your condo has been designated as critical habitat for the endangered Manhattan cockroach...

...Their numbers have fallen drastically, according to a study done by a New York University graduate student in his apartment on Forty-Third Street and Ninth Avenue. Last August, he discovered twenty roaches in a three-hour period. This year he could only locate ten. From this data, he requested that the roach be listed as an endangered species based on a 50-percent reduction in its population. Since no one submitted contrary claims to the FWS, it used this "best available data" and made the listing.

As a result, the FWS agents say that your second bedroom must be set aside for the cockroach. You are not allowed to put any furniture, clothes, or computer equipment in that room. You may not vacuum the floor in that room, as you may eliminate the roach's food supply. If you enter the room, you must be careful not to step on, harass, or intimidate any roaches that you might see. Turning on the light suddenly, for instance, frightens the roach and causes it to scurry away. If you do any of these things, it will be considered an unauthorized "taking" of the roach and you will be prosecuted to the full extent of the law—a year in prison and a \$100,000 fine for each harassed roach.

In addition to setting aside your second bedroom for the roach, you must also allow for a "migration corridor" through your kitchen, so that the roach may move from one habitat (your bedroom) to its next nearest habitat (the bedroom of the family next door). The agents inform you that the family next door used a vacuum cleaner in the roach's habitat, accidentally sucking up five roaches into the vacuum cleaner bag. The FWS brought charges, and when the family fought prosecution in court, the government subpoenaed their tax returns, immigration records, and old car rental receipts to see if they were good citizens. The family soon complied with all the provisions of the Endangered Species Act (ESA)...

...You decide that your condo is not worth the trouble, and decide to unload it. You go to a real estate agent to put it up for sale, but discover that since your condo was declared a critical habitat for the Manhattan cockroach, no one wants to live there. The best available offer is \$25,000 from the Save the Cockroach Association of Manhattan (SCAM). SCAM is a nonprofit organization that buys up cockroach habitat. It bought your next-door neighbor's condo for \$25,000 and sold it to the federal government the next day for the original pre-habitat price of \$300,000.

You find this a bit on the unethical side, but just before you take the \$275,000 loss, your upstairs neighbor's waterbed bursts and floods your condo, completely annihilating the population of roaches. Believing this to be a sign from heaven, you begin to mop up in order to begin your life anew when you hear a knock at the door. There you find two armed agents of the U.S. Army Corps of Engineers. It appears your condo has just been designated a wetland.

Sound far-fetched? While admittedly a composite of government abuses and environmental horror stories, events very similar to those above have actually occurred to residents of western states. And while no cockroaches were involved, property owners and their families have had their lives and livelihoods ruined by endangered flies, beetles, rats and shellfish. **[JR: This is reality folks! Get ready for the next phase of the Green Team.]**

Motorcycle "Accident"

Letter To Doris' Son

9/5/99

Dearest Son Gene,

Mom here, along with E.J. I believe that it was probably best that I couldn't make a call directly back last night (our time in Manila). You were still in emergency at the time.

Diane called as soon as she could, after waiting until there was some sign of your being a bit clear enough to respond to the doctors. Connections here are terrible at best, non-existent at worst. We know that the "angels" were there right when and where you needed them in attendance—but it is terrifying, as truth often IS.

I could write pages to you, but I know that you **HAVE TO BE CONCERNED** about what might happen from here, and I can only say that we are so grateful that this wasn't a "worse" number done on you. Relax and **LET GOD**, because sometimes that is all we have upon which to place our healing and those emergencies that arise in our lives.

Let us start with that first **FEAR** you are holding in consciousness: "What am I going to do now about bills, expenses, future (if I can't do my regular work, how long, and the responsible confrontations of **LIVING**)?" Relax and never mind it, for we will be right there with God to back us up. As we have had the reigns in our hands, we can **KNOW** now that we will have success, for we have over 700 contracts signed and sealed. Some are so massive in size as to be staggering to the mind.

You kids of ours who have had to go for years without that which parents usually can provide—as to grandparenting and other forms of help and loving companionship—are going to catch up right soon now.

There are some idiots around calling themselves "Watchers" and, of course, as all sneaky thieves and corrupted devils, call themselves "anonymous" but, yes indeed, they are **KNOWN**—all of them. Rick Martin is number *uno* on the list—with Gail—supposedly his moll. Ray Bilger is next on the insipid-do-unto list (and that now **HAS TO, BY ASSOCIATION**, include Al Overholt). Sorry about that, Gene, since you got that motorcycle from Al. Never assume **ANYONE** to be a "real and loyal" friend, for you would continually be **SURPRISED**, wouldn't you? We are—every day in every way.

The idiots had threatened us personally, and yes indeed, had threatened where it always hurts, our families. Well, they have met their match this time—this is going to stop. They did a number on Diane and then on Debbie—are working through other routes on Chuck—and now have done their number on **YOU**. It is not going to be so pleasant for them, from here on in, because we are not going to take it any longer. I believe this is the final blow struck by the Satanic Brigade that will **UNCONFUSE** the fence sitters! Millers can have the house, the farm and everything in

it—and the Phoenix Institute can go to Hell, because I am tired of this kind of response in our efforts to just make sure **NOBODY** "else" is hurt. No, it is **NOT** "OK".

You were blinded by a light that you may well have not even seen but would only have "felt". Indeed, it **IS** so—you didn't just imagine it. It would totally immobilize you and blind you. It was not, as the dudes would like to have anyone believe, that somehow it must have been a laser-testing from Edwards or somewhere—it was ground level, so it would have been from a car in front, or having just passed you on the roadway, or someone waiting who knew the schedule and where you'd be picking up speed. The **WATCHERS**, as the stupids call themselves—follow everyone around and know locations, **EVERYTHING—ALL THE TIME**. They have intercepted all electronic transfers, tapped every phone and generally simply **SPY**. They are publishing that to the world—so **KNOW** that it is so; and they think they are so "cute" that they don't even hide most of it. They keep publishing that they have "seen" things, which would **HAVE TO HAVE BEEN STOLEN BEFORE THEY COULD SEE THEM**.

As you begin to remember more events, these things will seem foolish and outrageous to you—but do not hide anything—tell the officers about the light, the threats—and name the people you fear; and yes indeed, name them all. People at *CONTACT* and Di can help with "locations". It appears that Rick and Gail, however, have cut off phones, etc., and are hiding out somewhere in the Stallion Springs area. Bob James tried to locate Rick and couldn't. Same with Charles, but it appears Charles has moved away from Tehachapi. Everybody knows more than we do, Son, so we are pretty useless in this situation. If the police don't follow up at the hospital—ask an officer to come to you. This is extremely important. It **MUST** be reported, even if nothing is done. Rick openly threatened us—in writing, and actually tried extortion and blackmail as well. So, indeed, this is not a game, even if no one actually does anything or follows-up—**IT MUST BE PUT TO LEGAL RECORD**.

When Evil people declare their full **INTENT TO DAMAGE**, and they always do, as they are uncovered in their hives or holes, they get pretty desperate and totally irrational.

We are doing some pushing **TODAY** to make an effort to speed along what is called a "Bridge" finance-advance—they call it a "Mobilization Package" which is expected, we are **AGAIN** told, that should develop this week, and the rest can then not be so burdensome as to time involved.

If it turns out that you are "laid up" for a while but can get around at all, there are plenty of things to be done right around the various places—until we can work out some major projects.

We haven't the funds to do anything today—but should, very soon now. This is no longer pie-in-some-

blue-sky; we are doing this job and it is BIG. Just make it through a week or so more.

I guess the nerds just pushed me over that edge they have been working on to get me to have a tantrum or something idiotic. I don't deal in either: I will simply make sure all you, of ours, get everything that we would ordinarily get and YOU CAN LOAN US LIVING EXPENSES! That is the very best way to go of all avenues because it can be checked OUT by anyone who wants to nosey around. I am sick to death (pardon the realization of their intent) of trying to make everyone happy and give them whatever their narrow, little, warped minds desire. No, no and no, NO! NO MORE!

These guys are working with far bigger and nastier fish than the little "watcher gaggle of worms". Bilger's wife came right out of the underground under China Lake, she says—and damned if I don't now believe it. I never believed it before but it NOW MAKES SENSE.

Please give this information to those trying to straighten out the mess of books, farm, equipment, household items, etc.:

I am asking that now it be followed up, with that which Ray Bilger needs to RETURN from his sticky-fingered move from the farm, TO RECLAIM THE ITEMS HE TOOK UNLAWFULLY. THERE IS CHINA, CABINETS, ETC. HE CLAIMS SOMEONE "GAVE" THEM TO HIM. NO, EKKERS ARE THE "ONLY" ONES WHO COULD HAVE EVEN REMOTELY "GIVEN" HIM ANYTHING FROM THAT FARM. If he has not, WITHIN this week, delivered the THINGS HE TOOK, please men, take "several of you" and go forth WITH A POLICEMAN OR SHERIFF IN COMPANY—DO NOT GO ALONE TO COLLECT ANYTHING. At least one of the "cabinets" goes with the house and is Turner's. But even Turner would have had no right to "give it" to anyone, as long as we were renting/leasing the property. We are tired of being blamed and RESPONSIBLE for anything and everything dirty, while the thieves, cheats and liars sit and laugh at us when the police do nothing. Well, just getting it on record NOW SUFFICES.

It appears Ed and Norey are also a part of that group who have been a "threatening" groupie. It is not longer possible to shelter them in any way whatsoever. We have to assume that since Ed TOOK THE PROPERTY (PAPER, ETC.), THAT HE IS ACTUALLY IN CHARGE OF THE WHOLE BUNCH OF THEM. "Reptilian" interviews, indeed, from a "professional" journalist? Barf and puke.

We are desperately sorry, Gene, and it is our commitment to see this JOB THROUGH and then clean out that nests of rats. We no longer care what happens to their sensitive little "feelings". This crap is going to stop one of these days and they will meet their own dirty deeds. All that needs doing is simply to shine a big light on every antic, every hidden agenda, at every opportunity as it presents.

This "accident" is obviously just a way to try to get Ekkers back in the country, it would appear, for they have turned us in with false crap since February and have said that there are Federal Warrants awaiting us, along with indictments, etc. B.S. and hogswill. They turned us in, OK, and this time, don't concern, planned us to have to return to a FUNERAL.

NO, WE ARE "NOT" GOING TO DASH HOME INTO PROBLEMS OF THEIR MAKING. WE ARE

GOING TO FINISH THIS JOB—PERIOD! WE ARE CONFIDENT THAT AS HARD AS ALL OF YOU HAVE WORKED TO SEE THIS THROUGH TO HARVEST, THIS WOULD BE WHAT ALL OF YOU WOULD WANT.

I am glad Charles is away from Tehachapi, so that he won't get blamed for participation. The bastards have already blamed him for taking files, etc., from your place and ours. I guess he thought he was doing something wonderful and right with his new buddies. He couldn't stand a one of them before—and then blew his entire future on them. Sad is an understatement.

It is past time our people stand against these vipers, and by that I mean the entire lot who ever experienced anything with us—because this is exactly what has been taking place in our world for what might appear FOREVER.

When we elect to do our job and see it through, we can, I suppose, expect such atrocities. But from those who were actually "partners"? No, I don't think I shall ever be able to bear that realization—but I am starting to TRY to do so RIGHT NOW.

No, don't let sympathy for Mom get to you. MOM IS MAD AS HELL AND IS NOT GOING TO TAKE IT ANY MORE! So, one step at a time and this time we come back FROM TOTAL STRENGTH. THEIR GAME IS "OVER". And there is nothing we need further do than confront them, and report their stupid antics.

This bunch of "Watching Idiots" have so messed up the e-mail systems as to be remarkable. They messed up the systems at the Penn Hotel and this week did in fact tie up the entire Hotmail system-network. Fortunately, we had not yet hooked on, but you should see the "directory" lineup of crap entries and bogus addresses they set up to catch and intercept. Funny thing, they intercepted our note that we were considering a change because of expenses—but got delayed in getting to the office to "set up". Rick and Charles knew where the Hotmail service is and really did a number trying to intercept anything that even sounded like an address for us. Even the "helpers" at the center were stunned. ARE WE IMPORTANT OR WHAT? I guess so—I finally have to admit we must be important in some way or other. But not to these dumb-heads—they are just evil, little slime and scum suckers.

I am going to ask that this letter to you, Gene, be shared with every e-mail address that can be found. I want it plastered in the PAPER, and even tell your

story of the accident—to the *Tehachapi News*, with your possibilities as regards the New Local Cult of SPECTRUM. Or, I will go down and turn in a report directly when I get home. This is a MOTHER speaking and this outrage is ENOUGH ALREADY. A whole bunch of knees had best be hitting that floor with some petitions to God for Mercy. No, I don't have to do a thing to the nit-brains and have no intention of so doing. It appears to me that at this time the fact that we Ekkers are in Manila, Philippines, and have been for over a year, might be a very good circumstance. And it is likewise obvious that nobody working with us in that area has done anything except be gracious to the misfits.

I can only say that I am sorry to you, Gene, and to any and all of our friends—but this rubbish is on its way to the dump to be buried in the landfill—if any of these scum-bags are around much longer, living off our own production. They are obviously ripping-off somebody to pay their expenses, salaries for NOTHING, and we have TO WONDER WHO IT MIGHT BE—DON'T WE? GOOD MORNING, CIA-MOSSAD? WHOEVER? And NEW COMPUTERS, ETC? BOY, SOMEBODY IS PAYING FOR SOMETHING SPECIAL, AREN'T THEY?

Has Mom actually become a basket-case? Well, I may have, for I seem to be in this place (but it doesn't "look" like a basket) WITH ALL MY MARBLES.

The other half of OUR family is safe enough—these idiots don't know how to find them.

I love you, son, and we certainly care greatly about all of you, and our grandbabies. I am sorry we had to spend so much time getting to here—but it has now cleared a lot of people out of the receiving line, as in "take" away with their dirty hands out.

I ask that none of you do anything even remotely considered foolish. I do ask that you write whatever you may wish—to this Watchers groupie of anonymous fools. They are doing a sufficiently effective number on themselves and you shall be able to replace your toys. We are through doing anything that can remotely be considered as being able to turn anything upon us. Anger is OK, just don't act on it in ignorance or foolishness.

We send our love to all of you from both of us and know that we are on top of it. And to each and all: TAKE CARE AND ASSUME CAUTION, FOR OUR DECLARED "ENEMIES" ARE NOT NICE PEOPLE.

In deepest love, we are:

Mom and Dad

GIVE A MAN...

WARNING—WARNING—WARNING

Rick Martin, Lightwatchers, Hushmail:

"Give a hungry man a fish and he will eat today. Teach a hungry man how to fish and he will be able to feed himself for the rest of his life."

Well, no, not exactly. You must have water in which fish can live, and you have to have fish which are clean, or "the rest of his life" might well be a suitable term, but indeed short.

It is fun to toss around these handed-down "sayings" to get attention but it is foolish to take them out of context, for in so-doing there is no meaning. To teach a man to fish in the middle of the Sahara Desert is pretty much a waste of time UNLESS, of course, you are headed that moment to the sea and the man is not too hungry. But to teach a man ANYTHING that can damage him further than his hunger is cruel and foolhardy.

Rick has used that statement to make it somehow "OK" for him to pass out Gaiandriana and AquaGaia "recipes" to the "masses", so that those "in Ethiopia or Appalachia" might have access to that which more "affluent" persons might have access. Then he STRONGLY urges everyone who gets the message to give it on "to anyone who you feel would find it of value".

Next he offers "recipes" which are both TOXIC and WRONG.

The intent is to hurt, somehow, the people who produce the REAL PRODUCT and thus are given "poison fish" to an already hurting man. THIS IS SICK, READERS. BE CAUTIOUS OF ANONYMOUS "WATCHERS".

Rick tells you that as you use his instructions you will see a "cloudiness forming in the bottle; this is the growing (multiplying) culture. Shake occasionally, as you may notice clumping...". The cloudy solution is contamination and is quite toxic, depending on how much you might take into your body and at what stage of development might be the Drias. The Drias would be trying to clean up their own living solution. If you add no more than Rick suggests adding, of Aloe gel, you MIGHT get that mess cleared in about a year—if left alone in the LIGHT—without shaking or mixing. The clumping is the contents trying to "wall off" the dying drias and debris.

Next Rick suggests you share your "starts" with as many neighbors and friends as you can offer cultures—(from your own contaminated mess). Will this stuff hurt you? Well, probably not, if you take it in small amounts—you know, sort of like arsenic in tiny quantities, a bit at a time. But what you have is a formation of waste gas as the Aloe putrefies. And yes, indeed, if left until transparently CLEAR in the entire solution, you will have a safe product but it will NOT have what either product is grown to have.

I cannot imagine anyone being so selfish and vengeful that he would actually perpetrate such fraud on unsuspecting people. But there you have it, right from "The Lightwatcher" himself. I don't think Dr. Young would want credit for this absurd fraud, but since so much recognition and flattery is given UNTO SPECTRUM, I would suggest he is not unaware. Perhaps the recipes have already been run in *Spectrum* to help the "less affluent ones" in "Appalachia and Ethiopia".

DON'T USE THIS STUFF! THIS IS IRRESPONSIBLE AT BEST; DELIBERATELY RECKLESS AND SHORTSIGHTED ARE KIND AS ADJECTIVES TO DESCRIBE SUCH INTENTIONAL LACK OF RESPONSIBILITY. AND INDEED, FISH HAVING TO LIVE IN POLLUTED WATER WOULD ALSO BE TOXIC. RICK HAD BEST STICK TO "FISHING"—ABOUT WHICH HE ALSO KNOWS NOTHING.

PUBLIC NOTICE

In fulfillment of legal requirements, this is the first of three required publications of this Public Notice.

It has come to our attention that nefarious parties, possibly including Rick Martin-Cortright, the "Watchers", the "Lightwatchers", SPECTRUM newspaper, WISDOM BOOKS AND PRESS, INC. and/or other parties affiliated with these named entities, have disseminated, or have caused to be disseminated, certain instructions regarding production or manufacture of products commercially known as "Gaiandriana" and "AquaGaia".

WE OF THE PHOENIX INSTITUTE FOR RESEARCH AND EDUCATION, NEW GAIA PRODUCTS, PHOENIX SOURCE DISTRIBUTORS, CONTACT, INC., CONTACT, THE PHOENIX JOURNAL AND ALL ASSOCIATED PARTIES, INCLUDING INDIVIDUAL PERSONS, DO HEREBY ACCEPT NO RESPONSIBILITY FOR SUCH ACTIVITIES AS ARE BEING PERPETRATED ON AN UNSUSPECTING PUBLIC. THE "AT HOME" VERSIONS OF THE PRODUCTS DESCRIBED ARE, IN OUR CONSIDERATION, DANGEROUS AND POTENTIALLY TOXIC CONCOCTIONS WHICH DO NOT RESEMBLE ANY PRODUCT OTHERWISE KNOWN ABOUT OR UTILIZED.

WE HEREBY DISAVOW ANY CONNECTION WITH THESE UNAUTHORIZED PRODUCT REPLICATIONS. WE HEREBY WARN THE PUBLIC THAT NEGATIVE SIDE-EFFECTS COULD BE FORTHCOMING FROM CONSUMPTION OF THESE ILLEGITIMATE PRODUCTS.

No, these types of deliberate activities are NOT OK.

THIS IS AN URGENT WARNING! WE OF THE PHOENIX INSTITUTE, NEW GAIA, CONTACT AND ALL ASSOCIATED PARTIES, INCLUDING INDIVIDUAL PERSONS, DO HEREBY ACCEPT NO RESPONSIBILITY FOR SUCH ACTIVITIES AS ARE BEING PERPETRATED ON AN UNSUSPECTING PUBLIC. THE PRODUCTS DESCRIBED BY MR. MARTIN (LIGHTWATCHERS VIA HUSHMAIL AND/OR SPECTRUM OR WITHIN ANY "WISDOM" PUBLICATION) ARE, IN OUR CONSIDERATION, DANGEROUS CONCOCTIONS WHICH DO NOT RESEMBLE ANY PRODUCT OTHERWISE KNOWN ABOUT OR UTILIZED.

I ASK THAT A PUBLIC NOTICE BE RUN,

DISCOUNTING ANY CONNECTION, AND BEARING A WARNING THAT POSSIBLE NEGATIVE SIDE-EFFECTS COULD BE FORTHCOMING FROM THESE PRODUCTS ATTRIBUTED TO "GOD'S GIFTS", AS PRESENTED BY ANYONE, BUT SPECIFICALLY OFFERED BY SPECTRUM, AND SPECIFICALLY BY RICK MARTIN-CORTRIGHT IN PUBLICATIONS OR INTERNET/E-MAIL PRESENTATION. FOR LEGAL RECOGNITION, THIS NOTICE MUST RUN THREE CONSECUTIVE WEEKS IN A PUBLIC PAPER—CONTACT IS APPROPRIATE, SINCE IT IS UNLIKELY THAT OTHER PARTIES WOULD HAVE MUCH ACCESS TO THE PRODUCTS IN POINT.

Mr. Martin refers several times to that which you "already have". Check from where you got whatever "you already have". If not from New Gaia, at best you may have some worthless product but at worst you may well have contaminated product. Gaiandriana may well have sediment or membranes in older (or even new) product, but that is a wonderful thing and you can recognize the substance. A membrane of living form is a formation of whole drias, which can then live forever in proper circumstances. Perhaps that is what Mr. Martin refers to as "clumps". However, with JUST the amount of Aloe Vera he suggests using, the product would have to go through many stages of getting rid of the overfeeding and breakdown of additives. Since we do not know what Mr. Martin has in mind or how he structured this outrageous concoction, we suggest you take care.

We have long ago offered a "how to" of creating a larger quantity of these products from starter supply. However, we have never suggested that you not replenish from new stock from time-to-time, for you can simply mutate the drias themselves, and thus at best they have no value and should be thrown away.

Drias used properly could clean up the entire water supply. But haphazardly misusing a thing is a bad show.

You would be better advised to skip the Drias and just take the Aloe Vera in its proper form, readers, than to use this concoction offered by Messrs. Young/Martin. They both DO play with their drias, as you would a pet of any kind, but foisting bad information off on the public is WHY YOU HAVE THE REGULATORS, FDA, AND GOVERNMENT CAUSING YOU LOSS OF EVERYTHING, FROM USEFUL VITAMINS TO DENYING YOU ACCESS TO LIFE-SAVING PRODUCTS.

Mr. Martin, in addition, fails to tell you how to tell if your mixture is mature, and how much you should take and how to

take it, for best immune-system enhancing. This is irresponsible, ladies and gentlemen. Now, you go right on praising these children of the lie—but they are simply mischievous and irresponsible (at best) perpetrators of the very things against which WE STAND, and we will NOT be held responsible for such antics and misinformation. Teach a man to fish, indeed.

Our thrust is to teach mankind how to possibly build farms (ponds) and raise fish, but that is as near as we get to the actual practice of teaching a man to fish. Most people who need fish to sustain—know how to fish—they just don't have any non-polluted places for fish or fish to catch. Don't those people giving you "life-saving" information use their heads for anything other than to separate their ears? DO NOT DO THESE FOOLISH THINGS!

TELEPHONE HOTLINE 661-822-0202

As an adjunct to CONTACT, the Telephone Hotline keeps you as informed as possible on current events and other important information that needs to get to our subscribers before our publishing date.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus daily callers can hang up after 2 rings and save toll charges if no new message has been recorded. If the Hotline does not answer your call, then there is currently no Hotline message.
