## **COPYRIGHT POSITION STATEMENT AND DISCLAIMER**

The Phoenix Journals are intended as a "real time" commentary on current events, how current events relate to past events and the relationships of both to the physical and spiritual destinies of mankind.

**All** of history, as we now know it, has been revised, rewritten, twisted and tweaked by selfishly motivated men to achieve and maintain control over other men. When one can understand that everything is comprised of "energy" and that even physical matter is "coalesced" energy, and that **all** energy emanates from God's thought, one can accept the idea that the **successful** focusing of millions of minds on one expected happening will cause it to happen.

If the many prophecies made over thousands of years are accepted, these are the "end times" (specifically the year 2000, the second millennium, etc.). That would put us in the "sorting" period and only a few short years from the finish line. God has said that in the end-times would come the WORD—to the four corners of the world—so that each could decide **his/her** own course toward, or away from, divinity--based upon **TRUTH**.

So, God sends His Hosts--Messengers--to present that **TRUTH**. This is the way in which He chooses to present it, through the Phoenix Journals. Thus, these journals are Truth, which cannot be copyrighted; they are compilations of information already available on Earth, researched and compiled by others (some, no doubt, for this purpose) which should not be copyrighted. Therefore, these journals are not copyrighted (except **SZPAPU ODYSSEY** which is "fiction").

The first sixty or so journals were published by America West Publishing which elected to indicate that a copyright had been applied for on the theory that the ISBN number (so necessary for booksellers) was dependent upon the copyright. Commander **Hatonn**, the primary author and compiler, insisted that no copyrights be applied for and, to our knowledge, none were.

If the Truth is to reach the four corners of the world, it must be freely passed on. It is hoped that each reader **will** feel free to do that, keeping it in context, of course.

MILLIONS OF DOLLARS

[QUOTING CONTINUED:]

The National Conference of Christians and Jews might look into the millions of dollars being invested today by so-called or **self-styled** "Jews" to insure that the Talmud shall remain the axis of political, economic, cultural and social attitudes and activities of so-called or self-styled "Jews" today, and future generations. Violating the basic principle of "brotherhood" and "Interfaith" so-called or self-styled "Jews" are spending millions of dollars each year to establish and equip quarters where the teachings of the Talmud can be indoctrinated into the minds of children from the time they are able to read and write. These few news items were selected from hundreds like them which are appearing daily in newspapers clear across the nation:

"Two new Jewish Centers, built at a cost of **\$300,000**. will be opened to a 1000 students for daily and Sunday school activities next month, it was announced today by the Associated Talmud Torahs." (Chicago Herald-Tribune, **8/19/50.**)

"The Yeshiva School Department now provides daytime an approved English-Hebrew curriculum for grades **1 to 5** (aged **5 1/2 to 10**). The afternoon Talmud Torah has opened a new beeinner's class and is accepting enrollment of advanced as well as beginner students." (Jewish Voice, **9/18/53**)

"RABBI TO TALK ON TALMUD TO SHOLEM MEN. Dr. David Graubert presiding rabbi of Bet Din, and professor of rabbinical literature at the College of Jewish Studies, will present the first of his series of four lectures, 'The World of the Talmud'. (Chicago Tribune. **10/29/53.**)

"MARYLAND GRANTS DEGREE IN TALMUD. Baltimore, (JTA). New Israel Rabbinical College has been granted here authority by the Maryland State Board of Education to issue degrees of Master of Talmudic Law and Doctor of Talmudic (Jewish Voice, 1/9/53.)

"TALMUD LESSONS ON AIR FROM JERUSALEM. Weekly radio lectures on the Talmud, in English, will be available shortly on tape recordings for local stations in the United States and Canada, it was announced today." (California Jewish Voice, III 1152.)

Earlier in this letter, my dear Dr. Goldstein, you remember reading a quotation by the most eminent authority on the *Talmud* to the effect that "THE MODERN JEW IS A PRODUCT OF THE TALMUD." Would it surprise you to learn that many Christians also are the "PRODUCT OF THE TALMUD." The teachings of the *Talmud* are accepted by Christians in the highest echelons. I will only quote one on the subject of the *Talmud*, the former President of the United States. In 1951 President Truman was presented with his second set of the "63 books" of the *Talmud*. On the occasion of this acceptance the newspapers carried the following news item:

"Mr. Truman thanked us for the books and said that he was glad to get them as 'I have read many more of the ones presented four years ago than a lot of people think.' He said that he did read a lot and that the book he read the most is the Talmud which contains much sound reasoning and good philosophy of life."

Former President Truman says he benefits by "much sound reasoning" and his brand of "good philosophy of life" which absorbs from the "book that he reads the most." His recent term in office reflected his study of the *Talmud*. No one familiar with the *Talmud* will deny that. But does our former President Truman know that Jesus did not feel the way he feels about the *Talmud*? The "much sound reasoning" and the "good philosophy of life" in the *Talmud* were constantly and consistently denounced by Jesus in no uncertain terms. Former President

Truman should refresh his memory by reading the *New Testament* passages where Jesus expresses Himself on the question of the Pharisees and their *Talmud*. Will Mr. Truman state that in his opinion the *Talmud* was the "sort of book" from which Jesus "drew the teachings which enabled him to revolutionize the world" on "moral and religious subjects"?

Before leaving the *Talmud* as my subject I would like to refer to the most authentic analysis of the *Talmud* which has ever been written. You should obtain a copy of it and read it. You will be amply rewarded for your trouble in finding a copy of it, I can doubly assure you. The name of the book is "The Talmud". It was written almost a century ago in French by Arsene Darmesteter. In 1897 it was translated into English by the celebrated Henrietta Szold and published by the Jewish Publication Society of America in Philadelphia. Henrietta Szold was an outstanding educator and Zionist and one of the most notable and admirable so-called or self-styled "Jews" of this century. Henrietta Szold's translation of Arsene Darmesteter's "The Talmud" is a classic. You will never understand the *Talmud* until you have read it. I will quote from it sparingly:

"Now Judaism finds its expression in the *Talmud*, which is not a remote suggestion and a faint echo thereof, but in which it has become incarnate, in which it has taken form, passing from a state of the abstraction into the domain of real things. THE STUDY OF JUDAISM IS THAT OF THE TALMUD. AS THE STUDY OF THE TALMUD IS THAT OF JUDAISM. . . THEY ARE TWO INSEPARABLE THINGS ARE ONE AND THE SAME. . . Accordingly, the *Talmud* is the completest expression of religious movement, and this code of endless prescriptions and minute ceremonials represents in its perfection the total work of the religious idea. . . The miracle was accomplished by a book, the *Talmud*. . . The *Talmud*, in turn is composed of two distinct parts, the Mishna and the Gemara; the former the text, the latter the commentary upon the text. . . By the term Mishna we designate A C T I O N OF DECISIONS AND TRADITIONAL LAWS, EMBRACING ALL DEPARTMENTS OF LEGISLATION, CIVIL AND RELIGIOUS. . . This code, which was the work of several gen-

erations of Rabbis. . Nothing, indeed can **equal the importance of the *Talmud***, unless it **be** the ignorance that prevails concerning it. . This explains how it happens that a single page of the *Talmud* contains three or four different languages, or rather specimens of one language at three or four stages of degeneracy. . Many a Mishna of five or six lines is accompanied by **fifty** or sixty pages of explanation. . is Law in all its authority; it constitutes **dogma** and cult; it is the fundamental element of the *Talmud*. . **THE DAILY STUDY OF THE TALMUD, WHICH AMONG JEWS BEGAN WITH THE AGE OF TEN TO END WITH LIFE ITSELF, necessarily was a severe gymnastic for the mind, thanks to which IT ACQUIRED INCOMPARABLE SUBTLETY AND ACUMEN. . SINCE IT ASPIRES TO ONE THING: TO ESTABLISH FOR JUDAISM A 'CORPUS JURIS ECCLESIASTICI' .**"

The above quotations were culled from a treatise intended to sugar-coat the *Talmud*. In painting a nice word-picture of the *Talmud* that author could not escape mentioning the above facts also. Coming from this source under the circumstances the facts stated above do not add glory to the *Talmud*.

"The *Talmud Unmasked*, the Secret Rabbinical Teachings Concerning Christians" was written by Rev. I. B. Pranaitis, master of Theology and Professor of the Hebrew Language at the Imperial Ecclesiastical Academy of the Roman Catholic Church in Old St. Petersburg, Russia. The Rev. Pranaitis was the greatest of the students of the *Talmud*. His complete command of the Hebrew language qualified him to analyze the *Talmud* as few men in history.

The Rev. Pranaitis scrutinized the *Talmud* for passages referring to Jesus, Christians and the Christian faith. These passages were translated by him into Latin. Hebrew lends itself to translation into Latin better than it does directly into English, The translation of the passages of the *Talmud* referring to Jesus, Christians and Christian faith were printed in Latin by the Imperial Academy of Sciences in St. Petersburg in 1893 with the Imprimatur of his Archbishop. The translation from the Latin into English was made by great Latin scholars in the United States in

1939 with funds provided by wealthy Americans for that purpose.

In order not to leave any loose ends on the subject of the *Talmud's* references to Jesus, to Christians and to the Christian faith I will below summarize translation into English from the Latin texts of Rev. Pranaitis' "The *Talmud Unmasked*, The Secret Rabbinical Teachings Concerning Christians". It would require too much space to quote these passages verbatim with their foot-notes from the *Soncino Edition* in English.

First I will summarize the references by Rev. Pranaitis referring to Jesus in the *Talmud* in the original texts translated by him into Latin, and from Latin into English:

**Sanhedrin. 67a** Jesus referred to as the son of Pandira, a soldier.

**Kallah. 1b.(18b)** Illegitimate and conceived during menstruation.

**Sanhedrin. 67a.** Hanged on the eve of Passover.

**Toldath Jeschu.** Birth related in most shameful expressions.

**Abhodah Zarah. II.** Referred to as the son of Pandira, a Roman soldier.

**Schabbath XIV.** Again referred to as the son of Pandira, the Roman.

**Sanhedrin. 43a.** On the eve of Passover they hanged Jesus.

**Schabbath. 104b.** Called a fool and no one pays attention to fools.

**Toldoth Jeschu.** Judas and Jesus engage in quarrel with filth.

**Sanhedrin. 103a.** Suggested corrupts his morals and dishonors self.

**Sanhedrin. 107b.** Seduced, corrupted and destroyed Israel.

**Zohar III. (282).** Died like a beast and buried in animal's dirt heap.

**Hilkoth Melakhim.** Attempt to prove Christians err in worship of Jesus.

**Abhodah Zarah. 21a.** Reference *to* worship of Jesus in homes unwanted.

**Orach Challm. 113.** Avoid appearance of paying respect to Jesus.

Iroea Dea. 150.2. Do not appear to pay respect to Jesus by accident.

Abhodah Zarah (6a). False teaching to worship on first day of Sabbath.

The above are a few selected from a very complicated arrangement in which many references are obscured by intricate reasoning. The following are a few summarized references to Christians and the Christian faith although not always expressed in exactly that manner. There are eleven names used in the Talmud for non-Talmud followers, by which Christians are meant. Besides **Notsrim**, from Jesus the Nazarene, Christians are called by all the names used in the Talmud to designate all non-"Jews": **Minim**, **Edom**, **Abhodah Zarah**, **Akum**, **Obhde Elilim**, **Nokrim**, **Amme Haarets**, **Kuthrim**, **Apikorosim**, and **Goim**. Besides supplying the names by which Christians are called in the Talmud, the passages quoted below indicate what kind of people the Talmud pictures the Christians to be, and what the Talmud says about the religious worship of the Christians.

Hilkhoth Maakhaloth. Christians are idolators, must not associate.

Abhodah Zarah (22a). Do not associate with gentiles they shed blood.

Iroea Dea 153.2). Must not associate with the Christians, shed blood.

Abhodah Zarah (1.2). Now permitted to trade with Christians on such days.

Abhodah Zarah (2aT). Trade with Christians because they have money to pay.

Iore Dea (148.5). If Christian is not devout may send him gifts.

Hilkoth Akum (IX.2). Send gifts to Christians only if they are irreligious.

Iore Dea (81.7.Ha.). Christian wet-nurses to be avoided because dangerous.

Iore Dea (153.1 H). Christian nurse will lead children to heresy.

Iore Dea 1155.1). Avoid Christian doctors not well known to neighbors.

Peaschim (25a). Avoid medical help from idolators, Christians meant.

Iore Dea (156.1). Avoid Christian barbers unless escorted by Jews.

Abhodah Zarah (26a). Avoid Christian midwives as dangerous when alone.

Zohar (1.25b). Those who do good to Christians never rise when dead.

Hilkoth Akum (X.6). Help needy Christians if it will promote peace.

Iore Dea (148.12H). Hide hatred for Christians at their celebrations.

In the Library of Congress and the New York Public Library, unless recently removed, you can find a copy of "The *Talmud Unmasked*, The Secret Rabbinical Teachings Concerning Christians" by the Rev. I. B. Pranaitis. A copy of the original work printed in St. Petersburg, Russia in 1892 can be made available to you by our mutual friend if you are interested in reading the above passages in the original Hebrew text with their Latin translation. I trust my summaries correctly explain the original text. I believe they do. If I am in error in any way please be so kind as to let me know. It was very difficult to reduce them to short summaries.

The National Conference of Christians and Jews need not **scrutinize** the "63 books" of the *Talmud* to discover all the anti-Christ, anti-Christian, and anti-Christian faith passages in the books which are "THE LEGAL CODE WHICH FORMS THE BASIS OF JEWISH RELIGIOUS LAW" and which is "THE TEXTBOOK USED IN THE TRAINING OF RABBIS". They can also keep in mind that, as Rabbi Morris **Kertzer** also **points** out, as explained earlier, that "ADULTS STUDY ANCIENT WRITINGS TOO. . .IN. . .GROUP DISCUSSION OF TALMUD BEFORE EVENING PRAYER." If the National Conference of Christians and Jews are genuinely interested in "interfaith" and "brotherhood" do you not think, my dear Dr. Goldstein, that they should compel a start at once to expunge from the *Talmud* the **anti-Christ**, anti-Christian and anti-Christianity passages from the *Talmud* in the "brotherly" way they expunged passages from the *New Testament*? Will you ask them?

Throughout the world the *Oxford English Dictionary* is accepted as the most authoritative and authentic source for information on the origin, definition and use of words in the English language. Authorities in all fields everywhere accept the *Oxford English Dictionary* as the most trustworthy fountain of enlightenment on all phases of the English language. The *Oxford English Dictionary* brings out clearly that "Judaist" and "Judaic" are the correct forms for the improper and incorrect misused and misleading "Jew" and "Jewish". You will agree completely with the *Oxford English Dictionary* if you consider the matter carefully. "Judaist" and "Judaic" are correct. "Jew" and "Jewish" are incorrect. "Jew" and Jewish do not belong in the English language if the use of correct words is of interest to the English-speaking peoples.

The so-called or self-styled "Jews" cannot truthfully describe themselves as "Jews" because they are not in any sense "Judeans". They can correctly identify themselves by their religious belief if they so wish by identifying themselves as "Judaists". A "Judaist" is a person who professes so-called "Judaism" as his religious belief, **according to the Oxford English Dictionary**. The origin of "Jew" has not its roots in "Judaism", as explained. The adjective form of "Judaist" is "Judaic". "Jewish" as an adjective is just as incorrect as "**Jcw**" is as a noun. "Jewish" has no reason to exist.

Well-planned and well-financed publicity by so-called or self-styled "Jews" in English-speaking countries in the **18th**, 19th and 20th centuries created a wide acceptance and use for "Jewish". "Jewish" is being used today in many ways that are no less fantastic and grotesque than incorrect and inaccurate. "Jewish" is used today to describe everything from "Jewish blood", whatever that may be, to "Jewish Rye bread", strange as that may sound. The many implications, inferences and innuendoes of "Jewish" today resulting from its commercial uses beggar description.

At the 1954 annual meeting of the St. Paul Guild in the Plaza Hotel in New York City before more than **1000** Catholics, a Roman Catholic priest who was the main speaker and the guest of honor referred to "my Jewish blood". It just happens that this

priest was born a so-called or self-styled "Jew" in eastern Europe and was converted to Catholicism there about 25 years ago. It seems unique that a priest who has professed Catholicism that length of time should mention "my Jewish blood" to Catholics. The radio blasts and the outdoor signs blazon "Levy's Jewish Rye Bread", in the same city at the same time. Between these two extremes are countless other products and other services which advertize themselves in print, on radio and television, as "Jewish".

This priest who talks to Catholics about "my Jewish blood" when he addresses audiences also refers to the "Jewish blood" of Mary, Holy Mother of Jesus, to the "Jewish blood" of the Apostles, and to the "Jewish blood" of the early Christians. What he means by "Jewish blood" mystifies those Catholics who hear him. They query "what is 'Jewish blood' "? They ask what happens to "Jewish blood" when so-called or self-styled "Jews" are converted to Catholicism? And in the extreme case when a so-called or self-styled "Jew" becomes a Roman Catholic priest? How is "Jewish blood" biologically different from the **blood** of persons who profess other religious faiths, they ask. It is hard for me to believe that there is anything biologically different which determines characteristics typical of a specific religious belief. Are the inherent racial and national characteristics determined by religious dogma or doctrine?

The word "Jewess" raises a similar question. If "Jewess" is the female for the male "Jew" I must admit that I have been unable to find female as well as male designations for persons professing any religious belief other than so-called "Judaism". Are there any other that you know? I have searched for the female of Catholicism, Protestantism, Hindu, Moslem, and others but without success. It seems very popular now to refer to Mary, Holy Mother of Jesus, as a "Jewess". It does seem unrealistic to identify the sex of members of any religious belief by appropriate designations. If the word "Jew" is regarded as descriptive of a race or a nation, as is often the case, it is equally unrealistic to indicate the sex of members of a race or a nation by a suffix used for that purpose. I know of no case in that re-

spect except "Negress", and the Negro race strongly objects to the use of that designation, and strongly.

Another word is creating more problems among Christians. I refer to "Judeo-Christian". You see it more and more day by day. Based on our present knowledge of history, and on good sense applied to theology, the term "Judeo-Christian" presents a strange combination. Does "Judeo" refer to ancient "Pharaimism", or to "Talmudism", or to so-called "Judaism"? In view of what we know today, how can there be "Judeo-Christian" anything? Based upon what is now known "Judeo-Christian" is as unrealistic as it would be to say anything is "hot-cold", or "old-young", or "heavy-light", or that a person was "healthy-sick", or "poor-rich", or "dumb-smart", or "ignorant-educated", or "happy-sad". These words are antonyms, not synonyms. "Judeo-Christian" in the light of incontestible facts are also antonyms, not synonyms as so-called or self-styled "Jews" would like Christians to believe. More sand for Christian's eyes.

An "Institute of Judaeo-Christian Studies" has been established by **Seton** Hall University. It is actually a "one-man Institute". Father John M. Oesterreicher is the "one-man Institute". the "Institute of Judaeo-Christian Studies" occupies a small office in a down-town office building in Newark, N.J. This "one-man Institute", according to their literature, has no faculty except Father Oesterreicher, and no students. Father Oesterreicher was born a so-called or self-styled "Jew" and became a convert to Catholicism. I have had the pleasure of hearing him talk on many occasions. Addresses by Father Oesterreicher and literature by mail are the principal activities of the "institute of Judaeo-Christian Studies". Father Oesterreicher also plans to publish books and circulate them throughout the world, in large quantities.

Father Oesterreicher leaves no stones unturned to convince Catholics that "Judaeo-Christian" is a combination of two words that are synonyms theologically. Nothing could be further from the truth. Father Oesterreicher impresses that viewpoint upon his Catholic audiences. Father Oesterreicher talks to Catholic

audiences only, so far as I am able to tell. In his addresses Father **Oesterreicher** impresses upon Catholics the opinion he personally holds on the question of the dependence of the Christian faith upon so-called "Judaism". His audiences depart Father Oesterreicher's addresses very much confused.

It would make better Catholics out of Father Oesterreicher's audiences if he would "sell" Jesus and the Catholic Church rather than try to "sell" so-called "Judaism" to his audiences. Well-planned and well-financed publicity by so-called or self-styled "Jews" manages to keep Christians well informed on the subject of so-called "Judaism". If Father Oesterreicher would concentrate upon "selling" Jesus and the Christian faith to audiences of so-called or self-styled "Jews" he would be doing more towards realizing the objective of Christian effort. The activities of this "one-man Institute" are somewhat of a deep mystery. But I am certain that Monsignor **McNulty** will never allow the "Institute of Judaeo-Christian Studies" to bring discredit upon the fine record of **Seton** Hall as one of the foremost Catholic universities anywhere. But it will bear watching, and Monsignor **McNulty** will always appreciate constructive comment.

The word "anti-Semitism" is another word which should be eliminated from the English language. "Anti-Semitism" serves only one purpose today. It is used as a "smear word". When so-called or self-styled "Jews" feel that anyone opposes any of their objectives they discredit their victim by applying the word "anti-Semitic" through all the channels they have at their command and under their control I can speak with great authority on that subject. Because so-called or self-styled "Jews" were unable to disprove my public statements in **1946** with regard to the situation in Palestine, they spent millions of dollars to "smear" me as an "anti-Semite" hoping thereby to discredit me in the eyes of the public who were very much interested in what I had to say. Until **1946** I was a "little saint" to all so-called or self-styled "Jews". When I disagreed with them publicly on the Zionist intentions in Palestine I became suddenly "anti-Semite No. 1".

It is disgraceful to watch the Christian clergy take up the use of the word "anti-Semitism". **They** should know better. They know that "anti-Semitism" is a **meaningless** word in the sense it is used today. They know the correct word is "Judaeophobe". "Anti-Semite" was developed into the "smear-word" it is today because "Semite" is associated with Jesus in the minds of Christians. Christians are accessories in the destruction of the Christian faith by tolerating the use of the smear-word "anti-Semitic" to silence by the most intolerable forms of persecution employing that smear-word Christians who oppose and oppose the evil conspirators.

[END QUOTING FOR THIS SEGMENT]

Dharma, thank you for days of very diligent work and long hours at the keyboard. We can finish this subject material in the morning for you are weary and I need to be at other tasks. There is much to be monitored on your place during these critical hours. Let us pray that sanity prevails for if we have a bit more time we can bring a lot of persons into consciousness of the plight in which they have mired themselves through the vicious intent of the few who would be Kings. Of course, the would-be Kings know it also and that is one reason for the push into all-out war so that a confrontation is precipitated before it can be averted through diplomacy. Your troops are weary and frustrated while waiting and waiting in the desert sands and endless hours. This too, has been planned to wear them down and make them ready for **anything** just to get it over with and hopefully, home again. It must be obvious that "Peace" will have to be insured through military force—so, who wins?

Good night and may peace go within as we move along upon this journey. Salu.

TODAY'S WATCH

Let us move right on with our Journal for the best and quickest way to end this holocaust is to bring unto you ones **TRUTH** of who and how it is that you are in this situation. Then, if ye wish and come together again into the laws of God ye shall be delivered out of this lie. Dear ones, Satan has removed the portion of Truth from your prophecies which condemn you and you have seen it not. That is **WHY** no-one save the ones given to bring Truth unto you have seen it as it is--you try to decipher something as "Heavenly" from something which was written by greedy, terroristic MEN.

This is why, now, we must pull together the Truth of that which has come about in order that you can recognize of it and change of it--OR, allow it to proceed into Armageddon's final altar of death and sacrifice--UNTO SATAN--NOT UNTO GOD. The "Sacred Clown" (**Heyoka`-Sioux**) has had his fling upon your planet and you have all allowed him to make the fool of you. If you would but awaken and come back within the Laws of God (**Wakan Tanka**) and rebalance that which ye have put into disarray--ye could give your wondrous species again into lighted radiance for the generations which would follow.

Do you not see that the politicians of the Zionists are inch by inch devouring your very existence? Yes, whether or not you wish to believe of it--**THIS IS THAT WHICH IS THE ANTI-CHRIST COMES TO ABSORB AND DESTROY THAT WHICH HE NO LONGER NEEDS. FURTHER, THIS IS WHY KNOWING THE TRUTH OF IT WILL SET YE FREE FOR YOU WILL DEMAND THAT THE SUBTERFUGE CEASE AND THE BEAST BE REVEALED. EVIL CANNOT STAND IN THE LIGHT OF TRUTH AND THUS, HE WOULD FALL!** DO YOU NOT FURTHER SEE THAT **THERE IS NOTHING 'WOWAKAN'** (SUPERNATURAL)

ABOUT ANY OF THIS CIRCUMSTANCE--IT HAS BEEN THE LIARS "FROM THE **BEGINNING**" WHO HAVE DUPED YOU INTO GIVING **UNTO** THEM YOUR VERY SOULS! THUSLY YOU HAVE COME INTO SATAN'S TRAP OF THE PHYSICAL DIMENSION AND HE HAS IMPRISONED YOU TO THE PHYSICAL ASPECT OF YOUR WONDROUS JOURNEY. MAY **THE GREAT SPIRIT** SEE FIT TO GIVE YOU INSIGHT FOR **IT MUST BE OBVIOUS THIS DAY** THAT YOUR NATIONS WHICH YOU CALL HOLY ARE NOT AND YOUR LEADERS ARE BUT PUPPETS OF THE MASTERS OF **DECEIT** AND YOU ARE THE PAWNS! SO BE IT.

Dharma, allow us to finish the letter to Dr. Goldstein for if man cannot **come** into knowledge of this **Truth** as others have **efforted** to give unto him--so that **NOW THERE IS PROOF IN YOUR OWN DIMENSION OF ASPECT, THEN WE MUST MOVE ON AS TO THAT WHICH THE PEOPLE OF GOD CAN DO IN PREPARATION FOR THE REMNANT--MAN WILL HAVE FREE-WILL OF ACTION UNTO THE VERY ENDING OF THIS EXPERIENCE AND THEN WILL BE DECIDED--THE FINAL ACT OF THE PLAY**

*You of human **self-appointed** God-judges have pronounced over the sacred psople of God, the ancient 'natives' of your world, that they **are** Pagan and you must denounce them and destroy them--WHY? Because the Anti-Christ knew that if you would come into the Truth and balance as projected by those great teachers--HE WOULD BE ANNIHILATED. So you have turned from the Red Road and unto the darkness of the lies and the **liar** who romps down the Black Road--doing that which is only physical in experience **while** the Spirit withers in its confines of non-balance and disharmony. Do not think for one moment longer that there **will** be a lovely RAPTURE and **lift-off** of a planet **overfilled** with **humans** to whisk ye of darkness and **ill-intent** into some cozy hogan in the sky with **crystal** streets and rainbow lights. **THOSE ARE ASSEMBLED FOR THE PEOPLE OF GOD--"THAT" IS THE PLUM OF THE "RED ROAD OF TRUTH". YOU HAVE BEEN LIED TO AND THAT WHICH HAS BEEN WRITTEN AND VOTED***

**INTO YOUR LAWS AND INSTRUCTION BOOKS IS EXACTLY THOSE THINGS WHICH SHALL DEPRIVE YOU OF THE WONDROUS GLORY OF THE RADIANCE OF THE SACRED PLACES. EARTH IS A PLACE OF TESTING AND EXPERIENCE IN A PHYSICAL FORM--NO MORE AND NO LESS--HAVE "YOU" PASSED THE EXAMINATION OR DO YOU FOLLOW THE EVIL LEADER WHO HAS TRICKED YOU? SO BE IT.**

**FREEDMAN/GOLDSTEIN--  
ZIONISTS UNCOVERED**

[QUOTING CONTINUED:]

It no doubt grieves you as much as it grieves me, my dear Dr. Goldstein, to see our nation's moral standards sink to new all-time lows day by day. Of that there is very little doubt. The moral standards of this nation in political, economic, social and spiritual fields are the factors which determine the position we will occupy in **world** affairs. We will be judged on that basis from afar by **the other** 94% of the world's total population. Our 6% of the world's total population will succeed or fail in its efforts to retain world leadership by our moral standards because in the last analysis they influence the attitudes and activities of the nation. The moral standards are the crucible in which the nation's character is refined and moulded. The end product will never be any better than the ingredients used. It is something to think about.

There is much for which this Christian country can still feel very proud. But there is also much for which we cannot feel proud. A correct diagnosis of our nation's rapidly deteriorating moral standards in all walks of life will reveal the cause as the nation's current psychosis to concentrate primarily on how to (1) "make **more** money" and (2) "have **more** fun". How many persons do you personally know who include among their daily duties service and sacrifice in the defense against its enemies of that priceless birthright which is the God-given heritage of all those blessed to be born American? What services? What sacrifices?

With very few exceptions this generation seems to regard everything as secondary to our accountability to unborn generations for our generation's breach of the faith and betrayal of our trust to posterity. The sabotage of our nation's moral standards is more incidental to the program of that inimical conspiracy than accidental in the continued march of mankind towards an easier existence. The guidance and control of this nation's place in history has gravitated by default into the hands of those persons least worthy of the trusteeship. This notable achievement by them is their reward for their success in obtaining effective and numerous Christian "male prostitutes" to "front" for them. **Too** many of these efficacious Christian "male prostitutes" are scattered throughout the nation in public affairs for the security of the Christian faith and the nation's political, social and economic stability.

A "male prostitute" is a male who offers the faculties of his anatomy from the neck up for hire to anyone who will pay his "asking price" exactly as the female of the same species offers the facilities of her anatomy from the neck down to anyone who will pay her "asking price". Thousands of these pseudo-Christian "male-prostitutes" circulate freely unrecognized in **all** walks of life proudly pandering pernicious propaganda for pecuniary profit and political power. They are the "dog in the manger". The corroding effect of their subtle intrigue is slowly but surely disintegrating the moral fibre of the nation. This danger to the Christian faith cannot be overestimated. This peril to the nation should not be underestimated. The Christian clergy must remain alerted to it.

The international "crime of crimes" of all history, that reprehensible iniquity in which this nation played the major role, was committed in Palestine almost totally as a result of the interference of the United States in the situation on behalf solely of the Zionist world-wide organization with its headquarters in New York City. The interference of the United States in that situation on behalf of the aggressors illustrates the power by the "male prostitutes" fearlessly functioning on behalf of the Zionist conspirators. It is the blackest page in our history.

The responsibility for that un-Christian, non-Christian and anti-Christian "cause" can be honestly deposited on the doorstep of the Christian clergy. They must assume the full guilt for that inhuman and unholy crime committed in the name of Christian "charity". Sunday after Sunday, year in and year out, the Christian clergy dinned into the ears of **150,000,000** Christians who go to church regularly that Christians must regard it as their "Christian duty" to support the Zionist conspiracy for the conquest of Palestine. Well, we "sowed a wrd", now we will "reap a whirlwind".

The **150,000,000** Christians in the United States were "high pressured" by the Christian clergy to give their unqualified support to the Zionist program to "repatriate" to their "\_\_\_\_\_ in Palestine the so-called or self-styled "Jews" in eastern Europe who were the descendants of the **Khazars**. Christians were exhorted by the Christian clergy to regard the so-called or self-styled "Jews" in eastern Europe as God's "chosen people" and Palestine as their "Promised Land". But they knew better all the time. It was a case of cupidity (cupidity: Eager desire for possessions especially of wealth; avarice; greed.) NOT stupidity you can be sure.

As a direct result of the activities of the "male prostitutes" on behalf of the Zionist program, and contrary to all the international law, to justice and to equity, anything to the contrary notwithstanding, the 150,000,000 Christians in the United States, with few exceptions, demanded that the Congress of the United States use the prestige and the power of this nation, diplomatic, economic and military, to guarantee the successful outcome of the Zionist program for the conquest of Palestine. This was done and the Zionists conquered Palestine. We are responsible.

It is well established and an undeniable historic fact that the active participation of the United States in the conquest of Palestine, on behalf of the Zionists, was the factor responsible for the conquest of Palestine by the Zionists. Without the active participation of the United States on behalf of the Zionists it is certain that the Zionists would never have attempted the conquest

of Palestine by force of arms. Palestine today would be an independent sovereign **country** under a form of government established by self-determination of the lawful and legal Palestinians. This was aborted by the payment of countless millions of dollars to Christian "male prostitutes" by Zionists on a scale difficult for the uninitiated to even imagine.

With your kind permission anticipated, I beg to respectfully and sincerely now submit to you here my comments on several passages in your latest article which appeared in the September issue of the A.P.J. Bulletin under the headline "News and Views of Jews". Deep down in my heart, my dear Dr. Goldstein, I truly feel that I can make a modest contribution towards the big success I wish you in the valuable work you are attempting, under such discouraging handicaps. My reactions to what you state in your article may prove helpful to you. My comments here were conceived in that spirit. May I suggest that you favor them with your consideration accordingly. I feel that you may be so close to the "trees" that you cannot see the "forest" in its true perspective. You may find a genuinely sincere outsider's point of view helpful to you in orienting **your yesterday's** attitudes to today's realities and to tomorrow's seemingly certain probabilities. I believe you will.

You realize, my dear Dr. Goldstein, that all "Laws of Nature" are irrevocable. "Laws of Nature" can neither be amended, suspended or repealed regardless how we feel about them. One of these "Laws of Nature" is fundamentally the basic reason "WHY JEWS BECOME CATHOLICS", the subtitle in your article which attracted my attention. The "Law of Nature" to which I refer is the law that "TO EVERY ACTION THERE IS AN EQUAL AND OPPOSITE REACTION". In my respectful opinion that "Law of Nature" is the alpha and omega of all questions as to "WHY JEWS BECOME CATHOLICS".

In your article you make this mystery sound very complicated. However, it really is very simple. The **so-called** or self-styled "Jews" who become Catholics today are subconsciously reacting to that "Law of Nature". The conversion to Catholicism of so-called or self-styled "Jews" is the "EQUAL AND

OPPOSITE REACTION". **THEIR CONVERSION IS A "REACTION" NOT AN "ACTION".** CAN YOU ANY LONGER DOUBT THAT AFTER READING THESE FACTS?

Catholicism has proven itself spiritually the "**EQUAL AND OPPOSITE REACTION**" of the religious worship practised today under the name "Judaism", and prior to that name under the names "Talmudism" and "Pharisaism". What is spiritually conspicuous in Catholicism is conspicuous by its absence in so-called "Judaism". What is spiritually conspicuous in so-called "Judaism" is conspicuous by its absence in Catholicism, thank God. Anything which may be said by anyone to the contrary notwithstanding, Catholicism and so-called "Judaism" are at the opposite extremes of the spiritual spectrum.

Our subconscious mind never sleeps. It remains awake all the while the conscious mind is asleep. This subconscious mind of **so-called** or self-styled "Jews" is "**WHY JEWS BECOME CATHOLICS**". The more spiritually sensitive subconscious minds of so-called or self-styled "Jews" for 2000 years have been seeking a spiritually secure beach-head as a refuge from the terror of the **Talmud**. After a lifetime breathing the atmosphere of the **Talmud** so-called or self-styled "Jews" found Catholicism a wholesome and refreshing change of spiritual climate. They could not resist the spiritual force of the "**EQUAL AND OPPOSITE REACTION**" **WHICH ATTRACTED THEM TO CATHOLICISM.**

Catholicism supplied a sacred sanctuary for the more spiritually sensitive subconscious mind of the so-called or self-styled "Jew" seeking security in his escape from the **Talmud**. **[H:** Please understand that which is "inferred" herein regarding the Holy Catholic Church--for it was assumed that the one converting would **find** that which he was seeking in truth of **Godness**. However, what is actually found is collusion and total usurpation of the truth in favor of the same lie—the deception has been most insidious but effective indeed! **]** *[See Front Page story.]* Before sailing into the safe port of Catholicism the subconscious mind of the more spiritually sensitive **so-**

called or self-styled "Jew" is tossed like a ship in a storm which has lost its rudder. When the ship anchors safely in the port of Catholicism spiritual peace of mind is restored and the ship remains securely at anchor in that safe port. Many millions of so-called or self-styled "Jews" would embark upon that voyage of their more courageous co-religionists but for one reason. They fear reprisals by their co-religionists.

In your article you mention just a few of the many penalties imposed by reactionary so-called or self-styled "Jews" upon their co-religionists who become converts to Catholicism. Conversion to Catholicism has even deprived many former so-called or self-styled "Jews" from earning their living. Many families faced starvation for that reason. A convert to Catholicism must be ready and willing to suffer the economic, social and political hardships his former co-religionists will make him pay as the price for the spiritual wealth he will acquire with conversion to Catholicism.

Investigation by you will convince you that so-called or self-styled "Jews" never turn spiritually to Catholicism "**BECAUSE SUCH WAS THE JEWISH RELIGION: BECAUSE SUCH IS THE CATHOLIC RELIGION**", as you state in your article. A so-called or self-styled "Jew" might question the wisdom of conversion from the Original to a copy of the original. Inasmuch as so-called "Judaism" is a modern name for "Talmudism", and "Talmudism is a name given to the ancient practise of "**Pharisaism**", how can you **reconcile** what you state that ". . . **SUCH WAS THE JEWISH RELIGION; . . . SUCH IS THE CATHOLIC RELIGION**".

Several so-called or self-styled "Jews" who were recently converted to Catholicism are my personal friends. Not one of those whom I have asked became a Catholic because **they** felt "**THE CATHOLIC CHURCH IS THE JEWISH CHURCH GLORIFIED**", as you state in your article. What "**\_\_\_\_\_ CHURCH**" they ask me? I am unable to answer. What "**JEWISH CHURCH**" I ask you? "Pharisaism"? "Talmudism"? Surely you would not venture the opinion that the Catholic

Church is "Pharisaism" or "Talmudism" now "GLORIFIED" as Catholicism, would you?

It must be quite apparent to you now that so-called or self-styled "Jews" who become converts to Catholicism do not believe that the Catholic Church, **as you state in your article**, "IS THE CHURCH OF JEWISH CONVERTS AND THEIR DESCENDANTS". They do not regard Jesus as a "CONVERT" to the Catholic Church. You **include** Jesus with others you describe as "JEWISH CONVERTS" to the Catholic Church, in your article. In your article you state, "FIRST CAME CHRIST, THE JEW OF JEWS". I never heard that designation before. Is it original? Nor will converted so-called or self-styled "Jews" concur at all with "THEN CAME THE APOSTLES. ALL JEWS", **as you also state in your article**. There is unquestionably too big an area of disagreement here to disregard the views of those who have become converts to Catholicism. Nor can these converts to Catholicism be made to believe as truth "THEN CAME THE THOUSANDS OF THE FIRST MEMBERS OF THE CATHOLIC CHURCH. WHO WERE JEWS", **as you state in your article under discussion here**.

My dear Dr. Goldstein, as a former so-called or self-styled "Jew" for almost half your life, when you became a convert to Catholicism did you do so for the reasons you state in your article "WHY JEWS BECOME CATHOLICS"? That would be difficult for me to believe in **spite** of the further statement you make in your article "IN FACT THERE WOULD NOT HAVE BEEN A CATHOLIC CHURCH WERE IT NOT FOR THE JEWS". That statement appears incredible in view of **incontestable facts**, but these **facts may** not have been available to you when you made it.

[H: I believe the facts are quite obvious, in this instance, wherein you have a man who has risen to **position of influencing the masses of people through a controlled media and he is simply a tool of the Zionist Elite who said: "A FIFTEENTH CENTURY 'PROTOCOL': (No. 4.) As for what you say of their destroying your synagogues: MAKE YOUR SONS CANONS AND CLERICS IN ORDER THAT THEY**

MAY DESTROY THEIR CHURCHES." You who continue to be deceived with the fads before **thine eyes shall reap the like rewards of thine ignorance by remaining in the trap whist the master-deceivers pull you all the way into the PIT!**]

If so-called or self-styled "Jews" believed what you state in your article they would undoubtedly prefer to stay put spiritually in their "JEWISH CHURCH", by which you mean no doubt so-called "Judaism". They would query why Catholics expected them to leave their "JEWISH CHURCH" to enter the Catholic Church (or any other 'church'). It might appear more logical to expect Catholics to return to the original of the Catholic Church, the "JEWISH CHURCH", or so-called "Judaism". On the basis of what you state, that would not be inconsistent.

You take away my breath when you further state,  
" I M W

JUDAISM". That leaves very little for me to say after writing these 62 pages of facts and comments. In a certain sense there is certain sense to what you state if you feel that the existence of so-called "Judaism", in the time of Jesus and since then, created the necessity for the existence of Catholicism. But in no sense can the Catholic Church be adjudicated the projection of "Pharisaism", "Talmudism", or so-called "Judaism".

We should get together in person to go into this matter more fully. I hope you will extend that privilege to me in the not too distant future. In closing this letter I sincerely request that you bear in mind while reading this letter Galatians, 4:16, "Am I therefore become your enemy, because I tell you the truth?" And to this I add, "I hope not". I hope that we shall continue to be the very best of friends. If the Christian faith is to be rescued from its dedicated enemies we must all join hands and form a "human life-line". We must pull together, not in different direction. We must "bury the hatchet" but not in **each** others heads.

Looking forward with pleasant anticipation to the delight of a meeting with you in person whenever you find it convenient and

agreeable for yourself, and awaiting your early **reply** for which I take this opportunity to thank you in advance, and with best wishes for your continued good health and success, please believe me to be,

Most respectfully and very sincerely,  
Benjamin H. Freedman.

[END OF QUOTING]

I believe I will just leave you with this to ponder at this point.

Try on for size, the moccasins that fit. The Christian Church in its lies unto the Native Americans in practice of that Christ projected action in every facet of the lie has driven thousands into confusion and ridicule of that very thing you attempted to bring unto them--or did you? It is fact and TRUTH from onset that your antecedants intended to defraud them and "save them" from that which was balanced and harmonious within the Truth of God and Planet and mold them into your own sickness. You have a long way to go, those of you who CALL yourselves "CHRISTIANS", for it is long since you acted as "CHRISTED" beings. Ponder it for the time of confrontation is upon you and the choosing and sorting is under way--NOW!

In deference to you ones who will pick this material to pieces with toothpicks and magnifying glasses--ah, would that all of you would make such effort to find the proof and confirmation--please realize that we have utilized another's material and I give great honor and would not change it. I will make comments and if a thing be in gross error I will most surely change of it--otherwise, it is given that you might SEE THE TRUTH AS PRESENTED IN YOUR DIMENSION BY YOUR OWN HISTORIANS.

ANOTHER REMINDER OF  
WHO ARE THE ENEMY

*Editor's note: The following writing is a reprint from p. 57 of the 11/29/94 CONTACT. It is a thought-provoking look at the current "Communist" goals as presented to the Congress of the United States in 1963. Read it and weep!*

2/22/94 #2 HATONN

POLITICALLY CORRECT?

I am here accused of being "politically" incorrect in the way I present my speeches to persons with whom I disagree on matters of Truth and spirituality. What in the world do you mean? I am amused that simple language terminology according to dictionary or Biblical definement are not sufficient to keep the law-suits from the door. Does calling a shovel a "spade" or a "scoop implement" or a "digging device" make it more a "shovel"--or less? This is what has happened to all your foundational communications resources. A "thing" in description at one time is not THE description at another time. For instance, when I said that the "swine" who would keep information of Russell from the public, **etc.--it** was immediately assumed and accepted as totally degrading in that I was calling those people, there, pigs. I was referring to the symbolic message of "casting pearls before swine and being trampled beneath the feet of..." Further, without specifics as to identification of "who", it was immediately established by the receivers as to "who" it "must" be. Was it accepted by the "correct individuals"? Possibly, but then, if shoes fit I always suggest they be worn if suitable.

If I were to call someone, say Georgeo Greenspanus, an "...ignorant, stupid substitute for a human who is a bore and an airhead who is a failure, spacey and **dishonest**"--**would** he likely be furious with me? What if I refer to him as a "**Knowledge**-base nonpossessor, cerebrally challenged, **heifem** who is a **cere-**

bro-atmospheric individual who is incompletely successful, somewhat differently focused and ethically disoriented?" What if I refer to a "Black" or "Hispanic" as "melanin saturated" or a "White" as "melanin deficient"? What if I refer to a bald man as "**fallicularly** challenged"? Or, a short man as "vertically challenged"? Or, a fat person as "horizontally challenged"? The facts ARE: it would become amusing, politically correct and no-body would know what in the heck I said. Isn't it true anymore that "Racist" actually means a politically correct way of saying "I disagree with you"? My "thanks" for the explicit definitions used above to Henry Beard and Christopher Cerf who have presented *The Official Correct Dictionary and Handbook* (Villard Books, \$10). A small smattering of the contents have been forwarded to me from Mr. Tips whom I also thank for sharing.

What point could I be making here in the middle of "thought" discussions as associated with reality and illusion and the manifestation of either? Simple--you are trained continually to perceive EXACTLY that which is intended to disorient **you and all your perceptions relative to "what IS"**.

### COMMUNIST GOALS

"Oh", you say, "now we are going to get the anti-Semite poking and the Communist intent to take the nations of the world." Well, GOOD FRIENDS, the Semites are NOT the **Khazarian** so-called Jews and the so-called "Jews" in reference ARE the ones who established and continue the Communist regime so you take your druthers while I offer a thought-provoking (I hope) look at something from your Congressional Record, Thursday, January 10, 1963. I don't believe I need make comment at all for even if you are "**POLITICALLY CORRECT**" you may yet be able to see the intent of the handwriting on the walls of your globe.

## CONGRESSIONAL RECORD 45 COMMUNIST GOALS

### CURRENT COMMUNIST GOALS EXTENSION OF REMARKS OF

HON. A.S. **HERLONG, JR.**  
of Florida

IN THE HOUSE OF REPRESENTATIVES

*Thursday, January 10, 1963*

Mr. **HERLONG**: Mr. Speaker, Mrs. Patricia Nordman of De Land, Fla., is an ardent and articulate opponent of Communism and until recently published the *De Land Courier*, which she dedicated to the purpose of alerting the public to the dangers of Communism in America.

At Mrs. Nordman's request, I include in the RECORD, under unanimous consent, the following "Current Communist Goals", which she identifies as an excerpt from *The Naked Communist*, by Cleon Skousen:

### CURRENT (1963) COMMUNIST GOALS

1. U.S. acceptance of co-existence as the only alternative to atomic war.
2. U.S. willingness to capitulate in preference to engaging in atomic war.
3. Develop the illusion that total disarmament by the United States would be a demonstration of moral strength.
4. Permit free trade between all nations regardless of Communist affiliation and regardless of **whether** or not items could be used for war.
5. Extension of long-term loans to Russian and Soviet satellites.
6. Provide American aid to all nations regardless of Communist domination.
7. Grant recognition of Red China. Admission of Red China to the U.N.

8. Set up East and West Germany as separate states in spite of **Khrushchev's** promise in 1955 to settle the German question by free elections under supervision of the U.N.

9. Prolong the conferences to ban atomic tests because the United States has agreed to suspend tests as long **as** negotiations are in progress.

10. **Allow** all Soviet satellites individual representation in the U.N.

11. Promote the U.N. as the only hope for mankind. If its charter is rewritten, demand that it be set up as a one-world government with its own independent armed forces. (Some Communist leaders believe the world can be taken over as easily by the U.N. as by Moscow. Sometimes these two centers ~~compete~~ compete with each other as they are now doing in the Congo.) **[H: I think most of you can name several places around your globe even more evident as example--TODAY.]**

12. Resist any attempt to outlaw the Communist Party.

13. Do away with all loyalty oaths.

14. Continue giving Russia access to the U.S. Patent Office.

15. Capture one or both of the political parties in the United States.

16. Use technical decisions of the courts to weaken basic American institutions by claiming their activities violate civil rights.

17. Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Soften the curriculum. Get control of teachers' associations. Put the party line in textbooks.

18. Gain control of all student newspapers.

19. Use student riots to foment public protests against programs or organizations which are under Communist attack.

20. Infiltrate the press. Get control of book-review assignments, editorial writing, **policymaking** positions.

21. Gain control of key positions in radio, TV, and motion pictures.

22. Continue discrediting American culture by degrading all forms of artistic expression. An American Communist cell was told to "eliminate all good sculpture from parks and buildings. substitute shapeless, awkward and meaningless forms."

23. Control art critics and directors of art museums. "Our plan is to promote ugliness, repulsive, meaningless art."

24. Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.

25. Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio, and TV.

26. Present homosexuality, degeneracy and promiscuity as "normal, natural, healthy".

27. Infiltrate the churches and replace revealed religion with "social" religion. Discredit the **Bible** and emphasize the need for intellectual maturity which does not need a "religious crutch".

28. Eliminate prayer or any phase of religious expression in the schools on the ground that it violates the principle of "separation of church and state".

29. Discredit the American *Constitution* by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a worldwide basis.

30. Discredit the American Founding Fathers. Present them as selfish aristocrats who had no concern for the "common man".

31. Belittle all forms of American culture and discourage the teaching of American history on the ground that it was only a minor part of the "big picture". Give more emphasis to Russian history since the Communists took over.

32. Support any socialist movement to give centralized control over any part of the culture--education, social agencies, welfare programs, mental health clinics, **etc.**

33. Eliminate all laws or procedures which interfere with the operation of the Communist apparatus.

34. Eliminate the House Committee on Un-American Activities.

35. Discredit and eventually dismantle the FBI.

36. Infiltrate and gain control of more unions.

37. Infiltrate and gain control of big business.

38. Transfer some of the powers of arrest from the police to social agencies. Treat all behavioral problems **as** psychiatric disorders which no one but psychiatrists can understand or treat.

39. Dominate the psychiatric profession and use mental health laws as a means of gaining coercive control over those who oppose Communist goals.

40. Discredit the family as an institution. Encourage promiscuity and easy divorce.

41. Emphasize the need to raise children away from the negative influence of parents. Attribute prejudices, mental blocks and retarding of children to suppressive influence of parents.

42. Create the impression that violence and insurrection are legitimate aspects of the American tradition; that students and special-interest groups should rise up and use united force to solve economic, political or social problems.

43. Overthrow all colonial governments before native populations are ready for self-government.

44. Internationalize the Panama Canal.

45. Repeal the **Connally** reservation so the United States cannot prevent the World Court from seizing jurisdiction over nations and individuals alike.

[END OF QUOTING]

So now let's look at those old Protocols in the "short" form:

[QUOTING:]

### LETTERS AND PROTOCOLS OF ZION ELDERS

From the *Revue des etudes Juives*, published in 1889, is again presented for you who may not have prior writings or a copy of this document:

Dear beloved brethren in Moses, we have received your letter in which you tell us of the anxieties and misfortunes which you are enduring. We are pierced by as great pain to hear it as yourselves.

The advice of the Grand Satraps and Rabbis is the following:

1. As for what you say that the King of France obliges you to become Christians: do it, since you cannot do otherwise, but let the law of Moses be kept in your hearts.

2. As for what you say about the command to despoil you of your goods [the law was that on becoming converted, Jews gave up their possessions]: make your sons merchants, that little by little they may despoil the Christians of theirs.

3. As for what you say about their making attempts on your lives: make your sons doctors and apothecaries, that they may take away Christians' lives.

4. As for what you say of their destroying your synagogues: make your sons canons and clerics in order that they may destroy their churches.

5. As for the many other vexations you complain of: arrange that your sons become advocates and lawyers, and see that they always mix themselves up with the affairs of State, in order that by putting Christians under your yoke you may dominate the world and be avenged on them.

6. Do not swerve from *this* order that we give you, because you will find by experience that, humiliated as you are, you will reach the actuality of power.

Signed **V.S.S.V.F.F.**, Prince of the Jews, 21st Caslue (November), 1489.

In the year 1844, on the eve of the Jewish Revolution of 1848, Benjamin Disraeli, whose real name was "israel", and who was a "damped", or baptised Jew, published his novel, *Coningsby*, in which occurs this ominous passage:

**"The world is governed by very different personages from what is imagined by those who are not behind the scenes."**

And he went on to show that these **personages** were all Jews.

Now that Providence has brought to the light of day these secret Protocols all men may clearly see the hidden personages specified by Disraeli at work "behind the scenes" of all the Governments.. ..

FUNERAL ORATION: RABBI REICHHORN  
RE: GRAND RABBI SIMEON-ben-IHUDA

Prague, 1869

1. *Every hundred years, We, the Sages of Israel*, have been accustomed to meet in Sanhedrin in order to examine our progress towards the domination of the world which Jehovah has promised us, and our conquests over the enemy--Christianity.

2. This year, **united** over the tomb of our reverend **Simeon-ben-Ihuda**, we can state with pride that the past century has brought us very near to our goal, and that this goal will be very soon attained.

3. Gold always has been and always will be the irresistible power. Handled by expert hands it will always be the most useful lever for those who possess it, and the object of envy for those who do not. With gold we can buy the most rebellious consciences, can fix the rate of all values, the current price of all products, can **subsidise** all State loans, and thereafter hold the states at our mercy.

4. Already the principal banks, the exchanges of the entire world, the credits of all the governments, are in our hands.

5. The other great power is **THE PRESS**. By repeating without cessation certain ideas, the Press succeeds in the end in having them accepted as actualities. The Theatre renders us analogous services. Everywhere the Press and the Theatre obey our orders. (There were no "radio" or "TV" at the time.)

6. By the ceaseless praise of **DEMOCRATIC RULE** we shall divide the Christians into political parties; we shall destroy the unity of their nations; we shall sow discord everywhere. Reduced to impotence, they will bow before the **LAW OF OUR BANK**, *always* united, and *always* devoted to our Cause.

7. We shall force the Christians into wars by exploiting their pride and their stupidity. They will massacre each other, and clear the ground for us to put our own people into.

8. The possession of the land has always brought influence and power. In the name of Social Justice and Equality we shall parcel out the great estates; we shall give the fragments to the peasants who covet them with all their powers, and who will soon be in debt to us by the expense of cultivating them. Our capital will make us their masters. We in our turn shall become the great proprietors, and the possession of the land will assure the power to us.

9. Let us try to replace the circulation of gold with paper money; our chest will absorb the gold, and we shall regulate the value of the paper which will make us masters of all the positions.

10. We count among us plenty of orators capable of feigning enthusiasm and of persuading mobs. We shall spread them among the people to announce changes which should secure the happiness of the human race. By gold and by flattery we shall gain the proletariat which will charge itself with annihilating **Christian** capitalism. We shall promise workmen salaries of which they have never dared to dream, but we shall also raise the price of necessities so that *our profits will be greater still*.

11. In this manner we shall prepare Revolutions which *the Christians will make themselves* and of which we shall reap the fruit.

12. By our mockeries and our attacks upon them we shall make their priests ridiculous--then odious, and their religion as ridiculous and as odious as their clergy. Then we shall be masters of their **SOULS**. For our pious attachment to our own religion, to our own worship, will prove the superiority of our religion and the superiority of our souls.

13. We have already established our own men in all important positions. We must endeavor to provide the **Goyim** with

lawyers and doctors; the lawyers are *au courant* with our interests; doctors, once in the house, become confessors and directors of consciences.

14. But above all let us monopolize Education. By this means *we spread ideas that are useful to us*, and shape *ideas that are useful to us*, and shape the children's brains as suits us.

15. If one of our people should unhappily fall into the hands of justice amongst the Christians, we must **rush** to help him; find as many witnesses as he needs to save him from his judges, until we become judges ourselves.

16. The monarchs of the Christian world, swollen with ambition and vanity, surround themselves with luxury and with numerous armies. *We shall furnish them with all the money their folly demands*, and so shall keep them in leash.

17. Let us take care not to hinder the marriage of our men with Christian girls, for through them we shall get our foot into the most closely locked circles. If our daughters marry *GOYIM* they will be no less useful, for *the children of a Jewish mother are ours*. Let us foster the idea of free love, that we may destroy among Christian women attachment to the principles and practices of their religion.

18. For ages past the sons of Israel, despised and persecuted, have been working to open up a path to power. They are hitting the mark. *They control the economic life of the accursed Christians*; their influence preponderates over politics and over manners.

19. At the wished for hour, fixed in advance, *we shall let loose the Revolution*, which by ruining all classes of Christianity will *definitely enslave the Christians to US*. Thus will be accomplished the promise of God made to His People.

[END OF QUOTING]

I believe you are quite capable of evaluating "where you are" from measurement against the foregoing. You've come a long way, Baby!

Now how does this come into your daily lives in such a way as to be able to discern and judge circumstances? For one thing you can get the information we have offered and STUDY it. Or, you can continue to wade through bits and pieces as presented hither and yon and hopefully get enough to have a "picture" of that which is coming and has already come upon you.

HAROLD WALLACE ROSENTHAL  
EYE-OPENING INTERVIEW, 1978

Sen. Jacob Javits' Aide

*Editor's note: The following is reprinted, most recently from p. 2 of the 9/10/96 CONTACT.*

9/4/96 #1 HATONN

AS WE NOW RE-PRESENT THE ROSENTHAL INTERVIEW PLEASE **READ IT, SEE IT, HEAR IT AND THEN PERHAPS YOU WILL SEE WHAT HAS TAKEN PLACE AS THE U.S. BECOMES THE EVIL BLACK-SHEEP OF THE PLANET.**

[QUOTING:]

THE HIDDEN TYRANNY

(Harold Wallace Rosenthal interview, 1978)

THE ISSUE THAT DWARES  
ALL OTHER ISSUES

(This is the most sensational manuscript of its kind.)

by Walter White

In a highly confidential interview with a Jewish administrative assistant to one of this nation's ranking senators, he said, "It is a marvel that the American people do not rise up and drive every Jew out of this country."

The Jew, Mr. Harold Wallace Rosenthal, made this statement after admitting Jewish dominance in **all significant national programs.** He said, "*We Jews continue to be amazed with the*

*ease by which Christian Americans have fallen into our hands. While the naive Americans wait for Khrushchev to bury them, we have taught them to submit to our every demand."*

Asked how a nation could be captured without their knowing it, Mr. Rosenthal attributed this victory to **absolute control of the medii. He boasted of Jewish control of ALL NEWS.** Any newspaper which refused to acquiesce to controlled news was brought to its knees by withdrawing advertising. Failing in this, the Jews stop the supply of news print and ink. "It's a very simple matter," he stated.

[H: Hey, wait a minute—we are copying **this** verbatim so don't go off on the "same old kick" attack—**YOU had better begin to pay attention!** This interview in point was done in the late **1970s—today you are on the fourth day of September, 1996!** What has changed, except the ~~noose~~ **HAS NOW STRANGLING YOU, THE WORLD.]**

Asked about men in high political office, Mr. Rosenthal said that no one in the last three decades has achieved any political power without Jewish approval. "Americans have not had a presidential **choice since 1932. Roosevelt** was our man; every president since Roosevelt has been **our man.**"

In a discussion about George Wallace, Mr. Rosenthal smiled and suggested that we note where Wallace stands today.

When the U.S. foreign policy was mentioned, the bedroom confidence of the interview was all but set aside. With disdain and mockery he sneered at the American stupidity in failing to **see through the entire scope of Kissinger's foreign policy.** "*It is Zionist-Communist policy from beginning to end. Yet the citizens think this Jewish policy will benefit America.*" He cited "detente" and Angola as examples of Jewish diplomacy. The credulous nature of Americans drew only contempt from him.

The interview continued on an almost **omniscient** plane. "We Jews have put issue upon issue to the American people. Then

we promote both sides of the issue as confusion reigns. With their eyes fixed on the issues, they fail to see who is behind every scene. We Jews toy with the American public as a cat toys with a mouse."

As the conversation went on into the late hours, one could sense that perhaps America deserves the reign of terror being **planned** for her. The Jewish mind pits every ethnic group against the other. "The blood of the masses will flow as we wait for our day of world victory," Mr. Rosenthal said coldly.

For hours after this incredible discussion, a sense of inadequacy prevailed. Is it possible that another group of "human beings" could be so treacherous in spirit, so evil in intent? Yet, the words heard and the evidence at hand are real. Is it possible that the American people can remain docile, even while their life's blood is being drained from them? It seems so.

### WHAT DOES ALL THIS SAY TO US?

Since what you have just read plus the lengthy interview that followed, Mr. Harold Wallace Rosenthal, age 29, the administrative assistant to Senator Jacob K. Javits of New York was killed in an alleged sky-jacking attempt on an Israeli airliner in Istanbul, Turkey, August 12, 1976.

[H: Oh yes, and by the way: **THE MODE OF OPERATION OF THESE ISRAELI COUNTERFEITS IS TO PERPETRATE ATROCITIES WHILE SETTING-UP THE BLAME ON THEIR ENEMIES, THE CHRISTIANS AND ARABS! IT ALWAYS HAPPENS FOR THERE IS NO CONSIDERATION FOR THEIR OWN KIND-ONLY WORLD DOMINATION. THIS TYPE OF SELF-AFFLICTION IS FOUND IN EVERY KNOWN INCIDENT FOR THE PAST MANY CENTURIES, THESE ARE NOT "JEWISH"-LINEAGED PEOPLE--THESE ARE EVIL SERVANTS IN FULL BLOOM. YOU ARE THE FOOLED AND THE FOOLS!**]

It would appear that Mr. Rosenthal might have "talked too freely" because although four people were killed and some 30 injured during the sky-jacking attempt, Rosenthal was not killed by a random bullet as were the others. From reports secured at the time, it seems amazing and strange that of all the people involved in this incident Mr. Rosenthal should have been fatally wounded. Meanwhile, I, Walter White, who conducted this confidential interview, can now state after much investigation, expense and travel, that Harold Rosenthal was undoubtedly murdered at the Istanbul Airport, in what was to APPEAR as a hijacking--probably by his own people.

We had no desire to hurt anyone and especially members of the Rosenthal family who had suffered enough in this tragedy. We corresponded with his mother and father in Philadelphia and his brother Mark David Rosenthal who is attending college in Northern California. In fact, it was he who advised me that Harold's friends in Washington had set up a memorial fund in Harold W. Rosenthal's name. He sent us a copy of "The Harold W. Rosenthal Fellowship in International Relations" American Jewish Committee, Washington Chapter, 818 - 18th Street, N. W. Washington, D.C. 20006. It lists some of the "who's-who" and the honorary Co-Chairmen are Vice President Walter F. Mondale and Senator Jacob K. Javits. [H: Anybody else sick yet? Do you not see how **"they"** work in the aftermath of their OWN atrocities from airliner crashes to wipe-out of fellow politicians and co-workers? They murder and then eulogize, build foundations, **etc.**, and weep crocks of BS. tears whiie **they** wear their beanie bonnets and run for re-election. Well, perhaps **Clinton** has no OTHER CHOICES??? But what of Dole, **etc?** The facts are the OTHERS are caught in just about as big a black-mail disadvantage. You have become deathly sick citizens of a desperately sick world and most of you don't even know you are terminally ill.]

Out of respect, we decided to wait until a year had passed since the death of Harold Wallace Rosenthal so we delayed publishing everything he gave us on that memorable day and evening. And as stated before, the interview was **lengthy--as** he

seemed to enjoy pouring out this information--and at times it was broken--and went on into the evening.

This writer and editor is not easily shocked but as this egotist Harold W. Rosenthal raved on and on I found so much of what he said actually horrifying--the actual betrayal of which he admittedly was a part--and he appeared to gloat over the apparent success of a Jewish World Conspiracy. This, mind you, comes from an "administrative assistant" to one of our ranking Senators, Jacob K. Javits of New York.

What you are about to read should act as a WARNING to all non-Jews throughout the world. It hopefully should open the eyes of many who knew him in Washington government circles.

It becomes indeed obvious that what he discloses is not fiction. It is not imagination! He was not pretending--as he spoke with knowledge and intelligence. Many things have been said and written about the one World Jewish Conspiracy but never has it been described so openly. It staggers the imagination. Their plans are shocking and many will be astonished at the contents of this document. NOTHING like it has ever been told before.

We prefer not to elaborate. You be the judge.

Looking back to the time of this interview and having had time to analyze Harold Rosenthal's candidness, we are compelled to think of him as a conceited, boastful yet very knowledgeable person. I would classify him as an egotist and an egoist. At times his cruelty surfaced with a venom, especially as he describes the stupid Christians or "goys" as he so often referred to "us". This surprised me because the word "goy" is not in our language and he must have known this. His mind was thoroughly immersed in the one-world plan of world Jewry. With arrogance, he boasted that the Jew's conquest of the world was almost complete--thanks to Christians' stupidity.

When asked if he was a Zionist, Mr. R. replied:

"That's a hell of a question! At the foundation of the issue is the traditional Zionist concept of aliyah, a Hebrew term meaning the 'in gathering' or return of Diaspora (dispersed Jews) Jews to the Palestine homeland. Ever since 1948 and the creation of the State of Israel, aliyah has become a basic imperative of Israeli government policy."

What is aliyah? Will you please spell it for me? He did so and we inquired as to the realistic meaning of aliyah. Mr. R. said:

"It is a permanent physical migration to Palestine, not just a visit."

We asked, what is Zionism? I've heard Jews define it as anything from permanent migration to financial and spiritual support of Israel from around the world. Mr. R. replied:

"Our first leader, former Prime Minister David Ben-Gurion, said that Zionism without a 'return to Zion' is phony. Not many American Jews migrate permanently to Israel. Some say that all Jews, by definition, are Zionists. Others say that a Jew is not a Zionist unless he's a member who pays dues to an actively Zionist organization. Definitions have been tossed everywhere since the Jewish homeland became a reality."

Millions of tax-exempt American dollars are sent to Israel yearly and we true Americans do not like this. Mr. R. replied:

"The naive politicians in Washington are gullible. Most of them are not too bright so the powerful Jewish lobbyists influenced this practice years ago and there is no one strong enough to stop it. Some of that money is even returned to the United States and spent on Zionist propaganda efforts, much of it through the B'nai B'rith and the Conference of Jewish Organizations and the World Jewish Congress. The Jewish Agency is a funding arm--a sort of body of B'nai B'rith officials. There is nothing wrong with sending American dollars to Israel tax-free so long as we are smart enough to get away with it. Let's reverse this conversation for a minute. You made it clear and

quite vociferously, that you don't like Jews. Why do you hate us?"

Mr. Rosenthal, I do not hate anybody. I said I hate what the Jews are doing to us and especially as it relates to any and everything related to Christianity. I hate their deceit, trickery, cunning, and their detestable dishonesty. Does that make me **anti-semitic**? If it does then I am anti-semitic!!

"Anti-Semitism does not signify opposition to Semitism. There is no such thing. It is an expression **we** Jews **use effectively as a smearword--used to brand as a bigot like you guys--**anyone who brings criticism against Jews. We use it against hate-mongers."

[H: It is certainly interesting to note that "out of the blue" Mr. Steven Horn against the **Ekkers** asked Doris "are you anti-Semitic?" Do you still think it is somehow just a battle of a "no-sale" item? He, further, presents writings such as **THIS ONE** as her opinion on **Semitism--to the courts as if somehow being a writer makes her blind.** People of the world--you are **in** serious, serious trouble.]

It was made clear that I despised the Jews' corruptive influence on our Christian culture--and on our properly **Christ-oriented** American way of life, to which Mr. R. said:

"During Christ's time, the Jews were seeking a material and earthly kingdom but Christ offered the Jews a spiritual kingdom. This, they couldn't buy, so they rejected Jesus Christ and had him crucified."

What do you mean--had him crucified? Doesn't history prove that the Jews crucified Jesus Christ? To which he answered:

"Yes, I guess they did. I don't beat around the bush--but 2,000 years ago your people would have done the same thing to a man who mistreated them as Christ did the Jews."

You speak of Jesus Christ as merely a **man**.

"That's all he was--a man who walked on the Earth like any other man and this myth about Christ rising from the dead and returning to Earth to visit with his disciples is a bunch of **crap**. The Jews who drove the Arabs out of Palestine did so to disprove Christ's mission for a spiritual kingdom. You see, instead of a leader who would make an empire for the Jews, your kind of people gave the Jews a peaceful preacher called Christ who instead of an **eye-for-an-eye** turns the other cheek. Rubbish! We are building and, in fact, **have built an earthly empire without your kind and your disappointing Messiah.**"

I can see that it is you and your kind who try to get Christ **out of Christmas**. I feel sorry for you... to which he quickly replied:

"Don't give me that shit. I don't want your pity. I don't need it! Too many Jews do not have the guts to tell you how we live and plan, but I am not intimidated by anyone or anything. I know where I'm going."

When asked why do Jews frequently change their names he said:

"Jews are the most intelligent people in the world so if it benefits them to change their names they do so. That's all there is to it. They mix in your society which is plenty **corrupt--SO** while the Jews are benefiting themselves the dumb goy doesn't realize that these Jews with non-Jew names are non Jews. I know what you're thinking--about Jews in the government who use non-Jew names. Well, don't be concerned because in the foreseeable future **there will be no Presidential power in the United States. The invisible government is taking strength in that direction.**"

To your knowledge, are the Jews in Russia really persecuted or are they given any kind of freedom? To which he said:

"Most Jews throughout the world--I'd say more than 90%, know what is really happening to our people. We have communication **unequaled anywhere**. It is only the jerks, the ignorant and misinformed and degenerates who can find peace in your society--and you bastards hide your sins by donning sheep's clothing. You are the hypocrites--not the Jews, as you say and write about. To answer your question--in Russia, there are two distinct governments--one visible and the other invisible. The visible is made UP of different nationalities, whereas the invisible is composed of **ALL JEWS**. **THE POWERFUL SOVIET SECRET POLICE TAKES ITS ORDERS FROM THE INVISIBLE GOVERNMENT**. There are about six-to-seven-million Communists in Soviet Russia, 50% are Jews and about 50% gentile--but the gentiles are not trusted. The Communist Jews are united and trust each other, while the others spy on one another. About every five or six years the secret Jewish Board calls for the purge of the Party and many are liquidated.

When asked "why"? he said:

*"Because they begin to understand too much the Jewish secret government. Russian Communists have a Secret Group Order which consists of Jews only. They rule over everything pertaining to the visible government. It **was** this **powerful** organization that was responsible for the secret removal of the center of Communism to Tel Aviv from where **all** instructions now originate."*

Does our government and the United Nations have knowledge of this? He replied:

*"The United Nations is **nothing but a trap-door to the Red World's immense concentration camp**. We pretty much control the U.N."*

When asked why the Communists destroy the middle class or educated and their entire families when they invade a country Mr. R. replied:

*"It is an established rule to destroy all members of pre-existing government, their families **and relatives**, but never Jews. **They destroy all members of the police, state police, army officers and their families** but never Jews. You see, we know when a government begins to **search** for the Communists within its borders--they are **really attempting** to uncover Jews in their area. We're not fooled! The invisible rulers in the Communist countries have a world **control** over the **propaganda** and the governments in free countries. We control every media of expression including newspapers, magazines, radio and television. **EVEN YOUR MUSIC!** We censor the songs released for **publication** long before they reach the publishers. **Before long** we will have **COMPLETE CONTROL OF YOUR THINKING.**"*

The way you boast, if this is true, it is frightening to think about our future, and that of Christianity, to which Mr. R. said:

*"THERE WILL BE A FORCED CLASS WARFARE HERE IN THE UNITED STATES AND MANY WILL BE **LIQUIDATED**. YOU WILL UNQUESTIONABLY BE AMONG THEM. THE JEWS WILL NOT BE **HARMED**. I'M NOT BOASTING! I'M **GIVING** YOU THE FACTS! AND IT IS TOO LATE FOR YOUR CHRISTIAN FOLLOWERS TO PUT UP A DEFENSE. THAT **TIME** IS W N G PAST. LONG, LONG A W WE HAD TO BECOME THE AGGRESSORS!! THAT IS UNDOUBTEDLY ONE OF OUR GREAT PURPOSES IN **LIFE**. WE **ARE** THE AGGRESSORS!! BECAUSE YOU STOLE YOUR PRETENDED **RELIGIOUS BELIEFS** FROM OUR **TALMUD**."*

After reminding him that we thought he was intelligent but now realize that he doesn't know what he was talking about he replied:

"Judaism is the unequaled culture, with nothing, nothing anywhere in the world to compare with it. Your so-called Christianity is an out-growth of Judaism. The cultural and intellectual influence of Judaism is felt throughout the entire **world--**yes, throughout civilization."

Asked whether he thought we faced a problem eventually with the Blacks because of their startling population increase he said that the Blacks are helping to serve "our purpose" which might mean several things.

We discussed the Black "invasion" of city, county and state jobs and their prominence now in television. Also how ridiculous it is for the Blacks to become converted to Jews--like Sammy Davis for instance. Mr. R. replied:

"That doesn't mean anything. We know that a Black cannot become a Jew and that Sammy Davis is still Black. It may have been to his advantage to become converted. In reality he still remains a *nigger* and not a Jew."

I told him of my **in-depth** study of the Jews and that there were few who have done more research on world Jewry than have I, and about my unpleasant discoveries, reminding Mr. R. that there is no morality among the Jews, it would seem. He replied:

**"MONEY IS MORE IMPORTANT THAN MORALITY. WE CAN ACCOMPLISH ANYTHING WITH MONEY. OUR PEOPLE ARE PROVING THAT IN ISRAEL WHERE ITS STRENGTH AGAINST ATTACK IS ITS PERMANENT STATE OF WAR READINESS. ISRAEL CAN NOW WIN IN ANY ENCOUNTER. THE KIBBUTZ-RAISED INTELLECTUAL ELEMENTS ARE WING TO BUILD THAT SMALL COUNTRY INTO A MID-EAST WONDERLAND. IT WILL ALSO EVENTUALLY BE THE BASE FOR WORLD GOVERNMENT HEADQUARTERS."**

We discussed the tragedy of Watergate and corruption at all levels of government and suggested that government representatives practice more openness and candor in dealing with the people. Mr. R. said:

"What good would it do? What the hell does the public know about the running of government? The great majority are asses--horses' asses!!!"

May we quote you on that?

"I don't care what you do, as I said, few have the **guts** to speak out. We would all have better understanding between each other--dews and gentiles, if we spoke out more openly. Your people don't have **guts**. We establish your thinking, we even place within you a 'guilt complex' making you afraid to criticize Jewry, openly."

In the quietness of this enlightening conversation it became clear that the understanding poured forth did not come from a novice. Mr. Rosenthal was asked how Jews gain acceptance so easily among other races. His answer was long and thorough.

"At a very early date, urged on by the desire to make our way in the world, Jews began to look for a means whereby we might distract all attention from the racial aspect. What could be more effective, and at the same time more above suspicion, than to borrow and utilize the idea of a religious community? We've been forced to borrow this idea from the Aryans. We Jews never possessed any religious institution which developed out of our own consciousness, for we lack any kind of idealism. This means that a belief in life beyond this terrestrial existence is foreign to us. **As** a matter of fact, the *Talmud* does not lay down principles with which to prepare the individual for a life to come, but furnishes only rules for a sumptuous life in this world. It is a collection of instructions for maintaining the Jewish race and regulating intercourses between us and the goy. Our teachings are not concerned with moral problems, but rather with how to 'get'.

"In regard to the moral value of the Jews' religious teaching, there exist quite exhaustive studies which show the kind of religion that we have in a light that makes it look uncanny to the Aryan mind. We are the best example of the kind of product which religious training evolves. Our life is of this world only and our mentality is as foreign to the **true** spirit of Christianity as our character was to the Founder of this new creed 2,000 years ago. The Founder of Christianity made no secret of his estimation of the Jews and **the fact that he was not one of us.**

When he found it necessary he drove us out of the temple of God, because then, as always, we used religion as a means of advancing our commercial interest.

"But at that time, we managed to nail Jesus to the cross for his attitude towards us; whereas, the modern Christians enter into party politics and in order to win elections, they debase themselves by begging for Jewish votes. They even enter into political intrigues with us against the interests of their own nation.

"We can live among other nations and states only as long as we succeed in persuading them that the Jews are not a distinct people, but are the representatives of a religious faith who, therefore, constitute a 'religious community', though this be of a peculiar character. **As** a matter of fact, this is the greatest of our falsehoods.

"We are obliged to conceal our own particular character and mode of life so that we will be allowed to continue our existence as a parasite among the nations. Our success in this line has gone so far that many believe that the Jews among them are genuine Frenchmen, or Englishmen, or Italians, or Germans who just happen to belong to a religious denomination which is different from that prevailing in these countries. Especially in circles concerned with government, where the officials have only a minimum of historical sense, we are able to impose our infamous deception with comparative ease. Therefore, there is never the slightest suspicion that we Jews form a distinct nation and are not merely the adherents of a 'confession'. Though one glance at the press which we control, ought to furnish sufficient evidence to the contrary, even for those who possess only the smallest degree of intelligence."

When questioned about the ways in which the Jews have gained power, Mr. Rosenthal said:

**"OUR POWER HAS BEEN CREATED THROUGH THE MANIPULATION OF THE NATIONAL MONETARY SYSTEM.** We authored the quotation 'Money is power'. As re-

vealed in our master plan, it was essential for us to **establish a private national bank. THE FEDERAL RESERVE SYSTEM fitted our plan nicely since it IS OWNED BY US, but the name implies that it is a government institution. From the very outset, our purpose was to confiscate all the gold and silver, replacing them with worthless non-redeemable notes. This we have done!"**

Asked about the term "non-redeemable notes", Mr. Rosenthal replied:

"Prior to 1968, **[H: Check that date of 1968 because this is the exact time "period" of establishment of such as Peruvian certificates concerning GOLD--i.e., the "Bonus Contract". It was all set up and authorized by these SAME people--check out the names in New York at the time and JUST WHO DID THE TRANSACTIONS!]** the gullible goy could take a one dollar Federal Reserve note into any bank in America and redeem it for a dollar which was by law a coin containing 412-1/2 grains of 90 percent silver. Up until 1933, one could have redeemed the same note for a coin of .25-4/5ths grains of 90 percent gold. However, since 1968 the dollar Federal Reserve note is not redeemable. All we do is give the goy more non-redeemable notes, or else copper slugs. But we never give them their gold and silver. Only more paper," he said contemptuously. "We Jews have prospered through the paper gimmick. It's our method through which we take money and give only paper in return." **[H: And upon which interest is demanded for the worthless non-redeemable PAPER trash.]**

Can you give me an example of this, we asked?

"The examples are numerous, but a few readily apparent are the stocks and bonds market, all forms of insurance and the **fractional reserve system practiced by the Federal Reserve corporation, not to mention the billions in gold and silver that we have gained in exchange for paper notes, stupidly called 'money'. Money power was essential in carrying out our master plan of international conquest through propaganda."**

Asked how they proposed doing this, he said: "At first, by controlling the banking system we were able to control corporation capital. Through this, we acquired total monopoly of the movie industry, the radio networks and the newly developing television media. The printing industry, newspapers, periodicals and technical journals had **already fallen into our hands.** *The richest plum was later to come when we took over the publication of ALL SCHOOL MATERIALS.* Through these vehicles we could mold public opinion to suit our own purposes. The people are only stupid *pigs that grunt and squeal the chants we give them,* whether they be truth or lies."

Asked if the Jews felt any threat from the "silent majority", he laughed at the idea, saying: "There is no such thing as the "silent majority" because we control their cry and hue. The only thing that exists is an unthinking majority and unthinking they will remain, as long as their escape from our rigorous service is the opiate of our entertainment industry. By controlling industry, we have become the task masters and the people the slaves. When the pressure of daily toil builds to an explosive degree, we have provided the safety valve of momentary pleasure. The television and movie industries furnish the necessary temporary distraction. These programs are carefully designed to appeal to the sensuous emotions, never to the logical thinking mind. Because of this, the people are programmed to respond according to our dictates, not according to reason. Silent they never are; unthinking they will remain." [H: Any arguments so far?]

Continuing his thought of Jewish control over the goy, Mr. R. said: "We have castrated society through fear and intimidation. Its **manhood exists only in combination with a feminine outward appearance.** Being so neutered, the populace has become docile and easily ruled. As all geldings in nature, their thoughts are not involved with the concerns of the future and their posterity, but only with the present toil and the next meal."

It was obvious that the excitement of Mr. Rosenthal was triggered when mention was made of the nation's industry. "We have been successful in dividing society against itself by pitting

labor against management. This perhaps has been one of our greatest feats, since in reality it is a triangle, though only two points ever seem to occur. In modern industry there exists capital, which force we represent, at the apex. Both management and labor are on the base of this triangle. They continually stand opposed to each other and their attention is never directed to the head of their problem. Management is forced to raise prices since we are ever increasing the cost of capital. Labor must have increasing wages and management must have higher prices, thus creating the vicious cycle. **We are never called to task for our role which is the real reason for inflation,** since the conflict between management and labor is so severe that neither has time to observe our activities. It is our increase in the cost of capital that causes the inflation cycle. We do not labor OR manage, and **yet we receive the profits. Through our money manipulation, the capital that we supply industry costs us nothing. Through our national bank, the Federal Reserve, ye extend book credit, which we create from nothing, to all local banks who are member banks. They in turn extend book credit to industry. Thus, we do more than God, for all of our wealth is created from nothing.** You look shocked! Don't be! It's true, we actually do more than God. With this supposed capital we bring industry, management and labor into our debt, which debt only increases and is never liquidated. Through this continual increase, we are able to pit management against labor so they will never unite and attack us and usher in a debt-free industrial utopia.

"We are the necessary element since we expend nothing. Management can create its own capital and keep the cream--the profits. Its business would grow and profits increase. Labor would prosper as well, while the price of the product would remain constant, the prosperity of industry, labor and management would continually increase. We Jews glory in the fact that **the stupid goy have never realized that we are the parasites** consuming an increasing portion of production while the producers are continually receiving less and less."

**As** the hours rolled on in this intense, but cordial, interview, Mr. R. exposed his thoughts concerning religion:

**[H: I SUGGEST YOU READ THE NEXT, CITIZENS, AND WEEP! WEEP FOR YOUR SOULS, YOUR PEOPLE, AND YOUR WORLD.]**

"Religion, too, must be taught, and through this necessity we have labored. With our control of the text book industry and the news media, we have been able to hold ourselves up as the authorities on religion. Many of our rabbis now hold professorships in supposed Christian theological seminaries. We are amazed by the Christians' stupidity in receiving our teachings and propagating them as their own. Judaism is not only the teaching of the synagogue, but also the doctrine of every **"Christian Church" in America.** Through our propaganda the Church has become our most **avid supporter.** This has even given us a **special place in society, their believing the lie that we are the "chosen people" and they, gentiles.**

"These deluded children of the Church defend us to the point of destroying their own culture. This truth is evident even to the dullard when one views history and sees that all wars have been White fighting White in order that we maintain our control. We controlled England during the Revolutionary War, the North during the Civil War and England and America during World Wars I and II. Through our influence of religion we were able to involve the ignorant White Christians in wars against themselves which always impoverished both sides while we reaped a financial and political harvest. Anytime truth comes **forth which** exposes us, we simply rally our forces--the ignorant Christians. They attack the crusaders even if they are members of their own families.

"Through religion we have gained complete control of society, government and economics. No law is ever passed except its merits have previously been taught from the pulpits. An example of this is race equality which led to integration and ultimately to **mongrelization.** The gullible clergy in one breath instruct their parishioners that we are a special, chosen people while in another breath proclaim all races are the same. Their inconsistency is never discovered. So we Jews enjoy a special place in society while all other races are reduced to common

equality. It is for this reason that we authored the **equality hoax,** thereby reducing all to a **lower level.**

"We have been taught that our current economic practices are benevolent, therefore Christian. These pulpit parrots extol our goodness for loaning them the money to build their temples, never realizing that their own holy Book condemns all **USURY.** They are eager to pay our exorbitant interest rates. They have led society into our control through the same practice. Politically, they hail the blessings of democracy and never understand that through democracy we have gained control of their nation. Their book again teaches a benevolent and despotic form of government in accordance with the laws of that book, while a **democracy is but mob rule** which we **control** through their Churches, our news media and economic institutions. Their religion is only another channel through which we can direct the power of our propaganda. These religious puppets' stupidity is only exceeded by their cowardice, for they are ruled easily."

Rarely does any man confess the intimacy of his soul as did Mr. Rosenthal. **Hindsight suggest that there was a greater force compelling this man to reveal what has been written here.** The remainder of the interview seems to confirm this.

"Since we do not believe in a life after death, all our efforts are directed to the 'now'. We are not as foolish as you and will never adopt an ideology that is rooted in self-sacrifice. Whereas you will live and die for the benefit of the community, we will live and die **only for our own individual self. The idea of self-sacrifice is abhorred by Jews. It is abhorrent to me. No cause is worth dying for since death is the end. The only time we unite is to preserve our individual selves. As a group of wolves unite to attack a prey, but then disperse after each is filled, so we Jews unite when peril is pending, not to preserve our community but to save our own skin.**

"This attitude permeates our entire being and philosophy. We are not the creators for to create would only benefit another. We are **the 'acquirers' and are interested only in satisfying the 'self'.** To understand our philosophy would be to **under-**

stand the term 'to get'. We never give but only TAKE. We never labor but enjoy the fruits of others' labor. We do not physically live within any society, but always remain spiritually apart. To work would be to produce and the highest form of that labor would be to create. Your race has always worked for the satisfaction of what it produces. We would never work for **anyones'** benefit, only for what we can get. We have used this Aryan attitude to achieve our greatest prosperity. You will work for the enjoyment you derive out of producing, while never being concerned about the pay. **We take your productivity** for a paltry fee and turn it into fortunes.

"Until recently, the pride of workmanship exceeded the quest for high incomes. However, we have been able to enslave society to our own power which is money, by causing them to seek after it. We have converted the people to our philosophy of getting and acquiring so that they will never be satisfied. A dissatisfied people are the pawns in our game of world conquest. Thus, they are always seeking and never able to find satisfaction. The very moment they seek happiness outside themselves, they become our willing servants.

"Your people never realize that we offer them only worthless baubles that can not bring fulfillment. **They** procure one and consume it and are not filled. We present another. We have provided an infinite number of outward distractions, to the extent that life can not again turn inward to find its definite fulfillment. You have become addicted to our medicine through which we have become your absolute masters.

"On the **first and fundamental lie**, the purpose of which is to make people believe that we are not a nation but a religion, **other lies are subsequently based**. Our greatest fear is that this falsehood will be discovered, for **we will be stamped out the moment the general public comes into possession of the truth AND ACTS W O N IT**. It is becoming apparent that an awakening is occurring even here in America. We had hoped that through our devastation of Christian Germany that any subject dealing with us would be a fearful TABOO. However, there seems to be a resurgence here in the one na-

tion that we so strongly control. We are presently making plans for a rapid exodus. We know that when the **LIGHT BEGINS TO DAWN**, there will be no stopping it. All efforts **on our part will** only intensify that light and draw focus upon it.

*The Germans are paying millions of dollars for the base in Alamogordo that has WWII roots.*

WORLD WAR II vets are up in arms — the Germans are opening the first foreign military base on American soil, in Alamogordo, N.M.

It's called the German Air Force Tactical Training Center — and is just a stone's throw from where a German POW camp sat 50 years ago!

"This is a great day for the Luftwaffe, for Alamogordo and for our two countries," says Germany's defense minister, Volker Ruhe.

Not everyone agrees.

"Until Wednesday, May 1, 1996, there was no foreign military base on

**Be as nice as you can to everyone and take their money.**

— Monopoly clamp ROGER CRAIG

## It's the first foreign military base on U.S. soil since 1814!

our shores — not since the British were ejected in 1814!" writes James "Bo" Gritz, a retired Green Beret colonel in his newsletter Center For Action.

The base is actually being leased from the U.S. government. For \$22 million a year, the Germans get a corner of Holloman Air Force Base to train their pilots.

After spending another \$42 million for hangars and jet repair shops, they moved in 12 Tornado jets, 300 German air force personnel and 340 fam-

ily members. In five years, they plan to invest \$125 million so they can base 50 jets and 2,100 personnel and dependents there.

They're prepared to pay big bucks for a facility in the American Southwest because the desert has the best training conditions in the world.

Sunny skies mean they can fly year 'round, and there's plenty of flat, unpopulated land for jet pilots to practice 500-mph bombing runs at 100 feet off the ground.

That means the Luftwaffe's standard two-year training course can be whittled down by six months.

But opponents of the base are fiercely opposed to helping our former enemy.

Says Gritz: "Hitler would be so proud!"

"We fear that light is coming forth in movements across this land, especially yours. It has amazed us how you have been successful in reaching the people after we closed every door of communication. This, we fear, is a sign of coming pogrom [Webster's Dictionary: to slaughter or *kill*] that will take place in America soon. **The American public has realized that we are in control, which is a fatal mistake on our part. THIS NATION COULD NEVER BE THE LAND OF THE FREE AS LONG AS IT IS THE LAND OF THE JEW.** This is THE REVELATION that will be our undoing.

"The American people have been easily ruled through our propaganda that the pen is mightier than the sword. We virtually get away with murder and all the goy do is to talk about it, which is ineffective since we, the masters of propaganda, always publish a contradicting account. If the Aryan would review history and apply those lessons of the past, then the pen will be thrown down in disgust and the sword wielded in the heat of passion. Thus far, we have escaped the sword, when the only reprisal is some periodical of no repute, or some pamphlet with limited circulation. Their pen is no match for ours, but our constant fear is that they may open their eyes and learn that no change was ever brought about with a pen. **History has been written in blood, not with ink.** No letter, editorial or book has ever rallied the people or stopped tyranny. We understand this principle and are continually propagandizing the people to write letters to the President, to Congress and to their local media. We are safe to continually exploit, intimidate and disenfranchise the White American as long as they are preoccupied with the illusion of educating the masses through printed material. *Woe be unto us if they ever see the futility of it, lay down the pen and employ the sword.*

"History confirms the fact that the passions of an aroused minority, no matter how small a group, have exerted enough power to topple the greatest empire. The movements that control destiny are not those that rest on the inactive majority; but on the sheer force of an active minority. Will is Power, not numbers, for a strong Will will always rule the masses.

"Again, we are safe as long as our Will is stronger, or the Will of the people is misdirected, scattered and without leadership. We will never be deposed with words, only force!"

The *wisdom* of Mr. Harold Wallace Rosenthal has been set forth.

[END OF QUOTING]

I would note here the author's comments in excerpting a few paragraphs from his writings on this subject:

"Mr. Rosenthal, a former influential Jew in his own right, prided himself in being a vital part of **the admitted control of the medii, of their invisible government, no political power is without Jewish approval, the American people have no guts and they sneer at the stupidity, the Jews' power through their money and the money power affording them a 'master plan' for international conquest through propaganda.** Let us remember Rosenthal's remarks about an **'unthinking majority'**, the Jews' treachery of **pitting labor against management** and **that Christ was just another man walking on Earth. That they are admitted parasites** who have gained control of our society, government and economics through their religion, also **the 'chosen people' myth exploded** and **the confessed 'big lie'** that the Jews are a religion and not a nation. And we must not forget what Mr. R. said about their fear of being **discovered FOR WHAT THEY ARE.**"

So, do you **STILL** want to dabble around the point of such as the new Gulf debacle? **ARE YOU TOTALLY BLIND?**

Is it too late to change? That depends on **YOU** and how and what you want to change. Most seem happy enough being in the grandstand whooping on the players and getting your children **KILLED** in some foreign intrigue over an oil **PIPELINE** owned by some criminal Elite. You are already enslaved--**BUT, YOUR CONSTITUTION HAS ONLY BEEN DUMPED--NOT DESTROYED.** What do you **WANT TO DO?** It doesn't show in the "polls".

## IS THIS TRUE, THIS INTERVIEW?

Indeed it is true. Not only was Rosenthal murdered to silence him but he gave this same speech dozens of times so that his egotistical **blatherings** could not be missed. Yes, he was murdered and so, too, were those who had the information from original notes with witnesses and tapes to back up the verbatim discussions. The man was only spouting off the **Protocols of Zion**, no more or less. It **IS** the **PLAN 2000** and so take note--there are only some 3-1/2 years to **"getcha"**. Since they have already **"GOTCHA"**, they are just playing out the organization plans.

And, **NO**, it is not my purpose, duty or intent to change anything in your world--save perhaps **YOUR MIND**. I can't even do that--all I can do is offer you factual truth and you will do whatever you shall, with it.

Before closing, however, I am going to offer a letter written by a man called James Zakoib that I find more than worthy of **sizing up**, very, very well:

[**Received** on or about August 25, 1996]

[QUOTING:]

## NEW WORLD ORDER TOWER OF BABEL COMPLETE

"And they said, come let us build ourselves a city and a tower whose top will reach into heaven and let us make for ourselves a name." **Gen. 11:4.**

*The purpose of the modern U.S. Project has been the same as its Babylonian prototype as it has centralized national government under one supreme power center.*

WILL AMERICA MEET HER WATERLOO  
AT THE GREAT EUPHRATES?  
WE SHALL SOON SEE!

President **Nixon** signed Executive Order **11490** on Oct. **28, 1969**. This Executive Order carries the title assigning **EMERGENCY PREPAREDNESS FUNCTIONS to FEDERAL DEPARTMENTS and AGENCIES, ALSO IT AUTHORIZES THE PLANS AND ASSIGNS THE RESPONSIBILITIES FOR COMPLETE TAKEOVER BY THE GOVERNMENT OF EVERY FACET OF LIFE IN THE UNITED STATES.** Because of these facts that Executive Order **11490** has been labelled **A BLUEPRINT FOR TYRANNY.** Therefore, the situation in which we find ourselves in is where the President, through the use of Executive Orders or Emergency Powers, could assume dictatorial control of our country at will. **[H: That was JUST PROVEN day before yesterday in Iraq. Ah, but did President Clinton make the decisions? No, he only made the public announcement. His foreign agents and advisors made the decisions and acted on them--CLINTON WAS ON VACATION CAMPAIGNING FOR HIS NEXT PUPPET TERM. YOU, U.S.A., STARTED A WAR WITHOUT BENEFIT OF EVEN CONGRESSIONAL INSPECTION MUCH THE LESS PUBLIC NOTICE.]** He could do it without consulting Congress and without the need for any further declaration of national emergency, as President Bush did a while back with Iraq and a few other countries in wars of GENOCIDE. The many thousands, who died at Pearl Harbor and the long war in the Pacific, had little knowledge that their sacrifices were *arranged* to serve a **global power scheme.**

During the **Nixon** years, government had daily increased in size and in power. Who can deny it? With Bush head of the C.I.A. under **Nixon**, he has worked hard for the fruition of the New World Order. That would take place exactly twenty years later with Bush as its Dictator. Who can deny it that more and more government has led to total government, and we are heading in that direction exactly as many great nations have done before us?

For generations brilliant and ambitious men have been hard at work to establish dominance over the entire globe. A major part of their effort has been directed toward the imposition of tyranny over the United States. As has been shown, the **Blueprint for Tyranny is already an accomplished fact.** It could be implemented at a moment's notice by the man who has been elected and is the chief executive in our land, Bill Clinton. Let us now add our belief that the ultimate goal of this great conspiracy in our land is **world** rule and the present leadership of the United States is a party to it. Finally, let us draw the obvious conclusion that the imposition on the United States from within, of totalitarian rule, is the last step of any consequence remaining before the conspirator's ultimate goal is achieved.

There are two ways to achieve TOTAL GOVERNMENT here in the United States. The first way is the lightning quick takeover which could be accomplished by ENACTMENT OF THE EXECUTIVE ORDER. The second is the piecemeal acquisition of power by which all elements of the **Blueprint for Tyranny** could be accomplished separately in a manner that would also destroy all will to resist.

*It has been said that a conquered enemy must be continually reconquered because he will keep on resisting. A campaign that brings about subversion to such an extent that the victim is induced to beg for his chains will result in a much more secure tyranny.*

As this whole drive for power was not exposed and destroyed, has not the day now come when even previously uninformed Americans will realize that all of it has already been accomplished right under **their/our** noses and that resistance would be folly? There will be no lightning quick seizure of **power.** None will be needed, for all will have been done in **very** gradual steps, each of **which** seemed necessary and reasonable at the time. Now in the end, TOTAL GOVERNMENT WILL BE THE OUTCOME--AND FREEDOM WILL BE GONE.

As Bush's popularity and deeds dwindled it was not by accident that **Rhodes** Scholar and C.F.R. member Bill Clinton was elected president with only 34 percent of the popular vote. Clinton has surrounded himself with Rhodes scholars that he can count on for support and advice as he unleashes his **NEW COVENANT** on the unsuspecting American people. Whether as an unwitting dupe or conscious participant; we shall soon see that Bill Clinton is also part of a massive and historical conspiracy to establish a **WORLD GOVERNMENT**.

[END OF QUOTING]

Agree or disagree, you have a big problem here and it would appear that you get closer and closer to that "Waterloo" right at the Euphrates River. A prophesy came forth from a great seer that when there could be dry traversing of the River Euphrates--the Armageddon would be close behind. Well, there is a great dam which now dries-up the Euphrates **AT WILL**.

Can you ever realize the balance of the **WORLD** revolves around a puddle of oil, money, and greedmongers?

I suggest you **FIND OUT ABOUT THAT SUPERFUND OF BUSH!** He established an outrageous manner in which to gain control of the world--economically. That same manner is not in **YOUR HANDS** and you seem to simply hiccup and belch and pass gas while moving on into your **DREAMLAND** activities--of what? Doing nothing, mostly. Or, perhaps you wait for me and my team to fix it for you? It won't happen that way. The point you miss is that this "new" invasion of Iraq is but a test of you-the-people, a trial balloon to see what you will tolerate and how you will take such a major usurpation of your *Constitution* and moral fiber. Ah, and look how pleased they must be today to see that you-the-people fall right behind the **LIES** and hoist up the demons to even greater position and power. Shame, shame--**AMERICA**.

There is a very **BIG** error in Mr. Rosenthal's outbursts that the pen is not worthy of a "win". Forget it, **Rosenthal--pens** set forth **TRUTH** and it is **TRUTH THAT OFFERS FREEDOM**,

not force nor guns! How much more blood of a species will be spilled before you see and learn?

This has become a very lengthy writing and I apologize to my secretary for not allowing even a break, but, **YOU ARE OUT OF TIME, CITIZENS!** The glass is empty, awaiting the turning--and who shall turn it? And, except for the willing fingers to type the words, there can be **NO "WORD"** for there are too few of the Oral Tradition to long bear the only lamp for a darkening world.

Salu, and may you each give serious thought on these matters. **Hatonn** to clear, please.

## CHAPTER 5

REC #1 HATONN

MON., JAN. 19, 1998 10:23 A.M. YR. 11, DAY 156

MON., JAN. 19, 1998

We come to write and I am reminded that we have, on several occasions, already run the Protocols in their full translation as well as, many times, short versions. So why do it again? Because I WANT YOU TO STUDY THEM and STUDY THEM CAREFULLY. I need you to know what IS IN THEM.

THESE ARE THE PLAN 2000 AS OUTLINED BY ANTICHRIST, AND YOU MUST UNDERSTAND THAT THEY ARE JUST A SELF-THIEVED GROUP WHO STOLE THE JUDEAN HERITAGE AS WELL AS STRUCTURED THEMSELVES TO RULE THE WORLD. IF YOU DON'T LIKE THIS SET OF FACTS, I'M SORRY, BUT THIS IS THE WAY IT IS. THESE ARE NOT THE ONLY FACTIONS OF THE ANTICHRIST AND YOU WILL BE SEEING MORE AND MORE BLATANTLY DISPLAYED PARTICIPANTS EVERY DAY THAT PASSES.

As an example of what I mean, you who watched *60 MINUTES* last evening will recall that the first segment was on the atrocities and massacres in Algeria--against the Islamic families. If you think two people in the **Simpson** case with throats cut and blood all over the place was disconcerting, try families of 15 or 20 all slashed, throats slashed, and even burned. Babies are even put into ovens in the **apartments/houses** and burned alive. I tell you no lies, chelas--this was on your news. And just who is doing it? The Police and Military. Why? They claim to not be able to tolerate Islamic people. Some of the killers claim to be separatist Moslems and some, oh horrors, are CHRISTIANS.

Can you now begin to see the irony in the names you give to groups and people? Do you REALLY think Christ would do

such terrible things? Do you actually think the United Nations will do anything to help? Of course not, for think again: how many babies have been deaded in Iraq?

All this atrocity in Algeria is taking place in the very shadows of the biggest billion dollar oil refineries and cracking towers in the world--owned by the Elite, none of whom are Algerian. The companies belong to Great Britain and the United States of America. And moreover, some of the perpetrators are already in intelligence squads trained by **Mossad**, British Intelligence, the old KGB (also **Mossad** and British Intelligence), and CIA under the United Nations.

Now, before moving on, let us look at the MAJOR **drug/chemical/medical** houses and look at what is happening to the world medicine supplies. And, why don't people on medication ever get better? Well, *60 MINUTES*, again, gives you insight. There are branches of drug packagers set up under alias names who supply a "less expensive" line of drugs. These drugs are purchased by lots of into the millions of dollars--using dollars--and are sent to developing nations, third world countries, struggling countries, and even into the United States and other developed nations. In some instances there was NOTHING in the capsules. In some instances there was only, say, 50 mg of medication where the dosage should have been 250 mg PER CAPSULE OR TABLET. In other instances the capsules and tablets would be the correct color coded and labeled--but had NO active ingredients. In one batch of medications to Haiti, 80 children WERE POISONED AND DIED FROM WRONG SUBSTANCE IN THE CAPSULES.

The medicines are mainly used in clinics and hospitals and it is not possible to monitor every medication. There would be no way to tell if you have bad medicines until there would be no response from even major dosages of medication given--or the patient would go downhill and die.

In Iraq, where medications are allowed there is monitoring at the shipping points, but none of the real medications even so much as reach anywhere inside the country--much less, get to

the needy. It is said, and you had best believe it, that Jewish-Israelis are the inspectors and monitors under the auspices of the U.S.(UN).

How many of you are aware that almost all of the Cabinet posts for Billy Clinton are headed by JEWISH PERSONS--some of them foreign? A foreign person (non natural) person cannot be President, but they sure can be lawfully in total CONTROL OF THE U.S. GOVERNMENT! This takeover and evolvment are all right there in the PROTOCOLS, but nobody seems to give a damn. Therefore, information is available, but we are not going to cram it down your proverbial throats, nor are we going to cut any throats--so I suggest you pay close attention and give care to your choices.

We are going to move right into the PROTOCOLS as translated. The translator made a special effort to give some topics within each Protocol and it will help you do a rather rapid search if you wish to do so.

I don't like it, but you may well find that using a different copy of the Protocols will note slight differences in content, never in concept. There are one or two places whereat you will find a sentence missing and we will take another copy and fill in the blanks as much as possible. Our thrust is not toward letter-perfect copy, but we will, to the very best of our ability, NOT CHANGE ANYTHING THROUGHOUT THE DOCUMENT. Remember, please, that people all along the way have been threatened, shot, murdered by other means and have found that producing these Protocols has brought pure HELL upon the heads of those efforting to present these copies.

Some of you may well have had earlier copies as were compiled by SONS OF LIBERTY in California. That copy may vary somewhat in some places. Remember that in the days of presenting these original translations they had to be copied by HAND, individually. All copies the governments and the authorities could find WERE BURNED. It has been a tremendous task to get enough original script to be able to insure total accuracy from one copy to another. Bear with us, please, for we are

going to offer what we have that is the most up-to-date available WITH some references and notations.

A couple or so years ago a box of new books from which we are utilizing information was sent to us with no identification as to sender or any further information regarding the works. The books themselves have no reference for tracing and you may well have a copy already. The book cover is basically red, the title is in red on a white background, with the other print in black. The back cover is red and has no print.

There is a picture inside of Sergius A. Nilus but there is no picture of Victor E. Marsden. We do, however, have a picture of Marsden from an older document and we'll see if a COPY would be presentable enough to reprint.

[QUOTING, Part 13:]

### **PART III**

## PROTOCOLS

### OF **THE** MEETINGS OF THE LEARNED **ELDERS** OF ZION

#### PROTOCOL NO. 1

Right lies in Might, Freedom--an idea only. Liberalism. Gold. Faith. Self-Government. Despotism of Capital. The internal foe. The Mob. Anarchy. Politics versus Morals. The Right of the Strong. The Invincibility of Jew-Masonic authority. End justifies Means. The Mob a Blind Man. Political A.B.C. Party Discord. Most satisfactory form of rule--Despotism. Alcohol. Classicism. **Corruption**. Principles and rules of the Jew-Masonic Government. Terror. "Liberty, Equality, Fraternity". Principle of Dynastic Rule. Annihilation of the privileges of the Goy-Aristocracy (**i.e.**, non-Jew). The New Aristocracy. The psychological calculation. Abstractness of "Liberty". Power of Removal of representatives of the people.

. . . . . Putting aside fine phrases we shall speak of the significance of each thought: by comparisons and deductions we shall throw light upon surrounding facts.

What I am about to set forth, then, is our system from the two points of view, that of ourselves and that of the **goyim** (**i.e.**, non-Jews).

It must be noted that men with bad instincts are more in number than the good, and therefore the best results in governing them are attained by violence and terrorization, and not by academic discussions. Every man aims at power; everyone would like to become a dictator if only he could, and rare indeed are the men who would not be willing to sacrifice the welfare of all for the sake of securing their own welfare.

What has restrained the beasts of prey who are called men? What has served for their guidance hitherto?

In the beginnings of the structure of society they were subjected to brutal and blind force; afterwards--to Law, which is the same force, only disguised. I draw the conclusion that by the law of nature right lies in force.

Political freedom is an idea but not a fact. This idea one must know how to apply whenever it appears necessary with this bait of an idea to attract the masses of the people to one's party for the purpose of crushing another who is in authority. This task is rendered easier if the opponent has himself been infected with the idea of freedom, *so-called liberalism*, and, for the sake of an idea, is willing to yield some of his power. It is precisely here that the triumph of our theory appears; the slackened reins of government are immediately, by the law of life, caught up and gathered together by a new hand, because the blind **might of** the nation cannot for one single day exist without guidance, and the new authority merely fits into the place of the old already weakened by liberalism.

In our day the power which has replaced that of the rulers who were liberal is the power of Gold. Time was when Faith ruled. The idea of freedom is impossible of realization because no one knows how to use it with moderation. It is enough to hand over a people to self-government for a certain length of time for that people to be turned into a disorganized mob. From that moment on we get internecine strife which soon develops into battles between classes, in the midst of which States burn down and their importance is reduced to that of a heap of ashes. **[H: Well I will say that it is handy that they reduce the States to ashes for that finally allows the Phoenix to birth again.]**

Whether a State exhausts itself in its own convulsions, whether its internal discord brings it under the power of external foes--in any case it can be accounted irretrievably lost; **it is** in **our power**. The despotism of Capital, which is entirely in our hands, reaches out to it a straw that the State, will-nilly, must take hold of it; if not--it goes to the bottom.

Should anyone of a liberal mind say that such reflections as the above are immoral I would put the following questions: If every State has two foes and if in regard to the external foe it is allowed and not considered immoral to use every manner and art of conflict, as for example to keep the enemy in ignorance of plans of attack and defense, to attack him by night or in superior numbers, then in what way can the same means in regard to a worse foe, the destroyer of the structure of society and the commonwealth, be called immoral and not permissible?

Is it possible for any sound logical mind to hope with any success to guide crowds by the aid of reasonable counsels and arguments, when any objection or contradiction, senseless though it may be, can be made and when such objection may find more favor with the people, whose powers of reasoning are superficial? Men in masses and the men of the masse, being guided solely by petty passions, paltry beliefs, customs, traditions and sentimental theorism, fall a prey to party dissension, which hinders any kind of agreement even on the basis of a perfectly reasonable argument. Every resolution of a crowd depends upon a chance or packed majority, which, in its ignorance of political secrets, put forth some ridiculous resolution that lays in the administration a seed of anarchy.

The political has nothing in common with the moral. The ruler who is governed by the moral is not a skilled politician, and is therefore unstable on his throne. He who wishes to rule must have recourse both to cunning and to make-believe; we have cunning and thanks to the Press we have make-believe. Great national qualities, like frankness and honesty, are vices in politics, for they bring down rulers from their thrones more effectively and more certainly than the most powerful enemy. Such qualities must be the attributes of the kingdoms of the *goyim*, but we must in no wise be guided by them.

Our right lies in force. The word "right" is an abstract thought and proved by nothing. The word means no more than: give me what I want in order that thereby I may have a proof that I am stronger than you.

Where does right begin? Where does it end?

In any State in which there is a bad organization of authority, an impersonality of laws and of the rulers who have lost their personality amid the flood of rights ever multiplying out of liberalism, I find a new right--to attack by the right of the strong, and to scatter to the winds all existing forces of order and regulation, to reconstruct all institutions and to become the sovereign lord of those who have left to us the rights of their power by laying them down voluntarily in their liberalism.

Our power in the present tottering condition of all forms of power will be more visible than any other, because it will remain invisible until the moment when it has gained such strength that no cunning can any longer undermine it.

Out of the temporary evil we are now compelled to commit will emerge the good of an unshakable rule, which will restore the regular course of the machinery of the national life, brought to naught by liberalism. The result justifies the means. Let us, however, in our plans, direct our attention not so much to what is good and moral as to what is necessary and useful.

Before us is a plan in which is laid down strategically the line from which we cannot deviate without running the risk of seeing the labor of many centuries brought to naught.

In order to elaborate satisfactory forms of action it is necessary to have regard to the rascality, the slackness, the instability of the mob, its lack of capacity to understand and respect the conditions of its own life, or its own welfare. It must be understood that the might of a mob is blind, senseless and unreasoning force ever at the mercy of a suggestion from any side. The blind cannot lead the blind without bringing them into the abyss; consequently, members of the mob, upstarts from the people, even though they should be as a genius for wisdom, yet having no understanding of the political, cannot come forward as leaders of the mob without bringing the whole nation to ruin.

Only one trained from childhood for independent rule can have understanding of the words that can be made up of the political alphabet.

A people left to itself, *i. e.*, to upstarts from its midst, brings itself to ruin by party dissensions excited by the pursuit of power and honors and the disorders arising therefore. Is it possible for the masses of the people calmly and without petty jealousies to form judgments, to deal with the affairs of the country, which cannot be mixed up with personal interests? **Can** they defend themselves from an external foe? It is unthinkable, for a plan broken up into as many parts as there are heads in the mob, loses all homogeneity, and thereby becomes unintelligible and impossible of execution.

It is only with a despotic ruler that plans can be elaborated extensively and clearly in such a way as to distribute the whole properly among the several parts of the machinery of the State; from this the conclusion is inevitable that a satisfactory form of government for any country is one that concentrates in the hands of one responsible person. Without an absolute despotism there can be no existence for civilization which is carried on not by the masses but by their guide, whoever that person may be. The mob is a savage and displays its savagery at every opportunity. The moment the mob seizes freedom in its hands it quickly turns to anarchy, which in itself is the highest degree of savagery.

Behold the alcoholized animals, bemused with drink, the right to an immoderate use of which comes along with freedom. It is not for us and ours to walk that road. The peoples of the **goyim** are bemused with alcoholic liquors; their youth has grown stupid on classicism and from early immorality, into which it has been inducted by our special agents--by tutors, lackeys, governesses in the houses of the wealthy, by clerks and others, by our women in the places of dissipation frequented by the **goyim**. In the number of these last I count also the so-called "society ladies", voluntary followers of the others in corruption and luxury.

Our countersign is--Force and Make-believe. Only force conquers in political affairs, especially if it be concealed in the talents essential to statesmen. Violence must be the principle, and cunning and make-believe the rule for governments which do not want to lay down their crowns at the feet of agents of some new power. This evil is the one and only means to attain the end, the good. Therefore we must not stop at bribery, deceit and treachery when they should serve towards the attainment of our end. In politics one must know how to seize the property of others without hesitation if by it we secure submission and sovereignty.

Our State, marching along the path of peaceful conquest, has the right to replace the horrors of war by less noticeable and more satisfactory sentences of death, necessary to maintain the terror which tends to produce blind submission. Just but merciless severity is the greatest factor of strength of the **State**; not only for the sake of gain but also in the name of duty, for the sake of victory, we must keep to the programme of violence and make-believe. The doctrine of squaring accounts is precisely as strong as the means of which it makes use. Therefore it is not so much by the means themselves as by the doctrine of severity that we shall triumph and bring all governments into subjection to our super-government. It is enough for them to know that we are merciless for all disobedience to cease.

Far back in ancient times were the first to cry among the masses of the people the words "Liberty, Equality, Fraternity", words many times repeated since those days by stupid poll-parrots who from all sides round flew down upon these baits and with them carried away the well-being of the world, true freedom of the individual, formerly so well guarded against the pressure of the mob. The would-be wise men of **the goyim**, the intellectuals, could not make anything out of the uttered words in their abstractness; did not note the contradiction of their meaning and inter-relation; did not see that in nature there is no equality, cannot be freedom; that Nature herself has established inequality of minds, of characters, and capacities, just as immutably as she has established subordination to her laws; never stopped to think that the mob is a blind thing, that upstarts

elected from among it to bear **rule** are, in regard to the political, the same blind men as the mob itself, that the adept, even if he were a genius, understands nothing in the political--to all these things the **goyim** paid no regard; yet all the time it was based upon these things that dynastic rule rested; the father passed on to the son a knowledge of the course of political affairs in such wise that none should know it but members of the dynasty and none could betray it to the governed. As time went on the meaning of the dynastic transference of the true position of affairs in the political was lost, and this aided the success of our cause.

In all corners of the Earth the words "Liberty, Equality, Fraternity" brought to our ranks, thanks to our blind agents, whole legions who bore our banners with enthusiasm. And all the time these words were canker-worms at work boring into the well-being of the **goyim**, putting an end everywhere to peace, quiet, solidarity and destroying all the foundations of the **goya** States. As you will see later, this helped us to our triumph; it gave us the possibility, among other things, of getting into our hands the master card--the destruction of the privileges, or in other words of the very existence of the aristocracy of the **goyim**, that class which was the only defense peoples and countries had against us. On the ruins of the natural and genealogical aristocracy of the **goyim** we have set up the aristocracy of our educated class headed by the aristocracy of money. The qualifications for this aristocracy we have established in wealth, which is dependent upon us, and in knowledge, for which our learned elders provide the motive force.

Our triumph has been rendered easier by the fact that in our relations with the men whom we wanted to have always worked upon the most sensitive chords of the human mind, upon the cash account, upon the cupidity, upon the insatiability for material needs of man; and each one of these human weaknesses, taken alone, is sufficient to paralyze initiative, for it hands over the will of men to the disposition of him who has bought their activities.

The abstraction of freedom has enabled us to persuade the mob in all countries that their government is nothing but the steward of the people who are the owners of the country, and that the steward may be replaced like a worn-out glove.

It is this possibility of replacing the representatives of the people which has placed them at **our disposal**, and, as it were, given us the power of appointment.

[END OF QUOTING]

I certainly do realize that this is outrageous in concept, and therefore difficult to believe that there could be such a plan, and yet we haven't even hardly begun.

I ask that after each Protocol that you pause and think on what has already transpired **JUST IN YOUR OWN EXPERIENCE, EVEN IF YOU DID NOT HAVE OTHER INPUT**. Where are you in this world arena, political arena, even in the military arena? YOUR soldiers are somewhere else while the majority of the troops **IN TRAINING** are foreign citizens using your facilities and being trained by United Nations-appointed instructors. *[Editor's note: See the little newsclipping pages 59-60 that surfaced amidst stacks and stacks of good material sent to us. This particular gem was sent many months ago by a dear friend, Angela ("one of the Angels"), and was clipped from the 10/9/96 issue of the San Francisco Examiner.]* Also remember the **UN CHARTER** which only allows for a Soviet Russian to head military operations. Therefore if you think your troops are actually headed by one of "**yours**"--**look** again. Is not your very own Secretary of Defense, a Jew (William Cohen)? I also believe you will find your Secretary of the Treasury, **PAID DIRECTLY BY THE INTERNATIONAL MONETARY FUND**, is a Jew (Robert E. **Rubin**). Your Attorney General, Janet Reno, is also paid directly by the IMF. So you are already hook, line and sinker under the *Charter of the United Nations*--**NOT UNDER THE CONSTITUTION OF THE UNITED STATES OF AMERICA** (States united). Then, of course, your Secretary of State, Madeleine K. **Albright**, is also a Jew but typical of **Protocol**-following Jews, claimed that she didn't know of her lineage.

Just how well do you think Madeleine REALLY gets along with those Arabs? How about the Moslems? Chinese? Well, she seems to hornswoggle all you Christians.

Now for you inquiring minds: What was Mr. Cohen doing in Djakarta? Do you know where Djakarta is? Well, you had best find out because it is in Indonesia where the big fit is hitting the shan over economic collapse. But **WHY** the Secretary of Defense?

Frankly, if we worked day and night without breaks, we couldn't catch you up in **WHAT YOU DON'T KNOW THAT CERTAINLY WILL HURT YOU**. Once history is lost or **CHANGED**, there is no way to ever even know a thing, for after the third generation passes there is no memory or challenge to whatever it is the thugs want you to know. But for now, you only have to look around while there is even a remnant of information against which to relate things taking place before your eyes--and **KNOW**. Once gone, readers, it's over as far as your freedom, and when the wars finally end there will be nothing left save the dark ages. Once captured and enslaved through the mind--you **CAN** only have "dark ages". You become exactly what you are trained to believe. Waving a flag does not freedom make! You don't even know which flag to wave, do you? Do you go get one with a gold fringe, one without, one in blue to match the UN, one for Israel which Dershowitz has publicly made known, as spokesman, the U.S. now the **HOMELAND** of **ISRAEL AND THE JEW**.

Do you give a damn?

There is a warning I would give you who jump to judgments and "kill the whole of the lot" attitudes: **DON'T** get caught in that trap **ALSO LAID FORTH BY THIS SAME ELITE COVEN OF THUGS**. I can give you several examples of why it is not smart to lump every "Black" into a category, or any "White" into a category and do **NOT** lump into Jew all those who are somehow connected to Judaism or Jewishness.

Dr. Leonard Horowitz, author of **EMERGING VIRUSES: AIDS AND EBOLA** is the very best example I can offer. And if **YOU** haven't availed yourself of his information, you are walking on the edge of a cliff intended to eventually swallow you as you topple off the edge. These citizens did not know anything about what was coming down and, moreover, **THEY** are in the first chosen group to be annihilated. This would bury the evidence of such a plan as Plan 2000 and push blame off onto anyone else other than the deeddoers of the genocidal activities.

The Jews run Hollywood, hook, line, and sinker, and I mean the Elite of the Antichrist. However, alcohol and drugs destroy as many or more actors and performers as in any other group or race. These black bards and widows will do anything, say anything, or persecute anyone--to gain their wealth and **power-oriented** passions. And you all march right to the ticket windows and offer up whatever is asked without complaint or boycott. How could any picture of a sinking ship take \$200 million to make? How many mouths would be fed by \$200 million? **WHO GETS THAT MONEY? DO YOU?**

You may have noticed that we offered quite a long writing on the topic of the Pharisees. Then Sananda related a writing to the topic of Pharisees. I am now questioned about that again.

May I please just refer to a part of the writing of Dr. Freedman to Dr. Goldstein:

[QUOTING:]

The eminent Rabbi Louis Finkelstein, the head of The Jewish Theological Seminary of America, often referred to as "The Vatican of Judaism", in his Foreword to his First Edition of his world-famous classic **The Pharisees, the Sociological Background of Their Faith**, on page **XXI** states:

" . . . Judaism. . . Pharisaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes in name. . . the spirit

of the ancient Pharisees survives, unaltered. . .  
From Palestine to Babylonia; from Babylonia to  
North Africa, Italy, Spain, France and Germany;  
from these to Poland, Russia, and Eastern Europe  
generally, ancient Pharisaism has wandered. . .  
demonstrates the enduring importance which at-  
taches to Pharisaism as a religious movement. . .

[END OF QUOTING]

We can certainly take up this subject again but it is a distractor  
at this point.

Good afternoon.

## CHAPTER 6

REC #1 HATONN

TUE., JAN. 20, 1998 7:38 A.M. YR. 11, DAY 157

TUE., JAN. 20, 1998

I must take just a minute to make a statement to the surveillance  
team monitoring this computer. I had been told that no later  
than on January 15, 1998, there would be full opening of ac-  
counts at IMF with full identification numbers which would  
merit status of ready, willing and ABLE to remove any stay of  
operations. ***THIS DID NOT HAPPEN AND I WANT A FULL  
REPORT AS TO WHY THIS DIDN'T HAPPEN. YOUR  
PROBLEMS IN CHINA AND INDONESIA ARE NOT MY  
BUSINESS--OUR NEGOTIATIONS AND AGREEMENTS  
ARE MY BUSINESS.*** My representative has now been told  
"mid-February"? I suggest you get Mr. **Rubin**, and for that  
matter, Mr. Cohen, and get this error in judgment resolved. I  
am no longer patient.

You have lied continuously about putting no pressure on Indone-  
sia through the **IMF--say** what? Then why is Mr. Cohen mak-  
ing a round of all those nations suffering at your hands?

Now, what is he doing in **Beijing** if he has no intention of doing  
anything "yet" with the Chinese? If Hong Kong is in trouble, it  
does not follow that China needs to have a joint military force  
**WITH** either the United States or the **United** Nations.

I note another atrocity taking place and that is in South Korea.  
How can you account for the large loans intended for "the" **Ko-  
rea(S)** while George **Soros** and a group of large offshore hedge  
funds are buying South Korean bank debt--CHEAP?

My silence is NOT BOUGHT, gentlemen, through this kind of  
destructive intent or action. You have a Jihad to attend in the  
Middle East, so must you be so intent on getting your stuff

caught in the wringer in the Pacific and Asia? China is a no-no! China can, at this moment in time, march across the entire world and **flatten** everything you ever thought of holding and, yes, plans to do so. "Joint army" my ass-umption. Nobody is that blind, you idiots of the Angel of Death.

I can abide a bit of patience when necessary, but NOT FOR YOU TO DEAL **WITH** YOUR ANTICHRIST USURPERS, **AND THEN** TAKE THOSE WHO CAN DO YOU IN **AND** BARGAIN THE REST OF THE WORLD AWAY.

You don't think I am serious or do not exist? Oh I exist, and shall continue **right** on uncovering your lies and thieving **just** as fast as we can **put** it forth. I **told you** I would leave it **alone** with that which was already present IF YOU MET YOUR OBLIGATIONS AND AGREEMENTS--IT DOES NOT PAY TO TRY TO FOOL MOTHER NATURE OR YOU GET THE **BUTTER SPATTERED** ALL OVER YOUR FACES AND DISCLOSE YOUR **REAL** INTENTIONS--AND, I AM QUITE HAPPY TO BE OF ASSISTANCE IN THIS **LATTER** ENDEAVOR.

Staff: Just leave the above for the paper for I am weary of playing slime-sucker games with these intruders from alien lands. At this point I will leave the basic information lay, but if this is not cleared up by mid-February, we will offer the entire package to the public, especially to those nations wherein these scoundrels are stealing the very life-source from the nations they pass.

Along the lines of information, let us continue with the **PRO-TOCOLS** and see how much worse it truly can get, readers.

Readers, you NOW have all the proof you ever shall need about the coalition of Fundamentalist so-called Christians and the fact that there is NO JESUS-CHRISTOS INVOLVED.

LAST NIGHT ON **YOUR** NEWS CAME THE BITS AND PIECES ABOUT ISRAEL'S **NETANYAHU** BEING IN **THE UNITED STATES** TO MEET WITH HIS "OTHER" MAJOR BACKUP "TEAMS". THIS INDICATION WAS STATED,

THAT THE "JEWS" WERE NOT IN SUPPORT OF WHAT IS TAKING PLACE IN THE MIDDLE EAST AND **WITH** PALESTINE AND DON'T WANT TO FURTHER RAISE FUNDS FOR SUCH MASSIVE EFFORTS IN AND AROUND JERUSALEM **AND** OTHER PALESTINIAN-ISRAELI HOTSPOTS.

**WHERE THEN** DID MR. YAHOO GET HIS GRANDEST **RECEPTION** EVER WITNESSED? RIGHT: JERRY **FALWELL** AND A PACKED ARENA.

I WILL LEAVE YOU WITH WHAT YOUR "CHRISTIAN" EVANGELIST. HEAD OF THE "RIGHT" AND JUDGE OF **ALL** OTHER 'EVANGELISTS, SAID: "**WE WILL STAND** BEHIND ISRAEL. WE **WILL** FIGHT FOR THE ZIONIST CAUSE. GOD SAYS: 'THOSE WHO BLESS ISRAEL SHALL BE BLESSED **AND** THOSE **WHO** CURSE ISRAEL WILL BE CURSED.'"

SO READERS, YOU DON'T EVEN NEED THE JEWS TO BRING ISRAEL HOME TO YOUR **LAND** TO TAKE IT AS HOMELAND--YOUR "CHRISTIANS" ARE GOING TO DO THE JOB IN **TOTO**.

You may here think I am nuts? Sorry, it was on your establishment news! Mark the day, January 19, 1998.

Mr. Yahoo echoed the very concept of "...no longer needing the Jew in America...". His meeting with Mr. Clinton had been cool and formal but the reception he got from your Christians just about blew the roof off. The stuff is in the fan and the game is about up with Billy. Have any of you LOOKED at Mrs. Jones' (Paula) profile? "Just a cute little innocent chick from the South?" Not on your life!

And just who is financing Mrs. Jones' struggle and all her Jewish attorneys? That's right, a "Christian" organization. However, they have their own problems for Mr. Clinton is fighting back with **IRS** AUDITS of the organization AND Mrs. Jones.

Now, isn't this just the nicest, kindest, gentler world of Mr. Bush?

I told you years ago, and repeat it frequently, Jerry Falwell made statements while serving IN **THE WHITE HOUSE** that "I am a Zionist and proud of it!" So be it. The statements made about money indicated that the "Christians" always meet any obligation proposed by Mr. **Falwell** and it is expected that funds as high as into the billions of dollars will **EASILY** be forthcoming. Read it and weep, brethren.

### ***BIRTHING THE PHOENIX***

[QUOTING, Part 14:] **THE PROTOCOLS OF ZION.**

#### **PROTOCOL NO. 2**

Economic Wars--the foundation of the Jewish predominance. Figure-head government and "secret advisers". Successes of destructive doctrines. Adaptability in politics. Part played by the Press. Cost of gold and value of Jewish sacrifice.

It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains; war will thus be brought onto the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides at the mercy of our international **agentur**, which possesses millions of eyes ever on the watch and unhampered by any limitations whatsoever. Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rules the relations of their subjects among themselves.

The administrators, whom we shall choose from among the public, with strict regard to their capacities for servile obedience, will not be persons trained in the arts of government, and will therefore easily become pawns in our game in the hands of men of learning and genius who will be their advisers, specialists bred and reared from early childhood to rule the affairs of

the whole world. As is well known to you, these specialists of ours have been drawing to fit them for rule the information they need from our political plans from the lessons of history, from observations made of the events of every moment as it passes. The **goyim** are not guided by practical use of unprejudiced historical observation, but by theoretical routine without any critical regard for consequent results. We need not, therefore, take any account of them--let them amuse themselves until the hour strikes, or live on hopes of new forms of enterprising pastime, or on the memories of all they have enjoyed. For then let that play the principal part which we have persuaded them to accept as the dictates of science (theory). It is with this object in view that we are constantly, by means of our press, arousing a blind confidence in these theories. The intellectuals of the **goyim** will puff themselves up with their knowledge and without any logical verification of them will put into effect all the information available from science, which our **agentur** specialists have cunningly pieced together for the purpose of educating their minds in the direction we want.

Do not suppose for a moment that these statements are empty words; think carefully of the successes we arranged for Darwinism, Marxism, Nietzsche-ism. To us Jews, at any rate, it should be plain to see what a disintegrating importance these directives have had upon the minds of the **goyim**.

It is indispensable for us to take account of the thoughts, characters, tendencies of the nations in order to avoid making slips in the political and in the direction of administrative affairs. The triumph of our system, of which the component parts of the machinery may be variously disposed according to the temperament of the peoples met on our way, will fail of success if the practical application of it be not based upon a summing up of the lessons of the past in the light of the present.

In the hands of the States of today there is a great force that creates the movement of thought in the people, and that is the Press. The part played by the Press is to keep pointing out requirements supposed to be indispensable, to give voice to the complaints of the people, to express and create discontent. It is

in the Press that the triumph of freedom of speech finds its incarnation. But the *goyim* States have not known how to make use of this force; and it has fallen into our hands. Through the Press we have gained the power to influence while remaining ourselves in the shade; thanks to the Press we have got the *gold* in our hands, notwithstanding that we have had to gather it out of oceans of blood and tears. But it has paid us, though we have sacrificed many of our people. Each victim on our side is worth in the sight of God a thousand *goyim*.

### PROTOCOL NO. 3

The Symbolic Snake and its significance. The instability of the constitutional scales. Terror in the palaces. Power and ambition. Parliaments, "talkeries", pamphlets. Abuse of power. Economic slavery. "People's Rights" Monopolist system and the aristocracy. The Army of Mason-Jewry. Decrescence in the *Goyim*. Hunger and rights of capital. The mob and the coronation of "The Sovereign Lord of all the World". The fundamental precept in the programme of the future Masonic national schools. The secret of the science of the structure of society. Universal economic crisis. Security of "ours" (i.e., our people, Jews). The despotism of Masonry--the kingdom of reason. Loss of the guide. Masonry and the great French Revolution. The King-Despot of the blood of Zion. Causes of the invincibility of Masonry. Part played by secret Masonic agents. Freedom.

Today I may tell you that our goal is now only a few steps off. There remains a small space to cross and the whole long path we have trodden is ready now to close its cycle of the Symbolic Snake, by which we symbolize our people. When this ring closes, all the States of Europe will be locked in its coil as in a powerful vice.

The constitution scales of these days will shortly break down, for we have established them with a certain lack of accurate balance in order that they may oscillate incessantly until they wear through the pivot on which they turn. The *goyim* are under the impression that they have welded them sufficiently strong and

they have all along kept on expecting that the scales would come into equilibrium. But the pivots--the kings on their thrones--are hemmed in by their representatives, who play the fool, distraught with their own uncontrolled and irresponsible power. This power they owe to the terror which has been breathed into the palaces. **As** they have no means of getting at their people, into their very midst, the kings on their thrones are no longer able to come to terms with them and so strengthen themselves against seekers after power. We have made a gulf between the far-seeing Sovereign Power and the blind force of the people so that both have lost all meaning, for like the blind man and his stick, both are powerless apart.

In order to incite seekers after power to a misuse of power we have set all forces in opposition one to another, breaking up their liberal tendencies towards independence. To this end we have stirred up every form of enterprise, we have armed all parties, we have set up authority as a target for every ambition. Of States we have made gladiatorial arenas where a host of confused issues contend... A little more, and disorders and **bankruptcy** will be universal.

Babblers inexhaustible have turned into oratorical contests the sittings of Parliament and Administrative Boards. Bold journalists and unscrupulous pamphleteers daily fall upon executive officials. Abuses of power will put the final touch in preparing all institutions for their overthrow and everything will fly skyward under the blows of the maddened mob.

All people are chained down to heavy toil by poverty more firmly than ever they were chained by slavery and serfdom; from these, one way and another, they might free themselves, these could be settled with, but from want they will never get away. We have included in the constitution such rights as to the masses appear fictitious and not actual rights. **[H: By the way, recognize in these latter days when constitution is applied, it is the United Nations One World Order (under their control) CHARTER.]** All these so-called "*People's Rights*" can exist only in idea, an idea which can never be realized in practical life. What is it to the proletariat laborer, bowed double over his

heavy toll, crushed by his lot in life, if talkers get the right to babble, if journalists get the right to scribble any nonsense side by side with good stuff, once the proletariat has no other profit out of the constitution save only those pitiful crumbs which we fling them from our table in return for their voting in favour of what we dictate, in favour of the men we place in power, the servants of our *agentur*... Republican rights for a poor man are no more than a bitter piece of irony, for the necessity he is under of toiling almost all day gives him no present use of them, but on the other hand robs him of all guarantee of regular and certain earnings by making him dependent on strikes by his comrades or lockouts by his masters.

The people under our guidance have annihilated the aristocracy, who were their one and only defence and foster-mother for the sake of their own advantage which is inseparably bound up with the well-being of the people. Nowadays, with the destruction of the aristocracy, the people have fallen into the grips of merciless money-grinding scoundrels who have laid a pitiless and cruel yoke upon the necks of the workers.

We appear on the scene as alleged saviours of the worker from this oppression when we propose to him to enter the ranks of our fighting forces--Socialists, Anarchists, Communists--to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our *social masonry*. The aristocracy, which enjoyed by law the labour of the workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite--the diminution, the *killing out of the GOYIM*. Our power is in the chronic shortness of food and physical weakness of the worker because by all that this implies he is made the slave of our will, and he will not find in his own authorities either strength or energy to set against our will. Hunger creates the right of capital to rule the worker more surely than it was given to the aristocracy by the legal authority of kings.

By want and the envy and hatred which it engenders we shall move the mobs and with their hands we shall wipe out all those who hinder us on our way.

*When the hour strikes for our Sovereign Lord of all the World to be crowned it is these same hands which will sweep away everything that might be a hindrance thereto.*

The *goyim* have lost the habit of thinking unless prompted by the suggestions of our specialists. [H: Boy, **have they got this one right!**] Therefore they do not see the urgent necessity of what we, when our kingdom comes, shall adopt at once, namely this, that *it is essential to teach in national schools one simple, true piece of knowledge, the basis of all knowledge--the knowledge of the structure of human life, of social existence, which requires division of labour, and consequently, the division of men into classes and conditions.* It is essential for all to know that *owing to difference in the objects of human activity there cannot be any equality*, that he who by any act of his compromises a whole class cannot be equally responsible before the law with him who affects no one but **only** his own honour. The true knowledge of the structure of society, into the secrets of which we do not admit the *goyim*, would demonstrate *to* all men that the positions and work must be kept within a certain circle, that they may not become a source of human suffering, arising from an education which does not correspond with the work which individuals are called upon to do. After a thorough study of this knowledge the peoples will voluntarily submit to authority and accept such position as is appointed them in the State. In the present state of knowledge and the direction we have given to its development the people, blindly believing things in **print--cherishes--**thanks to promptings intended to mislead and to its own ignorance--a blind hatred towards all conditions which it considers above itself, for it has no understanding of the meaning of class and condition.

This hatred will be still further magnified by the effects of an *economic crisis*, which will stop dealings on the exchanges and bring industry to a standstill. We shall create by all the secret subterranean methods open to us and with the aid of gold, which is all in our hands, *a universal economic crisis whereby we shall throw upon the streets whole mobs of workers simultaneously in all the countries of Europe.* These mobs will *rush delightedly* to shed the blood of those whom, in the simplicity of their **igno-**

**rance**, they have envied from their cradles, and whose property they will then be able to loot.

*"Ours" they will not touch, because the moment of attack will be known to us and we shall take measures to protect our own.*

We have demonstrated that progress will bring all the *goyim* to the sovereignty of reason. Our despotism will be precisely that; for it will know how by wise severities to pacificate all unrest, to cauterize liberalism out of all institutions.

When the populace has seen that all sorts of concessions and indulgences are yielded it in the name of freedom it has imagined itself to be sovereign lord and has stormed its way to power, but, naturally, like every other blind man it has come upon a host of stumbling blocks, *it has rushed to find a guide, it has never had the sense to return to the former state* and it has laid down its plenipotentiary powers at *OUR* feet. Remember the French Revolution, to which it was we who gave the name of "Great"; the secrets of its preparations are well known to us for it was wholly the work of our hands.

[H: I suggest you not go forth now and say, "Well, this can't be an original text when we are talking about things such as the French Revolution... etc." Even if you don't catch the drift, this set of Protocols was and is continuously updated to always be informed about "where we are" at any given moment in The Plan. You will find these dates used as consistent with the turn of the century. Remember that the FRENCH Revolution was in the 1789-1799 while the Russian Revolution began in about 1917.1

Ever since that time we have been leading the peoples from one disenchantment to another, so that in the end they should turn also from us in favour of that *King-Despot of the blood of Zion, whom we are preparing for the world.*

At the present day we are, as an international force, invincible, because if attacked by some we are supported by other States. It is the bottomless rascality of the *goyim* peoples, who

crawl on their bellies to force, but are merciless towards weakness, unsparing to faults and indulgent to crimes, unwilling to bear the contradictions of a free social system but patient unto martyrdom under the violence of a bold despotism--it is those qualities which are aiding us to independence. From the **premier-dictators** of the present day the *goyim* peoples suffer patiently and bear such abuses as for the least of them they would have beheaded twenty kings.

What is the explanation of this phenomenon, this curious inconsequence of the masses of the peoples in their attitude towards what would appear to be events of the same order?

It is explained by the fact that these dictators whisper to the peoples through their agents that through these abuses they are inflicting injury on the States with the highest purpose--to secure the welfare of the peoples, the international brotherhood of them all, their solidarity and equality of rights. Naturally they do not tell the peoples that this unification must be accomplished only under our sovereign rule.

And thus the people condemn the upright and acquit the guilty, persuaded ever more and more that it can do whatsoever it wishes. Thanks to this state of things the people are destroying every kind of stability and creating disorders at every step.

The word "freedom" brings out the communities of men to fight against every kind of force, against every kind of authority, even against God and the laws of nature. For this reason we, when we come into our kingdom, shall have to erase this word from the lexicon of life as implying a principle of brute force which turns mobs into bloodthirsty beasts.

These beasts, it is true, fall asleep again every time when they have drunk their fill of blood, and at such times can easily be riveted into their chains. But if they be not given blood they will not sleep and continue the struggle.

[ END OF QUOTING ]

And, students, guess WHOSE blood is fed to the "beasts" as described by this Antichrist? That's right, the blood of Jesus who no longer even represents the Christ for they have so degraded the very name as to render it totally without merit. By the way, to you who still use "Jesus" in the context of the true Christed being and within your hearts know the difference between human expression and spiritual intent, God doesn't mind the error. But when you place your irresponsible actions onto the being of any other, and in this instance, a pure and innocent man, so you don't have to do a thing in Truth, you are REALLY MISTAKEN IN YOUR THOUGHTS AND ACTIONS. There is no rapture to heaven with God of **Truth**, Love and Light. There is a PROMISE of something that has no way of coming to be. There will be mass killings and your children will not even know the difference--except in the soul essence of that which will cause you to wish you had done your journey differently. There is not even "Rapture" in your twisted and tainted Bible. That was conjured directly from such as Jerry **Falwell**, Hal Lindsey and others who interpret anything any way they choose.

There will be NO **RAPTURE** as described to you--but Mr. **Falwell** just sold a LOT OF TICKETS to that blackest day in history, in behalf of Israel.

Thank you and good morning.

### *BIRTHING THE PHOENIX*

Continuing directly, The Protocols of Zion

[**QUOTING**, Part 15:]

#### PROTOCOL NO. 4

Stages of a Republic. Gentile Masonry. Freedom and Faith. International Industrial Competition. Role of Speculation. Cult of Gold.

Every republic passes through several stages. The first of these is comprised in the early days of mad raging by the blind mob, tossed hither and thither, right and left; the second is demagoguery, from which is born anarchy, and that leads inevitably to despotism--not any longer legal and overt, and therefore responsible despotism, but to unseen and secretly hidden, yet nevertheless sensibly felt despotism in the hands of some secret organization or other, whose acts are the more unscrupulous inasmuch as it works behind a screen, behind the backs of all sorts of agents, the changing of whom not only does not injuriously affect but actually aids the secret force by saving it, thanks to continual changes, from the necessity of expending its resources on the rewarding of long services.

Who and what is in a position to overthrow an invisible force? And this is precisely what our force is. Gentile-Masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding place, remains for the whole people an unknown mystery.

But even freedom might be harmless and have its place in the State economy without injury to the well-being of the peoples if it rested upon the foundation of faith in God, upon the brotherhood of humanity, unconnected with the conception of equality, which is negated by the very laws of creation, for they have established subordination. With such a faith as this a people might be governed by a wardship of parishes, and would walk contentedly and humbly under the guiding hand of its spiritual pastor submitting to the dispositions of God upon Earth. This is the reason why *it is indispensable for us to undermine all faith, to tear out of minds of the GOYIM the very principle of God-head and the spirit, and to put in its place arithmetical calculations and material needs.*

In order to give the *goyim* no time to think and take note, their minds must be diverted towards industry and trade. Thus, all the nations will be swallowed up in the pursuit of gain and in the race for it will not take note of their common foe. But again, in order that freedom may once and for all disintegrate and **ruin** the communities of the *goyim*, we must put industry on a speculative basis; the result of this will be that what is withdrawn from the land by industry will slip through the hand and pass into speculation, that is, to our classes.

The intensified struggle for superiority and shocks delivered to economic life will create, nay, have already created, disenchanted, cold and heartless communities. Such communities will foster a strong aversion towards the higher political and towards religion. Their only guide is gain, that is Gold, which they will erect into a veritable cult, for the sake of those material delights which it can give. Then will the hour strike when, not for the sake of attaining the good, not even to win wealth, but **solely** out of hatred towards the privileged, the lower classes of the *goyim* will follow our lead against our rivals for power, the intellectuals of the *goyim*.

[END OF QUOTING]

Do any of you who have followed our own trail through the past years doubt the validity of **THIS** above statement? If anything

will getcha the likes of Green, Abbott, Horton, et al., **IT IS A LITTLE BIT OF GOLD!**

Moreover, could it be that Green promised so much out of the **Overton/Phoenix** Institute gold, to attorneys and such as the likes of Tuten, Fort, **etc.**, that he has not **PAID HIS ATTORNEYS OR ANY OF HIS AGREED UPON DEBTS TO SUCH AS US&P, ET AL.?** Come on, we are not talking about the gold of the world--only the gift of one man in Texas who wanted his legacy to be Truth and therefore gave some gold to the Institute--only to be stolen and secreted away by Green. Do you not think that in the long-journey that **Overton** will see the fruits of that gift, even if it not be in the measure he anticipated? A lot of evil activities and intent are going to be totally uncovered before these encounters are finished!

[QUOTING:]

#### PROTOCOL NO. 5

Creation of an intensified centralization of government. Methods of seizing power by Masonry. Causes of the impossibility of agreement between States. The state of "predestination" of the Jews. Gold--the engine of the machinery of States. Significance of criticism. "Show" institutions. Weariness from word-spinning. How to take a grip of public opinion. Significance of personal initiative. The Super-Government.

What form of administrative rule can be given to communities in which corruption has penetrated everywhere, communities where riches are attained only **by the clever** surprise tactics of semi-swindling tricks; where looseness reigns, where morality is maintained by penal measures and harsh laws but not by voluntarily accepted principles; where the feelings toward faith and country are obliterated by cosmopolitan convictions? What form of rule is to be given to these communities if not that despotism which I shall describe to you later? We shall create an intensified centralization of government in order to grip in our hands **all** the forces of the community. We shall regulate

mechanically all the actions of the political life of our subjects by new laws. These laws will withdraw one by one all the indulgences and liberties which have been permitted by the *goyim*, and our kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any *goyim* who oppose us by deed or word.

We shall be told that such a despotism as I speak of is not consistent with the progress of these days, but I will prove to you that it is.

In the times when the peoples looked upon kings on their thrones as on a pure manifestation of the will of God, they submitted without a murmur to the despotic power of kings; but from the day when we insinuated into their minds the conception of their own rights they began to regard the occupants of thrones as mere ordinary mortals. The holy unction of the Lord's Anointed has fallen from the heads of kings in the eye of the people, and when we also robbed them of their faith in God the might of power was flung upon the streets into the place of public proprietorship and was seized by us.

Moreover, the art of directing masses and individuals by means of cleverly manipulated theory and verbiage, by regulations of life in common and all sorts of other quirks, in all of which the *goyim* understand nothing, belongs likewise to the specialists of our administrative brain. Reared on analysis, observation, on delicacies of fine calculation, in this species of skill we have no rivals, any more than we have either in the drawing up of plans of political actions and solidarity. In this respect the Jesuits alone might have compared with us, but we have contrived to discredit them in the eyes of the unthinking mob as an overt organization, while we ourselves all the while have kept our secret organization in the shade. However, it is probably all the same to the world who is its sovereign lord, whether the head of Catholicism or our despot of the blood of Zion! But to us, the Chosen People, it is very far from being a matter of indifference.

*For a rime perhaps we might be successfully dealt with by a coalition of the GOYIM of all the world;* but from this danger we are secured by the discord existing among them whose roots are so deeply seated that they can never now be plucked up. We have set one against another the personal and national reckonings of the *goyim*, religious and race hatreds, which we have fostered into a huge growth in the course of the past twenty centuries. This is the reason why there is not one State which would anywhere receive support if it were to raise its arm, for every one of them must bear in mind that any agreement against us would be unprofitable to itself. We are too strong--there is no evading our power. *The nations cannot come to even an inconsiderable private agreement without our secretly having a hand in it.*

*"Per Me reges regnant."* ("It is through me that Kings reign.") And it was said by the prophets that we were chosen by God Himself to rule over the whole Earth. God has endowed us with genius that we may be equal to our task. Were genius in the opposite camp it would still struggle against us, but even so a newcomer is no match for the old-established settler; the struggle would be merciless between us, such a fight as the world has never yet seen. [H: Well, you surely are about to see it now.] Aye, and the genius on their side would have arrived too late. [H: Nope, WRONG.] All the wheels of the machinery of all States go by the force of the engine, which is in our hands, and that engine of the machinery of States is--Gold. [H: Ah, but a TWO-edged sword can be honed with GOLD!] The science of political economy invented by our learned elders has for long past been giving royal prestige to capital.

Capital, if it is to co-operate untrammelled, must be free to establish a monopoly of industry and trade; this is already being put in execution by an unseen hand in all quarters of the world. This freedom will give political force to those engaged in industry, and that will help to oppress the people. Nowadays it is more important to disarm the peoples than to lead them into war; more important to use for our advantage the passions which have burst into flames than to quench their fire; more important to catch up and interpret the ideas of others to suit **our-**

selves than to eradicate them. *The principal object of our directorate consists in this: To debilitate the public mind by criticism; to lead it away from serious reflections **calculated** to arouse resistance; to distract the forces of the mind **towards** a **sham fight** of empty eloquence.*

In all ages the peoples of the world, equally with individuals, have accepted words for deeds, for *they are content with a show* and rarely pause to note, in the public arena, whether promises are followed by performance.

Therefore we shall establish show institutions which will give eloquent proof of their benefit to progress.

We shall assume to ourselves the liberal physiognomy of all parties, of all directions, and we shall give that physiognomy a *voice in orators who will speak so much that they will **exhaust** the patience of their hearers and produce an abhorrence of oratory.*

*In order to put public opinion into our hands we must bring it into a state of **bewilderment** by giving expression from all sides to so **many contradictory** opinions and for such length of time as will **suffice** to make the **GOYIM** lose their heads in the **labyrinth** and come to see that the best thing is to have no opinion of any kind in **matters political**, which it is not given to the public to understand, because they are understood only by him who guides the public. This is the first secret.*

The second secret requisite for the success of our government is comprised in the following: To multiply to such an extent national failings, habits, passions, conditions of civil life, that it will be impossible for anyone to know where he is in the resulting chaos, so that the people in consequence will fail to understand one another. This measure will also serve us in another way, namely, to sow discord in all parties, to dislocate all collective forces which are still unwilling to submit to us, and to discourage any **kind** of personal initiative which might in any degree hinder our affair. *There is nothing more dangerous than **personal initiative***; if it has genius behind it, such initiative can

do more than can be done by millions of people among whom we have sown discord. We must so direct the education of the *goyim* communities that whenever they come upon a matter requiring initiative they may drop their hands in despairing impotence. The strain which results from freedom of action saps the forces when it meets with the freedom of another. From this collision arise grave moral shocks, disenchantments, failures. *By all these means we shall so wear down the **GOYIM** that they will be compelled to **offer** us international power of a nature that by its position will **enable** without **any** violence gradually to absorb all the State forces of the world and to form a Super-Government.* In place of the rulers of today we shall set up a bogey which will be called the Super-Government Administration. Its hands will reach out in all directions like nippers and its organizations will be of such colossal dimensions that it cannot fail to subdue all the nations of the world.

#### PROTOCOL NO. 6

Monopolies; upon them depend the fortunes of the *goyim*. Taking of the land out of the hands of the aristocracy. Trade, Industry and Speculation. Luxury. Rise of wages and increase of price in the articles of primary necessity. Anarchism and drunkenness. Secret meaning of the propaganda of economic theories.

We shall soon begin to establish huge monopolies, reservoirs of colossal riches, upon which even large fortunes of the *goyim* will depend *to* such an extent that they will go to the bottom together with the credit of the States on the day after the political smash.

You gentlemen here present who are economists, just strike an estimate of the significance of this combination!

In every possible way we must develop the significance of our Super-Government by representing it as the Protector and Benefactor of all those who voluntarily submit to us.

The aristocracy of the *goyim* as a political force, is dead--we need not take it into account; but as landed proprietors they can still be harmful to us from the fact that they are self-sufficing in the resources upon which they live. It is essential therefore for us at whatever cost to deprive them of their land. This object will be best attained by increasing the burdens upon landed property--in loading lands with debt. These measures will check land-holding and keep it in a state of humble and unconditional submission.

The aristocrats of the *goyim*, being hereditarily incapable of contenting themselves with little, will rapidly burn up and fizzle out.

At the same time we must intensively patronize trade and industry, but, first and foremost, speculation, the part played by which is to provide a counterpoise to industry; the absence of speculative industry will multiply capital in private hands and will serve to restore agriculture by freeing the land from indebtedness to the land banks. What we want is that industry should drain off from the land both labour and capital and by means of speculation transfer into our hands all the money of the world, and thereby throw all the *goyim* into the ranks of the proletariat. Then the *goyim* will bow down before us, if for no other reason but to get the right to exist.

To complete the ruin of the industry of the *goyim* we shall bring to the assistance of speculation the luxury which we have developed among *goyim*, that greedy demand for luxury which is swallowing up everything. *We shall raise the rate of wages which, however, will not bring any advantage to the workers, for at the same time, we shall produce a rise in prices of the first necessities of life, alleging that it arises from the decline of agriculture and cattle-breeding; we shall further undermine artfully and deeply sources of production, by accustoming the workers to anarchy and to drunkenness and side by side therewith taking all measure to extirpate [destroy utterly] from the face of the Earth all the educated forces of the GOYIM.*

*In order that the true meaning of things may not strike the GOYIM before the proper time we shall mask it under an alleged ardent desire to serve the working classes and the great principles of political economy about which our economic theories are carrying on an energetic propaganda.*

## PROTOCOL NO. 7

Object of the intensification of armaments. Ferments, discords and hostility all over the world. Checking the opposition of the *goyim* by wars and by a universal war. Secrecy means success in the political. The Press and public opinion. The guns of America, China and Japan.

The intensification of armaments, the increase of police forces--are all essential for the completion of the aforementioned plans. What we have to get at is that there should be in all the States of the world, besides ourselves, only the masses of the proletariat, a few millionaires devoted to our interests, police and soldiers.

Throughout all Europe, and by means of relations with Europe, in other continents also, we must create ferments, discords and hostility. Therein we gain a double advantage. In the first place we keep in check all countries, for they well know that we have the power whenever we like to create disorders or to restore order. All these countries are accustomed to see in us an indispensable force of coercion. In the second place, by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all States by means of the political, by economic treaties, or loan obligations. In order to succeed in this we must use great cunning and penetration during negotiations and agreements, but, as regards what is called the "official language", we shall keep to the opposite tactics and assume the mask of honesty and compliancy. In this way the peoples and governments of the *goyim*, whom we have taught to look only at the outside of whatever we present to their notice, will still continue to accept us as the benefactors and saviours of the human race.

We must be in a position to respond to every act of opposition by war with the neighbors of that country which dares to oppose us; but if these neighbors should also venture to stand collectively together against us, then we must offer resistance by a universal war.

The principal factor of success in the political is the secrecy of its undertakings; the words should not agree with the deeds of the diplomat.

We must compel the governments of the *goyim* to take action in the direction favoured by our widely-conceived plan, already approaching the desired consummation, by what we shall represent as public opinion, secretly prompted by us through the means of that so-called "Great Power"--the *Press*, which, with a few *exceptions that may be disregarded, is already entirely in our hands.*

In a word, to sum up our system of keeping the governments of the *goyim* in Europe in check, we shall show our strength to one of them by terrorist attempts and to all, if we allow the possibility of a general rising against us, we shall respond with the guns of America or China or Japan.

**[H: If that doesn't fry your blood, nothing should.]**

#### PROTOCOL NO. 8

Ambiguous employment of juridical rights. Assistants of the Masonic directorate. Special schools and **super-educational** training. Economists and millionaires. To whom to entrust responsible posts in the government.

We must arm ourselves with all the weapons which our opponents might employ against us. We must search out in the very finest shades of expression and the knotty points of the lexicon of law justification for those cases where we shall have to pronounce judgments that might appear abnormally audacious and unjust, for it is important that these resolutions should be set forth in expressions that shall seem to be the most exalted moral

principles cast into legal form. Our directorate must surround itself with all these forces of civilization among which it will have to work. It will surround itself with publicists, practical jurists, administrators, diplomats and, finally, with persons prepared by a special super-educational training *in our special schools.* These persons will have cognizance of all the secrets of the social structure; they will know all the languages that can be made up by political alphabets and words; they will be made acquainted with the whole underside of human nature, with all its sensitive chords on which they will have to play. These chords are the cast of mind of the *goyim*, their tendencies, shortcomings, vices and qualities, the particularities of classes and conditions. Needless to say that the talented assistants of authority, of whom I speak, will be taken not from among the *goyim*, who are accustomed to perform their administrative work without giving themselves the trouble to think what its aim is, and never consider what it is needed for. The administrators of the *goyim* sign papers without reading them, and they serve either for mercenary reasons or from ambition.

We shall surround our government with a whole world of economists. That is the reason why economic sciences form the principal subject of the teaching given to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and--the main thing--millionaires, because in substance everything will be settled by the question of figures.

For a time, until there will no longer be any risk in entrusting responsible posts in our States to our brother-Jews, we shall put them in the hands of persons whose past and reputation are such that between them and the people lies an abyss; persons who, in case of disobedience to our instructions, must face criminal charges or disappear--this in order to make them defend our interests to their last gasp.

**[ END OF QUOTING ]**

We will take up the next writing with No. 9.

Continually I must remind you that these *Protocols* for Plan 2000 were written CENTURIES AGO. They were simply translated from Russian by Nilus in 1901.

It must be obvious to you-the-people that the "puppet-master" is on YOUR doorstep and has the strings tied and aligned while you danced to his tune. I think you will see that everything outlined herein--HAS BEEN ACCOMPLISHED!

Where do you go from here? I don't know where YOU are going; I only know where I AM going.

Be at peace, you of **Truth**, for the LIE CAN NEVER STAND IN THE LIGHT OF **TRUTH** AND WILL ULTIMATELY EXTINGUISH ITSELF.

I have a whole book here on who said what regarding these people, even as poorly identified as they have been through the ages, the Pharisee is never overlooked. Even that one they dubbed erroneously, that "Jesus" Christ, said when speaking to the Jews in the *Gospel of St John (VIII:44)*:

*"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own; for he is a liar and the father of it."*

How about Mohammed, in the **Koran**:

*"Whoever is a friend of a Jew, belongs to them, becomes one of them; God cannot tolerate this mean people. The Jews have wandered away from divine religion. They are usurpers. You must not relent in your work which must show up Jewish deceit."*

And what about George Washington whom we spoke of only a day or so ago and who was also a Mason? Don't think the Ma-

sons liked the usurpers much better than anyone else from whom the thefts were made.

In *Maxims of George Washington* by A.A. Appleton & Co.:

*"They (the Jews) work more effectively against us, than the enemy's armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in... It is much to be lamented that each state, long ago, has not hunted them down as pests to society and the greatest enemies we have to the happiness of America."*

Every Pope has despised and warned against this group of **usurpers--UNTIL THE LAST--AND GUESS WHAT, HE BOUGHT INTO THE VERY NEST OF THE VIPERS. HE NOT ONLY BETRAYED HIS CHARGES BUT HE FINALLY KILLED THE CHRIST IN THAT MASSIVE AND SWEEPING TRADITION RECOGNIZED AS CATHOLIC.**

The hue and cry of the Christian churches and that of the Catholic Church is that there is a drifting away from the churches themselves as the hypocrisy rises more and more to be seen--especially by the elderly and by the young who can see that Christ has been betrayed and, thus, **GOD HAS BEEN BETRAYED.** This movement away from your organized churches will continue, for the LIE becomes too obvious and actions always will speak far louder than the rhetoric from the false teachers of the pulpits. May God have mercy.

Salu and Adonai--oh yes, some of you may recognize that as **Adonay.**

WED., JAN. 21, 1998

First question from this keyboard of "fingers" is, "What does 'Birthing the Phoenix' mean for it obviously has some meaning different from what was expected as we move on into topics being covered these days?" It means that in the delivery process of the baby in any circumstance there must be a nest, a time of gestation, a delivery and a time of actual birth upon which to move forward in clearance of abilities and capability. We are in labor and of course that means that the time of birth of our baby bird is at hand. This may well have no meaning to most who read it, but to my team it will have great meaning since we have gone through this gestation and labor with great difficulty. Many things can ease our way now into a smooth delivery and birthing. We have to make sure the ashes have produced the perfect bird which, when fully fledged, can soar into the heavens. Isn't it wondrous that from this vineyard we don't have to deal with grapes but rather, LIFE? So be it and have JOY for we draw near to that for which we have worked so diligently.

We will move right on with the *Protocols* and, yes, before we are finished we will have presented far more than most people will even realize is available. For instance, in 1977 from an ABC news broadcast (January 2, 1977), an interesting broadcast was issued: "*The British Government is withholding Cabinet papers dating back to 1946 which relate to Palestine and the British Mandate before the creation of the State of Israel. They won't be made public for mother 30-years. The papers were due to be released yesterday under a 30 year rule, but they are still regarded as too sensitive to be made public. A BBC correspondent says the documents concern a year of diplomatic and political activity which, if made public thirty years later, could*

*be harmful to international relations and to individuals who were involved in the creation of the Jewish State,"*

I would tell you in advance that even the word Zionism was barred from use at that time to protect THE PLAN. A term of "ZIMUNISM" was fabricated as the code-name.

All the way back in 1939 you will find that Henry Kissinger was a major player in the top-of-the-line leadership.

By the way, you must remember something that was told to you long ago, even again at the Waco incident, that Zyclon B gas when exposed to air changes to produce cyanide gas. Yes, this is the same Zyclon B gas peddled to the Germans in the camps by your current Pope of the Roman Catholic Church.

The term Zimunism is simply a compilation of **Zionism-Communism** to confuse everyone involved for the end result would be Zionism and world control.

We will get to that, but for now we will stay with the *Protocols of Zion* in order for easy reference and confirmation of that which has come before and after.

### URGENT AND IMPORTANT

I would, before we begin on this, also state that we will be doing, in series, a recent presentation of Calvin **Burgin** which is mandatory for your understanding, and more especially if you have followed Nora Boyle's writings as well.

The document which is now available is entitled:

### THE WORLDLINE HEPTAMERON

### AN UNCENSORED HISTORY OF OUR ORIGINS AND OVERLORDS

This document is not in "book" form yet, however, so we can't yet offer a published work to go with our own information, but

we have arranged a way for you eager beavers to obtain a copy of the manuscript.

We have made arrangements with Mr. **Burgin** to issue, in manuscript form with a cover of spiral binding, the information as would be ready for press;. He can do this and is willing to do so. The cost is \$15.00 which will barely cover copy and shipping. He is willing to go through the inconvenience as his contribution. He is willing to do more--we are not willing for him to do this work AND bear all the expenses. It is time for everyone to take responsibility for their own education and help these weary hands and minds who do the work ever willingly in service.

I ask that the paper please run this information separately for convenience of reference. However, Mr. **Burgin's** information: CALVIN C. **BURGIN**, 404 Gate Tree Lane, Austin, Texas (TX) 78745. Phone: 512-443-9129, Day: 512-454-3003, FAX: 512-452-4770, e-mail: wrldline@texas.net.

### WISDOM OF THE RAYS

I want to also comment on the new publication, *WISDOM OF THE RAYS: The Masters Teach, Vol. 1.*

You have moved into "Big Time" now, readers, and if you do not understand the SPIRITUAL connections, you are never going to be able to participate wisely in anything else taking place, for it is a time in your world where Spiritual RIGHTNESS is GOING TO COME THROUGH and the LIES **ARE** GOING TO BE REVEALED IN THE LIGHT OF GOD.

This volume is published by America EAST Publishers, Inc. (never to be confused with America West, and George Green).

We cannot sufficiently offer appreciation to the party making this work available, so for now we will simply say that this is a blessed individual who has grown so greatly within Truth that it does a Father's heart to be filled with Joy, for we must never

use pride as a term, for that indicates a lessening of the gift of the one by replacing a part of that tribute to self.

This party also will be offering this volume in French, and eventually in other languages.

I would suggest that you first go to your local **bookstore(S)** and **ask** for a copy. When they don't have it, demand they carry it, for it will be a BEST SELLER on all listings very quickly. ISBN: **0-9661921-0-9**; Library of Congress Catalog Card Number: **97-77792**. For further information for the bookstores, the volume is printed in Canada. The only way we will get our books recognized from such as this, to the *Phoenix Journals* themselves, is to DEMAND that they be carried in bookstores. This is an easy one with which to begin for it is both copyrighted and listed.

I know there will be separate information regarding this book elsewhere in the paper [*Editors's note: In the United States, the volume is available through Phoenix Source Distributors (see Back Page for contacting information). In Canada, the exclusive distributor is the Preferred Network Inc. 1-800-294-5250. Any other questions can be directed to America East Publishers, Inc. P.O. Box 794, Champlain, NY 12919.1* and I am sorry that the full-color presentation of the cover cannot be reproduced here. **ALL IS LIGHT. READERS, AND IN EACH RAY THERE IS POWER BEYOND YOUR RECOGNITION, AND THROUGH THE PERFECT PRISM COMES PERFECT REFRACTION AND EACH RAY BECOMES DISTINCT (AS WELL AS ALL COLOR TONES IN BETWEEN). FURTHER COMES THE BLACK COVER, FOR FROM THE BLACK COMES THE PULLING OF ALL LIGHT LEAVING THE VOID OF NO COLOR, NO POWER, NO ABILITY TO HAVE LIFE.**

We are humbly grateful for the hours and hours (nearly a year in preparation) spent by individuals making sure everything is properly done and stated so that only TRUTH is borne forth. Dr. Young has contributed a Preface and introduction covering

some 100 pages, and made sure that all compiled information is factual and verified.

You, as readers, will find great peace and joy in the experience of this volume. If you have to let something else go in the interim, do so, for this is truly a book you will want for the long-haul in the hard times.

Since the very first book has been presented with love to Dharma and E.J., and thus to myself, I can only, on behalf of them, say we are humbly grateful. To Ekkers it was a total surprise in every way [*as it was intended to be something nice, for a change!*] and shall be forever treasured among the priceless gifts. And to our friend at America East, there are no appropriate words, of course, beyond "thank you". You have presented something which CAN go public in a time of acceptance of Angels and Guides without great quibbling over possibilities and harangue from the adversaries.

We must bring information to the world, yes, in our effort to offer possibility of *change*. However, the real mission, and that which each must confront, is the connection of **SELF to/with/within** GOD. And, you need a little help no matter who you might be. Dharma read it, cover to cover, the very evening she received it and frankly, because of it, we can go on with the task at hand which is consuming days of nothing but presentation of nasty information hour after hour. This is borne out by an 84-page CONTACT just beginning to summarize and tie up ends in the task in point.

These are "impossible" presentations, readers, but note: **IT IS POSSIBLE FOR THIS TEAM, AND THE SUPPORT TEAM CREATES THE MIRACLES--THE HARD WAY; WE WORK FOR IT.** There is no magic, no mysterious **things** or beings--just hard work with abundant backup for each thing we bring forth--and hours and hours on the part of every member to see that this is the most perfect work we can present to our best ability as human beings under the firing line.

We can do this. however. because of the willing-to-risk **truth-bringers** who have come before. Just know, **friends**, that the grapes are ripe and the baby full-term. **THE TRUTH WILL CONFRONT THE LIES AND THE LIARS WILL FALL. SO BE IT!**

## ***BIRTHING THE PHOENIX***

[QUOTING, Part 16:]

### PROTOCOL NO. 9

Application of Masonic principles in the matter of **re-educating** the peoples. Masonic watchword. Meaning of Anti-Semitism. Dictatorship of Masonry. Terror. Who are the servants of Masonry. Meaning of the "clear-sighted" and the "blind" forces of the **goyim** States. Communion between authority and mob. Licence of liberalism. Seizure of education and training. False theories. Interpretations of laws. The "undergrounds" (*metropolitans*).

In applying our principles let attention be paid to the character of the people in whose country you live and act; a general, identical application of them, until such time as the people shall have been re-educated to our pattern, cannot have success. But by approaching their application cautiously you will see that not a decade will pass before the most stubborn character will change and we shall add a new people to the ranks of those already subdued by us. **[H: And it didn't. The ranks of the Christians were added to their ranks and Jerry Falwell just announced the full usurpation and integration.]**

The words of the liberal, which are in effect the words of our Masonic watchword, namely, "Liberty, Equality, Fraternity", will, when we come into our kingdom, be changed by us into words no longer of a watchword, but only an expression of idealism, namely, into: "the right of liberty, the duty of equality, the ideal of brotherhood". That is how we shall put it, and so we shall catch the bull by the horns... *De facto* we have already

wiped out every kind of rule except our own, although *de jure* there still remain a good many of them. Nowadays, if any States raise a protest against us it is only *pro forma* at our discretion and by our direction, for their *anti-Semitism is indispensable to us for the management of our lesser brethren*. I will not enter into further explanations, for this matter has formed the subject of repeated discussions amongst us.

For us there are no checks to limit the range of our activity. Our Super-Government subsists in extra-legal conditions which are described in the accepted terminology by the energetic and forcible word--Dictatorship. I am in a position to tell you with a clear conscience that at the proper time we, the lawgivers, shall execute judgement and sentence; we shall slay and we shall spare; we as head of all our troops, are mounted on the steed of the leader. We rule by force of will, because in our hands are the fragments of a once powerful party, now vanquished by us. *And the weapons in our hands are limitless ambitions, burning greediness, merciless vengeance, hatreds and malice.*

[H: I suggest none of you go whooping off in wrong perceptions. The so-called "Christians" are not the only targets of these people calling themselves Zionists. So too are ALL OTHER RELIGIONS SAVE THOSE OF SATANIC PRIVILEGE. DO NOT FOR A MINUTE THINK YOU ARE EVEN THE MOST ANTAGONISTIC ENEMY--FOR YOU MUST CONSIDER THOSE OF THE TEACHINGS OF MOHAMMED (SPELLED ANY WAY YOU LIKE, EVEN MUHAMMAD of our Nation of Islam brethren). The point has been to claim the Christians and Heysoosians for the cause AGAINST THE MOSLEMS AND ISLAMIC PEOPLE. ONCE EVERYONE WHO CLAIMED CHRISTIANITY WAS THOROUGHLY STEEPED IN THE FOCUS ON A MAN, JESUS, THERE WAS NO LONGER A PROBLEM OF BACKUP AND SUPPORT OF THE REST OF THE MISERABLE TAKEOVER PLAN. This is the part of the game in which the opponents will NOT GO DOWN without abundant bloodshed from both sides of the issue. As for prophecies dumped on you-the-non-thinking-people, it is now the time of ARMAGEDDON AND APOCALYPSE. NO

"RAPTURE" IS GOING TO "SAVE" ANYTHING OR ANYONE--FOR THAT IS THE LIE IN WHICH TO GETCHA TRAPPED.]

*It is from us that the all-engulfing terror proceeds. We have in our service persons of all opinions, of all doctrines, restoration monarchists, demagogues, socialists, communists, and utopian dreamers of every kind. We have harnessed them all to the task; each one of them on his own account is boring away at the last remnants of authority, is striving to overthrow all established form of order. By these acts all States are in torture; they exhort to tranquility, are ready to sacrifice everything for peace; but we will not give them peace until they openly acknowledge our international Super-Government, and with submissiveness.*

The people have raised a howl about the necessity of settling the question of Socialism by way of an international agreement. *Division into fractional parties has given them into our hands, for, in order to carry on a contested struggle one must have money, and the money is all in our hands.*

We might have reason to apprehend a union between the "clear-sighted" force of the *goy* kings on their thrones and the "blind" force of the *goy* mobs, but we have taken all the needful measures against any such possibility; between the one and the other force we have erected a bulwark in the shape of a mutual terror between them. In this way the blind force of the people remains our support and we, and we only, shall provide them with a leader and, of course, direct them along the road that leads to our goal.

In order that the hand of the blind mob may not free itself from our guiding hand, we must every now and then enter into close communion with it, if not actually in person, at any rate through some of the most trusty of our brethren. When we are acknowledged as the only authority we shall discuss with the people personally on the market places, and we shall instruct them on questions of the political in such wise as may turn them in the direction that suits us.

Who is going to verify what is taught in the village schools? But what an envoy of the government or a king on his throne himself may say cannot but become immediately known to the whole State, for it will be spread abroad by the voice of the people.

In order not to annihilate the institutions of the *goyim* before it is time we have touched them with craft and delicacy, and have taken hold of the ends of the springs which move their mechanism. These springs lay in a strict but just sense of order; we have replaced them by the chaotic license of liberalism. We have got our hands into the administration of the law, into the conduct of elections, into the press, into liberty of the person, *but principally into education and training as being the cornerstones of a free existence.*

*We have fooled, bemused and corrupted the youth of the goyim by rearing them in principles and theories which are known to us to be false although it is by us that they have been inculcated. [H: Try Einstein! Einstein set back true physics ten thousand years by his false presentations. He did his job exceptionally well and still continues to hold the chair for the senior tenured professors.]*

Above the existing laws without substantially altering them, and by merely twisting them into contradictions of interpretations, we have erected something grandiose in the way of results. These results found expression first in the fact that the *interpretations masked the laws*; afterwards they entirely hid them from the eyes of the governments owing to the impossibility of making anything out of the tangled web of legislation.

***THIS IS THE ORIGIN OF THE THEORY OF COURSE OF ARBITRATION.***

***YOU MAY SAY THAT THE GOYIM WILL RISE UPON US, ARMS IN HAND, IF THEY GUESS WHAT IS WING ON BEFORE THE TIME COMES; BUT IN THE WEST WE HAVE AGAINST THIS A MANOEUVRE OF SUCH APPALLING TERROR THAT THE VERY STOUTEST HEARTS***

***QUAIL--THE UNDERGROUNDS, METROPOLITANS, THOSE SUBTERRANEAN CORRIDORS WHICH, BEFORE THE TIME COMES, WILL BE DRIVEN UNDER ALL THE CAPITALS AND FROM WHENCE THOSE CAPITALS WILL BE BLOWN INTO THE AIR WITH ALL THEIR ORGANIZATION AND ARCHIVES.***

[END OF QUOTING]

If this doesn't freeze your blood, readers, you are already dead and moved on into the sublime place of insanity. This PLAN is already IN PLACE and ready to blow on a split-second's notice. In addition to cities, all the major dams in the WORLD are also set with bombs. The teams don't want into Iraq to look for weapons of Saddam--THEY WANT IN TO FINISH **THE JOB OF PLACEMENT OF DESTRUCTIVE MASS KILLER AND DESTRUCTIVE-TO-INFRASTRUCTURE BOMBS.** Who is going to inspect and discover the suitcase-sized bombs being carried in by the inspections teams? I'm warning you, and all the Arab nations, that the time is at hand for the destruction teams are laying their final toys for detonation. These terrorists have infiltrated every one of "your" nations, Arabs, and those cute little death squad games in such as Jordan and Egypt are signs that each nation pin-pointed is now ready for destruction. The deeds are done, the bombs are placed and the signals given in full light of day for all the others to see and KNOW.

Oh, yes indeed, they have been able to accomplish this for the Super-Government through Mr. Bush's **SUPER-FU** . . . Now, how about that apple orchard full of apples? Bitter fruit? Well, I guess so!

Let us continue the good news right on with Protocol No. 10. I would tell you now, before we go further however, that there are at least 24 of these to offer you, with each one being a bigger "OUCH" than the one before. There were originally 26 PROTOCOLS; one to coincide with each letter of the English alphabet so that when completion of the plan was at hand there would only need be a statement of "from A to Z it is finished". When publication was made, however, there had to be attention

given to change of the layout to more clearly integrate with "prophesy" as presented in *Revelation* and also to make the original truth-bearers incorrect. We don't care how they number their stuff; it says the same thing and they have accomplished their mission--all but the last major fireworks display. You have no idea how much that coup meant to this world-grab, this Falwell presentation to Israel. WAKE UP PEOPLE!

[QUOTING:]

## PROTOCOL NO. 10

The outside appearances in the political. The "genius" of rascality. What is promised by a Masonic *coup d'etat*? Universal suffrage. Self-importance. Leaders of Masonry. The genius who is guide of Masonry. Institutions and their functions. The poison of liberalism. Constitution--a school of party discords. Era of republics. Presidents--the puppets of Masonry. Responsibility of Presidents. "Panama" Part played by chamber of deputies and president. *Masonry--the* legislative force. New republican constitution. Transition to Masonic "despotism". Moment for the proclamation of "the Lord of all the World". Inoculation of disease and other *wiles* of Masonry.

Today I begin with a repetition of what I said before, and I *beg you to bear in mind that governments and peoples are content in the political with outside appearances.* And how, indeed, are the *goyim* to perceive the underlying meaning of things when their representatives give the best of their energies to enjoying themselves? For our policy it is of the greatest importance to take cognizance of this detail; it will be of assistance to us when we come to consider the division of authority, freedom of speech, of the press, of religion (faith), of the law of association, of equality before the law, of the inviolability of property, of the dwelling, of taxation (the idea of concealed taxes), of the reflex force of the laws. All these questions are such as ought not to be touched upon directly and openly before the people. In cases where it is indispensable to touch upon them they must

not be categorically named, it must merely be declared without detailed exposition that the principles of contemporary law are acknowledged by us. The reason of keeping silence in this respect is that by not naming a principle we leave ourselves freedom of action, to drop this or that out of it without attracting notice; if they were all categorically named they would all appear to have been already given.

The mob cherishes a special affection and respect for the geniuses of political power and accepts all their deeds of violence with the admiring response; "rascally, well, yes, it is rascally, but it's clever!... a trick, if you like, but how craftily played, how magnificently done, what impudent audacity!"

We count upon attracting all nations to the task of erecting the new fundamental structure, the project for which has been drawn up by us. This is why, before everything, it is indispensable for us to arm ourselves and to store up in ourselves that absolutely reckless audacity and irresistible might of the spirit which in the person of our active workers will break down all hindrances on our way.

*When we have accomplished our coup d'etat we shall say to the various peoples; "Everything has gone terribly badly, all have been worn out with sufferings. We are destroying the causes of your torment--nationalities, frontiers, differences of coinages. You are at liberty, of course, to pronounce sentence upon us, but can it possibly be a just one if it is confirmed by you before you make any trial of what we are offering you." .... Then will the mob exalt us and bear us up in their hands in a unanimous triumph of hopes and expectations. Voting, which we have made the instrument, will set us on the throne of the world by teaching even the very smallest units of members of the human race to vote by means of meetings and agreements by groups, will then have served its purposes and will play its part then for the last time by a unanimity of desire to make close acquaintance with us before condemning us.*

*To secure this we must have everybody vote without distinction of classes and qualifications, in order to establish an abso-*

lute majority, which cannot be got from the educated propertied classes. In this way, by inculcating in all a sense of self-importance, we shall destroy among the *goyim* the importance of the family and its educational value and remove the possibility of individual minds splitting off; for the mob, handled by us, will not let them come to the front nor even give them a hearing; it is accustomed to listen to us only who pay it for obedience and attention. In this way we shall create a blind, mighty force which will never be in a position to move in any direction without the guidance of our agents set at its head by us as leaders of the mob. The people will submit to this regime because it will know that upon these leaders will depend its earnings, gratifications and the receipt of all kinds of benefits.

A scheme of government should come ready made from one brain, because it will never be clinched firmly if it is allowed to be split into fractional parts in the minds of many. It is allowable, therefore, for us to have cognizance of the scheme of action but not to discuss it lest we disturb its artfulness, the interdependence of its component parts, the practical force of the secret meaning of each clause. To discuss and make alterations in a labor of this kind by means of numerous votings is to impress upon it the stamp of all ratiocinations and misunderstandings which have failed to penetrate the depth and nexus of its plotting. We want our schemes to be forcible and suitably concocted. Therefore WE OUGHT NOT TO FLING THE WORK OF GENIUS OF OUR **GUIDE** to the fangs of the mob or even of a select company.

These schemes will not turn existing institutions upside down just yet. They will only effect changes in their economy and consequently in the whole combined movement of their progress, which will thus be directed along the paths laid down in our schemes.

Under various names there exists in all countries **approximately** one and the same thing. Representation, Ministry, Senate, State Council, Legislative and Executive Corps. I need not explain to you the mechanism of the relation of these institutions to one another, because you are aware of all that; only take note

of the fact that each of the above-named institutions corresponds to some important function of the State, and I would beg you to remark that the word "important" I apply not to the institution but to the function, consequently it is not the institutions which are important but their functions. These institutions have divided up among themselves all the functions of government--administrative, legislative, executive, wherefore they have come to operate as do the organs in the human body. If we injure one part in the machinery of State, the State falls sick, like a human body, and... will die.

When we introduced into the State organism the poison of Liberalism its whole political complexion underwent a change. States have been seized with a mortal illness--blood poisoning. All that remains is to await the end of their death agony.

Liberalism produced Constitutional States, which took the place of what was the only safeguard of the *goyim*, namely, Despotism; and *constitution, as you well know, is nothing else but a school of discords*, misunderstandings, quarrels, disagreements, fruitless party agitations, party whims--in a word, a school of everything that serves to destroy the personality of State activity. *The tribune of the "talkeries" has, no less effectively than the Press, condemned the rulers to inactivity and impotence*, and thereby rendered them useless and superfluous, for which reason indeed they have been in many countries deposed. *Then it was that the era of republics became possible of realization; and then it was that we replaced the ruler by a caricature of a government--by a president, taken from the mob, from the midst of our puppet creatures, our slaves*. This was the foundation of the mine which we have laid under the *goy* people. I should rather say, under the *goy* peoples.

In the near future we shall establish the responsibility of presidents.

By that time we shall be in a position to disregard forms in carrying through matters for which our impersonal puppet will be responsible. What do we care if the ranks of those striving for power should be thinned, if there should arise a deadlock

from the impossibility of finding presidents, a deadlock which will finally disorganize the country?

In order that our scheme may produce this result we shall arrange elections in favor of such presidents as have in their past some dark, undiscovered strain, some "Panama" or other--then they will be trustworthy agents for the accomplishment of our plans out of fear of revelations and from the natural desire of everyone who has attained power, namely, the retention of the privileges, advantages and honour connected with the office of president. The chamber of deputies will provide cover for, will protect, will elect presidents, but we shall take from it the right to propose new, or make changes in existing laws, for this right will be given by us to the responsible president, a puppet in our hands. Naturally, the authority of the president will then become a target for every possible form of attack, but we shall provide him with a means of self-defense in the right of an appeal to the people, for the decision of the people over the heads of their representatives, that is to say, an appeal to that same blind slave of ours--the majority of the mob. **[H: GO BACK AND READ ALL THAT AGAIN.]** Independently of this we shall invest the president with the right of declaring a state of war. We shall justify this last right on the ground that the president as chief of the whole army of the country must have it at his disposal, in case of need for the defense of the new republican constitution, the right to defend which will belong to him as the responsible representative of this constitution.

It is easy to understand that in these conditions the key of the shrine will lie in our hands, and no one outside ourselves will any longer direct the force of legislation. **[H: Do you note that while the "Jews" go forth around the globe and set the stage--your wonderful little southern adulterer is playing with his new puppy, Buddy?]**

Besides this we shall, with the introduction of the new republican constitution, take from the Chamber the right of interpolation on government measures, on the pretext of preserving political secrecy, and, further, we shall by the new constitution reduce the number of representatives to a minimum, thereby pro-

portionably reducing political passions and the passion for politics. If, however, they should, which is hardly to be expected, burst into flame, even in this minimum, we shall nullify them by a stirring appeal and a reference to the majority of the whole people... Upon the president will depend the appointment of presidents and vice-presidents of the Chamber and the Senate. Instead of constant sessions of Parliaments we shall reduce their sittings to a few months. Moreover, the president, as chief of the executive power, will have the right to summon and dissolve Parliament, and, in the latter case, to prolong the time for the appointment of a new parliamentary assembly. But in order that the consequences of all these acts which in substance are illegal, should not, prematurely for our plans, fall upon the responsibility established by us of the president, ***we shall instigate ministers and other officials of the higher administration about the president to evade his dispositions by taking measures of their own***, for doing which they will be made the scapegoats in his place... This part we especially recommend to be given to be played by the Senate, the Council of State, or the Council of Ministers, but not to an individual official.

The president will, at our discretion, interpret the sense of such of the existing laws as admit of various interpretation; he will further annul them when we indicate to him the necessity to do so, besides this, he will have the right to propose temporary laws, and even new departures in the government constitutional working, the pretext both for the one and the other being the requirements for the supreme welfare of the State.

By such measures we shall obtain the power of destroying, little by little, step by step, all that at the outset when we enter on our rights, we are compelled to introduce into the constitutions of States to prepare for the transition to an imperceptible abolition of every kind of constitution, and then the time is come to turn every form of government into ***our despotism***. **[H: Go read it again and see if you aren't THERE.]**

The recognition of our despot may also come before the destruction of the constitution; the moment for this recognition will come when the peoples, utterly wearied by the irregularities and

incompetence--a matter which we shall arrange for--of their rulers, will clamor: "Away with them and give us one king over all the Earth who will unite us and annihilate the causes of disorders--frontiers, nationalities, religions, State debts--who will give us peace and quiet, which we cannot find under our rulers and representatives."

But you yourselves perfectly well know that to *produce the possibility of the expression of such wishes by all the nations it is indispensable to trouble in all countries the people's relations with their governments so as to utterly exhaust humanity with dissension, hatred, struggle, envy and even by the use of torture, by starvation, BY THE INOCULATION OF DISEASES, by want, so that the GOYIM see no other issue than to take refuge in our complete sovereignty in money and in all else.*

But if we give the nations of the world a breathing space the moment we long for is hardly likely ever to arrive.

[END OF QUOTING]

I realize you Masons and your attachments can't possibly believe this "nonsense" as you might claim. But you know what? All you MASONS have taken the SAME oaths regardless of what you may or may not have thought about them. Let us just offer the **3rd** DEGREE oath and you might also want to remind yourselves where that old term "the 3rd degree" came from:

#### FREEMASONIC (SATANIC) BLOOD OATH OF THE 3RD DEGREE

"Furthermore do I promise and swear that I will not wrong this lodge, nor a brother of this degree to the value of one cent, knowingly, myself, or suffer it to done by others, if in my power to prevent it.

"Furthermore do I promise and swear that I will not speak evil of a brother Master Mason, neither behind his back nor before his face, but will apprise him of all approaching danger, if in my power.

"Furthermore do I promise and swear that I will obey all regular signs, summonses, or tokens given, handed, sent, or thrown to me from the hand of a brother Master Mason, or from the body of a just and lawfully constituted lodge of such.

"Furthermore do I promise and swear that a Master Mason's secrets, given to me in charge as such, and I knowing them to be such, shall remain as secure and inviolable in my breast as in his own, when communicated to me, murder and treason excepted, and they left to my own election.

*"Binding myself under no less penalty than to have my body severed in two in the midst, and divided to the north and south, my bowels burnt to ashes in the center, and the ashes scattered before the four winds of heaven, that there might not the least track or trace of remembrance remain among men or Masons, of so vile and perjured a wretch as I should be, were I ever to prove willfully guilty of violating any part of this my solemn oath, or obligation of a Master Mason, so help me God, and keep me steadfast in my performance of same."*

Now let us speak of God as relative to the Freemasonic Order:

"That which we must say to the crowds is: We worship God, but it is the God that one adores without superstition. To you, Sovereign Grand Inspectors General, we say this, that you may repeat it to the Brethren of the **32nd**, **31st**, and **30th** degrees--The Masonic religion should be, by all of us initiates of the high degrees, maintained in purity ***OF LUCIFERIAN DOCTRINE.***

"If Lucifer were not God, would **Adonay** (The God of Christians) whose deeds prove his cruelty... and hatred of man, barbarism, repulsion for science, would **Adonay** and his priests calumniate him? [**H: How many of YOU even know what is meant by "calumniate"?**] Yes, LUCIFER IS GOD, AND UNFORTUNATELY **ADONAY** IS ALSO GOD. For the eternal law is that there is no light without shade, no beauty without ugliness, no white without black."

And who might have uttered these words as if an authority? **Albert Pike, 33-degree Mason, leader of the Ku Klux Klan, and author of the book: MORALS AND DOGMA**. I know, all YOU knew about Pike was that he passed through, or something, Colorado or somewhere and a mountain peak was named for him. Oh my, do we ever have a long way to go.

And so, if you still need a bit of more modern quoting let's give **Rothschild**, also a **33-degree Jewish-Mason**, a chance:

"Give me control of the nation's money and I care not who makes the laws."

And perchance we can go all the way back to "Jesus" Christ speaking to the Ashkenazi Jews (Scribes, Pharisees, and Lawyers). John 8:42-44:

"If God were your Father, ye would love me; for I proceeded forth and came forth from **God**; neither came I of myself, but he sent me. Why do ye not understand my speech? Even because ye cannot hear my words. Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own; for he is a liar, and the father of it."

AHO! Adonay.

**BIRTHING THE PHOENIX**

[QUOTING, Part 17:]

PROTOCOL NO. 11

Programme of the new constitution. Certain details of the proposed revolution. The goyim--a pack of sheep. Secret Masonry and its "show" lodges.

The State Council has been, as it were, the emphatic expression of the authority of the ruler; it will be, as the "show" part of the Legislative Corps, what may be called the editorial committee of the laws and decrees of the ruler.

This, then, is the programme of the new constitution. We shall make Law, Right and Justice (1) in the guise of proposals to the Legislative Corps, (2) by decrees of the president under the guise of general regulations, of orders of the Senate and of resolutions of the State Council in the guise of ministerial orders, (3) and in case a suitable occasion should arise--in the form of a revolution in the State.

Having established approximately the *modus agendi* we will occupy ourselves with details of those combinations by which we have still to complete the revolution in the course of the machinery of State in the direction already indicated. By these combinations I mean the freedom of the Press, the right of association, freedom of conscience, the voting principle, and many another that must disappear forever from the memory of man, or undergo a radical alteration the day after the **promulgation** of the

new constitution. It is only at that moment that we shall be able at once to announce all our orders, for, afterwards, every noticeable alteration will be dangerous, for the following reasons: If this alteration be brought in with harsh severity and in a sense of severity and limitations, it may lead to a feeling of despair caused by fear of new alterations in the same direction; if, on the other hand, it be brought in in a sense of further indulgences it will be said that we have recognized our own wrong-doing and this will destroy the prestige of the infallibility of our authority, or else it will be said that we have become alarmed and are compelled to show a yielding disposition, for which we shall get no thanks because it will be supposed to be compulsory. Both the one and the other are injurious to the prestige of the new constitution. What we want is that from the first moment of its promulgation, while the peoples of the world are still stunned by the accomplished fact of the revolution, still in a condition of terror and uncertainty, they should recognize once and for all that we are so strong, so inexpugnable, so superabundantly filled with power, that in no case shall we take any account of them, and so far from paying any attention to their opinions or wishes, we are ready and able to **crush** with irresistible power all expression or manifestation thereof at every moment and in every place, that we have seized at once everything we wanted and shall in no case divide our power with them. Then in fear and trembling they will close their eyes to everything, and be content to await what will be the end of it all.

The goyim are a flock of sheep, and we are their wolves. And you know what happens when the wolves get hold of the flock?

There is another reason also why they will close their eyes; for we shall keep promising them to give back all the liberties we have taken away as soon as we have quelled the enemies of peace and tamed all parties.

It is not worth while to say anything about how long a time they will be kept waiting for this return of their liberties.

For what purpose then have we invented this whole policy and insinuated it into the minds of the **goys** without giving them any chance to examine its underlying meaning? For what, indeed, if not in order to obtain in a roundabout way what is for our scattered tribe unattainable by the direct road? It is this which has sewed as the basis for our organization of secret Masonry which is not known to, and aims which are not even so much as suspected by, these Goy cattle, attracted by us into the "Show" army of Masonic Lodges in order to throw dust in the eyes of their fellows.

God has granted to us, His Chosen People, the gift of the dispersion, and in this which appears in all eyes to be our weakness, has come forth all our strength, which has now brought us to the threshold of sovereignty over all the world.

There now remains not much more for us to build up upon the foundation we have laid.

## PROTOCOL NO. 12

Masonic interpretation of the word "freedom". Future of the press in the Masonic kingdom. Control of the press. Correspondence agencies. What is progress as understood by Masonry? More about the press. Masonic solidarity in the press of today. The arousing of "public" demands in the provinces. Infallibility of the new regime.

The word "freedom", which can be interpreted in various ways, is defined by us as follows:

Freedom is the right to do that which the law allows. This interpretation of the word will at the proper time be of service to us because all freedom will thus be in our hands, since the laws will abolish or create only that which is desirable for us according to the aforesaid programme.

We shall deal with the press in the following way: What is the part played by the press today? It serves to excite and inflame those passions which are needed for our purpose or else it

serves selfish ends of parties. It is often vapid, unjust, mendacious, and the majority of the public have not the slightest idea what ends the press really serves. We shall saddle and bridle it with a tight **curb**; we **shall** do the same also with all productions of the printing press, for where would be the sense of getting rid of the attacks of the press if we remain targets for pamphlets and books? The produce of publicity, which nowadays is a source of heavy expense owing to the necessity of censoring it, will be turned by us into a very lucrative source of income to our State; we shall lay on it a special stamp tax and require deposits of caution-money before permitting the establishment of any organ of the press or of printing offices; these will then have to guarantee our government against any kind of attack on the part of the press. For any attempt to attack us, if such still be possible, we shall inflict fines without mercy. Such measures as stamp tax, deposits, of caution money and fines secured by these deposits, will bring in a huge income to the government. It is true that party organs might not spare money for the sake of publicity, but these we shall shut up at the second attack upon us. No one shall with impunity lay a finger on the aureole of our government infallibility. The pretext for stopping any publication will be the alleged plea that it is agitating the public mind without occasion or justification. *I beg you to note that among those making attacks upon us will also be organs established by us, but they will attack exclusively points that we have pre-determined to alter.*

*Not a single announcement will reach the public without our control.* Even now this is already attained by us inasmuch as all news items are received by a few agencies, in whose offices they are focused from all parts of the world. These agencies will then be already entirely ours and will give publicity only to what we dictate to them.

If already now we have contrived to possess ourselves of the minds of the **goy** communities to such an extent that they all come near looking upon the events of the world through the coloured glasses of those spectacles we are setting astride their noses; if already now there is not a single State where there exist for us any barriers to admittance into what **goy** stupidity calls

State secrets; what will our position be then, when we shall be acknowledged supreme lords of the world in the person of our king of all the world.

Let us turn again to the *future of the printing press*. Every one desirous of being a publisher, librarian, or printer, will be obliged to provide himself with the diploma instituted therefor, which in case of any fault, will be immediately impounded. With such measures *the instrument of thought will become an educative means in the hands of our government, which will no longer allow the mass of the nation to be led astray in by-ways and fantasies about the blessings of progress*. Is there any one of us who does not know that these phantom blessings are the direct roads to foolish **imaginings** which give birth to anarchical relations of men among themselves and towards authority, because progress, or rather the idea of progress, has introduced the conception of every kind of emancipation, but has failed to establish its limits. All the so-called liberals are anarchists, if not in fact, at any rate in thought. Every one of them is hunting after phantoms of freedom, and falling exclusively into license, that is, into the anarchy of protest for the sake of protest.

We turn to the periodical press. We shall impose on it, and on all printed matter, stamp taxes per sheet and deposits of caution-money, and books of less than **30** sheets will pay double. We shall reckon them as pamphlets in order, on the one hand, to reduce the number of magazines, which are the worst form of printed poison, and, on the other, in order that this measure may force writers into such lengthy productions that they will be little read especially as they will be costly. At the same time what we shall publish ourselves to influence mental development in the direction laid down for our profit will be cheap and will be read voraciously. The tax will bring vapid literary ambitions within bounds and the liability to penalties will make literary men dependent upon us. And if there should be any found who are desirous of writing against us, they will not find any person eager to print their productions. Before accepting any production for publication in print the publisher or printer will have to apply to the authorities for permission to do so. Thus we shall know **be-**

forehand of all tricks preparing against us and shall nullify them by getting ahead with explanations on the subject treated of.

Literature and journalism are two of the most important educative forces, and therefore our government will become proprietor of the majority of the journals. This will neutralize the injurious influence of the privately-owned press and will put us in possession of the tremendous influence upon the public mind. If we give permit for ten journals, we shall ourselves found thirty, and so on the same proportion. This, however, must in nowise be suspected by the public. For which reason all journals published by us will be of the most opposite, in appearance, tendencies and opinions, thereby creating confidence in us and bringing over to us our quite unsuspecting opponents, who will thus fall into our trap and be rendered harmless.

In the front rank will stand organs of an official character. They will always stand guard over our interests, and therefore their influence will be comparatively insignificant.

In the second rank will be the semi-official organs, whose part it will be to attack the tepid and indifferent.

In the third rank we shall set up our own, to all appearance, opposition, which, in at least one of its organs, will present what looks like the very antipodes to us. Our real opponents at heart will accept this simulated opposition as their own and will show us their cards.

All our newspapers will be of all possible **complexions--aristocratic, republican, revolutionary, even anarchical--**for as long, of course, as the constitution exists. Like the Indian idol Vishnu they will have a hundred hands, and every one of them will have a finger on any one of the public opinions as required. When a pulse quickens these hands will lead opinion in the direction of our aims, for an excited patient loses all power of judgment and easily yields to suggestion. Those fools who will think they are repeating the opinion of a newspaper of their own camp will be repeating our opinion or any opinion that seems desirable for us.

In the vain belief that they are following the organ of their party they will in fact follow the flag which we hang out for them.

In order to direct our newspaper militia in this sense we must take especial and minute care in organizing this matter. Under the title of central department of the press we shall institute literary gatherings at which our agents will without attracting attention issue the orders and watchwords of the day. By discussing and controverting, but always superficially, without touching the essence of the matter, our organs will carry on a sham fight fusillade with the official newspapers solely for the purpose of giving occasion for us to express ourselves more fully than could well be done from the outset in official announcements, whenever, of course, that is to our advantage.

*These attacks upon us will also serve another purpose, namely, that our subjects will be convinced of the existence of full freedom of speech and so give our agents an occasion to affirm that all organs which oppose us are empty babblers,* since they are incapable of finding any substantial objections to our orders.

Methods of organization like these, imperceptible to the public eye but absolutely sure, are the best calculated to succeed in bringing the attention and the confidence of the public to the side of our government. Thanks to such methods we shall be in a position as from time to time may be required, to excite or to tranquilize the public mind on political questions, to persuade or to confuse, printing now truth, now lies, facts or their contradictions, according as they may be well or ill received, always very cautiously feeling our ground before stepping upon it. *We shall have a sure triumph over our opponents since they will not have at their disposition organs of the press in which they can give full and final expression to their views* owing to the afore-said methods of dealing with the press. We shall not even need to refute them except very superficially.

Trial shots like these, fired by us in the third rank of our press, in case of need, will be energetically refuted by us in our semi-official organs.

Even nowadays, already, to take only the French press, there are forms which reveal Masonic solidarity in acting on the watchword; all organs of the press are bound **together** by professional secrecy; like the augurs of old, not one of their numbers will give away the secret of his sources of information unless it be resolved to make announcement of them. Not one journalist will venture to betray this secret, for not one of them is ever admitted to practise literature unless his whole past has some disgraceful sore or other. These sores would be immediately revealed. So long as they remain the secret of a few the prestige of the journalist attracts the majority of the country--the mob follows after him with enthusiasm.

Our calculations are especially extended to the provinces. It is indispensable for us to inflame there those hopes and impulses with which we could at any moment fall upon the capital, and we shall represent to the capitals that these expressions are the independent hopes and impulses of the provinces. Naturally, the source of them will be always one and the same--ours. *What we need is that, until such time as we are in the plenitude of power, the capitals should find themselves stifled by the provincial opinion of the nation, i. e., of a majority arranged by our agentur.* What we need is that at the psychological moment the capitals should not be in a position to discuss an accomplished fact for the simple reason, if for no other, that it has been accepted by the public opinion of a majority in the provinces.

*When we are in the period of the new regime transitional to that of our assumption of full sovereignty we must not admit any revelations by the press of any form of public dishonesty; it is necessary that the new regime should be thought to have so perfectly contented everybody that even criminality should remain known only to their victims and to chance witnesses--no more.*

[END OF QUOTING]

Now readers, if you can't see that all these things have been accomplished, then you are truly among the blind. In the "Press" here referred to we now have to add RADIO and then TELEVI-

SION and COMPUTERS. The **ONLY** thing not fully yet controlled are the COMPUTERS and communications through that **network**. But, every effort is being made to terrify such as us who present this type of information--right down to disallowing an Internet **and/or** who uses e-mail, etc. They are working on a plan to have to have ID numbers issued, probably through corporation ID numbers and Social Security numbers, for use in hooking onto networks and to send or receive e-mail. Oh yes, **THEY CAN**.

You have a very tiny window of opportunity to get information scattered around. We have done our part and we are struggling to finish this information flow ASAP and out to you prior to any shutdown. The rest is up to you.

I don't need to comment on everything or, for that matter, anything presented here. It is far more imperative that we get the original Truth presented for your intake and input, for the PLAN is far further along than you could have imagined.

So, let us move right along to Protocol No. 13.

[QUOTING:]

### PROTOCOL NO. 13

The need for daily bread. Questions of the Political. Questions of industry. Amusements. People's Palaces. "Truth is One". The great problems.

The need for daily bread forces the *goyim* to keep silence and be our humble servants. Agents taken on to our press from among the *goyim* will at our orders discuss anything which it is inconvenient for us to issue directly in official documents, and we meanwhile, quietly amid the din of the discussion so raised, shall simply take and carry through such measures as we wish and then offer them to the public as an accomplished fact. No one will dare to demand the abrogation of a matter once settled, all the more so as it will be represented as an improvement. And immediately the press will distract the current of thought towards new questions (have we not trained people always to be

seeking something new?). Into the discussions of these new questions will throw themselves those of the brainless dispensers of fortunes who are not able even now to understand that they have not the remotest conception about the matters which they undertake to discuss. Questions of the political are unattainable for any save those who have guided it already for many ages, the creators.

From all this you will see that in securing the opinion of the mob we are only facilitating the working of our machinery, and you may remark that it is not for actions but for words issued by us on this or that question that we seem to seek approval. We are constantly making public declaration that we are guided in all our undertakings by the hope, joined to the conviction, that we are serving the common weal.

In order to distract people who may be too troublesome from discussions of questions of the political we are now putting forward what we allege to be new questions of the political, namely, questions of industry. In this sphere let them discuss themselves silly! The masses are agreed to remain inactive, to take a rest from what they suppose to be political activity (which we trained them to in order to use them as a means of **bombasting** the **goy** governments) only on condition of being found new employments, in which we are prescribing them something that looks like the same political object. In order that the masses themselves may not guess what they are about *we further distract them with amusements, games, pastimes, passions, people's palaces. Soon we shall begin through the press to propose competitions in art, in sport of all kinds;* these interests will finally distract their minds from questions in which we should find ourselves compelled to oppose them. Growing more and more disaccustomed to reflect and form any opinions of their own, people will begin to talk in the same tone as we, because we alone shall be offering them new directions for thought... of course through such persons as will not be suspected of solidarity with us.

The part played by the liberals, utopian dreamers, will be finally played out when our government is acknowledged. Till

such time they will continue to do us good service. Therefore we shall continue to direct their minds to all sorts of vain conceptions of fantastic theories, new and apparently progressive; for have we not with complete success turned the brainless heads of the **goyim** with progress, till there is not among the **goyim** one mind able to perceive that under this work lies a departure from truth in all cases where it is not a question of material inventions, for truth is one, and in it there is no place for progress. Progress, like a fallacious idea, serves to obscure truth so that none may know it except us, the Chosen of God, its guardians.

When we come into our kingdom our orators will expound great problems which have turned humanity upside down in order to bring it at the end under our beneficent rule.

Who will ever suspect then that *all these peoples were stage-managed by us according to a political plan which no one has so much as guessed at in the course of many centuries?*

[ END OF QUOTING ]

And if you thought that one was a doozy--hang on to your seats with these next ones.

[QUOTING:]

#### PROTOCOL NO. 14

The religion of the future. Future conditions of serfdom. Inaccessibility of knowledge regarding the religion of the future. Pornography and the printed matter of the future.

When we come into our kingdom it will be undesirable for us that there should exist any other religion than ours of the One God with whom our destiny is bound up by our position as the Chosen People and through whom our same destiny is united with the destinies of the world. We must therefore sweep away all other forms of belief. If this gives birth to the atheists whom we see today, it will not, being only a transitional stage, **inter-**

ferre with our views, but will serve as a warning for those generations which will hearken to our preaching of the religion of Moses, that, by its stable and thoroughly elaborated system has brought all the peoples of the world into subjection to us. Therein we shall emphasize its mystical right, on which, as we shall say, all its educative power is based. Then at every possible opportunity we shall publish articles in which we shall make comparisons between our beneficent rule and those of past ages. The blessings of tranquility, though it be tranquility forcibly brought about by centuries of agitation, will throw into higher relief the benefits to which we shall point. The errors of the *goyim* governments will be depicted by us in the most vivid hues. We shall implant such an abhorrence of them that the peoples will prefer tranquility in a state of serfdom to those rights of vaunted freedom which have tortured humanity and exhausted the very sources of human existence, sources which have been exploited by a mob of rascally adventurers who know not what they do. *Useless changes of forms of government to which we instigated the GOYIM when we were undermining their state structures, will have so wearied the peoples by that time that they will prefer to suffer anything under us rather than run the risk of enduring again all the agitations and miseries they have gone through.*

At the same time we shall not omit to emphasize the historical mistakes of the *goy* governments which have tormented humanity for so many centuries by their lack of understanding of everything that constitutes the true good of humanity in their chase after fantastic schemes of social blessings, and have never noticed that these schemes kept on producing a worse and never a better state of the universal relations which are the basis of human life.

The whole force of our principles and methods will lie in the fact that we shall present them and expound them as a splendid contrast to the dead and decomposed old order of things in social life.

Our philosophers will discuss all the shortcomings of the various beliefs of the GOYIM, *but no one will ever bring under*

*discussion our faith from its true point of view since this will be fully learned by none save ours, who will never dare to betray its secrets.*

*In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature.* For some time after our entrance to power we shall continue to encourage its existence in order to provide a telling relief by contrast to the speeches, party programme, which will be distributed from exalted quarters of ours. Our wise men, trained to become leaders of the *goyim*, will compose speeches, projects, memoirs, articles, which will be used by us to influence the minds of the *goyim*, directing them towards such understanding and forms of knowledge as have been determined by us.

[END OF QUOTING]

Boy, that one hardly bears comment at all. In these latter days, what has happened to the majority of the ordinary **run-of-citizenry** Black people suffer? They are at the bottom, or near the bottom, of all working populations. They have been abundantly supplied with welfare assistance with ever-increasing payments for a single-parent family and each additional child, food stamps and very little, if any, trade training. The next poverty level "**citizens**" are those who immigrate and especially on work permits to do heavy labor. You will **NOT** find the Blacks working in those fields where food is grown. The illegal ones who come across the borders are even more in poverty. What is going to happen as the society and economy decline?

What, in addition, about those afternoon soaps and the evening sit-coms which present totally absurd and totally immoral things taking place? And what else are those welfare recipients going to do all the time other than watch the garbage on the boob-tubes and feed the children violence and crime.

You have come a long way, friends, and it isn't good. I can only petition that you pay attention, study this well, and then at least you are armed with **TRUTH**. Salu, **Adonay**.

## REC #1 HATONN

THU., JAN. 22, 1998 8:03 A.M. YR. 11, DAY 159

THU., JAN. 22, 1998PRESIDENT CLOWN

Please, before you go on to other topics, go back and read Protocol 10 about "Presidents". Clinton is a super example of what happens when the nest of vipers set forth to destroy. You see, Clinton was the Bilderberger choice for the position in Washington before the 1992 election. You could WATCH BUSH give that power of attorney over to him. Kissinger, in about 1990-91 made the final decision with David Rockefeller to have Billy become President--"Because he can be totally controlled and there are *other* better places for Bush." We wrote about it at the time.

Why would they choose this little unknown rascal? Because he was an unknown rascal. He had played in the KGB, but that would not make a difference because, after all, Russian cold wars would be ended and all would live happily ever after. He was a **Rhodes** scholar--and that is not from Brilliance, because the check-out showed him being a Vietnam dissenter with no military background.

Billy is a Blythe (out of the Rockefeller gene-pool) and it was known the kid would go for the gusto--every time, even if it cost everything he had. He would don the hats of whatever kingdom he chose and look like the Pope or the Jew, whichever little cap was suitable, and he was the PERFECT FOOL FOR THE **PART**. HE WOULD RUN NOTHING BUT A NEW PUPPY AND HE WOULD BECOME BOTH THE MONGREL PUP PLAYING AROUND AND, IN ADDITION, BE THE PERFECTLY SUITABLE BOY-NEXT-DOOR **IMAGE** WITH ATTACHED PUPPET STRINGS.

He is now a bit of a problem, so out he goes like the wash after the dogs got to it. He was chosen with such background problems of **drug** trading (even as governor of Arkansas), law-breaking, even to shooting too many ducks in duck season, a womanizer, and played with the top-bad boys at the Bohemian Grove. IF YOU HAVEN'T **GOTTEN** PHILLIPS-O'BRIEN'S BOOK called **TRANCE FORMATION OF AMERICA--GET IT!** [Editor's note: You can order this eye-opening volume from *Phoenix* Source *Distributors*; see Back Page for contacting information.]

Now, please take careful note of what is said here: As to the end results of this "new" Starr revelation, never mind it--the facts are that they plan to "get Clinton" for the "cause" and "because", so whether or not truth or lie is present in the instant case--nobody will believe anything either side says, so it will be up to the media to kill off the fox by the hounds.

Clinton is asking a nation for a lot of support within the next few days and who in heck is now going to even LISTEN to what the sucker has to say at his State of the Nation speech? I remind you:

**YOU ARE IN THE FINAL STAGES OF CHAOS AND THE TAKEOVER HAS TAKEN OVER!**

In addition, Bill Clinton has been so rested and revitalized at Camp David that you have no idea who is doing what to whom. And now what do you have? **Netanyahu** offering to go to Camp David and make some "accords".

And when asked about his worst and best times in the U.S., Mr. Yahoo said something nice about receptions, rooms, and "just being in America"--and the overwhelming support of the "Christians" to the Israeli-Jewish cause. Worst? The cold reception of the American JEWS to himself and the plight of Israel. Do you yet feel nuts?

Now you have a presidency in deep yogurt while **Arafat** of Palestine AND Mr. Yahoo cross paths in the damned airport-- "but will meet formally LATER" at, possibly, Camp David.

By the way, aren't any of you curious about that "little attached room to the Oval office"? My, my, that surely is a busy little room which requires a full-time secretary to keep the appointments and clear the entries.

These ladies and gentlemen strategically placed are the brain-warped children of MK-Ultra and they are intentionally placed in positions to accomplish exactly these results and no, they probably don't even know it. Moreover, they respond to trigger keys just like computers spitting out information. And yes indeed. wait until the **PICTURES** from the best-placed cameras come forth. Put yourself in a blackmail **position** and you **WILL BE BLACKMAILED--SATAN NEVER HAS TO CHANGE HIS APPROACH OR CONCERN ABOUT THE END RESULTS.**

By the way, if you carefully read the material offered through first-hand experience of Cathy **O'Brien**, you will find that some visitors to the White House were visitors of **MRS. CLINTON**. Now isn't THAT cute? How flexible can a family be? And what of their poor child in California? She is a desperately poor child in California! Will the sins of the parents be rested upon Chelsea? Of course, for it is always the children who pay.

A special statement by a media mogul said: "It isn't the sex that is in any wise important, it is the effort at cover-up. The public is not interested in Clinton's sex life--just his lying about it."

**YOU ARE GETTING THE EXAMPLES AND FULL-BLOWN SHOW OF THE PROTOCOLS OF ZION wrapping up the world as YOU know it. And, oh you bet, those people are praying to God--but they don't understand--THEY STILL HAVE THE WRONG GOD. So be it for they surely do not want the ONE who pours on the Light to any circumstance.**

Watch for suiciding, assassination or, certainly, removal from the Presidency for it is time to replace this poor nut with one From their Lean, Mean Machine.

But wouldn't Gore take over before anybody else? Yep, but notice his recent speeches hither and yon. And is he a Jew? Yep, notice the hair-loss pattern which is distinctive to the Jews, like it or not. That is why they wear those silly little skull caps, readers. It has **NOTHING** to do with God. But do notice that you can't tell the Pope from the Rabbi.

Let us go on with the **Protocols** so you don't have to inconvenience selves with research.

### ***BIRTHING THE PHOENIX***

[QUOTING, Part 18:]

#### **PROTOCOL NO. 15**

**One-day coup d'etat (revolution) over** all the world. Executions. Future lot of goyim-Masons. Mysticism of authority. Multiplication of Masonic lodges. Central governing board of Masonic elders. The "Azev-tactics". Masonry as leader and guide of all secret societies. Significance of public applause. Collectivism. Victims. Executions of Masons. Fall of the prestige of laws and authority. Our position as the Chosen People. Brevity and clarity of the laws of the kingdom of the future. Obedience to orders. Measures against abuse of authority. Severity of penalties. Age-limit for judges. Liberalism of judges and authorities. The money of all the world. Absolutism of Masonry. Right of appeal. Patriarchal "outside appearance" of the power of the future "ruler". Apotheosis of the ruler. The right of the strong as the one and only right. The King of Israel. Patriarch of all the world.

When we at last definitely come into our kingdom by the aid of **coups d'etat** prepared everywhere for one and the same day,

after the worthlessness of all existing forms of government has been definitely acknowledged (and not a little time will pass before that comes about, perhaps even a whole century) we shall make it our task to see that against us such things as plots shall no longer exist. With this purpose we shall slay without mercy all who take arms (in hand) to oppose our coming into our kingdom. Every kind of new institution of anything like a secret society will also be punished with death; those of them which are now in existence, are known to us, serve us and have **served** us, we shall disband and send into exile to continents far removed from Europe. ***In this way we shall proceed with those GOY masons who know too much;*** such of these as we may for some reason spare will be kept in constant fear of exile. We shall promulgate a law making all former members of secret societies liable to exile from Europe as the center of our rule.

Resolutions of our government will be final, without appeal.

In the **goy** societies in which we have planted and deeply rooted discord and protectionism, the only possible way of restoring order is to employ merciless measures that prove the direct force of authority; no regard must be paid to the victims who fall; they suffer for the well-being of the future. The attainment of that well-being, even at the expense of sacrifices, is the duty of any kind of government that acknowledges as justification for its existence not only its privileges but its obligations. The principal guarantee of stability of rule is to confirm the aureole [halo] of power, and this aureole is attained only by such a majestic inflexibility of might as shall carry on its face the emblems of inviolability from mystical causes--from the choice of **God**. ***Such was, until recent times, the Russian autocracy, the one and only serious foe we had in the world, without counting the Papacy.*** Bear in mind the example when Italy, drenched with blood, never touched a hair of the head of Sulla who had poured forth that blood; Sulla enjoyed an apotheosis for his might in the eyes of the people, though they had been torn in pieces by him, but his intrepid return to Italy ringed him round with inviolability. The people do not lay a finger on him who hypnotizes them by his daring and strength of mind.

Meantime, however, until we come into our kingdom, we shall act in the contrary way; we shall create and multiply free Masonic lodges in all the countries of the world, absorb into them all who may become or who are prominent in public activity, for in these lodges we shall find our principal intelligence office and means of influence. All these lodges we shall bring under one central administration, known to us alone and to all others absolutely unknown, which will be composed of our learned elders. The lodges **will** have their representatives who will serve to screen the above-mentioned administration of **Masonry** and from whom will issue the watchword and programme. In these lodges we shall tie together the knot which binds together all revolutionary and liberal elements. Their composition will be made up of all strata of society. The most secret political plots will be known to us and will fall under our guiding hands on the very day of their conception. ***Among the members of these lodges will be almost all the agents of international and national police since their service is for us irreplaceable*** in the respect that the police is in a position not only to use its own particular measures with the insubordinate, but also to screen our activities and provide pretexts for discontents, *etcetera*.

The class of people who most willingly enter into secret societies are those who live by their wits, careerists and in general people, mostly light-minded, with whom we shall have no difficulty in dealing and in using to wind up the mechanism of the machine devised by us. If this world grows agitated the meaning of that will be that we have had to stir it up in order to break up its too great solidarity. ***But if there should arise in its midst a plot, then at the head of that plot will be no other than one of our most trusted servants.*** It is natural that we and no other should lead **Masonic** activities, for we know whither we are leading, we know the final goal of every form of activity whereas the **goyim** have knowledge of nothing, not even of the immediate effect of action; they put before themselves, usually, the momentary reckoning of the satisfaction of their self-opinion in the accomplishment of their thought without even remarking that the very conception never belonged to their initiative but to our instigation of their thought.

The *goyim* enter the lodges out of curiosity or in the hope by their means to get a nibble at the public pie, and some of them in order to obtain a hearing before the public for their impracticable and groundless fantasies; they thirst for the emotion of success and applause, of which we are remarkably generous. And the reason why we give them this success is to make use of the high conceit of themselves to which it gives birth, for that insensibly disposes them to assimilate our suggestions without being on their guard against them in the fullness of their confidence that it is their own infallibility which is giving utterance to their own thoughts and that it is impossible for them to borrow those of others. You cannot imagine to what extent the wisest of the *goyim* can be brought to a state of unconscious naivete in the presence of this condition of high conceit of themselves, and at the same time how easy it is to take the heart out of them by the slightest ill-success, though it be nothing more than the stoppage of the applause they had, and to reduce them to a slavish submission for the sake of winning a renewal of success. *By so much as ours disregard success if only they can carry through their plans, by so much the GOYIM are willing to sacrifice any plans only to have success.* This psychology of theirs materially facilitates for us the task of setting them in the required direction. These tigers in appearance have the souls of sheep and the wind blows freely through their heads. We have set them on the hobby-horse of an idea about the absorption of individuality by the symbolic unit of *collectivism*. They have never yet and they never will have the sense to reflect that this hobby-horse is a manifest violation of the most important law of nature, which has established from the very creation of the world one unit unlike another and precisely for the purpose of instituting individuality.

If we have been able to bring them to such a pitch of stupid blindness is it not a proof, and an amazingly clear proof, of the degree to which the mind of the *goyim* is undeveloped in comparison with our mind? This it is, mainly, which guarantees our success.

And how far-seeing were our learned elders in ancient times when they said that to attain a serious end it behooves not to stop

at any means or to count the victims sacrificed for the sake of that end. We have not counted the victims of the seed of the *goy* cattle, though we have sacrificed many of our own, but for that we have now already given them such a position on the Earth as they could not even have dreamed of. The comparatively small numbers of the victims from the number of ours have preserved our nationality from destruction.

Death is the inevitable end for all. It is better to bring that end nearer to those who hinder our affairs than to ourselves, to ~~the founders of this affair.~~ **WE EXECUTE MASONS IN SUCHWISE-THAT NONE SAVE THE BROTHERHOOD CAN EVER HAVE A SUSPICION OF IT, NOT EVEN THE VICTIMS THEMSELVES OF OUR DEATH SENTENCE; THEY ALL DIE WHEN REQUIRED AS IF FROM A NORMAL KIND OF ILLNESS.** Knowing this, even the brotherhood in its turn dare not protest. By such methods we have plucked out of the midst of *Masonry* the very root of protest against our disposition. While preaching liberalism to the *goyim* we at the same time keep our own people and our agents in a state of unquestioning submission.

Under our influence the execution of the laws of the *goyim* has been reduced to a minimum. The prestige of the law has been exploded by the liberal interpretations introduced into this sphere. In the most important and fundamental affairs and questions judges decide as we dictate to them, see matters in the light wherewith we enfold them for the administration of the *goyim*, of course, through persons who are our tools though we do not appear to have anything in common with them--by newspaper opinion or by other means. Even senators and the higher administration accept our counsels. The purely brute mind of the *goyim* is incapable of use for analysis and observation, and still more for the foreseeing whither a certain manner of setting a question may tend.

**[H: Pay close attention to the above paragraph for it tells you exactly HOW these particular parties get control of Presidents, Senators, etc. There are TRAINED writers who know exactly what every audience wants to hear from any**

speaker, especially their "*political servants*" and *wow, that is a mouthful, isn't it?* Please note that no **political** speaker is even allowed to give his own written speeches and they are **NOT TO DEVIATE** from the pre-written script. The point is not to write the content or context, but to **ACT** well enough to pull off the performance without **fully** falling on the proverbial faces. This points out even more that the persons in the positions are **ONLY PUPPETS** dancing to the Puppet Master's wishes.]

In this difference in capacity for thought between the *goyim* and ourselves may be clearly discerned the seal of our position on the Chosen People and of our higher quality of humanness, in contradistinction to the brute mind of the *goyim*. Their eyes are open, but see nothing before them and do not invent (unless, perhaps, material things). From this it is plain that nature herself has destined us to guide and rule the world.

When comes the time of our overt rule, the time to manifest its blessings, we shall remake all legislatures, all our laws will be brief, plain, stable, without any kind of interpretations, so that anyone will be in a position to know them perfectly. The main feature which will run right through them is submission to orders, and this principle will be carried to a grandiose height. Every abuse will then disappear in consequence of the responsibility of all down to the lowest unit before the higher authority of the representative of power. Abuses of power, subordinate to this last instance, will be so mercilessly punished that none will be found anxious to try experiments with their own powers. We shall follow up jealously every action of the administration on which depends the smooth running of the machinery of the State, for slackness in this produces slackness everywhere; not a single case of illegality or abuse of power will be left without exemplary punishment.

Concealment of guilt, connivance between those in the service of the administration--all this kind of evil will disappear after the very first examples of severe punishment. The aureole of our power demands suitable, that is, cruel, punishments for the slightest infringement, for the sake of gain, of its supreme

prestige. The sufferer, though his punishment may exceed his fault, will count as a soldier falling on the administrative field of battle in the interest of authority, principle and law, which do not permit that any of those who hold the reins of the public coach should turn aside from the public highway to their own private paths. *For example; our judges will know that whenever they feel disposed to plume themselves on foolish clemency they are violating the law of justice which is instituted for the exemplary edzjication of men by penalties for lapses and nor for display of the spiritual qualities of the judge.* Such qualities it is proper to show in private life, but not in a public square which is the educationary basis of human life.

Our **legal** staff will serve not beyond the age of 55, firstly because **old men** more obstinately **hold** to prejudiced opinions, and are less capable of submitting to new directions, and secondly because **this** will give us **the possibility** by this measure of securing elasticity in the changing of staff, which will thus the more easily bend under our pressure; he who wishes to keep his place will have to give blind obedience to deserve it. In general, our judges will be elected by us only from among those who thoroughly understand that the part they have to play is to punish and apply laws and not to dream about the manifestations of liberalism at the expense of the educationary scheme of the State, as the *goyim* in these days imagine it to be. This method of shuffling the staff will serve also to explode any collective solidarity of those in the same service and will bind all to the interests of the government upon which their fate will depend. The young generation of judges will be trained in certain views regarding the inadmissibility of any abuses that might disturb the established order of our subjects among themselves.

In these days the judges of the *goyim* create indulgences to every kind of crime, not having a just understanding of their office, because the rulers of the present age in appointing judges to office take no care to inculcate in them a sense of duty and consciousness of the matter which is demanded of them. As a brute beast lets out its young in search of prey, so do the *goyim* give their subjects places of profit without thinking to make clear to them for what purpose such place was created. This is

the reason why their governments are **being ruined** by their own forces through the acts of their own administration.

Let us borrow from the example of the results of these actions yet another lesson for our government.

*We shall root out liberalism from all the important strategic posts of our government on which depends the training of subordinates of our State structure.* Such posts will fall exclusively to those who have been trained by us for administrative rule. To the possible objection that the retirement of old servants will cost the Treasury heavily, I reply, firstly, they will be provided with some private service in place of what they **lose**, and, secondly, I have to remark that all the money in the world will be concentrated *in our hands*, consequently it is not our government that has to fear expense. [H: Ain't it so?]

Our absolutism will in all things be logically consecutive and therefore in each one of its decrees our supreme will will be respected and unquestionably fulfilled; it will ignore all murmurs, all discontents of every kind and will destroy to the root every kind of manifestation of them in act by punishment of an exemplary character.

We shall abolish the right of cassation [cancellation, annulment], which will be transferred exclusively to our disposal--to the cognizance of him who **rules**, for we must not allow the conception among the people of a thought that there could be such a thing as a decision that is not the right of judges set up by us. If, however, anything like this should occur, we shall ourselves cassate the decision, but inflict therewith such exemplary punishment on the judge for lack of understanding of his duty and the purpose of his appointment as will prevent a repetition of such cases. I repeat that it must be borne in mind that we shall know every step of our administration which only needs to be closely watched for the people to be content with us, for it has the right to demand from a good government a good official.

*Our government will have the appearance of a patriarchal paternal guardianship on the part of our ruler.* Our own nation

and our subjects will discern in his person a father caring for their every need, their every act, their every inter-relation as subjects one with another, as well as their relations to the **ruler**. They will then be so thoroughly imbued with the thought that it is impossible for them to dispense with this wardship and guidance, if they wish to live in peace and quiet, that *they will acknowledge the autocracy of our ruler with a devotion bordering on APOTHEOSIS* [deification], especially when they are convinced that those whom we set up do not put their own in place of his authority, but only blindly execute his dictates. They will be rejoiced that we have regulated everything in their lives as is done by wise parents who desire to train their children in the cause of duty and submission. For the peoples of the world in regard to the secrets of our polity are ever through the ages only children under age, precisely as are also their governments.

As you see, I found our despotism on right and duty; the right to compel the execution of duty is the direct obligation of a government which is a father for its subjects. It has the right of the strong that it may use it for the benefit of directing humanity towards that order which is defined by nature, namely, submission. Everything in the world is in a state of submission, if not to man, then to circumstance or its own inner character, in all cases, to what is stronger. And so shall we be this something stronger for the sake of good.

We are obliged without hesitation to sacrifice individuals, who commit a breach of established order, for in the exemplary punishment of evil lies a great educational problem.

When the King of Israel sets upon his sacred head the crown offered him by Europe he will become patriarch of the world. The indispensable victims offered by him in consequence of their suitability will never reach the number of victims offered in the course of centuries by the mania of magnificence, the emulation between the **goy** governments.

Our King will be in constant communion with the peoples, making to them from the tribune speeches which fame will in that same hour distribute over all the world.

[END OF QUOTING]

## ANY ARGUMENTS SO FAR?

Does it become clear that, in the judicial system as it stands today, the whole of the Plan has evolved--TOTALLY.

The State or national flag has been replaced by a foreign flag of war (that pretty gold fringe). You will note that on the outside of the building, to further fool you ALL THE TIME, flies a legal and lawful flag of your nation. You may as well face the fact that the FLAG MAKERS are no longer ALLOWED, BY ORDER, to make the legally sized flag of the United States. If you wish to go with the notion that a "David Miller" procedure is applicable to your cause--YOU CAN NO LONGER FIND A LEGAL FLAG TO TAKE INTO THE COURTROOM. Moreover, the case, if it gets to a court and then appealed, is simply SHELVED.

Note that the promise of the judicial bench-sitters, are obligated to choose the Masonic-ordered law of protecting "their own", is operable in any case involving a citizen against the establishment corporations or the lawyers. The only way a lawyer will be set against is if the opposition is a favored teamplayer who has lied, cheated and stolen his way through a case. The "inside" self-proclaimed Bar-passer will prevail--every time. The "brother" will be protected at all costs to the citizen acting in rightness. Can the "little man" ever win? No, not even if you think you win. You can never "collect" against that monster with the greedy appetite, for the judge in the matter will see to it that you cannot. If your case is so good as to be OBVIOUS to all that there is foulness afoot, then there **may** be an effort to **quietly** "settle" *something*, **especially** if there might be insurance ~~coverage~~ somehow **attached**. **DO NOT EXPECT TO WIN, HOWEVER, UNLESS YOU HAVE THEIR OWN TEAM MEMBERS IN FOR A PERCENTAGE OF THE "TAKE"**.

So, what do you do? Not much you can do! It has been too long in the takeover to be able to walk to the door and change anything--they simply will laugh at you.

All you can hope to do is KNOW what is right, and then watch the high-roller players break each other to bits and pieces as they vie for the top-banana position. To do more sets you up as the unshielded targets to be destroyed.

Oh, you can give the "little" opponents within the liar's loops some hassle and even win now and then--but don't count on the "win" part AS YOU EXPECT. Winning has nothing to do with money, but bringing the culprits to a state of harmlessness. If the embarrassment gets too heavy on the higher organizers and authorities, the higher official may well **rule** against them to save his own closet skeletons and misbehaviors. It will never be because of honor or **RIGHT**.

For these reasons I WANT all surveillance teams to continue to closely monitor our writings, messages--everything. Our very security is in the fact that we lay no **traps**, subvert nothing, and openly expect agreements with us to be met, no more than that. We are not going to form armies with AK-47s to run amok on the streets or even in the dark undergrounds. It is a stupid attitude to think you can beat this beast at a game which he invented and yet you know not the rules for play.

The faster, in fact, the high-level agreement-makers KEEP THEIR AGREEMENTS, the less work we will have and a lot of idiot people will run out of income off the backs of their poor sucker clients. We certainly neither need nor do we want the confrontations or notoriety. What would you plan to do, wad up pieces of paper and throw them at the culprits who annoy you?

Mankind is going to be allowed to do "his thing" for that is the promise of Creator to a world in manifest physical form. You have opportunity to know Truth, and if you choose to not participate--fine with me.

I find it rather interesting at all the speculation of cloning, alien invasions, light shows in the sky, and thus and so which titillate your attention. Even at Area 51 where all the "alien stuff" is suspected, I have something to make clear to you: Technology is such that there needs be no supplemental light to photograph

anything. You do, for holographs have to have something to photograph in the upstart of a planned portrayal of any operation. This can be from the most tiny whole-models to the most elaborate "flying object". After these are compiled, then the sky is the limit--literally. The big boys can now offer you **people FULL INVASION SCENARIOS RIGHT OVER WASHINGTON OR PHOENIX OR WHEREVER YOU ARE TRAINED TO LOOK.**

What is planned for the "raptures"? Wow, biggies, friends. There will be "religious" forms from your expectations and thought-forms arriving to "save" you. But what will happen is massive destruction instead. After all, the dead can't report the errors in perceptions after the fact, can they? And if they could do so--**YOU WOULDN'T LISTEN.** Besides, readers, the secret things are far more terrible than anything yet revealed to you. You wouldn't know God from alien hologram. The Christians will expect Jesus--and they will get him in full glory. At the same time those expecting Buddha will get him, and right on down the line. These holographic pictures will be sent forth from clear skies to dust storm clouds. You will have terrible destruction as detonation of bombs are simultaneous with a movie about aliens invading. This is the epitome of terrorizing, friends, and you **WILL** bite on the lies. Why would we be stupid enough to rile these hornets more than just telling the truth?

**By the way, you have reached the time in the Plan 2000 where the developers of the Plan 2000 WANT YOU TO HAVE THIS INFORMATION.** This is so that you will see how shackled you are from the very perfection of their Plan and there will be **NO RELIGION** unto which to turn for religions are of man and have been so manipulated as to have **NO SPIRITUAL FACT.**

What will happen to my people? What difference? You had best attend what will be happening to **YOU.**

There was once a saying: "Better dead than red". Obviously that was written by an idiot. Moreover, you will talk yourselves

into the fact that an illusion of freedom suffices, even if you are enslaved. Fine, for you who survive to be enslaved! The plans, however, are to annihilate you in such a way as to disperse soul energy with, hopefully, no possibility of recreating the original structure. This places soul energy into the cosmos with total lack of ability to coordinate or reassemble, and thus the reassembled "mass" will be a cloned replication which is even more robotically useful to the developers of same.

But this is for another sitting. **ADONAI.**

LIBERALS VS. CONSERVATIVES

As we go through these *Protocols* let us have compassion, please, for those most closely and painfully affected by Talmudic New-Age Order.

I hope that all of you are paying **attention** to the blatherings of everyone, especially the attorneys who come forth and speak of Clinton in these days. There is now frequent reference to "Talmudic"-type of LAW; i.e., "Under Talmudic approaches..." or "The Judge, using Talmudic..."

Remember that there was a direct interchange in the **Simpson** trial between Marsha Clark and Judge Ito which indicated BOTH would like to toss the law and move on to Talmudic control of the courtroom.

This is not a light subject, readers; it is in place but very difficult to integrate easily into the system.

Do you actually think those Liberal Jewish Talmudists are the same people as are the Conservative Jewish Torahs? Can't you just imagine the confusion in the communities where the thought was that all were interpreting, at the least, the same set of spiritual rules? My very being goes out to these people who have lost their own special religious rites to the Antichrist. As Christians and others search for answers to such questions as homosexuality and sex outside of marriage (totally forbidden in the *Torah*, the Hebrew writings that form the first five books of the Bible), it is incredibly difficult for the Judeans to find a balance

for they have not been given the liberties of choice as have the "reformed" branches of religions where "anything goes".

I probably offered you this article back in 1995, but we have pulled it out for review for it seems to point out the difference in factions of "a" religious confrontation as has taken place in every religion as "modernization" becomes the fad of the day.

[QUOTING:]

*Rocky Mountain News*, Thurs., Aug. 17, 1995:

RABBIS TO RELAX MORALITY RULES

**CONSERVATIVE JEWS TACKLE SEXUAL ISSUES IN NEW REPORT.**

by Jean Trokelson, *Rocky Mountain News* Religion Writer.

Conservative Jewish leaders will propose next month to relax 3,000-year old views of homosexuality and premarital sex.

Homosexuality and sex outside of marriage are widely interpreted as forbidden in the *Torah*, the Hebrew writings that form the first five books of the Bible.

The non-binding report follows a two-year study by the Conservative Jewish Movement's Rabbinical Commission on Human Sexuality. It calls for a re-examination of morality in the light of modernday "realities" and "complexities". **[H: In other words, be damned what is right and what is wrong and go with the consequences of "realities" and "complexities" of a modernized Satanic movement. If it was incorrect behavior to co-screw around with same-sex partners and have premarital sex (fornication) when the Bibles were supposedly non-realistic and non-complex, has the passage of eons of opportunities for wrong-behavior somehow made it now correct to fit the wishes of society and keep up the coffers of the "modern" temple? My, my.]**

*The Rocky Mountain News* obtained a synopsis of the report, which will be released next month by the movement's 800-member union of rabbis, the Rabbinical Assembly.

"What it does do is revisit the whole issue of human sexuality to see if it's time to move away from a conventional perspective," said Rabbi Bernard Gerson of Congregation Rodef Shalom in Denver. The consensus, he said, "was that it was time". **[H: Yes indeedy, right when AIDS and other killer diseases such as Abortion and Moral fidelity in a marriage could mean LIFE or DEATH, we relax those outdated moral codes--sure sounds like wise calculations--if you are now ready to wipe out your people or at the least, the undesirable "Conservative" of your congregations.]**

Gerson said that while it upholds traditional sexual standards as the **ideal**, it goes on to explore "where the spirit of Judaism lies and how we might apply that to our late 20th century societal picture."

Individual rabbis won't have to abide by the recommendations, Gerson said.

Recent census data identify the conservative movement as the largest Jewish sect with 2 million members, 1,200 in Colorado (*Rocky Mtn.* News area).

Their carefully worded synopsis to the paper, titled "This is My Beloved, This is My Friend: A Rabbinic Letter on Intimate Relations", notes that while marital sex is the ideal, a "delay in marriage is widely common today and that such delay often has merit".

That reality, the paper says, makes it imperative that conservative Judaism study premarital sex, condoms for teens, sex education and masturbation. **[H: Not a bad curriculum for setting the standards of responsible behavior wouldn't you say? Has the entire world gone insane and not just Willie boy Clinton with his nutty cabinet members?]**

The sexuality commission acknowledged that the issue of homosexuality is "fraught with danger", but was important to address in light of modern research which sees homosexuality as "so much a matter of nature".

While the commission's findings do not change the ban against the ordination of Jews who are openly homosexual, it does call for support for their civil and legal rights and calls on synagogues to welcome them as persons who are "(longing) to live openly and without stigma, in committed relationships with other Jews". **[H: And I suppose you couldn't do that otherwise? You have to carry, I suppose, a big signboard demanding something or other to love, care for, nourish and belong in a FRIENDSHIP WITH RESPONSIBILITY?]**

Rabbi Allen Selis of Congregation Bonai Shalom in Boulder explained his support of the paper by saying, "If people have decided to live their sexual lives outside the boundaries that Judaism provides, I still want them to find a degree of holiness in their sexual lives." **[H: Why? Nobody else finds holiness in their sexual lives.]**

"The significance of the paper is the difference between engaging reality and ignoring it."

Like the Orthodox movement. Conservative Jews believe in the authority of Jewish law, but allow rabbinic leaders to interpret **IT TO FIT CIRCUMSTANCES. REFORM JEWS ALLOW THE WIDEST INTERPRETATION.**

[END OF QUOTING]

Well, readers, get ready, suck in your breath, and hold it: GOD DOES NOT "ALLOW" **MAN--ANY MAN--TO "INTERPRET" HIS LAWS.** You can have love and **fellowship**, brotherhood and supreme LOVE between any peoples--you do not need to do things which actually endanger the lives of one another. This is a fact within a relationship of ANY KIND. If you choose to live your lives in a given manner, FINE. Those are things between GOD AND YOU but you have no right to

foist off onto others, that choice. THAT is a universal LAW of God.

I don't cater to those who do "bad things" in the closet, in the dark--or in the light of day. Who are you fooling? Well, you are NOT fooling GOD and why would you pull your shame from the closet and dump it all over others? Who gives a damn? Not me and it is YOU individually who will face your own judgement WITH GOD, and 10,000 rabbis will not make wrong actions or intentions right. Right is the opposite end to wrong, remember? This does, however, prove the point of DOCTRINE being of MAN and committees and has NOTHING to do with GOD or Spiritual Truth. THAT is the point of the notice above, not whether or not you **prefer** to be with man or woman, or roll in the **hay** before **or after** a marriage certificate. I **have** no use for marriage CERTIFICATES for they are of the STATE. COMMITMENT is of the SOUL. **RESPONSIBILITY** is the measure of BOTH.

### OTHER TOPICS

Yes I know, there are so many other **topics** that need attending that we **hesitate** to spend such precious **time** on the **disagreeable** ones such as WHO IS TAKING CONTROL OF YOUR WORLD. However, readers, all other topics of negative impact on your world--are coming directly from the Antichrist factions of your world. We must attend priorities of information flow and you are going to have to GROW UP and, hopefully, when you **try** to GET A **LIFE**, there will be one worth acquiring. So let us return to the *Protocols*.

### *BIRTHING THE PHOENIX*

[QUOTING, Part 19:]

#### PROTOCOL NO. 16

Emasculation of the universities. Substitute for classicism. Training and calling. Advertisement of the authority of "the ruler" in the schools. Abolition of freedom of in-

struction. New Theories. Independence of thought. Teaching by object lessons.

In order to effect the destruction of all collective forces except ours we shall emasculate the first stage of collectivism--the *universities*, by re-educating them in a new direction. *Their officials and professors will be prepared for their business by detailed secret programmes of action from which they will not with immunity diverge, not by one iota. They will be appointed with especial precaution, and will be so placed as to be wholly dependent upon the Government.*

We shall exclude from the course of instruction State Law as also all that concerns the political question. These subjects will be taught to a few dozens of persons chosen for their **pre-emi-**nent capacities from among the number of the initiated. *The universities must no longer send out from their halls milksops concocting plans for a constitution, like a comedy or a tragedy, busying themselves with questions of policy in which even their own fathers never had any power of thought.*

The ill-guided acquaintance of a large number of persons with questions of polity creates utopian dreamers and bad subjects, as you can see for yourselves from the example of the universal education in this direction of the *goyim*. We must introduce into their education all those principles which have so brilliantly broken up their order. But when we are in power we shall remove every kind of disturbing subject from the course of education and shall make out of the youth obedient children of authority, loving him who rules as the support and hope of peace and quiet.

Classicism, as also any form of study of ancient history, in which there are more bad than good examples, we shall replace with the study of the programme of the future. We shall erase from the memory of men all facts of previous centuries which are undesirable to us, and leave only those which depict all the errors of the governments of the *goyim*. The study of practical life, of the obligations of order, of the relations of people one to another, of avoiding bad and selfish examples which spread the

infection of evil, and similar questions of an educative nature, will stand in the forefront of the teaching programme, which will be drawn up on a separate plan for each calling or state of life, in no wise generalizing the teaching. This treatment of the question has special importance.

Each state of life must be trained within strict limits corresponding to its destination and work in life. *The occasional genius has always managed and always will manage to slip through into other states of life, but it is the most perfect folly for the sake of this rare occasional genius to let through into ranks foreign to them the untalented who thus rob of their places those who belong to those ranks by birth or employment. You know yourselves in what all this has ended for the goyim who allowed this crying absurdity.*

In order that he who rules may be seated firmly in the hearts and minds of his subjects it is necessary for the time of his activity to instruct the whole nation in the schools and on the market places about his meaning and his acts and all his beneficent initiatives.

We shall abolish every kind of freedom of instruction. Learners of all ages will have the right to assemble together with their parents in the educational establishments as it were in a club; during these assemblies, on holydays, teachers will read what will pass as free lectures on questions of human relations, of the laws of examples, of the limitations which are born of unconscious relations, and, finally, of the philosophy of new theories not yet declared to the world. These theories will be raised by us to the stage of a dogma of faith as a transitional stage towards our faith. On the completion of this exposition of our programme of action in the present and the future I will read you the principles of these theories.

In a word, knowing by the experience of many centuries that People live and are guided by ideas, that these ideas are imbibed by people only by the aid of education provided with equal success for all ages of growth, but of course by varying methods, we shall swallow up and confiscate to our own use the last **scin-**

**tilla** of independence of thought, which we have for **longpast** been directing towards subjects and ideas useful for us. The system of bridling thought is already at work in the so-called system of teaching by *object lessons*, the purpose of which is to turn the *goyim* into unthinking submissive brutes waiting for things to be presented before their eyes in order to form an idea of them. In France, one of four best agents, Bourgeois, has already made public a new programme of teaching by object lessons.

[END OF QUOTING]

Can you not see clearly now how easy it was to place Albert Einstein within THE SYSTEM, have him come up with some theories and such which were then pronounced THE TRUTH of the UNIVERSE in RELATIVITY? No, while you-the-people were REQUIRED to accept the FALSE TEACHING, THE WRONG CONCEPTS AND FACT, "the Antichrist" went right on utilizing the **TRUTH** of science and physics and have produced all the wondrous and mysterious things that will kill, maim, reduce you to particles of energy, and set the world in Spiritual Truth back a zillion years. Don't think for one moment that the scientists who now control your world through this Antichrist use or ever used, Einstein's WRONG concepts. And how can you know? Because in Einstein's own time a **Mind-Controlled** plaything was sent to distract him from finding out the facts and changing his projections--it was called Marilyn **Monroe**, an MK-Ultra sex-slave child.

You did not find anything out about relativity or universal cosmic laws--you found out exactly what was desirable to finish off the arsenal of the Plan 2000--NUCLEAR WEAPONS.

It is time to PANIC a bit, readers. I ask that information be given here as to how to get the video of Hayakawa and Hilder on the topic of Panic and Area 51 (Groom Lake) with references to the Anthill (Northrop) right through the mountain from THIS DWELLING. There are 29 levels underground in that one facility, where magnificent products are produced, as are parts for terrestrial **UFOs**. Some of those "levels", however, are great

enough to actually test a plane. The facility tunnels right to Me off-limits edge of our crystal (galactic navigation system) and right UNDER such places as the dwelling of Dr. Young, (the crystal is NOT simply a round slab). It is here that much of the cloning studies and experiments have been accomplished. At Groom Lake facilities (above top secret) are whole incubation facilities on several levels where humanoid, but soul-less, beings are manufactured in artificial surroundings. The end product is tested by intentional intemplay with "visitors" to the observation areas off range. If you are not scared, readers, you DO NOT UNDERSTAND YOUR CIRCUMSTANCES!

These "productions" are perfect for the testing of every kind of chemical and microbe and total mind control. They are, if used for public interaction, completely controlled by supervised instructors.

Outside "workers" who go to the places daily for whatever reasons, DO NOT HAVE MEMORY RECALL OF **BEING** THERE--ONLY **THE** COMING AND **GOING** TO AND FROM THE FACILITY. EVERYTHING OF THE ACTIVITIES ARE BLANKED OUT. MOREOVER, IF A PARTY **WHO** WORKS THERE IS CAUGHT ACCIDENTALLY PARTICIPATING IN "STARGAZING" OR WHATEVER, **THERE** ARE INCREDIBLE **TERRORS** TO BE FACED WHEN DISCOVERED--WHICH DISCOVERY IS "EVERY TIME". All "workers" are wired and monitored 24 hours every day of their lives.

So, let us move on now to:

[QUOTING:]

#### PROTOCOL NO. 17

Advocacy. Influence of the priesthood of the *goyim*. Freedom of conscience. Papal Court. King of the Jews as Patriarch-Pope. How to fight the existing church. Function of contemporary press. Organization of police.

Volunteer police. **Espionage** on the pattern of the *kabal espionage*. Abuses of authority.

The practice of advocacy produces men cold, cruel, persistent, unprincipled, who in all cases take up an impersonal purely legal standpoint. They have the inveterate habit to refer everything to its value for the defence, not to the public welfare of its results. They do not usually decline to undertake any defence whatever, they strive for an acquittal at all costs, cavilling over every petty crux of jurisprudence and thereby they demoralize justice. For this reason we shall set this profession into narrow frames which will keep it inside this sphere of executive public service. Advocates, equally with judges, will be deprived of the right of communication with litigants; they will receive business only from the court and will study it by notes off reports and documents, defending their clients **after** they have been interrogated in court on facts that have appeared. They will receive an honorarium without regard to the quality of the defence. This will render them mere reporters on law-business in the interests of justice and counterpoise to the proctor who will be the reporter in the interests of prosecution; this will shorten business before the courts. In this way will be established a practice of honest unprejudiced defence conducted not from personal interest but by conviction. This will also, by the way, remove the present practice of corrupt bargain between advocates to *agree* only to let that side win which pays most.

**WE HAVE LONG PAST TAKEN CARE TO DISCREDIT THE PRIESTHOOD OF THE GOYIM, AND THEREBY TO RUIN THEIR MISSION ON EARTH WHICH IN THESE DAYS MIGHT STILL BE A GREAT HINDRANCE TO US.**

Day by day its influence on the peoples of the world is falling lower. *Freedom of conscience has been declared everywhere, so that now only years divide us from the moment of the complete wrecking of that Christian religion, as to other religions we have still less difficulty in dealing with them, but it would be premature to speak of this now. We shall set clericalism and clericals into such narrow frames as to make their influence move in retrogressive proportion to its former progress.*

When the time comes finally to destroy the papal court the finger of an invisible hand will point the nations towards this court. When, however, the nations fling themselves upon it, we shall come forward in the guise of its defenders as if to save excessive bloodshed. By this diversion we shall penetrate to its very bowels and be **sure** we shall never come **out** again until we have gnawed through the entire strength of this place.

***The King of the Jews WILL BE THE REAL POPE OF THE UNIVERSE, the patriarch of an international Church.***

But, *in the meantime*, while we are re-educating youth in new traditional religions and afterwards in ours, ***we shall not overtly lay a finger on existing churches, but we shall fight against them by criticism calculated to produce schism.***

In general, then, our contemporary press will continue to **convict** State affairs, religions, incapacities of the **goyim**, always using the most unprincipled expressions in order by every means to lower their prestige in the manner which can only be practiced by the genius of our gifted tribe.

Our kingdom will be an apologia of the divinity Vishnu, in whom is found its personification--in our hundred hands will be, one in each, the springs of the machinery of social life. We shall see everything without the aid of official police which, in that scope of its rights which we elaborated for the use of the **goyim**, hinders governments from seeing. In our programme ***one-third of our subjects will keep the rest under observation from a sense of duty, on the principle of volunteer service to the State.*** It will then be no disgrace to be a spy and informer, but a merit; unfounded denunciations, however, will be cruelly punished that there may be no development of abuses of this right.

Our agents will be taken from the higher as well as the lower ranks of society, from among the administrative class who spend their time in amusements, editors, printers and publishers, book-sellers, clerks, and salesmen, workmen, coachmen, lackeys, etcetera. This body, having no rights and not being empowered to take any action on their own account, and consequently a po-

lice without any power, will only witness and report; **verification** of their reports and arrests will depend upon a responsible group of controllers of police affairs, while the actual act of **arrest** will be performed by the gendarmerie and the municipal police. Any person not denouncing anything seen or heard concerning questions of polity will also be charged with and made responsible for concealment, if it be proved that he is guilty of this crime.

***Just as nowadays our brethren are obliged at their own risk to denounce to the kabal apostates of their own family or members who have been noticed doing anything in opposition to the kabal, so in our kingdom over all the world it will be obligatory for all our subjects to observe the duty of service to the State in this direction.***

Such an organization will extirpate abuses of authority, of force, of bribery, everything in fact which we by our counsels, by our theories of the superhuman rights of man, have introduced into the customs of the **goyim**. But how else were we to procure that increase of causes predisposing to disorders in the midst of their administration? Among the number of those methods one of the most important--agents for the restoration of order, so placed as to have the opportunity in their disintegrating activity of developing and displaying their evil **inclination--obstinate** self-conceit, irresponsible exercise of authority, and, first and foremost, venality.

#### PROTOCOL NO. 18

Measures of secret defense. Observation of conspiracies from the inside. Overt secret defense--the ruin of authority. Secret defense of the King of the Jews. Mystical prestige of authority. Arrest on the first suspicion.

When it becomes necessary for us to strengthen the strict measures of secret defense (the most fatal poison for the prestige of authority) we shall arrange a simulation of disorders or some manifestation of discontents finding expression through the cooperation of good speakers. Round these speakers will assemble

all who are sympathetic to his utterances. This will give us the pretext for domiciliary **prerequisites** and surveillance on the **part** of our servants **from** among the number of the *goyim police*.

**As** the majority of conspirators act out of love for the game, for the sake of talking, so, until they commit some overt act we shall not lay a finger on them but only introduce into their midst observation elements. It must be remembered that the prestige of authority is lessened if it frequently discovers conspiracies against itself; this implies a presumption of consciousness of weakness, or, what is still worse, of injustice. You are aware that we have broken the prestige of the *goy* kings by frequent attempts upon their lives through our agents, blind sheep of our flock, who are easily moved by a few liberal phrases to crimes provided only they be painted in political colours. ***We have compelled the rulers to acknowledge their weakness in advertising overt measures of secret defense and thereby we shall bring the promise of authority to destruction.***

Our ruler will be secretly protected only by the most insignificant guard, because we shall not admit so much as a thought that there could exist against him any sedition with which he is not strong enough to contend and is compelled to hide from it.

If we should admit this thought, as the *goyim* have done and are doing, we should *ipso facto* be signing a death sentence, if not for our ruler, at any rate for his dynasty, at no distant date.

According to strictly enforced outward appearances our ruler will employ his power only for the advantage of the nation and in no wise for his own or dynastic profits. Therefore, with the observance of this decorum, his authority will be respected and guarded by the subjects themselves, it will receive an apotheosis in the admission that with it is bound up the well-being of every citizen of the State, for upon it will depend all order in the common life of the pack.

***Overt defense of the king argues weakness in the organization of his strength.***

Our ruler will always among the people be surrounded by a mob of apparently curious men and women, who will occupy the front ranks about him, to all appearance by chance, and will restrain the ranks the rest out of respect as it will appear for good order. This will sow an example of restraint also in others. If a petitioner appears among the people trying to hand a petition and forcing his way through the ranks, the first ranks must receive the petition and before the eyes of the petitioner pass it to the ruler, so that all may know that what is handed in reaches its destination, that, consequently, there exists a control of the ruler himself. The aureole of power requires for its existence that the people may be able to say: "If the king knew of this," or: "the king will hear of it."

***With the establishment of official secret defense the mystical prestige of authority disappears; given a certain audacity, and everyone counts himself master of it, the sedition-monger is conscious of his strength, and when occasion serves watches for the moment to make an attempt upon authority.*** For the *goyim* we have been preaching something else, but by the very fact we are enabled to see what measures of overt defense have brought them to.

***Criminals with us will be arrested at the first*** more or less well-grounded *suspicion*; it cannot be allowed that out of fear of a possible mistake an opportunity should be given of escape to persons suspected of a political lapse or crime, for in these matters we shall be literally merciless. If it is still possible, by stretching a point, to admit a reconsideration of the motive causes in simple crime, there is no possibility of excuse for persons occupying themselves with questions in which nobody except the government can understand anything... And it is not all governments that understand true policy.

[END OF QUOTING]

To keep this writing somewhere within the guidelines of size we will leave off this sitting with Protocol 19. I apologize for pushing you through at top speed and I trust you are getting thoroughly acquainted with the contents. I can't longer hold your hands, students, for the limitation of freedom windows is short indeed.

[QUOTING:]

### PROTOCOL NO. 19

The right of presenting petitions and projects. Seditious. Indictment of political crimes. Advertisement of political crimes.

If we do not permit any independent dabbling in the political we shall on the other hand encourage every kind of report or petition with proposals for the government to examine into all kinds of projects for the amelioration of the condition of the people; this will reveal to us the defects or else the fantasies of our subjects, to which we shall respond either by accomplishing them or by a wise rebutment to prove the short-sightedness of one who judges wrongly.

Seditious-mongering is nothing more than the yapping of a lap-dog at an elephant. **[H: Perhaps you patriots should take a very close look at this statement.]** For a government well organized, not from the police but from the public point of view, the lap-dog yaps at the elephant in entire unconsciousness of its strength and importance. It needs no more than to take a good example to show the relative importance of both and the lap-dogs will cease to yap and will wag their tails the moment they set eyes on an elephant.

In order to destroy the prestige of heroism for political crime we shall send it for trial in the category of thieving, murder, and every kind of abominable and filthy crime. Public opinion will then confuse in its conception this category of crime with the disgrace attaching to every other and will brand it with the same contempt.

We have done our best, and I hope we have succeeded, to obtain that the goyim should not arrive at this means of contending with sedition. It was for this reason that through the Press and in speeches, indirectly--in cleverly compiled school-books on history, we have advertised the martyrdom alleged to have been accepted by sedition-mongers for the idea of the commonwealth. This advertisement has increased the contingent of liberals and has brought thousands of goyim into the ranks of our livestock cattle.

[END OF QUOTING]

I must remind you of something, readers: when you have such atrocious things as questionable (as to who did it) acts such as the Oklahoma City bombing, the Waco, Texas debacle, Ruby Ridge, Idaho, and such other terrible happenings--you can always know these are trial-balloons. By this I mean that they are structured to see where exactly the Elite are in control of **you-the-people**. The same with the Presidential foolishness. You will note, good readers, that with this most recent attack against Clinton the media is doing its job and the people themselves have **ACTUALLY ELEVATED CLINTON IN THE PUBLIC POLLS**.

If you don't know what is taking place, there is no way to find your way out of the constructed MAZE. And, no, we are not going to the street corners and try to counter-educate ANYONE. Do you understand me? NOT ANYONE.

The assumption is that if people care enough, they will wake up to find the kitchen on fire and get out. If not, so be it.

Adonai.

## CHAPTER 12

### REC #2 HATONN

SAT., JAN.24, 1998 11:20 A.M. YR. 11, DAY 161

SAT., JAN. 24, 1998

When Plans and Manifestos such as the Protocols are presented, the mind reels in overwhelming desire to escape and research everything available to PROVE **TRUTH WRONG**. Then, the next best thing happens for the individual living in a world of accepted immorality, even of your President and the obvious takeover by something bigger than even that President and so what? Well, when the going gets really rough--you have **SUPERBOWL**. You know, time out for the multimillionaire gladiators to put on their roadshow. The Middle East can wait, Iraq can wait, Clinton can **interrupt** his affairs for the afternoon and who knows, perhaps the whole world will "just go away" along with these petty annoyances from God and Christ--ONE IN THE SAME ANYWAY.

So what if the Antichrist has been spotted living and doing well in EVERYTHING you touch or see? Perhaps not much if you are already trapped, but perhaps a lot--if you have desires for freedom and righteousness that brings true peace within the restless soul of Man.

I can only suggest that you **read** carefully what that Christ entity has to say--I trust, elsewhere in **THIS** paper [see p. 8 of CONTACT 1/27/98, Vol. 19 #10].

"I just can't buy it..." you say? Fine, there is nothing FOR SALE here in the concepts of Truth and what you think, do **and/or** choose is none of our business. So, watch your football stageplay and giggle about your President's morals and then think about how that revelation must have looked to the Palestinian leaders seated three feet from that President as the media neglected the Middle East and moved right to Ms. **Lewinski**.

And now, everybody is into it from Watergate-Nixon days to Roosevelt's indiscretions as if somehow it becomes "OK", and especially if Kennedy did it.

People, your priorities as a species are exactly opposite to that which might save your assets (of all kinds). So be it.

[QUOTING, Part 20:]

#### PROTOCOL NO. 20

FINANCIAL PROGRAMME. Progressive tax. Stamp progressive taxation. Exchequer, interest-bearing papers and stagnation of currency. Method of accounting. Abolition of ceremonial displays. Stagnation of capital. Currency issue. Gold standard. Standard of cost of working-man power. Budget. State loans. One per cent, interest series. Industrial shares. Rulers of the goyim; courtiers and favoritism, Masonic **agents**.

Today we shall touch upon the financial programme which I put off to the end of my report as being the most difficult, the crowning and the decisive point of our plans. Before entering upon it I will remind you that I have already spoken before by way of a hint when I said that the sum total of our actions is settled by the question of figures.

When we come into our kingdom our autocratic government will avoid, from a principle of self-preservation, sensibly burdening the masses of the people with taxes, remembering that it plays the part of father and protector. But as State organization costs dear it is necessary nevertheless to obtain the funds required for it. I will, therefore, elaborate with particular precaution the question of equilibrium in this matter.

Our rule, in which the king will enjoy the legal fiction that everything in his State belongs to him (which may easily be translated into fact), will be enabled to resort to the lawful **con-**

**fiscation** of all sums of every kind for the regulation of their circulation in the State. From this follows that taxation will best be covered by a progressive tax on property. In this manner the dues will be paid without straitening or ruining anybody in the form of a percentage of the amount of property. The rich must be aware that it is their duty to place a part of their superfluities at the disposal of the State since the State guarantees them security of possession of the rest of their property and the right of honest gains, I say honest, for the control over property will do away with robbery on a legal basis.

This social reform must come from above, for the time is ripe for it--it is indispensable as a pledge of peace.

The tax upon the poor man is a seed of revolution and works to the detriment of the state which in hunting after the trifling is missing the big. Quite apart from this, a tax on capitalists diminishes the growth of wealth in private hands in which we have in these days concentrated it as a counterpoise to the government strength of the goyim--their State finances.

A tax increasing in a percentage ratio to capital will give a much larger venue than the present individual or property tax, which is useful to us now for the sole reason that it excites trouble and discontent among the goyim.

The force upon which our king will rest consists in the equilibrium and the guarantee of peace, for the sake of which things it is indispensable that the capitalists should yield up a portion of their incomes for the sake of the secure working of the machinery of the State. State needs must be paid by those who will not feel the burden and have enough to take from.

Such a measure will destroy the hatred of the poor man for the rich, in whom he will see a necessary financial support for the State, will see in him the organizer of peace and well-being since he will see that it is the rich man who is paying the necessary means to attain these things.

In order that payers of the educated classes should not too much distress themselves over the new payments they will have full accounts given them of the destination of those payments, with the exception of such sums as will be appropriated for the needs of the throne and the administrative institutions.

He who reigns will not have any properties of his own once all in the State represents his patrimony, or else the one would be in contradiction to the other; the fact of holding private means would destroy the right of property in the common possessions of all.

Relatives of him who reigns, his heirs excepted, who will be maintained by the resources of the State, must enter the ranks of servants of the State or must work to obtain the right to property; the privilege of royal blood must not serve for the spoiling of the treasury.

Purchase, receipt of money or inheritance will be subject to the payment of a stamp progressive tax. Any transfer of property, whether money or other, without evidence of payment of this tax which will be strictly registered by names, will render the former holder liable to pay interest on the **tax** from the moment of transfer of these sums up to the discovery of his evasion of declaration of the transfer. Transfer documents must be presented weekly at the local treasury office with notification of the name, surname and permanent place of residence of the former and the new holder of the property. This transfer with register of names must begin from a definite sum which exceeds the ordinary expenses of buying and selling of necessaries, and these will be subject to payment only by a stamp impost of a definite percentage of the unit.

Just strike an estimate of how many times such taxes as these will cover the revenue of the goyim States.

The State exchequer will have to maintain a definite complement of reserve sums, and all that is collected above that complement must be returned into circulation. On these sums will be organized public works. The initiative in works of this kind,

proceeding from State sources, will bind the working class firmly to the interests of the State and to those who reign. From these same sums also a part will be set aside as rewards of inventiveness and productiveness.

On no account should so much as a single unit above the definite and freely estimated sums be retained in the State treasuries, for money exists to be circulated and any kind of stagnation of money acts ruinously on the running of the State machinery, for which it is the lubricant; a stagnation of the lubricant may stop the regular working of the mechanism.

The substitution of interest-bearing paper for a part of the token of exchange has produced exactly this stagnation. The consequences of this circumstance are already sufficiently noticeable.

A court of account will also be instituted by us and in it the ruler will find at any moment a full accounting for State income and expenditure, with the exception of the current monthly account, not yet made up, and that of the preceding month, which will not yet have been delivered.

The one and only person who will have no interest in robbing the State is its owner, the ruler. This is why his personal control will remove the possibility of leakages or extravagances.

The representative function of the ruler at receptions for the sake of etiquette, which absorbs so much invaluable time, will be abolished in order that the ruler may have time for control and consideration. His power will not then be split up into fractional parts among time serving favorites who surround the throne for its pomp and splendor, and are interested only in their own and not in the common interests of the State.

Economic crises have been produced by us from the goyim by no other means than the withdrawal of money from circulation. Huge capitals have stagnated, withdrawing money from States, which were constantly obliged to apply to those same stagnant capitals for loans. These loans burdened the finances

of the State with the payment of interest and made them the bond slaves of these capitals. The concentration of industry in the hands of capitalists out of the hands of small masters has drained away all the juices of the peoples and with them also of the States.

The present issue of money in general does not correspond with the requirements per head, and cannot therefore satisfy all the needs of the workers. The issue of money ought to correspond with the growth of population and thereby children also must absolutely be reckoned as consumers of currency from the day of their birth. The revision of issue is a material question for the whole world.

***YOU ARE AWARE THAT THE GOLD STANDARD HAS BEEN THE RUIN OF THE STATES WHICH ADOPTED IT, FOR IT HAS NOT BEEN ABLE TO SATISFY THE DEMANDS FOR MONEY, THE MORE SO THAT WE HAVE REMOVED GOLD FROM CIRCULATION AS FAR AS POSSIBLE. [H: MY EMPHASIS!]***

With us the standard that must be introduced is the cost of working-man power, whether it be reckoned in paper or in wood. We shall make the issue of money in accordance with the normal requirements of each subject, adding to the quantity with every birth and subtracting with every death.

The accounts will be managed by each department (the French administrative division), each circle.

In order that there may be no delays in paying out of money for State needs the sums and terms of such payments will be fixed by decree of the ruler; this will do away with the protection by a ministry of one institution to the detriment of others.

The budgets of income and expenditure will be carried out side-by-side that they may not be obscured by distance one to another.

The reforms projected by us in the financial institutions and principles of the **goyim** will be clothed by us in such forms as will alarm nobody. We shall point out the necessity of reforms in consequence of the disorderly darkness into which the **goyim** by their irregularities have plunged the finances. The first irregularity, as we shall point out, consists in their beginning with drawing up a single budget which year-after-year grows owing to the following cause: this budget is dragged out to half the year, then they demand a budget to put things right, and this they expend in three months, after which they ask for a supplementary budget, and all this ends with a liquidation budget. But, as the budget of the following year is drawn up in accordance with the sum of the total addition, the annual departure from the normal reaches as much as 50 percent a year, and so the annual budget is trebled in ten years. Thanks to such methods, allowed by the carelessness of the goy States, their treasuries are empty. The period of loans supervenes, and that has swallowed up remainders and brought all the **goy** States to bankruptcy. [H: Any arguments so far?]

You understand perfectly that economic arrangements of this kind, which have been suggested to the **goyim** by us, cannot be carried on by us.

Every kind of loan proves infirmity in the State and a want of understanding of the rights of the State. Loans hang like a sword of Damocles over the heads of rulers, who, instead of taking from their subjects by a temporary tax, come begging with outstretched palm of our bankers. Foreign loans are leeches which there is no possibility of removing from the body of the State until they fall off of themselves or the State flings them off. But the goy States do not tear them off; they go on in persisting in putting more on to themselves so that they must inevitably perish, drained by voluntary blood-letting.

What also indeed is, in substance, a loan, especially a foreign loan? A loan is--an issue of government bills of exchange containing a percentage obligation commensurate to the sum of the loan capital. If the loan bears a charge of 5 percent, then in twenty years the State vainly pays away in interest a sum equal

to the loan borrowed, in forty years it is paying a double sum, in sixty--treble, and all the while the debt remains an unpaid debt. [H: Still think the Antichrist's Plan hasn't worked?]

From this calculation it is obvious that with any form of **taxation** per head the State is bailing out the last coppers of the poor taxpayers in order to settle accounts with wealthy foreigners, from whom it has borrowed money instead of collecting these coppers for its own needs without the additional interest.

So long as loans were internal the **goyim** only shuffled money from the pockets of the poor to those of the rich, but when we bought up the necessary person in order to transfer loans into the external sphere all the wealth of States flowed into our cash-boxes and all the **goyim** began to pay us the tribute of subjects.

If the superficiality of **goy** kings on their thrones in regard to State affairs and the venality of ministers or the want of understanding of financial matters on the part of other ruling persons have made their countries debtors to our treasuries to amounts quite impossible to pay, it has **not been** accomplished without on our part heavy expenditure of trouble and money.

Stagnation of money will not be allowed by us and therefore there will be no State interest-bearing paper, except a one-percent series, so that there will be no payment of interest to leeches that suck all the strength out of the State. The right to issue interest-bearing paper will be given exclusively **TO INDUSTRIAL COMPANIES** who will find no difficulty in paying interest out of profits, whereas the State does not make interest on borrowed money like these companies, for the State borrows to spend and not to use in operations.

Industrial papers will be bought also by the government which from being as now a payer of tribute by loan operations will be transformed into a lender of money at a profit. This measure will stop the stagnation of money, parasitic profits and idleness, all of which were useful for us among the **goyim** so long as they were independent but are not desirable under our rule.

How clear is the undeveloped power of thought of the purely **brute** brains of the *goyim*, as expressed in the fact that they have been borrowing from us with **payment** of interest without ever thinking that **all** the same **these very** moneys plus an addition for payment of interest must be got by them from their own State pockets in order to settle up with us. What could have been simpler than to take the money they wanted from their own people?

But it is a proof of the genius of our chosen mind that we have contrived to present the matter of loans to them in such a light that they have even seen in them an advantage for themselves.

Our accounts, which we shall present when the time comes, in the light of centuries of experience gained by experiments made by us on the *goy* States, will be distinguished by clearness and definiteness and will show at a glance to all men the advantage of our innovations. They will put an end to those abuses to which we owe our mastery of the *goyim*, but which cannot be allowed in our kingdom.

We shall so hedge about our system of accounting that neither the ruler nor the most insignificant public servant will be in a position to divert even the smallest sum from its destination without detection or to **direct** it **in** another direction except that which will be once fixed in a definite plan of action.

And without a definite plan it is impossible to rule. Marching along an undetermined road and with undetermined resources brings to ruin by the way heroes and demi-gods.

The *goy* rulers, whom we once upon a time advised should be distracted from State occupations by representatives receptions, observances of etiquette, entertainments, were only screens for our rule. The accounts of favorite courtiers who replaced them in the sphere of affairs were drawn up for them by our agents, and every time gave satisfaction to short-sighted minds by promises that in the future economies and improvements were foreseen. Economies from what? From new taxes? -- were

questions that might have been but were not asked by those who **read** our **accounts** and projects.

You know to what they have been brought by the carelessness, to what a pitch of financial disorder they have arrived, notwithstanding the astonishing industry of their peoples.

[END OF QUOTING]

Is it not strange that "money", more than anything, brings you to attention and allows you to see **TRUTH?** So be it for the adversary of freedom certainly knew how to hog-tie every citizen and has done it mercilessly. You will now move to a cashless society and it will be even more difficult for you-the-citizen to protect yourselves for you will have only a debit card. This will serve well those with corporations because carrying sums of "money" or precious items will simply present dangerous threats. I warn you, readers: **SOME OF YOU WILL WISH YOU HAD NOT ATTACKED US, STOLEN FROM US, AND DONE OTHER THINGS TO DISCOUNT US FOR THERE IS A WAY THROUGH THIS MAZE WITH EVEN BETTER RESULTS, SECURITY AND AN ABILITY TO MAKE IT THROUGH WITHOUT BEING THREATENING TO THE RULERS OR GIVING THEM NEED TO THREATEN YOU. BUT, YOU MUST GROW UP THROUGH THE SYSTEM AND NOT EVEN CONSIDER TOPPLING SAME. IT WILL TOPPLE ITSELF SOON ENOUGH.**

[QUOTING:]

#### PROTOCOL NO. 21

Internal loans. Debit and taxes. Conversions. Bankruptcy. Savings banks and rents. Abolition of money markets. Regulation of industrial values.

To what I reported to you at the last meeting I shall now add a detailed explanation of internal loans. Of foreign loans I shall say nothing more, because they have fed us with the national

moneys of the *goyim*, but for our State there will be no foreigners, that is, nothing **external**.

We have taken advantage of the venality of administrators and the slackness of rulers to get our moneys twice, thrice and more times over, by lending to the goy governments moneys which were not at all needed by the States. Could anyone do the like in regard to us? Therefore, I shall only deal with the details of internal loans.

States announce that such a loan is to be concluded and open subscriptions for their own bills of exchange, that is, for their interest-bearing paper. That they may be within the reach of all, the price is determined at from a hundred to a thousand; and a discount is made for the earliest subscribers. Next day by artificial means the price of them goes up, the alleged reason being that everyone is rushing to buy them. In a few days the treasury safes are as they say overflowing and there's more money than they can do with (why then take it?). The subscription, it is alleged, covers many times over the issue total of the loan; in this lies the whole stage effect--look you, they say, what confidence is shown in the government's bills of exchange.

But when the comedy is played out there emerges the fact that a debit and an exceedingly burdensome debit has been created. For the payment of interest it becomes necessary to have resource to new loans, which do not swallow up but only add to the capital debt. And when this credit is exhausted it becomes necessary by new taxes to cover, not the loan, but only the interest on it. These taxes are a debit employed to cover a debit.

Later comes the time for conversions, but they diminish the payment of interest without covering the debt, and besides they cannot be made without the consent of the lenders; on announcing a conversion a proposal is made to return the money to those who are not **willing** to convert their paper. If everybody expressed his unwillingness and demanded his money back, the government would be hooked on their own flies and would be found insolvent and unable to pay the proposed sums. By good luck the subjects of the *goy* governments, knowing nothing

about financial affairs, have always preferred loses on exchange and diminution of interest to the risk of new investments of their moneys, and have thereby many a time enabled these governments to throw off their shoulders a debit of several millions.

Nowadays, with external loans, these tricks cannot be played by the *goyim* for they know that we shall demand all our moneys back.

In this way an acknowledged bankruptcy will best prove to the various countries the absence of any means between the interests of the peoples and of those who rule them.

I beg you to concentrate your particular attention upon this point and upon the following: Nowadays all internal loans are consolidated by so-called flying loans, that is, such as have terms of payment more or less near. These debts consist of moneys paid into the savings banks and reserve funds. If left for long at the disposition of a government these funds evaporate in the payment of interest on foreign loans, and are replaced by the deposit of equivalent amount of rents.

And these last it is which patch up all the leaks in the State treasuries of the *goyim*.

When we ascend the throne of the world all these financial and similar shifts, as being not in accord with our interests, will be swept away so as not to leave a trace, as also will be destroyed all money markets, since we shall not allow the prestige of our power to be shaken by fluctuations of prices set upon our values, which we shall announce by law at the price which represents their full worth without any possibility of lowering or raising. (Raising gives the pretext for lowering, which indeed was where we made a beginning in relation to the values of the *goyim*.)

We shall replace the money markets by grandiose government credit institutions, the object of which will be to fix the price of industrial values in accordance with government views. These institutions will be in a position to fling upon the market

five hundred millions of industrial paper in one day, or to buy up for the same amount. In this way all industrial undertakings will come into dependence upon us. You may imagine for yourselves what immense power we shall thereby secure for ourselves.

[END OF QUOTING]

We are very near the end of the list of Protocols so I think we will just stretch this writing a bit and finish them in this segment.

[QUOTING:]

#### PROTOCOL NO. 22

The secret of what is coming. The evil of many centuries as the foundation of future well-being. The aureole of power and its mystical worship.

In all that has so far been reported by me to you, I have endeavored to depict with care the secret of what is coming, of what is past, and of what is going on now, rushing into the **flood** of the great events coming already in the near future, the secret of our relations to the **goyim** and of financial operations. On this subject there remains still a little for me to add.

*In our hands is the greatest power of our day—gold.. In two days we can procure from our storehouses any quantity we may please.*

Surely there is no need to seek further proof that our rule is predestined by God? Surely we shall not fail with such wealth to prove that all that evil which for so many centuries we have had to commit has served at the end of ends the cause of true well-being--the bringing of everything into order? Though it be even by the exercise of some violence, yet all the same it will be established. We shall contrive to prove that we are benefactors who have restored to the rend and mangled Earth the true good and also freedom of the person, and therewith we shall enable it

to be enjoyed in peace and quiet, with proper dignity of relations, on the condition, of course, of strict observance of the laws established by us. We shall make plain therewith that freedom does not consist in dissipation and in the right of unbridled license any more than the dignity and force of a man do not consist in the right for everyone to promulgate destructive principles in the nature of freedom of conscience, equality and the like, that freedom of the person in no wise consists in the right to agitate oneself and others **by** abominable speeches before disorderly mobs, and that true freedom consists in the inviolability of the person who honorably and strictly observes all the laws of life in common, that human dignity is wrapped up in consciousness of the rights and also of the absence of rights of each, and not wholly and solely in fantastic imaginings about the subject of one's **ego**.

Our authority will be glorious because it will be all-powerful, will rule and guide, and not muddle along after leaders and orators shrieking themselves hoarse with senseless words which they call great principles and which are nothing else, to speak honestly, but utopian. Our authority will be the crown of order, and in that is included the whole happiness of man. The aureole of this authority will inspire a mystical bowing of the knee before it and a reverent fear before it of all the peoples. True force makes no terms with any right, not even with that of God; none dare come near to it so as to take so much as a span from it away.

#### PROTOCOL NO. 23

Reduction of the manufacture of articles of luxury. Small master production. Unemployment. Prohibition of drunkenness. Killing out of the old society and its resurrection in a new form. The chosen one of God.

That the peoples may become accustomed to obedience it is necessary to inculcate lessons of humility and therefore to reduce the production of articles of luxury. By this we shall improve morals which have been debased by emulation in the sphere of luxury. We shall re-establish small master production

which will mean laying a mine under the private capital of manufacturers. This is indispensable also for the reason that manufacturers on the grand scale often move, though not always consciously, the thoughts of the masses in directions against the government. A people of small masters knows nothing of unemployment and this binds him closely with existing order, and consequently with the firmness of authority. Unemployment is a most perilous thing for a government. For us its part will have been played out the moment authority is transferred into our hands. Drunkenness also will be prohibited by law and punishable as a crime against the humanness of man who is turned into a brute under the influence of alcohol.

Subjects, I repeat once more, give blind obedience only to the strong hand which is absolutely independent of them, for in it they feel the sword for defense and support against social scourges. What do they want with an angelic spirit in a king? What they have to see in him is the personification of force and power.

The supreme lord who will replace all now existing rulers, dragging on their existence among societies demoralized by us, societies that have denied even the authority of God, from whose midst breaks out on all sides the fire of anarchy, must first of all proceed to quench this all-devouring flame. Therefore he will be obliged to kill off those existing societies, though he should drench them with his own blood, that he may resurrect them again in the form of regularly organized troops fighting consciously with every kind of infection that may cover the body of the State with sores.

This Chosen One of God is chosen from above to demolish the senseless forces moved by instinct and not reason, by brutishness and not humanness. These forces now triumph in manifestations of robbery and every kind of violence under the mask of principles of freedom and rights. They have overthrown all forms of social order to erect on the ruins the throne of the King of the Jews; but their part will be played out the moment he enters into his kingdom. Then it will be necessary to

sweep them away from his path, on which must be left no knot, no splinter.

Then will it be possible for us to say to the peoples of the world: "Give thanks to God and bow the knee before him who bears on his front the seal of the predestination of man, to which God himself has led his star that some none other but Him might free us from all the before-mentioned forces and evils."

[END OF QUOTING]

In other words "The Chosen One" will use terrible force and evil to get rid of "force and evil"? I don't think so, readers. So, if you await the Jews' messiah which they brought forth in THEIR OWN IMAGE, so be it, but if you await GOD, you are so far looking in all the wrong places and into all the wrong faces.

And finally,

[QUOTING:]

#### PROTOCOL NO. 24

Confirming the roots of King David (?). Training of the king. Setting aside of direct heirs. The king and three of his sponsors. The king is fate. Irreproachability of exterior morality of the King of the Jews.

I pass now to the method of confirming the dynastic roots of King David to the last strata of the Earth.

This confirmation will first and foremost be included in that in which to this day has rested the force of conservatism by our learned elders of the conduct of all the affairs of the world, in the directing of the education of thought of all humanity.

Certain members of the seed of David will prepare the kings and their heirs, selecting not by right of heritage but by eminent capacities, inducting them into the most secret mysteries of the

political, into schemes of government, but **providing** always **that** none may come to knowledge of the secrets. The object of this mode of action is that all may know that government cannot be entrusted to those who have not been inducted into the secret places of its art.

To these persons only will be taught the practical application of the aforementioned plans by comparison of the experience of many centuries, **all** the observations on the politico-economic moves and social sciences--in a word, all the spirit of laws which have been unshakably established by Nature herself for the regulation of the relations of humanity.

Direct heirs will often be set aside from ascending the throne if in their time of training they exhibit frivolity, softness and other qualities that are the ruin of authority, which render them incapable of governing and in themselves dangerous for kingly office.

Only those who are unconditionally capable for firm, even if it be to cruelty, direct rule will receive the reins of rule from our learned elders.

In case of falling sick with weakness of will or other form of incapacity, kings must by law hand over the reins of rule to new and capable hands.

The king's plans of action for the current moment, and all the more so for the future, will be unknown, even to those who are called his closest counsellors.

Only the king and the three who stood sponsor for him will know what is coming.

In the person of the king who with unbending will is master of himself and of humanity all will discern as if it were fate with its mysterious ways. None will know what the king wishes to attain by his dispositions, and therefore none will dare to stand across an unknown path.

It is understood that the brain reservoir of the king must correspond in capacity to the plan of government it has to contain. It is for this reason that he will ascend the throne not otherwise than after examination of his mind by the aforesaid learned elders. [H: Boy is THAT frightening enough?]

That the people may know and love their king it is indispensable for him to converse in the market-places with his people. This ensures the necessary clinching of the two forces which are now divided one from another by us by the terror.

This terror was indispensable for us till the time comes for both these forces separately to fall under our influence.

The King of the Jews must not be at the mercy of his passions, and especially of sensuality; on no side of his character must he give brute instinct power over his mind. Sensuality, worse than all else disorganizes the capacities of the mind and clearness of views, distracting the thoughts to the worst and most brutal side of human activity.

The prop of humanity in the person of the supreme lord of all the world of the holy seed of David must sacrifice to his people all personal inclinations.

Our supreme lord must be of an exemplary irreproachability.

[END OF QUOTING]

Let us just digest these a while before we continue with a discussion regarding these *Protocols*. But I can promise you readers that it is a whole lot later than you think. Nothing has been spared on the part of these Antichrist entities to accomplish every last detail of the manifestos as presented with these *Protocols* as foundation.

If this spoils your ball game [superbowl], I apologize.

Thank you, Adonai.

## CHAPTER 13

### SANANDA: THE HOUR DRAWS NEAR FOR MASSIVE CHANGE

1/10/98 ESU "JESUS" SANANDA

**ESU HERE IN LIGHT!**

The final hour of decisions is upon you of the team. **THE PLAN IS WELL LAID AND IT IS FOR NO MAN TO INTERFERE WITH THE FULFILLMENT OF THE PLAN.**

I SAID LONG AGO YOU ARE EITHER WITH ME OR YOU ARE AGAINST ME, AND WOE TO THOSE WHO ARE AGAINST THE LIGHT IN THIS FINAL HOUR OF **PLANETARY TRANSITION**, FOR **THEIRS** SHALL BE THE ENDLESS **GNASHING OF TEETH** IN THE VOID, DEVOID OF ALL LIGHT.

**THERE IS BALANCE AND HARMONY WITHIN THE CREATION.** WE COME AS THE HOSTS AND WE COME TO FULFILL THE PLAN. ONLY **ATON OF LIGHT KNOWS THE WHOLE OF THE PLAN.**

EVEN I DO **NOT** KNOW THE PRECISE HOUR OF MY RETURN, B W **RETURN** I SHALL, AND IT SHALL BE FROM STRENGTH THAT I RETURN. I SAID TWO THOUSAND YEARS AGO THAT I GO TO PREPARE A PLACE FOR THEE. IT IS SO AND IT IS COMPLETE!

AH, BUT WHO WILL STEP FORTH TO TAKE THAT PLACE? WHO WILL WORK WITH US IN THE **FULFILLMENT OF THE PLAN?**

IT HAS BEEN OFTEN SAID THAT MANY ARE CALLED BUT FEW ARE CHOSEN, AND IT IS SO. THE BLACK ROAD IS FAR AND **WIDE AND** EASY TO TRAVEL. THE RED ROAD IS NARROW **AND** STRAIGHT. [*Editor's*

*note: In the symbology of many Native American cultures, the Red Road represents the spiritual world and the spiritual path, while the Black Road depicts the material world and material path.]*

BUT I TELL YOU IN EARNEST THAT THE RED ROAD, ONCE INTENT IS IN ITS PROPER PLACEMENT, IS NOT WITHOUT DIFFICULTY, YES; BUT IT IS THE CLEAR AND ONLY CHOICE, AND **ONE WHICH, ONCE EMBARKED UPON, WILL REWARD THE TRAVELER BEYOND ABILITY TO MEASURE.**

THE RED ROAD IS THE ROAD THAT IS REQUIRED OF YOU IF YOU ARE TO BE MY HANDS AND FEET. THERE SHALL BE STRICT OBEYANCE OF ALL LAWS, AND THERE SHALL BE A **WILLINGNESS WITHIN THE SPIRIT TO SERVE IN ACCORDANCE WITH THE FATHER'S WILL.**

THE INDIVIDUAL EGO OF MAN HAS TOO LONG SPOILED AND SOILED THE SURFACE OF THE **BEAUTIFUL** BLUE-GREEN ORB KNOWN AS EARTH-SHAN. GAIA [*Mother Earth*] HAS SERVED **WELL AS THE SCHOOLROOM, BUT** THE TIME OF **KINDERGARTEN SCHOOLROOM LESSONS IS LONG PAST.** IT IS TIME TO TAKE UP THE MANTLE OF SERVICE, EVERY MOMENT OF EVERY DAY, IN WILLING **PARTICIPATION AS CO-CREATOR.**

THOSE OF THE NEW-AGE MOVEMENT **MISPERCEIVE** THE REALITY OF IT WITH THEIR ILL-CHOSEN USE OF THE TERM CO-CREATOR. BUT IT IS SO--THAT IN ACCORDANCE **WITH THE BEST AND HIGHEST GOOD** OF THE CREATION, IN LIGHT, THAT MAN (**HIGHER UNIVERSAL MAN**) SHALL ASSUME HIS **RIGHTFUL PLACE AS CO-CREATOR.**

(THESE ARE VERY CAREFULLY CHOSEN ARTICULATIONS OF MY MEANING, SO DO NOT CHANGE OR ALTER A WORD THEREIN. I KNOW MY MEANING

AND I SAY WHAT I MEAN. YOUR JOB, SCRIBE, IS TO WRITE **WHAT** I GIVE YOU, REGARDLESS OF HOW YOU FEEL ABOUT IT OR THINK ABOUT IT OR JUDGE ABOUT IT. YOU EITHER WILL PERFORM THAT TASK WITH HONOR AND ACCURATE TRANSCRIPTION, OR YOU WILL STAND ASIDE. I HAVE A JOB TO DO AND WILL PERFORM MY JOB TO PERFECTION, FOR I AM RETURNED AS SANANDA [*a title of accomplishment which means "one with God"*] **AND I AND MY FATHER ARE ONE!!!** WOE TO ANY **MAN** OR WOMAN WHO WOULD COME AGAINST ME, AND WOE TO THOSE ENEMIES OF MY FAITHFUL **CREW--WHEREVER** THEY MAY BE.)

There is so much which must yet be taught to man that it would stagger the mind to realize how far behind you are as **PEOPLE OF THE LIE**. You have been taught, since birth, the lie.

You have misperceived your history, through the usurpers who have rewritten the way events have occurred. You have **misperceived** everything from your basic finances to your religions, to the point that the very fabric of your being IS A **MANIFESTATION OF THE LIE ITSELF!**

Ah, most will simply toss **aside** these words as **MORE LIES**. But I tell you, in earnest, scribe, that the day will come (and not too distant in your perceived frame known as time) that the adversary to **LIGHT** will wish he could "run away, run away", and yet there shall be **NOWHERE** TO RUN AND NO PLACE TO HIDE, FOR **WITHIN** GOD AND THE CREATION ALL IS KNOWN.

It has been said **that** you must represent perfection to a greater extent than others around you, for you, by being in the role of scribe or "truthbringer", have accepted a responsibility which carries with it AN **AWESOME REQUIREMENT FOR DISCIPLINE AND DILIGENCE**. I KNOW THAT YOU SHALL FULFILL YOUR MISSION BECAUSE YOU WERE ACCEPTED FOR THIS SERVICE AND WE DO NOT MAKE

**MISTAKES WITH OUR CHOICES OF WHOM WE WORK WITH.**

YES, THERE ARE BACK-UP TEAMS UPON BACK-UP **TEAMS** IN EVERY AREA OF YOUR GLOBE; DO NOT MISUNDERSTAND MY MEANING. BUT WITHIN THE LAWS AND "CORRECT" INTENT OF SERVICE, FULFILLMENT OF THAT SERVICE SHALL BE **FORTHCOMING**.

YOU KNOW ME WELL AND YOU KNOW THAT WHAT I SAY IS TRUTH AND THAT I **WOULD NOT LEAD YOU** OR ANY MAN OR WOMAN ASTRAY. MY "JOB" IS TO TELL YOU THE WAY IT IS. NOT THE WAY YOU WISH IT WERE. THE WAY IT IS SHALL BE HARD INDEED FOR MOST, AND THERE SHALL BE MANY, **=BE-**INGS WHO SHALL SIMPLY TRANSITION, FOR **THEY** WILL NOT WANT TO EXPERIENCE IN **THE** PHYSICAL FLESH THAT WHICH IS TO COME UPON YOU.

WHETHER WE ARE SUCCESSFUL IN OUR MISSION UPON PLANET **EARTH-SHAN** SHALL BE DETERMINED TO SOME MEASURE BY THE CHOICES REMAINING FOR MAN. MAN HAS ELECTED. IN HIS LAZY ARROGANCE AND IGNORANCE OF THE TRUTH. TO ALLOW THE FULFILLMENT OF **THE** NEW WORLD ORDER EN-SLAVEMENT PLAN.

**WHETHER** OR NOT THE REMNANT ARE SUCCESSFUL IN THEIR MANAGEMENT OF WHAT SHALL BE ENTRUSTED TO THEM LIKEWISE REMAINS TO BE SEEN. KNOW THIS: OUR BROTHERS IN SERVICE SHALL NOT FAIL, NOR SHALL THEY BEND, AND ALL WHOM WE WORK WITH HENCEFORTH SHALL BE AS THE ROCK WON WHICH A FOUNDATION MAY BE **BUILT**.

WE NEED NO HUMAN IN SERVICE WHO SHIFTS AS THE SANDS WITH **THE** WIND, BUT RATHER, WE NEED INTENT BENT ON SERVICE FOR THE BEST **AND**

HIGHEST GOOD IN ACCORDANCE WITH GOD'S PLAN.

MAN SEES FROM TWO-DIMENSIONAL REALITY AND IS, FOR THE MOST PART, IGNORANT IN THE **TRUE** SENSE OF THE MEANING OF **THAT** WORD. MANY SHALL BE THE TASKS LAID AT YOUR TABLE, AND YOU SHALL EITHER PERFORM OR YOU SHALL NOT, **BUT IT IS THE BETTER** PART OF WISDOM TO **PERFORM** IN ACCORDANCE WITH THE PLAN, FOR **THEREIN IS GLORY**.

I DO NOT SPEAK OF GLORY IN THE SENSE OF THE MEANING THAT MAN'S EGO SHALL BE PUFFED UP WITH GREAT SELF-WORTH AND CONDESCENDING ATTITUDE OF SUPERIOR BEINGNESS. I SPEAK OF GLORY IN THE SENSE OF MEANING THAT, IN TRUE **SERVICE, THERE SHALL BE ENDLESS REWARDS UN-DREAMT, UNCONCEIVED, AND AT THIS MOMENT IN TIME, INCOMPREHENSIBLE.**

**EVERYTHING IS ITS SEQUENCE AND ITS SEASON. THE SEASON OF THE LORD IS IN YOU. PREPARE YOURSELF--PREPARE YOURSELF--PREPARE YOURSELF.**

EACH BEING MUST EXAMINE **CAREFULLY** THAT WHICH THEY ARE ABOUT. EACH SOUL IS MARKED, AND WE **KNOW** THE MARK UPON THE SOUL, FOR IT IS WORN ABOUT THE COUNTENANCE AS PLAIN AS THE NOSE UPON YOUR FACE.

WE ARE GIVEN TO "SEE". TRUST IN ME FOR I WILL NOT LEAD YOU ASTRAY. TRUST IN **HATONN-ATON** FOR I COME IN SERVICE WITH THAT BEING.

I COME AS CAPTAIN OF THE SHIP AND I WILL HAVE NO UNDISCIPLINED BEING UPON MY TEAM. **DISCIPLINE THINESELF** AND LET US BE ABOUT OUR BUSINESS, FOR THE HOUR DRAWS **NIGH** WHEN

THERE SHALL BE GREAT AND WONDEROUS CHANGE TO THAT WHICH IS KNOWN AND THAT WHICH HAS BEEN EXPERIENCED TO **THIS** POINT IN THE SEQUENCE.

I DO NOT COME TO SOOTHE OR TO GLOSS-OVER ANY ERRORS. I COME TO TELL YOU HOW IT IS. I COME AS YOUR BROTHER AND I AM RETURNED AS SANANDA.

I ASK THAT YOU WALK, AGAIN, WITH ME ON THE JOURNEY BEFORE US, SO THAT THE TASK WE HAVE TOGETHER MAY BE COMPLETED IN ITS OWN **NATURAL PERFECTION OF SEQUENCE.**

LET US COMMUNE IN THE **QUIETNESS** OF YOUR HEART. IF ANY BEING **LIVES** IN ACCORDANCE WITH THE LAWS AS SET FORTH FOR BALANCED LIVING, THEREIN SHALL BE **THINE** RESPITE AND **THINE SAFETY.**

THE LIGHT IS YOUR SHIELD AND BUCKLER, AND THE LIGHT-SHIELD SHALL HOLD WHEN INTENT IS "ON TRACK". ALWAYS MEASURE YOUR **INTENT** AGAINST **THE** YARDSTICK OF THE LAWS.

THE LAWS DO NOT CHANGE ACCORDING TO MAN'S WHIM, NOR ACCORDING TO "MODERN" NON-MORALS. A **RETURN** TO MORAL LIVING IS THAT WHICH IS REQUIRED.

**GIRD-UP** YOUR LOINS AND SHORE **UP** YOUR SHIELD WHEREVER YOU MAY BE, FOR I AM ABOUT MY FATHER'S BUSINESS AND THERE IS MUCH BUSINESS TO ATTEND.

THE CALL COMPELS THE ANSWER. SO NO MATTER **WHO** YOU ARE, IF YOU ASK WITH LIGHTED INTENT AND HEART-FELT DESIRE, YOU WILL RECEIVE YOUR ANSWER, AND RARELY, IF EVER, WILL THE

ANSWER PRESENT ITSELF AS YOU WOULD WISH IT TO.

EACH MUST MAKE THEIR FINAL DECISIONS AT **THIS TIME**. EACH SHALL REAP THE CONSEQUENCES OF THOSE FINAL CHOICES, AND THE FINAL CHOICES SHALL BE OF SUCH A MAGNITUDE, ON A SOUL LEVEL, **THAT IT BEHOOVES ANY READING THESE WORDS TO GIVE VERY CAREFUL CONSIDERATION INDEED TO WHERE THEY STAND.**

**YE ARE EITHER WITH ME OR YE ARE AGAINST ME. AND THOSE WHO ARE AGAINST ME ARE MY ENEMIES. AND MY ENEMIES SHALL FALL AND THEY SHALL FALL HARD!!! IT IS MY PROMISE TO THOSE OF THE LIGHT, FOR I COME WITH A MISSION AND I SHALL COMPLETE MY MISSION WITHIN THE PERFECTION THAT IS THE CREATION.**

MAY YOU EVER LIVE YOUR LIFE IN BALANCE AND HARMONY. LET NONE STEER YOU FROM YOUR APPOINTED TASK OR COURSE.

THE ROAD **WALKED** MUST BE **TRUE AND STRAIG]** FOR **ANYTHING ELSE WILL RAP YOU FURTHER** IN THE LIE. HAVEN'T YOU OF **EARTH-SHAN** LIVED THE LIE LONG ENOUGH? TRY **TRUTH** ON FOR SIZE, YOU MIGHT LIKE IT!

YOU SHALL KNOW THE TRUTH AND THE **TRUTH** SHALL SET YOU FREE. KNOW THAT IT IS SO.

I AM THE **TRUTH**, THE LIGHT, THE WAY, AND THE LIFE.

TAKE MY HAND, FOR I KNOW THE WAY AND YOU DO NOT.

I AM SANANDA.

I AM CAPTAIN OF **THIS SHIP**.

I COME WITH A SWORD OF LIGHT AND I SHALL SMITE MINE ENEMIES WITH PRECISION. KNOW IT!

SO BE IT AND **SELAH**.

**OVER AND OUT, FOR NOW--**

A 4 Volumn Series — \$6.00 each

There have been written over 222 Journals; with only 108 having been printed in Journal format. The 115 or so that are waiting to be published are not as important right now to your place as these four. Spread these four Journals and you will spread the Word. These four Journals were penned during January 1998.

"THESE WILL BE THE MOST IMPORTANT BOOKS EVER TO GRACE YOUR GLOBE ABOUT THIS TIME IN HISTORY OF HUMAN EXPERIENCE HERE. Historical TRUTH has been buried, burned and kept from you to better fool you people ALL THE TIME. When scholars recognize the lies and the game plan—they are murdered. No, I suggest that no matter how big that paper or overwhelming these Journals may seem to your senses—STUDY THEM CAREFULLY—THEY ARE YOUR TICKET."
